The Return of the God of War [The Protector] Chapter 3773 - 3778

To be honest, the increasing strength of the mysterious woman has given him an unprecedented sense of crisis.

Self-improvement appears to be imminent.

Now that there is a feasible plan, Levi Garrison is also very happy.

Secondly, you can also use the super spiritual veins under the Town Demon Division and the Atlantis plan.

The mysterious woman with the super spiritual vein in front of her can't use it, but she can.

You can even use three spiritual veins to quench your body.

At that time, the strength will increase, and it will be more certain to deal with the mysterious woman.

Levi Garrison smiled.

Can come up with such a solution at a critical moment.

Although Levi Garrison uses basic exercises, mainly to strengthen strength and speed, it is relatively slow to practice.

But if Levi Garrison chose to fight with his life, the effect would be completely different.

It can also be greatly improved in a short period of time.

It's just that this increases the training intensity, increases the training intensity, and sets the level of life and death.

Even fighting against three super spiritual veins is almost at risk of death.

If he can't resist the impact of the super spiritual vein, he will surely die.

However, once it is resisted, the strength will take off directly.

Levi Garrison made up his mind and hurried to the base camp.

After all, chain quenching cannot be accomplished in a short time.

Before that, you must arrange things at home properly so that you can have no worries.

Of course, Levi Garrison was also worried that the mysterious woman would attack the base camp again in this gap.

Levi Garrison rushed back non-stop along the way.

"Mysterious woman, wait for Lao Tzu, and then I will give you a big surprise."

Levi Garrison sneered in his heart.

After Xiao Feng returned to the base camp, he was elated, looking for energy everywhere to devour it.

Having tasted the sweetness, he became out of control.

The extreme devouring technique made Xiao Feng's cultivation progress by leaps and bounds.

Of course, the main reason for Xiao Feng's good mood is that Gong Qianqiu's various suspicions have been eliminated.

The previous depression and contradictions were gone.

Xiao Feng really felt an unprecedented ease.

Even with a smile on his face all the time.

At the same time, Phoenix and others found a key piece of information.

That mysterious force is called Qianqiu Sect.

Azure Dragon (Qinglong) and others directly contacted Gong Qianqiu.

“We must have a showdown with Xiao Feng, he must have something to hide from us.” Kirin said solemnly.

Phoenix and the others nodded in agreement.

Although Xiao Feng made a poisonous oath in front of everyone last time, he was willing to die for Gong Qianqiu.

In order to cover Gong Qianqiu’s poisonous oath, wouldn’t it be more psychologically stressful?

Azure Dragon (Qinglong) and others made up their minds and directly found Xiao Feng who was cultivating crazily.

“Xiao Feng, do you know that the mysterious force is called Qianqiu Sect?”

“We don’t need to say more, you know why?”

Phoenix went straight to the point and went straight to the showdown.

“I don’t understand what you’re talking about.”

Although he was a little surprised, Xiao Feng pretended to be stupid on the surface.

Of course, Xiao Feng had his reasons for doing so.

Xiao Feng just saw Gong Qianqiu not long ago, and all the previous suspicions were explained clearly.

Even Qianqiu Church is easily associated with Gong Qianqiu.

But Xiao Feng still thinks this is just a coincidence.

Moreover, he personally tested Gong Qianqiu's strength, and compared with that mysterious woman, it was simply a cloud and mud.

How could a weak woman who can't even beat herself be the mysterious female leader who devoured the spiritual veins of the two alien races?

"Xiao Feng, stop being obsessed with understanding, okay?"

"Yes, Xiao Feng, the leader of this Qianqiu religion is Gong Qianqiu."

"Besides, you'd better tell the truth, have you disclosed the exact location of the underground base to Gong Qianqiu?"

Azure Dragon (Qinglong) and others' repeated pressing questions directly made Xiao Feng a little annoyed.

"You better have more solid evidence, otherwise don't blame me for being rude to you."

Xiao Feng said coldly.

The Return of the God of War [The Protector] Chapter 3774

Xiao Feng was really angry.

If there are overlapping parts of the names, they arbitrarily think it is Gong Qianqiu?

There are thousands of people with the same name and surname in the world?

What's more, Qianqiu Jiao means that the mysterious woman wants to be forever and forever to dominate.

Why did it involve Gong Qianqiu?

It's just too much.

"Xiao Feng, we are here for your own good, Gong Qianqiu is really not a good woman."

"If you continue to be so obsessed with it, you will probably hurt everyone."

"It can even put the boss in a dangerous situation."

Phoenix said earnestly.

"I'm still saying that. There is no reference to random suspicion."

"If you have the ability, you can find conclusive evidence to slap me in the face."

"Otherwise shut up for me."

Xiao Feng's tone became colder.

In his heart, no one can slander Gong Qianqiu's reputation.

Not to mention Phoenix, even if the master came, he couldn't speculate and slander it for no reason.

"You're really hopeless."

"Do you really wait until everyone or even the boss is in crisis before you can wake up?"

The anger in Azure Dragon (Qinglong)'s heart could not be suppressed.

In fact, if it wasn't for Levi Garrison's face, he would not have persuaded so hard.

It's more effective to hit him directly, maybe he can wake him up?

“Azure Dragon (Qinglong) Phoenix, I warn you guys not to spread this so-called speculation indiscriminately.”

“Once the harmony of the base camp is destroyed, and the relationship between me and Master is destroyed, I will find you desperately.”

“Trust me, you are no match for me now.”

Xiao Feng’s face was gloomy, and he suddenly released a terrifying energy coercion.

It even carries the murderous aura of Sen Leng.

This really startled the five Azure Dragon (Qinglong) people.

First of all, Xiao Feng’s attitude was so tough that he was even a little reckless.

Furthermore, Xiao Feng’s strength has increased to such a terrifying level?

Of course, the most important thing is that they also have no conclusive evidence.

Although various signs and related information point to Gong Qianqiu.

But you didn’t really see that Gong Qianqiu was the leader of Qianqiu Sect.

If you tell Levi Garrison rashly, it may really hurt the relationship between master and apprentice and the harmony of the base camp.

The situation in the base camp is very serious now.

If there are more internal worries, wouldn’t it make the situation in the base camp worse?

If it weren’t for Gong Qianqiu, it would be troublesome.

Seeing Phoenix and the others remain silent, Xiao Feng became even more excited.

“Don’t worry, I will bring Qianqiu to see Master soon.”

“At that time, all the suspicions on Qianqiu’s body will be eliminated.”

“You can shut up completely.”

Xiao Feng was even a little proud, if he hadn’t found Gong Qianqiu in advance to confirm.

It is really possible that the words of Phoenix and the others will lead to the rhythm.

At that time, there will be a greater misunderstanding of Qianqiu.

Isn’t that a crime!

“Xiao Feng, do it yourself!”

Azure Dragon (Qinglong) left a sentence and turned around and left with the others.

“Ho!”

Looking at the backs of the five Azure Dragon (Qinglong) people, Xiao Feng dismissed them.

“When I bring Qianqiu over to see Master, everything will be revealed.”

“Let’s see if you dare to make noise again!”

Xiao Feng slandered.

In fact, this has also become the driving force for Xiao Feng to become stronger.

Only with super strength can he have a greater right to speak in the base camp and in front of the master.

At that time, everyone will listen carefully to his suggestions and opinions, or even adopt them directly.

Xiao Feng's mind is now full of extreme devouring all kinds of energy.

the other side.

Phoenix and others were also a little hesitant to leave.

Although Xiao Feng's attitude was very bad, he had to admit that what he said was very reasonable.

The stakes are very important, and there is no conclusive evidence to identify Gong Qianqiu.

It is likely to cause unnecessary misunderstanding and estrangement.

"I think it is necessary to inform the boss that this kind of thing is better to be blamed and not let go."

Phoenix took the lead.

The Return of the God of War [The Protector] Chapter 3775

The other four stopped.

"Phoenix, is it wrong to tell the boss directly?"

"After all, we have no solid evidence. Once Gong Qianqiu is wrongly blamed, it will definitely affect the master-disciple relationship between the boss and Xiao Feng."

"Xiao Feng is very thoughtful. If he really hates the boss because of this incident, he will have endless troubles!"

"Why don't we dig deeper into Qianqiu Jiao, and it's not too late to find out the direct evidence."

Phoenix seriously considered everyone's words.

But now the situation is special, and there is no room for sloppiness.

If irreversible consequences are caused by not speaking, is it not regrettable?

What's more, you can only tell Levi Garrison this woman and the existence of Qianqiu Sect.

As for whether the mysterious leader is Gong Qianqiu himself, let the boss decide for himself.

Of course, as long as this matter is told, no matter what Levi Garrison does next, he will offend Xiao Feng to death.

In all fairness, apart from his obsession with Gong Qianqiu, Xiao Feng is impeccable in other aspects.

It is the apprentice most valued by the boss, and is also regarded as an excellent assistant.

Once there is a gap, it is very difficult to repair.

"It's really confusing!"

Phoenix's mood was extremely conflicted.

"Phoenix, are you okay?"

Azure Dragon (Qinglong) asked with concern.

Phoenix's face just now was very ugly.

"It's okay, I've made a decision."

Phoenix paused and continued: "Remember, this matter has nothing to do with you, it's all my own opinion."

"I am willing to bear all the consequences!"

After Phoenix turned around and left, Azure Dragon (Qinglong) and others were a little confused at first.

But the deeper meaning of the sentence soon became apparent.

This is to inform the boss of Qianqiu's situation!

After a fierce ideological struggle, Phoenix finally decided to inform Levi Garrison.

There is no turning back when opening the bow. Since she chose to showdown, she will bear the consequences alone.

Soon Phoenix found Levi Garrison.

"Boss, I..."

Before Phoenix finished speaking, Levi Garrison interrupted first:

"Phoenix, I have more important things to do now, come back and talk about it!"

Phoenix was immediately stunned, and when she came back to her senses, Levi Garrison had already left.

"The boss looks in a hurry, what is this for?"

Phoenix was a little depressed, and organized language for a long time, but he had no chance to speak.

She didn't know that Levi Garrison was now full of three super spiritual meridians.

He is racking his brains to find a way to settle his relatives and friends without worries.

In this way, you can rest assured to use the super spiritual pulse to quench the body.

The limit of extreme engulfment annoys her very much.

Although Gong Qianqiu has chosen Tianshi Mansion, she does not intend to let more people know.

In particular, Gong Qianqiu felt that Levi Garrison was likely to judge that he had reached the limit of swallowing.

Such control of the Tianshi Mansion can only be done in secret.

The more secretive the better.

Otherwise, once Levi Garrison or Zhen Mosi know about it, they will definitely make trouble.

And the strength of Tianshifu is very powerful, if you want to completely control it silently.

It also takes a long-term view and a well-planned, foolproof plan.

It can't be done in a short period of time.

And Gong Qianqiu also noticed that there were a few more eyeliners around the West Pavilion.

It is understood that it is the eyeliner sent by Levi Garrison's subordinates.

Xiao Feng may not directly say that he will return to the West Pavilion.

But once someone has doubts about themselves, they will definitely take this opportunity to investigate further.

These little fish and shrimp are really bold.

If it wasn't for this sect master who needed to temporarily hide his identity, he would have sent you to the gate of hell.

"No, these people are a disaster after all."

“Why don’t you get a golden cicada to escape?”

The corner of Gong Qianqiu’s mouth rose slightly, and he already had a plan in his heart.

“So let’s divert everyone’s attention first!”

Gong Qianqiu’s thoughts turned quickly, and he said faintly:

“For example, the blood washing of the West Pavilion will cause chaos, so it will be more beneficial for me to fish in troubled waters.”

The Return of the God of War [The Protector] Chapter 3776

Gong Qianqiu made up his mind and began to implement the plan.

She was originally in the West Pavilion, and in the eyes of the elite disciples, she was an insignificant person.

Usually, not too many people pay attention to her Gong Qianqiu’s movements.

Because of this, Gong Qianqiu quietly mobilized Duguxiao and some dead men.

In cooperation with the internal response of the Qianqiu Sect of the West Pavilion, the communication between the West Pavilion and the outside world was cut off.

After confirming that everything was ready, Gong Qianqiu walked directly to the main hall of the West Pavilion.

The main hall is heavily guarded, which can almost be described as five steps, one post and ten steps and one post.

Because this is the core of the West Pavilion, there are many top-secret exercises in the West Pavilion.

It is also the base camp where the pavilion master sits.

“Gong Qianqiu, what are you doing here?”

The guard asked in a cold tone.

Gong Qianqiu said with a smile: “I have something to do with the pavilion owner.”

“Nonsense, the pavilion master did not call anyone over today.”

“A nameless junior actually came here to make trouble.”

“Leave quickly, or don’t blame me for being rude to you.”

Several guards followed to drive away Gong Qianqiu.

Don’t look at Gong Qianqiu’s lack of strength in their eyes, but they are very jealous of her appearance.

In particular, I can’t stand it or I am a little envious of Gong Qianqiu’s way of dealing with men.

So seize the opportunity and speak coldly to Gong Qianqiu.

“Or this superior sense of superiority, where do you get your confidence?”

Gong Qianqiu said jokingly.

The guards were slightly startled, and before they had time to react, Gong Qianqiu’s figure had disappeared from everyone’s sight.

“go to hell!”

A cold voice sounded after itself.

The captain of the guard couldn't dodge in time, and was directly covered by a violent force.

Not even a single sound came out, and it turned into a cloud of blood.

"It's a waste of air to live with garbage like this."

Gong Qianqiu said coldly.

The other members of the escort team were completely stunned.

They never thought that the eyesight of the originally insignificant little people would be so terrifying.

The captain of the guard was instantly killed without even catching a single move.

The escort was attacked, which directly triggered a chain reaction.

Other guards arrived one after another and surrounded Gong Qianqiu in a storm.

"It's good to come, just to send you back to the west together, so that you won't be lonely on Huangquan Road."

"Am I kind enough?"

Before the words fell, Gong Qianqiu suddenly released the breath in his body.

A powerful and terrifying energy coercion instantly spread out.

The storm that was simply driven by the breath sent many people flying out.

Everyone was shocked.

Especially those elite disciples of the West Pavilion who despised Gong Qianqiu before.

At this moment, he was scared to death.

"She is so strong?"

“What’s the matter, go back and inform the pavilion master.”

All the people left.

“Want to run, how can it be so easy?”

Gong Qianqiu quickly swept out and patted the back of the last two guards.

Bang bang!

Two blood mists rose, and they didn’t have time to make any sound.

Gong Qianqiu is like a tiger entering a flock of sheep, and screams come and go wherever he goes.

The stump and the broken arm are flying everywhere.

All the elite disciples of the West Pavilion were completely frightened.

They wanted to flee, but under the pressure of terrifying energy, their legs seemed to be filled with lead.

Difficult to move an inch.

“Isn’t it arrogant before?”

Gong Qianqiu buckled a guard’s neck and exerted a little force.

Gaba!

The sound of broken bones sounded.

The neck appeared at a nearly ninety-degree angle.

The female guard was dead, and the fear in her eyes did not fade away for a long time.

“A group of ants!”

Gong Qianqiu was full of disdain.

When he raised his hand, two fists roared out, and the backs of two others sank.

After struggling for a long time, he died.

“That’s it?”

Gong Qianqiu snorted coldly, and the emotions accumulated over the years were completely released at this moment.

She wants to turn the entire West Pavilion into Shura Hell.

“Gong Qianqiu, stop!”

At this moment, a cold female voice came.

The Return of the God of War [The Protector] Chapter 3777

Gong Qianqiu followed the voice and saw a woman in a white dress coming quickly.

“Isn’t this Senior Sister Shuangxue! How does this Pavilion Master feel?”

Gong Qianqiu joked.

Looking at the stumps, broken arms and corpses in miserable condition everywhere in the courtyard.

Fu Shuangxue gasped, she could feel Gong Qianqiu’s strength.

Not to mention his own strength, even Gong Wenqian, the master at that time, was probably far behind.

But she, Fu Shuangxue, is now the master of the West Pavilion. If she doesn't stand up, I'm afraid no one will be able to live today.

"Gong Qianqiu, these people are all your sects, why do you want to kill so much?"

Fu Shuangxue asked in confusion.

"Why?"

Gong Qianqiu sneered twice and said: "When these people humiliated and ran on, did you remember that I was the same family?"

"Now that you are dying, and you want me to remember the love of the same family?"

"Double-standard dog has achieved such a degree, that's you, right?"

The words made Fu Shuangxue speechless.

Before, they really did not run on Gong Qianqiu less often.

Whether in terms of cultivation resources, or verbal abuse and slander.

"Gong Qianqiu, what do you want?" Fu Shuangxue asked in a deep voice.

Gong Qianqiu smiled and said: "Of course, it is to kill all the villains who are in front of you and behind the scenes!"

"you....."

Fu Shuangxue wanted to scold, but considering the disparity in strength between them.

Once scolded, it can only anger Gong Qianqiu to a greater extent.

Then the consequences are even more unimaginable.

“Just mention what conditions you have. If you want, I am willing to give you the position of pavilion master.”

Fu Shuangxue now only wants to stabilize Gong Qianqiu.

Of course, it would be best if it could be delayed until the rescue troops arrived.

Even if there are no reinforcements, as long as this life can be saved, it is not bad.

“I can consider this.”

Fu Shuangxue just wanted to strike while the iron was hot, but was interrupted by Gong Qianqiu first: “But I have one more condition.”

“What conditions?” Fu Shuangxue asked.

Gong Qianqiu said sadly: “Kneel in front of me and kowtow to admit your mistake.”

“you.....”

“Don’t want to? Then die.”

Gong Qianqiu released terrifying energy again, and everyone present was ashen.

In front of such a master, they are indeed as fragile as ants.

Fu Shuangxue’s face was also extremely ugly, she knew that Gong Qianqiu wanted to humiliate herself.

Let yourself be disgraced in front of all Xige disciples.

“Are you going to do things like this?” Fu Shuangxue’s voice trembled.

Gong Qianqiu shrugged and said: “You led a few sluts to ruin my reputation behind the scenes, didn’t you do everything?”

“Okay, I will kneel. As long as I kneel, you will spare the life of the disciple of the West Pavilion, right?”

I have to say that Fu Shuangxue is very flexible.

He went directly from a life-hungry person who was begging for mercy on his knees to a good pavilion master who sacrificed his life for his disciples.

Gong Qianqiu didn't break it, and continued: “Then see if your performance can satisfy me?”

Pfft!

Fu Shuangxue knelt and climbed in front of Gong Qianqiu.

Kowtow to Gong Qianqiu continuously, saying I was wrong while kowtowing.

Soon there was blood on Fu Shuangxue's forehead.

“is it okay now?”

Fu Shuangxue's face was as pale as snow, and her red lips were bitten by her.

When had she been so humiliated?

Gong Qianqiu slowly leaned down, and the smile on his face deepened.

Fu Shuangxue thought this was a prelude to letting him go, and he was relieved.

However, at this moment, Fu Shuangxue felt that his head was being held tightly by someone.

There was no time to react at all, Gong Qianqiu suddenly pressed his head to the ground.

Yu Yu's strength was too strong, and Fu Shuangxue's head was severely deformed.

Brain burst.

All the West Pavilion disciples knelt down on the ground one after another.

The corpses were all over the place, and the blood flowed into rivers.

Even the clouds above the West Pavilion seemed to be dyed red by the reflected blood light.

“happy!”

Gong Qianqiu looked up and laughed.

The depression in my heart over the years was completely released.

She felt a lot lighter all over her body.

“Send the message out, and then let’s wait and see the show!”

After Gong Qianqiu ordered the meticulous work, he quickly led Duguxiao to evacuate the West Pavilion.

Moreover, they escaped along the Xige secret road, and outsiders have no way of knowing.

The news that the West Pavilion was bloodbathed quickly spread.

All sides shook.

In particular, the major factions of the Demon Suppression Division are in danger.

Even Shen Tianjian tried to appease him, but he couldn’t start.

To be precise, the majesty of Shentianjian in the eyes of many factions is about to disappear.

Faced with this situation, the temporary counselor of Shentianjian was too exhausted and helpless.

Azure Dragon (Qinglong) and others also quickly got the message.

They even sent someone to the West Pavilion to investigate the situation immediately.

Of course, their main target of investigation is Gong Qianqiu.

However, the information obtained is indeed that Gong Qianqiu’s life and death are unknown and his whereabouts are unknown.

"I went to the scene to see it myself. It was a purgatory on earth. The person who shot it was too cruel."

Thinking of the tragic scene in the West Pavilion, even Azure Dragon (Qinglong) shuddered involuntarily.

"Do you think Gong Qianqiu did it?"

Phoenix threw another bombshell.

Kirin pondered for a moment and said, "I think it is very possible."

"And I always feel that Gong Qianqiu is still alive, otherwise there would be no trace."

"I also inquired about the surviving disciples in the West Pavilion, and they were all frightened and dumbfounded. They were completely incoherent."

Azure Dragon (Qinglong) said solemnly.

Phoenix's eyes narrowed slightly, and she felt more and more that Gong Qianqiu was the initiator of all this.

Gong Qianqiu was originally from the West Pavilion, and naturally knew the geographical environment of the West Pavilion very well.

Only in this way can she contact the external forces to completely cut off the communication between the West Pavilion and the outside world.

Furthermore, according to what Azure Dragon (Qinglong) said, the methods of death among the slain disciples in the West Pavilion were various and strange, and they definitely did not come from the hands of one person.

It was absolutely suppressed on the scene.

Apart from the boss, the only one who can do this is the extremely mysterious Qianqiu Sect.
