

## Chapter 87 We Have a Blot of a Sight Today

Speeding down the streets, Jade finally arrived at Neve's place. It was not like she did not question why John was here, but Neve explained that the old man did not want to spend his last moments in a hospital as it was too cold and gloomy.

Jade believed the offered explanation. But when she entered the home, she realized that there was no Neve or John in the house. The only person there was Zayn who was sitting in the living room. It then dawned on her that she had been deceived by an Odell again.

They had lied to her over and over and used her love for her family against her repeatedly. Disappointment flooded her.

As Jade turned to open the door and leave, Zayn rushed up to stop her.

"Jade, don't worry. I don't mean any harm. I just want to talk."

As he blocked the doorway, Zayn put up both his hands like he was surrendering. He was trying to show her that he was harmless and give her confirmation that he did not mean ill. He then told her, "I already know what the Odells did to you. I'm so furious. They're worse than animals!"

That was all crap that Zayn did not have to say and Jade had no interest in listening to any of it.

"Move out of the way before I call the police!"

Jade was not just saying it. She rummaged through her purse and pulled out her phone, but Zayn snatched away and tucked it behind his back, refusing to return it to her.

"Calm down. Do you want revenge on Odello Corp.? I have the means to do it if you want!"

Jade could only hear him out as her phone had been snatched away and the perpetrator himself was between her and the door.

Zayn said, "Jade, I genuinely like you.

"Relax. I don't have any other intentions. I just want to say that as long as you marry me, I'll have sufficient reasons to persuade my dad and use everything available to the Dunham Group to bring down Odello Corp. Believe me, the Dunham Group will definitely be able to do it!"

"At that time, I'll even make John and Matthew Odell get down on their knees in front of you and beg you like dogs.

"I want everyone to see that the ending of those two dogs will be the consequence for whoever dares mistreat my woman!"

One must give it to Zayn for painting such a nice picture, but Jade saw it as a joke.

"Zayn Dunham, do you think I'll believe you when you're telling me all this in Matthew's house?"

"Yes, I was a fool to have let John Odell take away my shares, but I'm not that stupid to trust a snake like you!"

"You're just upset because you can't have me. You think it embarrasses you, don't you? Too bad
