A man like none other and the man decree Chinese A Man Like None Other Chapter 1909 - 1910

At this moment, the two men in black who were hiding in the shadows had surprise in their eyes!

“Lord Demon Envoy, it seems that you really do anticipate things well, this ten thousand year old herb is really not that easy to fetch, making this Kai a scapegoat is definitely a second move.”

Song Qingping said to Ning Zhi.

“Have all the people been arranged? If someone follows that Kai to snatch this Ten Thousand Year Medicinal Herb, you’ll help that Kai out with a cooperative public opinion!”

“The ten-thousand-year herb will end up in our hands anyway, and it will still make that Kai grateful.”

Ning Zhi inquired.

“It’s arranged, now if I give the order, those people will appear.”

Song Qingping said.

Ning Zhi nodded, then looked at Kai again, and he noticed that Kai had by now tumbled his body out of the mud and away from that Ten Thousand Year He Shou Wu!

“Kai, are you alright?”

Hu Ma Zi asked as he stepped forward.

“It’s fine, how could this lightning be so powerful, even more powerful than me crossing the tribulation!”

Kai slowly got up and looked at the ten thousand year old He Shou Wu, somewhat at a loss for words!

On the other side, Zhu Hao, after getting the herbs, was about to leave when he suddenly noticed that where they were just now, there was a rumbling sound at the moment!

Immediately afterwards, there was a black cloud in the sky, and within the black cloud, countless blue lightning bolts were weaving in and out!

This vision was far more spectacular than this side!

“Could it be that two ten thousand year old medicinal herbs will come out today?”

Someone said in disbelief.

Zhu Hao held the mountain ginseng in his hand and said with a slight frown, “Bad, we might have fallen for it”

In fact, when Zhu Hao got the mountain ginseng, he had some suspicions because the aura emanating from within this mountain ginseng was not like a ten thousand year old medicinal herb.

Only at this kind of juncture, Zhu Hao didn’t dare to be sure!

But now, seeing that the place they had just been to was full of visions, and on top of that, Kai hadn’t come with them at all, he knew that he might have been fooled!

“Go back quickly”

Zhu Hao shouted and hurriedly headed towards where they were just now!

Hong Qianjiu, on the other hand, looked towards the heaven and earth vision and the corners of his mouth lifted faintly, “This Kai, looks like he’s much smarter than I thought!”

Hong Qianjiu also led his men back, while Jiang Wei now remembered what Kai had just said to him and understood what it meant!

Soon, all the people who had left rushed back.

When they saw the golden light of the Ten Thousand Year He Shou Wu, they realized that this was the real Ten Thousand Year Herb in front of them!

What Zhu Hao had gotten his hands on was just a fake, knowing how easy it was to get hold of a ten thousand year old medicinal herb.

Looking at the ten thousand year old herb in front of him, someone couldn't control it and rushed towards the ten thousand year old He Shou Wu!

But just before they got close, they hadn't even touched the Ten Thousand Year Radix!

A bolt of lightning struck down in the sky!

That man was instantly destroyed, not even a crumb remained!

Seeing this scene, no one dared to come forward easily!

Zhu Hao frowned and said to the old man beside him, "Old Qiu, can you get that Ten Thousand Year He Shou Wu?"

Because of the lightning protection, Zhu Hao didn't dare to risk going to get it, if this was struck by a single blow and destroyed in ashes, he would be finished, afraid that he wouldn't even have the chance to borrow a new life!

"I'm not sure, but if you give me time, I'll be able to do it!"

The old man opened his mouth and said.

Zhu Hao frowned, with so many people watching intently, how could they possibly give time!

If he could get rid of all these people in front of him, then Zhu Hao would be able to take out a few days to slowly take out this Ten Thousand Year He Shou Wu.

“This He Shou Wu has been ordered by me, those who don’t want to die should leave quickly, or else don’t blame me for being ungracious”

Kai’s eyes coldly swept a glance at the crowd and said.

With so many people watching, Kai knew that if he was unable to carry the lightning, then these people would probably have to swarm him.

Therefore, he planned to drive these people away before thinking of a way to take out the Ten Thousand Year He Shou Wu.

“Kai, this Ten Thousand Year He Shou Wu is a masterless object, whoever gets it is the one who owns it, you are threatening us to leave before you get it now, aren’t you a bit too domineering?”

Zhu Hao stepped forward and said as he looked coldly at Kai.

“Go, or die, you can choose yourselves!”

A terrifying aura began to erupt from Kai’s body, spreading out in an instant in all directions!

Kai knew that if he could not subdue these people at this time, then there would be endless trouble behind him!

Sensing that terrifying aura from Kai, the faces of the crowd all changed slightly, and some began to falter and retreat!

Many of them would not be able to get the ten thousand year old herb, so why stay here and look for death!

“Since this Kai dares to follow the Martial Alliance against them, he must have real ability.”

“Establishing the Dragon Sect at a young age and having Mr. Shi backing him up, we’d better not mess with him!”

“Let’s go, no matter who gets the Ten Thousand Year He Shou Wu, it’s not our turn to be scattered soldiers.”

The crowd whispered and began to leave slowly, although they looked at the Ten Thousand Year He Shou Wu with reluctance, but there was nothing they could do.

When Zhu Hao saw that the crowd was leaving, he said loudly, “Gentlemen, as long as you can stand with me and help me get that Ten Thousand Year He Shou Wu, I, Zhu Hao, promise that everyone who contributes will get the Thousand Year Medicinal Herb.”

“I’m sure you’ve all heard about the strength of my Zhu family, our Zhu family has developed in seclusion for hundreds of years, and was able to make a splash and stand out among the many martial arts families thanks to the vast resources of our Zhu family!”

“Now as long as someone helps me, that is my Zhu Family’s friend”

Zhu Hao’s words made the crowd who were hopeless and wanted to slip away all stop!

Although a 10,000 year old medicinal herb wasn’t particularly rare, it was better than making a trip for nothing!

Besides, they could also use it to make connections with the Zhu family.

Soon, all of them went to Zhu Hao’s side and stood behind him!

The strength of the people Zhu Hao had brought with him was not weak, but now with the addition of these people, they were even stronger!

“Kai, if you withdraw of your own accord, I can give you this mountain ginseng in my hand, so that we can all be at peace with each other!”

“But if you insist on fighting with me for this Ten Thousand Year He Shou Wu, the final result is something that I’m afraid you won’t be able to bear.”

Zhu Hao had the peak expert of the Grand Martial Marquis by his side, and with the Martial Saint Artifact hidden in his body, he was not afraid of Kai at all!

But Zhu Hao didn’t know that Kai was following several black and silver robed fighters from the Martial Alliance, and they had two Martial Saint weapons, but they were all killed by Kai!

The Dragon Cutting Sword in Kai’s hand now was not something that could be compared to ordinary Martial Saint weapons.

“Humph, that mountain ginseng was buried there by me, it was originally mine, isn’t it a bit ridiculous for you to say that you are giving it to me now?”

Kai coldly snorted.

When Zhu Hao heard this, his face was full of anger, this time he could be sure that he had just been tricked by Kai.

Fortunately, the vision of this Ten Thousand Year He Shou Wu was powerful, otherwise at this moment, Kai would have taken it and run away, then Zhu Hao was afraid that he would regret it to death!

“Kai, you actually used such underhanded ploys to trick us, it seems that the rumours about you in the martial arts world are all false, you are just a villain who relies on underhanded ploys!”

“Now that this place is far away from Kyoto, without Mr. Shi behind you, I’ll see if you can still make waves!”

Zhu Hao stared angrily at Kai, his body erupting with a thick battle intent!

“Kai, this isn’t going to be too good

Hu Puzi came close to Kai and said, "That Hong Qianjiu next to us doesn't know what he means, he hasn't said a word, if we fight and lose, I'm afraid this kid will be the one to reap the benefits."

Hu Puzi was afraid that if Kai followed Zhu Hao in a fight, Hong Qianjiu would end up gaining!
