Not only did the Hai Family fail to constrain, but they also intensified their frenzied provocations, especially tonight's behavior at the flat tide of the sea, which touched Yash Nics's bottom line.

Yash Nics has decided to smooth Haijia!

The next day!

Hai Pingchao used his contacts in the East China Sea to get his youngest son out.

But what made him puzzled was that his friends in politics and the military on weekdays immediately shook their heads and said they could do nothing.

Some people even hung up the phone when they heard that this was the case.

This made him startled and angry!

On weekdays, everyone calls him brothers and sisters. If he has anything to do with him, his friends in the black and white business, politics, and army will help. Why is it not working this time?

With Haijia's network resources in Shanghang City, it was unexpectedly unable to get Haiyang out.

Although Hai Pingchao was shocked, he could only pin his hopes on Yash Nics again. He hoped that Yash Nics would compromise softly.

If Yash Nics said that Haiyang would not be held accountable, General Du would definitely agree to let him go.

So he called Yash Nics himself again.

"Yash Nics, I'll give you one last chance. Either you will let General Du release people, or your family will stay in Shanghang City forever."

"With my strength in Shanghang City, I can say that I can do it. "

Hai Ping was anxious: "You!"

Yash Nics said lightly, "Hai Pingchao, before you send a killer to my family From that moment on, you've already lost the way."

"Within three days, the Hai Family must be destroyed!"

Hai Ping was so angry that he was tumbling with blood, and he said angrily: "Then I will leave the words here too, if Today I have no news from my son, so your family will wait for the reunion on Huangquan Road!"

Yash Nics's mouth raised slightly: "You want news from your son today, okay, you wait!"

Yash Nics finished speaking and hung up. phone.

Hai Pingchao was frightened and angry, unpredictable. What does Yash Nics mean?

He called his men and ordered them to pay close attention to the military in Shanghang City, and report any news about his son immediately.

He talked with Yash Nics on the phone at 8 am!

Just two hours later, the butler Agui came to see him in a hurry.

Agui tremblingly said, "Master, there is news about the second young master!"

Hearing this, Hai Pingchao quickly asked, "What's the matter, is Yash Nics scared and let General Du let go?"

Agui shook his head, "No!"

"Not only did the military not let go, but also let the second young master. They were handed over to the Supreme Court of Shanghang City."

Agui sweated on his forehead: “It’s true, the publicity of the public trial conference is now spreading wildly in Shanghang City. The court. On the one hand, this time it is to eliminate evil and also to popularize law!”

Hai Pingchao said angrily: “It is unreasonable!”

Indeed, Hai Pingchao is called the Dragon King of the East China Sea, and he has an unparalleled status and prestige in Shanghang City.

Now, the court is going to put his son in a public trial.

This is no longer hitting him in the face, it is simply putting him on the fire and roasting him.

Hai Pingchao suppressed his anger and asked: “Agui, you can find out who made this bad idea?”

Agui shook his head: “I don’t know, it’s probably the second young master this time. I ran into Du Tianlin’s gang of military leaders, and the military is reluctant, and must severely punish the second master!”

Hai Pingchao said bitterly, “I suspect that behind this, Yash Nics is indispensable to help the flames, and that guy keeps saying that we will destroy our sea. Home.”

Agui said worriedly: “Master, what should we do now?”

Agui: "It is said that it is Chai Zhongping, who is known as an iron judge. "

Hai Pingchao frowned: "Chai Zhongping has always been fair and abiding by the law, and never took bribes or corruption. It seems that Xiao Yang is in a disaster this time, and our Hai family is also ashamed of this time."

...

noon, twelve o'clock. .

Times Square is full of people.

To fight off evil, the public trial meeting was held on time.

Hai Pingchao took a group of men and hid in a corner to watch the trial meeting in a low-key manner.

When he saw that his son was sentenced to death, his eyes showed deep grief.

I saw countless citizens cheering at the scene, and some even set off firecrackers.

His expression was extremely angry, and he was just about to order his men to wait for the firecrackers to be killed.

However, this time.

Yash Nics, Song Ping, Song Qingqing, and Tong Ke came with Dianchu and Bahuwei.

Yash Nics smiled and said, "Master Hai, are you also coming to the trial meeting?"

Hai Pingchao, who was originally very angry, calmed down when he saw Yash Nics.

He is like this, the more angry he is, the more calm he is. This is his undefeated experience in the East China Sea for decades.

He squinted his eyes and looked up and down Yash Nics, as if he was about to get to know Yash Nics again, and said slowly, "Yash Nics, you know how to take advantage of the situation."

"You grabbed my son and bumped into General Du's painful foot. To add to the flames, I took advantage of General Du's power and harmed my son."

"I have to admire it, a good method."

Yash Nics said with a smile: "Your son is doing a lot of evil, and he is ruined by himself."

"But I think your son is ruined." Compared with you, it's a little bit of a witch. In fact, you are the person to be tried in public today. I think it's more appropriate."

Hai Pingchao's eyes flashed with killing intent, and he said with a smile, "Yash Nics, you think there is General Du. If you help you, you can really do whatever you want?"

After Hai Pingchao finished speaking, he took his men and turned and left.

Hai Pingchao got on his extended Lincoln, and the driver asked, “Master, where are we going?”

Hai Pingchao calmly said, “To the Eastern Navy District!”

It turned out that it was just now.

Hai Pingchao learned that the commander-in-chief of the East China Sea Province Military Region, General Wei Lin had returned from the capital.

He has a good relationship with General Wei and is going to visit General Wei.

Hai Ping Chao said quickly, "I dare not dare, I just want to ask Chief Wei to persuade General Du to stop meddling in my grievances with Yash Nics. Let me and Yash Nics resolve my grievances with Yash Nics alone."

"According to the news I have received, Yash Nics's family intends to drive away from home in East China Sea tonight. Return to Jiangnan." After

Hai Pingchao finished, he motioned to the old housekeeper Agui beside him to unfold a map.

Then he pointed to a remote place on the outskirts of Shanghang City and said loudly: "Yash Nics and the others drove away from the East China Sea and returned to the south of the Yangtze River. This Jingquepo is a must pass."

"I plan to leave early, and I will be here tonight. Intercept and send Yash Nics's family to Huangquan." The

Hai Family's subordinates on the scene shouted again: "Kill, kill, kill!"

Hai Pingchao, smug, waved: "Go!"

Yash Nics's family did not rush to leave Shanghang. Instead, I spent a few hours strolling around the city and bought a lot of gifts for my relatives and friends.
