### Read free online

Song Pingting couldn't persuade Song Feifei, and she was worried about Song Feifei going to the fan exchange meeting alone. She had to bite the bullet and accompany Song Feifei.

The two of them came to the hotel and came to the presidential suite unimpeded. The bodyguard at the door let them in.

After they entered, they frowned.

In the extremely luxurious presidential suite, lavish DJ music is played.

The lights are dim, there are wine and Martell bottles everywhere, and there are many cigarette butts.

Several disheveled girls lay on the sofa, a strange smell filled the air.

Yang Zhe, his two subordinates, and Cao Shaoyuan, all sat lazily on the sofa.

Smoking, smoking, drinking, and someone holding a drunk girl kissing...

Yang Zhe saw Song Pingting and Song Feifei, immediately whistled, and laughed: "Haha, two superb beauties, come here. Come. Sit down, brother and communicate with you."

Cao Shaoyuan, who was disheveled, saw Song Pingting and Song Feifei, he was first stunned and then ecstatic.

He grinned and said: "Haha, it turned out to be you two beauties!"

"Tsk tsk, you prevented me from staying last night, tonight I have to spend some fun with your sisters."

Song Pingting and Song Feifei When the two saw this scene, Huarong paled with fright...

Yang Zhe asked in surprise: "Cao Shao, you know both of them!"

Cao Shaoyuan smiled and said, "Hehe, it was this woman's husband yesterday. I was detained. I didn't expect that the world was so small that I would run into it tonight."

Song Pingting's face changed drastically: "I'm sorry, we don't want to deal with you, goodbye!"

After she finished speaking, she pulled Song Feifei to open the door and thought. Want to leave.

But they had just opened the door, and before they went out, they were stopped by two tall bodyguards outside the door.

The two bodyguards said blankly: "I'm sorry, two young ladies, we have not said that you can leave."

Song Pingting was furious, and shouted: "What do you want to do? Illegal?"

Cao Shaoyuan and Yang Zhe, as well as two other drunk guys, had already surrounded Song Pingting and Song Feifei.

Cao Shaoyuan smiled and said without a smile: "Hehe, in Jinling, our Cao family is the law!"

"I will play with you two first tonight, and then I will settle the account with Yash Nics's kid later."

He finished with a smirk. Then, he reached out to touch Song Pingting's chin.

But at this moment, an indifferent man's voice suddenly came from outside the door: "If you dare to touch her, your hand will be gone." When

Cao Shaoyuan and others heard this, their faces changed drastically, and they were all startled and angry. Looking at the people in the corridor outside the door.

threat was not over. Yash Nics's two tiger guards, Ah Qi and Lao Ba, had already shot at the same time.

Snapped!

A Qiyi said in the boxing that the bodyguard's face was splashed with blood, and the bodyguard fell down with blood on his face.

Cao Shaoyuan, Yang Zhe, and two other companions all opened their eyes together, gasped, and the alcohol was gone.

They looked at Yash Nics, who came in slowly and in horror, and they backed away in fright.

Yash Nics asked Song Pingting with concern

: "Are you okay?" Song Pingting shook her head quickly and said, "Fortunately, you came in time, and we are fine."

Yash Nics scolded: "A star is an actor. In ancient times, he was an inferior person. With so many outstanding models in all walks of life, why do you admire the actors?"

Song Feifei knew that there was a problem with the star chase, and she almost caused her cousin to be tired. Yash Nics was reprimanded by Yash Nics. She was so scared that she lowered her head and did not dare to speak.

Song Pingting was a bit wronged, she didn't chase stars, she just didn't worry about Song Feifei, who came with Song Feifei, and never thought that such a thing would happen before coming.

Because she felt that she was also at fault, she and Song Feifei shouldn't have come to any celebrity fan exchange meeting, so at this time she honestly accepted Yash Nics's criticism.

Yash Nics actually knew that Song Pingting came with Song Feifei, so she didn't blame too much.

He slowed down his tone and said: "Dian Chu has prepared the vehicle downstairs. You two will go back to the hotel first. Don't worry everyone, let me solve it here."

"Well, Yash Nics, you should be careful too. Don't act impulsively. "

Song Pingting told Yash Nics, and then left with Song Feifei first.

Ah Qi and Old Ba, their eyes fell on Cao Shaoyuan and Yang Zhe, and asked Yash Nics: "Master, how do you deal with these choppy?"

Yang Zhe paled with fright, and said in horror: "I am Huayue. An entertainer under the entertainment company, I am a popular star and worth a lot of money."

"You dare to touch my hair, my boss Pound will not let you go!"

Cao Shaoyuan also sternly shouted: "Yash Nics, I warn you, I am the only child of the Cao family, and my dad is a tycoon in Jinling Hotel."

"You dare to move me, I guarantee that all of you will not be able to leave Jinling alive."

Yash Nics said coldly: "Noisy, palm!"

A Qi and the old man Eight or two tiger guards immediately stepped forward.

One person grabbed a guy, raised his right hand, and gave a big mouth.

After a few cracklings, Cao Shaoyuan and Yang Zhe were both full of blood.

Yang Zhe was relatively courageous, and he lost his temper with a slap in the face.

Cao Shaoyuan and Yang Zhe both heard the words and looked at Yash Nics in disbelief.

Yash Nics actually allowed them to call people!

Crazy, really crazy!

However, the two didn't know whether Yash Nics was playing tricks on them or was serious. They dared not act rashly or took out their mobile phones to call to rescue soldiers.

Yash Nics said coldly: "You must make this call."

"I only give

Cao Guohua and Pound half an hour. If they can't come, then they may only have two dead bodies." Cao Shaoyuan Hearing these words with Yang Zhe, he gasped again!

The two quickly took out their mobile phones, one called their father for help, and the other called their boss for help.

Yang Zhe was dying and said, "Boss, I was injured at the Hilton Hotel. If they don't come to rescue me within an hour, they will kill me."

less than half an hour, Cao Guohua and Pound arrived in a murderous manner.

Cao Guohua and Pound walked into the box with his men, and then they saw Yash Nics sitting on the sofa with Dian Chu and Bahuwei standing beside them.

And Cao Shaoyuan and Yang Zhe, with their faces puffy, kneeled in front of Yash Nics with blood on the corners of their mouths.

"Son!"

"Little Zhe!"

Whether it was Cao Guohua's bodyguards or Pound's entourage at the scene, they couldn't help but applaud: "Okay!"

Dian Chu stood on the spot, using military combat to recruit, raising his hand as a punch.

boom!

The two men collided with fists.

He clicked, a sullen voice of broken bones sounded.

Then the teacher's screams of killing a pig resounded throughout the suite, and his right hand was directly fractured, and he backed away in pain.

Dian Chu stood there, motionless, not even frowning.

Cao Guohua, Pound and the others, opened their eyes wide, showing an expression of uncertainty.

The instructor of 80,000 apprentices was actually abolished by Dian Chu!

All the people at the scene became jealous, and no one dared to force Cao Shaoyuan and Yang Zhe up.

Pound felt sorry for his cash cow, and said with a calm face: "This brother, I am the owner of Huayue Entertainment Company, Pound. The bosses inside and outside the circle all call me Lord Pang."

Yash Nics relaxed and casually sat on the sofa, fingers tucked in a cigarette, and the corners of his mouth rose slightly: “Hehe, Pound, I asked you to come here not because of how powerful you are, nor is it my scruples. You.”

“Instead, this crippled man says you are his backer.”

“I called you to teach him in front of you.”

Yash Nics smiled. , Dian Chu shot.

Dian Chu shot like an electricity, kicked Yang Zhe’s feet with a click, and Yang Zhe immediately screamed.

Yang Zhe wailed sternly and passed out in pain on the spot.

Pound’s vision was splitting, and he almost couldn’t help fighting Yash Nics desperately.

However, he had already seen Dian Chu’s terrifying strength just now. He hurried over and brought a few entourages. It is estimated that even if he did it, he was looking for ugly.

Pound has a lot of contacts in the underground circle. He has already decided that he will find someone to retaliate against Yash Nics when he goes back.

Pound and his entourage left with Yang Zhe in a coma.

Only Yash Nics and Cao Guohua were left at the scene!

Originally, Cao Shaoyuan, who was not afraid of everything, saw Yash Nics's move so ruthlessly, he dared to abolish Yang Zhe in front of Boss Pang. He was also scared at this time.

He trembled: "Dad, save me!"

Cao Guohua took a deep breath, looked at Yash Nics majestically, and said slowly: "Yash Nics, you have detained my son before. I haven't settled accounts with you yet. How dare you trouble my son again? "

Yash Nics said calmly: "Mr. Cao, you are wrong. I am not a troublesome person, but I am also not a troublesome person."

"Your son is trying to insult my wife. Do you think I should teach him?" "

Cao Guohua frowned upon hearing this, and then said: "You also said it was an attempt, that is, it did not cause substantial harm."

"Since it did not cause irreparable consequences, how about letting my son go first for my face?"

Yash Nics said lightly: "Hehe, it is because I appeared in time to stop his atrocities, so I said to teach him, otherwise he is now a dead body."

Cao Guohua took a deep breath and suppressed his anger. : "What do you want to do before you give up?"

Yash Nics smiled and told

Dianchu : "Do it!" Dianchu just got ready to do it. Suddenly a large number of criminal investigators came outside, who turned out to be the captain of the Jinling Criminal Investigation Brigade, Huang Feihu.

Huang Feihu came in with a large number of criminal investigators and shouted: "Stop!"

Cao Guohua saw Huang Feihu coming, his face was happy, and he greeted him and said: "Captain Huang, you are finally here, and my son will suffer if you come later."

Huang Feihu said solemnly: "Mr. Cao, don't worry, no one dares to mess around with me."

Yash Nics looked at Huang Feihu, the uninvited guests from the Criminal Investigation Brigade. He was startled, and then the corners of his mouth rose slightly. He smiled and said, "Hehe, Mr. Cao, you secretly asked a helper to come and help!"

Huang Feihu said angrily: "We learned that there is. The gangster committed evil in the Hilton Hotel and was specially dealt with."

"Now I want you to go back with me to assist in the investigation!"

Yash Nics still sat on the sofa with a relaxed face, smiling nonchalantly: "What if I refuse?"

“Come here , handcuff all these gangsters back to me.”

Yash Nics just wanted to talk, when suddenly a group of people came outside!

It turned out that Chen Xiong and Wu Jiale, chief of the Jinling Police Department, came with a large number of criminal police officers.

Before Chen Xiong approached, the angry voice came first: “Who dares to handcuff my son!”

Everyone on the scene looked at Chen Xiong and Wu Jiale in shock.

Huang Feihu came up quickly and said hello in a panic: “Wu Ju, why are you here?”

Wu Jiale squinted and said unhappily: “If I’m not coming, aren’t you going to be messed up?”

Huang Feihu heard the words. An expression of panic was immediately revealed: ”

Bo Ju , I...” Wu Jiale snorted coldly: “Cao Shaoyuan was driving without a license. He was obviously going to be detained for ten days. Why did he let him go in one day? Did you let him go?”

” Also, according to what I understand, it is Cao Shaoyuan’s intention to act against Mrs. Chen Shaoyuan. You have to handcuff Chen Shao back to deal with it. What is the reason?”

"But Yash Nics insisted on breaking my son's legs and abolishing my son's work." Fate, this is too much, right?"

Wu Jiale nodded: "It is a bit too much, I suggest that you both take a step back, okay?"

Cao Guohua nodded immediately: "I agree!"

Then, everyone on the scene looked at Chen Xiong and Yash Nics and their opinions?

Before Yash Nics spoke, Chen Xiong grinned and said, "Okay, take a step back."

Yash Nics frowned upon hearing this!

Cao Guohua, his son and others were happy when they heard this, thinking that there was room for maneuver.

Especially Cao Shaoyuan, he thought he had escaped, and he was greatly relieved.

But at this time, Chen Xiong suddenly made a move, and he raised his feet fiercely like lightning.

Domineering, very domineering!

Cao Guohua clenched his fists, blue veins appeared on his neck, and said with a stern expression: "Chen Xiong, you are so crazy!"

After that, he ordered his men to leave with Cao Shaoyuan.

Wu Jiale and Huang Feihu also closed the team and left.

At this time, Chen Xiong triumphantly said to Yash Nics: "Son, how is your dad behaving?"

With countless subordinates who gave him his life, the people in the arena are called Prince Deng.

On weekdays, if Cao Guohua encounters any difficult characters, he will let Prince Deng help to fix it, and this time is no exception.

In the eyes of Deng Jiu, Cao Guohua is his gold master.

The owner has something to do, so he naturally has to help fix it.

As a result, Deng Jiu immediately summoned hundreds of his subordinates and rushed to the Qinglong Hotel murderously.

Qinglong Hotel, the glass door at the entrance, was directly smashed by an excavator with a bang.

The front desk clerks and security guards in the hotel lobby screamed in horror.

After the excavator smashed the glass door, it slowly retreated.

Then, I saw a bloated man in a flowered shirt, with a bunch of murderous men coming in with knives and sticks.

When the hotel staff on the spot saw the fat man in the flower shirt, they immediately exclaimed in surprise: "It's Lord Deng!"

Deng Jiu grinned, showing a mouthful of yellow teeth, and grinning grinningly: "Smash here for me!"

The men behind him, Hearing that, he immediately smashed it with his hands, and instantly everything in the hotel was smashed and the ground was messed up.

At this moment, Yash Nics showed up with Dianchu, Bahuwei, and the Song family.

Song Qingsong saw the magnificent decoration of the hotel lobby being smashed into the sky, even if it was not his property, he couldn't help but muttered distressedly: "Creating evil, how much money will you lose?"

Deng Jiu grinned. Looking at Yash Nics, "You are Yash Nics, Mr. Cao told me to send you on the road."

Yash Nics said coldly, "Only you?"

Deng Jiu grinned confidently: "Haha, with The five hundred brothers behind me are enough to make you die a hundred times."

"But I'm a person who is very strict about the rules of the world. I will give you ten minutes to call people and let you die."

Because he felt that if Yash Nics asked for help, he would definitely ask for help from Chen Xiong.

His purpose is to attract Chen Xiong, and then he can catch Chen Xiong and Yash Nics and his son at one go, and solve them all at once.

The corners of Yash Nics's mouth rose slightly, and he said with a smile, "Hehe, give me time to call someone. This is the first time I have encountered this situation."

"Okay, I will meet your requirements!"

Yash Nics finished speaking, and hung up without waiting for Wang Jiong to speak.

Deng Jiu thought that Yash Nics was calling Chen Xiong, his eyes flashed a sneer, and he wanted this effect.

This is Jinling, not the north, and Chen Xiong is here to die.

Time passed by every minute and every second!

Deng Jiu looked at the big gold watch on his wrist, looked at Yash Nics with an unkind look, and said

fiercely : "The time is coming, and your people have not come, then I can only send you on the road first." Tell the fierce men behind him to do it!

However, at this moment, the police sirens suddenly made loud noises outside.

Police cars, special police explosion-proof vehicles, etc., countless police vehicles roared in.

In the blink of an eye, hundreds of police cars had arrived on the street in front of the hotel.

A large number of detectives wearing bulletproof vests, holding pistols, got out of the police car one after another.

In addition, there are more SWAT soldiers wearing black SWAT uniforms, holding submachine guns, jumping off the vehicles, and rushing to gather.

Deng Jiu looked at Yash Nics in shock: "You should call the police?"

Deng Jiu thought Yash Nics would call Chen Xiong for help, but Yash Nics unexpectedly called the police.

What he couldn't figure out was that he and Boss Cao had already greeted the leaders of Jinling, and asked the leaders of Jinling to turn a blind eye.

Why is the police still out now?

And it's still such a terrifying battle!

Yash Nics looked at Deng Jiu, who was full of horror, and smiled and said: "I didn't call the police. I just found a helper at random according to your request."

Deng Jiu was shocked and angry: "You didn't call the police, how could you make so many calls? Interpol special police, you don't follow the rules of the rivers and lakes!"

Suddenly, a voice heard from the door: "I transferred the interpol special police!"

Everyone at the scene looked at the hotel door in unison.

Then I saw that a tall and thin man with fifty majority, tall and thin, with a stern face and a group of subordinates, came in under the protection of a large number of special police.

When Deng Jiu saw the tall and thin man, his face was pale in fright, and he lost his voice: "Master Shengzun!"

That's right, this man is no one else, but Wang Jiong of Donghai province.

Without looking at Deng Jiu, Wang Jiong walked quickly to Yash Nics. While bending over, he held Yash Nics's hand with both hands, and said with a smile: "Mr. Yash, you are frightened, I am lost. Responsibility!"

Deng Jiu opened his eyes round and looked at the scene in disbelief.

The dignified Donghai Provincial Respect, in front of Yash Nics, unexpectedly bowed and flattered.

young marshal is angry, and the consequences are serious!

Wang Jiong hurriedly said: "Handle it now, handle it now!" When

Wang Jiong said quickly, "Don't worry, Mr. Chen. Actually, the security in the East China Sea is very good, and Jinling's security is better. This guy who is doing evil, happened to meet you."

Yash Nics smiled: "Let's watch it first!"

Wang Jiong knew that the marshal came to Jinling this time and was targeted immediately after getting off the highway, and the marshal tonight. His wife and sister-in-law almost had an accident, and now that Deng Jiu and others smashed the hotel, the marshal must be angry.

So he looked at the barren hotel lobby and proactively said: "Mr. Chen, I will urge them to deal with Deng Jiu seriously, and Deng Jiu will compensate you for the loss."

Yash Nics said flatly, "Deng Jiu and the others. It really has to be handled properly, but as far as I know, Deng Jiu is just taking people's money to eliminate disasters. I think the instigator of this matter must stand up and take responsibility." The

instigator!

Cao family, Cao Guohua!

Yash Nics meant that it was not enough to punish Deng Jiu alone, and Cao Guohua had to pay the price.

This made Wang Jiong a little embarrassed!

After all, the Cao's family is a wealthy family in Jinling, and they often create taxes for Jinling.

In addition, Jinling usually requisitioned hotels to receive guests, or donated money for activities and projects, and Cao Guohua did not do much.

Now that Cao Guohua must be dealt with strictly, Wang Jiong is a little bit too impressed.

When Yash Nics saw this, the corners of his mouth rose slightly: "Does Mr. Xingzun find it difficult? If it is difficult, then forget it. I turned around and found someone to do it myself."

Wang Jiong was startled when he heard this!

Yash Nics's remark clearly meant that if you political leaders can't save face and don't do anything to Cao Guohua, then I'll find someone to do it myself when I turn around!

Yash Nics is a young marshal, and he must be a member of the military.

I am afraid that Cao Guohua's fate will be even worse!

Wang Jiong quickly said: "It's not difficult, it's not difficult, I'll handle this for you, Mr. Chen personally."

Yash Nics smiled and said, "Okay, my request is very low. Cao Guohua smashed our Chen's hotel. He has to pay compensation."

"In addition, he must come here personally and kneel down to apologize."

Yash Nics's voice fell, and everyone was shocked.

Not only Wang Jiong's eyes widened, but even Wang Jiong's men and Song Qingsong's entire Song family were dumbfounded.

Yash Nics actually asked Cao Guohua to kneel down and apologize in person. Is this possible?

Wang Jiong looked at Yash Nics. Although Yash Nics's face was calm and calm, his eyes were firm and determined, and he was obviously determined.

He nodded: "Okay, just follow Mr. Chen's request!"

This time, Song Pingting, Song Qingsong and other Song family members were stunned.

Cao Guohua was completely panicked now, he bit the bullet and called the provincial sovereign Wang Jiong.

Wang Jiong said calmly: "You should say it is big or small, but it is not small."

"If you get Yash Nics's forgiveness, he won't have anything if he doesn't pursue you."

"But if you don't get it. His forgiveness, he will hold you accountable, then you may go to jail."  
" Cao Guohua cried and said,

"

Master Shengzun, please show me a clear road." Wang Jiong said calmly, "Old Cao, bow your head and just go over. I'm blindly rigid, I'm afraid it's too rigid and easy to break!" After

Wang Jiong said, he said that he was sleepy and tired, and he wanted to rest, and hung up the phone.

Cao Guohua held a mobile phone, stupidly in place.

Seeing Master Xingzun's meaning is to let him go and beg Yash Nics for mercy!

Cao Guohua stayed up all night, and the next day was really gone, so he could only take a group of men to the Qinglong Hotel to see Yash Nics.

The lobby of the Qinglong Hotel was smashed into a mess, and everyone around was pointing.

Cao Guohua bit his head and walked into the hotel with his subordinates, and said to the security guard at the hotel entrance: "I'm here to see Mr. Yash!" The

security guard looked at Cao Guohua, the former boss in shock, before reacting after a while: "Mr. Yash is in the second. For breakfast in the restaurant on the building, I will take you up to meet him."

Because the hotel lobby was smashed, it was a serious inconvenience for the hotel guests to have breakfast.

In addition to apologizing to customers, Qinglong Hotel also promised that customers will spend half the price during this period, and also sent out a lot of free meal vouchers to give back to customers.

At this time, the restaurant on the second floor was full of people, all customers who had breakfast for free.

Yash Nics, Song Pingting's family, Song Qingsong and others were sitting at the largest table in the hall, eating breakfast.

The lobby manager came over and whispered to Yash Nics: "Mr. Yash, boss Cao is here and wants to see you." The

corner of Yash Nics's mouth raised slightly: "Since he is here, let him come."

Soon, Cao Guohua brought a few. An entourage came to Yash Nics and the others, with a far-fetched smile on their faces, and said awkwardly: "Shao Chen, hello!"

Song Pingting and others' eyes all fell on Cao Guohua, and they were all a little shocked. Cao Guohua really came.

Yash Nics picked up the hot towel on the table and wiped his hands, looked at Cao Guohua, and said with a sneer: "Boss Cao, we meet again." Cao

Guohua bit his head and said: "Chen Shao, I am here to apologize for you. There is compensation for your loss. The amount of compensation is suitable for you to make a price, and I will never bargain."

Yash Nics laughed and said, "Boss Cao is really bold, well, I will give you a price, 10 billion!"

Yash Nics said this, and everyone was shocked.

Cao Guohua also widened his eyes: "What, you are a tiger who has a big mouth."

Yash Nics said with a smile: "The market value of this Qinglong Hotel is 5 billion, but you sell Chen Xiong for 10 billion, and the Yash family did not say that you are a tiger. "

If Boss Cao feels that the amount of compensation is too much to accept, then don't pay it."

"Let's see in the court, and the judge said that you should pay as much as you want ." Cao

Guohua's face turned pale after hearing this!

If you go to the court to see him, it's time to pursue him for homicide.

He bit his head and said: "Okay, 10 billion, I will pay!"

Song Pingting and others at the scene, as well as the surrounding customers and hotel staff, all gasped in air.

Yash Nics smiled faintly: "Very well, you don't need to transfer the tens of billions to my account, just transfer it to the account of the Donghai Charity Fund."

"This money will be used to help poor families, poor students, and more. Improving the city conditions is considered a contribution to the East China Sea."

Everyone on the scene opened their eyes again!

Cao Guohua compensated Yash Nics 10 billion, which is already very shocking.

Yash Nics donated all the tens of billions for charity, which is even more shocking.

Many of the customers at the scene were from Jinling of the East China Sea. Everyone looked at Yash Nics's eyes at this time, and they were full of admiration.

Cao Guohua felt aggrieved and distressed. He asked Yash Nics: "Shao Chen, does that mean that our grievances have been bought and sold?"

Yash Nics shook his head: "I said yesterday that I thought I would give up holding you accountable. One request is compensation, and the other is an apology."

"I saw your compensation, but I haven't seen your sincerity in apologizing."

Of course Cao Guohua knew that Yash Nics had told him to kneel down and apologize last night!

His face was extremely ugly, and his face flushed and said, "Yash Nics, don't deceive people too much!"

Yash Nics laughed and said, "I just asked you to kneel down and apologize. You think I deceived people too much. But you want to kill me and Chen. Xiong, comparatively speaking, which is more

serious?" Cao Guohua flushed at the speech, unable to speak a word of rebuttal.

Yash Nics said indifferently: "I don't have much time

to write with you. Either you apologize or go back." Cao Guohua helplessly, full of humiliation, thumped to Yash Nics's knees.

He said

shyly and indignantly: "Chen Shao, I was wrong before, please forgive me." Yash Nics said flatly: "I accept your apology!" Cao Guohua

paid a heavy price and finally got Yash Nics. Forgive him, and then fled the scene in embarrassment.

He returned to his Bentley and told the driver to go home.

His mood cannot be calm for a long time.

Finally, he aggrieved again to call the provincial governor Wang Jiong, telling Wang Jiong that he had obtained Yash Nics's forgiveness in accordance with Yash Nics's request.

Wang Jiong smiled and said, "That's how things are solved, isn't it great?"

Cao Guohua felt aggrieved in his heart!

He couldn't help spying on Wang Jiong's words: "Master Shengzun, what is the origin of Yash Nics?"

Wang Jiong smiled and said, "It shouldn't be revealed, but it's okay if I tell you, lest you are not convinced and go to death again. "

After that, Wang Jiong told Cao Guohua that Yash Nics was the North Marshal.

After Cao Guohua listened, he felt a bang and his scalp was numb.

His face was full of horror, the cold sweat fell down, and then he said in fear, "No wonder, no wonder!"

Thinking of their Cao family provoke, it turned out to be such a big man who can reach the sky, Cao Guohua felt a chill on his back at this time.

The little bit of aggrieved heart, that little bit of shame, and that little bit of resentment disappeared in an instant, and some were just fortunate and fearful.
