The Return of the God of War [The Protector]

Chapter 3568

This time, the masters of all parties came to kill him, which further confirmed this point.

Someone is running this behind the scenes.

It is understandable that the masters of the town magic division are united together.

But later, the eternal kingdom behind the War Eagle Kingdom, the Xuanming alien race, various killers, and even various institutions.

They are still in a cascade configuration, attacking layer by layer.

All parties have not been contacted in advance.

But surprisingly tacit understanding.

This means that there must be someone behind it!

Otherwise it can't be done.

A group of rabble, but no one party is in chaos.

The cooperation is tacit, as if it has been practiced countless times.

Someone is definitely manipulating this.

And after the incident, Levi Garrison spoke with the Black Hawk agent.

This is the Eternal Kingdom acting on its own.

It directly crossed the Sky Shield Bureau.

If the Eternal Kingdom takes this opportunity to kill itself, it must first find the Sky Shield Bureau.

Because the Sky Shield is the most familiar with itself.

But there is none.

That means someone else has contacted the Eternal Kingdom.

This proves Levi Garrison's guess that there is still a party.

planned it all.

It even stole his own divine calamity before, and even exposed the location of the base camp to the Xuanming alien race.

That makes sense.

Levi Garrison guessed that the location of his base camp should be known by torture after catching Xu Qingya and a few people.

What kind of existence is this group of forces?

It seems that he is familiar with the Demon Suppression Division, the Xuanming Alien Race, and the outside world, especially his own existence.

"But you offended me, Levi Garrison, you absolutely can't run away!"

A cold light flashed in Levi Garrison's eyes.

He will find out.

Now Zhen Mosi has forged a deadly revenge with himself, and he can't get an answer from them.

But the eternal kingdom...

This group of forces has contacts with them.

You can start with Eternal Realm.

Looks like it's time to go to the Eternal Realm...

"Okay, no need to explain! Let's fight! You all should be careful recently and try not to go out!"

Levi Garrison said.

He is not afraid that the Zhen Mosi will attack and kill him directly, but he is afraid that they will use subterfuge to attack the people around him.

There are crazy rumors outside that Levi Garrison killed the top ten talents and greedily lost the four great artifacts.

Hate is hate.

But in this way, who can be his opponent?

In fact, the fear of Levi Garrison is even deeper.

Gong Qianqiu, who controlled all this, smiled.

Her purpose has been achieved.

At this moment, in a place deep in the mountains, there are pavilions and pavilions.

Xuanming alien race, right here.

Several masterminds of the Xuanming alien race are standing here, and there is an elegant middle-aged man in front of them.

“Clap clap clap...”

He was slapping this group of people hard.

But the masterminds of the Xuanming Alien Race didn't say a word and let this person beat him.

Incredible!

If other people in Zhen Mosi see it, they will definitely feel incredible.

How can it be?

Xuanming alien race is the strongest alien race.

Not only obeying other people's orders, but now even getting slapped?

This is also incredible!

In the end, who can make the Xuanming alien race so obedient?

This is impossible!

But that's what happened.

“Did I ever tell you not to trouble Levi Garrison?”

The elegant middle-aged man said coldly.

The masterminds of the Xuanming alien race lowered their heads one after another, daring not to speak.

“You don't listen to me, do you? Think you can do it? Can you kill Levi Garrison?”

the middle-aged man asked.

“We... we never thought that Levi Garrison would be so powerful! It’s our fault, Master!”

Several people from the Xuanming alien race apologized one after another.

“Levi Garrison is of course strong, I have reminded you already!”

“From now on, I need all of you to disappear from me, absolutely not in front of anyone’s eyes! Understand?”

The middle-aged man said.

Everyone nodded in unison.

The Xuanming alien race also disappeared.

The middle-aged man looked into the distance and sneered: “Levi Garrison still wants to kill!”
