Wang Jiong smiled and said: "Now you know what the stakes are!"

Cao Guohua said again and again: "I know, you know, please don't worry, Lord Sovereign. From now on, our Cao family will be a human being. , Never dare to provoke Yash Nics again."

Wang Jiong smiled and said: "The identity of the marshal is a secret, you know it, don't tell it to

others ." Cao Guohua hurriedly said: "Yes, I understand this level."

Hang up After disconnecting the phone, Cao Guohua wiped the sweat from his forehead, his face was shocked and frightened.

He made up his mind that everyone in the Cao family would have to take a detour when seeing Yash Nics in the future, and don't provoke Yash Nics to death.

After he knew Yash Nics's identity, he didn't even dare to have hatred, only awe.

In the office of the boss of Jinling Huayue Company, Pound heard that Cao Guohua had counseled and compensated Yash Nics 10 billion yuan, and also knelt down and apologized to Yash Nics.

He was so angry that he cursed: "Damn, he thinks this Cao Guohua is a person!"

"I didn't expect to lose money and kneel again with such a pussies. This is embarrassing and thrown at grandma's house."

His subordinate Wang Fenglei smiled bitterly: "Cao Guohua hired Deng Jiu to kill Chen Xiong and Yash Nics and his son. I didn't expect Deng Jiu to be arrested, and he didn't speak

loyalty to Cao Guohua. Cao Guohua didn't want to go to jail, so he could only bow his head and beg Yash Nics for mercy."

Pound snorted: In the end, it was his own pussies and sent a trash to kill Yash Nics and mess up the matter."

"Now it seems that we have to get revenge on Yash Nics."

Wang Fenglei said, "Boss, I'm already. According to your instructions, I contacted the No. 1 killer in Southeast Asia, Cthulhu!"

"He has already left for Daxia, and he will be able to reach Jinling in one or two days."

Pound squinted his eyes and said, "Very well, the Yash family dare to dare. I can't spare them if my cash cow is abolished."

It has been raining in Jinling for the next two days.

Three consecutive days of heavy rains caused flooding in Jinling.

Some low-lying urban areas in Jinling were directly soaked by water, and many people were trapped in the disaster.

The leaders of Jinling attached great importance to it, and even dispatched troops and soldiers to rescue and drain waterlogging, rescue the trapped residents, and transfer the property and materials of the affected people.

Major television stations and major media have sent reporters to report on the disaster and the heroic deeds of fighting against floods.

Many soldiers in the army have fought continuously to fight against the floods. Several people have already sacrificed. More soldiers are exhausted, but they clenched their teeth and insisted on being on the front line of flood fighting.

Yash Nics's family has special feelings for soldiers.

Therefore, Yash Nics, Song Pingting, Song Qingqing, Song Zhongbin, and Ma Xiaoli ordered the Qinglong Hotel to prepare meals for thousands of people, hire a car to send them to the front line of the anti-risk, and personally distribute the meals to the flood fighting fighters.

Yash Nics's family, all wearing the most ordinary clothes and water shoes, followed the hotel staff to distribute boxed lunches, rib soup and other food to a group of soldiers who had just come down from the front line of the flood.

Hundreds of anti-flood fighters were covered in mud and water. They took the lunch and soup offered by Yash Nics, but they were too tired to eat.

Many people just drank some soup and then laid two newspapers on the floor to rest.

Others even fell asleep while sitting on the ground with a box of lunch.

Song Qingqing took Yash Nics's hand and said crisply: "Dad, the uncles of the anti-flood fighters worked so hard. They were so tired that they couldn't even eat and fell asleep."

Yash Nics looked at the anti-flood fighters who slept all over the floor. His eyes were hard to hide and moved, and he was deeply proud of being a member of the military.

He softly taught his daughter: "This is how uncle soldiers are. Where there is danger and where there is need, they are there. They are the cutest people!"

The daughter nodded: "Well, I will join the army when I grow up, and I will also be a soldier."

Yash Nics touched her daughter's head, and said with a cowardly smile: "Okay, in the future, the children of our Yash family will be proud of joining the army. !"

Song Pingting, Song Zhongbin and Ma Xiaoli all looked at Yash Nics and his daughter with a smile, and the atmosphere was very warm.

However, I suddenly thought of a discordant piercing cry: "Hey, hey, are you dogs? Sleeping here one by one, blocking our way, get up and get away."

Yash Nics and Song Ping Ting and the others couldn't help but look in the direction where the sound came from.

Therefore, the boss Pound actively contacted the TV station and sent Liu Xinyi, a popular star, to the frontline of the flood fight to condolences to the flood fighting fighters, and gave Liu Xinyi a good reputation.

Liu Xinyi is very resistant to this kind of dirty and tiring work with no appearance fee.

It just couldn't meet the boss's request, so he came over reluctantly.

At this time, she was looking at all the dirty, sweaty, anti-flood soldiers lying on the ground all over.

She showed a disgusting expression, covered her nose with her hand, and said angrily: "Why do these guys sleep on the ground, and they smell so sick, how can I condole them!" The

assistant immediately pleased: "Liu Please bear with me a little bit, I will let the security guards wake up these guys, let the reporter take some photos to report, we can go."

He strode forward, and said angrily: "What are you guys, dare to come here for a show, dare to spoil the people's soldiers, who is the courage of you?"

Liu Xinyi frowned, looking at Yash Nics in ordinary clothes, and said displeased "Who is this guy, how can you keep barking like a dog? Get rid of him."

"Yes, people like this!" How tired are the anti-flood fighters? You still come to show."

"Yes, it's shameful to be a celebrity role model!" The

anti-flood fighters on the scene looked at Yash Nics, all of them were full of excitement and red eyes. Yes, this is a move to be understood.

bloated female assistant also recovered, and rushed towards Yash Nics frantically. , Wanting to scratch Yash Nics, still venomously cursed: "You bastard, dare to beat Miss Liu, the

"Security guard, are you all dead, security guard?"

"I didn't see this madman hit me and hurt my assistant? Why are you still stunned, and beat him to death!" The

Liu Xinyi saw the anti-flood fighters at the scene protecting Yash Nics. Her security guards could not get close. She was anxious and angry, and shouted loudly: "Head of the station, where is the head of the station?"

Soon, one of them was wearing thick clothes. The middle-aged man in glasses came over with a few entourages.

This middle-aged man is the director of Jinling TV Station, Tang Baoqing.

Tang Baoqing saw Liu Xinyi and Liu Xinyi's assistants and security guards were beaten.

Liu Xinyi immediately cried out: "Leader Tang, did you see it?"

"This person is so arrogant and unreasonable. You must help us deal with this matter. He must be severely punished."

Tang Baoqing was also angry at Yash Nics's attitude, and he comforted him. Liu Xinyi said, "Ms. Liu, don't worry, I am a good friend with your boss Pang, and you are still invited by us. I will give you justice in this matter." Liu

The warriors who resisted the flood showed a stunned expression, no wonder Yash Nics was so angry when Liu Xinyi insulted the soldiers.

It turns out that Yash Nics is also a soldier, and seems to be a soldier king!

What they didn't know was that Yash Nics was not the king of soldiers, but the god of war!

Song Pingting's family also looked at Yash Nics in shock.

Only then did they know that Yash Nics had made so many contributions in the military, and he was a real hero!

Tang Baoqing, Liu Xinyi and others were dumbfounded. Yash Nics's identity was not simple, and General Fan praised Yash Nics so much.

Tang Baoqing hurriedly laughed and said, "Misunderstanding, there is a misunderstanding about this matter, Mr. Yash, I apologize to you." After

Tang Baoqing finished speaking, he winked at Liu Xinyi and said, "Ms. Liu, there is something wrong with you in this matter. No wonder. Mr. Yash started to beat you, you quickly apologize to Mr. Yash."

Liu Xinyi saw that Yash Nics had a lot of background, so she could only say sorry to Yash Nics aggrieved.

Yash Nics said indifferently: "What's the use of telling me I'm sorry? It's not me that you humiliated, but the flood fighting fighters at the scene. You have to apologize to them."

Liu Xinyi gritted her teeth reluctantly and went to the scene again. The anti-flood fighters said sorry.

Tang Baoqing said with a smile: "General Fan, Mr. Yash, I have already apologized to Ms. Liu, do you think this is the case?"

Yash Nics said coldly, "I said just now that it was hers. The last chance, but she did not cherish it. Now General Fan came to apologize. It is too late."

Liu Xinyi was surprised: "What do you mean?"

Yash Nics said coldly, "It's nothing. You have no artistic virtue. , Low quality, not worthy of being a star, not worthy of being a role model."

Liu Xinyi's eyes widened suddenly, and she was furious: "What are you talking about, you want to ban me, who do you think you are!"

Yash Nics said coldly, "Who am I? Important, if you don't want to quit the entertainment circle automatically, then you will be blocked in three days."

Yash Nics stopped talking to Liu Xinyi and turned to look at Tang Baoqing: "You are the director of Jinling TV Station. "

Tang Baoqing accompanied and said carefully: "Yes!"

Yash Nics nodded: "Very well, I want you to make her humiliating anti-flood fighters public today in the news."

Tang Baoqing lost his voice: "I'm afraid this is not appropriate.

Right !" Fan Shouxun said solemnly, "Tang Director, is it difficult to do, do you want me to make a call to

Master Xingzun ?" Tang Baoqing trembled all over, and quickly said: "No need, I will follow Mr. Yash's instructions. Tonight's news, truthfully report this matter."

Fan Shouxun is a lieutenant general. If General Fan is allowed to call Master Shengzun himself, then it is estimated that Tang Baoqing's position as director of the station will end.

Tang Baoqing is also gone, regardless of Liu Xinyi's reputation, it is important to keep his position first.

Seeing that Director Tang has agreed, Liu Xinyi will report on the news about her humiliation of the flood fighters tonight.

She was so anxious and angry that she couldn't help but cried.

She knows very well that once the incident is reported, her star career will end here.

Liu Xinyi cried very sad and regretted, but unfortunately there is no regret taking medicine in the world.

In the end, a group of Huayue Entertainment's employees and security guards helped her leave and return to the company.

Pound, the owner of Huayue Entertainment, saw Liu Xinyi come back crying.

He asked in astonishment: "What happened?"

Liu Xinyi's female assistant immediately added her enthusiasm to a report: "Boss, Miss Liu was bullied, and a veteran named Yash Nics beat Miss Liu."

"He had some connections in the army and ordered Director Tang to report on Miss Liu. Tainted news, and threatened to block Miss Liu. "

Huh?

It's Yash Nics again!

Pound was frightened and angry. Yash Nics had just abolished Yang Zhe, one of his two big moneymakers, and he suffered heavy losses.

Now, Yash Nics actually wants to block Liu Xinyi again.

Pound was furious: "Good boy, I didn't tell him the last hatred. He even dared to abuse my artist. If I don't kill him, I won't be named Pang." Liu Xinyi

cried and said, "Boss. , Then Yash Nics seems to have a good background."

Pound calmed down: "It's okay, I will find someone to check his information before making a decision."

Just do it!

Pound immediately went to the relationship to check Yash Nics's details.

He had contacts at the police station's household registration office, and soon found Yash Nics's household file information.

Yash Nics's data file shows that Yash Nics is a veteran who has won third-class merit once and second-class merit once, and there is nothing else.

Liu Xinyi was stunned, and said in surprise: "The General Fan at the time clearly stated that Yash Nics was a hero in the army. He had made countless battles and won medals that can be covered in a full uniform."

"How can the files show that Yash Nics won ." Two military exploits?"

Pound boldly guessed: "It is possible that Yash Nics is an ordinary veteran. General Fan was angry that you insulted the flood fighting fighters. He deliberately said that Yash Nics was a veteran hero. He deliberately used the title to punish you, and then took the opportunity to punish you."

Liu Xinyi was crying: "Ah, what should I do now?"

Pound comforted: "Don't worry, you are the only gold medal artist left in our company, and I will definitely protect you."

"I will find a way to relieve the negative impact of this incident on you and let you continue to be a big star."

"As for Yash Nics, you must not let him go. I want him to die very ugly."

Immediately after, Pound contacted his good friend Tang Baoqing, hoping that Tang Baoqing could help suppress the news and not broadcast it.

Tang Baoqing smiled bitterly and said, "Old friend, it's not that I didn't help you, but that General Fan asked to do so this time."

"If I dare to disobey General Fan's order, he only has to call Master Xingzun, I This position is about to be lost."

Pound said depressed: "Is there no way to save it?"

Tang Baoqing persuaded: "We are only reporting by Jinling TV station, and the impact is not very serious. You take advantage of the time now, and hurry in. Public relations actions, buying hot search or something, suppressing Miss Liu this matter, it is estimated that the problem is not big."

Pound deliberately said: " Liu Xinyi spoke rudely against the Hong soldiers, General Fan will punish him, and let Liu Xinyi be taught."

"But Yash Nics's kid actually asked

Liu Xinyi to quit the entertainment industry within three days, or he would be permanently blocked. What's the matter?" Tang Baoqing immediately cursed and said: "I started to listen to General Fan's description, and thought that Yash How amazing is Ning!"

"I just asked my friend on the household registration side to check his files, and it turns out that a small platoon leader who has just retired from the army is not as good as General Fan said."

"So Yash Nicsna. You can hear what the kid said, believe he has a ghost!"

Pound laughed: "I also checked his information. It is indeed an ordinary person."

"Well, I will conduct public relations now to save Liu Xinyi's reputation."

do it, Pound immediately ordered Huayue Entertainment's public relations department to act immediately, various hot searches, and want to use other people's big news to downplay Liu Xinyi's bad incident. influences.

at night!

Pound, Liu Xinyi and others all stayed in the company meeting room to work overtime.

At seven o'clock in the evening, Pound said to his opponent: "Well, the news hour has begun, turn on Jinling TV Station and watch the news reports."

Immediately, someone picked up the remote control and turned on the TV on the wall.

As soon as I turned on the TV, I saw that it was a news broadcast. A serious-looking news anchor on the news severely criticized: "Recently, floods and waterlogs have occurred in various places. Officers and soldiers from all over the country have participated in flood fighting and rescue operations, and many soldiers have even sacrificed. Songs and tears."

"But there are some so-called stars who gain fame under the guise of condolences."

"There is such a female star named Liu Xinyi in Jinling City. On the surface, she condolences soldiers on the front line of fighting floods, but she is actually showing her reputation. In order to make a show, he openly humiliated the anti-flood fighters..."

Pound opened his eyes wide when he saw this, and his face was horrified: "My God, didn't it mean that only the news of Jinling TV will be broadcasted? How come the news is broadcast directly?"

Liu Xinyi added It felt like the sky was spinning, and the whole person almost passed out on the spot.

On the news network, no matter how much money their company spends on public relations, no matter how much money they spend on hot searches, they can't save her.

She couldn't help crying, and at this moment, she finally knew that she regretted it.

"Yash Nics's father, Chen Xiong, was in Jinling recently. It's very convenient for us to do it. We just need to give the evil god a call."

Pound grinned, showing a mouthful of yellow teeth, and said grimly: "Your suggestion is good! "

Huijing Hotel, in the bathroom.

A tall and tall middle-aged man is naked, drenching in cold water.

His body was tattooed with a Thai evil god Tengtu, which looked particularly hideous and terrifying.

He looked at himself in the mirror with slightly longer hair and a stubborn face.

He took out a sharp razor, cut his hair short with one knife in front of the mirror, and then started to replace the beard with a steady knife.

At this moment, the cell phone in the living room outside rang.

He walked out naked, quickly and quickly, picked up the phone, his voice did not contain any emotion: "Hey!"

Wang Fenglei's voice came from the phone: "Cthulhu, our boss has already paid you the first commission. The account of the first person who wants you to kill, the information has been sent to your mailbox."

Cthulhu said blankly: "When will you do it!"

Wang Fenglei: "Our boss is impatient, you'd better do it tonight!"

Snapped!

Cthulhu hung up the phone and didn't say any extra nonsense.

He sat down on the sofa in the living room, opened the notebook, and started to quickly browse the target information to be done tonight.
