This Time, I Will Get My Divorce, Mr Chapter 565 - 566

Chapter 565 Sowing Discord

"Sonia?" Will felt this name was somewhat familiar. He pondered on it before he immediately thought of something and suddenly clapped his hands. "So, you are the friend whom my fiancée has mentioned to me, and also the lady that President Fuller spoke briefly about before. Nice to meet you."

Then, he extended his hand toward Sonia. She looked at his hand with a frown, somewhat not wanting to engage in a handshake. However, she was not Toby who could simply ignore the other party. Thus, she had to shake Will's hand to avoid offending him. Otherwise, he might cause her trouble, especially now that they were abroad and in his territory.

A helpless Sonia forced a smile as she extended her hand to take Will's proffered hand.

At this moment, Toby suddenly reached over and gently pressed her hand down, preventing her from shaking Will's hand. When she looked at Toby in surprise, he shook his head at her and looked at Will before explaining, "It's not necessary to shake hands."

Will suddenly reacted by laughing when he saw Toby's dominance. "Sorry, I wasn't being courteous and forgot the relationship between you and Miss Reed. I hope you don't mind, President Fuller." After he said those words, he hurriedly lowered his hand.

While listening to Will's words, Sonia pursed her lips. He must have understood the nature of my relationship with Toby since he thought we were a couple. However, Sonia didn't clear the air by telling the truth. After all, Toby had just helped her avoid shaking hands with Will, so she couldn't possibly not show Toby some respect.

"Alright, what do you want?" Toby removed his hand from Sonia's wrist and looked at Will before asking in an indifferent tone.

Will waved his hand. "It's nothing. It's just that I saw you here, President Fuller, so I came over to say hello to you."

"In that case, we should go now that we have exchanged pleasantries." After saying that, Toby pulled the car door open again.

Now that Jessica noticed Sonia and the others leaving, she hurriedly said after keeping silent with a decent smile earlier, "Wait a minute."

As a result of that, Sonia and Toby stopped in their tracks. As for Will, he admonished Jessica with a hard face, "What are you doing?"

Jessica feigned that she hadn't heard Will's words and didn't spare him a glance. After taking a deep breath, she took a step forward and put on what she thought was her most beautiful smile before addressing Toby with a soft, delicate voice, "How could you guys just leave? I haven't introduced myself yet. My name is Jess—"

"There's no need to since we're not interested." Before Jessica could even finish with her introduction, Toby had directly interrupted her with an impatient tone.

The smile on Jessica's face stiffened as she never expected that he wouldn't show due respect for her feelings. She was embarrassed and exasperated at that moment since she didn't know how to continue with the conversation as she stood there.

When she saw that Jessica was upset, Sonia felt especially pleased and looked at Toby with approval before mouthing, "Well done."

As Toby never expected Sonia to praise him, he simply chuckled. The moment that Jessica saw their interaction, it gave rise to her jealousy. She clenched her fists and spoke again, "Sonia, since you're my dear sister, why won't you introduce me to this gentleman?"

"Sister?" Will froze as his gaze alternated between Jessica and Sonia. "You two are... sisters?!"

"Yes, Will. Sonia and I are biological sisters." Jessica looked at the outraged Sonia and gently stroked her hair with a smug. Since Toby was unwilling to listen to her self-introduction, surely he wouldn't refuse to listen if she dragged Sonia along, right? No matter what, I must make this man remember my name today!

"Oh, that's right," a surprised Will added. "This lady is Sonia Reed whereas you are Jessica Reed. You guys share the same last name, which means that you are really sisters."

“Of course we are. We’re half-sisters from the same father.”

“Sorry, we are not sisters. I can’t acknowledge someone who doesn’t even recognize her own father as my sister,” Sonia coldly replied as she furrowed her eyebrows.

It was only then that Will realized that the pair of sisters never exchanged a single greeting since the moment they met earlier. Since they were avoiding speaking to each other, it seemed like they had an acrimonious relationship.

“How can you say that, Sonia?” An aggrieved Jessica stared at Sonia and asked, “Since when have I not acknowledged our father? Why do you want to accuse me of such a thing and wrong me?”

“I have wronged you?” Sonia pointed at herself and laughed in exasperation.

Toby rested his hand on her shoulder and gently patted her, indicating to her not to be angry. Then, he lowered his head to look at Jessica like an eagle visually marking an ant, “Sonia never lies. If she says those words, it must be true.”

“Sir, how can you misunderstand me based on my sister’s words? I am my father’s daughter, so how can I not acknowledge him? You must have misunderstood me from my actions. Maybe it’s because our father died many years ago and I didn’t return to pay my respects to him, so you...”

With that, Jessica lowered her head, tears swimming in her eyes.

Sonia felt an oncoming headache and interrupted, “Enough! You don’t need to put on an act here as I don’t buy it. You’re simply disgusting. Let’s go.” She glanced at Toby, who responded with a slight nod before he opened the car door once again.

When Jessica saw this, she secretly gritted her teeth. Are you going to leave? No way!

She hadn’t even chatted with this handsome man and sowed discord between him and Sonia yet, so how could she let them leave?

“Sonia!” She shouted in a hurry, “We haven’t seen each other for so long. How about looking for a place to have a good chat?”

She walked toward Sonia and stretched her hand in an attempt to pull Sonia's arm. When Sonia noticed what Jessica was doing, she lifted her arm to avoid coming into contact with Jessica. However, at this moment, Jessica suddenly screamed and fell to the ground at once, thereafter bruising her arm.

"Sonia, why did you push me?" She held her arm and raised her head to look at Sonia with disbelief and hurt, as if Sonia was the most evil person.

The corners of Sonia's mouth twitched in response. "Do you believe me when I say I didn't touch her?"

She looked at the man beside her, who nodded with his slightly curved thin lips. "Of course."

His unhesitating answer made Sonia feel extremely satisfied. After that, she turned to look at Jessica. "You said I pushed you, right?"

Jessica lowered her head and retorted, "It's impossible for me to fall by myself."

She was clearly implying that it was Sonia who pushed her down. Sonia was furious and narrowed her eyes. "Since you have said so, then wouldn't it be a waste if I didn't actually push you to prove your accusation?"

"W-What are you going to do?" Jessica's heart suddenly raced as a sense of foreboding rose in her when Sonia's tone and expression made her recollect what happened back in the restroom.

"What am I going to do? Of course I'm going to push you!" Upon saying that, Sonia bent down to pull Jessica up from the ground before forcefully shoving Jessica's shoulder. Her action had caused Jessica to stumble and fall heavily onto the ground, which had shocked Jessica to the point where she forgot to yell in pain.

It was only after a while that she reacted and howled in pain with a contorted face. "Sonia! You—"

She never expected that Sonia would actually dare to push her!

"What about me?" Sonia remained in front of Jessica and looked at her with the same gaze as Toby earlier. "Jessica, you are really something. Normal people will keep a distance from

those whom they know dislike them, but you are different. You are clearly aware that I do not like you, yet you still have the nerve to approach us for a chat. Aren't you a self-imposed wh*re?"

"You!" Jessica's face was red with anger. To her side, Will looked at the overbearing Sonia and couldn't help but swallow his saliva. God, this woman looks like a good girl on the outside, but I didn't expect her to be a tough cookie. How could President Fuller fancy such a harsh woman?

He shot a glance at Toby, but noticed that Toby was looking at Sonia with pride. Will's mouth instantly twitched. Well, President Fuller's taste is indeed unique. He likes such a woman. Besides, looking at how he supports that woman to physically attack others, I'm afraid that he would help to cover the crime if this woman really kills someone, right?

This Time, I Will Get My Divorce, Mr Chapter 566

Chapter 566 Teaching Jessica a Lesson

As he thought about this, Will took a step back and retreated from these people. He had already witnessed that Jessica, who claimed to have loved him, was merely a gold digger. Now that she had encountered someone better-looking and richer than him, she immediately ignored Will and fixed her gaze on Toby, wishing nothing more than to be with Toby. Unfortunately, she was unaware that Toby was most disgusted by women like her.

Thus, Will wanted to see how Toby and Sonia would punish her.

After shoving Jessica aside, Sonia retreated to Toby's side. Toby took her hand and held it close to his eyes as he carefully checked her paw.

A puzzled Sonia then asked, "What's wrong?"

"Let me check whether your hand is injured." Toby turned her hand over.

She laughed. "How could it be injured?" There isn't any knife or anything similar that could have hurt me either.

Sonia was ready to withdraw her hand when Toby grabbed her hand and refused to let go of it. "Don't move! Even if you're not hurt, you still need to clean it. You just touched something dirty, so there will be germs."

With that, he pulled out the decorative handkerchief from his left breast pocket and wiped her hand.

She was amused by his action, but didn't pull her hand away and merely allowed him to do it instead.

As for Jessica, who was still on the ground, she was so angry that her nails dug deep into the flesh of her palms. She was so furious because the man had actually said that she was dirty and filled with germs! When Will heard that, he almost broke into a loud laughter. Sure enough, he knew that she would be punished by Toby and Sonia.

"Excuse me, sir."

Jessica took a deep breath to suppress the anger in her heart before the corners of her mouth squeezed downward to indicate her faux sadness as she looked at Toby. "How can you say that? My sister pushed me to the ground. Not only did you not speak up for me, you suggested that I have germs instead. You've gone overboard—"

"Who are you to me?" Toby finished wiping Sonia's hand and released it while he coldly spoke to Jessica.

With an undisguised disgust in his voice, he continued, "Why should I speak up for you?"

"I..." Jessica choked and was suddenly unable to speak as her face paled before it reddened. Soon after, she calmed down. As she covered her bruised arm, she stood up from the ground and bowed her head to say, "I know that I have no relationship with you, sir. However, even a stranger would also step forward to speak for the victim in the face of such a situation. Thus, you shouldn't defend my sister just because you are together with her."

A speechless Toby was stunned. What the hell is this woman talking about? Sonia is my woman, so who should I defend if not her? This woman is really mentally afflicted!

With that thought, Toby pursed his lips and icily replied, "Your sister is my woman. What's wrong with me defending her?"

His words caused Sonia's head to shoot up as she looked at him. "You—"

"What's wrong?" He turned to look at her, his expression and voice becoming gentle all of a sudden.

She lowered her eyes to avoid his line of sight and shook her head. "Nothing." If he wants to say that, so be it. I can't go against him in front of Jessica. What's more, when he said those words, he was also helping me out.

"Sir, you can't do this." Jessica looked up at Toby with a face of righteousness. "I know that my sister is your woman and you should defend her, but her character is too..."

She cautiously glanced at Sonia as if she was afraid that Sonia would be angered. Then, she hurriedly withdrew her gaze to lower her head again and continued, "Her character is too domineering and she likes to bully others, so if you defend her like this for no reason, it will only encourage her temper and cause her character to worsen. Soon, she will certainly get into big trouble."

After hearing Jessica's words of sullyng and rumormongering, Sonia was about to explode with anger. She squeezed her palms and was about to rush forward to argue with her when Toby suddenly stretched out with his arm in front of her and shook his head, indicating for her to calm down first.

"Leave it to me." He looked at Sonia.

When Sonia saw from his gaze that he meant business, her heart inexplicably calmed down and she nodded. "Okay."

Toby lowered his hand and turned to Jessica, his eyes cold without a trace of emotion. "You said that Sonia has a domineering character and likes to bully people. So, do tell me, who did she bully?"

Jessica gripped the corner of her clothes and responded, "S-She liked to bully me since I was young. I grew up under her mistreatment, which is why I couldn't resist escaping from the Reed Family 6 years ago. I happened to see my sister in the restroom today and I was

even excited to greet her, thinking that we haven't seen each other for 6 years. She should've been happy to see me, but I didn't expect that she would still harass me. In fact, she held my head underwater in the sink and tried to drown me."

Speaking of that, she wiped her teary eyes as she had actually cried.

A surprised Toby looked at Sonia, as if asking whether she had really done such a thing.

Sonia's red lips moved but she did not speak, thereby admitting that she held Jessica's head underwater. It was only then that Toby understood why she had spent such a long time in the restroom—she was taking out the garbage.

Next, he withdrew his eyes and looked at Jessica again. "Since Sonia had treated you this way, it means you must have done something wrong and angered her. Otherwise, why would she have done such a thing when she's a kind person?"

The corners of Sonia's lips curled upward as she was entertained by his words.

"Huh?" When Jessica heard this, she stopped crying and let out a strange sound instead. She looked at Toby incredulously; she was obviously unable to believe that he had actually defended Sonia to such an extent. Generally, whenever a man heard that their female companion had been so unkind as to hold people underwater, they would reckon that the woman was extremely vicious and be displeased by that fact. Will was such an example, but how was Toby so different with such an unreal behavior?

However, it was exactly this behavior of Toby's that made Jessica even more determined to snatch him from Sonia's grasp and tear their relationship apart. In short, as long as Sonia had something or someone, Jessica wanted a piece of it!

When she thought about this, Jessica spoke again, "No, sir, I didn't do anything wrong. I just—"

"That's enough!" Toby impatiently retorted. "You don't need to say anything else to me. I don't even know you, so what makes you think I'll believe your words rather than my own eyes? Wouldn't I know what kind of person Sonia is? Do I need you to tell me? You said that Sonia bullied you as a child, but why did I hear that it was you who bullied her as a child?"

"I didn't!" Jessica's expression changed and she hurriedly shook her head to deny the fact.

However, in her heart, she was wondering how Toby knew the truth. Was it Sonia who told him? No, he said that he didn't know her in the past, so how could Sonia have told him something about her?

"You'll know best about that." Toby held Sonia's hand in a comfortable manner and repeated, "In the past, you bullied her, but I couldn't help her at that time. Now, before you even dare to harm her again, you should think carefully whether you can afford the consequences. Besides, you kept badmouthing Sonia and made her out to be someone vicious, but I'm afraid you forgot that you two are sisters by blood. Do you really think others can't tell what kind of a person you are when you spread rumors and smear your own sister in front of outsiders like this?"
