Now everyone is waiting in their own way!

Waiting for the moment when the Ten Thousand Year Medicinal Herb will descend!

“Brother Jiu, this time when the Ten Thousand Year Medicinal Herb comes out, I see that Kai seems to be determined to win it!”

Zhu Hao took the initiative to approach Hong Qianjiu and said.

“If it’s a sure thing, it’s a sure thing, what does it have to do with me .....”

The first thing I did was to come over and see what was going on, I didn’t care who had the 10,000 year old herb!

“The world only knows him now, but no one else knows about him, you can’t be overshadowed by Kai!”

“If Kai gets the 10,000 year old herbs, he will definitely increase in strength, and then we will only be rubbed under his feet!”

Zhu Hao whispered and encouraged Hong Qianjiu!

But Hong Qianjiu wasn’t a fool, when the Dragon Sect held the ceremony, Hong Qianjiu went there because he wanted to step on Kai to get to the top!

It was only because of the appearance of Mr. Shi and those island emissaries that none of them had made a move against Kai!

But right now, Hong Qianjiu didn't want to follow Kai in any kind of contest of supremacy, because he had more important things to do!

"Zhu Hao, when did you kid learn to have a bad stomach? Is it because you want to spur me on and get me to deal with that Kai?"

"I'm telling you, don't take me for a fool, that 10,000-year medicinal herb, whoever wants it, has nothing to do with me, I just came over to see the fun."

"I believe that you have brought so many experts with you, and you are not just here for this ten thousand year old herb, right? We all know clearly in our hearts what is important."

Hong Qianjiu reprimanded Zhu Hao, that Zhu Hao's face looked a little ugly, but he didn't dare to say anything!

At this moment, not far away, two people dressed in black, hiding themselves in the shadows, were quietly watching these people in front of them!

Although there were many people at the peak of Great Martial Marquis strength among these people, no one had noticed these two people!

These two people were none other than Song Qingping and Ning Zhi, who seemed to be uneasy about that ten thousand year old herb, so they came over to take a look.

The moon was getting fuller and fuller in the sky, and as they saw that the time of day was approaching, the crowd's moods became complicated!

Some of them started to breathe heavily!

"It's the hour of the son ....."

Suddenly someone shouted, and everyone couldn't help but look at the time!

It was just a pity that the time had arrived, but the crowd didn't wait for the 10,000 year old medicinal herb to come out, the whole mountain forest was still as calm as ever!

"What's going on? Did they miscalculate the date?"

Zhu Hao saw this and couldn't help but frown!

Everyone else was talking too, it was logical that if so many people knew it was today, then it shouldn't be wrong!

"Could it be that the place is wrong?"

Someone said.

"Yes, it should be the wrong place, the place where the 10,000 year old medicinal herb came out is not here."

Someone started to pinch their fingers and recalculate the place where the Ten Thousand Year Medicinal Herb was born!

At this moment, Kai gave a wink towards Hu Ma Zi, who understood and left!

Shortly afterwards, a dark cloud suddenly appeared in the sky to the southwest of where everyone was, blocking out the moonlight and accompanied by a rumbling sound!

This vision instantly attracted everyone's attention and they all looked towards the southwest!

"The ten thousand year old herb is out, it's not here ....."

Not just who shouted, immediately after that so everyone ran towards the southwest direction!

Jiang Wei looked at the vision in the southwest direction and was also curious to go over and take a look, but when he saw that Kai was not moving, he asked curiously, "Mr. Chen, aren't you going over there? Don't you want to get that ten-thousand-year medicinal herb?"

Kai, however, said with a smile, "What comes out there is definitely not the ten thousand year old herb ....."

Jiang Wei was stunned, not knowing why Kai was so confident, but he couldn't help but be curious and run towards the southwest!

“Kai, you brat can’t forget about me when you get the ten thousand year old herb .....”

Hu Ma Zi was already drenched in sweat at this moment!

You know that casting this kind of spell is quite energy consuming!

The crowd felt the trembling of the earth and their speed increased even faster!

Seeing the crowd getting closer and closer, Pocky Hu struck a charm onto the ground instantly, and immediately afterwards the earth began to crack, as if something was about to rise up into the sky!

“The 10,000 year old medicinal herb is coming out .....”

Everyone's hearts were in their throats as they watched the ground continue to rumble and fall, while up their hands unconsciously gripped their weapons.

Boom!

Another boom, followed by a light that shot up into the sky, and the dark clouds in the sky were instantly dispersed by this light!

"It's out of this world ....."

Zhu Hao was overjoyed as his entire body leapt up and headed straight for that light!

At the same time, countless people around him pulled themselves up, for the sake of the ten thousand year medicinal herb, these people were afraid that they wouldn't even want their lives!

Since they had chosen to stay, they were planning to fight for their lives.

"Stop them ....."

Seeing this, Zhu Hao hurriedly ordered loudly.

Only to see the men Zhu Hao had brought with him start to stop those who were rushing towards the Ten Thousand Year Medicinal Herb!

The old man from the Zhu family, on the other hand, had an appalling aura erupting from his body, and his two palms came out in unison, instantly sending several figures flying out.

The strength of a Grand Marquis at his peak, that was no joke!

The old man's palms waved like a fierce tiger descending a mountain, and there was no way for the others to get close to the ten-thousand-year-old medicinal herb!

Seeing the fierceness of the old man, many people dared not go forward, and dared not even think about the ten-thousand-year-old herb!

The Zhu Clan crowd formed a circle, surrounding Zhu Hao, while at this moment Zhu Hao grabbed a mountain ginseng on his body, grabbing it in mid-air!

“Hahahaha, I’ve got it, I’ve got it .....”

Zhu Hao laughed out loud with excitement.

The crowd looked at the mountain ginseng in Zhu Hao’s hand, and there was greed and envy in each of their eyes!

Zhu Hao wasn’t afraid of those people, he only put his eyes on Hong Qianjiu, as long as Hong Qianjiu didn’t hit on this herb, then no one could take the herb away from him!

Someone looked at the herb in Zhu Hao’s hand and couldn’t stand it anymore, his body leapt up and went towards Zhu Hao, trying to snatch the herb from his hand!

“Seek death .....”

The old man coldly snorted, followed by a slap out!

Boom!

The old man waved his big hand and the guy who wanted to snatch the herbs was instantly slapped to death.

This time, no one dared to snatch it, they could only look at Zhu Hao with envy!

At the same time, on the other side!

Hu Pazzi ran back panting and said to Kai, “Kai, those fools have fallen for it, hurry up and take the ten thousand year old herb, you kid owes me a favour, it almost didn’t kill me!”

“Don’t worry Master Hu, I’ll definitely remember!”

Kai smiled faintly, then his fingers pinched, and immediately afterwards a faint trembling began to arise on the ground!

“It seems that it is not really an easy task to get this Ten Thousand Year Herb!”

Kai said with a slight frown.

“That’s for sure, before a ten thousand year old herb like this comes out of the world, there are usually spirit beasts guarding around it, now this ten thousand year old He Shou Wu is not guarded by spirit beasts, it looks like the lightning in the sky is guarding it.”

Hu Ma Zi said as he looked up at the thunder and lightning in mid-air.

“We have to think of something quickly, or else those people are afraid that they will come back!”

Zheng An Guo reminded.

With such a vision of this gang, those people who had just run away would definitely turn back.

By then, Kai was afraid that it would not be that easy to get the Ten Thousand Year He Shou Wu when he wanted to.

“Unbreakable Golden Body .....”

Kai let out a furious cry as his body glowed with golden light, a golden scale covering his entire body!
