she saw the recharge bill and the consumption bill." "She didn't dare to talk to us. Say, just tell dad."

"Dad used to argue with the hairdresser and asked for a refund."

"The people at the hairdresser refused, and a group of people surrounded Dad and Mom shouting and killing."

Not long after, Yash Nics and Song Pingting drove to the international chain of beauty salons for your lady.

Yash Nics frowned when he saw the lady's international chain beauty salon.

Yash Nics couldn’t laugh or cry: “What are you doing looking at me?”

Song Pingting coldly snorted : “Yash Nics, are you hiding something from us?”

Yash Nics said, "In fact, this brand of your lady is notorious for a long time. Many people have reported and complained to them before."

"This year The 315 Consumer Rights and Interests Gala, due to special reasons, will be launched until tonight."

"Everyone knows that the Consumer Rights Day is very powerful, and many illegal businesses are holding their tails to behave themselves."

"This noble lady dares to commit crimes!"

"So I'm pretty sure. I let my subordinates report them. They will definitely be investigated and closed down."

Yash Nics said, picking up the TV remote control and turning on the TV news. The news is really consumer rights protection programs!

On Jiangnan TV News, the reporter stood at the door of a Noble Lady's beauty salon with a microphone in hand, and said seriously: "Before we have received reports from the public that the Noble Lady's beauty and hairdressing chain cheated consumers to recharge a huge membership card and commit fraud. As for what was wrong, she couldn't tell herself.

So I can only temporarily believe that Yash Nics is using the Consumer Rights Day to teach those bad businesses.

At this time, Tong Ke had already had a rich dinner, and came out to greet everyone: "Okay, it's time to eat."

Yash Nics's family sat down and ate happily.

At this moment, at Mannity Airport, wearing a black suit and looking quite handsome, Chen Jiandong, with a gloomy breath of prey between his brows, came out of the airport with a group of entourage such as the Bull Demon King and Xiao Ma.

Lin Hai, a wealthy businessman in Jiangnan Province, has been waiting for a long time with a bunch of men.

When Lin Hai saw Chen Jiandong, he hurried up to greet him with a trot, and said with a flattering smile: "Hello, Shao Chen!" Chen

Jiandong said coldly, "You are the general agent of my mother's company in Jiangnan Province, Lin Hai?"

Lin Hai said with a smile: " Yes, yes, I know well in the south, and Shao Chen has anything to do with me, just let me order."

As Lin Hai spoke, he personally opened the door of the Bentley next to him, and invited Chen Jiandong to get on.

Chen Jiandong arrogantly went to Bentley and sat down in the back seat with his head up.

Lin Hai was said by a small attendant of Dong Shao, and his face was a little bit awkward.

But think about the origins of Chen Jiandong, think of the great Yash family in the north, the five-rank official in front of the prime minister's door, and the little servant of Dong Shao is not easy to provoke, so bear it.

Xiao Ma and the expressionless Bull Demon sat around Chen Jiandong.

Lin Hai sat in the co-pilot and ordered the driver to drive.

Chen Jiandong's men and Lin Hai's men followed behind in other cars. The long black convoy attracted the attention of passers-by.

Chen Jiandong asked coldly: "I want you to find out where Yash Nics is, have you checked it out?"

Lin Hai nodded and said, "I checked it out. His family lives in the Jiangbin villa complex."

Lin Hai said here, immediately He whispered: "Since you are here,

Young Master Dong, I will report something to you by the way." Chen Jiandong squinted his eyes and said, "Say!"

Lin Hai immediately took Yash Nics and his wife in dozens of chain stores in the south. I told Chen Jiandong about the matter of closing the door.

Mrs. Noble is a company founded by Mrs. Haixin, and it has developed well over the years.

But for the Yash family, who has a big business, this beauty is not a big deal, and it doesn't take much to heart.

Instead, what made Chen Jiandong frown was that Yash Nics was able to mobilize relevant departments to seal dozens of chain stores within ten minutes.

This is impossible without any hard power.

For the first time, Chen Jiandong's eyes showed a trace of scruples, and he asked slowly: "How did Yash Nics do it, and how much power does he have?"

Lin Hai pouted and said disdainfully: "Yash Nics has a fart power, opportunistic goods, He took advantage of the 315 Consumer Rights and Interests Party tonight and frantically reported us to relevant departments, which led to our chain stores being closed."

When Lin Hai said this, he added quizzically: "He has no abilities, but his wife Song Pingting is not to be underestimated."

"Song Pingting is the president of Ningda Group, which is currently the key support of Jiangnan Province. Many provincial leaders give some care to the Ningda Group."

Chen Jiandong was dressed in a black suit and dressed like a noble prince. Behind him stood the pony and the bull demon, and behind him there were dozens of men standing blankly with their hands down.

Song Pingting was a little shocked when she saw Chen Jiandong.

Because of Chen Jiandong’s appearance, he is vaguely similar to Yash Nics.

It’s just that Chen Jiandong looks more feminine and cold, while Yash Nics is calm and restrained.

Song Pingting was surprised: “Are you the northern rich man named by Boss Lin, Chen Jiandong?” When

Chen Jiandong saw Song Pingting, his eyes flashed with surprise, and he reached out to Song Pingting and said with a smile : “Yes, I It’s Chen Jiandong, I’m very happy to meet Miss Song!”

Chen Jiandong was stunned when he heard Yash Nics’s words, and immediately sneered: “Hehe, I haven’t seen your bragging ability in a few years!”

“I am now the young master of the Yash family, the heir of trillions of assets!”

“What about you? A pauper who has just been discharged from the army, why should I admire you?”

However, Yash Nics's face was still full of light and breezy, with a slight smile on the corner of his mouth, he looked at Chen Jiandong playfully, his eyes seemed to be looking at a clown.

Chen Jiandong's heart was full of anger, and he came up with a quick rub.

He sneered and said: "Yash Nics, you don't think you are married to Ms. Song. You see Ms. Song is the president of Ningda Group, and you see that Ningda Group is getting better results, so you think you are doing it again, right?"

Yash Nics smiled and said, "Hehe, I can't do it, you'll know then."

Chen Jiandong did not see Yash Nics at all. He looked at Song Pingting and smiled and said, "Mr. Song, you are from Jiangnan business community. Goddess, you are such an outstanding flower. Why should you put a flower on his

tuft of cow dung?" Song Pingting knew that Chen Jiandong was Yash Nics's half-brother. After learning about Chen Jiandong's grievances with Yash Nics, she was in her heart. There will be vigilance.

Goodbye Chen Jiandong had always slandered and humiliated Yash Nics when she met. She couldn't help it anymore and said coldly: "Sorry, I don't need to explain to you as an outsider for my marriage with Yash Nics!"

"I thought Lin Hai was sincere and sincere. We Ningda Group introduced business partners, but I didn't expect you to have ulterior motives."

"We don't need to cooperate anymore, husband, let's go!"

Song Pingting was not annoyed at Chen Jiandong to humiliate her husband. At this time, she was so angry that she didn't want to discuss business with Chen Jiandong. Yash Nics's hand is about to go.

However, Chen Jiandong took a sip of red wine from his glass and said with a smile: "Miss Song, wait a minute!"

Chen Jiandong said with a smile: "As far as I know, your Ningda Group's vaccines and other products are mainly marketed in the south. You want to open up the northern market, but you don't have enough energy."

"If Miss Song is willing to give me time for a western meal, Sit down and talk with me while eating."

"Then I can promise to help you solve this problem and let your products enter the northern market for sale, and no one dares to make trouble."

Chen Jiandong said this, pointing to Yash Nics deliberately and said "But when I have a meal with you, he will wait outside the hotel when I am discussing business with you."

As long as he has a western meal with him, Ningda Group will be able to obtain the support of the northern giant Yash's family quickly. Open the northern market.

Then Ningda Group's revenue is estimated to double!

A single meal may create billions, or even tens of billions of profits!

Chen Jiandong was holding the wine glass and looked at Song Pingting confidently. He felt that as long as Song Pingting was not a fool, he would definitely agree to his request.

By doing this, he deliberately embarrassed Yash Nics, and also deliberately caused Yash Nics and Song Pingting's relationship to conflict.

After all, any man whose wife sits down with his enemy to drink red wine and eat Western food for a huge benefit, while he is driven out of the hotel to wait, will definitely complain.

When there are complaints, there will be estrangement, and when there are estrangements, there will be problems in the relationship between couples.

When Yash Nics and Song Pingting's relationship had problems, Chen Jiandong was able to break through Song Pingting's defenses and slowly take her into captivity.
