This was the sixth floor, so Wan Hong leapt and landed firmly on the ground, then he sneered and glanced at the panicked Zheng family members upstairs and turned to leave!

But just as Wan Hong's face was disdainful, three people suddenly walked towards him.

It was Zheng Kai with two Great Martial Marquis, after seeing Wan Hong, Zheng Kai's eyes just lit up: "Good you liar, finally found you, you dare to cheat on my Zheng family, you are simply looking for death"

Seeing this, Wan Hong turned around and was about to run, but the two Great Martial Marquis of the Zheng Family leapt and directly stopped Wan Hong!

Wan Hong looked at the Zheng Family's two Great Martial Marquis, and the Zheng Kai who was eyeing him, and his brow frowned slightly.

Although Wan Hong's strength was not weak, but facing two Great Martial Marquises plus Zheng Kai, a Martial Marquis, it was almost impossible for him to fight three with one.

"Zheng Gongzi, what do you mean? Why don't I understand? When have I ever lied to your Zheng family?"

Wan Hong asked, pretending to be stupid.

"Damn it, you're still playing dumb for me, you told our Zheng family the general location of a herb coming out, but you yourself secretly found the location and set up the formation!"

"It seems that you planned this long ago, using our Zheng family to attract the attention of others while you took the 10,000 year old medicinal herb that was secretly hidden with the formation."

"Is that right?"

Zheng Kai questioned loudly at Wan Hong.

Wan Hong froze, he didn't know how that Zheng Kai knew about his plan, he had seen clearly when he cast the spell, there was no one there at all!
