The Return of the God of War [The Protector]

Chapter 3533 - 3534

The town magician is here.

Still came swaggeringly.

Levi Garrison had already noticed it.

He originally thought that the group of people from the town magic department would attack him quietly.

Never thought of such a frontal attack.

“It’s interesting, I hope your strength makes me more interesting.”

Levi Garrison smiled lazily.

But it doesn’t really matter at all.

The top ten Tianjiao stood in front of the base camp, and behind them were densely packed devil-suppressing masters.

When Bai Xinghe waved his hand, they roared in unison.

“Roar!”

“Roar!”

“Roar!”

...

The army of the Suppressing Demon Division let out a roar, as if the Nine Heavens Divine Thunder descended, blasting over the base camp, buzzing.

It was as if a catastrophe had fallen from the sky.

Bai Xinghe was even more stunned: "Levi Garrison!!! Come out and die! The Demon Suppression Division is here to kill you!"

The sound was so vast that it spread directly to every corner of the base camp.

Arrogant!

overbearing!

I'm here to kill you, not sneaking.

tell you directly!

I'm here to kill you!

This is the pride of the top ten arrogance.

Where the ten people stood, it was like a god standing in the dust.

"Boom..."

The aura on them instantly radiated.

Forming a series of terrible shock waves, it will directly destroy the entire base camp.

The buildings in front of them were all destroyed to pieces.

The shock wave that could penetrate into it all disappeared.

However, Levi Garrison still did not respond, nor did he come out.

This made the top ten Tianjiao a little angry.

They all came.

Levi Garrison hasn't come out yet?

That's not taking them seriously!

They are the strongest arrogance of the Town Demon Division, the answer to the future.

A monkey outside ignored them like that.

How could it not make them angry?

"If Levi Garrison doesn't get out and die, we'll come in!"

Xu Zhetian roared.

Almost every Tianjiao face is covered with frost!

This kind of thing never happened.

No one dares not give them face!

"A mere monkey is so arrogant? How unreasonable!"

Dugu Tuo, the most grumpy among the top ten talents, was already angry.

"Boom..."

He suddenly punched.

Almost all base camps will be destroyed, and all living things will be wiped out.

A terrible breath pervaded.

He has already stepped out.

"I'll kill him myself!"

Dugu Tuo has already stepped out!

"No! I definitely can't let you take the lead!"

The other geniuses rushed out immediately.

After all, they are going to kill Levi Garrison in the competition, how can they let others take the lead?

"Attack! All-round attack!"

...

The army of the Town Demon Division sounded the horn of the attack, and from all directions, like a flood of beasts, they began to attack the base camp.

"kill!!!!"

Tens of thousands of strong men attacked in unison.

It is much stronger than the force that attacked the North Pavilion at the beginning.

And the cohesion is too strong.

The last time everyone attacked the North Pavilion, everyone had a ghost, and everyone had their own little ninety-nine.

They all thought about how much benefits they could get from the North Pavilion.

But this time is different.

Everyone's goal is the same – to kill Levi Garrison.

Therefore, the Town Demon Division is united as never before.

In addition to the top ten Tianjiao leading the army, they will not calculate each other, who will deal with Levi Garrison, afraid of death or something.

Instead, they scrambled to kill Levi Garrison, for fear that he would be killed by others.

They all started rushing to kill Levi Garrison.

This unity makes them stronger and stronger.

Gong Qianqiu and various killers, as well as the eternal kingdom are also slowly approaching.

Even ambush on the other side, that is, the group that controlled Yan Zangsheng was quietly approaching.

Even the top ten experts of the Xuanming alien race came to the vicinity, but they were not too close, and they kept waiting for the opportunity.

A war is imminent.

The top ten Tianjiao led the army into the base camp.

"It's even said that Levi Garrison got the information in advance and ran away? Is this an empty city?"

...

It made the top ten geniuses and the masters of the town magic division bewildered.

Why is there no one in the base camp?

Let them all suspect that they are wrong.

There is no one in front of you!

How do they know that most of the people are in the underground space under their feet.

"Shouldn't we have obtained a fake map? This is not Levi Garrison's base camp at all?"

Li Zhuyue couldn't help but say.

Baili Wan'er shook her head: "I think there is a high probability that Levi Garrison already knew the information and escaped ahead of time!"

"Well, there is a possibility! Although our organization is secret! But there are many people, and the information is easy to reveal!"

"Yeah, the North Pavilion has a good relationship with Levi Garrison, maybe it's the information disclosed by the North Pavilion!"

"It seems that there is a high probability that Levi Garrison should have run away!"

...

The top ten Tianjiao immediately analyzed.

The message weighed on them.

How could Levi Garrison escape?

“Continue to look inside!”

Bai Xinghe shouted.

“Well, let’s take a look first!”

The top ten Tianjiao were not willing to make such a vain trip.

Quickly move closer to the center and shrink.

The crowd continued to shrink the encirclement and walked towards the center of the base camp.

Just walking all the way, there is no one at all.

Clearly a sign of escape.

This makes them very depressed.

After Gong Qianqiu in the back knew the news, he was also very depressed.

“Levi Garrison escaped? How is this possible?”

Gong Qianqiu exclaimed.

But now she can’t even contact Xiao Feng

These people are like lost contact.

Maybe there is such a possibility.

Levi Garrison escaped.

Avoid its edge for now.

It would be great if I could contact Xiao Feng.

There are times when this chess piece fails.

Make her angry.

But that's the way it is now.

How can this be good?

If this is the case, your plan will not work at all.

How could Levi Garrison escape?

Have you overestimated his strength?

impossible!

Levi Garrison defeated the Three Saints of the North Pavilion and saved the North Pavilion.

Even if the Demon Suppression Division's army is stronger this time, he won't run away.

What's more, Levi Garrison, who she carefully studied and analyzed, couldn't possibly be such a person.

Even if he is not an opponent, he will never escape.

There's definitely something wrong with this!

Gong Qianqiu's brain began to run rapidly, trying to find a way to make up for it.

After setting up such a big game, it is impossible to fall short like this.

The top ten Tianjiao led everyone to continue to the center.

They have been disappointed.

Today is destined to be a waste of time.

“So be it!”

“Levi Garrison must have escaped with everyone else!”

...

The top ten Tianjiao have all given up.

They looked depressed.

You Qi Shangguan Tianfeng scolded: “Waste Levi Garrison! As expected of an immature monkey! Does this scare him away?”

“Yes, I really didn’t think that Levi Garrison was a coward! He was scared away when he heard us coming.”

The top ten Tianjiao sighed again and again.

However, the rest of the Zhenmo Division said: “Everyone, think about it! I heard that your top ten talents are coming together, and you are carrying the four artifacts of the town pavilion. Who wouldn’t be afraid to hear this?”

“A normal person would run away, right?”

“Now it seems that Levi Garrison is a normal person and knows that he has escaped.”

...

I have to say that this flattery is in the hearts of the top ten talents.

They are very satisfied.

In his opinion, Levi Garrison ran away when he heard ten of them were coming.

Jiang Tianqiong smiled: “That’s right. Don’t mention a monkey, even the top existence of the Town Demon Division will run away when they hear our lineup?”
