

Chapter 4474

As for Ruoli herself, she went directly to the dock of the harbor,

Where there happened to be a cargo ship of ISU Shipping ready to return to China,

So Charlie arranged for Ruoli to leave the United States by ship first.

The cargo ship will sail directly from New York back to China's China Sea,

So under normal circumstances will cross the Panama Canal into the Pacific Ocean,

But because the voyage is too long, Ruoli can take a helicopter directly from the sea,

To Cuba when the cargo ship passes Cuba, and then from Cuba she can return to China by plane.

He made a phone call to the New York police commissioner and told him all about his suspicions and motives,

Asking him to come immediately with a search warrant for support.

The police chief was originally a little angry at his private action,

But when he heard that Ruoli was in the Fei Group and might even be related,

To the more than ten murders that occurred in New York,

He immediately sent someone to the Fei Group for support.

His and Duncan's position is the same, whether those mysterious people are doing justice for God or not,

He must catch these people, otherwise, it is a shame for the whole system.

Thus, a large number of police officers came from all over the city to support Fei's group headquarters,

Including the strongest SWAT special operations unit in the NYPD.

In order to prevent Ruoli from escaping, the police blocked,

All the entrances and exits of the Fei Group, and put heavy guards at each of them.

The other police officers checked the identity information of the people inside one by one,

And those who were checked correctly were asked to leave the scene immediately.

After everyone was checked, Ruoli was not found,

The police officers would bring life detectors and conduct a carpet search of the entire headquarters of the Group.

In order to prevent accidents, the police also informed the immigration authorities,

To classify Ruoli as an object of restricted exit.

Once she appeared at the port of entry and exit,

The powerful face recognition system would be able to identify it within one second and send an early warning to the police.

Therefore, Duncan believed that Ruoli would not be able to fly.

While the police were laying a net in the Fei Group and preparing to search for Ruoli's whereabouts,

Charlie had already arrived in New York.

Today, Sara will do the final rehearsal in the performance venue,

Tomorrow night at eight o'clock, her first concert in the United States will be officially opened in New York.

So Charlie did not rush to find her, but planned to go to Hogan's restaurant to meet him,

Talk to him about the current situation,

And also find the opportunity to ask him if he is interested in returning to China.

This time, Charlie very low-key first took a helicopter to the vicinity of Chinatown,

And then walked alone to Chinatown.

With the experience of meeting Uncle Chen's restaurant last time,

He deliberately wore a duck-tongue hat and a disposable mask this time.

When he came near the restaurant, he suddenly found that, just outside the restaurant,

A young man in his twenties reached out and grabbed a girl's cell phone from the roadside,

Then got into a black car and took off.

The girl shouted nervously after her phone was snatched:

“Please help me call 911, someone snatched my phone!”

Charlie frowned slightly but did not think much about it.

Then, he took a step to go to Uncle Chen's restaurant.

At this time, Uncle Chen pushed open the door, saw Charlie with sunglasses and mask,

With a glance through the posture and hairstyle recognized him,

So he shook his head slightly, and winked, then skipped him, said to the girl who was robbed of the phone:

“Girl do not be afraid, first come to the store to sit for a while, I will help you call the police!”
