video conference is over!

Song Pingting asked all senior executives to work in various departments.

And she took out her cell phone and dialed Yash Nics's cell phone number suspiciously:
"Yash Nics, where are you?"

Yash Nics smiled and said, "At a friend's house, what's wrong?"

Song Pingting said deliberately: "Oh, my car is sent for maintenance. You can drive to pick me up from work."

Yash Nics said, "Okay!"

Song Pingting hung up and sat down in the president's office chair. The more I thought about it, the more I felt in the video. The chairman of the board is like Yash Nics.

Not only the hand looks like it, but the back of the head looks like it, and even the cigarette is a real dragon.

And when she thought of the mysterious secrets of the chairman, she refused to show her true colors, and her voice was a little hoarse. She became more and more suspicious that Yash Nics was the chairman of the Ningda Group.

At this moment, Tong Ke, the head of the quality inspection department, knocked on the door and came in to report to Song Pingting.

Seeing that Song Pingting's expression was different, Tong Ke asked curiously: "Cousin, what's wrong with you?" When

Song Pingting saw Tong Ke, she immediately said, "Xiao Ke, you came right in time. You also participated in the video conference just now. Do you think the chairman looks like your brother-in-law?"

Tong Ke actually suspected that the new chairman was Yash Nics at the time, and she also found out.

However, she chose to keep Yash Nics a secret at this time, shook her head and said, "It's not like, brother-in-law's voice is much better. Then the chairman's voice is low and hoarse, probably a middle-aged uncle." Song Pingting was a little shaken when she heard the words.

Tong Ke reported the work to Song Pingting, and then left.

She had just come out of Song Pingting's office of the president, and not far away, she saw Yash Nics who had just returned from outside.

Tong Ke immediately whispered a few words to Yash Nics!

Yash Nics was stunned, and then smiled bitterly, when he saw a male employee walk into the smoking area, he smiled slightly and followed.

In the president's office, Song Pingting looked suspicious. She very much suspected that the new chairman was Yash Nics, but after hearing Tong Ke's words just now, she was a little shaken.

She bit her lip and snorted coldly: "Yash Nics, if you fellow let me know that you have something to hide from me, you will be done!"

Said Cao Cao Cao Cao!

As soon as Song Pingting's words fell, Yash Nics knocked on the door and came in. Yash Nics smiled and said, "My wife, have you finished work, shall we go out to eat?"

Song Pingting hooked his finger towards Yash Nics: "Yash Nics, come over here for me."

Yash Nics walked up in tears and laughed, "What's the matter?"

Ning pretending Mozhe pocket and pulled out a pack of cigarettes Yuxi , Handed it to Song Pingting: "Here you!"

Song Pingting looked at the bag of Yuxi in her hand, and was stunned for an instant, before eating and eating: "Hey, why is Yuxi? Haven't you only smoked real dragons?"

The corner of Yash Nics's mouth rose slightly, and he said faintly: "Oh, my mouth has changed. I have smoked Yuxi in the past few days, but no real dragon has been smoked."

The mysterious chairman in the video conference drew a real dragon, and Yash Nics was on him. My cigarette is Yuxi, which means that the chairman is not Yash Nics.

Song Pingting immediately became a little embarrassed, she secretly blamed herself for being too suspicious, and she guessed wildly as a whole.

With a narrow smile in his eyes, Yash Nics deliberately asked, "Why do you suddenly care about what I smoke, my wife?"

Song Pingting returned the cigarettes to Yash Nics and hummed: "I want you not to smoke cigarettes that are too strong. The amount of tar is very easy to get lung disease. Of course, it is best not to smoke."

Yash Nics and Song Pingting The two came out of the company. Instead of going home for dinner, they went to a Korean barbecue restaurant and opened a private room where they had barbecue together.

In addition to barbecue, Song Pingting also ordered a pot of sour plum juice.

Yash Nics picked up the sour plum juice, just wanted to drink it, and suddenly smelled a strange smell that seemed like nothing, he immediately frowned.

“Yash Nics, let me go to the bathroom.”

Song Pingting stood up and wanted to go to the bathroom, but as soon as she stood up, her head was dizzy, and suddenly she fell and passed out.

Yash Nics hurriedly checked, and then felt relieved that someone had taken drugs in the drink.

Yash Nics sneered, he wanted to see who was playing tricks!

Ten minutes later, the private room door was opened without warning.

Long Zaitian came in with a few of his men with smirk on their faces.

Long Zaitian looked at Yash Nics, who was lying on the table, and Song Diting, who was lying on the ground. His feminine face immediately showed a triumphant smile. Jiejie smiled and said, “Take the man away from the back door of the kitchen. , Cut your throat and throw it into the sewer.”

Long Zaitian looked at Yash Nics in shock. He didn’t expect Yash Nics instead of being drugged, but easily guessed where they came from.

However, his shocked expression quickly disappeared, replaced by a sneer.

He sneered and said, “Hehe, I thought I would pour the medicine to prevent you from experiencing the pain of death.”

“Unexpectedly, if you pretended to be unconscious, then you would be guilty.”

Long Zaitian said, and ordered several of his men. : “Long Hubao, send this kid on the road.”

The corner of Kuangfeng's mouth rose slightly, and said in a bad tone: "You dare to be rude to Mr. Yash, you are really looking for death."

The angry wave said, "Why tell them so much about this kind of trash? Just kill it!" The

angry wave's voice fell, and the whole person moved, and the body soon appeared afterimages.

The three Tibetan brothers only felt that there was a flower in front of them, and the angry waves had already reached them.

An angry wave hit Zanglong's face with a punch!

Zang Long's face was instantly like a deflated ball, deeply sunken, blood hazy, and his head fell down. He died without screaming.

The angry wave stretched out his hands, grabbed the wrists of the two holding knives, twisted and sent them one by one.

The two daggers immediately plunged into the hearts of Zang Hu and Zang Bao!

Zang Hu and Zang Leopard fell down like emptied sacks.

When Long Zaitian saw this scene, he was so scared.

At this moment, the wind had already appeared in front of him, and he coldly shouted: "Kneel down to Mr. Yash!"

Yash Nics looked at Long Zaitian and said indifferently: "Now, you are willing to tell the truth, who sent you here?"

Long Zaitian's voice trembled because of the pain: "It's Mrs. Haixin. She said Master Chen Xiong has become a vegetable. From now on, the Yash family's large family business will be controlled by her."

"But she is worried that you will return to the Yash family and talk to her. Fighting for property, so send me to kill you."

Yash Nics heard the words and nodded: "This woman is really killing you !"

Long Zaitian said painfully, "I have already told you all, please forgive my life."

Song Pingting was confused, and quickly asked Yash Nics what's the matter?

Yash Nics smiled and said, "It's okay. You fainted while eating. I was so scared that I rushed you to the hospital."

"The doctor said you were at least caused by overwork . Just pay attention to rest."

Song Pingting was also a little dumbfounded. , Believed it to be true, a little scared and said, "It seems we still need to pay attention to rest, otherwise the body is really overwhelming!"

On the way, Song Pingting was still discussing work with Lin Wei and the others.

Song Pingting asked: "Lin Wei, have you arranged our itinerary for this time?"

Lin Wei handed Song Pingting a copy of the itinerary, and smiled: "Mr. Song, I have already arranged it. Our first stop is Jizhou City in the north."

"I have made an appointment for you to meet with people from the Long Family in Jizhou City to discuss cooperation."

Song Pingting nodded with satisfaction: "The Long Family is a prominent family in the north and has a lot of connections in the north. Moreover, Longjia has been engaged in the pharmaceutical and drug sales industry. If it can reach a cooperation with Longjia, then the liver cancer vaccine of our Ningda Group can officially enter the northern market."

Tong Ke couldn't help but curiously asked: "Cousin, why do we have to be partners? Can't we enter the northern market with our own strength?"

Song Pingting smiled: "You think too simple."

"Shopping malls like On the battlefield, every market has an occupant of each market. We southerners who want to enter the northern market to make money will be squeezed out or even suppressed by the big players in the northern market."

"So we can only find a strong local snake, work together with us, so that we can gain a foothold in the north, open up the gap in the market, and make money here."

Tong Ke said repeatedly after hearing the words: "It's too complicated. I still think it's simple to conduct scientific research and manage quality inspections. Hehe."

Song Pingting couldn't laugh or cry when she heard the words, she sighed: "I hope we can meet and discuss cooperation with the Long Family, and everything will go well."

Yash Nics listened to the side and did not speak. He just killed the Long Family two days ago. Long is in the field. Now the Ningda Group is running to talk to the Long's family for cooperation. It is estimated that they will run into a wall.

“They invited you to meet at Fuchun Teahouse tomorrow morning and have a talk. The two companies are cooperating in business.”

Long Zuoquan is still very concerned about this cooperation with Ningda Group.

If a business partnership can be established with the Ningda Group, and the Ningda Group’s liver cancer vaccine sales in the north will be given the responsibility of their Long Family, their Long Family will be able to make a lot of money.

Long Zuoquan heard that Yash Nics and Song Pingting had arrived in Jizhou, and he had not had time to be happy.

Long Fei, the double-spoke red stick of the Long Family, already

coldly snorted, “Cooperate? I think they are here to find death!” Cui Weijiang and Long Fei, each with a skill and a weapon, are the left and right arms of Long Zuoquan.

When Long Zuoquan and others heard Long Fei’s words, they were all stunned.

Long Zuoquan couldn’t help but frown and asked, “Long Fei, what do you mean by this? We don’t understand.”

“Yash Nics and Song Pingting and his wife came to discuss business with us on behalf of the Ningda Group. If you win, how do you say they came to hunt for death?”

Long Fei said with a calm face: “Big Brother, I just got news that Xiao Tian is dead and was killed by Yash Nics.”

Everyone at the scene was astonished. Long Zuoquan was even more frightened, and suddenly stood up: "Long Fei, what you said is true?"

Long Fei said, "It is said that Xiaotian fell in love with Song Pingting and wanted to hook up. He offended Yash Nics and was directly killed by Yash Nics."

"I got the news by accident, but I firmly believe that it won't. There is a fake."

Long Zuoquan's face was green: "Yash Nics, Song Pingting, you killed my son, and you dare to come to Jizhou to see me. I want you to come back and forth." The

Fuchun Tea House, one of the most famous tea houses in Jizhou.

Yash Nics, Song Pingting, Tong Ke, and several senior executives of the Ningda Group appeared in the teahouse on time.

What surprised Yash Nics and the others was that there were no customers in the teahouse today.

I asked the manager of the teahouse to find out that the Long's family had already booked here today, so the teahouse does not accept other customers today.

Song Pingting showed a surprised expression: "Although the Long Family's method is very extravagant and wasteful, they contracted the whole restaurant to negotiate business with us, which shows the sincerity of the Long Family. It seems that the cooperation between our two parties is very likely to be achieved. "

Tong Ke and several senior executives of Ningda Group agreed with Song Pingting's views, and one after another nodded.

Wearing a suit and skirt, dressed up as beautiful and capable Song Pingting, he smiled and said, "Hello, Mr. Long," I'm Song Pingting, the president of Ningda Group. We are here to talk to you..."

Long Zuoquan interrupted Song Pingting's words directly: "Sit down and talk!"

Song Pingting was stunned when he heard the words. Rigidly, although she was pleased to sit down, the behavior of interrupting her was very rude.

She didn't know the attitude of the other party for a moment.

However, Song Pingting, the president of the dignified 100 billion group, still has the ability to deal with things without surprise.

She and Yash Nics looked at each other, then pulled the chair away and sat down.

Long Zuoquan picked up the small teapot and poured a few cups of tea in person, but his expression was very cold and his voice was particularly cold.

He slowly said: "I know your intentions. You want to cooperate with our Longjia, let us help you sell liver cancer vaccines and help you open up the northern market."

Song Pingting nodded: "Yes, people don't talk about it. Well, our Ningda Group is a southern company. Forcibly entering your northern market to sell vaccines will definitely be squeezed out or even suppressed by local forces in the north."

"Therefore, we are eager to find a powerful business partner in the north, and hand over the sales of our liver cancer vaccine in the north to his agent, and we are most optimistic about your Long Family."

In Song Pingting's view, Long The family is not the most powerful family in the north, but it is the most suitable family to cooperate with Ningda Group.

She is also confident that the Long Family is definitely willing to cooperate with Ningda Group for a win-win situation.

At this time, she looked at Long Zuoquan with a smile, waiting for Long Zuoquan's answer.

In her opinion, Long Zuoquan would definitely agree to cooperate.

Sure enough, the corner of Long Zuoquan's mouth rose slightly: "Okay, our Long family promised to cooperate with you, but I don't know what do you think about sharing the income?"

Song Pingting smiled and said, "We make vaccines, and you sell vaccines."

"After deducting the cost, we

divide the net profit in the northern market by five to five, how about it?" Song Pingting is already very sincere in sharing the profit equally.

It can even be said that in order to open up the northern market, it made great concessions in profit.

Long Zuoquan raised his eyebrows and said

lukewarmly : "The structure is getting smaller!" Song Diting was startled: "Mr. Long?"

Long Zuoquan took a sip of tea, took a sip, and said coldly, "I I feel that the five-fifth account is a bit inappropriate, so I have to change it."

Song Pingting frowned, and the five-fifth account, she had already made the decision after discussing with the company's executives, and she felt that Ningda Company had already given the longest profit to the dragon. Home now.

Unexpectedly, the Long Family is still not satisfied!

Song Pingting was silent for two seconds, and then said: "I don't know what percentage of income you want, Mr. Long. If you can accept it, I will try my best to give in."

Long Zuoquan squinted and said, "I want the total amount of liver cancer vaccine in the north. Agency rights, and the money I earn, I want 90%."

Long Zuoquan saw Song Pingting deny knowing his son, and a murderous look flashed in his eyes, like a smile. Said: “No tricks, I want your Ningda Group’s liver cancer vaccine agency in the north, and I want 90% of the profit.”

Song Pingting flatly refused: “Sorry, your request is simply unreasonable. We can’t. Accepted.”

Yash Nics, who had been calm and silent, stood up and said lightly: “If we insist on leaving What?”

At the scene, Long Fei, the double-flower red stick of the Long Family, immediately understood. He approached Yash Nics in two steps, stretched out Kong Wu’s powerful right arm, put it on Yash Nics’s shoulder, and said with a grin: “Boy, you fucking sit for me. Go back!”

When Long Fei heard Yash Nics’s words, his eyes widened again, his mouth slightly opened because of shock.

Yash Nics swept away Long Fei’s hand, and then he put one hand on Long Fei’s shoulder, exerting a slight force, and coldly said: “Kneel down!”

Long Zuoquan hadn't recovered yet, a figure flashed in front of him, and Yash Nics had already appeared in front of him.

Yash Nics's speed was too fast, so fast that Long Zuoquan and the Long Family's men could not reflect it.

Yash Nics raised his hand and slapped Long Zuoquan loudly with his forehand and backhand.

After hitting Long Zuoquan, his face was puffy, his mouth was bleeding, and there was also a look of fear in his eyes.

Yash Nics and his party drove back to the hotel where they were staying when they came out of Fuchun Teahouse.

On the way, Song Pingting sighed, "Hey, I didn't expect the Long Family to be so rude and rude, with no sincerity in cooperation, and even want to buy and sell us. It's too much."

Yash Nics smiled and said, "Northern. There are more powerful families and consortiums, so let's find other people to cooperate."

Song Pingting: "Well, it seems that our trip to the north this time is not as easy as we imagined!"

Yash Nics laughed and said, "Good things are hard to come by. , But I'm very confident in our liver cancer vaccine products. There will always be people with insights and treasures who will cooperate with us."

Song Pingting nodded: "Husband, you're right."

...In the

Long Zuoquan angrily said, "Don't tell me about the injury. I just want to know if it can be cured.!" The

attending physician said: "It's also drooling after cure!"

Long Zuoquan and Cui Weijiang and other subordinates were shocked when they heard this.

What the doctor said clearly meant that even if Long Fei was cured, he would be a waste.

Long Zuoquan's face was green, his eyes bursting with hatred.

Cui Weijiang asked, "Long Lord, what should I do?"

Long Zuoquan said bitterly, "Never forgive Yash Nics and his wife and go to the Long Family Ancestral House. I asked to see Long Xie, the elder of the Long clan, and ask him to call me the master."

Long Home, ancestral house, back garden.

About 60 years old, Long Xie, wearing a cloth, sits in the pavilion, burning incense and playing the piano.

Outside the pavilion, a middle-aged monk wearing Tsing Yi was fighting with a middle-aged Taoist priest wearing Xuan Yi.

The monk is called Tunfo and the Taoist priest is called Ziyang.

These two are the two proud disciples of Long Xie, known as the double stars of Buddhism and Taoism, two peerless powerhouses in the north.

At this time, Buddha Tun and Ziyang were competing, both of them pushed out with one palm.

boom!

The palms of the two slammed together, and there was a muffled sound.

Then, the palms of the two people glued together.

Both sides have round eyes, blue veins appearing on the neck, invisibly wrestling.

The air around the two of them was slightly distorted.

Suddenly, a group of sparrows flew over the two of them in a clatter, and immediately died suddenly, all falling down like rain.

All these sparrows were twisted and died terribly.

Long Zuoquan took a few of his men and just walked into the back garden.

It happened to see the twin stars of the Buddha and the two stars fighting, and it happened to see the sparrows that had been affected and died tragically.

His eyes widened instantly, showing an expression of shock and admiration.

The strength of the patriarch Long Xie is unfathomable, and even the two capable men of the patriarch are so terrifying in strength.

Seeing Long Zuoquan coming, Long Xie stopped the sound of the piano.

Buddha Tun and Ziyang also stopped competing.

Long Xie said indifferently: "Zuo Quan, you are here!"

Long Zuoquan took a few of his men, hurried to the pavilion and knelt down, and said respectfully: "Patriarch, my son died so miserably, my family was bullied. It's so miserable, please call me the shots..."

Long Xie frowned slightly: "In Jizhou, there are still people who dare to bully our surname Long, what's the matter?"

Long Zuoquan said the matter after one hundred and ten.

Long Xie squinted his eyes and said faintly: "In our territory, it is not their turn to be presumptuous."

"Zuo Quan, I will let the Buddhist and Daoist double stars accompany you to meet Yash Nics and Song Pingting."

"You will buy the Ningda Group at a low price in the name of the Long Family. If the Yash Nics and his wife disagree, then just kill them. "

Long Zuoquan was excited: "

Oh, yes !"

the entrance of Tianzi No. 1 private room, a brightly dressed young man was holding a voluptuous beauty in his arms, and was angrily accusing the hotel manager Liang Xiaomin: "Don't you come here with me." One set!"

"Others don't know, this son still doesn't know, do you always keep the best Tianzi No. 1 box in your restaurant?"

Liang Xiaomin hurriedly explained with a smile: "Wei Shao, I really didn't lie. You, Tianzi Box No. 1 now has guests. Our boss just called and ordered us to receive them."

Wei Mingxuan narrowed his eyes: "Well, you tell me which leader is eating."

"My dad ." It's Jizhou Zun. There's no leader in Jizhou that I'm not familiar with."

Liang Xiaomin was stunned when he heard the words, and said falteringly: "The guests inside were invited by our boss to entertain. As for where the leader is, I'm still . really do not know, "

Weiming Xuan sneer:." you've served on weekdays leaders lot, which Jizhou leaders estimate that you all recognize, since you do not even know, it is certainly not a leader not a " "

If I did not If you guess wrong, it should be a businessman who knows your boss."

"Well, let the people inside move a place, and I and my girlfriend will eat in this private room. You pack a table outside and arrange for them to eat outside."

Wei Mingxuan's face was cold: "If it's hard to do, then don't do it. Do you want me to call and tell your boss in person?"

Liang Xiaomin suddenly broke out in cold sweat when he heard this!

Wei Mingxuan is Shizun's son. If Wei Mingxuan really calls her boss, he can't guarantee that her boss will actually fire her directly.

She paled, and said quickly: "Wei Shao, how about that, let me call and ask my boss's opinion?"

Wei Shao said angrily, "Your dignified manager, you can't decide on this little thing. Yeah, I can just let your boss fire you."

Just when Liang Xiaomin was so scared that her lips paled and she was at a loss.

Yash Nics had already opened the door from the private room and said with a sullen

expression : " Manager Liang , we are eating inside, why do we hear a dog barking at the door?" Wei Mingxuan widened his eyes and looked at Yash Nics angrily.

Liang Xiaomin and everyone at the scene were stunned. Yash Nics actually dared to say that Lord Shizun's son was a dog.

Liu Bingbing snuggled next to Wei Mingxuan, looking at Yash Nics, his voice was full of sarcasm and said, "Master Wei, this guy is the old young master of the Yash family. . But I've already been evicted from the house."

"Fortunately, I liked him before. He was a scumbag at that time, and he didn't look down on me at all."

It turned out that Liu Bingbing was Yash Nics's junior high school classmate. At that time, Yash Nics was still The son of Yash's family is young and rich, which is very attractive to girls.

Liu Bingbing took the initiative to strike up a conversation to pursue Yash Nics, but Yash Nics couldn't look down on her, and she had always held a grudge against Yash Nics.

She didn't expect that after so many years, she would meet Yash Nics again.

It's just that she is now the girlfriend of the only child in Jizhou City, but Yash Nics is no longer the superior son of the Yash family.

She proudly took Wei Shao's arm and said to Yash Nics sarcastically, "Hehe, you were indifferent to me back then, and you can't afford to climb up to me now."

"Now there are 30 million male bachelors in China. You are one of them, right?"

"Hehe, when my beautiful flower and jade pursued you, you ignored me. Now you are ashamed as a dog, and you can't even marry a wife. Do you regret not agreeing at the beginning? My pursuit, I regret missing me?" As

soon as she finished her words, she suddenly saw a tall beautiful woman in a business suit and skirt coming out of the private room.

This big beauty is Song Pingting!

Song Pingting not only has picturesque eyebrows, but also has a perfect body. She also exudes a unique temperament from all over her body, making her as noble as a white swan.

Wei Shao and others all looked at Song Pingting in amazement, thinking in their hearts: There is such a beautiful woman, who is this beauty?

When everyone was thinking like this, Song Pingting had already walked to Yash Nics's side and asked softly, "Husband, who are they, are they your friends?"

Husband!

Just now, she laughed at Yash Nics's desolation as a dog, not even a wife, Liu Bingbing, who deserved to be a bachelor.

She opened her eyes wide in disbelief, her mouth opened slightly, and her expression became especially weird.

Yash Nics not only has a wife, but his wife is a hundred times more beautiful than her.

This discovery made Liu Bingbing's expression exceptionally weird, and his heart was blocked, just as uncomfortable as eating shit.

Yash Nics smiled and said to Song Pingting: "I don't know these messy people,

Manager Liang , please let them go and don't bother us to eat." Wei Mingxuan was instantly angry when he heard the words, and sneered: "Hehe, it's time to get out. You are the one who is here. My girlfriend and I are going to eat in this private room. I will give you ten minutes to get out. If you don't, then you will be conceited."

Yash Nics's face became cold when he heard this!

When Liang Xiaomin saw that the two sides were at war, she hurriedly approached Yash Nics, and whispered: "Mr. Yash, this Wei Shao is the son of Weikang in our city. Don't

share his common knowledge..." Liang Xiaomin took Wei Shao's The identity told Yash Nics that he wanted Yash Nics to understand the pros and cons. To tell Yash Nics not to be familiar with Wei Shao, she arranged a table for Yash Nics again in the lobby, and asked Yash Nics to cede the private room to Wei Shao.

However, what she didn't expect was that she hadn't finished her words.

Yash Nics has already nodded: "Yes, I compare him with something. If children make mistakes, they naturally call their parents to deal with them."

After speaking, Yash Nics took out his mobile phone in the shocked eyes of Liang Xiaomin, Wei Shao, Liu Bingbing, Song Pingting and others, and directly dialed the number of Zun Weikang in Jizhou City: "Wei Kang, I want you within ten minutes. Come to see me at the Zijinge Hotel."

Within ten minutes, let the city lord come to see him!

Wei Shao gasped with Liu Bingbing and the others, not because of shock, but because they both felt: This guy is bragging too far!

Wei Mingxuan couldn't help laughing first: "Hahaha, who does this guy think he is?"

"Bringing that my dad will come to see him within ten minutes!" "

I'm afraid he doesn't know that in Jizhou, he has not dared to speak like this?"

Liu Bingbing, who was nestling next to Wei Mingxuan, also looked at Yash Nics, and said with a sneer: "Hehe, dare to have a few peanuts without getting drunk." Isn't it?"

"Don't say you have been expelled from the Yash family a long time ago. You are no longer the young master of the Yash family."

"Even if you are still the young master of the Yash family, you have to respectfully please you when you see Lord Mayor. It's not ashamed to say that

Lord Mayor should come to see you immediately, who do you think you are?" Several friends around Wei Mingxuan laughed and winked at Yash Nics as if they were watching a joke.

The hotel manager Liang Xiaomin was also very embarrassed. She felt that Yash Nics and Wei Shaogang were really stupid. She bragged that it was even more stupid to let the Lord Mayor come to see him in ten minutes.

Not only could it not scare Wei Shao and others, but it would also become a joke.

Even Song Pingting became anxious!

He knew that Yash Nics knew some political and even military leaders in the south, and he could ask the leaders for a little help if he had something to do.

But here is not Jiangnan, but the north.

Yash Nics's personal connections in the south are not easy to use here.

Maybe not only will it become a joke, but it will also not end.

She persuaded Yash Nics softly: "Yash Nics, the strong dragon does not suppress the snake."

"He has little local power, let's not fight with him, let him get this private room."

"Let's go outside and find a table casually. Just eat."

Liu Bingbing knew that Yash Nics was no longer the young master of the Yash family. Seeing that Yash Nics was still able to appear at the Zijin Pavilion for dinner, she guessed that Yash Nics was relying on Song Pingting.

Song Pingting looked like a female boss of a certain company in professional attire.

Now, even Song Pingting was afraid of giving in.

Liu Bingbing felt even more that Yash Nics and Song Pingting had nothing to do. She sneered and said: "Hehe, Yash Nics just said that my boyfriend barked, and he used Uncle Wei to brag about it. Now it's not as simple as letting out the private room. "

Wei Shao squinted his eyes and said, "Yes, pretending to be on the heads of me and my dad. This incident will definitely not spare you easily."

Liu Bingbing held Wei Shao's arm and looked at Yash with a sneer. Ning arrogantly said: "Let's do it, Yash Nics, you just said that we were barking dogs. Now you kneel down, in front of everyone, learning how to bark twice."

"Then you are crawling out from here, we just How about letting you go as a dog?"

Song Pingting's face changed drastically!

Tong Ke, who just came out, several employees of Ningda Group, and Liang Xiaomin and others, their expressions also changed.

Wei Shao put his arms around Liu Bingbing's thin waist, and said proudly: "My girlfriend Bingbing said, you can hear it."

"If you don't want to die, just kneel down and learn how to bark!"

Liu Bingbing looked at with a sneer. Yash Nics: "Don't kneel down yet, do you want our Shao Wei's friends to help you?"

The pig friends and dog friends around Shao Wei immediately showed a grinning smile and surrounded Yash Nics with an unkind expression. It was obviously Prepare to force Yash Nics to kneel.

At this moment, the sirens of a police car suddenly heard outside.

Then, two motorcycles of traffic police cleared the road, followed by a black Audi A6 sedan, whizzing and stopping at the door of Zijinge Hotel.

As soon as the black Audi car stopped, the door of the back seat was opened for the first time. A middle-aged man wearing a black jacket got out of the car anxiously.

The two traffic policemen and several subordinates also hurriedly got out of the car and followed the black jacket man quickly into the hotel.

The people in the Zijinge Hotel showed shocked expressions when they saw the middle-aged man in the black jacket.

Several local dignitaries stood up quickly and greeted Wei Kang with a smile and stretched out their hands. : “Master City, do you have time to come here for dinner?”

Wei Kang directly pushed away the guys who wanted to shake hands with him, and quickly walked towards the private room No.1 Tianzi.

The few rich and powerful bosses looked at each other, thinking that the Lord Shizun would greet them more face-to-face when meeting them on weekdays. What happened today?
