A man like none other and the man decree Chinese A Man Like None Other Chapter 1911 - 1915

In fact, Kai did not know this, but this Zhu Hao was a stickler, no one else opened their mouths to fight for the Ten Thousand Year He Shou Wu, but he kept shouting!

“Sir Zhu, this Ten Thousand Year He Shou Wu is not a masterless object, he is on the boundary of South Lake City, then it belongs to my Zheng family, and as the Lord of South Lake City, I have the qualification to distribute the resources of the entire South Lake City.”

At this moment, Zheng Anguo stood out and said to Zhu Hao.

Zhu Hao looked at Zheng Anguo and then coldly snorted, “Zheng Anguo, are you sick in the head? With your little Zheng family, how dare you say such things?”

“Even if the Ten Thousand Year He Shou Wu belongs to your Zheng family, how about it? I’m telling you now, I’ll take this Ten Thousand-Year He Shou Wu, what can you do?”

“If you don’t want the Zheng family to be destroyed, don’t get involved in this mess!”

Zhu Hao couldn’t even see the Zheng Family, although the Zheng Family also possessed a Great Martial Marquis, in Zhu Hao’s eyes, it was still a small and unworthy family!

One must know that behind the Zhu Family were those worldly clans in the Secret Realm, not something that these clans and worldly families in the secular world could compare to.

“Zhu Hao, you are too arrogant, our Zheng family is not made of clay.”

Zheng Anguo was all in a rage, while several Great Martial Marquises of the Zheng Family stepped forward, their terrifying aura emanating out, with a dozen Martial Marquises behind them, watching intently!

“Zheng Anguo, do you mean to follow that Kai and stand together?”

Zhu Hao’s eyes faintly stared and said.

“Not bad, I will help Mr. Chen this time, even if I have to fight to the death of the Zheng family!”

Zheng Anguo said with a determined face.

But he was also gambling, right now, it was obvious that Zhu Hao’s strength was quite a bit greater than Kai’s, but Zheng An Guo knew that Kai’s true strength might be much stronger than what he saw!

“Since you’re helping that Kai, don’t blame me for not being polite!”

Zhu Hao gave a wink, and a Great Martial Marquis beside him instantly leapt up and headed straight for that Zheng Anguo!

Zheng Anguo was a Grand Martial Marquis himself, so he was not the least bit afraid in the face of the attack, and quickly clenched his fist and smashed out with a bang!

Boom!

The moment the fists collided, a terrifyingly powerful Qi spread out from all around!

A large crater several metres in diameter appeared on the ground, showing that both of them had used all their strength.

Zheng An Guo’s body rolled in the air before landing on the ground and retreating several steps backwards!

It was obvious that Zheng An Guo was still a bit inferior to his opponent!

The opponent, who had knocked Zheng An Guo back, did not relent and struck again, a punch going straight for Zheng An Guo’s face.

This was intended to be a killing blow.

Seeing this, Zheng An Guo reached out to his waist and a Xuan Hua axe appeared in his hand!

The Xuan Hua Axe flickered with an eerie cold glow as a stream of Martial Saint Qi began to spread!

“Martial Saint Weapon”

Seeing the Xuan Hua Axe in Zheng Anguo’s hand, everyone couldn’t help but suck in a cold breath!

And that attacking Zhu Clan expert, after seeing the Martial Saint Weapon in Zheng Anguo’s hand, his body stopped sharply, a hint of shock in his eyes!

“Go to hell”

Zheng Anguo shouted angrily, and the Xuanhua Axe in his hand slashed diagonally upwards!

A ray of light shot up into the sky, a gale of wind was blowing, and the terrifying force was heading straight for that Zhu family expert!

The Zhu Clan expert was so shocked that he retreated rapidly, but it was already too late, his body instantly pierced through the light!

The crowd saw that the Zhu Clan expert in mid-air, whose body was pierced by the light, immediately underwent a violent surge!

Boom!

That Zhu Clan expert’s body was directly exploded into powder as a mist of blood descended from the sky!

When Zhu Hao saw this, his face couldn’t have been more ugly!

How could he have ever thought that a small Zheng Clan would have a Martial Saint Weapon!

One should know that those big clan families in Kyoto might not even have a Martial Saint Artifact.

“Could it be that this Zheng Family is also a hidden family, a spokesperson family of some secret realm?”

Zhu Hao’s brow furrowed!

A man like none other and the man decree Chinese A Man Like None Other Chapter 1912

“Zhu Hao, don’t look down on others with your dog’s eyes, my Zheng family is not something you can just pinch at will.”

Zheng Anguo was holding the Xuanhua Axe, and his bottom line was instantly full.

“Zheng Anguo, you are looking for death”

Zhu Hao’s eyes were slightly glued, followed by pulling out a folding fan from inside his sleeves, followed by the folding fan opening, a golden light flashed, this folding fan was actually made of gold.

Moreover, the aura emanating from the fan was even more massive and terrifying!

This folding fan was actually a Martial Saint weapon as well!

When Zheng An Guo saw this, his face changed and he froze on the spot!

The old man beside Zhu Hao also emitted his aura at the same time, and his aura was extremely powerful.

The peak of the Great Martial Marquis, the closest thing to a Martial Saint.

Moreover, the person Zhu Hao had brought with him was obviously much stronger than the Zheng Family's Great Martial Marquis.

Most of the Zheng Family's Grand Martial Marquis were only First or Second Grade Grand Martial Marquis, and the highest was only Zheng Anguo, a Fourth Grade Grand Martial Marquis!

But the lowest of the Zhu Family's Grand Martial Marquis is a fourth-ranked Martial Marquis!

This was not even a match of the same magnitude!

Zheng Anguo didn't say anything, and Kai's face was cold as he took a deep breath and slowly mobilized the power of the divine Dragon within his body!

The Dragon Cutting Sword was also ready and calling out!

"Sir Zhu, it's not too good to make such a fuss over a Ten Thousand Year He Shou Wu, is it? Besides, you brought so many people here, but you have more important matters, if you lose a lot of money here again, how will you explain it back?"

"Why don't you do me a favour and give the Ten Thousand Year He Shou Cao to Mr. Chen, and then my Jiang family will owe you a favour?"

Seeing that the two sides were already at loggerheads, Jiang Wei stepped out and started to round things up!

Zhu Hao looked at Jiang Wei and said with a cold face, "Jiang Wei, what do you mean by that? Do you want to help that Kai?"

"Sir Zhu, if you insist on following Mr. Chen to fight for the Ten Thousand Year He Shou Wu, then I can only help Mr. Chen."

"If you add my Jiang family, do you think you still have a chance of winning? Why not sell me a favour!"

Jiang Wei's tone was flat, but threatening!

When Zhu Hao heard this, his face turned red with anger and his brows furrowed, "Jiang Wei, are you going to make an enemy of my Zhu family for the sake of a Kai?"

"Zhu Hao, do you not know, or are you just pretending to be stupid? Even without this incident, could it be that your two families and I would still be friends? We would have become enemies sooner or later"

Jiang Wei said with a cold smile.

Jiang Wei's words left Zhu Hao speechless because he knew that sooner or later, their families would become enemies because they were all competing for common interests, and since there were competing interests, they would definitely become enemies.

Zhu Hao stopped speaking, his face hardened to the point of no return!

For if Jiang Wei also helped Kai, then he wouldn't have the slightest chance of winning!

Just as Zhu Hao was hesitating, whether to retreat or not, Hong Qianjiu, who had been watching all along, took a step forward and said with a faint smile, "Jiang Wei, what do you think it has to do with you if people are fighting for He Shou Wu? You had to cross the line, causing me to be unable to watch the hilarity even if I wanted to."

"I'm telling you, if you watch the show from the sidelines, I won't care about anything, but if you have to help that Kai, then I'll have to help Zhu Hao, and I'm sure the Zhu family won't forget my kindness."

Hong Qianjiu was forcing Jiang Wei to watch the show from the sidelines and not to care about anything!

"Hong Qianjiu, you"

Jiang Wei looked at Hong Qianjiu angrily.

But Zhu Hao smiled at this moment, "Brother Jiu, don't worry, your kindness, our Zhu family will never forget it, when the time comes to Peng"

“Shut up”

Just as that Zhu Hao was about to say something, Hong Qianjiu glared angrily at that Zhu Hao, causing Zhu Hao to instantly swallow his words back!

When Kai saw this, he frowned slightly, it seemed that these several families were all running to one place, and it was surprising that several families had all chosen to keep it a secret.

It could be seen that this place was very important to several families!

A man like none other and the man decree Chinese A Man Like None Other Chapter 1913

The others looked on with confused faces, unable to understand what the relationship between these families was, how could you help him and he help you, all looking confused.

Also confused were Ning Zhi and Song Qingping, who were hiding in the shadows!

“Lord Demon Ambassador, what is the relationship between this Kai and the Jiang family? And this Zheng Anguo, why is he risking so much to help that Kai too?”

“And that Zhu family and Hong family, it doesn’t seem like they’re running after the Ten Thousand Year He Shou Wu.”

Song Qingping asked in a small voice to Ning Zhi.

Ning Zhi frowned slightly, and his eyes were also filled with doubts.

He didn't know the identity of Kai's Heavenly Dragon Hall Master, much less that the Ge family of the Secret Realm was a hall of the Heavenly Dragon Hall!

The Jiang family, on the other hand, was the spokesperson of the Tian Luo House in the secular realm, and the Tian Luo House followed the Ge family in a very close relationship.

That was why Jiang Wu Ya, the head of the Heavenly Law Tower, had ordered the Jiang Family to help out if Kai was in trouble!

It was impossible for Ning Zhi to know about such a complicated relationship.

There was one thing, however, that Ning Zhi had guessed, and that was the place that these few families would end up going to!

"Have all the arrangements been made for Penglai Island?"

Ning Zhi asked as he turned to Song Qingping.

"It's been arranged, as long as that Kai gets on the island, he'll fall into our trap."

Song Qingping nodded his head and said.

"Don't be careless, these guys are probably all going to Penglai Island, and they must also know that the place of spiritual recovery is on Penglai Island!"

"That's why they brought so many experts to Penglai Island, they also want to lay down ground on Penglai Island before the aura revives, so that they can have a place to stay in order to give their masters in the secret realm behind them!"

Ning Zhi said with a worried look on his face as his eyes gaped slightly.

"If that's the case, then there will definitely be a bloodbath on Penglai Island, so will that fake relic we built be able to fool them and trap these people?"

Song Qingping asked worriedly.

“Let’s take a step and see, but this Ten Thousand Year He Shou Wu must be in Kai’s hands, otherwise we won’t have a chance to get it.”

Ning Zhi said to Song Qingping.

If it was Zhu Hao who got his hands on the Ten Thousand Year He Shou Wu, the Demon Spirit Sect wouldn’t stand a chance, they wouldn’t necessarily be able to snatch it if they openly took on the Zhu family, and the Demon Spirit Sect’s secret realm would be exposed!

But if Kai got his hands on it, with Zhou Jie by his side, as long as he fed Kai the Dispersing Energy Water, then the 10,000-year He Shou Wu could be easily obtained.

“Good I’ll go back to the Demon Spirit Sect and call out for someone, if Kai is undefeated, I’ll step in to help him, so he’ll be able to trust me even more.”

After Song Qingping finished speaking, he hurriedly left to shout for someone!

And at this moment, Kai followed that Zhu Hao, still at sword point!

Meanwhile Jiang Wei looked angrily at Hong Qianjiu, and couldn’t make up his mind for a moment!

“Brother Jiang, thank you for your kindness, just watch from the side, I will handle this matter myself!”

Kai said to Jiang Wei.

Jiang Wei could only nod helplessly and retreated to the side.

If he stepped in to help Kai, then Hong Qianjiu would help Zhu Hao, and then it would be even more of a loss than a gain!

For a while, the two sides were in a stalemate, while that Ten Thousand Year He Shou Wu was still emitting a lustre, the sky was filled with dark clouds, and blue lightning was constantly streaking across the night sky!

But as time passed, the light emitted by the Ten Thousand Year He Shou Wu began to fade, and the whole thing began to become more and more blurred, as if it was about to disappear!

“Bad, this Ten Thousand Year He Shou Wu is going to disappear”

Seeing this, Kai instantly recalled what he had seen in that resource land of the Demon Spirit Sect!

At that time, the Ten Thousand Year He Shou Wu also looked like this, and then it slowly became transparent and finally disappeared completely!

Now look at this Ten Thousand Year He Shou Wu, this is the appearance, it is estimated that in a short time, will disappear, as for where this Ten Thousand Year He Shou Wu goes back to after it disappears, Kai can not know!

At that moment, a terrifying aura suddenly attacked towards Kai, followed by the sight of a black shadow slapping at Kai!

“Holy Light Fist”

Kai shouted, and smashed his fist over!

At this time, Kai didn't dare to hold back in the slightest, and he struck with all his might!

The black shadow was instantly knocked back by Kai!

At the same time, the old man at the peak of the Great Martial Marquis beside Zhu Hao also struck out.

His target went straight for Kai!

Kai frowned slightly, there was no way for him to get the Ten Thousand Year He Shou Wu if the fight continued like this.

Just then, Zheng Anguo wielded his Xuanhua Axe and slashed out towards the old man, a radiant light containing the might of a Martial Saint, directly forcing the old man back!

“Mr. Chen, you go and fetch the He Shou Wu, we'll leave this place to us”

Zheng An Guo took the Xuan Hua Axe and said loudly to Kai.

Kai nodded and headed straight for that Ten Thousand Year He Shou Wu.

Meanwhile, Hu Ma Zi and also Zhou Jie both made their moves, directly following the people Zhu Hao brought into the melee!

Zhu Hao was holding a folding fan, and when he saw Kai heading towards the Ten Thousand Year He Shou Wu, he hurriedly waved the fan in his hand, and a ray of light shot out towards Kai!

even the aura of the Martial Saint Artifact Folding Fan in Zhu Hao's hand was compared to that!

Clang clang clang

With a few crisp sounds, Kai directly blocked those few rays of light.

But just as Kai was about to reach out to take that Ten Thousand Year He Shou Wu!

Within the rolling black clouds, a blue bolt of lightning instantly struck down!

The bolt of lightning struck Kai directly, and Kai's body burst into a blue glow, followed by being thrown heavily and falling to the ground!

Seeing this, Zhu Hao knew that his time had almost come, so he leapt up and went straight for the Ten Thousand Year He Shou Wu!

This Zhu Hao actually ignored the danger of Kai just being struck by that lightning bolt!

But just as Zhu Hao got close to the Ten Thousand Year Elder Crow, the same bolt of lightning struck down!

Seeing this, Zhu Hao threw the folding fan in his hand upwards and shouted, "Body Protection Technique"

The blue thunderbolt instantly struck the fan, but Zhu Hao was not harmed!

Zhu Hao was overjoyed and reached out to grab the Ten Thousand Year He Shou Wu.

Seeing this, Kai leapt up, and the Dragon Cutting Sword in his hand instantly cut out a sharp sword qi, which was like a dragon, and a deep ravine appeared on the ground, heading straight for Zhu Hao!

Feeling the dangerous aura, Zhu Hao could only give up on grabbing the Ten Thousand Year He Shou Wu and dodged the sword qi with a flash of his body!

But at that moment, Kai's figure had also arrived in front of him, and Zhu Hao lost the chance to get the Ten Thousand Year He Shou Wu!

After reaching Zhu Hao, Kai chopped out another sword and a golden dragon appeared, roaring and rushing towards Zhu Hao!

Seeing this, Zhu Hao could only wave his hand and took the folding fan back into his hand, followed by a vigorous swing of the fan, a gust of wind swept through, surprisingly blowing the golden dragon away!

But Kai didn't care, his goal now was to get the Ten Thousand Year He Shou Wu!

Zhu Hao looked at the fan in his hand, cracks had appeared on it, just blocking that thunderbolt's power had damaged even the Martial Saint artifact, so I guess it would not be used many times.

Kai and Zhu Hao were staring at each other, but neither of them was making a move!

On the other hand, Hu Ma Zi and Zheng Anguo were fighting with the men Zhu Hao had brought!

Although Zheng Anguo had the Xuan Hua Axe, a Martial Saint weapon, in his hand, but facing the old man at the peak of the Great Martial Marquis of the other side, plus the overall strength of the other side was much higher, which made them become very passive.

It was only a matter of time before they were defeated, and when Kai was the only one left, it would be a fool's errand to try to get the Ten Thousand Year He Shou Wu.

As Zheng An Guo and Hu Pazi were losing, a group of people suddenly arrived in a hurry!

"Mr. Chen, I'm here to help you"

After saying that, Song Qingping brought the people from the Demon Spirit Sect and instantly joined the battle!

With the Demon Spirit Sect's family members, the scales began to tip towards Kai's side, and the people Zhu Hao had brought along began to become a little tired of dealing with it!

Those martial artists who had chosen to follow the Zhu Clan and stand together, wanting to get some benefits, all chose to flee in droves at this moment when they saw this.

These guys, they were just watching the food and the wine, seeing that Kai's side was weak, they helped Zhu Hao!

Now that Kai's side had increased in strength, then they turned around and ran away.

This sudden change of events directly blinded Zhu Hao, he couldn't figure out how another group of people could suddenly appear to help Kai.

“Stop”

Zhu Hao shouted, he knew that if the fight continued like this, he was afraid that all the people on his side would die out!

Seeing Zhu Hao’s order, the many experts of the Zhu Clan all retreated to Zhu Hao’s side!

Almost all of these Zhu Clan experts were wounded, even the old man at the peak of the Great Martial Marquis had an ugly look on his face at the moment, his Qi and blood disordered!

“Mr. Chen, are you alright?”

At this moment, Song Qingping stepped forward and asked Kai.

“I’m fine, thanks to Vice Patriarch Song for stepping in to help.”

Kai said gratefully.

“Mr. Chen, to say that would be out of line, we are in a cooperative relationship, and this herb, too, is our goodwill, if it was taken away by others, wouldn’t that mean that we are not sincere.”

Song Qingping said with a faint smile.

Seeing the sudden appearance of Song Qingping and the others, Zheng Anguo was also puzzled at this moment, knowing that this was South Lake, his territory, when did such a team of people appear in his territory, and all of them were experts, even he himself didn’t know!

Also feeling puzzled were Hong Qianjiu and Jiang Wei, who were looking carefully at Song Qingping and the others, because most likely, this group would become their enemies!

At this moment, they still didn’t know just how many clans and families knew the secret of Penglai Island, and how many clans and families of the secret realm spokesmen had not been revealed!

However, along with the imminent recovery of spiritual energy on Penglai Island, I believe that all these hidden clan families will come forward in droves.

Because no one was willing to watch the first land of spiritual qi recovery, being occupied by others!

“Who are you people?”

Zhu Hao looked coldly at Song Qingping, “Do you know what kind of person I am?”

Song Qingping looked at Zhu Hao and the corner of his mouth lifted slightly, “I don’t care who you are, this Ten Thousand Year He Shou Wu belongs to Mr. Chen, no one is allowed to grab it from him, otherwise they are against us.”

“As for what we are, you don’t deserve to know yet, now better take your people and get out, or none of them will leave.”

Song Qingping was so full of arrogance that he directly exasperated that Zhu Hao.
