# The Return of the God of War [The Protector]

## Chapter 3603 - 3604

In fact, Dugu Tuo was a little thankful for this force in his heart.

If there is no such power, how can he dominate the town magic division so quickly?

“That’s right! If Levi Garrison really killed him, how could he admit it? He said that if he let it go, he would definitely let it go!”

“And he didn’t take the four great artifacts in his eyes at all!”

...

It all makes sense now.

It turned out that the town magician was used as a gunman.

Become the butcher’s knife in the hands of others to kill Levi Garrison.

“But who is this force?”

“According to the current performance, this group of forces is familiar with Zhen Mosi, Xuanming Alien Race, and also familiar with Levi Garrison and the Eternal Kingdom. I can’t think of such a force!”

...

Everyone began to analyze who this force was.

For Dugu Tuo, this force did help him invisibly, and even promoted his secret plan.

But this force will definitely be found out.

Use them as guns.

That would be a big trouble.

“But such a force plays all parties in the palm of our hands, but we don’t even notice it? How did we do it?”

“Even if he is one of us, there should be some clues, right?”

Everyone began to wonder.

Dugu Tuo sighed: “I’m afraid it’s that kind of little person, standing in front of you, you will ignore it!”

“Check! From now on, all parties will secretly check this faction!”

“They must be the people of the Town Demon Division, and there will be next actions!”

“Don’t make any noise, pick out elite secrets to investigate!”

...

After Dugu Tuo ordered.

All parties began to secretly send people to investigate in the Town Magic Division.

Although this is a top secret operation.

But how powerful is Gong Qianqiu?

Got the message early on.

“What? Even the Town Demon Division suspects me! Something big has happened!”

Gong Qianqiu panicked.

This time the trouble is big.

Although she is super powerful now, it should be said that she is not afraid of everyone in the town magic division.

But if it goes on like this, many of her plans will be completely impossible.

Not only are all parties on guard, but they are still inquiring.

This greatly hindered her.

Why is this happening?

I'm too anxious!

She didn't think that Zhenmosi was going to attack the North Pavilion, but she didn't think that Levi Garrison was back.

Stealing chickens is not counterproductive.

As soon as this matter failed, all parties naturally began to doubt.

After all, this incident revealed a big clue – Levi Garrison's whereabouts!

It's something she ignored.

How could Levi Garrison's whereabouts be exposed so easily?

Now all parties dare not even approach the vicinity of Levi Garrison.

Not to mention that he knows Levi Garrison's whereabouts like the back of his hand.

That is impossible!

It exposed her instead.

As a result, the Town Magic Division is now speculating that there is a third-party force.

And they have analyzed the top ten arrogant things.

Gong Qianqiu was really pissed off.

I didn't expect such a mistake to happen in such a hurry.

The key is not to calculate the time when Levi Garrison will return.

She felt that time was enough to destroy the North Pavilion.

But still a step too late.

After all, when she went to Xiao Feng to inquire about the information, Levi Garrison had already left to go to Eternity.

Gong Qianqiu slapped his forehead fiercely.

"Right! Levi Garrison!!!"

Gong Qianqiu suddenly thought of a big thing.

Levi Garrison came back to the North Pavilion and had a head-on encounter with the masters of the Zhenmo Division.

Then he must also know about the "whereabouts" leak.

Levi Garrison has long suspected that there is another power, and is in the inquiry.

Now that the whereabouts are leaked, he will definitely suspect his own people.

After all, only he knows his whereabouts.

Will it be suspicious of Xiao Feng? ? ?

Once she suspects Xiao limelight, isn't she going to expose it?

Everything will be lost.

Gong Qianqiu panicked immediately!

But now she has nothing to do.

## Chapter 3604

Can't remind Xiao Feng at this time?

This is tantamount to exposing yourself!

There is nothing she can do.

I can only pray that Xiao Feng is not found.

After Gong Qianqiu did everything, he immediately hid.

Start preparing for what to do if Levi Garrison finds out.

Gong Qianqiu was extremely worried about this matter, and the cold sweat kept breaking out.

Waiting for the final outcome of this...

When he was worried, Levi Garrison had already arrived at the base camp.

"Boss, Master, you are back..."

Everyone started to say hello.

"Go, get everyone together!"

Levi Garrison said with a cold face.

"Ah? What's wrong?"

Although everyone was curious, they listened to Levi Garrison's words and all began to gather.

Soon, everyone gathered together.

Levi Garrison looked at them and said, "I believe in all of you, just as you believe in me!"

After hearing this, everyone felt that something was wrong.

Because Levi Garrison has never said such words.

Especially Xiao Feng's heart skipped a beat, and he was startled.

"Boss, we all know this, no need to say it!"

Azure Dragon (Qinglong) said.

"Yes, what happened to the boss, you said!"

Everyone urged.

"My whereabouts in the Eternal Kingdom were leaked, and it was known to outsiders! After receiving the news, the Town Demon Division immediately removed the North Pavilion!"

Levi Garrison said.

As soon as the words came out.

The pot exploded directly in the field.

"How? Boss, only we know your whereabouts!"

"And how long have you been gone? Did the message get out?"

"Could it be that it was leaked by our own people?"

...

Everyone began to discuss, and began to suspect each other.

But discussions come and go, everyone is reliable.

There can be no one who leaked the whereabouts.

No one will betray.

Everyone is sure of this.

Ok?

Leak whereabouts?

Xiao Feng's face suddenly changed.

When it comes to leaking Master's whereabouts, he is one of them.

But he just told Gong Qianqiu, not anyone else.

Gong Qianqiu is his woman, and this is his own.

impossible!

Levi Garrison continued: "It must not have been leaked intentionally by our own people! I am sure of this!"

Hearing Levi Garrison's words, a touch of emotion flashed in everyone's eyes.

They believe in Levi Garrison, just as Levi Garrison believes in them! ! !

"But I guess someone among us leaked it out unintentionally! After all, we are still in contact with the outside world and with the town magician! Unintentional leaking of this situation must be very likely!"

"And not far from our base camp, there are spies from all over the world. I suspect there may be unintentional leaks! Everyone think about it!"

“While I was out, did you have contact with anyone outside? Give me a thought...”

Levi Garrison said.

Everyone started trying to remember.

Levi Garrison said so.

Xiao Feng was a little flustered.

Although he firmly believes that Gong Qianqiu will never be such a person!

She is her own!

Just as important as Master!

Absolutely not!

But now if he told Gong Qianqiu, it would be equivalent to exposing her.

It was nothing to be called an enemy.

Xiao Feng was a little nervous.

Zoey Lopez suggested: “Everyone who has left the base camp during this time should stand up, so that the screening will be more accurate!”

“what?”

Hearing this, Xiao Feng became more and more nervous.

After all, I went out myself.

Still many people know.

All the others stood up straight.

Xiao Feng seemed to be very guilty, but he stood up bravely.

If he said that he was twitching again, it would be exposed.

Zoey Lopez said: "You all talk about who you met when you went out, what you talked about, and in a little more detail..."
