## Chapter 3703- 3704 – 3705

They will not be disturbed or affected by anything!

Nothing else matters to them today!

They only have one goal – to kill everyone in the Xuanming alien race to take revenge!

A firm determination won't stop anything!

kill kill kill!

Dugu Tuo's face suddenly turned pale.

I thought that the people of Zhen Mosi had been quelled, and there was still hope.

But Levi Garrison was too firm here.

There is no way at all.

"You must die today! None of you can escape!"

Xiao Feng shouted.

"Azure Dragon (Qinglong) made the five of you suffer because of my mistake that day!  
Today I must rush to the front to avenge you!"

Xiao Feng was ready to charge.

But this made Gong Qianqiu angry.

“What’s the matter with him? How much does he have? Can’t tell the difference between big and small?”

“If there is no Levi Garrison, what will he take for revenge? Levi Garrison stands behind him, showing off his power like this, as if he did everything!”

“Useless rubbish, only pretending to be arrogant and arrogant!”

...

Now that Xiao Feng has no use value, Gong Qianqiu really hates Xiao Feng.

Just hot eyes.

Xiao Feng became more and more despised.

I feel bad everywhere.

So disgusting.

Originally, Gong Qianqiu just didn’t feel it, but now it’s all disgusting and disgusting.

Poor Xiao Feng still doesn’t know.

Master Bone nodded: “I’ve never seen such a confident man! It’s ridiculous!”

...

“kill!!!”

Xiao Feng was the first to kill in the field.

Following Levilia, Zoey Lopez and the others also followed.

The Azure Dragon (Qinglong) five also rushed out, even if their strength is completely inadequate now.

But there is a heart for revenge!

“kill!”

Zhen Mosi finally moved.

This is a good opportunity to get rid of the Xuanming alien race.

If not at this time, when will it be?

Must be done.

As for the power that Dugu Tuo said.

Levi Garrison is there.

They believe that nothing will happen!

“Kill it out! Everyone follow me and kill it!”

Dugu Tuo and the others also knew that this battle was inevitable.

Just start killing.

Experts from the Xuanming alien race and the various alien races were dispatched one after another to confront them.

“Protect the young master! Be sure to protect it!”

“Everyone can die, but the young master must leave!”

Most of the experts of the Xuanming alien race still guard around Duguxiao.

After all, he is the common bloodline of Xuanming alien race and Senluo alien race.

If he kills him, the blood of the two families is still there.

There is still hope.

However, Xiao Feng, Azure Dragon (Qinglong) and others rushed directly to Duguxiao!

Levi Garrison was also dispatched.

He protected the five Azure Dragon (Qinglong) people around him and forcibly made a way for them.

After all, the five Azure Dragon (Qinglong) people have just recovered and their strength is limited.

If you come by yourself, there is absolutely no way to get revenge.

He can only do it for them.

An unprecedented war broke out.

This is something that most people of Zhenmosi and Xuanming aliens have never experienced.

In the past, the two sides were fighting almost all the time.

It's like a regular meal.

But now I can't see it!

Not to mention the experience.

This is the first time in many people's memory that there is such a big battle!

Gong Qianqiu in the distance immediately smiled.

All of this was carefully planned by her.

Everyone below is her pawn.

This kind of feeling of playing with people in the palm of the hand is really cool!

The key is like Levi Garrison, who clearly knows that he is a chess piece, but still steps into the chess game, leaving it at the mercy of Gong Qianqiu.

What a fulfilling thing this is.

“Fight! Kill! Hahaha...kill! Kill all the people I hate!”

Gong Qianqiu gradually became crazy.

She really enjoyed watching other people kill.

She’s going to be immersed in it.

At this time, Master Bone suddenly asked: “You said, will Levi Garrison find us?”

As soon as this sentence came out, the smile on Gong Qianqiu’s face disappeared immediately.

Even his expression was a little frozen.

This made the Bone Master realize that he had said the wrong thing.

Just about to apologize, but I heard Gong Qianqiu say: “It doesn’t matter if you find it or not!”

“If I came alone, he would never find it! But with you, he probably found you long ago!”

Suddenly, Master Bone panicked: “Ah? I’ve already been discovered?”

In fact, he also has a shadow on Levi Garrison.

The last time outside the Demon Suppression Tower, he took the initiative to divert Levi Garrison away and was almost caught.

“But it doesn’t matter! Even if he discovers you and me now, he won’t care! He will only avenge his brother!”

"By the time he was looking for us, we had already left. In other words, with me here, don't be afraid of him!"

Gong Qianqiu looked confident.

She used to be afraid of Levi Garrison.

But now she has enough confidence to face Levi Garrison.

You won't be afraid of a face-to-face encounter.

She felt that she could kill Levi Garrison.

It just won't be so easy.

Afraid of the impossible!

Even Gong Qianqiu observed the situation in the field, thinking about what she would do later?

Do you want to help a group of Xuanming aliens?

Or help Levi Garrison?

A terrifying battle has begun.

The two sides have killed each other.

The alien powerhouses and the Zhenmosi powerhouses encountered each other, and the two sides were evenly matched.

After all, it has been fighting for hundreds of years.

Neither has won or lost.

The strength is equal.

But when the aliens meet Levi Garrison's madmen, it's not that easy to deal with.

Even a Xiao Feng must be described as brave and invincible.

His talent is high, and he has practiced Levilia's exercises, and the whole person rushes to the front.

Even against the top experts of different races.

Others have also greatly improved their strength because of practicing Levilia's exercises.

In the melee with the aliens, the two sides have almost the same chance of winning.

But when it came to Levilia, the situation was different.

Levilia is too strong.

Although she did not cultivate in the way that Gong Qianqiu swallowed.

But her improvement speed is super super fast.

has reached the top level.

I directly fought with Dugu Tuo and the first lady.

"It's terrifying! It's improving too fast, faster than I thought!"

Even Gong Qianqiu, who was watching the battle in the dark, couldn't help but stunned.

I thought she was definitely leaving Levilia far behind!

As a result, looking at it now, she is not slow to improve.

Much faster than I imagined.

If given time, she will definitely grow up.

Even Gong Qianqiu understood that Levilia's upper limit must be higher than hers.

She just devours a lot now.

Once Levilia also turns on Devouring Mode, she is far inferior.

After all, this Gongfa Levilia created by himself is more thorough than hers.

And she herself is devouring the spirit root spirit bone.

genuine!

How can I compare to this fake fake of my own!

But then, Gong Qianqiu's eyes were cold, and a bloodthirsty smile appeared on the corner of his mouth.

Unfortunately, talent is talent after all.

Before the talent has been realized, it is only on paper.

Levilia has absolutely no chance to grow to the point where he threatens himself.

Soon after, she will kill Levi Garrison herself.

Levilia will not let go.

Just wipe it out before she grows up!

All talents that have no chance of being realized are useless at all.

It's like Levilia is so talented now.

It is estimated that the strongest is Dugu Tuo.

And Yufeng Tiansi, who Dugu Tuo is most afraid of, is full of ants in Gong Qianqiu.

Not to mention Levilia.

Of course, the core of the battlefield at this moment is the Azure Dragon (Qinglong) five.

To be precise, it was Levi Garrison who was protecting them.

The six-man team was simply invincible.

Along the way, an alien corpse was left in an instant.

Hundreds of...

Thousands of...

More and more alien masters fell.

No matter what they show, they can't stop Levi Garrison!
