A Man Like None Other Chapter 219

Chapter 219 Lest Things Change

Although Josephine had never agreed to marry Jared and was naturally not his wife, her emotions went all over the place after he uttered those words earlier. That very moment, he was Prince Charming in her eyes, tall and handsome.

If he were to propose to her then, she would say yes without the slightest hesitation.

“No! I can’t die! You can’t kill me! Dorieus is my grandmaster, and he’ll avenge me if you kill me!”

Abject panic was written all over Falcon’s face, and there was a puddle on the floor beneath him. It turned out that he had peed his pants.

“I’ll be waiting!”

With a detached smile on his face, Jared brought his leg down right away.

Pop!

Like a ripe watermelon, Falcon’s head exploded.

“Ahh!”

Horrified, Josephine jumped into Jared’s arms.

As William watched the scene unfolding before him, a riot of feelings brewed within him. At the side, Walter and Tommy cast him envious glances.

According to status and position, William was still some distance away from Walter and Tommy. While he was the wealthiest man in Horington, the standing of a family that only did business wasn't all that high in this age of martial arts.

Only when the family had a martial artist or an ancient martial artist among its ranks would its status be elevated.

Since William suddenly had a son-in-law like Jared, the standing of the Sullivan family was indisputable. Even Walter and Tommy would have to be courteous to him when they met him in the future.

"Congratulations, Mr. Sullivan!" Walter whispered to William.

In response, William flashed him a modest smile. "It's still too early, Mr. Grange. It's uncertain yet with young people nowadays."

"Since you know that, Mr. Sullivan, you should pair them up as soon as possible, lest things change!"

Walter grinned at him, and William immediately understood the man's meaning.

Subsequently, Erasmus had someone clean the room. Only when that was done did Josephine move away from Jared's embrace.

"W-Was that deliberate? Did you do that intentionally to take advantage of me?" she questioned Jared.

"Who took advantage of you? You were the one who threw yourself into my arms," Jared countered with bewilderment written all over his face.

"That's not what I'm referring to! I mean, why did you say that I was your wife earlier? Wasn't that taking advantage of me?" Josephine huffed in feigned anger.

"Oh, I thought you were willing to be my wife, but it turned out to be wishful thinking on my part! In that case, I won't say that anymore!" Jared replied calmly.

After saying that, he whirled around and walked out of the room. As he turned around, the corners of his mouth lifted, and he furtively snickered.

Meanwhile, Josephine was stunned as bafflement swamped her. I was merely joking with him. Why couldn't he tell?

William was likewise stumped then. He hastened forward and pinched Josephine. "Why did you make such a remark? If it weren't for him, we would've all perished. Look, he's crestfallen now. Go and mollify him, quick!"

Verily, Josephine was a touch embarrassed to do so. But still, she gritted her teeth and rushed out in the end.

"Mr. Grange, I'll go get the spiritual brush and cinnabar rosary Mr. Chance wants right away!"

As soon as Erasmus had said that, he pivoted and headed toward a room at the side. Shortly after, he returned with the items and handed them to Walter.

"Mr. Grange, I'd also like to ask you to convey a query on my behalf. Although the frosty energy in my daughter has all been absorbed, Mr. Chance said that a frosty constituent would automatically absorb frosty energy. Then, will she not suffer from the cold again in no time?" he proceeded to say to the man with a beseeching expression.

"Okay, I'll go and put this question to Mr. Chance at once," Walter promised with a nod as he took the spiritual brush and cinnabar rosary from the man.

Just as he was about to go out and ask Jared that, Josephine's bellow abruptly rang out from outside. "How dare you dupe me, Jared? I'm going to kill you!"

In the next moment, Jared darted into the room while grinning from ear to ear. Josephine chased after him from behind, but William stopped her.

A Man Like None Other Chapter 220

Chapter 220 I Will Support You

"This is a sacred place! Stop messing around!"

After chiding Josephine, William turned to Walter and Erasmus, flashing them a sheepish smile.

The few others smiled as well, envy shining brightly in their eyes.

"Mr. Chance, while all the frosty energy in Abbot Erasmus' daughter has been absorbed, you said that she has a frosty constituent and will still absorb frosty energy perpetually. As such, frosty energy will likely infiltrate her body again before long. Therefore--"

Before Walter could finish speaking, Jared waved a hand and cut him off.

"Abbot Erasmus, your daughter will be fine for the time being. Her frosty constituent is exceedingly rare. Considering my current capabilities, I can free her wholly from the frosty energy. However, I rather hope that she can embark on the path of cultivation. To that end, I'll naturally transform her constituent when my capabilities go up a notch. Let's just leave it as such for now. She'll be fine, and I'll come over regularly to absorb the frosty energy within her," he said to Erasmus.

With his capabilities at present, he had no problem helping to free Erasmus' daughter from the frosty energy completely and even keep her young forever. But then, she wouldn't be able to cultivate anymore, and that would be a total waste of her frosty constituent.

For that reason, he planned to wait until he had improved further before helping her to embark on the path to cultivation. Nevertheless, he actually had his own interests in doing so. The frosty energy was very much beneficial to his cultivation, so he could use the frosty energy he absorbed from her in his cultivation to boost his capabilities.

“Thank you, Mr. Chance! I owe you much!”

While saying that, Erasmus even wanted to fall to his knees before Jared.

Seeing that, Jared hastily held him up with both hands. “You don’t need to stand on courtesy, Abbot Erasmus. I’m here for the spiritual brush and cinnabar rosary, so this is just considered an exchange.”

“The fact that you saved my daughter can never compare to the spiritual brush and cinnabar rosary! Just say the word if you need my help in anything in the future, Mr. Chance!” Erasmus gushed with gratefulness etched on his face.

“Mr. Chance, I’m really sorry about offending you earlier with my ignorance. Please don’t take offense at me!”

Right then, Leonidas came over and apologized to Jared in mortification.

After all, the capabilities exhibited by the man had long since impressed him greatly.

“Don’t worry about it. Since the matter has been resolved, I’ll be taking my leave.”

Jared was eager to return home and restore his mother’s sight as he had the spiritual brush and cinnabar rosary in his possession then.

When they came down from Lagrange Mountain, the sky had already gone dark. Yet, Luca was still waiting at the foot of the mountain.

Josephine volunteered to drive Jared back to Dragon Bay, so Walter and the others could only cram into a single car.

“Why did you insist on driving me back at this hour instead of going home yourself when you’re a girl?” Jared inquired, sitting in the passenger seat.

“I’m your wife, so who’s going to drive you home if not me?”

Without anyone else there, Josephine no longer filtered her words.

“Huh?” Jared was rendered speechless for a while, only retorting after a brief pause, “We’re neither engaged nor married, so how did you become my wife? Besides, I don’t have the money to marry you right now!”

“You might not have money, but I do. I’ll support you in the future. Anyway, I’ve decided on you!” Josephine proclaimed challengingly, staring straight at the man and quirking a brow.

At the sight of that, Jared chuckled. In truth, he had long since taken a fancy to her.

Regardless of whether it was her countenance, figure, family background, or personality, she was his cup of tea.

However, he had yet made up his mind to get together with her then. Ever since he embarked on the path to immortality, his mentality had changed. With the elevation of his capabilities, his lifespan could possibly be extended indefinitely. Conversely, Josephine was merely an ordinary girl.
