

A man like none other and the man decree

Chinese A Man Like None Other Chapter

1931 - 1940

“Mr. Chen

“Kai

Seeing this, Jiang Wei and Hu Ma Zi and the others rushed forward to surround Kai!

Kai waved his hand, signalling that he was fine!

“Mr. Chen, or I’ll use the immortal rope to trap this kid before I do!”

Jiang Wei said to Kai.

“No need, I want to have a good fight with him.”

Kai refused Jiang Wei’s offer and put the Dragon Chopper Sword away as his aura began to soar!

“Humph, Kai, you’re too wild

Seeing that Kai didn’t even use his weapon, Song Qingping felt humiliated and lashed out with a kick!

This kick was extremely fast, instantly turning into countless streaks of shadow!

The sound of breaking air whistled as if there were countless kicks attacking Kai!

“Holy Light Fist

Kai let out a low roar as his huge fist slammed out towards the front!

This fist seemed slow, but it was also as fast as it could be, countless fist shadows appeared, emitting a sky full of golden light!

Boom boom boom

It seemed like both of them had only made one move, but it was an instant burst of sound, and the surrounding void trembled!

The entire Demon Spirit Sect compound began to roar with fierce winds, causing Hu Ma Zi and the others to rush back!

Kai cast out his invincible golden body, then resisted the heavy pressure and followed Song Qingping's moves!

And that Song Qingping also kept attacking!

In the blink of an eye, the two were trembling together!

No one could see the two clearly, and even more so, no one knew how many moves they had made!

Song Qingping relied on the power of the Laws combined with his own strength at the peak of the Grand Martial Marquis to keep attacking!

And Kai, relying on his invincible golden body and his strong physical body, was not afraid at all!

The two fought to a standstill!

Kai was getting braver and braver, while Song Qingping was getting more and more frightened, and this was even in the Secret Realm, where Song Qingping had mastered the power of the Laws!

If it wasn't in the secret realm, in the secular realm, Song Qingping would have already been defeated!

Boom boom

After two dull noises, Kai followed Song Qingping and separated!

Both of their faces looked a little ugly and their breathing became rapid!

“That was f*cking painful”

Kai wiped a handful of sweat from his forehead!

He found that following this Song Qingping was even more painful than following that Ning Zhi, who was not strong himself and only relied on the soul spirit inside him!

On the other hand, Song Qingping’s strength was very solid, and it could be seen that although this guy had a refined and weak appearance, he was definitely desperate when he cultivated.

Seeing Kai shouting in pain, Song Qingping’s face was worse than eating shit!

One must know that he was now at the peak strength of a Grand Martial Marquis, and he had also made use of the power of the secret realm’s laws!

Kai, on the other hand, was at best a middle Martial Marquis, yet he was able to fight evenly with him!

This made Song Qingping lose face, and those people from the Demon Spirit Sect around him looked at Song Qingping with a strange look on their faces!

Song Qingping knew that he had to defeat Kai today no matter what, otherwise there was no way for him to harness the Demon Spirit Sect.

“Worthy of being a Golden Dragon True Body, your body is surprisingly so strong, but even if you were a true dragon, I would still have to peel your dragon skin and draw your tendons”

After saying that, a green glow began to flicker from the top of that Song Qingping’s head!

Seeing this scene, Kai was a bit dumbfounded, even the other people also looked at that Song Qingping with a dumbfounded look on their faces!

“Crap, what does this kid mean? Is he cuckolding himself?”

Hu Ma Zi couldn't help but shout out, but when he saw Zhou Jie at the entrance of the main hall, he instantly shut his mouth!

After all, Song Qingping was following Zhou Jie's relationship, Kai had already told him that the two had slept together!

If Song Qingping was now wearing a green hat, it meant that Zhou Jie had put it on him!

A man like none other and the man decree Chinese A Man Like None Other Chapter 1932

When the others heard what Pocky Hu said, they couldn't help but cover their mouths and burst out laughing!

Even Deacon Lu, who had been full of nervousness, was directly laughing out loud at this moment!

"Are you showing that you're different? With a green hat on your head, you're bullying?"

Kai said with a sneer on his face as he turned to Song Qingping.

At this moment, Song Qingping's face was deformed with anger as he fiercely gritted his teeth and said, "Laugh all you want, I will show you the power of my Spiritual Wood Duel"

After saying that, only to see that green buds actually began to grow from Song Qingping's head, followed by a vine appearing and wrapping around Song Qingping's entire body.

At this moment, Song Qingping looked like he was wearing a vine armor, and his two hands also turned into like vines, instantly attacking towards Kai!

Looking at Song Qingping's appearance, Kai's eyes showed some surprise!

He did not know whether this Song Qingping was a human or a tree demon in disguise.

But just as Kai was dazed, two vines had already reached Kai's eyes and instantly wrapped around him, lifting him high into the air!

Kai struggled, but the vines were getting tighter and tighter, seemingly trying to strangle Kai to death!

"Hahahaha, Kai, don't think I'm just that easy to bully."

When Song Qingping saw Kai being controlled, he burst out laughing!

"Are you a human or a demon?"

Kai was puzzled, what kind of demonic techniques had this Song Qingping practiced to become like this!

"Humph, I am a human and a demon, are you afraid?"

Song Qingping snorted coldly and said.

At this moment, Song Qingping had become unsightly, and there was no longer the slightest connection with his poised appearance at the beginning!

Zhou Jie at the entrance of the main hall, seeing Song Qingping turned into this state, could not help but start to vomit when she remembered the days when they used to roll in bed together!

She had never imagined that the person she had always adored and loved would be this inhuman and ghostly-looking!

"Afraid? I, Kai, have never known what fear is, even if you really are a demon, then I am the one who will kill the demon and get rid of it."

After saying that, a golden light suddenly flashed, only to see the Dragon Cutting Sword suddenly appear in mid-air, followed by a chopping down of the sword!

The sharp sword qi instantly chopped towards the vine that bound Kai!

Brush!

The vines were instantly severed and Kai landed directly on the ground!

He then reached out and took the Dragon Cutting Sword in his hand and looked at Song Qingping coldly!

Song Qingping looked at the Dragon Cutting Sword in Kai's hand, and the vines that had been cut off grew at a speed that was visible to the naked eye!

Song Qingping suddenly let out a loud shout and stepped violently into the ground, and immediately afterwards a crack began to appear in the ground!

Countless vines burst out of the ground and instantly surrounded Kai.

Each vine burst out with tremendous strength and ruthlessly smashed into Kai's body!

The sound of breaking air suddenly rang out, whistling towards Kai!

The force wielded by each of these vines was enough to break a person's back!

"Nine Shadows Divine Sword"

Seeing this, Kai instantly swung the Dragon Cutting Sword in his hand!

Immediately afterwards, one could see that Kai, like a bilocation, instantly appeared six identical Kai's, and each of them was holding the Zeng Long Sword in their hands!

The six Kai's all whipped out a sword at the same time!

Radiant sword qi rose from the sky and countless sword maces cut into those vines!

The sword mangled with the vines, instantly severing them with an explosive sound!

Song Qingping looked at the six Kai's who had suddenly appeared, and for a moment was somewhat bewildered and dumbfounded!

He didn't expect Kai's methods to be so powerful too!

At first, he thought they were doppelgangers, but as each sword aura carried substantial power, he realised that these six identical Kai's were all capable of inflicting substantial damage!

After the round of sword maces, the ground was filled with severed vines, and Kai's face was a little ugly at the moment, his breath was ragged, and sweat was still falling down on his forehead!

A man like none other and the man decree Chinese A Man Like None Other Chapter 1933

Having just used the Nine Shadow Divine Sword to manifest five figures, this had caused Kai to exert a lot of physical strength!

After all, the sword aura emanating from those five figures was also the strength gained from Kai's body!

If they were just illusory shadows, how could they possibly have the power to attack!

Song Qingping looked at Kai in surprise, he had just used his most powerful move, but he didn't expect to kill Kai, he didn't even control Kai!

However, looking at Kai's panting appearance, Song Qingping also seemed to understand what was going on, and then the corners of his mouth smiled faintly!

"Kai, no matter what move you use, it will consume a lot of spiritual energy, while I can use the power of the Laws, this time, you will suffer death!"

Song Qingping knew that Kai was now at the end of his rope!

Only to see Song Qingping's body like a big tree taking root, a vine penetrating deep into the ground, the aura of his entire body began to surge!

Several vines began to twist and then entwine, the vines kept waving in mid-air, and faster and faster!

In a flash, a tornado appeared in the entire void under this rapid waving!

The tornado was wrapped in endless power, spinning at an ever-increasing speed, and then heading towards Kai!

As long as Kai was swept into it, even if his body was strong, it would be strangled into mush!

Kai's eyes were fixed on the huge tornado in front of him, a huge suction force that sucked in everything around him and then tore it apart!

Pocky Hu and the others were all terrified and retreated into the distance!

But just as Hu Pazzi was about to move away, he suddenly noticed that Zhou Jie, who was at the door, was slowly being sucked in by the tornado because she was losing her strength!

Hu Pazzi was so shocked that he leapt up and, without any regard for his own safety, picked up Zhou Jie and tried desperately to escape the suction of the tornado!

The wind was howling and Hu Pazi was struggling with every step he took, but he gritted his teeth and held onto Zhou Jie without letting go!

Zhou Jie was in Hu Puzi's arms, quietly looking at this old and ugly man in front of her!

But at this moment, Zhou Jie found that Hu Pazi had changed, become more handsome and much more stout!

In fact, this was the status of Hu Ma Zi in Zhou Jie's heart, which was changing!

And at this moment, Kai, looking at the huge tornado in front of him, the terrifying aura also made him feel the danger!

Kai held the Zenglong Sword in both hands, and a divine dragon's power entered into the Zenglong Sword!

The Zenglong Sword began to emit a buzzing sound.

Kai bellowed, and the sword aura on the Dragon Chopper Sword surged up, and a golden aura surged out from the top of the Dragon Chopper Sword!

Soon this aura transformed into a huge sword, tens of metres long, which hung in mid-air, like a barrier, blocking Kai's figure!

The golden light flashed and the entire night turned into day!

"Chop"

Kai gave a vigorous swing!

That incomparably huge sword aura instantly chopped at that crazy tornado!

In an instant, the two auras collided and a huge explosion sounded!

The tornado was desperately moving closer to Kai, while the enormous sword mane was fighting to block it!

The terrifying aura continued to begin to expand, and the entire mysterious realm actually began to distort!

"Stop, stop, if this continues, the secret realm will collapse"

Seeing this, Deacon Lu hurriedly yelled out!

You have to know that this secret realm was also created using a spell formation, it wasn't indestructible, such a huge collision of forces, it was possible that the secret realm would collapse!

Hearing Deacon Lu's yell, Song Qingping's brow furrowed and he instantly wandered off!

Because he couldn't let the secret realm collapse, then wouldn't his hard-earned Demon Spirit Sect be useless!

And Kai didn't care, the collapse of the secret realm had no effect on Kai!

The collapse of the secret realm would have no effect on Kai, it would only mean that the people of the Demon Spirit Sect would have to live in the secular realm in the future.

Along with Song Qingping's wandering, Kai's eyes flashed with a cold aura, knowing that his chance had come!

A man like none other and the man decree Chinese A Man Like None Other Chapter 1934

Kai threw the Dragon Chopping Sword in his hand up high and threw it straight out!

After a pirouette in the air, the Dragon Cutting Sword instantly cut towards Song Qingping!

Song Qingping was startled, and his body hurriedly retreated, while the tornado was directly shattered by the huge sword aura the moment Song Qingping retreated!

The terrifying force spread in all directions, and Kai's body was blown backwards by the spreading force!

But Song Qingping was in trouble, for the Dragon Slashing Sword had a sword spirit, and Song Qingping hurriedly tried to trap it with vines!

But they were all cut off by the sharp blade of the Dragon Cutting Sword!

Boom!

The sword blade of the Dragon Cutting Sword instantly cut down!

Only to see Song Qingping's whole arm being severed, blood pouring from it, and his entire body instantly becoming shriveled up.

Song Qingping looked at his broken arm, his eyes filled with incredulity.

The Spiritual Wood Duel disappeared, and at this moment, Song Qingping returned to his original form and half-kneeled to the ground!

“How could this happen, how could this happen”

Song Qingping muttered to himself!

He was at the peak of the Great Martial Marquis, this was the secret realm of the Demon Spirit Sect, he could invoke the power of the Laws, and he had used the Spirit Wood Duel!

Why did the result still look like this?

Song Qingping looked at Kai incredulously, he really couldn't understand why this was the case!

Why was Kai, a middle stage Grand Martial Marquis, able to injure himself!

The Dragon Cutting Sword returned to Kai's hand, then Kai pointed his sword at Song Qingping and said, “What else do you have, feel free to use it, if you don't have any more, then go to hell”

As Kai finished speaking, the Dragon Cutting Sword in his hand swung towards Song Qingping!

“Wait a minute”

Just as Kai was about to make his move, suddenly that Zhou Jie shouted Kai to a halt!

Kai looked at Zhou Jie and said, “Miss Zhou, what do you mean? Are you going to plead for this Song Qingping?”

Zhou Jie shook her head, “I won't plead for him, I just want to ask him why, why did he cheat me”

Saying this, Zhou Jie walked up to Song Qingping, her eyes full of anger as she looked at Song Qingping and asked, “You have harmed me, you have ruined my life, why? Why did you do this to me?”

Song Qingping lowered his head slightly, not daring to look into Zhou Jie's eyes as he slowly said, "There is nothing I can do, I have been controlled by that Demon Heart Sect, they have given me poison, if I don't obey, they will let me die!"

Song Qingping explained, he wanted to gain Zhou Jie's sympathy, he might still be able to stay alive!

"I don't want to hear this, I don't care if you betray the Demon Spirit Sect, but why are you doing this to me? Am I just a plaything for you, a tool for you to vent your anger?"

Zhou Jie shouted angrily, what she was referring to was the violence Song Qingping had just rudely inflicted on her.

"No, it's not true, I truly love you, you're not a plaything, you have to believe me."

Song Qingping hastily shook his head and denied it!

"I don't believe you, I don't believe you, you're a brute"

Zhou Jie cried, reaching out and hitting that Song Qingping!

Song Qingping did not move, allowing that Zhou Jie to pound, soon Song Qingping's eyes flashed a brilliant aura, while everyone was not paying attention, a grabbed Zhou Jie, one hand deadly stuck on Zhou Jie's neck!

This time, Zhou Jie froze, she tried to break free, but she couldn't get free at all!

"Kai, get out of my way, all of you get out of my way"

Song Qingping shouted loudly as he held Zhou Jie hostage!

He was ready to flee and escape from the Demon Spirit Sect's secret realm and subsequently go to the Demon Heart Sect.

Seeing Zhou Jie being held hostage, Hu Ma Zi tensed up!

"Song Qingping, if you f*cking dare to touch her, I'll break him into pieces."

Pocky Hu shouted at Song Qingping!

But Song Qingping was unfazed and said with a cold smile, "You old pervert, I know you like her and have your eyes fixed on her big white legs, but you can only look at them, while I have long since gotten tired of playing with them, so who are you to threaten me here?"

A man like none other and the man decree Chinese A Man Like None Other Chapter 1935

Song Qingping's words rendered Hu Ma Zi speechless!

Zhou Jie, on the other hand, was ashamed and cursed angrily at Song Qingping, "Song Qingping, you beast, kill me if you can, kill me"

"Mr. Chen, leave me alone, kill him, kill him"

Song Qingping's hand was so hard that Zhou Jie couldn't say anything instantly!

"Kai, get out of the way quickly, as long as you let me go, I won't kill her."

Song Qingping said to Kai.

"Whether you kill her or not doesn't seem to have much to do with me, she's from the Demon Spirit Sect, and we've only known each other for a short time, not even ordinary friends, so why should I let you go for her sake?"

Kai sneered disdainfully.

When Song Qingping heard this, he directly froze, and then continued to increase the force in his hands, "I'm telling you, I'll really kill him, think carefully"

"Kill it, you kill her, I'll kill you"

Kai walked towards Song Qingping!

But as Kai was walking towards Song Qingping, he quietly gave a look towards Hu Pazzi!

Hu Puzi understood and quietly went to Song Qingping's side!

"Stand still, you stand still, take one step forward and I'll kill her"

Song Qingping started backing up and said loudly to Kai.

Kai sneered and didn't stop, which caused Song Qingping to panic a little!

But at this time, Song Qingping's attention was on Kai and didn't notice that Hu Ma Zi had reached his side!

Just as Song Qingping continued to retreat backwards, a sharp palm wind suddenly struck next to him!

He saw that Pocky Hu had struck out at Song Qingping!

Seeing this, Song Qingping instinctively swung his palm out towards Hu Ma Zi, blocking his attack!

Because Song Qingping had broken his arm, his palm strike must have loosened Zhou Jie's grip!

Kai, on the other hand, took the opportunity to pull Zhou Jie back from Song Qingping in a hurry!

Boom!

Song Qingping followed Pocky Hu and exchanged a slap!

Even though Song Qingping was injured, he was at the peak of the Great Martial Marquis' strength after all, so Pocky Hu was no match at all!

Hu Pocky's body instantly flew backwards and a mouthful of blood gushed out!

Pockmark Hu fell heavily to the ground.

“Master Hu

Seeing this, Zhou Jie’s eyes were filled with relations, only to rush over!

Song Qingping turned around and tried to run, while the Chopping Dragon Sword in Kai’s hand struck, and the Chopping Dragon Sword directly pierced through Song Qingping’s body.

Looking at his pierced body, Song Qingping fell to the ground with a poof!

To his death, Song Qingping’s eyes had not yet closed!

On the other side, Zhou Jie held Hu Ma Zi’s head tightly and kept wiping the blood from the corner of Hu Ma Zi’s mouth.

“Master Hu, wake up, wake up!

Zhou Jie shouted in concern!

And Pocky Hu’s eyes were tightly closed, his head in Zhou Jie’s arms, a body odour burrowing inside his nose!

Kai walked over and just looked at Pocky Hu with a faint smile at the corner of his mouth!

“Mr. Chen, take a look at Master Hu, take a look at him

Zhou Jie told Kai to take a look at Pocky Hu and heal him!

While she looked at the dead Song Qingping, she ran straight over, took a knife, and slashed towards Song Qingping’s corpse!

Blood splattered and Song Qingping’s corpse was almost chopped into mush by Zhou Jie, the scene was unbearable.

And Kai put one hand on Hu Ma Zi’s wrist and with a slight push, Hu Ma Zi opened his eyes and then desperately winked towards Kai!

After Zhou Jie had finished venting, she turned around and walked over, asking with an anxious face, “Mr. Chen, how is Master Hu doing?”

Kai had a gloomy face, then sighed, "Grandmaster Hu is badly injured, I need to bring it back to the hotel to heal before I can do so."

After saying that, Kai looked at Jiang Wei and said, "Brother Jiang, send someone to carry Master Hu back to the hotel, I need to treat him."

Jiang Wei nodded and immediately ordered the Jiang family's men to carry Grandmaster Hu out of the secret realm!

A man like none other and the man decree Chinese A Man Like None Other Chapter 1936

Zhou Jie was concerned about the safety of Pocky Hu, so she went along with him!

"Mr. Chen, thank you so much."

Deacon Lu stepped forward and said with a face full of gratitude.

"No need to thank me, I did it for my own sake, as for the matter of your Demon Spirit Sect, you can handle it yourself."

Kai finished speaking and glanced at those of the Demon Spirit Sect, then followed Jiang Wei and left!

Those betrayed people of the Demon Spirit Sect, how Deacon Lu dealt with them, that was his business, Kai would not get involved and would not care!

Back at the hotel, Zhou Jie was meticulously wiping the blood from the corner of Hu Ma Zi's mouth!

"Miss Zhou, I'm going to treat Grandmaster Hu, so you should go back for a while!"

Kai said to Zhou Jie.

Zhou Jie nodded and then walked out of the room, after walking out of the room, Kai patted Pocky Hu's shoulder, "Alright, Zhou Jie is going out."

Hu Pazzi opened his eyes and said with an intoxicated look, "It's too similar, it's too soft"

Looking at Hu Pazzi's look, Kai couldn't help but sigh, "I thought you had changed your ways, but I didn't think it was still the same."

Pocky Hu had changed quite a bit after swallowing Xiao Yu's golden elixir, Kai had thought Pocky Hu would change completely!

"What old look, I really like this girl, it's not just to sleep with her."

Pocky Hu said with a straight face.

"Then you don't care that Zhou Jie's body has already been slept with?"

Kai asked.

Hu Pocky shook his head, "I don't care, I've slept with many people even with these old bones, as long as she doesn't mind me."

"That's fine, you leave it alone, I'll help you, just lie down"

Kai told Hu Ma Zi to lie down and close his eyes again!

After adjusting his emotions, Kai walked out of the room, while Zhou Jie was waiting in the hallway, and when she saw Kai come out, she immediately greeted him.

"Mr. Chen, how is Master Hu doing?"

Zhou Jie asked.

"Ai!" Kai sighed, then hesitated for a moment and said, "Master Hu's internal organs have suffered a shock and are badly injured, I'm afraid I'm afraid"

Kai's hesitant look made Zhou Jie tense up all of a sudden!

“Mr. Chen, no matter what you have to save Grandmaster Hu, he is like this because he saved me, as long as you can save her, let me do anything.”

With that said, that Zhou Jie actually wanted to kneel down for Kai!

Kai hurriedly pulled Zhou Jie back and said, “Miss Zhou, there is no need to do so, Master Hu is not impossible to save, but you need to pay a little.”

“What do I need to give?” Zhou Jie asked.

“This this”

Kai had an embarrassed face, then whispered to Zhou Jie’s ear and spoke!

After saying this, Kai was red in the face, but Zhou Jie was acting very calm!

“As long as I can save Master Hu, I’m willing to do anything, I’m already a rotten woman, what else can’t I do.”

After saying that, Zhou Jie opened the door and walked into the bedroom!

When Kai saw Zhou Jie walk into the bedroom, his heart was a little complicated, he didn’t know if it was right to deceive Zhou Jie like this, but looking at Zhou Jie like this, she should have a good feeling towards Master Hu too!

Looking at the time, he saw that it was almost dawn, so Kai went back to his room to rest!

The night had made him very tired, but as Kai lay in bed, he soon heard movement coming from his arm!

This was followed by the shouts of Zhou Jie and Hu Ma Zi.

At this moment, Kai was confused, their two rooms were next to each other, so he didn’t expect that the voices from next door could be heard so clearly!

Kai was lying in bed with his eyes closed, but he couldn’t sleep, his ears were filled with the voices of Zhou Hao and Hu Ma Zi, for ten minutes, without any intention of stopping!

Kai sat up violently from the bed with a face full of life!

He was simply asking for trouble for himself, following Hu Pazi to do this, causing himself to be unable to sleep.

In the end, Kai had no choice but to go and talk to Jiang Wei.

A man like none other and the man decree Chinese A Man Like None Other Chapter 1937

When Jiang Wei saw Kai coming, he made tea for him, and then the two of them sat face to face and chatted.

“Brother Jiang, is there something important about to happen for all of your clans to come to this place all of a sudden?”

Kai asked to Jiang Wei.

“Mr. Chen, didn’t you already know that Penglai Island is the place where spiritual energy is recovering, so we were originally going to Penglai Island to occupy it before the spiritual energy recovers, so that we can take the initiative then.”

Jiang Wei said.

“With so many clans wanting to go to Penglai Island, there will inevitably be battles when the time comes, and such a melee will bring disaster to every clan.”

Kai said.

“Of course I know these things, but right now all the major clans in the secret realm are thinking of occupying the place where the aura is recovering so that they can be well prepared before the entire world’s aura recovers, and we clans are supposed to be the spokesmen for the major clans in that secret realm, so we can only follow orders.”

Jiang Wei understood what Kai meant, but he couldn't make the call!

"Is there a way to stop the aura from reviving? If the aura really recovers and the clans and families of the major mystic realms leave the mystic realm, then this time will be chaotic and all the ordinary people will be out of luck then."

Kai knew that after these immortal cultivation families left the secret realm, there would be no one in the entire secular world who could restrain them, so wouldn't the ordinary people be nothing but ants!

When the major clans and families fought over resources, it would be the ordinary people who would suffer!

All Kai wanted to do was to stop the revival of spiritual energy and let those clans in the secret realm stay in the secret realm!

The reason why the secular world had the laws of heaven and earth that suppressed people in the secret realm, then this was the will of heaven, after the recovery of the aura, it could be that the whole world would be in chaos.

"Mr. Chen, you want to stop the revival of the aura?"

Jiang Wei looked surprised, then shook his head and said, "I don't know if I can stop it, but this aura recovery, I'm afraid it was already set thousands of years ago, I'm afraid no one can stop it."

Kai frowned slightly, regardless of whether he could stop the revival of the aura or not, he had to go to Penglai Island to take a look.

Unknowingly, Kai followed Jiang Wei and chatted until dawn. When Kai came out of Jiang Wei's room and was about to go back to his own room, he ran into Zhou Jie walking out of Hu Ma Zi's room with a rosy face!

The two looked at each other and Zhou Jie's face instantly turned red!

"Mr. Chen, you've actually learned to cheat"

After Zhou Jie finished speaking, she turned around and ran away.

Hu Ma Zi stretched his back and walked out with a satisfied face as well!

After seeing Kai, he directly patted Kai's shoulder and said, "Kai, thank you so much, in the future, if you need me, just speak directly."

Looking at Hu Pazzi's satisfied look, Kai smiled lightly, "Now you are satisfied, treat people well in the future."

"That's natural, from now on Zhou Jie will be my wife."

Pocky Hu nodded his head!

Just as Kai was about to go and rest, Xu Changsheng arrived with the Shennong Cauldron!

Xu Changsheng had travelled all night and day for fear of delaying Kai's business!

Looking at the Shennong Cauldron, Kai was a little excited inside, he didn't know what kind of elixir he would be able to practice with this 10,000 year old He Shou Wu.

After following Xu Changsheng and giving a few explanations, Kai let Hu Ma Zi escort him as he began to refine the potion!

But in order to prevent accidents, Kai also asked Jiang Wei to send someone to guard his room!

He was really afraid that Pocky Hu might sneak off to bed at this point in time when he was on his honeymoon!

After setting up the Shennong Cauldron, Kai flicked the 10,000 year old He Shou Wu and threw it directly into the Cauldron!

Next, Kai sat on his knees, and a light blue flame flickered above his palms, a spiritual fire for refining pills!

Kai flicked his fingers and the collar was instantly thrown into the divine Nong Cauldron, which soon burst into flames!

A man like none other and the man decree

Chinese A Man Like None Other Chapter

1938

Kai's eyes were slightly closed and he was holding his breath, putting all his attention on the alchemy!

The ten thousand year old He Shou Wu slowly and surprisingly turned into liquid under the burning of the spirit fire, and a pleasant fragrance came out from inside that Shen Nong Cauldron!

Time flies

In the blink of an eye, three days have passed, and at this moment the Shennong Cauldron is beginning to emit a bright and glittering light!

The light was becoming more and more prevalent, and even the entire hotel seemed to be wrapped in this radiant light!

Sensing the aura emanating from inside Kai's room, both Hu Ma Zi and Jiang Wei were all shocked!

And that Zheng An Guo of the Zheng family, upon seeing the hotel vision, hurriedly brought Zheng Kai towards the hotel!

"Dad, what is that? Why did a vision appear in the hotel all of a sudden?"

Zheng Kai asked Zheng An Guo on the way.

"This should be a divine elixir coming out, it must be Mr. Chen refining the elixir with that 10,000 year old He Shou Wu"

Zheng An Guo said excitedly.

Zheng An Guo followed Zheng Kai and quickened his pace, while at this time inside the hotel, Hu Ma Zi followed Jiang Wei was guarding the outside of Kai's room, waiting quietly!

Buzz

Suddenly, the divine Nong Cauldron inside Kai's room emitted a buzzing sound, followed by a radiance that shot out in all directions!

The multicoloured light instantly shot up into the clouds, a strange sight that caused many people to stop and watch, wondering what was happening!

At this moment, on a hill not far from the South Lake, Ning Zhi looked at this sudden vision of South Lake City, his face full of gloom!

After escaping from South Lake, Ning Zhi did not leave, he was waiting for news from Song Qingping, the next step was to go to Penglai Island, because they had already set a trap on Penglai Island!

If Kai went to Penglai Island, then this trap would be able to deal with Kai, and also use the opportunity of the revival of the aura to bring the Blood Demon back to life!

If Kai did not go to Penglai Island, then this trap was to deal with the other clans, and they would not stand by and watch the other clans occupy Penglai Island.

"What the hell is this thing?"

Ning Zhi looked at the vision with a puzzled expression!

"A divine elixir has come out, it must be that Kai, I never thought that ten thousand year old medicinal herbs would be able to practice a divine elixir when they came into his hands"

The demonic envoy inside Ning Zhi slowly said.

"Divine Pill?" Ning Zhi was bewildered, he didn't know much about pills, and even less about what a divine elixir was!

"A divine elixir is a heavenly ranked elixir, and one must know that the higher the rank of the elixir, the more difficult it is to refine it, and the more demanding the furnace required."

"I never thought that this Kai would be able to refine a divine elixir, and the main thing is how he has an elixir furnace capable of refining a divine elixir."

"The secrets in this Kai's body are really growing, let's hope that this time when the aura recovers, we can completely get rid of him as a hidden danger."

The devil ambassador's voice carried a bit of worry!

"Senior, that Kai has the help of an expert by his side, so I'm afraid it will be difficult for us to get rid of that Kai, right?"

At this moment, Ning Zhi had quite a bit of fear in his heart after the battle he had fought a few days ago, as every time he had followed Kai in a battle, it had always ended in defeat.

"You're afraid?"

The devil ambassador asked.

"I"

Ning Zhi didn't know how to answer, but now the kind of ambition Ning Zhi used to have was beginning to waver as he was defeated by Kai time and time again.

"Hmph, didn't you just fail a few times? How dare you have fear in your heart, you are too much of a waste, thanks to your Inferno Demon body, when you bring your physique into full play, you won't have to be afraid."

"And this time, I've already informed the Black Gold Robe, they've come back to send help."

The devil ambassador snorted coldly.

When Ning Zhi saw that the Black Gold Robes had been sent out, his eyes were instantly filled with hope, knowing that the Black Gold Robes were all at the Martial Saint level, and if the Black Gold Robes were sent out, then Kai would have no choice but to be meekly captured.

A man like none other and the man decree

Chinese A Man Like None Other Chapter

1939

"This Song Qingping, it's been days, and there's nothing at all!"

Ning Zhi looked at South Lake City and was very dissatisfied.

They had been waiting for news of Song Qingping, but it had been several days, and they hadn't seen any movement from Song Qingping!

Now Ning Zhi and the others still didn't know that Song Qingping was long dead by now!

The whole Demon Spirit Sect was also undergoing a major overhaul, and Deacon Lu began to bloodily purge some of the cronies Song Qingping had left behind.

Boom!

Suddenly, there was a deafening explosion in mid-air, and colourful light shot out in all directions!

And in the midst of the light, an elixir wrapped in golden light all over emitted scorching heat like the sun!

This glow compared to the sun in the sky!

"Could that be the divine elixir?"

Ning Zhi looked in astonishment at the elixir emanating light in mid-air.

Immediately afterwards a figure rushed up into the sky and reached out towards the elixir to grab it.

Soon, the elixir was grasped and the radiant light disappeared instantly, restoring calm to the entire mid-air!

Kai opened his hand and looked at the elixir that was emitting a faint golden light, his heart was incomparably excited!

“This is the Purple Sun Pill?”

Kai was filled with excitement and his body was trembling slightly!

He knew that this single Purple Yang Pill would be able to raise his strength from the middle stage of a Grand Martial Marquis to the late stage, or even to the peak of a Grand Marquis!

In fact, in refining this Purple Sun Pill, Kai had taken a gamble, knowing that there was no 100% success rate in refining pills, and the higher the grade of the pill, the greater the chance of failure!

If Kai just absorbed and refined the 10,000 year old He Shou Wu, the increase in strength would not be great, but refining it into this Purple Yang Pill would be different and would allow strength to soar!

If he failed, not only would Kai not get the Purple Yang Pill, he would also lose the 10,000-year-old He Shou Wu, and even his spiritual energy would be wasted.

But this time, Kai was right, and it was also due to the divine Cauldron, the ancient divine Cauldron, which was no joke.

Kai slowly dropped down with the Purple Sun Pill, Hu Ma Zi and Jiang Wei had long since rushed up!

“Kai, you are making a divine pellet?”

Hu Puzi asked with an excited face.

Kai smiled faintly and nodded his head.

“You kid, you are too bold to refine a divine pellet, if this fails, that is ten thousand year old He Shou Wu, won't it be wasted, you really dare to gamble!”

Hu Ma Zi said with a pang of fear.

“Isn't life a gambling game? How can anyone know what their future will be like.”

Kai said with a faint smile.

“You’re awesome, if it were me, I definitely wouldn’t dare”

Hu Ma Zi said with a thumbs up.

At this time, Zheng Anguo and Zheng Kai also arrived, and after seeing Kai, Zheng Anguo’s eyes were filled with a strong look of envy!

“Mr. Chen, congratulations, congratulations, congratulations on your joy of obtaining the divine elixir.”

Zheng Anguo hurriedly said congratulations!

“Same joy, same joy, I promised to refine the Sanyuan Dan for the Zheng Family Master, I’ll write a prescription, you can go and prepare the materials.”

Kai said indifferently.

Since he had promised, Kai would do it, and now that the divine Nong Cauldron was around, the Sanyuan Dan could be refined a little easier!

Although that Sanyuan Pill was not a divine Pill, it was still an Earth-rank Pill, and it would help a lot in improving strength!

As soon as Zheng Anguo heard this, he nodded excitedly, “Good, I’ll go prepare it right away!”

Kai wrote a prescription for Zheng Anguo, and Zheng Anguo immediately mobilised the entire South Lake and started searching for the herbs on the prescription!

It only took half a day to get the herbs together, so it was clear that Zheng An Guo was not a city lord for nothing.

That night, Kai used the Divine Peasant Cauldron to practice the Sanyuan Dan for Zheng Anguo, and Kai incidentally also practiced a few great tonic pills for Pocky Hu!

If Hu Pazi was so desperate to play with his life, it was estimated that by the time he died, his kidneys would be finished!

A man like none other and the man decree

Chinese A Man Like None Other Chapter

1940

After Zheng An Guo received the Sanyuan Pill, he was so grateful to Kai that he could not wait to offer him up as an ancestor!

And that Hu Ma Zi was also overjoyed after receiving the Great Tonic Pill.

There was still some time before the revival of the aura on Penglai Island, so Kai wanted to use this time to cultivate and improve his strength, along with the revival of the aura on Penglai Island, Kai knew that more and more experts would appear.

It was fine if he could stop the revival of the aura, but if he couldn't, then the whole secular world would become more and more chaotic, and Kai only had enough strength to protect the people around him.

"Master Hu, next I'm going to use the Purple Sun Pill to cultivate, so I still need you guys to protect me before I can do so."

Kai said to Pocky Hu.

"Don't worry, I promise to guard you, not a single mosquito can fly in"

Hu Puzi patted his chest and said.

"Mr. Chen, if you cultivate, why don't you come to my mansion, it's safer there, and I will give an order to seal the city so that no one is allowed to enter or leave."

At this moment, Zheng An Guo said.

Kai pondered for a moment, so he nodded his head and agreed.

It was indeed much safer at the Zheng family residence than at the hotel!

A group of people went to the Zheng family, and Jiang Wei, who had also taken people there for Kai's protection, was in no hurry to rush to Penglai Island!

Kai sat cross-legged in the secret room Zheng An Guo had prepared for him, holding the Purple Yang Pill in his hand, the spiritual energy that was like a mountain and sea rushing into Kai's body constantly!

Kai opened his mouth and swallowed that Purple Yang Pill!

The terrifying spiritual energy swept through Kai's entire body, at this moment, it was as if Kai was bathed in an ocean of spiritual energy that could let him soar!

With his Heart Condensation Skill running, a small vortex began to appear within Kai's body, and the thick spiritual Qi filled Kai's surroundings with a white mist!

Kai frowned slightly, although the Purple Sun Pill could boost his strength, that crazy impact made Kai struggle to channel and control that power!

Kai's strength was slowly increasing, and his body was beginning to become even stronger.

Time passed, and in the blink of an eye it was half a month!

For these half a month, Kai did not move a muscle inside the chamber!

"It's been half a month, will Mr. Chen be alright?"

Zheng An Guo asked worriedly.

One had to know that although the divine Pill was good, it also had a great impact on the body, and if the body could not withstand it, it would probably be dangerous.

"It will be fine, that boy Kai is a Golden Dragon True Body, a divine pill is just a divine pill, it can't destroy his body."

Pocky Hu sipped his tittle, not worried at all!

During this period of time, Pocky Hu had been singing night and day, and Zhou Jie had become more and more charming with Pocky Hu's nourishment, and her skin was even whiter and more beautiful!

When this Pocky Hu saw Zhou Jie, then he couldn't stop loving her!

"Master Hu, will Mr. Chen really be alright?"

Jiang Wei was also a little worried!

After all, it had been half a month and there was no movement at all in the chamber, they couldn't even feel Kai's breath!

"Don't worry, if I say it's fine, it's definitely fine, that Kai's body is different from normal people, even if he takes the divine Pill, I reckon he won't be able to raise his realm too much."

Hu Pocky was, in this paragraph, very thorough in understanding Kai!

Seeing that Pocky Hu was so sure, Zheng An Guo and Jiang Wei said nothing more!

Another three days passed, and there was still no movement in the chamber!

But at night, when everyone had gone to sleep, the bright moonlight was suddenly covered by dark clouds!

The whole sky became so dark that it was almost invisible!

Suddenly, a burst of light erupted from the chamber, illuminating the entire night sky as bright as day!

Rumble

Suddenly there was an explosion and the hard chamber was instantly reduced to powder, while Kai's body leapt up like a meteor and ran towards the mountain not far away!
