## **Chapter 4705**

At this time, the old lady has no perception ability at all, and her life breath is even very weak.

Hogan and his mother hadn't seen each other for 20 years,

And now they finally meet again, but he never thought that his mother is dying,

And even looking at him for her is as hard as heaven.

Looking back on his failure to perform filial piety in front of his parents over the past 20 years,

Hogan's whole body was completely broken down, holding his mother's hand and crying like a child.

Affected by him, the younger brothers and sisters also cried together in front of the old mother's bed.

Seeing this, Charlie took out a blood-healing pill from his body,

Stepped forward and handed it to Hogan: "Uncle Chen,"

"This pill should be able to cure your mother, you can feed her now."

Hogan looked at the medicinal pill and remembered something in an instant,

So he subconsciously touched his pocket, took out a small wooden box, and said earnestly,

“Young Master Wade, I still carry the medicinal pill you gave me before, and this, can they cure my mother?”

Charlie nodded and said, “Yes, my grandfather was terminally ill and was rescued by the pill.”

Hogan couldn't hold back his joy and said, “That's great,”

“Thank you, Young Master Wade, I will give this pill to mother now!”

After speaking, he immediately opened the wooden box,

And took out the blood-scattering heart-saving pill from inside.

Charlie didn't insist any longer, and silently took back the medicinal pill he took out.

Hogan immediately took off his mother's oxygen mask, and said to his younger brother,

“Azur, you help me get mother up.”

The younger brother hurriedly followed suit and gently lifted the old lady's upper body.

Hogan put the elixir that Charlie gave him into the old lady's mouth,

And then stared at the old lady intently, looking forward to a miracle.

And Heart Saving Blood Dispersing Pill will never disappoint.

After just a few seconds, the old lady's sallow complexion turned bloody,

And her originally weak breathing gradually became even and powerful.

Then, she saw the old lady's eyelids tremble a few times and she slowly opened her eyes.

Maybe it was because she didn't adapt to the light all of a sudden,

And the old lady couldn't see clearly for a while, and she said vaguely:

"Azur...I dreamed just now...dream about your elder brother. He's back..."

The children were speechless in shock, no one thought that Charlie's medicinal pill was so effective,

And within ten seconds, people woke up from a deep coma!

And first words of the old mother after waking up made Hogan cry instantly.

He choked and said, "Mom, I'm Hogan, I'm back!"

"Ah... Hogan?!"

The old lady was startled, raised her hand, and rubbed her eyes.

After her vision gradually recovered and the scene in front of her became clearer,

She stared at Hogan with wide eyes for a long time,

Then suddenly reached out and slapped him, scolding angrily,

"You ba5tard, who told you to come back!"

“He glared at his second son and two daughters, and asked,

“Who asked you to call your eldest brother back?”

“Didn’t I tell him, even if I die, I can’t tell him!”

“As long as he returns to Hong Kong, the surnamed Liu will kill him!”

Hogan hurriedly said: “Mom, don’t worry,”

“Mr. Liu and I have reconciled, and no one will kill me!”

“How is it possible?” The old lady couldn’t believe it and blurted out:

“The last time Bella came to see me, she specifically told me to tell you not to come back to Hong Kong,”

“Saying that the surnamed Liu refused to let you go for so many years.”

## **Chapter 4706**

She continued “You made him ridiculed by the whole of Hong Kong, and he always hated you to the core.”

“How can he reconcile with you?” Hogan turned around, pointed at Charlie, and said to the old lady,

“Mom, thanks to Young Master Wade for helping me mediate, Gerard also reconciled with me because of his face.”

Hogan said again: “By the way, Mom, you were able to wake up thanks to the elixir that Young Master Wade gave.”

The old lady looked at Charlie. Seeing that he is so young,

She was very surprised, but she said respectfully, “Young Master Wade,”

“On behalf of our family, thank you for your kindness!”

Charlie hurriedly said, “Grandma, don’t be polite, Uncle Chen was my father’s best friend before his death,”

“And these are all things I should do.” After speaking, Charlie asked with concern,

“How are you feeling now? Are there any obvious discomforts?”

The wife was stunned for a while, and said in surprise: “Oh,”

“Listening to you... I don’t seem to feel any discomfort at all...”

After that, the old lady tried to sit up by herself, she felt that her body is very light.

Previously, because of a stroke, her whole body almost lost half of her life,

But now she can’t feel any signs of a stroke,

And her overall state is surprisingly good.

Several children were also shocked and speechless.

Since the old lady suffered a stroke, her physical condition can be said to have collapsed in a straight line.

The doctor even though that she is dying and would die in a day or two.

However, the eldest brother Hogan fed the old lady an unknown elixir.

As a result, not only did the old lady have no symptoms of a stroke,

But her whole face is radiant, which is unbelievable.

Hogan quickly looked at Charlie and asked him,

“Master Wade, can my mother be discharged from the hospital?”

Charlie nodded: “Basically, there is no need to stay in the hospital for observation.”

Hogan was very excited and said to the old lady, “Mom, let’s go home!”

The old lady hurriedly said: “Don’t rush back, you finally got home for a reunion,”

“We have to go to Sand Ridge first, you haven’t come back for so many years,”

“You must go to pay homage to your father first!”

“Sand Ridge?” Hogan asked in amazement: “Dad is buried in Sand Ridge?”

That place is too remote, I remember it was the place where the Hong Kong government used to bury unidentified bodies...”

The younger brother Azur quickly explained: “Brother, you haven’t been back to Hong Kong for many years,”

“And you may not know much about the situation here. In recent years,”

“It has been difficult for ordinary people to buy a decent cemetery in Hong Kong.”

“A better cemetery costs million or even millions,”

“And now it costs 400,000 to 500,000 yuan to buy a columbarium in a better cemetery...”

Azur’s eyes reddened, and he continued. : “Before father left, the family spent almost all the money to treat him.”

“After he left, the family couldn’t afford a decent cemetery...”

“In fact, let alone the cemetery. We couldn’t even afford a columbarium.”

“It was just at the time when the Sand Ridge Cemetery was about to be developed,”

“And a batch of new cemeteries was built. With the help of Miss Fang,”

“We were able to buy a regular cemetery for father in Sand Ridge.”

“For those deceased who can only be placed in the columbarium,”

“It is very rare for father to truly be buried in the ground...”

Hogan’s little sister couldn’t help but choked: “It’s still the fault of us children.”

“I don’t have the ability... Otherwise, there is no need for Miss Fang to help,”

“Because of this incident, Gerard also scolded her...”

Hogan pursed his lips and asked subconsciously: ” Bella... Oh no, does Mrs. Liu come here often?”

Hogan’s little sister explained: “At the beginning, Gerard was very fond of her when he first married her,”

“And basically everything was up to her. So she often came to see parents.”

“Later, after father passed away, she did not dare to come blatantly,”

“And the number of visits was less. A few days ago,”

“When the mother was hospitalized. She sent some money...”
