A man like none other and the man decree Chinese A Man Like None Other Chapter 1841 - 1850

Kai took the phone and the image on it was none other than Su Yuqi being tied up and a black-robed man with a leather whip continuously beating on Su Yuqi's body.

And while beating, he was also provoking Kai!

"Kai, I know you must be able to see this video, you can't even protect your own girlfriend, and you still have the audacity to challenge our Martial Arts Union."

"I pooh, you don't even look at your own virtue, just one of us can kill you."

"Now I'll show the martial arts world that you brag all day long, but you can't even protect your own girlfriend."

With that, the leather whip struck Su Yuqi's body fiercely for the second time.

Su Yuqi clenched her teeth tightly, not making a single sound, her eyes filled with anger!

Seeing all this scene, Kai's body was trembling and his teeth were clenched.

A terrifying killing aura instantly erupted from Kai's body.

"Martial Dao Alliance, I will kill all of you"

Kai violently crushed the phone in his hand, his eyes turning scarlet!

The power on Kai's body was swimming, his entire body seemed to be going into a frenzy, his anger had caused Kai to lose his mind.

Feeling the aura from Kai's body, Long Xingxu was shivering!

Kai got up and said to Long Xingxu, "Gather everyone from the Dragon Sect, I want to leave the Martial Alliance without a single living soul"

"Brother Kai, tomorrow we are going to follow the official competition of the Wudao Alliance, the battle posters have been sent out, if we do it now, we are afraid in the Wudao world"

"Shut up, I'm going to let everyone in the Martial Dao Alliance die now." Not waiting for Long Xingxu to finish, Kai roared, "In addition, inform all clans in the martial dao world that anyone who joins the Martial Dao Alliance is an enemy of my Dragon Sect, and will be subject to my Dragon Sect's revenge."

Seeing this, Long Xingxu nodded and said, "Alright, I'll go now."

After Long Xingxu left, Kai walked out of the room and threw back his head and roared!

"Ah"

The loud roar instantly spread over a dozen miles in all directions, and the golden light on Kai's body was flickering continuously as a terrifying aura swept over like a tsunami all over again.

The imperishable golden body activated, a piece of golden scales covered Kai's whole body, and also the dragon chopping sword appeared in Kai's hand!

Kai couldn't wait any longer, he wanted to go and kill all those guys from the Wudao Alliance right now, leaving no one behind

"If I don't destroy the Martial Alliance, I, Kai, will never be a human being"

Kai roared!

The bright golden light caused many people to open their eyes.

Hu Ma Zi, Gu Ling Er, Long Wu and the others all felt the anger from Kai and one by one they all came running!

They had also all seen the video on the Martial Arts Forum, and everyone was filled with righteous indignation!

Looking at Kai's scarlet eyes from anger, everyone showed their heartache.

They knew how hard it would be for Kai at this moment!

"Mr. Chen, if you mess up your mind at this time, it will be exactly what they want for the Martial Alliance, so think twice."

Zhou Jie came and spoke to Kai persuasively.

"Right, Kai you have to be calm, the Martial Arts Alliance is obviously releasing this video at this time to stimulate you, as soon as you get angry, you will definitely mess up your mind."

Long Wu also spoke to Kai and advised him.

"As I said, that is just a reflection, not your real girlfriend, so when you think of it that way, your girlfriend did not suffer a severe beating."

Zhou Jie was still persuading Kai.

At this moment, Kai's berserk aura was slowly reining in, and he was reciting the Clear Heart Mantra in his heart!

"I know, I won't mess up my mind." Kai nodded, "But I feel that I will not rest until I destroy the Martial Dao Alliance this time."

Although Kai didn't bother with the Martial Alliance, those wallflower clans that had joined the Martial Alliance were all out of luck!

In just one night, the Dragon Sect went out and wiped out a dozen clans!

A man like none other and the man decree Chinese A Man Like None Other Chapter 1842

All of them joined the Martial Arts Alliance, while some lucky ones, seeing that something was wrong, immediately announced their withdrawal from the Martial Arts Alliance!

All of a sudden, everyone in the martial arts world was scared to death of the Alliance, and no one dared to mention it again, let alone join it!

Even many of the staff within the Martial Arts Union had resigned, and even the guards at the entrance had run away!

Originally, the Martial Arts Alliance wanted to use this method to stimulate Kai, so that Kai's mind would be in turmoil and he would be able to deal with him well.

But to their surprise, in just half a day, the Wudao Alliance had been isolated!

There were only a dozen people left in the entire Martial Dao Alliance, apart from the seven of them in black and silver robes.

At noon, it was time for the tournament!

At the martial arts arena on the outskirts of the city, it was already crowded with people.

Originally, the Martial Alliance wanted to make a high-profile appearance, but now there were only a dozen people left, so how could they still make a high-profile appearance?

The seven black and silver robes had no choice but to go to the martial arts arena alone, leaving the remaining dozen people to watch over the Martial Alliance!

Just as the seven Black Silver Robes left the Martial Alliance, Long Xingxu immediately led his men in!

Kill on sight, every Dragon Sect man had endless anger towards the people of the Martial Dao Alliance!

A dozen of the Martial Alliance's men were quickly slaughtered, and Long Xing Xu successfully took over the Martial Alliance!

And smashed all the plaques and replaced them with those of the Dragon Sect!

Only the seven black and silver robes did not know it yet and were on their way to the martial arts arena.

Kai was alone, standing quietly on top of the ring, waiting for the people of the Martial Dao Alliance.

Although Kai was the only one on top of the ring, the crowd felt the aura on Kai's body as if he had a thousand horses!

"I want to change the bet, I want to bet on Kai to win"

"This Kai's aura is indeed different from the other Grand Martial Marquis."

"This match will definitely be exciting, I want to watch it properly."

The crowd looked at Kai on top of the ring and chattered!

"The people from the Martial Alliance are here"

Just then, seven black and silver robes slowly approached and then got on top of the ring!

Seeing that all seven Grand Martial Marquis of the Martial Dao Alliance had appeared, the crowd then stopped talking and quietly looked above the ring!

At this moment, in a corner under the ring, a man, also wearing a black robe and with his face covered up, was staring deadly at the ring!

This man was none other than Ning Zhi, who at this moment had long since ceased to be entirely himself.

“These fools, trying to anger Kai and make his mind go into turmoil, now it seems to have backfired.”

Ning Zhi spoke slowly.

“You observe well, and when the time comes, you’ll have a fight on your hands when you follow that Kai.”

In Ning Zhi’s mind, the voice of the Demon Envoy appeared.

“Lord Demon Ambassador, do you think that seven black and silver robes, in addition to two Martial Saint Weapons, still can’t catch this Kai?”

Ning Zhi asked with some surprise.

“Not necessarily, but that Kai dares to challenge the Martial Alliance on his stomach, and still looks as if he is calm and collected, so it seems that he is prepared.”

The devil ambassador said.

“Then if the seven black and silver robes lose in a moment, should we make a move?”

Ning Zhi asked.

“No, your task now is to increase your strength as soon as possible, it won’t take long and you’ll be of great use.”

The devil ambassador said hoarsely.

Ning Zhi nodded, although he didn’t know what other great use he could be, but since the Demon Envoy had said so, it seemed that he would have an unlimited future.

Above the ring, Kai was alone, following the seven black and silver robes of the Martial Alliance relative to each other!

The boss slowly took a step forward, before looking at Kai with a deadly stare!

Kai likewise looked at the boss in the black and silver robes, his eyes filled with murderous aura!

The two men began to emit their auras, a wave of aura sweeping over each other like a wave of the sea, constantly pounding against each other!

It was obvious that the boss was testing Kai's strengths!

A man like none other and the man decree Chinese A Man Like None Other Chapter 1843

Boom

With a loud bang, Kai's body took three steps backwards, while the black and silver robed boss didn't move at all!

The crowd under the stands were all a little surprised at this!

If Kai couldn't even deal with one black and silver robe, how could he still talk about challenging the entire Martial Arts Alliance?

If seven people were to join forces, Kai would still be beaten to a pulp!

Disdain appeared in the boss's eyes as he sneered, "With that kind of skill, where did you get the courage to challenge our Martial Arts Alliance?"

"Don't think how powerful your Dragon Sect is, in the face of absolute strength, I can have your Dragon Sect disbanded in a minute."

"If you meekly admit defeat and come with us now, I can let you leave with dignity!"

“If you are stubborn, then I won’t mind beating you like a dead dog before dragging you away.”

The boss threatened at Kai, the test he had just made had multiplied his message.

“You’re that confident you can beat me?”

Kai said with a faint smile.

“It’s not confidence, it’s strength, if all seven of us strike at the same time, you’re afraid you won’t even see the crumbs of your bones.”

The corners of the boss’s mouth lifted slightly, his eyes filled with disdain and contempt!

“Then let the seven of you do it together, since I want to challenge your Martial Alliance, of course let the seven of you do it together, killing them one by one, I think it’s too much of a waste of time

Kai said in a cold voice.

Upon hearing Kai’s words, all seven black and silver robes were stunned.

They did not expect that Kai would dare to let the seven of them do it together in front of so many people.

This was simply too arrogant, too much to put them in the eye.

“Kai, you hairy boy, you simply don’t know how high the sky is, you are too rampant

The black and silver robed old fifth roared at Kai.

However, that boss did not get angry, but had a cold smile on his face, “Kai, that little trick of yours, I have seen it for a long time, don’t you just want the seven of us to do it at the same time, then even if you lose, you can still say that we are bullying you with a large number of people.”

“And also fall that our martial arts alliance is not martial virtue, many people bully you alone, I am not going to give you this opportunity, I am enough to deal with you alone”

The boss after just trying, he felt that he had no problem dealing with Kai, in addition to having the Martial Saint Artifact in his hand, it would be as easy to defeat Kai!

“You mean you want to fight me one on one?”

Kai asked indifferently.

“Of course, one of us would be enough, why bother with seven hands?”

The boss nodded.

“Good, I hope you won’t regret it.” Kai nodded and then said, “But I have a request.”

“You can speak”

The boss nodded.

“Can I pick one of the seven of you to compete with me?”

Kai asked.

The black and silver robed boss faintly stared, “Are you trying to pick the least powerful one from among us to compete? But I advise you to put away that little thought, because the strength of our brothers is equal, and whoever you pick will suffer the same fate.”

But Kai shook his head, “I just want one person to die first”

“Alright, who do you pick?” The boss asked.

Kai swept his eyes over several people, then dropped his gaze to the black and silver robed oldest.

“That’s him”

Kai's gaze was thick with killing intent.

This was because from within the video, Kai could clearly see that it was this guy who had beaten up Su Yuqi.

The boss gave Lao Er a glance, then smiled coldly and said, "Lao Er, this guy has chosen you, are you sure?"

"Big brother, within ten moves, I'll take this kid down."

The black and silver robed oldest was confident, the fact that the boss had just tested Kai had long ago allowed him to see Kai's strength.

"Good, then you strike, but be careful, don't get him killed"

The boss admonished.

Because Kai's flesh is needed, and if Kai dies, it's a corpse, and the value of the flesh will be greatly diminished!

"I understand"

Lao Er nodded, then stepped forward and pointed a long sword in his hand at Kai.

"Kid, that little girlfriend of yours with her fine skin and tender flesh is really resistant to beatings, she didn't even say a word, I believe you saw that video too, right?"

Lao Er stepped forward and provoked Kai with his words!

Kai's pupils suddenly shrank, and his whole body was filled with killing intent!

"Today I will let you know what it means to regret"

As Kai finished speaking, the Dragon Chopper Sword slowly appeared in his right hand!

The moment the Zang Long Sword came out, everyone seemed to feel the thick battle intent and bloody killing aura emanating from that Zang Long Sword!

Kai had long been united with the Dragon Cutting Sword, and the sword spirit of the Dragon Cutting Sword could also truly feel the anger in Kai's heart.

Therefore, at this moment, the Dragon Cutting Sword had long been hungry and thirsty, wanting to drink the blood of the opponent.

Seeing the Dragon Cutting Sword in Kai's hand, the long sword in Lao Er's hand actually trembled slightly, as if he was afraid!

"Kid, take it"

Seeing this, Lao Er rushed directly towards Kai.

If he didn't make a move, he was afraid that cowardice would develop in his heart as well.

When fighting against each other, it was most taboo to develop cowardice towards the other party, so that one would become very passive!

Obviously, this black and silver robed old man also understood the reasoning behind this, so he took the lead.

The long sword in his hand stabbed straight at Kai, and his sword qi was like an arrow in mid-air, whistling in the air!

Kai didn't panic, and with a flick of the Dragon Cutting Sword in his hand, a surging sword qi was directed towards the old man!

With this swing, Kai's sword qi was like a wave of the sea lapping at the old man.

But the sword qi emanating from the black and silver robed old man was sharp and cohesive, instantly piercing through the waves of sword qi in front of Kai!

The whistling sound was instantaneous, but Kai's face did not change, and his imperishable golden body erupted.

A golden glow instantly enveloped Kai's entire body, making him look like a warrior in golden armour!

The sharp sword energy of Lao Er hit Kai's body, but a burst of fire erupted instantly, except for a few scales of Kai's Incorruptible Golden Body, Kai did not suffer any other damage!

Lao Er's face was shocked and he looked at Kai incredulously, but just as he was shocked, Kai's sea of sword qi had already reached him!

Lao Er backed up in a panic, and at the same time, his sword waved out a sword flower in his hand, trying to ward off Kai's sword qi!

But Lao Er's sword flower was like a lone boat under Kai's ocean wave-like sword energy, and was instantly smashed to pieces.

Lao Er's entire body also seemed to feel the stormy ravages as he fell heavily to the ground, and his clothes were even torn and tattered by the sharp sword qi, just like a beggar.

"Is that all you've got?"

Kai looked coldly at the fallen Lao Er and said with a grim face.

Everyone watching this scene was all shocked, Kai had actually made the opponent fall to the ground with a single sword!

One must know that just now, several Black Silver Robes from the Martial Alliance had sworn that they would be able to take down Kai by themselves.

The black and silver robed boss in particular was like being slapped in the face right now, and in front of everyone!

“Lao Er, stand down”

The boss said to the oldest two.

But at this moment, Lao Er had already fallen into a frenzy, and after climbing up, he looked at Kai angrily, “I will take him down today”

Soon, a faint black mist began to emanate from Lao Er’s body, and a black figure seemed to wander around Lao Er, finally slowly following his body as it overlapped.

At this time, Lao Er’s face was full of fierceness, and the aura on his body began to shift, understanding that it had become a little stronger.

“Kid, it seems that I have underestimated you”

The boss knew that at the beginning, Kai had deliberately shown weakness to himself and let himself be fooled, or else Lao Er wouldn’t have been so miserable!

So this time, in one breath, he had all three of them strike together against Kai!

He didn’t believe that Kai could still defeat his three brothers!

Old Five shouted angrily and swung a big sword towards Kai!

At the same time, Old Three, and Old Four also made their moves towards Kai at the same time.

It could be seen that these black and silver robes had not practiced much together, their movements were very skillful together, and the timing of their attacks was just right.

Kai did not appear to panic in the face of the simultaneous attacks of the three Black Silver Robes, but blocked the Dragon Cutting Sword in his hand forward, directly blocking Old Five's big sword!

But at the same time, Old Three's iron fist had already reached Kai's chest. Kai frowned slightly and could only draw his sword and withdraw his body, dodging Old Three's punch!

But before Kai could stand still, a nine-sectioned whip was flung towards Kai, the head of the nine-sectioned whip sliced through Kai's body and instantly flashed a golden light, while another large piece of scales of Kai's imperishable golden body turned into nothingness.

"Kid, I'll see how else you can dodge our three brothers' attacks"

Old Fourth snorted coldly, and the nine-sectioned whip in his hand was like a poisonous snake, once again reversing its direction and heading towards Kai.

At the same time, the large knife in Old Five's hand directly attacked Kai's legs.

Old Three leapt up and smashed his head with a pair of iron fists. The three of them were working in tandem to kill Kai in one blow!

Because of Kai's injury to Lao Er, these three seemed to have long forgotten the Demon Envoy's instructions.

When the crowd saw this, they all felt their hearts tighten up!

And the Demon Envoy inside Ning Zhi frowned and said, "These fools, to lay a killing blow, the Great Power will blame"

“Lord Demon Ambassador, should we step in and warn them?”

Ning Zhi asked.

“Forget it, let’s see”

The Devil’s Envoy said.

And above the ring, Kai faced the simultaneous attack of the three men, a golden light appeared on his body, followed by an explosive shout and a sword swing, the Dragon Cutting Sword in his hand instantly dislodged!

When the crowd saw this, they thought Kai was so nervous that he couldn’t even grab the weapon out of his hand, but they didn’t know that Kai had already been able to move his sword at will!

The sword met Old Fifth’s sword alone, with a burst of fire!

The sword in Old Fifth’s hand was instantly cut off by the Dragon Cutting Sword.

And at the same time, Kai made a fist with his right hand, and a golden light shone above his fist.

“Holy Light Fist”

A golden light was like a shot, only to blast at Old Three!

Rumble

Old Third was instantly sent flying by this huge fist wind from Kai.

At the same time, Lao Si’s nine-section whip had already struck Kai’s body, only to see the imperishable golden body on Kai’s body instantly shattered, but Kai did not suffer much damage, the whole person leaped up, followed by a kick to send that Lao San flying.

In the blink of an eye, the crowd didn’t even see what was going on before they saw that the three black and silver robes had already been knocked to the ground!

Especially that old man, his whole arm was twisted and deformed, obviously broken!

The Dragon Cutting Sword was back in Kai's hand, and with the sword in one hand, he looked coldly at the three black robed men who had fallen to the ground!

At this, the whole crowd was shocked, and there were even sighs of laughter!

"Hahahaha, the three from the Martial Arts Alliance together were actually beaten down so quickly and much."

"Where are the people who bet on the Martial Arts Alliance to win? I see you guys are going to lose."

"This Kai is so awesome, I can't help it"

The crowd was talking, sort of putting that Martial Arts Alliance down as worthless.

What's more, they described those seven black and silver robes as worse than pigs and dogs

A man like none other and the man decree Chinese A Man Like No Other Chapter 1847

Listening to the crowd's chatter, the black and silver robed boss couldn't tell how ugly his face was.

He really couldn't understand how terrifying this fellow Kai's strength was, how could three people still be no match for him?

With such strength, it was surprising that all three of them could not defeat Kai.

But the strength Kai had shown was only at the middle stage of Grand Martial Marquis, how was that possible?

And at this moment, Ning Zhi in the stands, his face had become extremely ugly!

Originally, he had thought that he had trained hard and would definitely be able to defeat Kai, but now that he saw Kai strike and instantly defeat the three Black and Silver Robes, this had dealt a huge blow to Ning Zhi's confidence!

"What? Suffered a blow?"

The Demon Ambassador inside Ning Zhi spoke up.

Ning Zhi didn't say anything, he just nodded, he had followed Kai in his fight for so long, and all along Ning Zhi had considered himself to be the most talented one, and also the smartest.

If it came to scheming, Ning Zhi would not lose to anyone!

But every time he had followed Kai, Ning Zhi had always ended up in a miserable defeat, and he did not know why.

"Do you want to know why this Kai is so powerful and can fight beyond his rank?"

The devil ambassador asked.

"Yes, why? Why should this Kai be superior to others?"

Ning Zhi asked in a very puzzled manner.

"It's because of his special physique, to know that a person's physique is related to what level of cultivation he can reach."

“This Kai has a special physique and is a Golden Dragon True Body, how can an ordinary person possibly compete with him?”

The devil ambassador said indifferently.

“Golden Dragon True Body?”

Ning Zhi muttered, his face filled with despondency.

Kai had a special physique, while he was merely an ordinary person, how else could Ning Zhi follow Kai in a fight?

The two would clearly not be opponents of the same calibre.

Seeing Ning Zhi’s dejected look, the devil ambassador continued to speak, “Actually, your body isn’t an ordinary human’s physique either

The Demon Envoy’s words caused Ning Zhi’s eyes to light up, “Lord Demon Envoy, you said that I’m not an ordinary human physique? Then what kind of physique am I?”

“If you were just an ordinary human physique, with your faults, would the great powers spare you? Would they take out precious resources for you to cultivate?”

“If it was an ordinary human physique, do you think I, a titled Demon Envoy, would look at this body of yours?”

“You are an Inferno Demon body, only this special physique has been in seal and needs to be stimulated before you can.”

“When I stimulate your Inferno Demon Body’s physique, you won’t have to fear that Kai at all.”

Ning Zhi's eyes were filled with fighting spirit as he looked sharply towards Kai in the ring!

He knew that he and Kai were bound to have a fight to the death

Ning Zhi saw Kai as his lifelong enemy, but he didn't know that Kai didn't regard him at all, and that Kai's enemies were far more powerful than him!

At this moment, above the ring, Old Three, Old Four and Old Five in the black and silver robes had all adjusted their breath, and that Old Three's arm had been attached!

"Old Six, Old Seven, you all go together, if you can't capture it alive, get it killed"

The boss ordered with a cold face to a few black and silver robes.

This kind of scene was something he hadn't expected in any way, now he could only bully the few with the many and see if he could defeat Kai.

In a flash, five black and silver robes pounced on Kai at the same time

Kai instantly executed the Nine Shadows Sword Technique!

Kai's figure once again split into two and two into four

Although Kai's Nine Shadows Sword Technique had not yet reached the ninth shadow, it was now considered incredibly skilful!

Only six identical Kai's, holding the same Chopping Dragon Sword in their hands, were seen facing the five black and silver robes!

A tiny golden dragon encircled the Zenglong Sword with the power of the divine dragon!

With a furious cry from Kai, all six figures slashed at once!

Instantly, sword Qi streaked across the entirety of the human ring, filling it with a terrifying sword Qi!

Rumble

A terrifying sword qi instantly headed towards the five black and silver robes!

When the five black and silver robes saw this, they were all shocked, they did not expect that the remnant shadow that Kai had illusioned would also emit such a terrifying sword qi.

You know that illusory shadows are usually confusing to the spirit and do not possess any real strength or attack power at all!

But the few shadows that Kai had conjured up seemed to possess the same strength as Kai's original body!

In this way, they had to face six identical Kai's.

At this moment, the five black and silver robes all panicked and brought out their strength to resist the terrifying sword qi!

At this moment, Kai, however, flashed his body, his entire body weaving back and forth among the several figures at the speed of light!

No one could see which one was the original body and which one was the illusionary shadow!

Boom

The third was the first to be heavily knocked out by a sword qi!

Then came Old Five, Old Six

Soon, all five black and silver robes were all heavily knocked out and fell on top of the ring.

Each of the sword qi they faced was substantial, possessing terrifying power and damage!

Only they didn't know that only one of the sword qi actually possessed real damage.

If they hadn't stopped to defend themselves and charged straight through the sword qi towards Kai, they wouldn't have been injured by the sword qi at all!

Kai was merely taking advantage of the time gap, changing among his figures all by himself, these sword qi were all generated by Kai himself cutting down sword after sword.

With Kai's current strength, he did not yet have the ability to make the figure he had conjured up, have the same strength!

Looking at the five black and silver robes that were sent flying out, the whole room was in an uproar.

No one had figured out just how terrifyingly strong Kai was, how he could possibly have defeated five Great Martial Marquis with a single sword.

This was simply impossible!

The black and silver robed boss also froze, looking at Kai incredulously!

Kai's strength was refreshing his perception time and time again!

"You should follow along too, you better use your Martial Saint Weapons or you will be in hell next time."

Kai looked provocatively at the black and silver robed boss and said coldly.

The boss looked at the provocation in Kai's eyes and his entire face turned blue with anger!

The reason he did not use the Martial Saint Weapon at first was because he felt that a few people joining forces would definitely be able to take down Kai.

One had to know that Martial Saint Weapons were very valuable and had a life span that was less once used!

If the Martial Saint Weapon was damaged, they couldn't afford to take the blame.

The five black and silver robes slowly stood up, although the sword qi hadn't killed them, it still made their internal organs keep churning.

The boss slowly glanced at the oldest five: "Oldest five, bring out the Martial Saint Weapon"

Old Five nodded, then picked up the hilt that had long since been severed, a turquoise aura was injected into the hilt, and soon the greatsword slowly shattered, followed by a faint green glow!

This green glow became a large sword, while the hilt was still held tightly in Old Five's hand.

As the light dissipated, the greatsword in Old Five's hand became complete, while a terrifying aura emanated from the blade.

And on the back of the blade, three large rings passed through the blade, and the blade moved gently as the rings touched the blade with a crunching sound.

The boss, on the other hand, had a set of tiger fingers suddenly appear on his hand, with a single spike on the tiger finger that shone with a dazzling cold light!

When the tiger fingers appeared, a terrifying aura instantly struck everyone's heart and shook everyone!

The mere aura emanating from this Martial Saint Weapon made many people feel the pressure, as if a huge mountain was pressing down on them.

This was a Martial Saint Weapon, a seemingly ordinary Martial Saint Weapon that could drive people mad!

One had to know how many Martial Dao families had never had a Martial Saint Artifact in their lifetime.

If a Martial Dao family possessed a Martial Saint Weapon, it would definitely be able to achieve the top position in the Martial Dao world!

This shows the value of these Martial Saint Artifacts!

The appearance of the two Martial Saint Weapons caused the crowd in the stands to hold their breath!

Although Kai was very strong and had just defeated five Great Martial Marquis with a single sword!

But with the appearance of the Martial Saint Artifacts, the scales of victory instantly tilted towards the side of the Martial Alliance.

One must know that by taking out a Martial Saint Artifact, the strength of even one Great Martial Marquis would increase exponentially!

Not to mention that these were two Martial Saint Artifacts, how else could Kai deal with them?

Kai quietly looked at the Martial Saint Artifacts that the Martial Alliance had revealed, his heart filled with searing heat!

The Dragon Cutting Sword in his hand continued to buzz, and the light on the sword grew more and more intense!

In the end, the light from the sword enveloped the entire martial arena, and the pressure the crowd had just felt from the Martial Saint Weapon on them instantly became relaxed under this light!

The aura emanating from the Dragon Cutting Sword in Kai's hand instantly crushed those two Martial Saint Artifacts!

"Kai, originally we were going to capture you alive, but you sought your own death, so you can't blame me."

The boss finished speaking and smashed his fist into the void!

A huge wave of energy was heading towards Kai, the entire void was trembling, at this moment this energy was like a fierce beast, opening its bloody mouth to devour Kai!

In response to the boss's strike, Kai raised his Dragon Slashing Sword without panic and slashed down with a fierce slash!

A wave of energy in front of Kai was instantly cut off by this light, and the turbulent void turned into a chaotic flow and began to run around!

And with another swing of the Dragon Slashing Sword in Kai's hand, the turbulence disappeared and the entire void became calm!

The boss's Martial Saint Weapon strike was lightly defused by Kai with the Dragon Chopper Sword.

The black and silver robed Boss frowned slightly and bellowed, "Let's go together"

Faced with the Dragon Chopping Sword in Kai's hand, although he had the Martial Saint Weapon in his hand, the boss was still a little unsure in his heart.

So let's just go together and blast Kai straight into slag.

In a flash, the blades rose up above the ring, all heading towards Kai!

Kai looked at the Dragon Cutting Sword, he put all his hopes on the Dragon Cutting Sword.

The Dragon Cutting Sword seemed to sense Kai's wish and let out a buzzing sound!

Then Kai took the Dragon Cutting Sword out of his hand, and along with a sharp whistle, a green light flew out from the Dragon Cutting Sword!

This was the spirit of the sword, only to see the green light circling around the Dragon Cutting Sword a few times, as if the Dragon Cutting Sword was inspired to fight, the buzzing sound was so loud that many people couldn't help but plug their ears!

A man like none other and the man decree Chinese A Man Like No Other Chapter 1850

Boom

Like a dragon emerging from the sea, a sharp sword qi descended from the sky with the Zeng Long sword

The crowd all looked incredulously at the scene before them, all in disbelief!

They didn't expect that a sword could emit such great power on its own!

This kind of power was not inferior to that Martial Saint Weapon.

It was even a little more powerful than that Martial Saint Artifact.

Feeling the power of the Dragon Chopper Sword, those black and silver robes all had a shock in their hearts and their movements began to hesitate.

“Don’t care, kill Kai first, as long as Kai is dead, that sword will be useless”

The boss roared, telling the crowd to ignore the dragon chopping sword!

In his opinion, although the Chopping Dragon Sword came out of his hand, it was still controlled by Kai, and at this moment Kai controlled the Chopping Dragon Sword, then his defense was the weakest.

However, the boss thought wrongly, the Dragon Cutting Sword was not under Kai’s control now, but was controlled by the sword spirit himself.

Six terrifying auras headed towards Kai, and the power emanating from two of the Martial Saint Weapons, even if Kai had an imperishable golden body, even if Kai’s fleshly body was strong, it would be almost impossible for him to carry off these attacks hard.

But Kai’s fleshly body could not resist these attacks, but did not panic, but waited quietly!

Seeing that Kai was not moving, a cold smile appeared at the corner of the Boss’s mouth, he still thought that Kai was controlling the Dragon Cutting Sword and had no way to take care of this place.

But just as a terrifying aura reached Kai’s front, there was suddenly an additional person in front of Kai.

An additional corpse, to be exact!

The flesh body of the Blood Demon was used as a shield by Kai, directly in front of himself.

This sudden scene caused the crowd to all stare, not understanding what this Kai was really up to!

There were also those few black and silver robes, all in a state of confusion!

They didn't understand why Kai was taking out a corpse for something at this moment of life and death.

But soon, they understood.

Only to see that the aura that struck the Blood Demon's flesh was instantly blocked, while not a single trace of the Blood Demon's flesh was left behind!

Even the attacks from the two Martial Saint Weapons were easily blocked by the Blood Demon's flesh!

At this moment, the several Black and Silver Robes were all dumbfounded!

They couldn't understand what kind of person's flesh was so strong that even the Martial Saint Weapons couldn't leave a single trace!

At this moment, seeing the Blood Demon's flesh, a person on top of the grandstand had a strong light in her eyes!

This person was Zhou Jie, who had come to invite Kai to cooperate, to invite Kai to the Demon Spirit Sect, and had even gone so far as to tell Kai some of the secrets of the Martial Alliance, for the sake of this Blood Demon's flesh!

"What the hell is this thing?"

The black and silver robed old man asked with a look of confusion on his face.

But before anyone could answer, they felt a threat from above their heads!

Only to see the Dragon Chopping Sword emitting a terrifyingly powerful aura, enveloping several people above their heads from above!

"Retreat"

The boss was shocked and his body hurriedly retreated backwards.

The other black and silver robes followed suit and hurriedly retreated, but a sword qi was still falling towards several people like rain!

They had no choice but to wield the weapons in their hands and keep following the sword qi to resist!

What the crowd saw at the moment was a few black and silver robes following a sword in a confrontation, while Kai looked somewhat idle.

After a burst of sword qi, the several black and silver robes looked a bit wretched, and their black robes were all in tatters, like beggars!

Six Great Martial Marquises and two Martial Saint Weapons had failed to take down Kai, which had shocked many people!

“Old Fifth, Old Seventh, you follow me to deal with that Kai!”

“Old Three, Old Four, Old Six, you guys stall that sword”

The boss ordered loudly after catching his breath for a moment.

They were going to divide and conquer, it turned out that that Dragon Cutting Sword was not being controlled by Kai, but had an autonomous sense of attack!

Obviously it was a spirit sword, and the sword spirit possessed a portion of divine consciousness now.
