Chapter 16 Lean Over To Kiss Her

When Jessica returned home, the car that Simon parked in the garage had disappeared. It was very quiet in the huge villa

Jessica didn't want anyone to know that she had returned to get her phone and groped through the darkness towards the living room.

When she found her cell phone on the

sofa, she thought about what happened that night. Figuring that she might not move back in a short period of time, she went upstairs.

The only thing in the Sandgren family that she wanted to take away was the necklace her mother left her before

she died.

After getting the necklace, Jessica quickly came out of her room. When she passed the study, she overheard Brant talking to Eudora.

"Brant, I've got a really bad feeling, and I feel something is going to happen. Did Jessica notice something unusual today?"

"Jessica will know about Simon and Louise sooner or later" Brant, who was writing calligraphy, didn't care.

"I'm not talking about this. I'm talking

about Jessica's mother."

Jessica, who was about to leave, froze. Did they... Did they keep any secrets from her?

"Let bygones be bygones, and the hospital didn't find anything wrong. What are you worried about?"

"But Daphne's attending doctor knew that we poisoned her. Although he is retired now, I still feel uneasy."

"That doctor is abroad now. I'll send someone to keep an eye on him 24 hours a day. Stop filling your head with nonsense. And don't mention it again."

For Brant, it was something he did not want to recall.

He was with Daphne just because she  
was the daughter of the Yankey family.

Later, when he became more successful, he no longer needed her.

Jessica, who was standing at the door  
of the study and heard all these things, covered her mouth in disbelief.

If she hadn't come back to get her  
phone, she would never have known that her mother had been killed by Brant  
and Eudora.

She even comforted herself that Brant at least felt guilty. Now she knew that she  
was too naive.

Jessica didn't know how she got out of the Sandgren family. It was cold  
outside, but her heart was even colder.

She turned to look at the villa standing in the dark and said word by word, "Mom,  
I will avenge you!"

At this moment, a dazzling light shone in the distance.

Jessica turned around and looked at the dazzling headlights. The lights were so  
harsh that she couldn't see

clearly

But when she saw the car, she knew who it was.

Timothy turned down the lights and  
drove slowly towards Jessica.

"Get in."

Timothy ordered.

"How did you know I live here? Timothy, what do you do?" Jessica was sitting in  
the car, putting her arm around Timothy's waist. The man

knew everything about her, but she didn't even know what was he.

"Debt collectors." Timothy's voice sounded low and seductive in the darkness. "You're my wife. How could I not know where you live?"

Jessica did not speak, but Timothy took her directly to the most luxurious hotel in the city.

"Aren't we going home?" Jessica frowned at Timothy, who was holding the room card.

"This is the second time you've hinted

that we should go home today. What's the rush? I can satisfy you wherever we are. Today is our wedding night. What fun can it be if we go home?"

Jessica's mouth twitched. "Timothy, why do I feel like you're taking our marriage seriously?"

"Jessica, since I said I wanted to keep you as my mistress, which time I'm not serious?"

Jessica's smile froze on her face when she heard what Timothy said, but before she could react, he opened the door and pulled her in.

He lowered his head and kissed her.

Chapter 17 Scared?

Jessica dodged, not feeling provoked at all. Finally, Timothy asked, "Did you really get bullied at home?"

Seeing that Jessica was sullen, Timothy asked.

Since Timothy already knew, Jessica did not hide it. "It was indeed treachery. I also knew that my mother was poisoned to death by my father and Eudora."

Jessica compressed her lips tightly. She felt sorry for her mother when thought of how she had lived peacefully with her mother's murderer for more than ten years.

"Jessica." Timothy put her hand in his

chest, and pinched her chin by another hand, forcing Jessica to look at him. "Do you trust me? I can help you take revenge."

"My head is in a mess now. I..." Once bitten, twice shy.

Even her own father could deceive her. Who else could she trust?

"Trust me, please. We're already married. I'll help you, and.." Timothy hesitated for a moment and said, "My real identity is not as mediocre as you have seen. Time will prove it to you."

Timothy let go of Jessica. He knew that it would be difficult to win Jessica's trust for these few words, so he changed the subject and said, "Well, good time flies. Gp take a shower, or are

you going to take a shower with me?"

Jessica was afraid that Timothy would actually take a bath with her, so she walked into the bathroom immediately.

As the warm bath water flowed down from above, Jessica was thinking about Timothy's words over and over again.

Should she believe him or not?

Throughout the shower, Jessica had been thinking about this. When she came out of the bathroom after the shower, she saw Timothy

sitting at the bar drinking,

At this moment, he was already changed into a nightgown, and a large

area of skin on his chest was exposed. When he saw Jessica, he raised the glass.

-

The whole room was covered with rose petals, and the exquisite candles were arranged in the shape of a heart. The smell of roses in the air made Jessica forget all his troubles.

"Happy wedding, Mrs. Landy."

Timothy stepped on the petals and walked to Jessica. He held her in his

arms.

Jessica had been with Simon for three years. But expected for gaining something from him, she had never treated him with heart.

Their first sex, the marriage certificate,

and the wedding night, all of the

romance were planned by Timothy

alone.

"Timothy, why did you do all this?"

"It's very simple. I fell in love with you since the moment you seduced me in the bar." Timothy didn't disguise.

Jessica never believed in love at first sight, but after seeing Timothy's sincere eyes, she chose to believe him.

HE

"Thank you, Timothy. I'll try to trust

you."

"It's time to change a call, honey."

Timothy pinched Jessica hard on her waist. "If you don't call me tonight, you won't be able to have a sound sleep."

Hearing Timothy's words, Jessica's

face turned red. She could only and say awkwardly in a blush, "Thank you, honey."

Timothy picked Jessica up and walked

to the bed.

The soft bed sank a lot for the weight

of the two.

A firm kiss fell. Jessica's body trembled slightly because of Timothy's touch.

Timothy realized Jessica's nervousness and brushed her cheek gently with his thin lips. Her voice was as hoarse as if it had come from his throat. "Are you afraid?"

Chapter 18 I'm Not Ready Yet

"L. I don't seem ready yet"

Although she chose to trust Timothy, Jessica was still unable to make out as ordinary couples did. After all, hadn't known each other for too long.

The weight on her body was removed

after she said it.

Timothy already got up from the bed. "Then we will do that until you're ready."

With these words, he walked into the bathroom without looking back.

**LILI**

After the bathroom door was closed, Jessica felt much relaxed both physically and mentally.

She had made love with him all night yesterday, and she had a tough day today. So a few minutes later, she fell

asleep.

When Timothy came out of the bathroom after taking a shower, he

saw her sound asleep.

Her sharp features seemed to be softened and her sleeping face looked

sweet.

Timothy gave her a light kiss on the forehead, then lay down and turned off

the light to sleep.

Early the next morning, Jessica was woken up by Mrs. Kimi's call, which urged her to hurry to the YH Entertainment and contract with it to

be its official entertainer.

YH Entertainment was an entertainment company that could supersede TY Company in all aspects. Most of the entertainers in the company could get good resources. As her agent, it was normal for Mrs. Kimi to urge her.

"I see. I'll be right there." Jessica

rubbed her eyes. Just then, Timothy rubbed her cheek affectionately.

The man said in a hoarse voice, "Sleep a little longer. I'll send you there later."

Before Jessica said anything, Mrs. Kimi

had exploded on the other end of the phone "Jessica Sandgren, why is there a man next to you early in the morning? What did you do last night? Did you

want to risk everything to get back at Simon Capen? Well...it is reasonable that YH Entertainment wants to

contract with you even though you've been out of the entertainment industry. Do you want to...to irritate

me?"

Timothy could hear her high-pitched voice clearly even though Jessica didn't turn on the loudspeaker.

The man grabbed Jessica's phone and said to Mrs. Kimi, "I'll send her over later. If she's late, tell them to wait for a while."

After that, he hung up without giving Mrs. Kimi a chance to speak.

His words made Mrs. Kimi sure of her

guess.

Mrs. Kimi on the other end of the phone was shocked and confused. Who did Jessica sleep with last night?

Tell them to wait? The man sounded so

arrogant.

Jessica could imagine Mrs. Kimi's shocked expression. Looking at Timothy who was hugging her tightly, she was both annoyed and amused. "Signing a contract with YH Entertainment is very important to me. I need to be there on time."

"I told you I'll send you there." Timothy didn't take her words seriously at all. "It's still early. Just sleep for a little

longer."

"No, I have to get up now."

"You know men are especially fragile in the morning. If you dare to move, I don't mind doing something else." With these words, his hands around her waist began to move up.

His big palm covered with calluses gently stroked Jessica's smooth skin.

She was held in his arms so she could

clearly feel the boner

"Timothy... I really need to... Mmm..."

Mmm..."

Before she could finish the sentence, she felt a big shadow fall from above then her breathing became unstable in

an instant.

Chapter 19 I'll Die in Front of You

Jessica thought that she should not irritate the man who had just woken up in the morning.

"Timothy. I was wrong. Now I know that I was wrong."

Jessica kept begging for mercy. Her cheeks were glowing as if she was slightly drunk

Suddenly, Timothy stopped at the most critical step.

He was puffing hard and he struggled to hold back the strong desire deep in his body.

Obviously, Jessica didn't dare to move at that moment. After all, she could feel Timothy's struggle.

TI

About five minutes later, they gradually calmed down.

"Go and wash up. I will send you there." Timothy said. Then, he let go of Jessica

Forty minutes later, Jessica was sent to the entrance of the YH group by Timothy.

Mrs. Kimi had been waiting for her for quite a long time. She rushed over as soon as she saw Jessica.

"Jessica, who is that man? Tell me."

Mrs. Kimi said.

"I swear that I will kill myself today if you don't tell me who he is."

Mrs. Kimi's gaze had been settling on Timothy all the time. She couldn't stay calm anymore especially when she saw him sending Jessica here riding on a motorcycle

"Mrs. Kimi, shall we go to sign the contract now? It will take a while to explain what happened between him and me."

Jessica gave a conspiratorial wink to Timothy and then dragged Mrs. Kimi to the company.

Mrs. Kimi definitely knew what was the most important thing to do at that moment, but she was still annoyed, "Jessica, if you do something that is against your original intention, I will never work with you anymore. You can go and find whoever you like to

cooperate with."

Few of these agents in the entertainment industry didn't allow her artists to sleep with the rich for benefits, and Mrs. Kimi was one of them. Thus, she had never boomed the popularity of the artists she worked with in spite of her outstanding ability.

"I know, Mrs. Kimi. Don't worry. I don't have a sex trade with that man. Actually, he's my husband."

“What? Your husband? Jessica, how many things are you hiding from me?” Jessica could tell from Mrs. Kimi’s expression that she would die if she didn’t tell the truth. Jessica was so scared that she kept her mouth shut immediately and then walked into the

conference room of the YH group.

The process of signing the contract progressed smoothly, and the staffs of the YH group were very enthusiastic.

However, Mrs. Kimi looked as if her mind was somewhat unhinged until the end of the signing process.

After leaving the conference room, Mrs. Kimi immediately pulled Jessica onto the lounge chair and whispered to her, “Jessica, tell me, have you made acquaintance with the top manager of the YH group? Is the man who sent you here today the top manager of the YH group?”

Jessica shook her head, but it seemed

that Mrs. Kimi did not trust her. “I

knew something was wrong since yesterday. At first, someone was

secretly supported us when we uploaded the video. Then, the YH group offered you a chance. They directly replaced the actress of the main female character and let you act the leading role. The people who were

present and signed the contract today were all senior executives of the YH group. How can they attend a signing process? You’d better tell me the truth right now.”

“I really didn’t do anything. Maybe I have good luck.” Even Jessica herself

did not believe that it was sheer luck.

Timothy’s face popped up in Jessica’s mind. He once told her that he was not as mediocre as he looked.

Jessica wondered whether it was Timothy that took control of

everything behind the scenes.

Realizing that she was not able to get any information from Jessica now, Mrs. Kimi couldn’t do anything but sigh.

Suddenly, a scene ran through her

mind.

It seemed that she had seen the man who sent Jessica over here somewhere before.

Mrs. Kimi was trying to recall. At that moment, a shrill female voice sounded, "Jessica, why are you here?" It seemed to be unbelievable for that woman to see Jessica here.

Chapter 20 Shameless Bitch

Jessica and Mrs. Kimi simultaneously looked at Louise, who was wearing ten centimeter high heels. Consumed with envy, she was very surprised.

"Jessica came to the YH Entertainment to sign the contract. That's a no-brainer. Do you think everyone comes here to beg other for help like you?"

Mrs. Kimi was very hostile to Louise. This bitch not only stole Jessica's resources but also slept with Simon. She was so shameless.

Yesterday, Louise lost the chance to

play the leading role in a TV play, and

the director of this play happened to

be from the YH Entertainment. It was obvious why she came here early in the morning.

Louise's color came and went as she listened. Her eyes flashed with anger, but she didn't know how to refute.

"No matter how unlucky Louise is, she still has a huge fan base. The reason why you came so early is that you have to beg the YH Entertainment to sign the contract, right? Look at yourself. You will never make it. You are just a has-been. Please look at yourself in the mirror to see how many wrinkles and crow's feet you have."

Priscilla stood in front of Louise and began to mock Jessica.

"It was the YH Entertainment who

contacted Jessica to sign the contract. This is our contract." Mrs. Kimi proudly raised the paper. Priscilla and Louise looked rather unhappy.

"Let's go, Mrs. Kimi."

Jessica glanced at Priscilla and Louise with disdain. She did not know why Simon liked this woman. Louise was no better than her.

It might be true that the grass looks greener on the other side of the fence. And a cheating man is like a greedy dog even though you feed him fancy food all day long, he always wants to try shit just because he hasn't tasted it.

"Jessica, it's my fault to make you take the blame for me yesterday. I apologize to you. Please don't compete with me

for this role, okay? Do you know how much I've done for this? How much did the TY Company do to get this? Even if you hate me, you can't torture Simon."

Tears welled up in Louise's eyes, and she was even willing to bow to Jessica and admit her mistake.

"If you want to beg me, you have to be more sincere." Jessica coldly prised Louise's fingers that were holding her clothes. "Remember, if you are the most suitable person for this role, no one will ever take it away. Instead of begging me to pity you, it's better to spend more time on your acting skills."

Jessica glanced sideways at Louise and

then left.

Priscilla held Louise, who was in a fit of

anger and could hardly compose herself, asking, "What should we do

now? Jessica has signed a contract

with the YH Entertainment, and the

director also belongs to it. Louise, do we still need to find the him?"

"Go back to the TY Company. I'm going to see Simon."

After Louise finished speaking, she left to see Simon

Mrs. Kimi could not help but applaud Jessica for her behavior just now. She almost jumped for joy. "Jessica, I found out that I actually knew nothing about you in the past. I always thought you were very soft and harmless. Today, I found out that you were so clever and determined. What should we do next?"

"Take all of Louise's resources." Jessica's eyes fell on the man leaning on the motorcycle in the distance. She said, "Mrs. Kimi, I'll go first. My husband is still waiting for me. Please call me if anything happens."

After that, she quickly ran to Timothy.

"Hey, you haven't told me how you got married yet. You.." Mrs. Kimi shouted behind Jessica but found that she didn't hear her at all. She had no choice but to go back to her car.

But of course, before getting in the car, Mrs. Kimi still looked at Timothy a few more times. The more she looked, the more familiar he became. She had definitely seen him somewhere!

Jessica walked to Timothy and was

about to call him, but then the man

raised his head.

"Are you done?"

"Yes."

1. go.  
"Then let's somewhere."

I'll

take

you

"Where?" Jessica asked.

"Get in the car. You'll know when we get there."

Jessica had no choice but to get in and they left the YH Entertainment.
