A man like none other and the man decree Chinese A Man Like No Other Chapter 1861 - 1869

As soon as Kai heard this, it dawned on him that a secret realm was another space that had been opened up, and although it was in one place, it was not within a space, so there was no conflict.

“Miss Zhou, I wonder which of the eight secret realms your Demon Spirit Sect’s secret realm belongs to?”

Kai knew that the Ge Family was in the Fire Sect Secret Realm, while the Purple Sky Mansion was in the Thunder Sect Secret Realm, he just didn’t know which secret realm this Demonic Spirit Sect was in.

When Zhou Jie heard this, surprise instantly flashed across her face and she looked at Kai incredulously.

“I didn’t expect you to know about the eight secret realms?”

“You have to know that these things can be confidential, even for the top echelons of the martial dao world, not many of them know about them.”

“You actually know all this, it seems I still underestimated you!”

Zhou Jie was amazed that Kai knew about the secret realm, and knew it in such detail.

Kai smiled awkwardly, “I know some people from the Secret Realm family, and I’ve been lucky enough to visit the Secret Realm just twice”

At this moment, the look in Zhou Jie’s eyes when she looked at Kai clearly had a considerable change.

“Our Demon Spirit Sect is not in those eight secret realms, those eight secret realms were heard to be created by an immortal using the eight trigrams in his hands during the God-Devil War and the catastrophe of heaven and earth, in order to give immortal cultivators a place to stay.”

“Our secret realm, on the other hand, was created by our respective clans and is much worse than those eight secret realms in terms of both size and ability to withstand.”

“Our secret realm is the real secret space, while those eight secret realms can be called a side of heaven and earth, there is no comparison”

Zhou Jie followed Kai and explained.

Only then did Kai understand that there were not only eight mysterious realms in this space, but there were also many small mysterious realms!

And in these small secret realms, only one clan or family existed

“Oh, so that’s how it is”

Kai nodded with a slight understanding.

The plane flew smoothly for more than three hours before it landed at Nanhu!

It was also very unexpected that there was an airport in such a small town.

After getting off the plane, that Zheng Kai looked at Hu Ma Zi viciously, but Hu Ma Zi didn’t pay any attention to him!

A group of people walked out of the airport, while that Zheng Kai kept following behind!

“Damn, this guy looks like he won’t turn back until he hits the south wall.”

Hu Pazi saw Zheng Kai keep following and said with a face of anger.

“Alright, leave him alone, let him follow”

Kai was afraid that Hu Pazi followed that Zheng Kai to start a conflict so he said.

“Let’s go, I’ll take you to eat something delicious, the most famous snack here is mutton bubble bun”

Zhou Jie said, taking Kai and Hu Pazi towards a street not far from the airport!

This is a street of snacks, with all kinds of food!

In fact, for Kai and Hu Pazi, even if they didn’t eat for three days and nights, they couldn’t possibly be hungry, but when they saw all these delicacies in front of them, their stomachs rumbled.

The three of them sat down in front of a snack shop, and then started eating!

And that Zheng Kai was hauntingly watching them from not far away!

Only no one bothered with Zheng Kai, he could follow and watch if he wanted to!

After eating, Zhou Jie called for a car, then took Kai and followed Hu Ma Zi, heading towards the east of the city!

This time Zhou Jie learned to be smart and never sat next to Pocky Hu, but directly sat in the passenger seat!

On the way, she had been eaten by Pocky Hu, so she was furious!

Just as their car was heading towards the east of the city and they were about to leave the city, suddenly a dozen luxury cars behind them gave a loud roar and caught up with them!

When the driver saw this, his face turned pale with fear, and his hands were trembling slightly as he gripped the steering wheel!

It was obvious that those cars behind them were coming after them!

As they were about to drive out of town, a Porsche instantly crossed in front of the taxi, scaring the driver into slamming on the brakes!

A man like none other and the man decree Chinese A Man Like No Other Chapter 1862

Zheng Kai stepped out of the car, then looked at Kai and the others in the car, then waved!

When the driver saw this, he was so scared that he immediately opened the car door and ran, not even wanting the car.

This time, Kai and the others were surrounded by a dozen cars, from which more than twenty people got out, each with a very strong aura!

Seeing this, Kai and the others could only open the car doors and walk down!

“Old thing, you embarrassed me on the plane, today I will beat you to your knees and beg for mercy”

Seeing Pocky Hu coming down, Zheng Kai said viciously.

Pocky Hu didn't eat this and was about to open his mouth to scold him, but he was stopped by Kai!

“Zheng Gongzi, we have no intention to offend you, and we hope you can move out of the way to avoid any misunderstanding.”

Kai said politely to that Zheng Kai.

Zheng Kai looked Kai up and down, and then said with a disdainful expression, “What are you, do you have the right to speak here?”

“My name is Kai, I don't know if Lord Zheng has heard of me?”

Kai asked indifferently.

After all, Kai's name now resounded throughout the martial arts world, and as this Zheng Kai had also boarded the plane from Kyoto, he would naturally have heard of Kai's name.

"You're Kai, the Kai who doesn't even put the Martial Arts Union in his sights?"

Zheng Kai said with some surprise.

"Not bad, it's me!"

Kai nodded his head.

Kai had thought that if he admitted it, the other party would give face when they heard his name.

But who knew that Zheng Kai smiled coldly, "I have long heard that you are now the number one in the younger generation of the martial arts world, but I am a little unconvinced, the two of us will have a match, and if you beat me, I will let you go!"

Zheng Kai actually wanted to follow Kai and have a match.

Kai laughed, he didn't know what to say, this Zheng Kai was really ignorant and fearless!

A little Martial Marquis, and he wanted to compete with himself!

Kai didn't say anything, but Pocky Hu laughed and said, "Kid, have some self-awareness, Kai can easily defeat you even if he only uses one hand."

"Humph, what's the use of lip service, it's better to do a real fight"

Zheng Kai said with a cold snort.

Seeing Zheng Kai's disdainful look, Hu Ma Zi hurriedly turned to Kai and said, "Kai, just use one hand and defeat this guy, save him from wasting time."

Kai gave Hu Puzi a fierce glare, he hadn't even spoken yet, and this guy was making the decision for himself!

“You’d better go home, for the sake of your father being the lord of a city, I won’t bother with you.”

“If anyone else had questioned me like that, they would have been a corpse by now.”

Kai slowly said to that Zheng Kai.

“Good boy, you’re looking down on me

With that, the aura on Zheng Kai’s body steeply exploded.

Immediately afterwards, Zheng Kai’s fists clenched tightly, and a characteristic blue light actually began to flash above his fists!

With a roar, Zheng Kai leapt up and swung both his fists towards Kai.

A terrifying aura instantly enveloped Kai and the others!

This Zheng Kai did not look like he wanted to deal with Kai himself, but wanted to beat Kai and the others together!

Seeing this, Kai’s aura instantly exploded, an airburst sounded, and a huge wave of Qi instantly pushed Zheng Kai out!

“If you keep doing that, I’ll really do it?”

Kai was furious when he saw that Zheng Kai was unrelenting.

Zheng Kai said with a furious look on his face, “What the f*ck is the number one in the younger generation of the martial arts world, I think it’s just a rice bucket, if you have the guts to fight back.”

Kai’s brow furrowed and the aura on his body intensified.

And at this moment, Zheng Kai had also grasped Kai’s strength, so he did not take the initiative to attack at this time.

“Get lost”

When Kai saw that Zheng Kai stopped in front and did not move, and also did not make a move, he became furious.

As Kai’s words fell, his body also arrived in front of that Zheng Kai.

A man like none other and the man decree Chinese A Man Like No Other Chapter 1863

Before that Zheng Kai could react, the Kai family slapped him across the face!

Slap!

This slap, directly on Zheng Kai’s face, instantly sent Zheng Kai flying!

The intense pain caused Zheng Kai’s face to instantly turn red and swollen.

At this moment, the people Zheng Kai had called for were all frozen, each looking at each other.

The young master of the Zheng family had been sent flying with a single slap, and he didn’t even have the ability to fight back?

It was unbelievable!

Zheng Kai was furious this time, his eyes staring angrily at Kai: “Good boy, you dare to hit my face, my father will never spare you.”

“If you don’t want to die, then get lost quickly, I didn’t want to be your enemy, but you are aggressive.”

“If you go on talking nonsense, do you believe I will kill you?”

Kai said with a cold face.

Feeling the killing intent on Kai's body, the muscles at the corners of Zheng Kai's eyes twitched a few times.

"Fine, you guys wait for me, this is not Kyoto"

Zheng Kai finished his sentence and left with a wave of his hand and led his men away!

Seeing Zheng Kai leave, Kai turned to Zhou Jie and said, "Let's keep walking"

"Mr. Chen, as I said, this young master of the Zheng family, is a careful man, if you beat him, he will definitely retaliate."

Zhou Jie reminded.

"Retaliation is fine, I don't mind being a city lord myself, just so I can make use of the cultivation resources here."

Kai said with a faint smile, unconcerned.

"Mr. Chen, that Zheng family is not as easy to deal with as you think"

Zhou Jie reminded once again.

"What are you afraid of, isn't there still your Demon Spirit Sect? Could it be that your Demonic Spirit Sect would be afraid of some Zheng family?"

Kai looked at Zhou Jie and asked playfully.

"How is that possible, how could our Demonic Spirit Sect be afraid of a small Zheng Family." Zhou Jie suddenly said condescendingly.

"That won't do, if we work together, then it's a partnership, will your Demon Spirit Sect watch me follow the Zheng Clan into conflict and not care?"

Kai asked with a smile.

This stumped Zhou Jie, not knowing how to answer!

After all, she was merely an external envoy of the Demon Spirit Sect, and it was not up to her to decide on such matters.

Seeing that Zhou Jie was silent, Kai said with a smile, "Let's go quickly, or else that Zheng Family Young Master, will find helpers again."

Zhou Jie nodded, then drove Kai and Hu Ma Zi out of the South Lake to a wooded clearing!

"The entrance to your Demon Spirit Sect's secret realm is here?"

Kai asked.

Zhou Jie nodded and said, "Yes"

"Hurry up and open the secret realm, I haven't seen what it looks like yet"

Hu Ma Zi looked a little excited as he had never entered the secret realm before!

Zhou Jie, however, showed a difficult face and said, "The opening of each secret realm is kept secret, so"

Zhou Jie didn't continue, but Kai knew what Zhou Jie meant, so he called on Hu Ma Zi to walk to the side!

"Shit, what's so secret about it"

Hu Pazzi looked unhappy, but still followed Kai towards the side!

Only to see Zhou Jie take out a very special shaped stone, and then recite the words under his breath!

With a watery ripple in the air, space instantly flashed with a glow!

"Alright, let's go in"

Zhou Jie said towards Kai and Hu Ma Zi.

The two men walked over and looked at the light in front of them, then Zhou Jie stepped in, followed by Kai and Hu Pazi!

After entering, the light also disappeared instantly, and the secret realm gates were closed!

When he entered the secret realm, Kai saw a large hall in front of him, and then when he looked into the distance, it was grey and dull, and he could not see anything.

Everywhere the eye touched, it was all grey, and only a few hundred metres around the hall in front of him could be clearly seen!

Kai thought that the Demon Spirit Sect had some secret, so they had deliberately made this secret realm so grey and dull that people could not see it.

A man like none other and the man decree Chinese A Man Like No Other Chapter 1864

But who knew that Zhou Jie's words would cause Kai to be instantly stunned!

"This is our Demon Spirit Sect secret realm, the space is just this big, those grey and cloudy places are chaotic space, they are not allowed to enter."

Zhou Jie said after Kai and Hu Ma Zi.

"It's that big?"

Kai was astonished.

This mysterious realm followed the mysterious realm where the Ge Family's land was located that Kai had gone to, and it was a world away!

Although Kai did not know how big the secret realm where the Ge family was located was, the places he had seen were many times bigger than this place.

“Such a large mysterious realm was still forcibly opened up by using up all of our Demon Spirit Sect’s resources, during that cataclysmic event back then, there was no telling how many sects and families had completely disappeared into the long history, our Demon Spirit Sect was able to be preserved all thanks to this mysterious realm.”

Zhou Jie followed Kai and explained.

Just as Kai and the others were talking, a man dressed in a white tunic walked over, the man was wearing a precious sword around his waist!

Looking at this man, who was graceful and handsome, there was no way to follow the demon race.

“Miss Zhou, isn’t this Demon Spirit Sect of yours full of demons?”

Kai asked in surprise.

Zhou Jie glanced at Kai, knowing what he was thinking, and gave him a blank look and said, “Demons are also human beings, only that their cultivation methods are different, are they all vicious and evil people?”

“Those cultivators who look like they are moral may have done things that are even more disgraceful than us devils.”

Kai was instantly speechless.

“Zhou Jie, you’re back”

The man walked up to Zhou Jie and asked in a soft voice.

“En!” Zhou Jie looked at the man with a strong ambiguity in her gaze!

It could be seen that this Zhou Jie liked the man in front of her very much!

This was a moment that pissed off Hu Pazzi on the side, except that looking at the man opposite, Hu Pazzi's image of a bad old man was really no match!

"Is this the man the Patriarch wants to see?"

The man looked at Kai and asked to Zhou Jie.

"Yes, this is Mr. Chen"

Zhou Jie nodded, and then said to Kai, "This is our Demon Spirit Sect's Vice Patriarch, Song Qingping."

"Mr. Chen, our Demonic Spirit Sect has offended many times in the past, I hope that we can discard our past grudges and cooperate sincerely in the future"

Song Qingping said courteously as he extended his hand with a smile on his face.

"I just want to know how much I can get that I need by following your cooperation."

Kai also extended his hand to follow the other party and shook hands!

Kai knew that in this society, there were no eternal friends, only eternal benefits!

And for the Demon Spirit Sect, which was his first contact, Kai kept an even more vigilant eye!

"That is of course, we will definitely satisfy Mr. Chen."

After Song Qingping finished speaking, he turned to Zhou Jie and said, "Zhou Jie, take Mr. Chen and the others to rest, I will send someone to inform you when something happens."

"Okay!" Zhou Jie nodded her head.

Then with eyes full of little stars, she watched Song Qingping leave.

"Humph, little white face"

Hu Ma Zi couldn't help but snort coldly after that Song Qingping left.

Zhou Jie gave Hu Pazzi a fierce glare, but didn't say anything and took Kai and the others to rest.

As Zhou Jie left, she once again barked at Kai and Hu Pocky, "Remember, don't run around, and even more so, don't go to that Chaos Space, it's all spacetime chaos, going in is certain death"

After Zhou Jie left, Kai instantly became interested in that chaotic space, if Zhou Jie had not reminded him so emphatically, Kai would not have been so interested.

"What? You're interested in that Chaos Space?"

Pocky Hu saw what Kai meant!

Kai smiled faintly and nodded his head.

"Come on, let's go and have a look, I've never been to the secret realm"

Hu Pazzi had also long since settled down with the curiosity in his heart.

Soon, Kai followed Hu Ma Zi out of the room and quietly headed all the way towards that chaotic space!

The same time!

At a mansion in the centre of South Lake, Zheng Kai covered his face and was dropping things with an angry expression.

"What a f*cking waste, how can people not be found anymore?"

“Couldn’t they still go up to heaven and into the earth?”

Zheng Kai cursed at his men!

He had sent his men to keep an eye on Kai’s men’s trail to find a chance to retaliate!

But who knew that Kai and his men had disappeared, as if they had vanished into thin air!

Zheng Kai sent his men to search the entire South Lake, but they couldn’t find them.

It was too easy to find a single person, knowing that South Lake was not very big and that the whole South Lake City belonged to their Zheng family.

But there was no sign of Kai and the others.

Those men were all trembling with fear, lowering their heads as no one dared to speak!

Just then, a middle-aged man walked in, this man was Zheng Kai’s father Zheng Anguo, the lord of the entire South Lake!

Zheng Anguo waved his hand and told his men to all leave, then asked, “What’s the matter, throwing such a tantrum? Even dropping things?”

“Dad, look at my face

Zheng Kai looked aggrieved and took his hand away to let Zheng An Guo see his swollen face!

Zheng An Guo took a look and said with a slight frown, “What happened? Was it beaten by someone?”

“Of course, it was beaten by that Kai, I must kill him

Zheng Kai gritted his teeth and said.

“Kai?” Zheng An Guo pondered, then said with a surprised look on his face, “That Kai you’re talking about, it wouldn’t be the same Kai who followed the Martial Arts Alliance against him, would it?”

“He’s the one who fought”

Zheng Kai nodded his head and said.

“What is he doing here in our South Lake?”

Zheng An Guo’s face showed a few moments of worry, then asked, “How many of them came?”

“Three, a man and a woman, and an old man, that old man is very horny”

Zheng Kai’s teeth itched viciously when he thought of Hu Ma Zi.

Such beautiful big white legs, he didn’t even touch them himself, but he was touched around by Pocky Hu.

“A man, a woman, and an old man?”

Zheng An Guo was even more puzzled at this point, he didn’t know what Kai was doing by bringing people to his place all of a sudden.

“Could it be that it follows the 10,000 year old Medicine King that is about to come out?” Zheng An Guo muttered.

“Dad, what are you muttering about? What Ten Thousand Year Medicine King?”

Zheng Kai asked.

“Nothing, don’t pry into it.” Zheng An Guo glared at Zheng Kai, then continued to ask, “Do you know where they are now?”

“I don’t know, I sent someone to follow them and lost them, the whole South Lake has been searched, but they can’t be found.”

Zheng Kai shook his head.

“Remember, you are not allowed to mess with that Kai, and when you see him, hide away from me.”

Zheng An Guo reprimanded Zheng Kai.

“Dad, am I going to get beaten up for nothing?”

Zheng Kai was not convinced, how could he be slapped for nothing.

“A beating for nothing is a beating for nothing, I’m warning you, don’t mess with that Kai for me, do you hear me.”

Zheng An Guo once again gave a serious warning to Zheng Kai.

No matter what Kai was here for, Zheng An Guo did not want to provoke Kai, because in a few days, there was a 10,000 year old medicine king that was going to come out, not many people knew about this news, and this was also in the South Lake realm, so Zheng An Guo could say that he was imperative to this 10,000 year old medicine king.

Now that Kai and the others have suddenly come to South Lake, Zheng An Guo has to be suspicious, but Zheng An Guo still doesn’t want to follow Kai and start any conflict before the Pill King comes out!

As long as Kai did not come for the Pill King, Zheng An Guo intended to follow Kai’s well and not cross the river.

He could not be so foolish as to follow Kai and start a feud after his own son had been slapped.

“Hmph, I think you are just afraid of that Kai, no guts at all, after so many years, you have been keeping to this small place in South Lake, no guts at all!”

Zheng Kai despised his father very much.

He always thought that his father was timid and very weak, and that he was satisfied with keeping the small town of Nanhu all this time.

“Rebel son, I think the beating you lightly”

Zheng An Guo was so angry that he raised his hand and was about to hit Zheng Kai.

Zheng Kai, on the other hand, was so scared that he ran out in a panic, but his mouth was still screaming, “I will never let that Kai go”

Zheng An Guo was so angry with his son that his face turned pale and he panted heavily.

Although he was the lord of a city, he just couldn't control this son of his.

.....

In the secret realm of the Devil Spirit Sect!

Kai followed Pocky Hu had quietly arrived at the edge, and further ahead was the grey and chaotic space.

On this journey, there was no one to stop Kai and Hu Pazi, nor were there any guards. .

After all, in this secret realm, there was only the Demon Spirit Sect, so there was no need to worry about safety.

Just as the two approached the edge of the chaotic space, the aura of appalling killing and destruction had made it somewhat difficult for the two of them to take a step forward.

The two struggled to look forward, but they simply could not see anything at all, like a sandstorm blowing up!

Just as the two men reached the front of the killing Qi, they were blocked by an invisible force, and it was simply impossible to move forward!

“Could this be the border of the secret realm?”

Kai touched forward with his hand, only to see an invisible force that was pushing his hand backwards, and there was no way to continue forward.

“Looking inside that chaotic space there is also space, it’s not like there’s nothing, so how come you can’t get through?”

Hu Ma Zi struggled to look forward, full of incomprehension.

“Use your divine sense to probe and see

Kai said, and a strand of divine sense instantly emanated out!

Very quickly, this strand of divine sense instantly penetrated the resistance in front of him, as if this resistance had no way of blocking the divine sense.

Kai was overjoyed and hurriedly extended his divine sense forward!

But just as the divine sense entered the chaotic space, a terrifying killing aura instantly cut off the divine sense!

Kai himself suffered a backlash, and his entire body took several steps backwards, with a trace of blood flowing out from the corner of his mouth.

“What a terrifying killing Qi, since the divine sense was able to enter, it must exist in space.”

Kai said as he wiped the blood from the corner of his mouth.

Seeing Kai in that state, the frightened Hu Ma Zi did not dare to experiment either.

The two could only stare at the chaotic space in front of them, knowing that there was space behind them, but they just couldn’t get in!

"If I reach the out-of-body stage and can get my soul out of my body, I would like to be able to go through this chaos"

Kai said with a burst of emotion.

He was only at the Transformation stage now, and he still had a long way to go before he could reach the Out of Body stage.

If he could have his soul out of his body, Kai would be able to easily pass through the resistance in front of him, then resist that killing Qi and enter the chaotic space to see what was inside!

"Kai, there is a talisman in our talismanic arts that can make one's soul come out of the body, but the effect time is very short, can you see if you know this talismanic art?"

Hu Ma Zi asked Kai.

As soon as Kai heard this, his heart burst with joy, and immediately afterwards, the inheritance of the Heavenly Talisman Sect appeared in his mind, and various talisman arts kept crossing Kai's mind!

Very soon Kai found a talisman technique that was difficult to draw, and depending on the strength of the talisman master, the time to leave the body would also vary!

"Master Hu, a few pieces of talisman paper, I'll try"

Kai followed Pocky Hu and asked for a few pieces of talisman paper, deciding to give it a try himself!

Pocky Hu pulled out the talisman paper and gave it to Kai, while Kai suspended the paper in mid-air, bit through his finger and began to draw on it!

A faint red light shone from Kai's fingertips, and a line began to appear on the talisman paper.

Kai held his breath and concentrated for fear of making a mistake, but even so, it took several times before he finally finished the painting.

By now, Kai was already sweating profusely and panting!

“Master Hu, in a moment when my soul is out of my body, you must keep an eye on me, so that my physical body is not stolen”

Kai barked at Pocky Hu.

“Don’t worry, I’ll definitely keep an eye on it, and it’s in the secret realm, who would steal your flesh!”

Pocky Hu assured.

Kai nodded and then put that talisman on his body, soon Kai’s body flashed with red light and his soul instantly came out of his body!

Kai looked at his body and Hu Ma Zi and looked very excited, as he had never seen himself in this perspective before.

“Kai, you only have ten minutes, remember that, if you can’t come back in ten minutes, there is nothing I can do to save you.”

Hu Ma Zi said as he looked towards Kai’s soul.

Kai nodded, and then walked towards that chaotic space!

The powerful force that had been there was instantly pierced through by Kai without any resistance, and Kai’s face was full of smiles!

Only as he walked forward, that aura of killing and destruction began to attack Kai continuously.

Although Kai was only a soul body at this moment, the killing Qi was still able to inflict damage on him!

Kai had no choice but to clench his teeth and withstand the fierce killing Qi as he continued to walk deeper into the chaotic space!

Kai himself did not know how long had passed, but he only felt the pressure on his body loosen, and the scene before him changed completely, as if he had arrived in another world.

Only to see countless rare medicinal herbs growing in the white space, and the spiritual energy here was a hundred times, if not a thousand times, stronger than outside!

Kai looked at these rare medicinal herbs in front of him and his entire body froze, a brilliant light shining in his eyes!

Some of these herbs were already ripe, while others had just sprouted. Kai saw a thousand-year-old mountain ginseng that was already shining with a faint golden light, and reached out to dig it out.

Only when Kai reached out, he could not grasp it at all. He then realised that he was only a spirit body and could not touch anything now.

Looking at these treasures in front of him, Kai was unable to take them away, which made him scratch his ears in anxiety!

Soon, a golden light shone so brightly that Kai could not even open his eyes. Following the golden light, Kai found that among these herbs, a 10,000-year-old He Shou Wu was emitting a golden light that was more blinding than the other herbs!

“Ten thousand year old He Shou Wu?”

Kai’s heart thumped.

To know that a thousand year old herb was already very precious, this ten thousand year old herb was something that could not be found.

But Kai could only watch with dry eyes, but there was no way to take this herb away!

“Could this be the plantation of a certain immortal?”

Kai looked at the countless medicinal herbs and frowned slightly.

For so many planted medicinal herbs to suddenly appear in a spatial secret realm, Kai could only suspect the work of an immortal, ordinary cultivators simply didn't have the strength to do so!

Just as Kai was staring at a patch of medicinal herbs in front of him, his body suddenly burst and he hurriedly looked at the time, realising that the time was almost up.

Hu Ma Zi was tapping Kai's body outside, this was to make Kai's soul go back quickly!

Kai took a reluctant glance at the herbs and finally had to return the way he came!

While returning, he was also topped with that same terrifying killing aura.

Just as the time was almost up, Kai's soul finally returned to its place, and Hu Ma Zi let out a long sigh of relief at the sight.

“You guy, you know there's time now, why are you so inked up?”

“What's in there? Or is there nothing, just this chaos ah?”

Hu Ma Zi asked curiously.

Kai, on the other hand, was breathing heavily, while his body was aching!

A man like none other and the man decree Chinese A Man Like No Other Chapter 1868

This is a symptom after the soul has gone out of the body. Kai has not yet reached the out-of-body stage, and borrowing a talisman to force the soul out of the body will definitely have side effects.

However, Kai felt that this time out of the body was worth it, he did not expect that there was another magical place after the boundary around this secret realm.

“Inside that chaotic space”

Kai was about to follow Hu Ma Zi and tell him about what he had seen when he was interrupted.

“Why have you two come here? Didn’t I warn you two?”

Zhou Jie looked at Kai and Hu Puzi with an angry expression on her face.

“Miss Zhou, sorry, we were just curious and came over to take a look, we’ll go back now”

Kai pulled up Hu Puzi and hurriedly ran back!

When he returned to his room, Hu Ma Zi asked impatiently again, “What exactly is inside that chaotic space?”

Kai glanced out of the window and then told Hu Pazzi what he had seen!

This time, Pocky Hu was directly shocked, his eyes were wide open and his mouth could have stuffed an egg.

“All of them are precious medicinal herbs? And ten thousand year old He Shou Wu?”

“You kid can’t be lying to me, how come it doesn’t look like the real thing to me.”

Pocky Hu was a bit in disbelief at what Kai said.

“Master Hu, what do I have to gain by lying to you, this is absolutely true.”

Kai said with a sincere face.

“F*ck, wouldn’t we be rich then, if the two of us find a way to get through that boundary, those medicinal herbs would be ours.”

Hu Ma Zi had an excited look on his face, only for his smile to quickly disappear as he said, “Do you think that this Demon Spirit Sect also knows about this place, that’s why they won’t let us go near it?”

“There is another possibility, this is the resource place of the Demon Spirit Sect, there are so many people in the Demon Spirit Sect, they always have to rely on resources to cultivate, as you can see, this secret realm of the Demon Spirit Sect is too small and doesn’t have any resources.”

Kai also agreed somewhat with Hu Puzi’s words, except that if that was really the Demon Spirit Sect’s resource place, then there must be a high ranking person within the Demon Spirit Sect.

“When I meet that Demon Spirit Sect leader tomorrow, I’ll find out if that place is really the Demon Spirit Sect’s resource place or not by testing it out.”

Kai should know as soon as he met the Demonic Spirit Sect Master and tried to find out.

Early the next morning, after Kai and Hu Ma Zi had eaten, Zhou Jie came to find Kai.

It said that the Demon Spirit Sect Leader wanted to see Kai, while Hu Pocky was waiting inside the room!

When Pocky Hu saw that Zhou Jie had come with that Song Qingping, his face turned ugly!

It felt like his daughter-in-law had been abducted by another man!

“Mr. Chen, our patriarch has an invitation”

After seeing Kaizhi, Song Qingping said courteously.

“Vice Patriarch Song, lead the way”

Kai also said politely.

Although Kai had always been wary of the Demon Spirit Sect, but this Song Qingping had been polite and courteous, so Kai could not be cold-faced!

A group of people walked to the largest hall in the middle, at this time there were already more than ten people sitting in the hall, and each of them had an unkind face and carried a murderous aura if any.

Looking at these people, Kai had some doubts as to how this Song Qingping, who was so courteous and scholarly, could have reached the position of Vice Patriarch.

“Mr. Chen, you can sit down first, I will go and invite the Patriarch out”

After Song Qingping finished speaking, he turned around and left.

Kai, on the other hand, found a chair and sat down.

Feeling the unkind gazes of the dozen people around him, Kai wasn't afraid or retreating at all, and swept his gaze over these people as well!

“You are Kai?”

This was when a man in a dark green long shirt stood up and asked Kai.

“Right!” Kai nodded his head.

“I heard that you fought against the Martial Dao Alliance all by yourself, and killed several alliance masters of the Martial Dao Alliance, and brought the Martial Dao Alliance into chaos, is that true?”

The man asked.

A man like none other and the man decree Chinese A Man Like No Other Chapter 1869

"It's not that the chickens are coming home to roost, but now in Kyoto, there would be no more Martial Arts Alliance."

Kai said unhurriedly.

After Kai finished these words, instead of being shocked, those people around him all laughed out loud.

"Hahaha, you're still too young, do you really think you've destroyed the Martial Dao Alliance?"

"Let me tell you, the Martial Alliance is just a front, if the other side wanted to keep the Martial Alliance, another Martial Alliance would have appeared in Kyoto right now."

Man. Laughed loudly, with a bit of contempt in their eyes!

In their opinion, Kai was still too young to understand anything, and even more so, he did not understand the dangers of society!

Kai was not angry at the man's contemptuous gaze, but smiled slightly and said, "If one appears, I will destroy one, if two appear, I will destroy a pair"

"What a big mouth, I really don't know how you kid got the luck to get the flesh of a blood demon."

"Rumor has it that you are the number one in the younger generation of the martial arts world, I happen to have an itch to try it out"

With that, the man opened his hand and a long sword appeared in the man's hand, followed by a sword bursting up.

It went straight towards Kai's brow.

This is not a competition anymore, this is running to take Kai's life.

Kai's face instantly became incomparably cold!

The harsh sword maneuver stabbed at Kai, while Kai leaned his body back and slid out against the ground to dodge the sword!

The sword maneuver cut into Kai's chair, instantly shattering it to pieces!

Kai flicked his hands to the ground and his body stood up straight away!

"You're looking for death"

Kai looked at the man coldly and said in an icy tone.

"Kid, this is the Demon Spirit Sect, don't be so shameless, thinking that we are all scared?"

The man sneered, not caring in the least about Kai's threat.

"Deacon Lu, Mr. Chen is invited by the clan master, how can you behave like this?"

Seeing this, Zhou Jie hurriedly turned to the man and said.

"Zhou Jie, this is my business, no need for you to dictate, just punish me with the Sovereign yourself when the time comes, I want to teach this guy a few tricks today"

Deacon Lu simply did not listen to Zhou Jie's advice, and then rushed towards Kai again with his sword.

Kai's gaze faintly stared, he knew that this fellow had definitely received the patriarch's authorization!

If, in the middle of the competition, he was defeated and injured, then the Demon Spirit Sect would have the upper hand in the negotiations and cooperation later on.

But if this Deacon Lu was unbeaten, the Demon Spirit Sect's Patriarch would have other plans.

Thinking of this, Kai no longer held back and grabbed his right hand forward, the Dragon Cutting Sword instantly appeared in his hand!

As soon as the Dragon Cutting Sword appeared, the entire hall shone with a burst of light.

Moreover, the aura emanating from the Dragon Cutting Sword made everyone feel astonished!

One had to know that Kai's Zang Long Sword had become much stronger after absorbing those sword spirits in the Asking Sword Sect.

At this moment, the sword spirit of the Zenglong Sword was already strong enough to withstand one side!

When Deacon Lu saw the Dragon Cutting Sword in Kai's hand, he was also slightly stunned, but did not stop as the long sword in his hand stabbed directly at Kai!

"Humph"

Kai coldly snorted as the Dragon Chopper Sword swung in a smooth motion!

A dazzling sword aura instantly cut through the void and ruthlessly chopped on top of that Deacon Lu's longsword!

Clang

After a crisp sound, Deacon Lu found that the longsword he was holding was directly chopped into two halves.

At this moment, that Deacon Lu was dumbfounded and looked on incredulously.

He knew that the longsword in his hand was also a treasure sword, forged for seventy-seven to forty-nine days, and could cut iron like mud!

But now it was easily severed by Kai's Dragon Cutting Sword.

While Deacon Lu was in a daze, Kai's sword qi did not stop there, and after cutting off the long sword in Deacon Lu's hand, it reversed in a smooth manner.
