The Divorced Billionaire Heiress Boss Chapter 2053

The Divorced Billionaire Heiress Boss Chapter 2053 Who Are You Calling Little?

Nathaniel said with a smile.

Nicole smiled. She was happy to see him come out of his love-lorn state.

Although Nathaniel was not someone who Livia could trust for the rest of her life, Nicole was happy that he could find another person to love.

“Where did this little girl come from? She doesn’t look local.” Nathaniel’s eyes lit up.

“I picked her up.”

He leaned over and whispered to Nicole.

“Literally. I saw a few thugs messing with her at the train station. That’s how I found out that she came to search for her brother. Her brother went to college and lost contact with her family.

She wanted to find a place to work, but she was almost trafficked.”

Nicole widened her mouth in shock.

Judging by Yasmin's demeanor earlier, it did not seem like she had experienced so much.

Just as Nicole was about to say something, she saw Yasmin walking over to them.

Nathaniel smiled, stood up, and dragged the stool for her.

"Does this meal suit your taste? Would you like to order something else?"

Yasmin quickly shook her head and looked like a frightened deer. She was flattered.

Nicole smiled.

"Yasmin, which university did your brother go to? I'm acquainted with a few university deans, so I can help you!"

Yasmin was slightly taken aback. Her face was flushed as she looked at Nathaniel. She seemed to blame Nathaniel for telling Nicole about her private affairs.

Nathaniel quickly comforted her.

"Yasmin, Nikki is a kind person, and she knows a lot of people, so she'll definitely be able to help you!"

Having said that, he raised his eyebrows.

"By the way, Nikki, you might as well arrange a job for Yasmin. Let her be your

part-time secretary. It's much better than working at a restaurant as a waiter washing dishes!"

Nicole pursed her lips and was stunned for a while. She suddenly did not know what to say.

"Uh..."

Nathaniel could really make things difficult for her.

How could Nicole arrange for a stranger to work by her side? Seeing that Nicole was put on the spot, Yasmin lowered her eyes and tugged at Nathaniel's sleeve.

"Don't make things difficult for Ms. Stanton. I haven't been to university, so I don't know how to work in such a big company. I'll just find a restaurant work part-time there."

Nathaniel frowned.

"No way! You're so pretty, so you'll be easily targeted by those bad guys! I think it's too much work for you to be an actress. Nikki, please help her! You just gotta put out the word!"

Nicole regretted joining Nathaniel for dinner. She paused and said hesitantly,

"Nathaniel, it's not that I don't wanna help. Having Logan by my side is more than enough. He's also very busy, so he won't be able to guide newbies. Why don't you try placing her in Ferguson Corporation? It's your family business

anyway, so you can decide which department she goes to.”

Nathaniel was stunned. He frowned, sighed, and beat his chest.

“My second uncle will scold me!”

Nicole rolled her eyes and thought, ‘So, he’s not afraid of me scolding him?’

However, Nicole did not make it seem too obvious.

Yasmin paused.

“Nathaniel, I think you should just forget it...”

Nathaniel quickly interrupted her. He patted his chest and assured her.

“Don’t worry, my family owns Ferguson Corporation, so getting a job for you won’t be a problem. I’ll call my second uncle right now!”

Nicole raised her eyebrows. She finally got this problem out of the way.

Nathaniel took out his phone in front of everyone and called Eric.

As a result, Eric did not pick up Nathaniel’s calls.

Nathaniel paused and smiled sheepishly.

“My second uncle must be busy or in a meeting!”

He then called Mitchell, who picked up.

“Young Master Nathaniel?”

“Mitchell, how’s the company doing lately? I haven’t congratulated you on your promotion! What do you think about me recommending a rare talent to you?”

Mitchell immediately understood what Nathaniel meant.

He smiled and said, "Thanks for thinking about me, Young Master

Nathaniel.Ferguson Corporation still belongs to the Ferguson family, so if you want to recommend talents, please inform your uncle.My authority is limited to housekeeping, logistics, and the front desk.Do you think the talent you want to recommend will need my help?"

Nathaniel's face turned glum.

"Get lost!"

Nathaniel hung up the phone angrily.

Nicole pretended not to hear anything.

Mitchell's answer was as expected.

If Eric was not in Atlanta, there might still be a chance.

However, since Eric was here, Mitchell could not call the shots in Ferguson Corporation.

What Nathaniel did was simply superfluous.

After he hung up the phone, Nathaniel looked at Yasmin ingratiatingly and said with a smile, "Don't be afraid, Yasmin.My second uncle is very approachable, kind, and easy to talk to.When I go over and tell him in person, he'll definitely agree to it!"

Yasmin frowned and nodded shyly in response.

Although she was confused, she still chose to believe Nathaniel.

Nathaniel smiled and ordered another dessert for her.

Seeing this, Nicole knew that it was time to leave them alone. She glanced at

Shane, who stood up.

Nicole said with a smile, "It's getting late. I still have something to do, so I won't be able to accompany you. Nathaniel, you should show Yasmin around the city!"

Nathaniel paused and felt a little regretful.

"Nikki, we haven't talked properly yet..."

Nicole glanced at him.

Just as he was about to say something, she heard a familiar voice coming from behind.

"What are you guys talking about?"

Nicole was stunned and raised her eyebrows.

"Darling, why are you here?"

Clayton was modest and gentle. He was always so charming and handsome that people could not take their eyes off of him.

Clayton had a faint smile as he glanced at Nathaniel lightly. His warmth faded.

"Oh, I met Mr. Youngblood on the road. You didn't leave with him, so I came to

pick you up.”

Clayton raised his hand slightly, and Nicole reached out to hold his hand.

The two looked at each other and smiled as if the people around them did not matter.

Clayton stroked Nicole’s hair and smiled gently.

“Are you done chatting?” Nicole nodded.

She looked back at Nathaniel.

“Almost!”

Nathaniel paused and was displeased with Clayton’s sudden arrival.

Although Eric could not get Nicole, Nathaniel did not like Clayton either.

Neither of these men was easy to fool.

In an instant, Nathaniel flashed a playful smile.

“Eh? Who is this?” Nathaniel raised his eyebrows.

Nicole paused.

“Are you blind?”

Clayton looked at Nathaniel calmly without a change in expression, as if he was just looking at a child. His gaze was filled with contempt and disdain.

Nathaniel paused and took a deep breath.

“Nikki, we went through life and death together. How could you help someone

else?”

Clayton laughed lightly, tightened his arms around Nicole’s waist, and said

calmly, “Nikki?”

He looked down at Nicole.

“Why don’t I remember that you have such a little...Friend?”

Nathaniel’s face darkened instantly.

Nicole looked at the two men speechlessly. She just had a headache. They were

so childish.

Nicole pursed her lips, tugged at Clayton’s clothes, and winked desperately to

hint at him.

“Who are you calling little?”

Nathaniel gritted his teeth and said in dissatisfaction.

Clayton smiled playfully.

“I just mean that you’re young, Mr. Ferguson. Don’t think too much...”

Nathaniel was so angry that he could not say a word. He just got dissed by

Clayton.

Clayton smiled calmly.

Seeing that the tension between them was increasing, Nicole quickly cleared

her throat.

“Alright, alright. Nathaniel, you should show Yasmin around.”

Nicole pulled Clayton out.

Clayton calmly waved at Nathaniel and smiled.

“See you later.”

Nathaniel rolled his eyes and said angrily, “No, I don’t want to see you again!”

Nathaniel almost exploded from Clayton’s words.

Nicole pulled Clayton away, and Yasmin walked over cautiously.

“Nathaniel, do you know that man just now? What is his relationship with

Ms.Stanton?"

"It doesn't matter.He's just a fool who wants something unattainable.Nathaniel snorted coldly and immediately calmed down.He looked at Yasmin with a smile.

"Don't be afraid.I'll protect you!"

Yasmin looked at him shyly.

"But I don't have a job.I'd better go..."

"Don't go! I'll take you to my second uncle..." Nathaniel said and took his phone that was on the table.

His eyes flickered.He looked at Nicole's bag on the seat and paused.

"It's all Clayton's fault! Nikki left her bag..." Nathaniel took it over.

"I'll give it back to her." Yasmin paused.

"Why don't I go instead? You might quarrel with that man next to her again."

She spoke with concern.

As soon as Nathaniel heard this, he found it reasonable and gave Yasmin

Nicole's bag.

"Alright, I don't want to see him anyway." Yasmin smiled, took Nicole's bag, and went out.

Nicole and Clayton walked hand in hand, looking like a sweet couple.

Especially since the two of them were so good-looking, they attracted the

attention of others.

Nicole was telling Clayton what happened earlier when she suddenly felt a cool breeze behind her. She felt a chill.

In the next second, Nicole suddenly heard a female screaming in pain.

Then, she looked back and saw Yasmin had fallen to the ground.

Nicole was startled, so Clayton quickly held her in his arms.

Shane stood beside Clayton and glared at Yasmin, who was on the ground.

“What’s the matter?” Clayton asked coldly.

Yasmin’s face was pale from the pain, she sobbed aggrievedly.

“I... I just came to deliver Ms. Stanton’s bag to her. Ms. Stanton, you left your bag behind.”

The bag in her hand was thrown aside.

Nicole glanced at it.

Sure enough, it was her bag.

Nicole really left it behind. She quickly went over and helped Yasmin up from the ground.

“I’m sorry, Yasmin. My apologies.”

Clayton paused, picked up Nicole’s bag from the ground, and patted it lightly.

Yasmin’s arms were a little bruised. It seemed that Shane had used a lot of

force.

Nicole felt guilty and very embarrassed. It was clear that Shane had misunderstood the situation.

“Yasmin, are you okay? Shall I take you to the hospital?” Yasmin paused.

She had tears in her eyes, but she still shook her head.

“I’m alright. It doesn’t hurt anymore.”

Yasmin lowered her eyes. Her forbearance was particularly distressing.

At this moment, Nathaniel came over to look for Yasmin.

Nathaniel saw this scene and suddenly turned pale.

“Yasmin, what’s wrong?” Clayton raised his eyebrows and said nothing.

Nicole explained apologetically, “I’m sorry. My bodyguard misunderstood the situation. It was too sudden, so he couldn’t control his force. Why don’t you take her to the hospital on my behalf? I’ll pay for any medical expenses and dietary supplements.”

Nathaniel stared at Nicole. He held Yasmin and took a deep breath.

“Forget it. I wouldn’t let you go so easily if it wasn’t for our solid friendship. Yasmin, are you alright?”

Yasmin shook her head.

“I’m fine. I just fell because I was running too fast. It has nothing to do with

Ms.Stanton.”

Shane’s face was expressionless, and his eyes deepened a little.

Nathaniel sighed.

“Anyway, I’ll take you to the hospital to have a look, then we’ll go to my second uncle’s place later.” Nicole nodded.

“Go ahead! Take good care of Yasmin!”

Nathaniel glanced at Nicole and left with Yasmin.

Nicole sighed and looked at Shane.Shane pursed his lips, looked at their departing backs, and said without changing his expression.

“That woman was about to touch Madam earlier.I was afraid that she would push Madam, so I stopped her.”

Nicole raised her eyebrows.

“Okay, watch out next time!”

Shane nodded slightly.

Clayton smiled and hugged Nicole’s shoulders.

“Let’s go.”

Clayton turned around, and his smile faded.

“Stay away from them in the future.”

Nicole raised her eyebrows.

“You’re even jealous of Nathaniel?”

Clayton glanced at her with a specious smile and said faintly, “I didn’t even hear anything when that woman came over. Her footsteps were very light, so something’s fishy about her.”

Nicole’s expression changed, and her eyes widened in surprise.

“Why didn’t you tell me just now? What if something happens to Nathaniel?”

Nicole thought that Yasmin did not seem to be a scheming person.

Yasmin was simple, innocent, and did not look shrewd at all.

Clayton laughed softly.

“what does it have to do with me if he gets in trouble?” Nicole paused.

Clayton said he was not jealous, huh? Nicole frowned, looked at the man’s handsome profile, and pursed her lips.

“But it shouldn’t be. Yasmin looks weak...”

Clayton pondered for a while.

“Don’t judge a book by its cover. At least we have a suspect now. We can focus on her. You don’t need to care about the rest. I’ll get someone to look into it.”

Nicole nodded and took a deep breath.

Looking back on their conversation just now, Nicole really could not find the slightest flaw.

Was it really Yasmin? Nicole thought about it, turned her head, and gave Shane a thumbs up.

“Good job!”

Shane nodded expressionlessly.

Clayton was speechless.

Nathaniel took Yasmin out of the hospital and went straight to Ferguson Corporation.

Yasmin was a little apprehensive in the car.

“Nathaniel, will your second uncle hate me? What if he doesn’t agree with me working in his company? Maybe I shouldn’t be a secretary. What about a janitor?”

Nathaniel glanced at Yasmin sideways and sternly refused.

“No way! You’re a girl, so how could you do such a tough job? What’s more, no one in the office will bully you only if you’re by my second uncle’s side. The whole company will respect his secretary. Just look at Mitchell! He was my uncle’s assistant and was promoted to vice president. What a great jump!”

Yasmin’s eyes lit up.

“Great! I’m just happy to have a job. Thank you, Nathaniel.”

Nathaniel smiled brightly.

"You're welcome. I'm willing to help you."

After a while, they arrived at Ferguson Corporation.

Everyone at the front desk knew who Nathaniel was, so they did not dare to stop him.

When they reached the top floor, they were stopped by the secretary.

"Young Master Nathaniel, Mr. Ferguson is still in a meeting and has no time to see you."

Nathaniel paused.

"I'm his nephew. Why would I need an appointment to meet with my family? Go and inform him that his dear nephew is here to see him!"
