A man like none other and the man decree Chinese A Man Like None Other Chapter 1901 - 1905

“No, don’t come over, Xiaoyu, I’m wrong, don’t come over, I’ll give you back your golden pills, I’ll give you back”

Wan Hong seemed to have seen something terrible and was begging for mercy!

And a hand fiercely grabbed towards his abdomen, blood spurted out, and Wan Hong pulled out a golden pellet directly from his own body!

The golden pellet emitted a faint glow, while Kai reached out and took it from that Wan Hong’s hand!

Kai handed the golden pellet to Hu Pazzi, for it was the golden pellet of that Little Jade!

Hu Ma Zi looked at the golden pellet in Kai’s hand, his eyes filled with a complicated look!

Slowly, he stretched out his hand and took the golden pellet, and after a moment’s hesitation, he opened his mouth and swallowed it into his stomach!

A familiar feeling struck Hu Pazzi’s whole body. At this moment, it was as if he had seen the woman who had betrayed him, but whom he loved so much!

Hu Ma Zi reached out his hand and gently stroked it in front of him, as if that Xiao Yu was right in front of his eyes!

All this was because of Kai’s spiritual power, which he used in order to get that Hu Pocky to untie himself of this knot in his heart!

Soon, Hu Ma Zi’s face was covered in tears as he gently embraced the air in front of him!

Kai felt that the time had come, so he slowly withdrew his spiritual power!

“Xiaoyu Xiaoyu”

Hu Ma Zi shouted reluctantly, but Xiao Yu in front of him still disappeared!

On the other hand, Wan Hong, on the other side, was also looking at Xiao Yu in the same panic, he was expecting Xiao Yu to disappear in front of him!

If Xiao Yu was still alive at this moment and saw such a scene, I wonder what she would feel!

“Ah”

Wan Hong, who had come to his senses, looked at the bloody appearance of his chest and instantly roared in pain!

Looking at his hand, he instantly understood that what he had just seen in front of him was all an illusion, all controlled by Kai’s spiritual power!

So it seemed that Wan Hong was still too far behind Kai, even in comparison to his spiritual power!

“You still have something to say now?”

Kai said as he looked coldly at that Wan Hong.

At this moment, Wan Hong was already convinced in the face of Kai and lowered his head, “Please, please spare my life, as long as you spare my life, I am willing to work for you as a cow and a horse”

“Spare you?” Kai slowly looked towards Pocky Hu, “Master Hu has the final say”

Wan Hong froze and looked at Pockmarked Hu with a frightened expression!

But without waiting for that Wan Hong to say anything, Hu Pocky had already rushed up in an aggressive manner.

“Wan Hong, I want to take revenge for Xiao Yu”

With that, Pocky Hu slapped his palm at Wan Hong!

At this moment, Wan Hong was already seriously injured, how could he dodge it, he was hit by Hu Ma Zi’s palm and died with his brain burst!

Seeing Wan Hong dead, the anger in Hu Pazzi’s body instantly dissipated!

“Luckily you didn’t destroy his body, otherwise it would have been a pity to have the golden pellet inside him”

Kai said, and with a direct wave of his palm, Wan Hong’s corpse exploded as if it were a bomb!

A golden pellet was instantly thrown into the air, while Kai caught it steadily!

Although Kai was already a Grand Martial Marquis, even if he swallowed Wan Hong’s golden pellet, his strength would not increase much, but it was still better than nothing!

Now Kai was afraid that he would have to swallow the Golden Elixir of a Martial Martial Marquis or even a Martial Saint in order to increase his strength!

Zheng Kai, who was watching quietly from the sidelines, his legs had long since gone weak!

He was glad that he had listened to his father, if he was still following Kai at this point, then he would definitely not have survived either!

Now Zheng Kai began to admire his father for being able to quickly adjust his thinking and choosing to follow Kai when the odds were against the Zheng family!

Now it seemed that this decision was absolutely the right one, even if he lost the 10,000-year medicinal herb and befriended Kai, it would definitely be worth it!

A man like none other and the man decree Chinese A Man Like None Other Chapter 1902

Kai followed Pocky Hu back to the hotel!

Zheng Kai, on the other hand, had gone back to give Zheng Anguo his orders!

Just as Kai followed Pocky Hu back to the hotel, Zhou Jie also came back from the Demon Spirit Sect!

Only this time Zhou Jie's face carried a bit of melancholy!

"Miss Zhou, what's wrong with you?"

Kai asked.

"Oh, nothing, I'm probably a bit tired"

Zhou Jie hurriedly explained!

Zhou Jie had Dispersing Energy Water kicking around in his pocket, only he didn't want to give it to Kai and Hu Ma Zi!

After this period of contact, Zhou Jie felt that Kai was not bad.

The main thing was that Song Qingping was going against the tenets of their Demon Spirit Sect by doing this!

"Since you're a little tired, then Miss Zhou should rest more!"

Kai said.

Zhou Jie nodded and then walked towards her room, but when she passed in front of Pockmarked Hu, that Pockmarked Hu didn't even give her a single glance, not even her fair thighs!

She suddenly felt as if he was a different person!

She suddenly felt as if she was a different person! Zhou Jie even made a deliberate pause, but Hu Ma Zi still didn't look at Zhou Jie!

Women are like this, when you stalk them every day, she sees you as the most annoying person, but one day you really don't care about her anymore, then you can't stand it!

Zhou Jie is like this now, although she is often taken advantage of by Hu Ma Zi, Zhou Jie is very angry, but now Hu Ma Zi suddenly does not speak or look at her anymore, Zhou Jie is still a bit uncomfortable.

In the end, Zhou Jie could only go back to her room with a puzzled look on her face, while Hu Puzi had a calm face and no longer had that lecherous look in his eyes.

Kai knew that the reason for this change in Pocky Hu was entirely due to that little jade's golden elixir!

But this might also be a good thing for Pocky Hu, to have the matter that had been repressed in his heart settled!

The next day!

Zheng An Guo had sent his men to hide a 3,000 year old mountain ginseng on the mountain, and the men who had been sent to surround the whole mountain had all retreated!

There were now many clans and families staring at that place, so Zheng An Guo's men, even if they were guarding it, would be useless and would show those people where the 10,000 year old herb came out!

At night, the 10,000-year medicinal herb would come out, but during the daytime, no one was seen heading towards the place where the medicinal herb came out!

But the atmosphere inside South Lake City had become a bit strange!

On the surface, it looked like business as usual, but there were already dark currents!

I don't know how many clans and families are secretly making alliances, because they know that when this 10,000-year-old herb comes out, it will be a landslide and everyone will grab it, and if they are not absolutely powerful, they will only end up in a lose-lose situation!

So many clans and families began to make secret alliances, so that they could have an advantage when it came to grabbing the 10,000-year herbs!

As the sky grew dark, Kai, Hu Ma Zi and Zhou Jie began to head towards the place where the herbs were to be discovered!

On this journey, Kai let go of his divine sense and directly covered more than ten miles of the surrounding area!

Soon, those experts who had already been hiding in the shadows were all scouted out by Kai!

"Kai, there are actually quite a few experts hiding here, the Great Martial Marquis alone is more than twenty ah"

Hu Ma Zi also felt the strong aura around him and could not help but be surprised.

"I'm afraid this is only part of it, the lure of the 10,000 year medicinal herbs is not small, it's possible that all those sects and families are all out in force!"

Kai said with a frown.

If that was the case, then Kai would have to be even more careful, he must not let these people know where the Ten Thousand Year Medicinal Herb really came out!

The closer to the place where the herb had emerged, the stronger the aura would be. Although those people were all restraining their aura, but with so many experts together, an extremely strong sense of oppression still coalesced!

A man like none other and the man decree Chinese A Man Like None Other Chapter 1903

If an ordinary person were to pass by here, they wouldn't dare to take a single step!

Just as Kai was spreading out his divine sense and constantly probing his surroundings, there were likewise several auras that were enveloping towards Kai and the others!

Kai was probing those people, and those people were also probing Kai!

All of them were probing each other, but no one made a move, everyone knew that the 10,000 year medicinal herbs were not yet out of the world, so to make a fight at this time and waste energy would be a foolish one!

"Hum"

Hu Pazzi also felt a breath probing them, so he picked up a talisman, then drew his finger around on it, and a soft breath instantly followed Kai and their own breath and fused together!

This would conceal part of Kai's true strength, and at this time, they could not let the other side know their true strength, otherwise there would be no suspense!

After Kai followed Pocky Hu and Zhou Jie to the place where the Ten Thousand Year Medicinal Herb was about to emerge, they stopped, and there were quite a few people also approaching towards this place, it looked like many people had guessed where the general Ten Thousand Year Medicinal Herb was going to emerge.

"Kai, you are the Dragon Sect Master, but you have come to such a poor and remote place?"

Zhu Hao brought several people with him, and then walked up to Kai and asked.

“Even you, the young master of the Southwest Zhu Family, have come here, what can’t I come for!”

Kai said with a faint smile!

As he spoke, Kai’s divine sense instantly covered the old man Zhu Hao had brought with him!

This was because Kai could tell that of the people Zhu Hao had brought with him, only that old man was the most powerful.

Just as Kai was emitting his divine sense, probing the strength of that old man!

Suddenly an appalling aura burst forth from that old man’s body, causing Kai to jump in fright!

“The peak strength of a Grand Martial Marquis?”

Kai’s heart shook.

Pocky Hu and Zhou Jie all turned pale, obviously because they too had felt that aura just now.

Seeing Kai’s expression, Zhu Hao smiled coldly, “Kai, this place is not like Kyoto, there are people in Kyoto to cover you, but not here. If you are here for that 10,000 year old herb, I advise you to leave quickly!”

“If not, with so many people eyeing the Ten Thousand Year Herb, you won’t get your turn, so don’t blame me for not informing you!”

When Kai heard that, he couldn’t help but smile slightly, “Then I have to thank you, Sir Zhu, but I like to have a good time, where there are many people, I like to go there!”

Seeing that Kai did not listen to advice, Zhu Hao said, “Kai, let me tell you the truth, this ten thousand year medicinal herb our Zhu family has taken, I hope you will not stand in our way, or else

Zhu Hao said with a murderous aura emanating from his body.

“The Ten Thousand Year Medicinal Herb is a masterless object, anyone can take it, are you threatening me by saying so?”

When Kai finished speaking, his face turned cold!

A powerful sense of oppression instantly caused that Zhu Hao’s body to tremble and his face to change slightly!

Seeing this, the old man beside Zhu Hao directly defeated that powerful sense of oppression from Kai, which allowed Zhu Hao to catch his breath a little!

Kai glanced at that old man and didn’t say anything, but turned around and left, he didn’t want to follow that Zhu Hao into a conflict just yet!

“Kai, it seems that taking that ten thousand year old herb this time is really a bit difficult, I don’t know if so many experts will fall for it later.”

Hu Ma Zi whispered to Kai.

“Fooled by what?”

Zhou Jie asked with a curious look on her face.

Because Zhou Jie wasn’t there when Kai followed Pocky Hu to discuss countermeasures, she didn’t know that Kai and the others were planning to steal the beam!

Pocky Hu didn’t explain, nor did he look at Zhou Jie!

This made Zhou Jie feel a little uncomfortable, not understanding what was wrong with Pocky Hu?

“Could it be that he has found out that he is going against them?”

Zhou Jie began to drum inwardly!

A man like none other and the man decree Chinese A Man Like None Other Chapter 1904

In fact, Hu Pazi simply just changed his mind a lot, at this time that Xiaoyu's golden elixir was inside Hu Pazi, and the two were together in this way!

So Hu Ma Zi did not dare to move his heart towards other women or to look at them carelessly, he thought that in that case, Xiao Yu would also find out.

This shows how much Hu Pazzi really means to that Xiaoyu!

"Let's take a step and see, but with the Zheng family's support, we don't necessarily have no advantage!"

Kai said slowly.

Now, as long as these experts did not unite and all fought separately, Kai still had hope.

At that moment, there was a sudden commotion around them, and the experts who had been hiding in the shadows all emerged, each with a frightened look on their faces!

"Bad, bad, I didn't expect that the Hong family had deployed the Eighteen Luohan"

"This time the others are afraid that they won't have a chance, the Hong family is bringing out all their old tricks!"

"Alright, there's a good show, even the Hong Family, who is thousands of miles away, has come, it seems that it's no secret that this 10,000 year old medicinal herb has come out long ago!"

The many experts around were talking with frightened faces!

While Kai looked towards the side, he found that under the pale moonlight, a group of people were rapidly coming towards here!

Most of the men in this group had shaved heads and shiny heads!

Kai counted that there were as many as eighteen people with shaved heads, so these must be the eighteen Luohan as they called them!

The leader of these people was Hong Qianjiu of the Hong family of East China.

Kai had no memory of this Hong Qianjiu, he had only met him once on the opening day of the Dragon Sect!

These families, moreover, were all spokespersons of the major secret realms, and had only recently lifted their veils and been exposed to the crowds of the martial arts world.

In a short period of time, these families were able to have such a great influence in front of the people of the martial world, so it was evident that the strength of these families themselves was not bad!

Soon, Hong Qianjiu led the people over, his keen gaze sweeping over the crowd, many people felt that Hong Qianjiu's gaze and couldn't help but turn their heads one after another.

Finally, Hong Qianjiu's gaze rested on Kai's body, and seeing that Kai was also there, that Hong Qianjiu's body visibly shook!

He did not expect Kai to be here!

"I didn't expect the famous Dragon Sect Sect Master to be here as well, what a long time no see"

Hong Qianjiu stepped forward and clasped his fist towards Kai!

Kai returned the greeting, "Duke Hong is too flattering, I'm just a mere mortal, just a bit lucky, how can I compare to Duke Hong"

"You're welcome, Sect Master Chen!" Hong Qianjiu smiled lightly and then walked towards Zhu Hao!

When that Zhu Hao saw Hong Qianjiu, he clearly had a few moments of fear in his eyes.

"Brother Jiu, I didn't expect that your Hong family had also gotten the news and had come all the way over from so far away."

Zhu Hao said as he stepped forward and followed Hong Qianjiu.

"A mere 10,000 year old medicinal herb, where is it worthwhile for me to come all the way here, I was just passing by and casually came to take a look!"

Hong Qianjiu said with a condescending posture.

"That's right, I heard that the Hong family has a rootless land where nothing rare can grow, so how can they look at this mere 10,000 year old medicinal herb!"

Zhu Hao hastily gave that Hong Qianjiu a pat on the back!

Kai listened to Hong Qianjiu's words, but he just took it as bragging, nowadays, this young man likes to brag when he has some strength!

"Kai, are all these young people nowadays so fond of bragging?"

"Luckily you're not like them, if you were to brag like this everyday, I guess I would have been blown away by that long ago!"

Hu Ma Zi giggled and said.

"Freedom of speech, people like to blow, we can't care!"

Kai said with a faint smile.

"Mr. Chen, you're wrong, that Hong Qianjiu really isn't blowing away!"

At this moment, a voice rang out from behind Kai!

Kai turned to look and found that Jiang Wei was walking over with a dozen people!

“Brother Jiang, why are you here too?”

Kai asked with a surprised look on his face.

He hadn't expected that the appearance of this ten thousand year old medicinal herb had attracted so many sects and families!

And these were also the secret realm's endorsing clans in the secular world!

“I'm just bringing people over to join in the fun!”

Jiang Wei said with a faint smile.

“Brother Jiang, you just said that that Hong Qianjiu wasn't blowing it, could it be that their Hong family really can't see a ten thousand year old herb?”

Kai asked.

Jiang Wei nodded, “Not bad, as far as I know, the Hong family is afraid that they are the least short of resources, I heard that the Hong family has a rootless land that is capable of growing many rare medicinal herbs, so the Hong family is the richest in resources!”

“What exactly is the Rootless Land?”

Kai asked.

Jiang Wei, however, smiled awkwardly, “I don't know either, I just heard about it!”

Seeing that Jiang Wei didn't know either, Kai didn't pursue the question, but turned to Jiang Wei and said, "Brother Jiang, how did you know that this ten thousand year old medicinal herb came out? Did you bring people here to compete for this Ten Thousand Year Medicinal Herb?"

Seeing Kai ask this, Jiang Wei smiled and said, "Mr. Chen, I'm not bragging, a ten-thousand-year medicinal herb is not really worth us traveling thousands of miles to bring people here, we have other matters, we just passed by here and heard about this matter, so we came by to take a look."

"There are other things? What exactly is it?"

Kai asked curiously.

"This"

Jiang Wei had a difficult face.

Seeing this, Kai hurriedly said, "Brother Jiang is embarrassed, let's not talk about it, as long as Brother Jiang is not here to fight for the ten thousand year medicinal herb, otherwise I really don't know what to do!"

"Don't worry Mr. Chen, since you want that ten thousand year herb, I won't make a move, if Mr. Chen needs it, I can help you out!"

Jiang Wei said.

"I appreciate brother Jiang's kindness, I don't need it yet, if I need it, I'll inform brother Jiang in the meantime!"

Kai did not want to ask Jiang Wei to help just yet, although when Kai went to the Ge Clan's land, Jiang Wu Ya, the head of the Heavenly Law Building, had said that the Jiang Clan could help out whenever Kai had something to do, but Kai still did not intend to ask Jiang Wei to help just yet!

"Mr. Chen, if you need it, then just greet me!"

"I'll go over and say hello"

Jiang Wei finished speaking and walked over, following Zhu Hao and Hong Qianjiu in greeting!

At this moment, many surrounding clans and families, as well as martial arts experts, saw that the recently famous and suddenly emerged clans, came several, and all of them brought many experts, which all began to drum in their hearts!

Some of them had the idea of withdrawing and quietly slipped away. Although the universal herb was tempting, it was only if they had lives to consume it!

If you lose your life, what's the point of having a 10,000 year old herb?

The moon hung high in the sky, its bright light spilling over the mountains and forests, making them look even more holy!

Zheng Anguo led the most elite of the Zheng family to come, whether they were Grand Martial Marquis or Martial Marquis, they were all in full force!

But when Zheng Anguo arrived with his men, he looked at all these people from the major families in front of him and panicked inwardly!

Fortunately, he had withdrawn his men in advance and had chosen to cooperate with Kai, if he himself had forced the place to be sealed off and taken the ten thousand year old medicinal herbs alone on the grounds that it was his own territory, it was estimated that all these elites of the Zheng Family would have become corpses by now!

In that case, the Zheng Family could be the common enemy of these people in front of him, and how strong would his Zheng Family be to deal with the attacks of so many families!

"Mr. Chen"

Zheng Anguo walked up to Kai's body and shouted!

"Master Zheng Clan, is everything ready?"

Kai asked.

“All ready, but seeing as the time of the zodiac is about to arrive, if the ten thousand year old medicinal herb that is really in comes out, there will definitely be a disturbance in heaven and earth, and I am afraid that I won’t be able to hide it from them!”

Zheng An Guo said.

“Don’t worry, I’ve improved on top of the formation that Wan Hong set up, this formation will be able to suppress that ten thousand year old medicinal herb for a bit.”

“When the time comes, as long as all these people are attracted elsewhere, the Ten Thousand Year Medicinal Herb will be too late for those people if it produces a disturbance in heaven and earth!”

Kai said with a clear mind.
