A man like none other and the man decree Chinese A Man Like None Other Chapter 1917 - 1920

Zheng An Guo held the Xuan Hua Axe in his hand, and at this moment he felt that this Martial Saint weapon in his hand was child's play compared to Kai's Dragon Cutting Sword!

Song Qingping's eyes narrowed slightly, and the muscles at the corners of his eyes twitched a few times.

Ning Zhi, who was hiding in the shadows, had eyes filled with envy and apprehension!

Nowadays, Kai was getting stronger and stronger, and with such a terrifying weapon addition, Ning Zhi was afraid that it would be very, very difficult for him to win against Kai.

"What? Are you in fear? In fear?"

Sensing the change within Ning Zhi, the spirit within Ning Zhi spoke!

"I I'm not"

Ning Zhi panicked and began to adjust his mind!

"You can't fool me, but you don't have to worry, the higher that Kai's strength is, the more beneficial it is for us."

"When his body is strong enough, the great power will be able to use his body and return to the Celestial Realm, and perhaps even meet Lord Demonfather."

The spirit said, full of excitement.

Ning Zhi was eager to ask what the Celestial Human Realm was, but he guessed that the other party couldn't possibly tell him, and even if he did, he wouldn't understand, so he didn't ask!

"Kai, the Ten Thousand Year He Shou Wu is in hand, let's leave as soon as possible"

Hu Ma Zi reminded Kai!

After all, with such an unobtainable item in hand, one cannot avoid someone's eyes getting red and ending up taking desperate measures!

In front of absolutely big interests, no cooperation or friendship is reliable.

Kai nodded, then after following Zheng An Guo and Song Qing Ping and thanking them, he prepared to return to the hotel, while Jiang Wei followed Kai with his men!

With the Ten Thousand Year He Shou Wu in his hand, Kai did not dare to go to the Zheng family, and even more so to the Demon Spirit Sect, but for Jiang Wei, Kai still trusted him.

After all, Jiang Wu Ya of the Heavenly Law Tower had personally ordered the Jiang family to help him, and he believed that the Jiang family would not dare to disobey the order.

Kai took the Ten Thousand Year He Shou Wu and planned to refine the Ten Thousand Year He Shou Wu into a pill in the middle of the hotel, so that he would not have to be afraid that someone would miss the Ten Thousand Year He Shou Wu and want to rob it!

Kai remembered the Shen Nong Cauldron in the Pill God Valley.

So Kai informed Xu Changsheng overnight and asked him to bring someone to deliver the Shennong Cauldron right away!

"Mr. Chen, you're tired too, aren't you? Let me go make you a cup of tea!"

Back at the hotel, Zhou Jie said to Kai.

"Miss Zhou, thank you so much for today too, you should rest quickly, just let the waiter do the tea making."

Kai said politely.

“It’s alright, I’ll do it!”

Zhou Jie smiled faintly, then walked out of the room, in the tea making room, Zhou Jie took out the loose power water given by Song Qingping, looking at the teapot in front of her, Zhou Jie hesitated!

All this time, Zhou Jie had a good impression of Kai, so when Song Qingping asked her to do so, Zhou Jie resisted!

But as a member of the Demon Spirit Sect, she had to obey orders!

In the end, Zhou Jie gritted her teeth and poured the scattered gong water into the teapot, and after gently shaking it a few times, brought the teapot into the room!

Zhou Jie put down the teapot and personally poured a cup of tea for Kai and Hu Ma Zi!

Only Zhou Jie’s face didn’t look too good, she didn’t dare to look at Kai!

Pocky Hu looked at Zhou Jie with some surprise, because normally, Zhou Jie would not have poured tea for him.

Today was a bit of a surprise to Hu Ma Zi, but at this moment, the knot in Hu Ma Zi’s heart was untied, and he wasn’t going to paralyze himself with women!

“Miss Zhou, are you too tired? I see that you don’t look too good!”

Kai saw that Zhou Jie did not look right and asked.

“Oh, it’s nothing, I’ll probably be fine after resting!”

Zhou Jie said as she squeezed out a small smile.

“Oh, then you should go and rest quickly, leave this place alone.”

Kai urged Zhou Jie to hurry up and get some rest!

“Mr. Chen, I’d better wait until you’ve finished your tea and cleaned up before going to rest.”

Zhou Jie had to watch Kai and the others drink their tea before they could.

Seeing this, Kai did not say anything else, but said to Hu Puzi, “Master Hu, this is Miss Zhou’s kindness, let’s drink it”

Pocky Hu also raised his cup of tea, and the two of them were about to drink it without hesitation!

“Wait a minute”

Zhou Jie saw this and hurriedly shouted at Kai and Hu Puzi!

At this moment, Zhou Jie’s heart was still torn, she didn’t know, after this cup of tea was down, what kind of fate Kai and Hu Pazi would have!

Even more so, she didn’t know if Song Qingping would kill the two men!

“Miss Zhou, what’s wrong?”

Kai asked, puzzled.

“Mr. Chen, I’m afraid that the tea I just poured was too hot and burned you guys.”

Zhou Jie made an excuse and explained.

Kai smiled faintly, "It's alright"

With that, Kai drank the tea down in one go, and Pocky Hu drank it straight down too!

Seeing Kai and Hu Puzi drink all the tea, Zhou Jie's heart felt an indescribable feeling.

"You guys talk, I'm going to take a break"

Pocky Hu got up and then walked out of the room, during which Pocky Hu didn't even look at Zhou Jie!

This made Zhou Jie very strange and couldn't help but ask, "Mr. Chen, is there something wrong with Master Hu? It feels like he has changed into a different person."

Kai knew what Zhou Jie was referring to and said with a faint smile, "Master Hu has indeed changed"

Kai then followed Zhou Jie and told him what had happened to Pocky Hu.

After Zhou Jie listened, she couldn't help but look surprised.

"Master Hu is actually still such an infatuated person ah? I never thought he was a big pervert, but I didn't expect him to have this kind of experience, it's pitiful."

Zhou Jie actually felt some pity for Pocky Hu at this moment.

After all, the person she loved the most had run away with someone on the eve of her marriage and was now dead, but even so, Hu Ma Zi had not even forgotten that woman, so it was clear that Hu Ma Zi was also a person who was devoted to love.

"Everyone may have their own secrets in their hearts, just that outsiders don't know."

Kai smiled lightly, at this moment he was in a great position, but who would have thought that a year or so ago, he would have suffered even worse than Pocky Hu!

He was in jail for his girlfriend, but in the end, he was abandoned by her, and this kind of dog's blood was not also played out on himself.

It was just that Kai didn't say anything, and no one knew about this part of his history.

"Mr. Chen, when you sleep, remember to lock the doors and windows, I'm going to rest."

Zhou Jie reminded Kai, and then left after cleaning up.

While watching Zhou Jie leave, Kai let out a soft sigh and said, "Quite a nice girl, I hope you can cherish the opportunity I gave you."

While Kai finished speaking, Hu Ma Zi entered Kai's room with a flash!

"Kai, how did you know that that Zhou Jie was going to poison us?"

Once he entered, Pocky Hu asked with a face full of doubt.

Kai smiled faintly, "After she returned from the Demon Spirit Sect, I smelled a strange smell from her that was not present on her before, so I became somewhat suspicious."

"Coupled with the fact that while fetching the Ten Thousand Year He Shou Wu today, that Song Qingping brought someone but was able to appear in the nick of time, proves that Song Qingping has been watching us for a long time, otherwise it wouldn't be that coincidental."

"There is also the tea that was just brought in, it obviously has that smell that I smelled on that Zhou Jie, and Zhou Jie's expression today is very unnatural, don't you notice?"

Hu Ma Zi shook his head, "No, I didn't smell anything strange in the tea either?"

"Of course you can't smell it, otherwise you would have become a medicine master, but they counted a thousand times, but they didn't know that I have already been invulnerable to all poisons, and the poisons they have poisoned can only become resources for my cultivation."

Kai's Heart Condensation Technique, that was a truly superior technique, could refine everything.

No matter what toxins entered Kai's body, they would all be refined by the Heart Condensation Skill!

"You're invulnerable to all poisons, but what about me? But I don't seem to feel anything different either, could you have guessed wrong?"

Hu Pazi's body did not feel different at the moment, nor did he show any signs of poisoning.

"Poisoning, it doesn't necessarily mean they want our lives, maybe they want something else."

After saying that, Kai looked at the Ten Thousand Year He Shou Wu in his hand.

"Could that Demon Spirit Sect have poisoned us just for this Ten Thousand Year He Shou Wu? Then why didn't they just fetch it themselves? And want you to fetch it and get it from you in some way?"

Hu Ma Zi asked in confusion.

"I'm not sure, but their goal is not just this Ten Thousand Year He Shou Wu, that Song Qingping always gives people an impenetrable feeling, and that Demon Spirit Sect leader, I've only seen him once, and I haven't seen him since."

"I suspect that the Demon Spirit Sect leader doesn't exist anymore, and the one who really controls the Demon Spirit Sect is that Song Qingping."

Kai said slowly.

“What the hell are these guys trying to do? I see that these demons just can’t be trusted.”

Hu Ma Zi said indignantly.

“That’s not true, the people of this Demon Spirit Sect should not know that their patriarch is gone at this time, and are all acting at the behest of that Song Qingping.”

“Moreover, the people of this Demon Spirit Sect are in no way like the other demon clans, who are indiscriminate killers, and are just being hoodwinked by Song Qingping right now.”

“What exactly is going on, I guess we will know tonight, I have an antidote pill here, whether your body has any abnormalities or not, it is better to take it first.”

Kai took out a pill and gave it to Hu Pazzi, although Hu Pazzi had no abnormalities at the moment, it did not mean that nothing was wrong.

Hu Ma Zi took the pill, swallowed it in one gulp, and then left Kai’s room!

.....

Inside the Devil Spirit Sect, Zhou Jie went back to return to his orders!

“Zhou Jie, did you give that Kai that Dispersing Energy Water?”

Song Qingping asked.

Zhou Jie nodded, “En, it was taken down”

“Excellent, you’ve really done a great service to our Demon Spirit Sect.”

Song Qingping said, getting up and walking over to Zhou Jie’s face, one hand gently touching Zhou Jie’s face!

He then kissed it deeply.

Zhou Jie’s heart was very complicated at the moment, if Song Qingping was normally like this, Zhou Jie would have been overwhelmed with happiness and patience!

But today, Zhou Jie didn't feel the slightest bit of it, and even had a hint of resistance!

Song Qingping kissed Zhou Jie for half a day and found that Zhou Jie did not respond in the slightest, so he couldn't help but ask, "What's wrong with you today?"

"I" Zhou Jie's face was tinged with a bit of worry: "Vice Patriarch, will you you kill that Kai?"

"What? You're worried about him?"

Song Qingping said with a slight frown.

"No, I just think we can get what we want, there's no need to kill anyone."

Zhou Jie hurriedly explained.

Song Qingping stared at Zhou Jie with a deadly stare, and suddenly slapped him across the face, fiercely!

Slap!

Zhou Jie was instantly smacked to the ground!

"Damn it, you b*tch, do you have a crush on that kid? I can't believe you're worried about him."

"Tell me, did you and that kid already sleep together?"

Song Qingping pulled Zhou Jie up and questioned her with a fierce face.

Zhou Jie looked at Song Qingping like this and was a bit overwhelmed with fear, as she had never seen such a hideous and frightening look from Song Qingping before.

Usually, Song Qingping had a courteous and polite look, and this sudden change made Zhou Jie unable to adapt for a while!

Seeing that Zhou Jie didn't say anything, Song Qingping pushed Zhou Jie onto the bed and then tore Zhou Jie's clothes!

Zhou Jie tried to resist, but all she got in return was a severe beating from Song Qingping!

In the end, Zhou Jie was desperate, tears flowing out of her eyes, and she could only let Song Qingping vent his bestiality on her body.

A man like none other and the man decree Chinese A Man Like None Other Chapter 1920

At this moment, Zhou Jie's eyes were hollow, she could not understand where the courteous and gentle Song Qingping had gone.

Just as Song Qingping was struggling to vent his anger, suddenly the door of the room was pushed open!

Song Qingping was startled and turned around to reprimand the person who had entered the room, but as soon as he saw the person who had come, Song Qingping's words stopped instantly and he hurriedly put his clothes back on.

"Lord Demon Ambassador"

Song Qingping shouted respectfully.

The person who came was none other than Ning Zhi, who was currently dressed in black, his eyes sweeping over Zhou Jie's body twice!

Zhou Jie hurriedly covered her body with the quilt.

"Song Qingping, in this situation now, you are still in the mood to play with women, what a good mood"

Ning Zhi laughed coldly, and the voice that came out of his mouth was old and hoarse!

Hearing this voice, Zhou Jie, who was lying on the bed, frowned slightly, she could conclude that in the body of this man in front of her, there was definitely a soul spirit residing!

One should know that the Demon Spirit Sect would never allow this, and the only one who did so was the Demon Heart Sect.

Zhou Jie stared at Ning Zhi with a deadly gaze, such an unfamiliar face suddenly appearing in the Demon Spirit Sect, this caused a bad feeling to rise in Zhou Jie's heart instantly!

"Lord Demon Envoy, I I"

Song Qingping wanted to explain, but he didn't know how to!

"Alright, I don't want to hear your explanation, how's the account of what you've done?"

Ning Zhi asked.

"That Kai has already taken the Dispersing Energy Water, so I guess he's turned into an ordinary person now."

Song Qingping replied.

"That's good, since we've settled Kai, then we'll be settling all those people who went to Penglai Island, and after today, you'll become an official Deputy Patriarch."

Ning Zhi patted Song Qingping's shoulder and said.

"Thank you, Lord Demon Envoy, for cultivating me, I will go now"

Song Qingping nodded, then glanced back at Zhou Jie before turning around and leaving the room!

At this moment, there was only Zhou Jie following Ning Zhi inside the room.

Ning Zhi's eyes were slightly glued as he looked at Zhou Jie's fair shoulders and skin, his eyes filled with desire!

"Go and do what needs to be done, are women still afraid of not having one in the future?"

The spirit inside Ning Zhi said indifferently.

As soon as Ning Zhi heard this, he hurriedly retreated!

Zhou Jie didn't know at this point what Ning Zhi really was, but he knew that Kai was going to be in danger, and he was afraid that the entire Demon Spirit Sect was going to be in danger.

Hastily dressing, Zhou Jie tried to rush out of the room, but found that the door was locked and a spell formation had been laid to prevent Zhou Jie from escaping.

Inside the great hall of the Demon Spirit Sect, the many senior members of the Demon Spirit Sect were all summoned.

"What is the Vice Patriarch doing summoning us at night?"

"I don't know, I've all gone to sleep!"

"I've had a fight today and I'm sore, so I'm trying to rest!"

"Our Demon Spirit Sect hasn't had such a big conflict with someone in years."

Many of the top brass were talking, only that Deacon Lu had a slight frown on his face and didn't say a word!

"Deacon Lu, you weren't there today, the Vice Patriarch led us in a big fight and directly f*cked up the other side."

A man said to Deacon Lu.

Deacon Lu nodded his head and said nothing, his face still worried!

It looked as if that Deacon Lu knew something!

Soon, Song Qingping arrived, and all the people all shut their mouths and took their seats!

“Gentlemen, I’ve gathered everyone together on this big night because I have an announcement to make, as you all know, we are now facing a resurgence of aura and strife will rise again.”

“When that time comes, those so-called famous sects will definitely kill us devils to death, so I have decided to follow the Demon Heart Sect in a strong alliance before the aura resurgence, we are originally of the same lineage, so why kill each other!”

“When the time comes, as long as we unite, those other clans and families will be unbeatable and will submit to us.”

Song Qingping’s words caused an instant uproar!
