Chapter 4795

The time soon arrived on Friday.

Because she was leaving for New York today,

Elaine got up early in the morning and started packing her suitcases.

Now, she is already on the verge of returning home.

It was finally in the afternoon. After Claire was out of class,

Charlie drove Elaine and picked up Claire at the school gate.

The three of them drove directly to New York.

According to Charlie's plan, after arriving in New York on Friday night,

They would take Elaine for a walk around New York's night scene,

Take a look at the Statue of Liberty, and take her around the city on Saturday.

After shopping on the other day, she can be taken to the airport in the afternoon.

For Elaine, although this time in the United States is short,

It is a long trip, and she had to buy some local souvenirs and specialties.

On the way to New York, Elaine sat alone in the back row,

Took out her mobile phone, and sent a message to Phaedra,

Informing her that she was arriving in New York tonight.

Phaedra quickly replied with a voice.

In order not to be heard by Charlie and her daughter, Elaine converted the voice into text.

The text shows: "Elaine, this time you are in New York."

"As the host, I originally planned to treat you to a big meal and show you around,"

"But because I am going back to China in the next two days, there are many things that have to be done before leaving,"

"So I'm very busy, I'm really sorry... Or else after we arrive in Hong Kong,"

"Don't rush back to the mainland, I happen to have a villa on Shixun Road in Hong Kong,"

"You hang out with me in Hong Kong for a few days,"

"Then stay at my house, give me a chance to do my best as a host,"

"And then you can go back to the mainland after a few days of fun.

Since the content of speech recognition is displayed bit by bit,

When Elaine saw the first half, she was a little disappointed,

But when she saw the second half, she was suddenly excited again.

She couldn't help but ponder in her heart: "I've grown up so much, and I've never been to Hong Kong."

"This time I'm going to Hong Kong for a transfer,"

"And I'll only stay for a few hours when I land."

"Since there is such a good opportunity, it is better to spend a few days in Hong Kong."

"Anyway, this Phaedra has money, and I will eat and drinks with her. I'll be wronged if I miss this opportunity..."

Thinking of this, she happily agreed, and quickly replied:

"Okay! Anyway, I don't have anything important to do when I go back,"

"Why don't I just stay in Hong Kong for a few days, and then I'll give you more money trouble."

The other party quickly replied: With Sister Chen's relationship, you are welcome anytime,"

"So let's talk about it first, I still have something to do here,"

"Let's wait until the airport and have a good chat!"

"No problem. Elaine happily replied two words,"

"And then asked Charlie pretending to be curious:

“Oh, good son-in-law, didn’t you just come back from Hong Kong? Do you know where Shi Xun Dao is?”

Charlie asked in surprise: “Mom, why did you suddenly remember to ask this?”

Elaine lied: “Didn’t I just read the circle of friends,”

“A friend said that this place is very famous,”

“This is the first time I have heard of it, so I will ask you about it.

Chapter 4796

Charlie didn’t think much about it, and replied casually,

“Shi Xun Dao is a luxury residential area in Hong Kong.”

“The most expensive houses in Hong Kong are basically there,”

“And they are also the richest people in Hong Kong.”

“Mom! When Elaine heard this, she immediately exclaimed: “This place is so powerful!”

While speaking, she admired Phaedra’s strength a little more.

She didn’t realize that the liar had used special words and methods before meeting her.

In her heart, an indestructible rich person’s image has been established.

Now she is so excited, that she begins to plan her itinerary for the next period of time,

First having a good time in New York for two days,

And then flying to Hong Kong, and then going to the most expensive and rich area there, and enjoying a few days.

At that time, she must post more Moments,

And let the people in Moments take a good look at her unrestrained lifestyle.

...

This time Charlie chose the Wade family's Shangri-La Hotel in New York.

Issac instructed the hotel in advance to reserve a presidential suite for Charlie.

After checking in, Charlie took Claire and Elaine to have dinner at the hotel,

And then took Elaine to visit the night scene of New York with Claire.

While Claire was helping Elaine take a photo with the Statue of Liberty,

Charlie walked aside and called Stella.

When the call was connected, Stella said respectfully at the other end, "Good evening, Mr. Wade."

Charlie said directly, "Miss Fei, I'm calling to let you know that I've already arrived in New York."

“If there is no accident, I will visit your house tomorrow night,”

“You can inform Mr. Fei and let him wait at home.”

Stella said excitedly: “That’s great! After I shared the news with grandfather he has been very excited about your coming to New York,”

“And he was just asking me when you will arrive in New York.”

After speaking, she hurriedly asked: “Mr. Wade, when will you come tomorrow night?”

Charlie smiled slightly and said, “Tomorrow night around eight o’clock.”

Stella said excitedly: “Okay, tomorrow night, I will have someone prepare the banquet in advance!”

“Don’t bother.” Charlie said: ” I came with my wife and mother-in-law this time,”

“And I will come there after eating with them tomorrow night,”

“I won’t be there for too long, so you don’t need to prepare anything.”

Stella said with some regret: “You came so far away, and you are not eating here.”

“I am really sad to have dinner at home...”

“It’s fine.” Charlie said calmly, “I’m coming to New York this time to send my mother-in-law back.”

“She’s leaving on the flight the day after tomorrow,”

“So I thought of meeting the Old man, just don’t worry too much about the formalities.”

As soon as Stella heard that Charlie’s mother-in-law was on the flight the day after tomorrow,

She knew that it must be an ordinary airline, so she hurriedly said:

“Mr. Wade, the Fei family has several business jets and private jets at the New York airport.”

“I will arrange a special plane to take your mother-in-law back.”

Charlie said without hesitation: “You don’t have to. When she came here, a special plane was already arranged for her,”

“So there is no need for it while she is going back.”

“My mother-in-law does not understand her routines.”

“She still has to be a little bit more down-to-earth, otherwise she will float too much,”

“And with her character, if she floats too high, I don’t know what she will fall into in the future.”

Stella couldn’t help but whispered a laugh when she heard this.

In fact, when she was in China, she investigated Charlie and Charlie’s wife’s family.

So, she didn't insist any longer, smiled, and said,

“Mr. Wade, I will be waiting for your visit at home tomorrow!”

The next day, Charlie and Claire accompanied Elaine to move around New York for a day.
