At the same time, hundreds of men on the outer deck also rushed in.

Some held a swing stick, some held a samurai sword, and even a few held a pistol in their hands.

The head of this group of thugs was a bearded man, shouting sternly: "Squat down, everyone squat down honestly, whoever doesn't cooperate, go to death!"

The entrepreneurs on the scene were scared one by one. Hold your head and squat down.

Soon, only Yash Nics, Song Pingting, Tong Ke, and Dianchu were still standing.

Song Pingting paled with fright, and even Tong Ke became nervous.

Yash Nics is still light and light!

Dian Chu saw a handful of people holding pistols at the scene, and he secretly tightened his whole body.

He has two pistols pinned to his back, and each pistol contains 30 bullets.

He is the King of the Spear King for three consecutive terms in the Northern Army!

At this moment, he seemed to stand still indifferently, but in fact the nerves of his whole body were already tense like a spring.

His eyes are like a pair of radars, scanning the most threatening enemy at the scene, and he is also estimating how to quickly eliminate all these threats by suddenly shooting the gun in the shortest time.

Chen Jiandong hid behind dozens of guards, looked at Yash Nics, and said in surprise: "Good guy, no wonder he is so arrogant. It turns out that he is so powerful. Even the Bull Demon King, one of the five tigers of the Yash family, was easily killed by you. "

Song Pingting’s face was pale and gritted her teeth and said, “Yash Nics does not ask him. If we are to die, we will die together!”

Yash Nics said with a smile, “My wife, just relying on his waste and the garbage at the scene, think It’s not enough to kill us!”

Chen Jiandong’s eyes widened. Yash Nics is really reluctant to live and die. At this time, he dare to speak out.

The Yash family thugs at the scene were just about to start their hands.

However, there was a rumbling noise like a tractor in the sky outside the cruise ship, and everyone was stunned.

Then I heard someone exclaiming: "Oh my God, there are so many helicopters over our cruise ship!"

"Look here, what's that on the sea?"

"Warship, my God, it's a destroyer!"

"There are also warships here!"

In the shouts of the warship, on the helicopters above the cruise ship, the soldiers of the Raptors Special Forces slid off the sling quickly and quickly, one by one. Landed on the deck.

These Raptors special fighters gathered quickly one after another, and then a team surrounded the scene with submachine guns.

Wang Daofang, the commander-in-chief of the Mannity Military Region, dressed in a combat uniform and personally slipped off the helicopter. Then, holding a pistol, with a group of special soldiers, strode towards the inner hall of the cruise ship.

Many entrepreneurs at the scene knew Wang Daofang and exclaimed: "General Wang is here!"

Wang Daofang said coldly: "Remove all the innocent hostages, and all the gangsters stay."

"Yes!"

Soon. Yes, the entrepreneurs at the scene, including Song Pingting and Tong Ke.

All were taken away by the special soldiers and transferred to the deck, waiting for the warship to come and pick them up.

Yash Nics, Dianchu, and Chen Jiandong and others all stayed in the cruise ship's internal lobby.

General Wang actually honored Yash Nics respectfully, calling Yash Nics his head, how high is Yash Nics's status!

Chen Jiandong finally understood that when he laughed at Yash Nics a few days ago, why Yash Nics would say faintly, "I am still the existence you need to look up to."

He also finally understood why Yash Nics was so sure when faced with his gang.

He understood better, why Yash Nics's bodyguard was so good, and why his marksmanship was so amazing.

It turned out that everything was because Yash Nics was an extraordinary figure in the army!

Yash Nics looked at Chen Jiandong with a gray face, and said calmly: "Whether you were the illegitimate son of the Yash family back then, or you are now the eldest master of the Yash family, I never take you seriously."

"Even you came a few days ago. When I went to Mannity and harassed me and my family, I didn't really intend to have general knowledge with you."

"But what you did today has already touched my bottom line."

"If you have any last words, I will send someone to tell the Yash family. "

Chen Jiandong's eyes showed horror, and his body trembled uncontrollably. He trembled: "You want to kill me, you can't do this..."

Yash Nics casually picked up a glass of champagne on the table next to him. He took a sip, and then smiled like Mu Chunfeng: "Why?"

Chen Jiandong wanted to threaten Yash Nics if he killed him, the Yash family would not let Yash Nics go.

But after thinking about it, Yash Nics, who is now in this status, is the Yash family a shit!

So he quickly changed his words and said loudly: "You are the chief, and you are a soldier. Isn't your mission to defend your home and the country and protect us ordinary people?"

“How can you kill me ? How can you do this? I’m not sorry for the sacred mission on your shoulders!”

As long as he doesn’t die today, and his parents use the family relationship for activities, they will get him out if they are not sure.

However, when he heard Wang Daofang’s extremely majestic words at this time, the whole person was like falling into an ice cave, and his whole body became cold.

Yash Nics looked at Chen Jiandong and said with a smile: “It seems that General Wang

understands the law better than you.” After Yash Nics finished speaking, he said to Wang Daofang: “Today is General Wang, you lead the team to act. How do they deal with it? General, you decide!”

Not long after, Yash Nics, Song Pingting, Tong Ke, and a group of entrepreneurs were all escorted back to Mannity City.

After returning home, Song Pingting's fear of fear gradually calmed down.

After she calmed down, she wondered a bit, why Wang Daofang led the troops to appear in such a timely manner, would it have anything to do with Yash Nics?

It seems that every time Yash Nics is in danger, Wang Daofang will appear!

Song Pingting became more and more suspicious as she thought about it. She called Yash Nics, squinted her eyes, and asked: “Yash Nics, are you hiding something from me? Why does General Wang appear every time you are in danger?”

” Especially this time, when we were in danger in the vast ocean, General Wang led the troops to fall from the sky. Isn't it a coincidence?”

Yash Nics thought to himself, he knew that this cruise business reception was a Hongmen banquet created by Chen Jiandong. Therefore, Wang Daofang has long been ordered to lead a large number of troops, waiting for support at any time.

Chen Xiong hugged Mrs. Hai Xin and comforted: "Well, I was wrong about this. Yash Nics's little beast is too hateful. I must kill him by myself and give our son revenge."

Mrs. Hai Xin choked. Said: "Master, Yash Nics has always blamed his mother's death for me and you."

"He is our family, and he dreams of our death!"

"You see, he is asking us to go to his mother's grave again." Kneeling for three days and three nights of repentance, and deliberately making trouble at your birthday gift, this time he killed our son, and next time he is estimated to destroy our family, you must not be merciful."

Chen Xiong's heart still has that. He hesitated and felt that although he had severed ties with Yash Nics, he really wanted him to kill Yash Nics by himself.

But when he heard Mrs. Haixin's words, the hesitation in his eyes disappeared, replaced by a touch of decisive killing.

He squinted his eyes and said coldly: "Don't worry, kindness does not lead soldiers, and love does not stand up."

"I, Chen Xiong, can create a world in the north in 40 years from a country boy, and it is in my dictionary. There is no such word as soft-hearted!" After
