Hai Pingchao seems to be a teenager!

He looked at Yash Nics unwillingly, and said bitterly: "I underestimated you. Otherwise, I will bring more masters and I won't lose so badly tonight."

Yash Nics looked at Hai Pingchao, this old boy couldn't lose. Convinced!

Yash Nics was noncommittal, and only smiled and said, "I have already received a gift from you before, so I won't accept this heavy coffin, you can keep it for yourself!"

Hai Pingchao looked at Yash Nics in surprise: "You received a gift from me, what do you mean?"

Yash Nics smiled and waved at Dian Chu.

Dian Chu met immediately, took out a calligraphy and calligraphy, and opened it in front of the sea.

Calligraphy and painting came to the door, writing a few vigorous characters: the giant of the country.

When Hai Pingchao saw these words, his body trembled suddenly as if he had been struck by lightning.

He opened his eyes wide, and cried out strangely: "This, this, this, is this not the calligraphy that I gave to Chief Wei, and asked Chief Wei to give to the young marshal of the North Realm?"

He raised his head, looking at Yash Nics in shock, and said in a trembled voice: "Why is this calligraphy here? Could it be that you are the legendary young commander of the North!"

He was like falling into the ice cave, but he thought he had underestimated Yash Nics, and he was defeated so badly tonight.

He finally understands!

Yash Nics turned out to be the young marshal of the North!

No wonder the leaders of the Eastern Navy District were so flattering with Yash Nics.

No wonder every one of Yash Nics's men is a terrifying powerhouse.

He knelt down weakly and muttered to himself in despair: "I should have thought of it..."

Yash Nics said coldly, "It's a pity, it's too late."

"Come on, send Master Hai on the road, remember to let Master Hai Walk decently."

Zhao Yun strode forward, raised the knife in his hand, and splashed blood. As a result, the sea leveled out.

Hai Pingchao's body was put into the eight-lift coffin on the road!

This was the coffin he prepared for Yash Nics, but in the end he pretended to be himself.

Haipingchao is dead!

Dian Chu and the others looked at the captured

two of Feng Feng and Rong Lang, and asked Yash Nics: "Marshal, what should they do with them?" Two Feng Feng and Rong Lang were defeated by Yash Nics. They had been speculating about Yash just now. Who the hell is Yash Nics?

Now, they finally knew that Yash Nics turned out to be the young commander of the North, the God of War.

They finally knew that they were unjustly defeated.

The two of them crawled on the ground and were convinced of defeat. They said together: "The two of us had eyes and no beads, and we ran into the young marshal. It is not a pity to die. Please give

me death from the young marshal." Yash Nics looked at the two in front of him and said lightly, "You guys. Both of them are okay, would you like to play for me?"

Both Gufeng and Furang were killed by Yash Nics when they saw the sea level. They thought that they were also in danger.

Unexpectedly, Yash Nics didn't even intend to kill them, but would use them for their own purposes.

The two of them looked at each other, and there was ecstasy in each other's eyes.

They both said in unison: "It is our honor to have the honor to play for the young marshal. We are willing to play for the young marshal. We would rather die than regret."

Yash Nics said with satisfaction: "Very good, you two can heal your injuries. Come and see me in Mannity!"

Feng Feng and An angry wave said together: "Yes!"

Yash Nics exhorted again: "Also, my identity must not be disclosed to the outside."

Two Feng Feng and An angry said: "Observe."

Yash Nics told Dianchu and the others: "Send Hai Pingchao's body back to the Hai family!"

Dianchu said, "Yes!"

Yash Nics also ordered Eighteen Horsemen in the North to go to the Chinese Navy District to station temporarily.

## Chapter 643 Read free Novel

Soon, Abu and Song Pingting and his party came to the Grand Hyatt Hotel.

After the two parties sat down, Song Pingting smiled and said, "Mr. Abu, let me first tell you about the cooperation plan of our Ningda Group!"

Unexpectedly, Abu waved his hand and said proudly: "I don't want to listen to you. Just listen to my arrangements."

Song Pingting and his party looked at each other. This Tianzhu pharmaceutical tycoon is a bit strong!

Song Pingting nodded and said, "Well, I will listen to your cooperation plan first."

Abu said with a smile, "My plan is very simple. You will marry me and be my 21st wife."

"Post-liver cancer ." I will also be responsible for all the vaccines, and I guarantee that the vaccines will sell well all over the world."

Song Pingting and others were shocked!

Song Pingting's pretty face showed a touch of embarrassment. This curry-smelling Tianzhu man actually wanted her to marry him and become his 21st wife?

Is she crazy?

Or is it the beauty he wants?

Song Pingting forcibly resisted her anger, and said in a deep voice, "I'm sorry, I'm already married, and we will only talk about official business today, and nothing else."

Abu said with a grin, "If you get married, you get divorced and marry me. I don't mind."

"But when our Tianzhu women go out, they must wear a veil and can't show their faces. You must pay attention to this after you marry me."

Song Pingting couldn't help it anymore and said angrily: "Abu Sir, please make it clear. I am married, I love my husband very much, and I will not marry you."

Abu's eyes widened: "My assets are almost ten times that of your Ningda Group, and I am still the highest in Tianzhu. Waiting for the nobles, countless Tianzhu women knelt and wanted to marry me."

"They all think it is a great honor to marry me. You refused to marry me?"

Song Pingting looked at the arrogant arrogant in front of her, and said coldly: "I will not marry you, and even plan to cooperate with you. We will talk about this until now."

After that, Song Pingting wanted to take it with him. A group of executives left.

Abu sneered and shouted: "Burning the sky!"

A tall, thin, middle-aged man dressed as an ascetic, with a group of men, stopped Song Pingting and the others.

This ascetic monk is the master of Tianzhu hired by Abu heavily gold, Burning the sky.

Fen Tian's eyes were like poisonous snakes, gleaming with terrible light, and his voice said coldly: "Our boss didn't tell you to

leave , none of you can leave ." A male executive named Li Jianming beside Song Pingting said angrily. Pushing Burning the sky forward, he cursed: "What do you want to do, do you know that this is Da Xia. Are you a group of Tianzhu Asan, dare to stray wildly on our site?"

Li Jianming's words just fell off!

Fen Tian started his hand and snapped Li Jianming's right hand off.

what!

Li Jianming screamed bitterly!

Fen Tian kept moving, making continuous shots, clicking and clicking, breaking Li Jianming's left hand and feet in a few strokes.

Li Jianming was still screaming at first, but then he passed out in pain.

Song Pingting and others were full of horror. She said angrily: "Abu, you dare to indulge your subordinates to hurt people!"

Abu took out a bottle of golden root pills, poured out two, and swallowed water in front of Song Pingting. Take it down.

Then, he grinned and said: "In our Tianzhu, if a man doesn't agree with a woman, he can only use the most primitive way to conquer a woman."

"Hey, Miss Song, after you have tasted my power, you will definitely I am willing to be my 21st wife."

Song Pingting showed a frightened expression!

She remembered at this moment, Tianzhu women are very low status, and Tianzhu men violently abuse women at every turn.

Now this guy named Abu obviously brought his usual style of doing whatever he wanted in Tianzhu to Daxia.

She said with a pale face: "What do you want to do?"

Abu said with a smirk: "Of course it is to use a man's ability to conquer you and make you my woman." After

he finished speaking, he ordered Fen Tian to wait for his men: "Look at the others. People who dare to change, kill them directly."

After speaking, he squinted towards Song Pingting, "Hey, beauty, I'm here!"

Song Pingting was horrified!

At this moment, the door of the suite was kicked open with a bang.

Then, the two masters of violent wind and fury walked in blankly.

Abu was stunned: "Who are you two?" The

wind and angry waves did not speak, but moved away from the left and right sides.

Then, a man with a tall figure and a star-like stare walked in unhurriedly. It was Yash Nics.

"Husband!"

Song Pingting gave a shuddering cry as if she saw the backbone of the main body, flew up and plunged into Yash Nics's arms.

Yash Nics comforted softly: "It's okay, this Tianzhu boar,

leave it to me to clean up." When the ascetic saw Yash Nics, his pupils suddenly dilated, and he, who was not surprised on weekdays, unexpectedly showed an expression of uncertainty.

Abu saw Yash Nics barge in with two of his men, damaging his good deeds.

He immediately looked at Yash Nics with an unkind expression on his face, and said arrogantly: "You are her husband, you came just right, now I order you to divorce her."

"From today, she is my woman!"

In Tianzhu, all People are divided into four classes, namely high nobles, ordinary nobles, commoners, and hybrid surnames.

Abu is a nobleman!

He is in Tianzhu with unparalleled power and wealth, and he can do whatever he wants. It is commonplace for him to bully men and women.

In addition, countless women in Tianzhu dreamed of marrying him such a senior nobleman.

He is now in Daxia, and he still regards himself as a superior nobleman, and he regards Yash Nics, Song Pingting and others as inferior people.

So speak without scruples and do whatever you want.

Unfortunately, this is Daxia, not Tianzhu.

It is a pity that the person he met this time was Yash Nics.

Yash Nics said coldly: "You arrogant pig man, it's fine for you to be a prestige in your own turf. Now you come to our Daxia to show off your prestige."

"The wind and the waves!"

Both the wind and the waves are together. Qi Ying

said: " Yes!" Yash Nics said indifferently: "Interrupt this guy with his hands and feet, castrated him by the way, and then send him to the Tianzhu Embassy."

Although Abu is arrogant, he is not stupid.

He saw that Yash Nics actually ordered his men to castrate him. He jumped into a thunder and yelled: "You low-class people, dare to offend high-class nobles. It's really unreasonable."

"Fen Tian, kill this guy and him. A subordinate."

If it was a weekday, as soon as Abu's words fell, Fen Tian would start killing.

But this time, Fen Tian didn't even move for a long time.

Abu looked at Fen Tian in surprise, and urged: "Fen Tian, I asked you to kill the three of them, what are you doing in a daze?" After

Abu said these words, he found that something was wrong.

On weekdays, he looks like an expert from outside the world. He doesn't change his face when encountering anything, and Burning Heaven that can be easily defeated by any expert.

At this moment, he was trembling all over, sweating like pulp, like a mouse seeing a cat.

Abu dumbfounded: "Fentian, what are you doing?"

Yash Nics raised his mouth slightly, looking at Fentian: "Hehe, aren't you the fighting chief Shah Rukh of Tianzhu's 500,000 mountain troops?"

"Why haven't seen you in a few years and become a bodyguard?"

Yash Nics's words sounded like a bolt from the blue in the ears of Burning Tian.

His body shook wildly, and said with a trembling: "It's you, it's really you, that terrible figure in the northern border three years ago..."

It turned out that the masters of the eighteen nations in the past jointly invaded the territory of Daxia.

Yash Nics single-handedly defeated the masters of the Eighteen Nations.

Killing the corpses of the Eighteen Nations masters all over the field, Yash Nics has since become the most terrifying existence in the eyes of foreign enemies.

This Burning Heaven, three years ago, joined a few masters from Tianzhu, joined the Eighteen Nations Master Alliance, and invaded Daxia together.

He will never forget the scene where several of his companions were all beheaded by Yash Nics.

He couldn't forget the scene of hell with corpses all over the field and the world changing colors.

Not to forget, Yash Nics's stalwart figure standing like a god of war.

During that battle, Fen Tian was immediately frightened and turned around and fled, becoming a deserter.

After he returned, he was expelled from the Tianzhu Mountain Forces on charges of deserting and became a civilian.

In order to make a living, he finally became the bodyguard of the pharmaceutical tycoon Abu.

But what he didn't expect was that he would meet again this time, the person he feared most in the depths of his memory.

## Chapter 645 Read free Novel

Yash Nics looked at the shivering Fen Tian and said with a sneer: "It seems that you still remember me. You didn't even have the courage to fight at the beginning, so you flee in a hurry."

"Now, you You have become bolder!"

"I dare to come to China and bully our fellow Chinese."

Abu was surprised and said loudly: "Fen Tian, what the hell are you afraid of him? Take out your usual skills and kill. He!"

Yash Nics looked at Burning Sky and said with a mockery: "You didn't even have the courage to fight me at the beginning. Now I will give you another chance to see if you have the courage to attack me?"

Abu looked at him in horror. With Yash Nics, his clothes were infiltrated with sweat, and he dared not make a move for a long time.

With that embarrassed look, where is the ascetic attitude of the monk?

Ning disappointed, said: "Oh, you have no courage even shot, dare to step into the big summer to lord it over us, is really ridiculous."

Fen Tian groaned, violently wounding people like a tiger. He roared, "I'm fighting with you!"  
The

gust of wind greeted Fen Tian, and snorted coldly: "Just because of you, you even died in Mr. Yash. None of his

subordinates have the qualifications!" Gale blasted Fen Tian's defenses with a punch, crashed into Fen Tian's arms, and hit Fen Tian's chest heavily with his elbow.

With a muffled bang!

The internal organs in Fen Tian's chest were directly shattered by the incomparable strength of the strong wind and turned into syrup.

He opened his eyes wide, covered his chest and fell down, staring at him.

On the other side, Fury had already knocked down a few of Abu's men, and then kicked Abu.

Then, the angry wave stepped on five consecutive feet, not only breaking Abu's hands and feet, but also stomping Abu's lifeblood.

A group of senior executives of Ningda Group, seeing this group of Tianzhu Asan, received a cruel lesson, and they all cheered excitedly and shouted hello.

Yash Nics said indifferently: "The wind and raging waves, send these Tianzhu pigs to the Tianzhu Embassy."

Then, he and Song Pingting and others sent the seriously injured Li Jianming to the hospital for treatment.

After coming out of the hospital, Song Pingting couldn't help but curiously asked Yash Nics: "Why does that guy named Fentian seem to be afraid of you, in words you seem to know you?"

Yash Nics smiled and said, "When I guarded the northern border, That guy used to cooperate with a gang of thieves to invade our territory of China."

Song Pingting was relieved when she heard the words and held Yash Nics's hand tightly. Looking at Yash Nics admiringly, he said, "Husband, I only knew that you served in the Northern Army. I only knew that you had served as a small platoon leader, but I didn't expect you to be so powerful."

"I'm proud of you! "

Yash Nics said with a smile: "Don't look down on the Northern Army. Every soldier in the army is excellent."

Song Pingting nodded and subconsciously said, "Well, wait until we have a son. After he is old, I must send him to serve as a soldier."

"Let him defend the country and establish our family's glorious tradition like you." When

Song Pingting finished speaking, she found that Yash Nics stopped talking. He stopped and looked at her with a smile.

She was stunned and asked stupidly: "Husband, what's the matter?"

Yash Nics said with a smile: "It's nothing, I'm just thinking, when will we start to have a son?"

Song Piting was stunned when she heard the words, and then she looked pretty. The rate of redness visible to the naked eye.

She was so ashamed that she hurriedly covered her cheeks, ran away, and tweeted: "Yash Nics, you badass."

Yash Nics couldn't laugh or cry, thinking that it was you who said you had your son to send him to the army.

I asked when I wanted a son, and why I became a badass.

Finally, after some time, he was sent to the hospital for rescue.

Although Abu's life was saved, he was destined to become a useless person after he was cured, and the 20 wives in the family were also married in vain.

Far away in Tianzhu, Abu's older brother Bacher was furious when he heard this, and vowed to avenge his younger brother.

Bacher is a general of the Tianzhu Mountain Forces, and he is in charge of 30,000 soldiers. He is considered a powerful warlord in Tianzhu.

He learned that his brother was in an accident and immediately protested to the Daxia Embassy.

However, Daxia believed that the incident was caused by Abu and his party's brutality. Although he regretted that Abu was crippled, Daxia did not support Bacher's request to severely punish the assailants.

Bacher's request to shoot the assailant was not met.

He became more and more angry and decided to personally come to Daxia to avenge the Mannity Song Family and Ningda Group, and avenge his younger brother.

This news soon reached Daxia Jiangnan.

The Song family, the provincial capital, invested a lot of business in Tianzhu, so it happened to know General Bacher.

Song Yuanming, the current Patriarch of the Song Family in the provincial capital, immediately contacted Bacher and expressed his willingness to assist Bacher in revenge after learning about this.

Immediately afterwards, Song Yuanming led his men and came to Mannity from the provincial capital in person to talk to Mannity Song's family on behalf of Bacher.

Song Qingsong took Song Zhongxiong, Song Zhongping, Song Haoming, Song Feifei, Ge Meili and other family members to personally greet Song Yuanming and his party.

In the living room, everyone sits down.

Song Qingsong then asked with a smile, "My patriarch, you came from the provincial capital all the way back, did you have anything to tell us?"

The Song family, the provincial capital, is the first Song family in the south of the Yangtze River.

The Mannity Song Family is just a side branch.

After all, the Patriarch of the Song Family in the provincial capital is also the Patriarch of the Song Family in Jiangnan.

Therefore, when Song Qingsong saw Song Yuanming, he had to shout respectfully, Lord Patriarch.

Song Yuanming said with a sneer: "Song Qingsong, you have caused the destruction of the door, but you don't even know it."

Song Qingsong's family was shocked when they heard this, their expressions changed drastically, and they trembled and asked what's the matter?

Song Qingsong's family originally thought it was the Song family, the provincial capital, so Yash Nics had to be held accountable for killing Song Lutang.

However, Song Yuanming said with a sneer: "Song Qingsong, your grandson-in-law Yash Nics, is getting more and more arrogant. This time he abolished General Bacher's younger brother Abu."

"Three days later, General Bacher came to Daxia to follow him in person. You Song

Song Yuanming said with a smile: "We can't write two Song characters in one stroke, and our surname is Song, and it's still the same clan. Since I came to Mannity to meet with you, I naturally intend to help you."

Song Qingsong's family was overjoyed when they heard this, and had not had time to thank you.

Song Yuanming has continued: "However, although I have some friendship with General

family will give me one billion hard work." Song Yuanming said this, and looked at Song Qingsong's family with a sneer: "Couldn't you think of your family with dozens of people? Life is not worth a billion, right?"

Although the Song family has a wealth of wealth, the absolute vitality of a billion was greatly injured and even fell into a slump.

However, Song Qingsong is gone, after all, life is more important than money.

He laughed and said: "Take people's money to help people eliminate disasters. Don't worry, I will definitely intercede with General Bacher and let them spare your family."

"But Yash Nics abolished General Bacher's brother. General Batcher will not spare Yash Nics."

Song Qingsong's family hated Yash Nics, and said bitterly: "That waste is not capable but can do it, hurting General Bacher's brother, and also injuring our Song family. He is guilty of death."

Song Yuanming said with a smile, "Yash Nics" There is no doubt that you will die. You should seize the time to persuade Song Pingting to divorce Yash Nics and to get rid of Yash Nics's relationship."

"When the time comes, General Bacher will come, I will intercede for you, and you will let Song Pingting take advantage of her beauty. Serve General Bacher."

"As long as you are satisfied with General

Bacher, your Song family will have nothing to do." Song Qingsong nodded and said, "Yes, right, let Song Pingting and Yash Nics's little plague god Divorce, clear the relationship, so as not to get involved in our home."

Ningda Group, Chief Counsel's Office.

Yash Nics stood in front of the floor-to-ceiling windows, looking at the scenery outside the window, while listening to Dianchu's report on the phone.

Dianchu said "Probably he thinks that it is a trivial matter to come to Daxia to deal with you and the Song family, and he doesn't show up. If Daxia's military did not have an idea before, then he won't have any trouble!"

Yash Nics sneered: "We Daxia has always had traditions. Friends come and have good wine, jackals come and have shotguns. Please pay attention to Bacher. If he really comes to Daxia, we will greet him."

When their father and daughter returned home, they suddenly found that there was a large group of people in the living room, arguing fiercely.

It turned out that Song Qingsong's family came.

Song Qingsong brought a group of family members over. First, he blamed Song Pingting for the catastrophic disaster and hurt their family; second, he persuaded Song Pingting to divorce Yash Nics and get rid of Yash Nics's relationship.

Song Pingting was also pale, full of regret and fear, but she bit her lip and said, "Grandpa, don't persuade me to divorce anymore. I won't divorce Yash Nics."

"He is trying to save me. He hurt Abu."

"Bachelor is here to avenge his brother, and I am willing to bear the consequences with Yash Nics."

Song Qingsong said angrily, "Take it, can you afford it?"

"Do you know if we will be able to take it?" The Song family is also unlucky?"

"Now our Song family has been killed by you to lose a billion. You will not get lost when you die."

Song Pingting bit her lip: "I won't divorce Yash Nics, even if Die, we have to die together!"

Song Qingsong was trembling with anger at Song Pingting's words.

Song Zhongxiong and Song Zhongping have scolded Song Pingting for not knowing what is good or bad, she is a broom star, and don't hurt their Song family if she wants to die.

At this moment, Yash Nics calmly entered, holding his daughter in his arms, and said coldly: "Have you had enough trouble?"

Song Qingsong's family was a little afraid when they saw Yash Nics.

Song Qing loosened her hand on crutches and glared at Yash Nics and said, "You little plague god, who has caused such a big disaster, still have the face to talk?"

Yash Nics said coldly, "Teached Tianzhu Asan, I don't think I'm breaking into it. Misfortune, and our family's affairs, don't bother you, please come back."

Song Qingsong said angrily: "You said lightly, do you know that Southeast Asian warlord Bacher will soon come to avenge his brother, we Song The family is all implicated by you."

"We were forced to put out one billion funds, and asked the patriarch of the Song family, the provincial capital, to intercede with Bacher. This loss is all yours."

Yash Nics said indifferently: "This I will let the Song

Family, the provincial capital, return the money to you." "As for Bacher, if he really dares to come, I will let him kneel and he dare not stand."

Unreasonable!

When Song Qingsong saw Yash Nics's death approaching, they dared to speak such big words.

All of them are going crazy!

Song Qingsong angrily said to Song Zhongbin and Song Pingting's father and daughter: "I don't care about your family's life or death, in short, your family shouldn't

impede our family!" After that, Song Qingsong took the family and left angrily.

At this moment, only Yash Nics, Song Pingting, Song Qingqing, Song Zhongbin and Ma Xiaoli are left at home, and Tong Ke, who has been silent all the time.

Ma Xiaoli was full of worry, but she wanted to say nothing.

Song Zhongbin smokes silently without speaking.

Song Pingting was also pale and worried.

Knowing that he had offended Bacher, the great warlord of Southeast Asia, and also learned that Bacher would come to Daxia to find them in person, Song Pingting's family was trapped in a depressed atmosphere.

Yash Nics smiled comfortingly and said: "Don't worry, everyone in our land in Daxia, it is not yet their turn to do whatever they want."

"And I have been a soldier for several years, and I am familiar with some leaders in the army. If something happens, the leader in the army will definitely not stand by."

Song Qingsong's family came out of Jiangbin Community, and everyone scolded Yash Nics.

Song Qingsong said anxiously: "Although Yash Nics said he would take this matter up, I'm afraid that Bacher won't let it go. By the way, we will also

wipe out our Song family !" Song Zhongxiong asked, "Dad, how about this. Is it okay?"

Song Qingsong squinted his eyes and said, "You forgot, when the Deng family in the East China Sea came to make things difficult for our Song family, Wang Daofang, the head of the Chinese Navy, led a large number of troops to come and arrested all the Deng family?"

Song Zhongxiong and others heard the words and were pleasantly surprised: "Dad, do you want to invite General Wang

Daofang to help our family again?" Song Qingsong said with a smile, "Yes!"

" No matter how good Bacher is , it is also Tianzhu's. Warlord. If we can ask the Wang Daofang general to help our house, and there are a large number of troops from the Chinese Navy, Bacher will definitely not dare to touch a hair of our Song family."

Everyone in the Song family was overjoyed when they heard this.

They did not hesitate, immediately prepared a generous gift, and went to the Chinese Navy District to see Chief Wang.

Wang Daofang looked at Song Qingsong and his party with a smile on his face, and then looked at the pile of gifts brought by Song Qingsong's family, and said indifferently, "What are you going to do with me?"

Song Qingsong didn't hide it, and directly took care of the matter. After talking.

Finally, Song Qingsong said with a sad face: "Chief Wang, that day the Zhu warlord Bacher, wanted to come to Daxia for revenge. I am afraid that he will anger our Song family. I want you to help us Song family again."

Wang Daofang heard the words, which was meaningful. Said: "Hehe, your Song family is really interesting. You don't worship a god in your family. You come to my little temple and ask me the little land

father. You are not asking for the last!" God!

Land Lord!

Song Qingsong's family looked at each other, confused.

Wang Daofang, as the commander-in-chief of the Chinese Navy and a dignified major general, even though he was a small landlord, and said that the Song family had a god.

Is it possible that someone in the Song family is a hundred times more powerful than Chief Wang?

Oh my!

When did the Song family have such a great person?

Song Zhongxiong was surprised and said: "Who is so great in our Song family, who is even better than the head Wang, isn't it Yash Nics?"

Yash Nics!

Song Qingsong's family are all in awe. They are about to ask Wang Daofang about Yash Nics's identity?

However, at this moment, Song Feifei laughed and said: "Dad, second uncle, grandpa, you really think too much. Yash Nics's trash, how could he be better than Chief Wang?"

"If I didn't guess wrong If it is not, Chief Wang said that there is a remarkable person in our family, and he must be my boyfriend Zhong Ziqiang."

Song Feifei said this, Song Qingsong and others were first taken aback, and then they showed stunned expressions.

Song Feifei said triumphantly: "It is said that my boyfriend is loved by General Liu Zhenping, commander of the Jiangnan Military Region, and his future is boundless."

"Last time the Donghai Deng family wanted to be against our Song family, it was my boyfriend who came forward and asked the leaders to help. In the end, criminal police, special police, armed police, and the army were dispatched to teach the Deng family a

severe lesson." Song Qingsong and others nodded one after another.

Only Wang Daofang showed a smile but a smile.

Wang Daofang thought to himself: Your boyfriend is just a small captain, and he doesn't even have the qualifications to talk to General Liu. I would also like to ask all the leaders to help and dispatch a large number of military police.

Song Qingsong noticed Wang Daofang's seemingly non-smiling expression, and he asked suspiciously, "Chief Wang, the person you mentioned is better than you, is he my grandson-in-law?"

Although Zhong Ziqiang and Song Feifei are still a couple, but Song Qingsong has already regarded Zhong Ziqiang as his grandson-in-law in his heart.

Daofang smiled upon hearing the words: "Exactly!" Song Qingsong's family opened their eyes and laughed, cheering that they would soon become a son-in-law in the Song family, and were not afraid of being bullied.

But what Song Qingsong's family did not expect was that Wang Daofang's grandson-in-law referred to Yash Nics, not Zhong Ziqiang.

Song Qingsong's family triumphantly said goodbye to Wang Daofang.

They rushed home and called Zhong Ziqiang to let Zhong Ziqiang protect their Song family.

It is best for Zhong Ziqiang to mobilize a large number of troops again, as he taught the Deng family last time, to give a severe lesson to the warlord Bacher.

Shi Qing accompanied him and said carefully: "Mr. Yash, that guy claimed to be your sister-in-law's boyfriend. But my subordinates saw him sneaking in the drinks, so I dare not let him take your sister-in-law away."

Yash Nics heard the words. Quickly asked: "My sister-in-law is okay?"

Shi Qing: "It's okay, she was just overwhelmed by the medicine, and she is temporarily unconscious."

Yash Nics said coldly, "The Song family in the provincial capital is nothing here. You'd better put away your set of dudes."

Shi Qing heard the words in a deep voice. Said: "Yes, Mr. Yash."
