A man like none other and the man decree Chinese A Man Like None Other Chapter 1897 - 1900

Wan Hong's eyes twinkled, then he nodded, "Sir Zheng, I'll go back with you, and when I see the Zheng Family Master, I'll be sure to personally apologise."

Wan Hong lowered his head, while Zheng Kai let his guard down and went straight forward with the intention of taking Wan Hong away!

But just as Zheng Kai took two steps forward, the corners of that Wan Hong's mouth suddenly smiled, followed by a raise of his hand, and a white smoke instantly enveloped Zheng Kai!

Zheng Kai was shocked, his body instinctively stepped back, and then he held his breath as his palms came out in unison, and a terrifying wind roared up!

Zheng Kai knew that the white smoke that had suddenly appeared must be poisonous, he could not inhale it!

The strong wind blew away the white smoke, but at this moment Wan Hong had already reached Zheng Kai's eyes, grabbed Zheng Kai's shoulder and put his other hand against Zheng Kai's back!

As soon as Wan Hong exerted his force, Zheng Kai's internal organs would definitely be shattered, and he would then go straight to hell!

When the two Martial Marquis saw Zheng Kai being restrained by Wan Hong, their hearts were all shocked and their bodies leapt up towards him!

"Stop, if you don't want your Grand Young Master to die, then be honest"

Wan Hong took control of Zheng Kai and shouted at the two Zheng Family's Great Martial Marquis.

At this, the two Great Martial Marquis of the Zheng Family stopped their bodies and were left with no idea for a while.

Now that Zheng Kai was in the other party's hands, there was no way for them to make a move!

When Wan Hong saw that the two Great Martial Marquises of the Zheng Family did not dare to make a move, the corners of his mouth lifted gently, then he began to control Zheng Kai and retreated backwards!

And the two Great Martial Marquises didn't dare to follow, they could only watch anxiously from where they were!

Just when Wan Hong thought he could escape, someone suddenly shouted out at Wan Hong!

"Wan Hong"

Wan Hong instinctively glanced sideways, followed by a stare in his eyes!

"Hu Ma Zi?"

Wan Hong did not expect to see him here after not seeing him for many years.

"Wan Hong, I didn't expect you to remember me, today you've been encountered by me, I'll break you into pieces"

Hu Ma Zi gritted his teeth and said.

Wan Hong coldly laughed: "Hu Pocky, you were not my opponent before, and you still are not now, and you also do not believe why that Xiao Yu did not choose you back then, but ran away after me?"

When Hu Pocky heard this, his body trembled with anger, that tyrannical aura rising up from his body!

And when Kai looked at Hu Pocky's furious look, he knew that the Little Jade that Wan Hong was talking about must be Hu Pocky's former girlfriend.

"Master Hu, that Wan Hong is obviously deliberately provoking you, and if you get angry, you'll fall for it."

"Besides that was decades ago, now you've played with more women than that Wan Hong has ever seen, I'm afraid!"

Kai persuaded at Hu Ma Zi!

Hearing what Kai said, Hu Pazzi's anger subsided and he nodded, "You're right, I've played with more women now than that fool has ever seen, and that was all in the past, I won't be angry."

Hu Pazzi, who had figured it out, looked at Wan Hong and said with the corner of his mouth raised, "Wan Hong, don't you f*cking provoke me with your words, I have long seen through the red world, only today let me meet you, you are dead"

The first thing you need to do is to get your hands on a few charms and then throw them in your mouth and a few flames start burning in the air!

Immediately afterwards the flames began to string together, forming a network of fire, blocking Wan Hong's retreat.

Seeing this, Wan Hong frowned slightly, "Hu Ma Zi, there is time to settle your grudge and mine, today I have no time to deal with you, get out of my way now or I will kill him"

Wan Hong used Zheng Kai as a shield, hoping that Pocky Hu would get out of the way!

But who knew that Pocky Hu coldly smiled: "You kill him, you kill him, it has nothing to do with me, I know who he is?"

Pocky Hu pretended that he didn't know Zheng Kai at all.

A man like none other and the man decree Chinese A Man Like None Other Chapter 1898

Wan Hong froze, then said, "I'm telling you, this is Zheng Kai, the youngest master of the Zheng family, the entire South Lake is owned by their Zheng family"

"I don't care whose family's young master he is, anyway, if he dies, you killed him, his father is also looking for you to take revenge, what does it have to do with me, it is you I want to kill today"

Hu Pazzi said, a faint light glowed above his palm, and he slapped out with one palm, without any regard for the safety of that Zheng Kai!

Wan Hong saw this, also do not dare to lay a deadly hand on Zheng Kai, if really killed Zheng Kai, he knew that he was afraid that he would be hunted by the Zheng family for the rest of his life.

If he really killed Zheng Kai, he knew that he would be hunted by the Zheng family for the rest of his life.

Boom!

After a loud sound, the terrifying energy shook out in all directions.

Stomp stomp stomp

Hu Pazzi's body retreated one after another, while his right hand was vaguely numb!

The strength of Hu Pocky was still a bit different compared to that Wan Hong!

"Humph, Hu Pocky, you were not my opponent before, and you are not now, you can only live under my feet forever"

Wan Hong said with the corners of his mouth slightly raised.

“Wan Hong, don’t be rampant, see how I will clean you up”

Hu Pazzi’s eyes narrowed slightly, although Hu Pazzi’s strength was not strong, but in the area of talismanic arts, there were few rivals.

Only to see Hu Ma Zi’s hands choke the spell, a yellow talisman instantly rose up from his body!

A blood-red rune soon appeared on the yellow incantation, which instantly transformed into a fierce beast, hissing and rushing towards Wan Hong!

Seeing this, Wan Hong sneered, “Hu Ma Zi, even if it’s a rune spell, I’m not afraid of you”

With that, that Wan Hong looked to the side, surprisingly, he directly reached out and pulled off a piece of yellow cloth in front of a door, then bit his finger and drew vigorously on top of that piece of yellow cloth!

Soon, the yellow cloth rose up in flames, followed by a big bird flying out of the flames, and the bird’s body was still burning with blazing fire!

“The fiery bird of God”

Hu Ma Zi frowned, “Wan Hong, how did you summon the Fiery God Bird? This is Xiao Yu’s”

Pocky Hu’s former girlfriend carried a special physique within her that was able to summon this fiery divine bird!

Only this kind of thing, wasn’t a gongfu, so it wasn’t something that could be taught, and other people wouldn’t be able to learn it at all!

Now this Wan Hong could actually summon the Fiery God-Bird, which made Hu Ma Zi a little shocked!

“What is hers is mine, since he has chosen to follow me, he must give all he has”

Wan Hong said with a cold smile.

Hu Ma Zi looked at Wan Hong like that, a bad premonition descended on his heart!

“What have you done with Xiao Yu?” Hu Ma Zi asked.

“Nothing, the two of us have now become one, the golden pellet in her body is now inside me, otherwise how could I have summoned this fiery divine bird”

Wan Hong said with a cold smile.

“You actually killed her?” Hu Ma Zi’s body trembled as the flames of anger continued to rise!

It could be said that that Xiaoyu had still maintained a place in Hu Ma Zi’s heart, otherwise Hu Ma Zi would not have been decadent for so many years, using other women to anesthetize himself!

Now when he heard that Wan Hong had killed Xiaoyu, the deeply buried longing for Xiaoyu in Hu Ma Zi’s heart instantly erupted!

“Don’t say it so hard, that’s not killing her, but letting her live in my heart in a different way”

Wan Hong said in a loud voice.

“Ah”

“Go to hell”

A monstrous rage erupted from Hu Ma Zi’s body, and the fierce beast that the talisman had transformed into, hissed loudly along with him!

Wan Hong was unperturbed, and with a casual wave of his hand, that fiery divine bird struck directly!

Huhuhuhu

The flaming bird's wings kept stirring, and the sky rose in a ball of flame, directly reflecting half of the sky!

The fierce beasts transformed by Hu Ma Zi's charms hissed in the flames!

Surprisingly, they were all set alight and finally dissipated into smoke.

Seeing this, Hu Ma Zi hurriedly chanted again, and the incantations on his body rose into the air again!

"Water Control Incantation"

Hu Ma Zi shouted, and immediately afterwards the ground around him burst into flames and a pillar of water shot up into the sky!

A column of water converged together to form a water tornado, which then swept towards that Fiery God-Bird!

The Flaming Bird spat out flames from its mouth, but when it met water, it was extinguished, and the water tornado approached in an instant!

The water tornado quickly surrounded the Fiery Bird, and a huge column of water pounded into it!

The flames on the Fiery Bird were not spirit fire or Samadhi fire, so in the face of the water, the flames became dimmer and dimmer!

The Flaming Bird was about to be swallowed by the water tornado, but Hu Ma Zi stopped!

For this fiery bird was the only one in the world that Jade had left!

But while Hu Ma Zi was in a daze, the Fiery Bird, under the command of Wan Hong, let out a hissing roar and rushed straight out of the water tornado, ruthlessly slamming into Hu Ma Zi!

Pockmarked Hu was unable to dodge, and was directly knocked out, a mouthful of blood gushing out!

The water tornado was uncontrolled and instantly turned into a puddle of stagnant water and fell back to the ground!

The flames on the Fiery Bird's body blazed up again!

"Hahahaha, Pocky Hu, you will never be able to surpass me, even your most beloved woman has chosen me, what else do you have to fool around with in front of me?"

Wan Hong looked at Hu Ma Zi like that and laughed out loud, irritating Hu Ma Zi!

"You're paralyzed"

Hu Pazi covered his chest, a surge of Qi and blood, about to follow that Wan Hong in a fight!

But as soon as he moved, a mouthful of blood spurted out again!

"Master Hu, don't move, let me deal with this guy!"

Seeing this, Kai stopped Pocky Hu and told him not to move.

Wan Hong took one look at Kai and coldly snorted, "Kid, who are you? How dare you say such big words? Are all young people so wild nowadays?"

"Believe it or not, I'll slap you into mush with one hand?"

When Wan Hong saw that Kai dared to speak wildly at such a young age, he immediately threatened Kai with an icy face!

"My name is Kai"

Kai said indifferently.

When the word Kai was uttered, Wan Hong, who originally had a disdainful face, instantly turned ugly!

"Kai?" Wan Hong scowled at Kai, "You are the Kai who established the Dragon Sect and followed the Martial Alliance against it?"

Kai's name was considered a household name in the entire martial dao world!

Above the martial dao forums now Kai's name appeared at the highest rate.

"You're right, so I'd love to see how you slap me into a pulp"

Kai said with a faint smile.

Wan Hong's face was worse than eating shit at this moment!

Who didn't know that Kai's physical body was incomparably strong, coupled with the Incorruptible Golden Body, even if he was at the peak of a Grand Martial Marquis, he wouldn't be able to slap Kai to death.

Even if a Martial Saint were to come and face Kai, he would not dare to say such big words.

For Wan Hong to say such a thing, that was clearly bragging!

"Kai, you and I don't cross river water, I have no grudge against you, why do you want to deal with me?"

"You know that I am a master of deduction, and my best skill is the art of deduction, if you rely on force to strike at me, aren't you afraid of losing your reputation?"

All Wan Hong wanted at this moment was for Kai not to strike at him!

For he knew that he was in no way a match for Kai!

"What a coincidence, I have also enlightened the Heavenly Dao and know some of the art of deduction, the art of deduction is to rely on strong spiritual power to sense the Heavenly Dao, and the entire world, since you and I both know it, then let's have a competition of spiritual power!"

Kai said with a cold smile.

A man like none other and the man decree Chinese A Man Like None Other Chapter 1900

A brilliant light flashed in Wan Hong's eyes, "Kai, are you telling the truth?"

"Of course, I would like to see how far your so-called deduction masters' spiritual power has reached!"

Kai nodded his head and said.

"Well then, I hope you won't back out"

After saying that, Wan Hong recalled the Fiery God Bird, followed by slightly closing his eyes, pulling out a black stone from his body and continuously tossing it on the ground!

"Kai, he's cheating, he's using the stones on the ground to draw the field so he can expand his sensory distance!"

Hu Ma Zi warned at Kai.

Wan Hong only needed to sense the stones he threw onto the ground, before he could sense the surroundings through them!

This was a pleasing method, except that this method would be passed through the stones in the middle, so some things would be perceived less accurately.

"I'll let him cheat and see what can be done"

Kai smiled faintly!

Kai was confident in his own spiritual power, and he did not have a deep understanding of the Heavenly Dao, if he could deepen his understanding of the Heavenly Dao by following Wan Hong's confrontation, then Kai's purpose would be achieved!

Soon, Wan Hong closed his eyes slightly, and a huge burst of spiritual power began to spread out in all directions!

As Wan Hong's spiritual energy spread, the black stones on the ground began to glow with lustre!

Looking at the lustre of the stones on the ground, one could very well tell where Wan Hong's perception had reached!

Kai instantly wrapped that huge spiritual power around him, and it was as if his entire body had arrived in an unfamiliar space!

Only to see that within this space, there was a white blanket everywhere, without the slightest thing!

Even heaven and earth were white, and Kai seemed to be floating in mid-air!

People would become very frightened and agitated in such an environment!

Kai, on the other hand, was calm as he waited quietly, waiting to see what Wan Hong would do to him!

Soon, the whiteness around him began to disappear and land appeared underneath Kai's feet!

A house appeared around him, and there was even a large field with many people working in the ground!

"Kai"

"When did you kid come back!"

"Kai is already so big"

The people working in the fields kept greeting Kai after him!

Kai looked very familiar to these people, but surprisingly he couldn't remember!

“Kai, you child, uncle and aunt greeted you, why didn't you say anything?”

At this moment, a familiar voice came into Kai's ears!

Kai turned his head to look and found that it was his mother, Tang Hongying, who at that moment still had black hair and was holding tools in her hand, also ready to go to work in the field.

“Mom, you”

Kai was about to speak after Tang Hongying, but soon a stab of pain flashed through his mind!

A spiritual force, if any, had entered Kai's mind and began probing his thoughts!

The corners of Kai's mouth lifted slightly, it seemed that this Wan Hong wasn't useless, this spiritual power did have two tricks up its sleeve, to the extent that he had unknowingly entered his spiritual power into his mind!

“Had enough of playing?”

Kai finished, and with a flick of his palm, everything in front of him disappeared, while that spiritual power in his mind was instantly cut off by Kai!

Wan Hong took a violent step back, his forehead covered in cold sweat as he gasped for air!

While Kai looked at that Wan Hong quietly, “With this ability, how dare you call yourself a master and enlighten the Heavenly Dao?”

The corners of Kai's mouth lifted, and then a brilliant aura shot out from his eyes, and a domineering spiritual force instantly entered Wan Hong's mind!

Only to see that Wan Hong froze, his eyes instantly became dull!

Soon, panic appeared on his face, and his whole body trembled as he began to wave his arms continuously!
