The Return of the God of War [The Protector]

Chapter 3555 - 3556

After everything was quiet, Levi Garrison asked Levilia and the others to come out of the underground base.

In everyone's opinion, it must be a mess here.

But when I came out, I was a little scared.

The base camp was clean.

However, there are also traces of damage, but the overall impact is not very large.

It's very different from what they imagined.

What happened to the battle just now, although everyone has not seen it with their own eyes, they can still feel it.

Levi Garrison actually won?

All had smiles on their faces.

the other side.

As soon as the top ten Tianjiao left, Gong Qianqiu received a message.

Now no one dares to stare at Levi Garrison's base camp.

Except for Miya Chiaki.

She still took the risk and sent people to watch.

“He actually didn’t kill the top ten talents? This is a bit unexpected!”

Gong Qianqiu was surprised.

“Not only that, Levi Garrison doesn’t even want the four artifacts! Throw it to the top ten talents like garbage!”

Hearing the report from his subordinates, Gong Qianqiu’s eyes lit up fiercely.

Gong Qianqiu asked with hot eyes: “What is the current situation of the top ten talents? What is the degree of injury?”

“Everyone was seriously injured! The combat effectiveness is negligible for you!”

“Yes, Xu Zhetian in the middle pavilion feels like he is going to die! Bai Xinghe and the others are also seriously injured!”

“It is estimated that Levi Garrison felt that killing them was meaningless, so he let them go!”

...

Hearing that the Ten Great Talents were seriously injured, Gong Qianqiu laughed.

“This is my chance!”

“Not only can I get the four artifacts of the town pavilion, but it can also intensify the hatred between Levi Garrison and the Zhen Mosi!”

“Go! Immediately leave!”

Gong Qianqiu seemed a little excited.

The top ten Tianjiao hurriedly left from Levi Garrison with the four artifacts of the town pavilion.

Just want to return to their respective factions.

After all, not to mention that they are seriously injured now, they are still carrying the four artifacts of the town pavilion.

It is dangerous to be outside for too long.

Scary what to do.

“Whoosh whoosh...”

All of a sudden, a hidden weapon shot from the surrounding.

At the same time, there is a poisonous mist.

The top ten Tianjiao were seriously injured and tried their best to block the hidden weapon attack.

But several people were also hit by hidden weapons.

But they are not so lucky to face the poisonous fog again.

Everyone was more or less contaminated by the poisonous mist.

This poisonous mist will not kill them on the spot, but it will affect their root bones and limit their skills.

At the same time, a large number of masters appeared and directly attacked the top ten talents.

Soon the top ten talents were defeated.

All ten people passed out.

“What should I do? Did you kill it directly?”

The subordinates asked Gong Qianqiu.

“No, take them all! Killing them will leave clues! Besides, they are useful to me!”

Gong Qianqiu gave an order.

The top ten Tianjiao were taken away one after another.

Finally came to Gong Qianqiu's secret base.

The top ten Tianjiao passed out, but Gong Qianqiu was still afraid that this group of people would recover.

So with a vicious method, a special nail was used to hit the meridians, root bones and every important part of the body.

Not only that, but the Ten Great Talents were locked and entangled with each other with special chains.

In this way, their strength cannot be recovered, they cannot absorb spiritual energy, and they cannot use their power.

After all, several people were seriously injured, but their skills were still there.

If it is not restricted, these ten arrogances will recover sooner or later.

Therefore, they can only be locked in this vicious method.

It means that their life gates are tightly controlled.

Gong Qianqiu, on the other hand, was fond of touching the artifacts of the four town pavilions.

"Great! It's all mine!!!"

"Hahaha... and Divine Tribulation is also mine!"

Gong Qianqiu also took out the divine robbery and compared it with the four artifacts of the town pavilion.

She was full of excitement, indescribable joy.

The Return of the God of War [The Protector]

Chapter 3556

To say before that she can get the four artifacts of the town pavilion, don't say that other people don't believe it.

She just couldn't believe it herself.

In the previous West Pavilion, she had never even seen Tianzi Gun at a glance.

There is no right to place the forbidden place of the emperor's gun.

That feeling is high above, she is like an ant.

Even looking at it is a heinous crime.

But isn't it still in her hands?

Looking at the emperor's gun, Gong Qianqiu smiled.

Wasn't she playing with the artifact of Xige Town Pavilion?

Since Zhen Mosi came into contact with the outside world, her chance has come.

"Levi Garrison, I really have to thank you. If you hadn't appeared, I would have now? Four great artifacts and ancient swords, what do I want!"

Gong Qianqiu laughed wildly.

But soon, her face darkened.

Because the four town hall artifacts and the ancient sword are all in hand.

But no matter how powerful he is, he can only use one of them.

You cannot use all five at the same time.

Others need to cooperate.

If only these five weapons could be integrated into one.

Maximize power?

Wouldn't it be better?

Gotta find a way to make good use of it.

Get these five artifacts, absolutely can not be used as decoration.

Looking at the top ten talents, Gong Qianqiu smiled.

Once one by one invincible, unattainable!

She is not qualified to stand with this group of geniuses.

Zhong Haiqiu and Shangguan Tianfeng from the West Pavilion have always looked down on her!

Whenever she was in the West Pavilion, she always lowered her head to the two of them.

In terms of resources, they were also suppressed by these two people.

Even Zhong Haiqiu often insults her as a b*tch!

Shangguan Tianfeng didn't give her a good face either!

In addition, other Tianjiao, such as Bai Xinghe, Jiang Tianqiong, Han Jiuxiao, etc., she has seduced them.

But all failed.

As a result, this group of geniuses were all immersed in cultivation.

Second, this group of geniuses can't look down on themselves.

Therefore, Gong Qianqiu only hates everyone!

"Snapped!"

She slapped Zhong Haiqiu hard on the face.

He directly woke up Zhong Haiqiu.

"you....."

Zhong Haiqiu's face was full of disbelief.

"b*tch! Slap! Slut! Slap! Slut! Slap..."

Gong Qianqiu slapped her face with a slap like a vent.

The huge movement woke everyone up.

"You! Gong Qianqiu!!!"

...

After the top ten Tianjiao opened their eyes, they saw Gong Qianqiu with disbelief on their faces.

Just as they were about to struggle, they found that their bodies couldn't use any strength.

Every point of strength, the gate of life, is all locked.

Special nails were nailed into each place, and chains were used to entangle them together and lock them tightly.

"Gong Qianqiu, are you mean? Are you not letting us go? Are you courting death?"

Shangguan Tianfeng was used to scolding Gong Qianqiu in the West Pavilion, and immediately roared.

“Pfft!”

It’s just that Gong Qianqiu raised the Xige Town Pavilion’s artifact, the Emperor’s Spear, and directly penetrated Shangguan Tianfeng’s left shoulder.

“what!!!”

Shangguan Tianfeng let out a shrill scream.

What else did Zhong Haiqiu want to say, but Gong Qianqiu directly nailed her palm to the wall!

Everyone was silent now.

I also know that these people are controlled by Gong Qianqiu.

Next, it can only be slaughtered by others.

“Top Ten Talents? That’s all!”

Gong Qianqiu sneered.

Bai Xinghe had already noticed Gong Qianqiu’s strength, and he said in amazement: “You... when did you become so strong?”

Today’s Gong Qianqiu is no less than them.

It was even comparable to himself and Chu Qingshuang.

Gong Qianqiu sneered: “Who made you a frog at the bottom of a well? There’s another one out there who is more talented than you!”

She naturally meant Levilia.

“And this... This is Levi Garrison’s calamity???”

“So you stole it!”
