Chapter 4813

After that, the policewoman took out Elaine's mobile phone, handed it to her, and said,

"Remember you can only call your family or your lawyer. Make your choice and plead guilty!"

Elaine cried and said, "Don't you understand people's words?!"

"I already told you, I was wronged, and I was harmed by others. Where can I get some accomplices?!"

The policewoman said indifferently: "Whether you were wronged or not,

And whether you were victimized or not, it's not you who has the final say,"

"Nor is it me who has the final say. When the trial begins, everything will be subject to the judge's verdict."

Elaine glanced at the policewoman angrily, then immediately picked up the phone and called Claire.

Claire received the call, and the first sentence after the call was to ask Elaine:

"Mom, have you boarded the plane?"

As soon as Elaine heard her daughter's voice, the grievances and fears in her heart erupted instantly,

And she cried out loudly: "Claire...my good daughter..."

“You must save your mother, or your mother will die in America...”

Claire suddenly became nervous and quickly asked, “Mom, what’s wrong with you?!”

Elaine cried and said, “It’s the friend that Sister Chen introduced to me.”

“She asked me to carry for her a piece of luggage to Hong Kong.”

“As a result, before I got on the plane, the police arrested me and said that,”

“A large amount of contraband was found, said to be more than 5,000 grams...”

“Now they have arrested me and crushed one of my ribs...”

“Now they want me to hurry up and notify the lawyer... What should I do...”

Saying that, she cried helplessly: “Claire, tell Charlie quickly,”

“And ask him to find a good and reliable lawyer for your mother,”

“And you can’t let her go to jail in the United States!”

“What?!” Claire felt dazed, and suddenly became distracted, looked at Charlie quickly, and said terribly,

“Husband... Mom she... She is caught by the police...”

“The police said that they found a lot of contraband in her luggage.”

“And she even broke a rib... What can I do...”

In fact, Charlie had already heard what Elaine said on the phone.

At this moment, he immediately recalled that before,

It seemed that something was wrong with Sister Chen's family.

Now, it seems that her family is just an actor who cooperated with her performance.

The characters of successful people and enthusiastic overseas Chinese were nothing more than characters created to deceive compatriots.

And the fundamental reason why Sister Chen has always been very enthusiastic,

...about Elaine was that she wants to use her to transport contraband to Hong Kong.

Claire was already panicking at this time. She couldn't help shedding tears and asked Charlie:

"Husband...what should I do now...The police said they would ask Mom to hire a lawyer, or they would assign one..."

Charlie nodded and said, "Tell mom not to talk nonsense inside."

"I'll ask my client in the United States for help and arrange for an experienced lawyer to go there."

Claire hurriedly asked: "Husband, are your clients in New York specialized in this area?"

“Do they have the resources in this area?”

Charlie said seriously: “Don’t worry, she is still a bit powerful in New York.”

“It should be no problem to arrange a good lawyer.”

“It must be much stronger than the public lawyer arranged by the police.”

Claire hurriedly said: “Then you quickly call your client and ask her to help me...”

“Mom said that the police told her that if this matter can’t be cleared of suspicion,”

“I am afraid she will be sentenced to life imprisonment. “

Charlie said very calmly: “This kind of thing can’t be rushed, you just need to remember one thing,”

“It’s definitely impossible for Mom herself, knowing that it’s contraband and carrying it on purpose,”

“So as long as you can prove this, you can prove it she is innocent, so there is no criminal consequence for her.”

Chapter 4814

When Elaine on the other end of the phone heard Charlie’s words,

She cried and said, “Good son-in-law, it is exactly what you said,”

“But the key is that if they can’t catch them, I’ll be dead without proof...”

Charlie said, “Mom, you don’t have to worry or be afraid,”

“This matter will definitely be resolved satisfactorily, but it may be a little troublesome,”

‘And you will have to be patient during this time.’”

Elaine cried and asked: “Save me, good son-in-law! Mom is so scared!”

‘If this is not done, Mom will be imprisoned for life...’”

“I have been in the detention center, it’s too scary... “

Charlie said seriously: “Don’t worry, Mom, I promise you will not be sentenced to life imprisonment.”

“This matter will be resolved before Claire graduates, and you will be able to return to China with us.”

Elaine hurriedly asked, “Good son-in-law, are you telling the truth?”

“It’s only half a month that Claire graduates and returns to China...”

Charlie hummed and said, “Don’t worry, I will definitely do what I say!”

Hearing Charlie’s firm tone, Elaine’s nerves tense due to fear finally eased a little.

She cried and said, “Good son-in-law, Mom will depend on you for the rest of her life..”

“You...you must not break your promise...”

Charlie said indifferently: “Mom, after this incident, I hope you can have a long memory.”

“Never trust others casually, and don’t just think about petty cheap things every day,”

“Or you will end up suffering a big loss because of it.”

On the other end of the phone, Elaine nodded and choked like garlic:

“Don’t worry... As long as I can regain my freedom this time,”

“Even if you put gold and silver in front of Mom, your Mom will never be greedy. ...”

Thinking of this, she recalled that she was arrested by the police for stealing Charlie’s bank card.

She had already learned a lesson once, how can she be fooled this time...

How could Charlie’s card be worth tens of billions?

In the same way, how could someone who just met give her a car for millions of dollars?

Her car, and inviting her to go to her villa for a vacation?

“Why can’t she have a long memory for such an obvious impossibility...”

Charlie also heard Elaine’s remorse, so he said lightly:

“Mom, don’t tell them anything first, I will arrange a lawyer within an hour,”

‘And let the lawyer come over to help you solve this matter.’

“Okay, okay!” Elaine heard Charlie say that he would be able to get a lawyer to come over within an hour, and said quickly,

“It has to be my good son-in-law, who can have such a strong influence in New York in a place where the emperor is far away! “

The policewoman beside her said at this time: “Okay, the call time is up, give me your phone.”

Elaine had no choice but to nod, and when she was about to hand over the phone,

She didn’t forget to say loudly, “Good son-in-law! Mom is counting on you!!”

The phone was then hung up by the policewoman.

On this side, Claire cried and asked Charlie, “Husband, what are you going to do next...”

Charlie said lightly: “I’ll take you back to Providence first, tomorrow is Monday,”

‘And you still have classes, so you can take your classes at school these few days.’

‘I’ll come to New York to solve the matter on Mom’s side. .’

Claire choked and said, “In this situation?”

“I’m not in the mood for class... Let’s turn around and go back to New York...”

Charlie said very seriously: “Claire, let me tell the truth, listen to me.”

Claire hurriedly said, “Husband, you say it...”

Charlie said with a serious expression: “You can’t help mother with this matter,”

“And if you follow me in New York, it can’t have any positive effect other than causing trouble.”

After a pause, he said again: “Instead of doing this,”

“You might as well go back to Providence and focus on taking care of your courses.”

‘When I go back to New York alone, I can really let go of my hands and feet to solve this matter,”

“Otherwise, If I fail to work hard on this matter, Mom will probably spend her whole life in prison in the United States!”
