Billionaire's Daring Wife Chapter 1 My Fiancé Was

Jessica Sandgren hid in the closet and watched the naked man and woman kissing through the crack.

She was stunned and her mind went

blank.

She knew clearly that the man was Simon Capen, who she loved so much

that she was willing to give up everything. And the woman was her good friend Louise Sandgren.

Yesterday, in order to surprise Simon on his birthday, Jessica deliberately told him that she couldn't come back to celebrate his birthday because the plane was delayed. In fact, she came

back early, hiding in the closet with a cake in her hands and intending to surprise him.

There was indeed a surprise, but it's

Simon who surprised Jessica.

Jessica was shocked rather than happy.

"Baby, I really love you." Simon kissed Louise and mumbled.

Louise stoked Simon's hair and said. "Since you love me, Simon, will you marry me?"

"Of course, but we have to take it slowly. First, you have to restore your

identity as the second daughter of the Sandgren family, and then I'll help you become the movie queen."

After Simon finished speaking, the whole room was filled with their moans of joy.

Jessica, who was hiding in the closet, clenched her fists and tried not to make a sound.

Simon's conversation with Louise revealed a great secret to Jessica.

Simon said he wanted to help Louise

restore her status as the second daughter of the Sandgren family. Louise's surname happened to be

"Sandgren", the same as Jessica, and Jessica's father was very good to Louise and her mother...

Jessica was thinking it over and she

thought she had figured it out.

Three years ago, she was the most popular young actress in S City's entertainment industry. But for Simon, she gave up everything and gave all the resources she had to Louise.

Only now did she realize that they were taking advantage of her.

Louise, her friend, was her half-sister. Her father lied to her, as well as her boyfriend and her best friend.

Everyone treated her like a fool.

Jessica ran out of the closet while Simon and Louise were taking a shower. She tried to comfort herself that what she had just seen was an illusion, but she was heartbroken.

I swore that I would take revenge to

you betrayors!

More than an hour later, Jessica came to a bar.

She wandered around the bar, looking for a man.

Since Simon cheated on her, she would cuckold him. She wanted to take revenge!

Jessica rejected all the men who tried to flirt with her and looked into a corner of the bar.

Timothy Landy took out his cigarette case. He took out a cigarette, looking around with his sharp eyes.

He always felt that someone was looking at him, but he couldn't find the person.

He was annoying

Ray Waldow, who was sitting next to Timothy, looked at the text message from the bank and said excitedly, "Mr. Landy, I get the money."

Timothy only raised his eyebrows slightly and he didn't care about it.

He's a professional debt collector. Not long ago, he took on a request. The owner of a clothing factory owed the creditor more than 500,000. The creditor said that as long as they could get the money, they would be paid 30% of the total.

Just during the day, they got the money and the creditor paid them as

he said.

"Come on, have a drink and celebrate our success." Ray filled Timothy's glass with wine. Just as Timothy was about to drink, a pair of slender hands covered Timothy's hands

Chapter 2 Good Taste

Simultaneously, both of them looked up at the owner of the hands.

Even though the lights in the bar were dim, Ray and Timothy couldn't help but curse silently at first glance, "This woman is more like a vixen."

"Hey guys, are you looking for women? You know, those who are good at moaning on bed and sex." Jessica had a seductive smile. She had always been confident in her beauty.

She targeted this man as her prey after searching in the bar for a long time. She surprisingly found his appearance far exceeded her expectations.

Since Simon could sleep with Louise,

who was not as beautiful as her, Jessica would seek a mate who looked more handsome than Simon.

Timothy narrowed his eyes with some dangerous thoughts, and he did not push her away as usual.

Instead, he grabbed the woman's hand

and pulled her into his arms.

In this way, Jessica sat directly on Timothy's lap.

Ray, who sat opposite, looked at them with shock in his eyes. Although many women had tried to flirt with Timothy, this woman was the boldest ever.

It was him who asked Timothy out for a drink, but now Ray found himself just like a third wheel.

"Timothy, I suddenly remembered that I still have things to do. I'm sorry I have to leave now."

After making up an excuse, Ray stood up and left the bar.

Timothy did not persuade him to stay. After all, most men would not reject a woman who threw herself into their arms. Besides, Timothy found that he had fancied her at first sight.

"The bar is too noisy. Why don't we find a quiet place?" Jessica tried to turn him on by helping him tidy up his clothes.

"How about going to my place?" Timothy suggested, gently rubbing Jessica's smooth skin.

Jessica nodded. The two, who had only known each other for less than five minutes, held each other like a passionate couple and left the bar.

Jessica was taken to where the man

lived. As soon as the door closed, she was pressed against the wall and kissed by the man.

The man kept rubbing himself against Jessica as if he wanted to let her know his rush for her.

Jessica felt his desire, placed her hands

on his belt and untied it.

When they melted together, Timothy's forehead was drenched in sweat. He looked at her with surprise, "Is this your first time?"

Jessica didn't say anything but kissed Timothy on the lips.

At the moment she stepped into the bar, she had cut off all her options.

Now she just wanted to immerse herself into the most primitive feelings of her body, no matter whether it was right or wrong

On their way back to his home, no matter how Jessica flirted with him, he didn't flirt back

But after they arrived at his place, Jessica had never taken the lead.

The excessive sexual love last night made Jessica sleep until late in the morning

When she slowly opened her eyes, she saw the handsome face with a closer look and fell in a trance for a moment.

The frenzied behaviours of them last night flooded her mind.

After twenty-two years, she just gave her virginity to a man she met by chance.

Jessica felt regret for sure. But as soon as she thought of the scene of her boyfriend sleeping with her best friend, the feeling of revenge immediately overwhelmed her regret.

Jessica moved a little, and then the man opened his eyes instantly.

He gazed at Jessica like a beast locked

upon its prey, making her a little scared.

"L... Mmm..." Jessica wanted to say something and didn't expect to be kissed by this man. His hot body pressed against her, and then he split her legs...

Chapter 3 Be His Mistress?

Jessica was carried to the bathroom by this man to take a bath. After getting dressed, a burning pain came from between her legs

"I'm leaving." Jessica glanced at the apartment where the man lived. It was not big, but very neat.

"Wait." Timothy stopped Jessica. Facing the woman's confusion, he took out a stack of hundred-dollar bills from his wallet and handed them to Jessica. "My name is Timothy Landy. I don't know the trade of your job. If it is not

enough, I'll transfer it to you."

Jessica froze because of Timothy's behavior. He must have mistaken her

for a prostitute.

There was no need to explain. She took the money from Timothy, said "Thank you" and left.

Anyway, they would never meet again.

Timothy watched Jessica leave and followed her, strangely.

He couldn't explain how he felt. He simply didn't want this woman to leave like that.

Jessica entered the elevator. When the elevator door slowly closed, a hand touched the door and it opened again.

Jessica fixed her eyes on Timothy, confused. The man asked, "How much do you want for a night?"

The woman frowned and Timothy entered the elevator. There was a great pressure in such a confined space because of him.

"I mean, I have some savings. I'm gonna keep you."

"Ahem... keep me?" Jessica choked on

her own saliva because of Timothy's words. A surprised look appeared on her pretty face. "Don't you be afraid that I'm a liar? It costs too much to keep me."

Suddenly, she didn't want to explain to this man that she was not a prostitute, but she was a little curious about what

he would do.

"Why don't you try it?" Timothy was

thinking in a simple way. As long as he made money faster than this woman could ask, he might be able to keep her for the rest of his life.

Jessica looked at Timothy as he was an idiot and finally gave him her phone number.

He did a good job that night. Anyway, she had slept for one night with him and didn't mind sleeping a few more times.

Maybe she should invite Timothy to her house so that Simon could know what felt like when his girlfriend had

sex with another man!

After leaving the apartment, Jessica

sat on a stone bench by the road and took out her cell phone to call Mrs.

Kimi.

It was quickly connected, and Mrs. Kimi said in disbelief, "Damn it, is it Jessica yourself?"

Jessica chuckled, her seductive foxy eyes extremely beautiful. "Mrs. Kimi, I'm back"

"Come back?" Mrs. Kimi paused for a few seconds, then screamed, "You mean you're going back to the

entertainment business?"

"Yes." Jessica was very sure. She had been out of the entertainment business for three years. She thought she had a perfect lover and a good friend.

Last night, she realized that she was

like a fool. Her lover cheated on her

with her best friend, and she did so many stupid things for her bestie.

She felt disgusted at the thought now.

As soon as Jessica hung up, Simon called.

Jessica hesitated for a while and finally picked up the phone.

"Jessica, you should be back from a business trip now, right?"

"Yes, what's wrong?" Jessica tried to resist the impulse to drop her phone and said calmly.

Chapter 4 He Would Definitely

"It's fine as you have come back. I was just worried that something would happen to you on the way. By the way, there's a scene in which Louise keeps on trying. It happened to be a traditional costume play that needed the heroine to wear a veil on. Go and help her. She was filming in the rain the day before yesterday, so now she was out of condition. You have finished your business trip. Do her a favour."

Simon ordered and didn't feel anything wrong with what he said.

"Then let the stand-in do it. Louise has more than ten doubles." Jessica sneered secretly. It was because she had done so many stupid things for Louise that everyone thought she was taken for granted.

Now that she knew their hypocrisy, she would no longer be used foolishly.

"Jessica, you know that this series is important to her and our company. It will have a great impact if anything is

criticized. She is your friend and an

artist in our company. You should help her either for us or you."

"Help her?" Jessica sneered and replied, "That's right. I have to help her."

Jessica deliberately emphasized the word "help". After saying that, she hung

1. up.
After she knew all the truth, she would

"help" Louise. Everything Louise had taken from her hands would be

returned tenfold.

Jessica called Mrs. Kimi again and told her everything

Kimi was annoyed. "Why is that scumbag so shameless? Is Louise worthy of you as a stand-in for her? What the hell? How can she be so shameless?"

"Mrs. Kimi, calm down," Jessica was

not furious at all.

"Don't tell me you really want to be her stand-in." Mrs. Kimi grew angry. If Jessica hadn't left the showbiz, how could Louise be in this position now?

Jessica smiled. "Since I'm back, Louise

is an enemy to me. I'll go and be her stand-in later, but I won't be foolishly used anymore."

Hearing this, Kimi relaxed. "So you seem to have a plan?"

"Well, I hope that you can help me bribe the reporters to get evidence in the film set. Louise said that she had never used a stand-in in this series."

Before Jessica could finish speaking, Mrs. Kimi became excited. "I understand."

LI

It was common to make an embarrassing event in showbiz. Louise was now a popular actress. As the saying went, "stand tall and fall hard." She used a stand-in when filming such a vital series. If that was known to the

public. Although she wouldn't be banned, her career would be affected for a while.

"Also, Louise is Simon's woman. Help

me find some paparazzi to stalk them, then I can have evidence to show when I break up with them. And my father and Louise's mother, stalk them too."

Kimi had been curious about Jessica's sudden return, but after hearing her words, she immediately understood why her attitude had changed.

It was fine if Simon and Louise were adulterers. Now that Louise might be Jessica's sister, no matter who it happened to, it would not be easy.

"Jessica, don't worry. I'll help you."

"Thank you, Mrs. Kimi" Then she took a taxi to the scene of Louise's filming.

Chapter 5 That's the Woman I Met

Mrs. Kimi was very efficient. As soon as Jessica arrived at the filming site, she saw a man glancing at her a few times and making a V gesture.

Jessica nodded slightly and walked

inside.

"Jessica, you're here?" Louise ran towards her happily and held her hand with excitement "Go put on your makeup. The director has urged me for a long time. The scene you'll shoot only needs eye contact. You don't have to say anything"

Jessica nodded and followed Louise into the dressing room.

If you gave a person candy every day,

that person would not always thank

you.

HT

But once you stopped giving her candy one day, she will hate you!

So Jessica just kept a smile on her face, even if Louise didn't plan to express her gratitude at all.

Jessica thought in her heart, "Louise, do you think I was willing to be fooled by you and Simon?"

When Jessica and Louise entered the

dressing room, Ray, who was leaning against a big stone pillar with a cigarette in his mouth, said in a surprised tone, "Mr. Landy, was she the

woman who spent an exciting night with you?"

Timothy, who had been playing with his phone, looked up at Jessica and Louise in the distance.

He saw they walked into the room arm in arm, and recognized one of them was indeed the woman who had had

sex with him.

Timothy's eyes suddenly turned cold and he ordered Ray, "Go investigate that woman. I want to know everything about her."

"Me?" Ray asked, pointing at himself.

"Is there any problem?" Timothy raised his eyebrows slightly. Ray shook his head and immediately went to investigate.

Looking

at Ray's

figure, what

happened last night became clearer and clearer in Timothy's mind.

He still remembered the woman's smooth skin and how she trembled beneath him.

Even Timothy was aroused when he remembered her voice which was like a kitten.

That woman was definitely a vixen.

Timothy said to himself, "Damn it, I fell in love with a vixen at first sight."

Timothy was a little annoyed thinking about what happened last night.

He opened the cigarette box and took out a cigarette. Before he put it in his mouth, an extremely excited voice

came into his ear.

"Young master? I don't expect I can meet you here."

Timothy looked at the man who was in his early twenties. That man was dressed in a suit and leather shoes, looking like a successful businessman.

"You've mistaken me for someone

else." Timothy's tone was faint.

Hearing Timothy's words, Jesse felt so anxious that he almost cried, "Young master, how could I have mistaken you

for someone else? Even if you turned into ashes, I could recognize you. You have."

"Shut up."

Timothy got up and walked out.

Jesse wanted to follow him, but he was stopped by Timothy's fierce and sinister eyes. "Don't follow me, and don't tell anyone to see me here today."

Jesse had always been afraid of Timothy. Even if he had disappeared for several years, Jesse's fear of him had been carved in his bones and

cannot be removed.

Now that he was warned by Timothy, his mind went blank and he didn't know what to do.

When he came back to his senses,

Timothy had left.

Jesse patted his head in frustration and muttered, "Damn it, I lost him again."

After over ten minutes, Ray found out exactly what Timothy needed.

At this moment, Timothy leaned against a big tree, listening to Ray's investigating result.
