## A man like none other and the man decree Chinese A Man Like None Other Chapter 1921 - 1924

You must know that although the Demon Spirit Sect is a demonic sect, it adheres to the tenet of being uncontentious with the world and cultivating without fear!

For so many years, the Demon Heart Sect has rarely stepped out of its secret realm to fight with other sects and families outside the secular world!

Moreover, the Demon Spirit Sect and the Demon Heart Sect were almost incompatible with each other, and now this sudden announcement by Song Qingping made many people unable to bear it at all!

“Vice Patriarch, what do you mean by that? Where is the Patriarch? Why didn’t the Sovereign come out to announce such an important matter?”

A high ranking official stood up and asked Song Qingping.

In their eyes, the one with the highest power was still the Patriarch.

As for Song Qingping, many people were still somewhat unconvinced, after all, Song Qingping was too young.

“The Patriarch is ill, so I will just announce it on his behalf, the Patriarch has already set this matter, so you all just need to obey.”

Song Qingping swept a glance at the crowd, then said coldly.

“The Patriarch is holding an illness, then we should go and see, let us go and see the Patriarch and listen to the Patriarch personally give the order.”

Another senior stood up and said loudly.

“Bastard, as the Vice Patriarch, do I not have this right, it’s really against you all.”

After Song Qingping finished speaking, his palm swung violently, and a terrifying force instantly struck, directly knocking that senior out!

With this move, Song Qingping instantly subdued many people!

The crowd didn’t know Song Qingping’s true strength, they only knew that he was young and courteous, so he probably couldn’t be too strong!

So the crowd was not afraid of Song Qingping, the Vice Patriarch, and if the Patriarch had not personally ordered him to do so, no one would probably have listened to Song Qingping.

But now Song Qingping had only shown his hand, and he had subdued the crowd!

Seeing that no one in the crowd was daring to speak, a cold smile appeared on Song Qingping’s face.

“Vice Patriarch, I’m afraid that what you are saying is not the Patriarch’s intention, but your own, right?”

“Because our Patriarch, should have been killed by you long ago.”

Deacon Lu stood up and asked at Song Qingping.

“Deacon Lu, what do you mean by that?”

Song Qingping’s eyes faintly stared and said.

“What I mean, you should understand best, our Patriarch suddenly started wearing a mask several years ago, saying that he had been disfigured and was afraid of meeting people.”

“In fact, at that time, our Patriarch should have been harmed by you, it was you who had been controlling the Patriarch’s corpse with demonic magic.”

“The Patriarch now, I’m afraid, is just a skeleton!”

Deacon Lu’s aura began to erupt as he looked coldly at Song Qingping and said.

“Deacon Lu, what are you talking nonsense about, be careful I’ll punish you for the crime of demonic talk and confusing the people!”

Song Qingping shouted.

“I demonize and confuse people, today I will show you if I demonize and confuse people.”

After Deacon Lu finished speaking, he immediately shouted, “Bring in the Patriarch .....”

Soon, two members of the Demon Spirit Sect, brought the Patriarch in, and the Patriarch’s face was still covered with a mask!

Seeing this, the crowd knelt down and shouted, “Patriarch .....”

When Song Qingping saw that Deacon Lu had actually sent someone to secretly bring in the Patriarch, his eyes were filled with murderous intent, instead his fists were slightly clenched!

“Everyone, see what has become of our Patriarch .....”

With that, Deacon Lu took off that mask, revealing the ghastly skull inside!

When the crowd saw this, they were all shocked.

“Song Qingping, what is your explanation for this?”

Deacon Lu asked as he turned to Song Qingping.

“Hmph, there is nothing to explain, those who obey me will prosper and those who disobey me will die, if you all submit to me, everyone’s cultivation resources will be doubled in the future.”

Song Qingping promised to the crowd!

When the crowd saw this, it was a complete tearing of their faces, and many of them stood behind Song Qingping!

Song Qingping had been the Vice Patriarch for so many years, so of course he had some of his own cronies!

On Deacon Lu's side, there were only a few people who stood with him.

There were still some who were indecisive, not knowing which side they should stand on at all!

## A man like none other and the man decree Chinese A Man Like None Other Chapter 1922

Deacon Lu looked at those who were standing behind Song Qingping and couldn't help but curse angrily, "You treacherous people, have you forgotten what the Patriarch taught us?"

"Deacon Lu, those who know the times are the best, I advise you to listen to the Vice Patriarch obediently, now that the Patriarch is dead, it will do you no good if you cling on like this!"

A senior member of the Demon Spirit Sect said to Deacon Lu.

"I pooh, shameless thing, our Demon Spirit Sect follows the Demon Heart Sect and is at odds with each other, and now we are even going to mix together, I will never agree to that."

With that, Deacon Lu leapt up and slapped his palm towards the senior who had just spoken!

"Seek death ....."

Seeing this, Song Qingping casually waved his hand, Deacon Lu only felt a huge force hit him, and the next thing he knew, his entire body was directly knocked out!

This shows that the difference in strength between Deacon Lu and Song Qingping is still huge.

Blood flowed from the corners of Deacon Lu's mouth, and his internal organs were reeling!

This slap had seriously injured him!

"Deacon Lu, you should go quickly, let's stop them ....."

The few people standing with Deacon Lu said, and rushed up desperately to buy Deacon Lu time to escape!

Seeing this, Deacon Lu could only grit his teeth and run towards the secret territory!

On the other hand, Kai was waiting quietly, he knew that after Zhou Jie's drugging, the Demon Spirit Sect would make the next move, so he was waiting!

The Ten Thousand Year He Shou Wu was casually placed on the table.

Soon, Kai sensed a hint of aura, if any, and it was obvious that the other party had deliberately hidden their aura.

A trace of excitement appeared on Kai's face, he felt that it must be that Song Qingping who had come!

And at this moment, outside Kai's room, a man was wearing a black robe with a sinister aura about him!

Beneath that black robe was Ning Zhi's somewhat ghastly white face!

Ning Zhi pushed open the door to Kai's room and found that Kai had actually swaggered around and put the Ten Thousand Year He Shou Wu on the table!

“This Kai, he’s too arrogant to have the audacity to place this Ten Thousand Year He Shou Wu, so casually.”

Ning Zi, the spirit within Ning Zi, said at this.

But Ning Zi did not think so, and when he saw Kai placing the Ten Thousand Year He Shou Wu squarely on the table so casually, he suddenly thumped inwardly and looked a little nervous.

Ning Zhi had followed Kai for so long, he knew that Kai was not such a careless person!

Now that Kai had placed the Ten Thousand Year He Shou Wu on the table casually, it was obvious that he had prepared or was deliberately doing so, waiting for something to come!

“Why don’t you go and get the Ten Thousand Year He Shou Wu and take this Kai away with you, don’t hurt his flesh.”

The spirit urged at Ning Zhi.

Ning Zhi then frowned, “Senior, I always have a bad feeling, could this Kai be doing this on purpose.”

“Hasn’t that Kai already taken the Dispersing Energy Water? Even if he knows you’re coming, what can he do?”

“I find that the more you come, the less courageous you become.”

The spirit said with dissatisfaction.

Upon hearing this, Ning Zhi could only helplessly go forward and carefully take the Ten Thousand Year He Shou Wu into his hands!

Seeing that Kai, who was lying on the bed, did not react in the slightest, Ning Zhi then let out a sigh of relief, and at the same time let go of his breath completely!

Now that Kai had taken the Dissipation Water, he was just like an ordinary person, so Ning Zhi had nothing to fear!

With the Ten Thousand Year He Shou Wu in his hand, Ning Zhi's heart was agitated.

"Take that Kai away too, the Great Power will definitely reward us heavily when he sees this Kai."

The spirit said.

Ning Zhi went forward and patted Kai and said, "Wake up, wake up ....."

Kai pretended to be sleepy-eyed and muttered discontentedly, "Who is it, it's the middle of the night, let's not let anyone sleep?"

"Kai, we meet again ....."

Ning Zhi looked at Kai with a fierce smile on his face!

"Ning Zhi?"

Kai was stunned, he didn't expect it to be Ning Zhi who came!

Originally, Kai thought it would be that Song Qingping coming, but he didn't expect it to be Ning Zhi who came, which surprised him!

"Not bad, it's me, are you surprised? This Ten Thousand Year He Shou Wu that you worked so hard to obtain is now mine."

Ning Zhi held the He Shou Wu towards Kai and then reached out and grabbed Kai's shoulder, "Not only is this He Shou Wu mine now, but even you, I'm taking it away."

Ning Zhi thought that Kai had lost his power, so he just made a casual grab!

But Kai's eyes flashed brightly, and with a direct move, he clasped Ning Zhi's wrist and snatched the Ten Thousand Year He Shou Wu out of his hand, and then smashed his fist fiercely into Ning Zhi's chest!

Ning Zhi was caught off guard and his whole body was instantly sent flying, directly knocking a big hole in the wall!

Ning Zhi was astonished and got up to look at Kai, "You, your kung fu power hasn't disappeared?"

"Disappear? Why should it disappear? Are you trying to say that by poisoning me, you can make my kung fu disappear?"

Kai said as he looked at Ning Zhi coldly.

Ning Zhi's face was ugly at this moment, "Damn, a bunch of trash ....."

But it was useless for Ning Zhi to curse anything now, things had come to this, so he could only grab it hard!

But the loud noise just now caused both Hu Ma Zi and Jiang Wei Quan to rush over.

"Don't get attached to the battle, let's go ....."

The spirit said to Ning Zhi.

If he was facing a single Kai, Ning Zhi, with the Soul Spirit inside him, could still put up a fight!

But now that Kai had come to help, Ning Zhi could only flee for the time being!

At this moment, Kai felt the aura inside Ning Zhi's body, and his eyes slightly stared, "No wonder I always felt a familiar aura just now, so that hunchbacked old man is now residing inside you."

"Old man with a hunchback?"

Ning Zhi was dumbfounded, he didn't know that Kai had followed the demon ambassador that was residing inside the hunchbacked old man before!

"Don't talk nonsense to him, just go ....."

The spirit urged!

Ning Zhi nodded once, then flames rose violently from his body, the flames wrapped around Ning Zhi's body, and then surprisingly began to slowly disappear!

When Kai saw this, his eyes were filled with surprise, he didn't know when this Ning Zhi had such a spell!

"Hahahaha, Kai, let me tell you, you're not the only one with a special physique, Laozi is also an Inferno Demon Body."

Ning Zhi laughed as his body slowly was about to vanish into the void!

"Hmph, a mere spatial technique, you want to escape too ....."

Suddenly, that Jiang Wei snorted coldly, and a rope with a flickering light suddenly appeared in his hand!

Suddenly, Jiang Wei threw the rope towards Ning Zhi!

Soon, a golden light flashed, and Ning Zhi, who was about to disappear, actually flashed out again at this moment, and the rope wrapped Ning Zhi up.

"A binding immortal rope?"

Terror appeared in Ning Zhi's eyes.

“I didn’t expect you to know the Binding Immortal Rope .....”

Jiang Wei had a smug look on his face, this Immortal Binding Rope was their Jiang Family’s Martial Saint Artifact, and this time don’t Jiang Wei brought it out!

“Kai, quickly imprison this area of space .....”

Hu Ma Zi said, several yellow talismans suddenly emerged from his body and flew directly towards Kai!

Seeing this, Kai immediately understood and instantly bit through his finger, waving it with his hand as dense, blood-coloured runes appeared on top of that one talisman paper!

These runes flickered with light, imprisoning Kai’s entire room, preventing that Ning Zhi from using spatial magic to escape!

Ning Zhi looked at the constantly flickering runes and said with a surprised look on his face, “Kai, you ....., how do you still know rune spell magic?”

You know, Kai knew so many things, and now he even knew the Runic Spell Technique, and was so proficient at it, which filled Ning Zhi’s heart with horror!

“Ning Zhi, I can do more than that, and today I will let you taste them all .....”

Kai said, and a faint golden light rose from above his hands!

This time, whether it was Ning Zhi or the soul inside him, they all panicked a little!

Facing Kai and Hu Ma Zi and Jiang Wei, and the other party had a Martial Saint weapon, Ning Zhi didn't have the slightest chance of winning!

"Golden Cicada."

The spirit warned at Ning Zhi.

Seeing this, Ning Zhi could only grit his teeth and his body instantly began to shrink, breaking free of that immortal binding rope!

But just as Ning Zhi had broken free, Kai smashed his fist over!

"Holy Light Fist ....."

The terrifying wind of Kai's fist swept in, and Ning Zhi surprisingly didn't dodge as Kai's ferocious fist actually pierced right through Ning Zhi's chest!

Ning Zhi spurted out a mouthful of blood, and looked at Kai with a face full of anger, "Kai, do you ..... have to drive all the people to their deaths?"

"Nonsense, people like you are only a scourge when left in the world."

Kai's eyes were cold, without the slightest bit of pity, he charged towards Ning Zhi once again!

Boom!

Kai had exploded with his full strength this time, and with one blow, Ning Zhi's entire upper body was almost shattered, covered in blood, and his breath had become very weak!

Seeing Ning Zhi in this state, Hu Ma Zi and Jiang Wei relaxed their guard, after all, Ning Zhi was like this, Kai could have killed him with one punch!

Kai also felt a bit strange at this moment, although that Ning Zhi might not be as strong as himself, but he could not be so weak that he was immediately dying after being punched by himself twice.

But looking at Ning Zhi's near-death appearance, it didn't look like he was faking either, which made Kai very surprised!

"Kai, you wait for me, if I don't die, I will definitely break you into pieces ....."

Ning Zhi yelled at Kai with a fierce face, still spurring him on!

"Don't worry, you will never be allowed to leave alive today."

After saying that, Kai kicked at Ning Zhi!

And with the force of Kai's kick, Ning Zhi's body violently crashed through the wall and his body fell outside!

"It's bad ....."

Seeing this, Kai reacted instantly and went straight after him.

But when Kai chased him out, he saw that Ning Zhi instantly turned into a black light and disappeared without a trace!

And on the ground remained the black robe on Ning Zhi's body, which was covered with blood stains.

"Damn it, let him get away ....."

Kai took the black robe and cursed incoherently.

At this time, Pocky Hu and Jiang Wei also rushed out, and Kai hurriedly said to Pocky Hu, "Master Hu, go and see if Zhou Jie is still there ....."

Pocky Hu nodded, then rushed into Zhou Jie's room and found that Zhou Jie wasn't in the room!

"Not there, probably already gone back to the Demon Spirit Sect."

Hu Puzi said.

“Let’s go, let’s also go to the Demon Spirit Sect, I want to see what’s going on here, is this Demon Spirit Sect really in a snake and rat nest with the Martial Dao Alliance as well?”

Kai was going to see if this Demon Spirit Sect had become the domain of that Song Qingping!

Kai led Hu Ma Zi towards the Demon Spirit Sect, while Jiang Wei followed with the Jiang family experts.

But just as Kai and the others reached the entrance to the Demon Spirit Sect’s secret realm, they found the entrance gate flashing with light and a man covered in blood running out of it!

This man stumbled and ran straight towards Kai and his group, and behind this man, there were several others chasing after him!

Only when they got closer did Kai realise that the man covered in blood was the Deacon Lu who had fought with him!

The people chasing behind him were also from the Demon Spirit Sect, whom Kai had met in the Demon Spirit Sect’s main hall!

When Deacon Lu ran into Kai, he was obviously stunned, and then said anxiously to Kai, “Kai, you have come just in time, now that the Demon Spirit Sect has rebelled and become the people of that Song Qingping, the Demon Spirit Sect is now indistinguishable from the Demon Heart Sect.”

“I’m afraid that the cooperation between the Demon Spirit Sect and you is also a sham, you should run for your life quickly .....
