A man like none other and the man decree Chinese A Man Like No Other Chapter 1873 - 1875

"If he wants to save his girlfriend, he definitely will, except for the resources that are going to appear recently, I'm afraid they will have to be given to him."

Song Qingping said with a grim look on his face.

"This kid's anti-bone is too heavy, but if he can make good use of it, he might become a good helper."

The black-robed man said indifferently.

"I will find a way to make use of him, you'd better leave as soon as possible so that you won't be discovered."

Song Qingping urged the black-robed man to leave quickly!

"Then I'll leave the matter here to you, when the day the aura recovers, that's when our demon race will raise its eyebrows."

After the black-robed man finished speaking, he casually waved his hand in mid-air, and a bright light flashed up.

The black-robed man quickly disappeared into the glow!

After the black-robed man left, Song Qingping glanced at the motionless Demon Spirit Sect Leader and slowly stepped forward to take off that Demon Spirit Sect Leader's mask.

And underneath that mask was a skeleton, without the slightest bit of flesh and blood

.....

After sending Kai to his residence, Zhou Jie said to Kai, "Mr. Chen, if there is something wrong, you can find me anytime, I am really sorry for today's incident, that Deacon Lu was a bit reckless."

Zhou Jie was apologising for what that Deacon Lu had done to Kai!

"It's none of your business!" Kai smiled indifferently, he knew that Zhou Jie's position in the Demon Spirit Sect was not very high, so he did not have much right to say anything.

"Then, Mr. Chen, rest more, I'll leave you alone!"

Zhou Jie said, about to leave!

At this time, Hu Pocky had already been waiting at the door and immediately opened the door and said to Zhou Jie, "Miss Zhou, come in and have a seat and chat for a while?"

When Zhou Jie saw Hu Puzi, she just rolled her eyes, knowing that if she went in, she would be eaten by Hu Puzi again!

But just as Zhou Jie was about to turn around and leave, Kai suddenly called out to Zhou Jie, "Miss Zhou, how long have you been a member of this Demon Spirit Sect?"

Zhou Jie turned her head to look at Kai and said, "Mr. Chen, are you asking this, is there something wrong?"

"Oh, I just think that from now on, we will be a cooperative relationship and want to get to know each other a little more!"

Kai explained.

Zhou Jie smiled faintly and said, "I've been here for more than ten years, I was brought here since I was a few years old."

"How did you remember to join the Demon Spirit Sect? Or maybe they forced you to?"

Kai asked curiously.

“No, no, no, our Demon Spirit Sect would never force anyone to join, except that when I was a few years old, my whole family was chased by an enemy, and then my parents both died, and a person from the Demon Spirit Sect passed by and saved me, and brought me to the Demon Spirit Sect.”

Zhou Jie explained.

When Kai heard this, he looked a little embarrassed, he did not expect Zhou Jie to have such a tragic past.

“Miss Zhou, I’m sorry ah”

Kai felt embarrassed for evoking Zhou Jie’s painful past!

“It’s okay, it’s been so many years, and I’m living quite well here, although outsiders call us demons, but I feel warm here.”

“And for the ten years or so I’ve been here, our patriarch has always taught us to cultivate our bodies and not to lose our hearts because of our cultivation!”

“The gongfu we practise, if an individual’s determination and greed are too great, they will be consumed by the gongfu and become sadistic and brutal, so many people have misunderstood us.”

“When you came here and saw our Demon Spirit Sect people, were they different from what you imagined?”

Zhou Jie’s eyes were full of pride as she introduced the Demon Spirit Sect.

“It’s indeed a little different!” Kai nodded his head.

Although when that Deacon Lu had seen Kai, he had sought to follow him in a match, and the moment he struck, it was a killing move!

A man like none other and the man decree Chinese A Man Like No Other Chapter 1874

But those people did not have that evil demon aura on them.

Whereas those black-robed people of the Martial Alliance, each one of them was boarded with spirits and was covered in an evil demonic aura!

Perhaps it was because of the different philosophies of these two demon races that they were completely separated.

Kai felt that he would really have to re-examine the so-called evil cultivators and demon races in the future.

“Actually, our Patriarch is the most loving person I’ve ever met, and every time I see him I feel like a father!”

Zhou Jie’s eyes shone with adoration.

Looking at Zhou Jie like that, Kai then frowned slightly and said, “Your patriarch wears a mask and speaks strangely, and doesn’t feel as good as you say he does?”

“That is because you have never seen our Patriarch before, our Patriarch used to look even more courteous than the current Vice Patriarch.”

“It’s just that a fire five years ago caused our Patriarch’s face to be ruined, and the Patriarch’s temperament has changed quite a bit, and I haven’t said a word after the Patriarch since then.”

Zhou Jie spoke of this incident with a few moments of sorrow evident on her face!

“Is your Vice Patriarch very senior in your Demon Spirit Sect?”

Kai saw that Song Qingping wasn’t very old, yet he was able to become the Vice Patriarch of the Demon Spirit Sect!

Moreover, looking at that Song Qingping's performance today, it seemed that he had more power than even the Patriarch.

So Kai asked curiously.

"Our Vice Patriarch has only been here for six years, even later than me, except that our Vice Patriarch has outstanding abilities, and since our Patriarch had an accident, he was made Vice Patriarch to help take care of the affairs of the Demon Spirit Sect."

Zhou Jie said.

When Kai heard this, he frowned slightly, he always felt that something seemed wrong somewhere, but he couldn't tell what was wrong!

That Song Qingping had treated him with respect and seemed sincere, and had told Kai all the secrets within the Demon Spirit Sect!

But Kai always felt that Song Qingping was very confused, he couldn't see through it!

"Hmph, what outstanding ability, isn't he just good looking? At a glance, it's just a little white goods"

On the side, Hu Ma Zi saw Zhou Jie praising Song Qing Ping and immediately became unhappy, so he coldly snorted.

"What are you talking about"

Zhou Jie frowned slightly and looked at Hu Puzi in the face of anger!

Seeing this, Kai hurriedly said to Zhou Jie, "Miss Zhou, sorry, we are going to take a break"

After saying that, Kai pulled Pocky Hu away!

"Humph, as soon as I saw that little white face is not a good person, this silly girl, she must have been cheated"

Hu Pazzi looked jealous when he saw that Zhou Jie cared so much about that Song Qingping!

“Well, whether or not they were cheated, that is someone’s business, but that Song Qingping, I always feel something is wrong, but I can’t tell!”

Kai said with a slight frown.

“What? Didn’t have a good deal today? Is that place a resource place of the Demon Spirit Sect?”

Hu Ma Zi looked at Kai like that, so he asked.

Kai shook his head, “The Demon Spirit Sect doesn’t have any resource lands, but they do have a very magical map.”

Kai then followed Pocky Hu and told him carefully about what he had done in the Great Hall!

“It’s amazing that there is such a magical map in this world, it’s also too incredible.”

After hearing this, Pocky Hu also exclaimed in amazement!

This kind of map that could predict the growth of precious medicinal herbs was simply unheard of!

Kai followed Pocky Hu for another day in the secret realm, and the two of them were very bored!

After all, the secret realm was too small and there was basically nothing, so the two planned to go out and have a couple of rounds at the South Lake!

Another important reason why Kai wanted to go to the South Lake was that he wanted to know if that Zheng An Guo was really capable of sucking the creation out of a city!

After getting permission, Zhou Jie took Kai out of the secret realm after Hu Ma Zi, and then went to the South Lake!

A man like none other and the man decree Chinese A Man Like No Other Chapter 1875

Zhou Jie took Kai and Hu Ma Zi around the South Lake for half a day, the South Lake City was very small, so in half a day they had to go around the whole South Lake almost.

"I'm too tired, you two go around, I need to find a place to rest!"

Pocky Hu made an excuse and hurriedly left!

Kai knew at a glance what Hu Pazi was up to, this guy couldn't stay away from women!

Zhou Jie also seemed to know what Hu Pazi was doing, and couldn't help but roll her eyes:
"Are men that defenseless against that kind of thing?"

"Look at that impatient look"

Zhou Jie's words instantly embarrassed Kai and he coughed gently, "Miss Zhou, not all men are like Master Hu, I'm still a big boy"

Kai's words instantly made Zhou Jie's face full of surprise and looked at Kai incredulously,
"You have so many women around you and a girlfriend, don't you have"

"No, absolutely not, I always feel that that kind of thing is sacred and I have to wait until I get married"

Kai waved his hand repeatedly and said.

Zhou Jie looked at Kai that way and suddenly snorted a smile, "I really didn't expect that under such a society there would still be such a simple young man like you, if it wasn't for the fact that I already had a sweetheart, I would really want to chase you"

“Your sweetheart is that Song Qingping?”

Kai asked directly.

Zhou Jie blushed slightly, then nodded, “En, our Vice Lord treats me very well”

Kai looked at Zhou Jie’s shy appearance and wondered why he always had some strange feeling in his heart, he could never see through that Song Qingping, he always felt that that Song Qingping was not like what he saw on the surface!

Kai followed Zhou Jie while walking and chatting, and soon it was noon and the two of them found a place to eat!

In a small border town like this, although it doesn’t have the high-end hotels of a big city, it does have its own specialties!

Zhou Jie ordered a huge table of dishes, and they all looked good!

“Do you come here to eat often?”

Kai asked.

Zhou Jie shook her head, “The rules of our Demon Spirit Sect are very strict, we cannot just leave the secret realm, but because of my position, I need to leave the secret realm often and have come here to eat twice!”

“But for the rest of us in the Demon Spirit Sect, some of us have never stepped out of the secret realm after joining the Demon Spirit Sect.”

“What’s the difference between that and being in jail”

Kai couldn’t help but laugh, being trapped in such a small place and not being able to take a single step out was like following a prison sentence!

“As a cultivator, shouldn’t you just not ask about worldly affairs and dive into cultivation? In fact, not allowing people within the sect to enter or leave the secret realm at will is also the sect master’s way of protecting them.”

“Now that the heaven and earth’s spiritual energy in this world is depleted, it’s not adapting to the survival of cultivators anymore, and according to the laws of heaven and earth, if we stay here for a long time, not only will our cultivation not grow, but we might even regress, or even suffer irreversible physical damage!”

“Otherwise, if all the cultivators came out of the secret realm, where would there be anything left in this world for the martial world!”

“But soon the aura will recover, so perhaps a scramble will begin again”

Zhou Jie’s eyes flickered with a bit of worry!

When the time really comes for the aura to recover, then a great battle for resources will once again take place!

What with the immortal clan and the devil clan, all of them would do whatever they could for their own benefit!

“Actually, it’s good to live like this, if the spiritual energy really recovers, it will be a calamity for ordinary people”

Kai could even imagine that when the aura recovered, the major mysterious realms would open and the entire world would be in chaos.

At that time, those ordinary people in the eyes of these cultivators are just ants, worthless
