extraordinary characters!" Mrs. Yang lost his voice. "Ah, could it be that Lu Jiongyang was not convinced and went back to gather his men and make a comeback?"

Everyone at the scene was shocked when he heard the words, showing a frightened expression.

Before the servant had time to explain, a middle-aged man wearing a gray jacket and glasses, who looked elegant and majestic, came in with a group of subordinates.

When Mrs. Yang saw the elegant man, she exclaimed: "

Master Shizun !" It turned out that this elegant man was the city zun Su Haizhou of Shanghang City, and all the people who followed were important leaders of Shanghang City.

These people who can only be seen on the Shanghang News on weekdays have all appeared in the Yang family.

Su Haizhou smiled heartily: "We know that today is Mr. Yash's grandmother's birthday, and we came here to beg for a birthday drink. If you take the liberty of visiting, I hope Mr. Yash and Mrs. Yang will forgive me."

Mrs. Yang was so excited that she couldn't speak. , Repeatedly said: "Don't take the liberty of taking the liberty, Lord City Lord, come to the humble house, the

The hospitality is difficult, Song Zhongbin can only agree to stay in the Yang family for a few days.

In the next few days, Yash Nics's family lived in Yang's family.

Many Shanghang city dignitaries came to confess to Yang Jiapan, so that the Yang family, who had been declining in the past, had a vaguely re-emerging momentum.

All of this was made possible by Yash Nics, so Mrs. Yang's family treated Yash Nics's family very carefully.

In the past few days, Chen Xiong in the north has not been idle.

He used his personal connections to contact the Murderer Mercenary Corps, one of the top ten mercenaries in the world.

He spent 5 billion in commissions to mobilize Hades, the leader of the mourners mercenary group, and led a thousand mourners mercenaries to come to China secretly to help him deal with Yash Nics.

Hades and his 1,000 mercenaries arrived in Daxia secretly in batches.

Chen Xiong took advantage of his personal connections in Daxia to obtain a large number of weapons from the arms dealers and order them for Hades.

Soon, the day came to the last day of the seven-day appointment between Yash Nics and Chen Xiong!

In the early morning, black Hummers and many black heavy trucks formed a long black fleet and appeared aggressively in Shanghang City.

The black convoy went straight to Qinghe County and finally stopped at the foot of Wutong Mountain in Qinghe County.

Immediately, wearing a black coat, with frosty temples and sharp eyes, Chen Xiong got out of the first Hummer.

Along with him from the first Hummer, there was a burly black man who was over 210cm tall.

This black man with a dark body, indifferent eyes, and a death-like icy breath, is Hades, the famous underworld king in the world of mercenaries, the head of the mourners mercenary group.

Hades was wearing a black combat uniform, with two heavy pistols around his waist, and tactical daggers on his legs, making him look majestic.

On the off-road vehicle behind him, there are also heavy trucks, many of the mercenary regiment's school officers and mourners, mercenary soldiers, all wearing all-black combat

uniforms, carrying submachine guns, and jumping off the vehicle quickly to train Well-organized assembly.

Chen Xiong looked at the mercenary group of Hades with satisfaction, the corners of his mouth slightly raised.

Asking the mourners corps to deal with Yash Nics, it's really too much of a cannon to hit mosquitoes.

However, what he wants is this domineering ending!

Soon, Chen Xiong and a group of his men, with Hades, a mercenary, boarded Wutong Mountain and came to the grave of his ex-wife on the top of the mountain.

The ex-wife's grave was newly repaired and its specifications are very luxurious.

The bluestone tombstone reads: The Tomb of Loving Mother Li Xiuning!

Standing in front of the grave, Chen Xiong squinted at the tombstone, and said in a chat-like tone: "Li Xiuning, whoever is a rich and powerful man, who is not three wives and four concubines?"

"You opened one eye back then. Closing one eye is, why bother to irritate us, do you want us to drive your mother and child out of the house?"

"Look at you, after being expelled from Yash's house, he died of illness not long after.

"Your son hates us too!"

Chen Xiong said here, sneered twice, and continued: "Your son actually asked everyone in the Yash family to come to your grave and kneel for three days and three nights, repenting of their mistakes. "

I also threatened to destroy Yash Nics if the Yash family refuses."

"We are here today, in front of you, to have a sentence with your son. We will send this rebellious son down to see you soon. Reunited." The

He looked at Chen Xiong and said in blunt Mandarin: "Mr. Yash, are you sure your enemy Yash Nics will really appear today. Will he come here to fight us to the death?"

Chen Xiong Looking at the mercenaries who have been baptized on the battlefield around them, they said faintly: "I have an appointment with him to be here today. According to his personality, he should come."

"Should?" Hei Dies frowned and said in a deep voice, "Mr. Yash, Daxia has become a forbidden area for mercenaries."

"Generally, we will not set foot in Daxia forbidden. This time I just look at your price. It's tempting to take on this task."

"We accept the task in Daxia . We usually pay attention to quick battles and quick decisions, and then quickly evacuate."

"So, today your enemy Yash Nicsruo comes, we will help you destroy him; Yash Nicsruo If you don't come, we will also retreat, and your commission will not be refunded."

"I have to make it clear to you first!"

Chen Xiong frowned slightly and nodded: "Okay!"

The mercenaries of Hades began to feel a little impatient.

Even Chen Xiong's retainers shouted and said, "Master, it's over, Yash Nics probably got some noise. When the turtle hides, he dare not come."

Chen Xiong frowned even more!

At this moment, a black mercenary school officer in the distance suddenly rushed over and reported in English to Hades and Chen Xiong: "Someone is coming!"

Chen Xiong smiled and said loudly: "Yash Nics must be here, his temper is as stubborn as his mother, and would rather be unyielding, I knew he would definitely come to die."

Hades also became serious, and asked in a deep voice: "How many enemies have come? "

Hades led him to China this time and collected Chen Xiong's 5 billion commission.

Therefore, he felt that the enemy he was going to face this time was definitely not simple.

The black school official replied with a weird expression: "Only two people came here, a young man with a tall stature and eyes like stars; there was also a tall and mighty figure, who seemed to be that young man's entourage."

What?

Only two people came!

Did Yash Nics bring only one entourage?

This is to learn Guan Yu to attend the meeting alone, when Guan Yu went to Soochow to attend the meeting, he brought only Zhou Cang who was responsible for the knife.

Hades widened his eyes: "Are you sure there are only two people?" The

school officer nodded: "Yes, how do you order the Pluto to deal with, do you shoot them, or let them go up the mountain?"

Hades turned his head and looked at Chen Xiong.

Chen Xiong sneered: "Hehe, this kid went to the meeting solo after studying Guan Yu. He really regarded himself as Guan Yu. He probably didn't know that Guan Yu died because of overconfidence and too arrogance?"

"Hades, let you Don't shoot at the subordinates, let Yash Nics come up."

Soon, Yash Nics appeared before Chen Xiong and the others with Dianchu.

Yash Nics looked at the large number of mourners and mercenaries around the scene, then glanced over the faces of a group of familiar and unfamiliar Yash family ministers, and finally fell on Chen Xiong.

Chen Xiong sneered: "Yash Nics, I didn't expect you to come to die. You are more stubborn and stubborn than your mother. You don't want to look back when you break through the south wall!"

Yash Nics's face remained as usual and said coldly, "Chen Xiong, I Always give you a chance. Now it seems that you are going to be obsessed to the end."

Chen Xiong laughed at this: "You give me a chance?"

"You look around, not to mention Hades them this mercenary force, said to me these retainers Titans who is going to kill you every minute thing. You dare imminent death to overreaching."

"But , Read it for you, my father and son, and now you are still in front of your dead mother, I will give you a chance."

"If you promise to apologize to me and your stepmother, you have to go to your brother Chen Jiandong's grave and kneel down to admit your mistakes. . " "

I can spare your life, but you have to go into a foreign country, a lifetime may not be re-entered China half a step. "

Chen Xiong finished speaking, he said loudly, "Come here, take this evildoer to me!" Of the mourners and mercenaries at the scene, almost no one understood Mandarin.

Hades, the underworld king who can understand Mandarin, has not had time to order his subordinates to do it.

A group of Yash family's retainers immediately stepped out and rushed to attack Yash Nics.

The first one was Sui Peng. This guy has followed Chen Xiong for twenty years and accompanied Chen Xiong to fight the world. It can be said that Chen Xiong's powerful arm.

Sui Peng, who is over 40 years old, but is exceptionally strong and sharp-eyed, has just walked a few steps, and has not yet approached Yash Nics.

Yash Nics had already said coldly: "Sui Peng, I didn't expect that the first person to rush to do something with me would be you."

"Fifteen years ago, your father had a brain tumor and needed a sky-high medical bill.

" You ask for help and kneel when you see people, but still no relatives or friends are willing to help you."

"In the end, it was my mother who was kind-hearted and took the initiative to help you solve your father's medical expenses and save your father's life."

"Now, Do you dare to do something to me in front of my mother's grave?"

Yash Nics's words, like a bolt from the blue sky, shocked Sui Peng's body and stopped immediately.

The murderous spirit on Sui Peng's face was gone, replaced by a touch of remembrance and guilt.

He lowered his head in shame and whispered: "Master, my subordinates dare not..."

Chen Xiong widened his eyes when he saw this.

Yash Nics looked at the other retainers around Chen Xiong indifferently, and continued coldly: "Zhang Shun, you gambled and misappropriated a large sum of money from Chen Xiong, and finally lost it all. In anger, Chen Xiong will cut off your hands. . " "

At that time, who is struggling to plead to you, so that Chen Xiong spare your back? "

Zhang Shun, one of the Yash family's retainers, her face changed drastically, her lips trembled twice, and she said weakly, "It's your mother, your young master. Mrs. Li asked me for love."

Yash Nics nodded, then looked at the others. The retainers, such as Jiazhen, reiterated the old things that his mother had rescued these guys one by one.

These old courtiers who had been with the Yash family for ten or twenty years were all embarrassed and angry by Yash Nics, and their heads were drooping. No one dared to shout and scream anymore.

This made Chen Xiong dumbfounded!

Finally, Yash Nics looked at Sui Peng and others indifferently: "Now, whoever of you wants to kill me now can take action."

Sui Peng and others all lowered their heads and whispered: "Don't dare!"

Chen Xiong heard the words. He took a breath of air, and at the same time a anger rose from his heart, and he roared: "Are you my subordinate or his subordinate, dare you not even listen to my orders?"

"I want you all to take action now. Take down this wicked animal."

Sui Peng and others knelt down, bowed their heads, and said embarrassedly: "Master, we really can't do this, you can punish us."

Chen Xiong was furious and stepped forward. Raising their feet, they kicked Sui Peng all over, angrily cursed: "What's the use for me to raise you? Believe it or not, I killed you."

Sui Peng and others did not dare to resist, but they did not want to kill Yash. rather.

They lie on the ground and bit their heads and said: "Master, Mrs. Li was kind to us before. You want us to kill the young master. We can't do anything anyway. You can kill us."

Chen Xiong was so angry that veins appeared: " You really think I dare not kill you!"

Yash Nics applauded, and said to Sui Peng and others approvingly: "Hehe, you can still maintain your heart under this tyrant. It is worthy of praise."

"Just look at it." For your sake, I can spare some of you immortality today."

Sui Peng and others were shocked when they heard Yash Nics's words.

What kind of situation is you now, you can't protect yourself from the mud bodhisattva crossing the river, and dare to say that you forgive others and not die?

This is too innocent!

Sui Peng's several retainers looked at each other and were very speechless.

Chen Xiong was even more angry and smiled: "Haha, Yash Nics, you really don't shed tears if you don't see the coffin."

"You think that with your mother and your subordinates' little favors, my subordinates are embarrassed to kill you, I will treat you today. Can't stop you?"

"Hades!"

The Hades, who was wearing a black combat uniform and with various pistols and daggers, grinned and said with a grinning grin, "Master Chen is finally going to be true. Is it?"

Chen Xiong did not rush to order Hades and the others to do it. Instead, he looked at Yash Nics as a winner and sneered provocatively: “Yash Nics, you really disappoint me. I thought You made an appointment with me, you can come up with something that shocked me.”

Yash Nics smiled slightly: “Since you have said so, then I am naturally ashamed to disappoint you, Dianchu——”

Dianchu heard this, Raise your right hand and make a fist with five fingers.

Chen Xiong, Hades and others were stunned when they saw this. What kind of action was this, was it an action to give some kind of order?

If you are giving an order, who is Dian Chu giving the order?

Just when Chen Xiong, Hades and others had such doubts in their hearts, suddenly a firework-like thing flew from a distance, and then exploded with a bang in the sky.

Chen Xiong was surprised, what is this?

When Hades and his men saw this, their eyes widened and their mouths opened slightly in shock.

Soon Hades recovered, and roared in anger, “flares, but military flare!”

The black spots are getting bigger and bigger, and the more they open, the clearer they are. They turned out to be two Daxia latest fighters flying at low altitudes.

Hades looked at the two particularly domineering fighters getting closer and closer, and they could not even see the various missiles hanging under the fighters with their eyes.

”

Fake !” Hades couldn't help but swear!

The two fighters whizzed past everyone, and when they passed over their heads, the two fighters suddenly accelerated, forming two bursts of sound, as if two thunders exploded in everyone's ears.

boom!

boom!

The strong air flow driven by the aircraft, the terrorist sound wave attack caused by the sonic boom.

Ask everyone on the scene to throw away their weapons one by one, and squat down with painful faces covering their ears.

Everyone felt as uncomfortable as having their head exploded. Many people were deaf for a short period of time, and even a few people were directly unconscious by the impact of the sonic boom on the spot.

Chen Xiong also covered his ears, his face full of pain, but there was more horror in his eyes.

Hades didn't cover his ears just now. He shook his head twice to wake himself up. He kept cursing, ”

Fak, Fak ...” He was even more horrified than Chen Xiong, and even dispatched a fighter jet. , This situation is beyond his control.

The emergence of military flare and fighter jets.

All this shows that Daxia's military has been eyeing them long ago.

We can't guarantee that they will be wiped out, all of which will be explained here.

Hades's heart was bleeding and regretting. If he knew he had long been greedy, he wouldn't step into this mercenary restricted area.

Yash Nics and Dianchu stood proudly.

They have been on the battlefield for a long time, and the sonic boom is a piece of cake for them. It was totally unaffected, not to mention the embarrassment of Chen Xiong and Hades and others.

Hades was already ignoring Yash Nics at this time. He said loudly to Chen Xiong, "Master Chen, the situation is not good, we can't continue this task. We have to withdraw as soon as possible, otherwise I am afraid we have to explain all of them here Now." After

Hades finished speaking, he wanted to greet his mercenaries to retreat.

But at this time, there was a rumbling sound in the distance, and the rumbling noise became louder and louder, and finally there was a feeling of a mountain shaking.

Chen Xiong, Hades and the others all showed horror and looked at each other, wondering what the situation was like?

For a long time, someone screamed: "It's tanks and armored vehicles, armored tanks full of mountains and plains, and there are troops in the distance!"

"Oh my God, we are surrounded by a large number of heavy armored troops in Daxia!"

Hades and Chen Xiong The others looked at the countless armored tanks around Wutong Mountain in horror.

There was also a large number of heavily armed troops, marching in order, surrounded by darkness.

Chen Xiong opened his eyes wide and opened his mouth, making him stupid.

Hades is not getting better, his eyes are horrified, his face is full of disbelief and he looks at the rumbling tanks and armored vehicles rolling over the mountains and plains, as well as a large number of black and crushed troops.

In the distant sky, countless helicopter gunships came from the sky like dark clouds.

As for the mourners and mercenaries, all of them looked gray and desperate.

Many people throw away their weapons one after another, holding their heads in disbelief, backing away in horror, and muttering in their mouths: "No, No..."

But there are also a few violent characters who are not reconciled. Xia's guy became irrational and frantic.

These guys looked at the large number of Da Xia troops that appeared around them in fright and anger, then looked at Yash Nics angrily, and cursed in English: "These Da Xia troops must have been attracted by this guy. We use him as a hostage."

"If Daxia refuses to let us go, then we will die with this kid."

These madmen said, holding up their submachine guns. Some wanted to aim at Yash Nics, and some wanted to come and arrest Yash Nics. hostage.

But at this moment, on the opposite hillside, dozens of snipers fired at the same time.

Among the mourners' mercenaries, the dozens of fanatics who wanted to disadvantage Yash Nics headshot at the same time, and dozens of headless corpses all fell down.

When Hades saw the other mercenaries, all his expressions changed drastically again.

Hades lost his voice: "Sniper!"

"Oh my God, how many snipers have you deployed around, you actually have dozens of headshots at the same time!"

Yash Nics said lightly, "Not many, only a thousand. Sniper."

what?

Thousands of snipers were deployed on the surrounding hills!

Doesn't that mean that almost each of them has a sniper aiming, ready to take them headshots at any time?

Hades looked at the surrounding hills in shock, he couldn't believe what Yash Nics said was true.

But from Yash Nics's determined eyes, the countless troops surrounded by mountains and plains, and the helicopter gunships that covered the sky, he felt a strong feeling in his heart: What Yash Nics said should be true.

Yash Nics arranged a thousand snipers around, from beginning to end, Yash Nics could kill all of them in seconds at any time.

At this time, the tanks and surrounding them, countless helicopters hovering over everyone's heads, the machine guns on the helicopters aimed at Hades and others.

In addition, large numbers of heavily armed Daxia warriors, and the complete encirclement of Wutong Mountain, are densely packed with Daxia warriors.

Du Tianlin took a megaphone and said majestically in English: "Hades, we are the Great Xia Army. Now you are completely surrounded by our 100,000 soldiers."

"I ask you to immediately lay down your weapons and surrender. Otherwise, just It takes three seconds for you to all become corpses."

Hades raised their hands and surrendered, and his men also surrendered.

In the West, there is a huge disparity in power, and it is not a shame to surrender to save lives.

It's just that Hades felt that he was so embarrassed this time that he didn't even know how to plant it.

He turned his head to look at Yash Nics, and in blunt Chinese, he asked aggrievedly: "Who are you anyway?"

What is Yash Nics's identity?

This question is what Chen Xiong wants to know now.

Chen Xiong had already recovered from the shock at this time. He stared at Yash Nics fiercely. He also wanted to know who Yash Nics was.

In the shocking gazes of Chen Xiong and Hades and others, Du Tianlin's group of generals saluted Yash Nics in unison, and shouted in unison: "See the chief!"

Yash Nics raised his hand and returned a military salute, with a deep voice. Said : "Hello, generals!"

"Marshal, the wind is strong on the mountain, please put on a handsome robe!"

Du Tianlin strode over and put the handsome robe with both hands.

Yash Nics took it casually, shaking away with a clatter, and put his backhand on him.

Yash Nics is tall and straight, with eyes like stars, wearing a handsome white robe with gold rim. The epaulettes on both shoulders of the handsome robe are the pattern of the national emblem and a platinum sword.

In an instant, his whole temperament changed drastically, and he became a heroic, sharp-edged imperial marshal!

All the 100,000 Great Xia fighters at the scene looked at Yash Nics with fanatical eyes, as if the believers had seen the gods in their hearts.

Hades knelt down with a thump, trembling all over, and said in a trembling voice: "I know who you are, and I finally know who you are..."

"You are the young marshal of the North, and one person killed the Eighteen Kingdoms. The combination of masters, one person shocked the world, so that all countries in the world would not dare to take advantage of Daxia's God of War!"

Yash Nics looked at Hades, who was creeping on the ground indifferently, without comment.

Marshal!

Chen Xiongru fell into the ice cave with cold hands and feet. He looked at Yash Nics in shock.

He couldn't imagine that the waste son who was expelled from the house by him turned out to be the legendary God of War, the young commander of the North!

Chen Xiong looked at Yash Nics with a pale face!

Yash Nics is also looking at Chen Xiong indifferently!

Yash Nics squinted and said indifferently: "Chen Xiong, didn't you say that I shouldn't let you down?"

"I now have millions of soldiers!"

"You think you can rely on your Chen family's ability. Hiring a few waste mercenaries can really kill our mother and our son?"

Yash Nics's words exploded in Chen Xiong's heart like a thunder.

Every time Yash Nics said a word, Chen Xiong took a step back, clutching his chest.

Chen Xiong staggered back a few steps, suddenly slipped under his feet, raised his head and fell back, and the back of his head happened to hit the bluestone tombstone of Yash Nics's mother's grave.

With a snap, blood suddenly appeared.

The back of Chen Xiong's head was blood stained, his eyes went black on the spot, and he lost consciousness.

Sui Peng's several Chen family's retainers couldn't help whispering: "Master!"

Yash Nics frowned, looking at Chen Xiong, who was lying in a pool of blood, at his mother's grave, with complicated eyes.

Is this the will of heaven in the dark?

Or is his mother punishing Chen Xiong, a person who is unsatisfactory, under Jiuquan?

Yash Nics looked at Chen Xiong, who was looking at the blood flowing from the back of his head, and he was hesitant to kill him for the first time.

Du Tianlin asked in a low voice, "Marshal, do you want to save him or send him on the road?"

Yash Nics's eyes became more and more complicated. Looking at Chen Xiong, who fell in a pool of blood, there were complaints, hatred, compassion, pain, and compassion. ...

In the end, Yash Nics sighed and waved his hand to tell Dianchu: "Send him to the hospital!"

Dianchu said solemnly : "Yes!" Du Tianlin looked at Chen's men and the Hades mercenaries to accompany him. He asked carefully: "Marshal, how do they deal with it?"

Yash Nics's expression was a little lonely: "Let's take care of it!"

After speaking, he turned around, his back looked a little tired, and said slowly : "Get out of here , I I want to stay quiet with my mother for a while."

Soon, Chen Xiong was sent to the hospital for emergency treatment.

As for the Chen family's subordinates, all the mercenaries of Hades were arrested.

Du Tianlin didn't know how to deal with these people, so he decided to put them all in a secret military prison first, and then put them in custody.

As for whether it is to be detained for a lifetime or to be released in a few years, it depends on the attitude of the young marshal before deciding.

Yash Nics sat alone in front of her mother's grave from noon to nightfall, sitting for six full hours.

Because everyone has always been curious, who is the mystery who owns 70% of the Ningda Group?

Male or female?

Old or young?

Song Pingting and a group of executives gathered in the meeting room and sat down, smiling at the video camera, then looking at the wall screen, waiting for the video to be connected, and waiting for the chairman to appear in the video.

Ding!

The video was connected quickly, and what appeared on the screen turned out to be an ordinary small office, or even a small study room.

A man sitting on an office chair turned his back to the camera.

Song Pingting can only see the back of the chairman's office chair and the back of his head.

A somewhat hoarse man's voice sounded: "President Song, General Manager Xia, and all executives of the company, hello everyone."

Song Pingting , Xia Ping and others looked at each other. Is this their new chairman?

It looks like a young man. Why does his voice sound a little hoarse, is it a cold?

Also, why does the chairman turn his back to them and refuse to show his true colors?

The chairman likes to pretend to be mysterious, or is his appearance flawed, so he refuses to show it to others?

Although Song Pingting and a group of company executives have many questions, they don't dare to inquire about the chairman.

Song Pingting coughed, and then said

crisply : "Chairman, hello." Xia Ping and other senior executives also said in unison:
"Chairman is good!"

Song Pingting could not even think of breaking their heads Yes, the mysterious chairman of Ningda Group is actually Yash Nics.

Yash Nics was sitting in Dian Chu's temporary office at this time, with his back facing the video camera, deliberately making his voice deep and hoarse, and said faintly: "Hello everyone, I am holding this video conference with you this time. Two things."

"The first thing is that your high-level team headed by President Song has managed the company well and the company's performance is booming."

"I decided to take out 10% of the company's shares as an incentive dividend to reward everyone. !"

Song Pingting and others were all excited when they heard the words, and they all said thank you to the chairman.

Yash Nics added: "The second thing is that our company's liver cancer vaccine is selling well in the southern market, but it has not been able to enter the northern market for a long time.

Take it all down." Song Pingting said hastily: "Yes, chairman."

"Our group of executives have been studying how to enter the northern market recently, and I plan to personally go to the north to conduct an inspection in the near future. Find a strong company in the north. A powerful medicinal material sales platform, being our business partner, thus opening up the gap in the northern market."

Yash Nics heard the words, flicked the soot from the real dragon cigarette in his hand, and smiled faintly: "Very well, I believe in your ability. Come on. Come on!"

Song Pingting noticed the chairman's action of flicking soot in the video, and she was a little stunned.

This hand, whether it was the slender fingers or the movement of the soot, gave her a familiar feeling.
