A man like none other and the man decree (chinese) Chapter 1401-1402

Chapter 1401 Who will win? _

.....

Many people began to cite, and Duda, who came from Penglai Island, was gradually known by people.

But at this time, Du Da doesn't care anymore. His main purpose now is to kill Kai as soon as possible and take away Long Jing and Yuan Ying!

It is uncertain whether it will come to Daxia in the future.

"Boy, it's useless no matter what kind of conspiracy you play, you are dead today..."

Du Da thought that Kai must have played some conspiracy when he notified so many people.

"Hmph, old man, do you still use conspiracy against you?" Kai sneered: "But Penglai Island is really a good place, it can even allow you to practice Nascent Soul Realm, I think there must be some relics on Penglai Island. Otherwise, how can there be such a strong spiritual energy."

Du Da narrowed his eyes slightly: "Boy, you don't need to worry about whether there are any relics on Penglai Island, but you have practiced Nascent Soul Realm at a young age, and you are still in the area of lack of spiritual energy. Lu, it seems that you have a lot of hidden secrets."

"Although you are invincible at the same level in the martial arts world, compared to me, you are a little more tender, but seeing that your cultivation is not easy, I will take yours.

Longjing and Nascent Soul will not destroy your three souls and seven souls, so that you can be reincarnated as a human..."

After speaking, Du Da's aura suddenly exploded, and the surrounding trees were broken one after another, even hundreds of meters apart. The crowd also felt this powerful aura, and they retreated towards the distance one after another.

The strength of Duda's third-rank Marquis instantly appeared, but unlike other warriors, Duda's breath was more pure and had a great deterrent power.

Feeling the breath on Du Da's body, Kai's face was a little disdainful, but the golden light on his body flickered, and then the undamaged golden body instantly covered the whole body.

"Kai, Nascent Soul's physical body is no longer important. What's the use of protecting your own body? What you should protect is your Nascent Soul..."

"A burst of spiritual power hit Kai's chest.

On the other hand, it was Mr. Shi who got out of the other car.

"Mr. Shi..."

Long Jingguo's body trembled slightly after seeing Mr. Shi, but he still stepped forward to say hello!

Mr. Shi just nodded slightly, did not speak, but straightened his body and went directly to the top of the mountain to watch Kai and Duda's battle.

Long Jingguo looked at Mr. Shi, and his face became very ugly. He didn't understand what the purpose of Mr. Shi was here. Did he come to help Kai?

If Mr. Shi is here to help Kai, or even take action when Kai is in trouble, then their strategy for dealing with Kai will change. After all, Mr. Shi is so blatantly partial to Kai, who would dare to touch the history of these people in the Kyoto martial arts world Mister scumbag?

Mr. Shi followed Xing Jun on the other side of the mountain, quietly watching everything in front of him. Although they were separated by thousands of meters, it was as if they were in front of them.

"Captain Xing, tell me, Kai and this Duda, who will win in the end?"

Mr. Shi asked Xing Jun next to him.

Xing Jun looked at Kai and Du Da, and then said: "Mr. Shi, the auras of these two people are very pure and similar, but Kai's aura is very fierce, and it is full of bloody murderous aura..."

"Although this Duda's aura is also very tyrannical, the tyrannical aura is somewhat calm and restrained, and it can be seen that this Duda has not exerted his full strength."

"This time, it seems that Kai has encountered an opponent. , I'm afraid it will be life-threatening..."

After Xing Jun finished his analysis, Mr. Shi smiled with satisfaction: "Your analysis is good, everyone's breath will be related to everyone's character and experience, Kai's strength has exploded, and he has encountered a lot of things recently, so It created his aura that is fierce and full of murderous aura."

"And that Duda, who has been cultivating on Penglai Island for many years, has lived a life of indifference to the world, so his aura is much more restrained, and in terms of attainments and experience, this Duda is stronger than Kai!"

"But the real victory or defeat is not all about these, but also the will and determination. The reason why Duda did not use all his strength is because he still has the ability to escape. I won't really fight with Kai, and both sides will suffer..."

"But Kai is a wreck, don't you realize that Kai has made up his mind to exchange his life for his life?"

Xing Jun was silent, quietly watching Both sides of the fight!

boom!

Duda shot Kai.

The pressure of his body rolled toward Kai, and the terrifying aura covered the sky, turning the day into night in an instant!

Immediately after the spiritual power condensed, it instantly turned into a sharp sword!

"Kai, I heard that your indestructible golden body is indestructible, then try my sword..."

Du Da held a sword transformed from spiritual power. Cut to Kai!

When this sword goes down, the whole earth seems to be split open, and the sand and the rocks and the trees are flying!

Even Mr. Shi, who is thousands of meters away, can feel the power of this sword energy.

"What a strong sword qi, Mr. Shi, can Kai stop it?"

Xing Jun asked incredulously.

"I don't know!" Mr. Shi replied lightly.

Xing Jun was stunned for a moment, and looked at Mr. Shi with some puzzlement. He didn't understand, how could Mr. Shi not know?

If Kai can't stop it, then shouldn't Mr. Shi make a move?

After all, Mr. Shi is here to protect Kai.

But Mr. Shi did not intend to take action.

Long Jingguo squinted his eyes slightly at the moment: "This Kai's undamaged golden body is really powerful, but I don't know if it can stop this sword. If Kai can't take a single move, then it's not a cause for concern..."

Everyone is watching Kai, wanting to see if Kai can stop this sword!

The scales on Kai's body shone with dazzling golden light. At this time, Kai not only did not dodge, but directly greeted Du Da's sword energy.

"Holy Light Fist..."

Kai shouted angrily, and then he punched the sword in Duda's hand fiercely!

boom!

A dazzling white light flashed, and everyone instinctively closed their eyes. Then, they saw that the sword in Duda's hand began to shatter, and finally turned into a little spiritual power and instantly disappeared!

And the scales on Kai's body also began to fall off and disappear, and finally revealed extremely tight muscles!

"This Kai's strength seems to be a lot stronger..."

Xing Jun said in surprise.

Mr. Shi smiled slightly, and his face also showed satisfaction.

Long Jingguo frowned, the expression on his face was indescribably ugly, and he didn't know what he was thinking!

And also a little unexpected, there is also Zhu Zhishan. At this moment, Zhu Zhishan, who has only one arm, is watching the scene of Kai being tortured and killed with hope.

But in this opening, the strength shown by Kai surprised Zhu Zhishan!

"Brother Du, this... what's going on?"

In Zhu Zhishan's view, as soon as Du Da made a move, Kai would definitely die!

Du Da ignored Zhu Zhishan, but narrowed his eyes and looked at Kai: "Boy, your strength is really good, I have been cultivating for decades, apart from killing some beasts, I have never fought anyone happily. One, today I will fight you hard, and I will also use the techniques that I am about to be unfamiliar with!"

"It's a pity, it's a pity..."

Kai looked at Du Da and sighed suddenly.

"It's a pity that you have practiced for decades and have never fought against anyone. Today is the first time you fight, but you are going to die..."

Kai said lightly.

"Hahaha, ignorant child, you should just say wild words. I have seen a lot of people like you who like to say wild words. The more skilled you are, the less capable you are. , it seems that I have a high opinion of you..."

Du Da laughed loudly.

"If you think highly of me, then you'll know after you have passed the trick!"

After Kai finished speaking, he stretched out his right hand, and the Dragon Slaying Sword instantly appeared in Kai's hand!

The Dragon Slaying Sword emits a gray light, the light is not dazzling, but it gives people a feeling of fear!

Du Da's eyes lit up instantly after seeing the Dragon Slaying Sword in Kai's hand!

"Spirit sword?" Du Da breathed rapidly: "I didn't expect you to have a spirit sword in your hand, no wonder you can cultivate to this level at a young age in a place where your spiritual energy is depleted. It seems that you have There are a lot of treasures."

"You have created a sword spirit from this spirit sword, such a treasure is such a pity to have in your hands..."

Du Da couldn't help shaking his head, and then continued: "Boy, if you are willing to hand over your With the spirit sword in your hand, and then give me the dragon crystal in your body, I can spare you from dying and don't want your Nascent Soul."

"Really?" Kai asked.

immediately patted his chest and said when he saw that Kai was shaken.

"Brother Du... How can you do this?"

Zhu Zhishan, who was not far away, was a little anxious after hearing this. He asked Du Da to kill Kai, but he didn't want Du Da to make a deal with Kai. .

"Shut up, I'm not your servant, and I never promised you anything!"

Du Da glared at Zhu Zhishan, making Zhu Zhishan look embarrassed and didn't dare to speak.

"Boy, as long as you promise me, not only will I not kill you, but I will also take you to Penglai Island and accept you as a disciple. No one will dare to kill you at that time. With your talent, it will definitely become popular in the future!"

Du Da continued Promised to Kai!

But who knew Kai chuckled: "Although you don't want my Yuanying anymore, but I want your Yuanying, you still want to accept me as a disciple? You have been practicing for decades, but you are a great Yuanying cultivator. I have only practiced for less than a year, and we are both great cultivators of Nascent Soul, are you worthy of being my master?"

"I think you are an old man with delusional disorder, right? If you kneel down and kowtow to my teacher, maybe I can teach you a few tricks to make you practice faster!"

"You are courting death!" Du Da was instantly furious when he heard Kai's words!

Immediately afterwards, Duda's body began to act as endless power, and the rolling spiritual power came out of the body and began to run around the body!

A handful of condensed white daggers formed around Duda!

All the daggers pointed at Kai, and they carried endless coercion!

Duda's body suddenly waved forward for a while!

Countless condensed daggers shrouded Kai like a rain of swords.

Kai looked at the overwhelming sword rain, and the Dragon Slaying Sword in his hand suddenly waved!

"Nine Shadows Sword Art..."

Soon, Kai's body began to slowly become transparent, as if it had turned into a phantom!

Immediately afterwards, the phantom became clear again, and not far away, another Kai appeared holding the Dragon Sword.

The sword rain fell fiercely on Kai, but Kai did not react at all, but another Kai held the Dragon Slaying Sword and swiped it fiercely towards Du Da!

Feeling the power of the sword qi, Du Da frowned and quickly retreated, avoiding Kai's blow!

Chapter 1404 Essence _

When Mr. Shi saw this scene, his eyes suddenly lit up, and the expression on his face was a bit shocked!

"This Kai has actually obtained the essence of the Nine Shadows Sword Art. I don't know what adventures this guy has encountered..."

Mr. Shi muttered to himself.

"Mr. Shi, Kai learned this nine-shadow swordsmanship from Ichiro Watanabe. It seems that those island country guys are really capable..."

Xing Jun thought that Mr. Shi didn't know that Kai's nine-shadow swordsmanship Where did you learn from, so he said.

But who knew Mr. Shi smiled: "Then Ichiro Watanabe's Nine Shadows Swordsmanship is just the end of Qiong's branches, not even one-tenth of the real power of Nine Shadows Swordsmanship."

"It should be a descendant of Nine Shadows Swordsmanship. I just passed this sword technique to the island country, and the real essence of the Nine Shadows Sword Technique was created by my first swordsman Ouyang Feng in the summer, how could it become something of the island country!"

Mr. Shi explained to Xing Jun, Only then did Xing Jun understand that the Nine Shadows swordsmanship that Ichiro Watanabe learned was something passed down by Daxia.

"Okay, let's go..."

Mr. Shi slowly walked down the mountain.

"Mr. Shi, don't you look at Kai? What if..."

Xing Jun didn't understand why Mr. Shi left, and what if Kai was killed?

"There's nothing in case, this kid is stronger than I thought!"

Mr. Shi smiled lightly, and then asked Xing Jun, "What happened to the Watanabe family?"

"The Watanabe family secretly sent several batches of killers, but all the He was wiped out on the border, and now he is much more honest."

Xing Jun replied.

It turns out that during this period of time, the Watanabe family never bothered Kai. It was not that the Watanabe family gave up, but that Mr. Shi sent someone to stop him.

"Well, you have to take more precautions to prevent the Watanabe family from jumping over the wall and using dark gold killers."

Mr. Shi reminded Xing Jun.

"I will order it!"

Xing Jun nodded.

Mr. Shi and Xing Jun left, while Du Da looked at Kai angrily. He did not expect Kai to have such a superb swordsmanship!

I saw Duda volleyed a finger, a ray of light instantly pierced the void, and then a lightsaber appeared in Duda's hand!

"Heavenly Slash..."

Du Da shouted angrily, and Pi Lian's sword glow instantly swung out of Du Da's hand. The sword glow flashed with dazzling light, reaching a length of dozens of meters.

Kai was not in a hurry, the Dragon Slaying Sword in his hand made a humming sound, and a bloodthirsty breath emanated from the body of the Dragon Slaying Sword.

The power of the dragon was continuously injected into the sword by Kai.

"Nine Shadow Swordsmanship, the first sword..."

The Dragon Slaying Sword in Kai's hand slanted upward, and the gust of wind surged, and the terrifying sword qi burst out of the sky!

Bang bang bang ...

A series of explosions sounded, and the sky was dark and the sun and moon were dark!

Du Da's tens of meters of sword brilliance was smashed by Kai's sword energy and disappeared into pieces.

Duda only felt that his palm was shaken up, and the lightsaber in his hand was only a few inches left!

Du Da was furious, and the lightsaber in his hand skyrocketed again, and then the sword light swung towards Kai overwhelmingly.

This time Duda didn't hold back, and all his spiritual power burst out.

Kai held the Dragon Slaying Sword and directly confronted Du Da. Both of them were fighting for the spiritual power in their bodies. Such a competition would consume a huge amount of spiritual power.

People not far away were stunned when they saw it. They didn't expect Kai's strength to increase a lot.

In just a short moment, the two of them had passed no less than a hundred moves. The huge consumption of spiritual power made Duda panting and his face became very ugly. He didn't expect to deal with Kai and make himself so embarrassed. .

"What? You're running out of strength so soon?"

Kai said with a cold smile.

"Boy, you are stronger than I thought, but this is just the beginning..."

After Du Da finished speaking, his feet trembled slightly, and then the aura that was visible to the naked eye began to flood the sky.

The spiritual power in Duda's body was recovering little by little, but the people around felt that the air around him suddenly became a lot colder.

Soon, Duda's spiritual power was completely restored, which surprised Kai!

He didn't know what kind of exercise Duda used, but he was able to completely replenish the deficient spiritual power in a short period of time.

I saw Duda muttering words, his eyes staring like copper bells, and soon above the tip of the sword, a burst of brilliance dazzled, as if a small sun suddenly burst into light, and the eyes of those who shone in an instant could not open. .

Just when Kai's eyes were in a trance, he felt a strong wind blowing at a speed as fast as lightning.

Kai turned to one side, and a coolness ran across Kai's face, and he even felt the icy aura on the tip of the sword.

When the blow missed, Duda retreated, and the tip of the sword began to flicker again. This Duda was planning to attack Kai at the moment when Kai's eyes were lost.

Kai saw that Duda wanted to repeat the old technique at this time, he slashed the dragon sword in his hand, and a green light sword slashed at Duda instantly, forcing Duda to dodge, and interrupted him to perform the technique again.

Kai looked at Du Da with a solemn look on his face. Although this Du Da has the same cultivation base as himself, he also has the skills of magic. This is the great thing.

Not every cultivator can do magic, and magic is very scarce on this earth. Because the way of immortality is prevalent, and the slow decline of warlocks, few people practice magic.

In the end, when the spiritual energy was exhausted, many people remembered the previous spells, and when they wanted to learn again, they realized that the spells seemed to have disappeared from this world, and there were very few advanced spells left in the world.

What Duda used was also a technique. The brilliance on the tip of the sword was not produced by the spiritual power of the body.

Magic requires spiritual power, and only spiritual power can activate magic. Du Da is going to compare magic with Kai.

"If you want to compare your skills with me, then I'll play with you..."

Kai said, and even put away his Dragon Slaying Sword.

Immediately afterwards, Kai put his two fingers together, and a golden light flickered at his fingertips.

A finger of spirit!

With a ruthless finger down, a flash of light went straight to Duda's chest. As long as this finger hits, it will definitely pierce a big hole in Duda's body.

However, this Duda is obviously also a veteran of fighting, with particularly strong experience and responsiveness.

Just when Kai shot, Duda's body side, followed by a surging palm wind blew towards Kai!

Kai saw this, and in the blink of an eye, several identical Chen Pings appeared in an instant!

Each one looked very real, which made Duda frown!

Just when Du Da was stunned, Kai left and was already behind Du Da!

Immediately after he smashed down with a punch, a golden light appeared on the fist. Duda felt the danger behind him, and his hair exploded in an instant.

Bang...

Du Da was punched in the back by Kai, and Du Da stumbled out and almost didn't fall to the ground.

This hit made Duda's face extremely ugly.

"Boy, you must die today..."

Duda roared, a strong killing intent rising into the sky.

Immediately afterwards, Du Da's whole body was covered with a faint light, and then he punched Kai!

Kai was not afraid, and followed him with a punch.

boom!!!

Chapter 1406

Kai was punched by Du Da, and Kai's punch also hit Du Da hard.

The two of them started to fight for their lives!

But who knows, Kai punched Duda, but it didn't cause any damage, but a huge anti-shock force instantly emanated from Duda, and Kai flew out in an instant.

Kai's body was like a cannonball, and it smashed to the ground, smashing a deep hole into the ground!

"Brother Du, good job, kill him..."

Seeing this, Zhu Zhishan shouted excitedly.

The others also shook their heads one after another, knowing that Kai was doomed this time.

Long Jingguo squinted his eyes: "Kai, Kai, you are still too tender..."

In the eyes of everyone, Kai is sure to die today!

The blow just now, the strength of the two people is high!

Duda was unscathed, but Kai was knocked out, and the outcome was already decided.

"Kai, I admit that you are a genius, but unfortunately in this world, geniuses never live long..."

Du Da stepped forward, looked down at Kai in the deep pit, and said coldly.

Kai got up, gritted his teeth and looked at Duda, his figure burst out again, and went straight to Duda.

The golden fist, with the trend of destroying the dry and pulling the rot, instantly enveloped Duda.

This time, Duda even had a smile on his face, never dodging or dodging!

boom!

There was another loud noise. Kai smashed Duda with the punch, but he was shocked by the huge anti-shock force and vomited blood and fell back with a bang.

Du Da looked at Kai's miserable condition, and suddenly laughed out loud: "Haha, Kai, let's see how much strength you have, go ahead..."

Du Da's laughter was full of ridicule, and the wish Zhishan also grinned.

When everyone saw this scene, some of them began to disperse. This was a battle without suspense.

"At first, I thought that Kai would be able to follow Du Wang to make a gesture, but I didn't expect that Du Wang deliberately let that Kai!"

"Du Da was already extremely powerful decades ago, and now he has been in seclusion for decades, what happened to Kai? " It may be his opponent."

"It's a pity, it's a pity, if this Kai could be a little more tactful, he wouldn't be reduced to this level!"

Kai frowned and looked at Du Da, and took out the Dragon Slaying Sword with one hand.

Facing Kai's Dragon Slaying Sword, Duda was not at all nervous at the moment, and still had a mocking smile on his face.

Kai was silent, and with a light step on his feet, his body instantly rose into the sky, and the Dragon Slaying Sword in his hand also slashed down.

Rolling sword energy, overwhelming the sky, as if the entire void was collapsed.

The sword energy shot into the sky, and the galaxy vibrated...

Du Da faced the billowing sword energy, and the smile on his face finally disappeared, but he still didn't dodge!

clang!

Kai's sword slashed on Duda's body, making a crisp sound.

But Duda was unscathed, but Kai, whose body instantly seemed to be slashed by a sharp weapon, a deep bloodstain appeared on his chest, and the whole person flew out instantly.

The scar on Kai's chest can be seen deep in the bones, and the blood is constantly flowing out, which can be described as shocking!

"Hahaha, I didn't expect you to dare to use a sharp weapon, so you will die faster..."

Duda sneered.

Kai looked at the wound on his chest and put away the Dragon Slaying Sword, he seemed to understand something.

Every time he attacked, he would be shocked back by Duda. This time the sword injury was obviously caused by the sword he just swung.

The current Kai is equal to hitting himself, the more he exerts himself, the stronger the shock will be.

Kai ignored Zhu Zhishan, but stared at Du Da and grinned suddenly.

Du Da was stunned: "You're going to die, but you're still laughing?"

"Dead? Who said I'm going to die? You can't kill me with this little skill. I can see your technique, and naturally you have it. The way to break your doorway..."

Kai said, a golden light suddenly flashed in his eyes, followed by one after another of consciousness, attacking Du Da.

Since any force would be countered by Duda's technique, Kai planned to attack with his divine sense and directly cut off Duda's mental power.

"Hmph, you dare to attack me with your spiritual power. How can you shake me with your little spiritual power!"

Du Da didn't care. In terms of magic skills, Du Da didn't think anyone could surpass me. Own.

With a high level of skill in magic, that mental power must be strong, that's for sure.

Therefore, Du Da was not afraid of Kai's mental attack at all, and he even wanted to directly turn Kai into dementia!

Kai's consciousness enveloped Duda, and then flashed into Duda's mind!

Just as Kai's consciousness entered, a golden light flashed in Du Da's mind, instantly cutting off Kai's consciousness.

Du Da smiled coldly on his face, "This mental power is too weak..."

But before Duda's words were finished, a smile suddenly froze on his face.

Because he felt that the overwhelming mental power was constantly rushing towards his mind, like a tsunami, rushing!

This powerful and surging mental power made Duda's mind instantly sluggish. He was desperately resisting, but his mental power seemed insignificant in front of this vast ocean.

Kai looked at Duda who was sluggish, and a sneer appeared on the corner of his mouth. If Duda didn't despise him from the beginning, it would have been a little hard for him to invade Duda's brain later.

Kai seized the opportunity, jumped up in front of Du Da in an instant, and smashed it with a punch.

But at this time, Du Da was sluggish, and the whole person seemed to have not seen Kai!

That is to say, in the breath, Kai's punch has reached Duda.

Seeing that Kai still dared to attack, while Duda remained motionless, Zhu Zhishan sneered.

"Hmph, Kai, even if you use your strength to suckle, you can't hurt Brother Du in the slightest!"

Zhu Zhishan didn't know at this time that Du Da didn't dodge, but fell into a brief sluggishness. .

boom!

Kai's golden fist came to Du Da's eyes. At this moment, Du Da turned his eyes and woke up. When he felt the power of Kai's punch, Du Da broke out in a cold sweat!

He instinctively wanted to hide, but it was too late. Kai smashed Duda's chest with a ruthless punch. This punch directly punched a bloody hole in Duda's chest!

Duda's body flew out and fell heavily to the ground, with a look of pain on his face!

Zhu Zhishan was dumbfounded and looked at Du Da in disbelief. He thought that this punch, like just now, would knock Kai out, but it was Du Da who didn't want to fly out.

And the blood hole in Duda's chest looked very terrifying!

"Then try..."

Kai's eyes narrowed slightly, and his body jumped up again.

When Du Da saw this, he instantly cast a spell, trying to block Kai's blow, but he just cast the spell, and his mind was in chaos again, causing Du Da's head to split in an instant!

The attack of Kai's mental power just hurt Duda's brain directly, and Duda couldn't perform the spell at all.

Du Da regained his senses and wanted to refresh himself, condense his spiritual power, and block Kai, but it was too late.

Kai came to Du Da, and inserted a claw directly into Du Da's chest, and then groped his palm in Du Da's chest, he wanted to grab Du Da's Nascent Soul!

Duda's face became extremely ugly, and the severe pain made him very hideous.

This tragic scene shocked everyone in an instant. They didn't know what Kai was going to do.

When Zhu Zhishan, who was not far away, saw this, a chill hit his heart, and then he turned around and ran away.

At this time, Kai didn't bother to pay attention to Zhu Zhishan, but grabbed Du Da's Yuan Ying, which was equivalent to grabbing Du Da's life!

"No, no..."

Duda shouted desperately.

You must know that it is not easy for him to cultivate to the Nascent Soul Realm. If Kai really destroys the Nascent Soul, even if he does not kill him, then he has no meaning to live.

"You want to beg for mercy now, it's too late..."

Kai pulled hard and pulled down Duda's reason directly.

Du Da's Nascent Soul was only a little bigger than his thumb. Looking at the small reason, Kai instantly put it in his pocket.

Many people watched this scene from a distance. Although they didn't know what Kai put in, they were all shocked!

"Then Kai is really a devil, did he just rip his heart off and put it in his pocket?"

"It's terrible, I didn't expect Kai to be so cruel."

"Forget it, don't provoke this guy in the future . "..."

Everyone closed their eyes involuntarily when they saw this bloody scene.

Du Da's Nascent Soul disappeared, the breath on his body wilted instantly, and he looked at Kai pleadingly.

"Please... please, return Yuan Ying to me, and I can make you the king of Penglai Island..."

Du Da begged to Kai, begging Kai to return Yuan Ying to him.

And Kai sneered: "I have no interest in any king, I only know that those who offend me will be punished..."

Du Da's face instantly turned dead gray when he heard it, and he knew that he would not survive.

"Zhu Zhishan, you liar..."

Duda roared, suddenly a mouthful of blood spurted out, and his body fell heavily to the ground.

When he died, Duda opened his eyes and couldn't rest his eyes.

He was unwilling, but he was helpless, who made him greedy and wanted the treasure on Kai, and ended up like this!

Seeing Duda's death, many people's expressions became extremely complicated. When Kai looked at the people not far away, no one dared to follow Kai to look directly, and hurriedly scared away.

At this time, Long Jingguo's face was indescribably ugly. Kai killed Du Da, which means that the trial of the Long family will have many variables because of Kai's participation.

At this time, Long Jingguo felt a murderous intent, and hurriedly looked up, and found that Kai was staring at him, looking at him with murderous expression.

Long Jingguo hurriedly looked back, then hurriedly got into the car and left.

There was a lot of people talking just now, but now there is no one left, only Duda's body lying on the ground coldly.

"Zhu Zhishan, I don't think I can spare you..."

Kai's eyes narrowed slightly, and then he took out Nascent Soul from his arms.

Looking at the crystal clear Nascent Soul, Kai decided to find a place to refine and absorb the Nascent Soul first.

Kai fought with Du Da, causing Long Jingguo to be very worried at this time.

"Dad, what's wrong with you?"

Long Xiao saw Long Jingguo's sad face, so he came over and asked.

Long Jingguo raised his head and looked at Long Xiao. At this time, Long Xiao's body had almost recovered, and the body covered by the black robe had also grown firm muscles!

"Xiaoer, this time, Mr. Shi personally named Kai to participate in this trial..."

Long Jingguo said to Long Xiao.

Hearing this, Long Xiao immediately showed excitement: "That's great, just in the name of the trial, I killed that Kai directly and absorbed his strength."

"Xiaoer, don't underestimate that Kai too much. Ping, now Kai's strength has grown by leaps and bounds, and even the mountain of Zhu has been cut off by Kai."

"Today, Duda, who disappeared for decades, followed Kai to fight, and I watched Kai take Duda to death with my own eyes. Killed, the method is extremely cruel!"

"This time, if Kai also goes, I'm afraid you are not his opponent..."

Long Jingguo expressed his worries.

When Long Xiao heard this, his expression became solemn. He did not expect Kai's strength to reach such a terrifying height in such a short period of time.

Ning Zhi asked with a smile when he saw Zhu Zhishan who came back in a state of embarrassment.

"Do you still need to ask? If that Kai is dead, I will carry his head when I come back!"

Zhu Zhishan said angrily.

He cast all his anger on Ning Zhi's body.

It's just that Ning Zhi was not angry, but continued to laugh: "I wish the leader of the alliance not to be discouraged, the four masters trained by our martial arts alliance can be dispatched now, and Kai will not be able to jump for a few days!"

Hearing Ning When Zhi talked about the four masters trained by the Martial Arts Alliance, Zhu Zhishan's eyes suddenly lit up: "Yeah, how could I forget them..."

Ning Zhi said with a sneer.

After Zhu Zhishan heard this, he suddenly laughed out loud, the haze on his face was also swept away, and when he looked at Ning Zhi, he seemed a lot more pleasing to the eye.

"The leader of the alliance, the leader of the Long family asks to see you..."

At this time, a member of the Martial Arts Alliance walked into the report.

"What is Long Jingguo looking for at this time?"

Zhu Zhishan frowned slightly.

At this time, Ning Zhi turned his eyes slightly: "Leader, if my guess is correct, then Long Jingguo must be here to discuss with you about Kai."

"The Long family also has deep hatred for Kai, especially It was Long Xiao, who was beaten directly by Kai and became a crippled person, this Chou Long family will definitely report it."

"And today when Kai defeated Du Da, Long Jingguo must have also realized the danger, so he came to discuss with the alliance leader to deal with Chen together. Peaceful things."

I have to say that this guy Ning Zhi is extremely meticulous, and his scheming is very deep. Few people can see through him. This guy's emotions are indistinguishable, and he will be Kai's rival in the future!

Zhu Zhishan wanted to see if Long Jingguo followed Ning Zhi's words and came to discuss countermeasures with him.

Soon, Long Jingguo walked in, and when he saw Ning Zhi, he frowned slightly.

Ning Zhi instantly captured the change in Long Jingguo's expression, so he followed Zhu Zhishan and said, "Alliance leader, I still have something to do, I'll go first..."

As he spoke, Ning Zhi was about to leave, but was stopped by Zhu Zhishan. "Vice Alliance Leader Ning, you are also a member of the Martial Dao Alliance now. Sit and listen..."

After speaking, Zhu Zhishan said to Long Jingguo, "Long Family Leader, I don't know what you have to do with me?"

Looking at Zhu Zhishan's gesture, Long Jingguo sneered in his heart.

Just now, he watched Zhu Zhishan roll and crawl away with his own eyes, but now he is pretending to be a big-tailed wolf.

However, Long Jingguo has a mountain of blessings this time, so he can only respectfully say: "President Zhu, I am here this time to discuss Kai's affairs with him."

"What about Kai?" Zhu Zhi Shan pretended not to know anything, frowned and said, "What's going on with Kai?"

"I wish the alliance leader, our Long family is going to hold a trial, Mr. Shi said that Kai should also participate, you know Our Xiaoer follows Kai's hatred, if Kai also goes to participate in the trial, the two will definitely fight."

"Today, Kai's strength is too strong, my Xiaoer may not be his opponent, So I want to tell Alliance Leader Zhu that when the time comes, we will unite and kill Kai together during the trial."

"This will be good for you and me, and killing Kai in the trial ground, even if Shi, there is no way to blame."

Long Jingguo said directly to Zhu Zhishan.

Zhu Zhishan glanced at Ning Zhi in shock, he did not expect that Ning Zhi's guess was correct.

"Patriarch Long, I didn't ask about your proposal. At that time, I will let the four masters from our Martial Arts Alliance join Long Xiao to deal with Kai."

Zhu Zhishan nodded and said.

"Lord Zhu, that Kai has many tricks. If it's just a few juniors, I'm afraid I can't deal with that Kai." Long Jingguo looked at Zhu Zhishan, paused slightly, and then continued: "Don't you want to kill the leader Zhu himself. Did you take care of Kai? He made you lose your arm all the time."

After Zhu Zhishan heard this, his anger rose instantly: "Why don't I want to, I wish I would personally cramp that guy Kai."

"It's just this . The trials are all attended by juniors from major sects and aristocratic families. If I go too, I'm afraid it will cause criticism, and if I go, then Kai is afraid to go."

Long Jingguo smiled slightly: "I wish the alliance leader. , This trial is held by my dragon family. Whether I can go or not is not a word from my dragon family. Besides, I can let the leader of the alliance secretly hide. After the ship goes to sea, the leader of the alliance will appear, and Kai will know it at that time. Now , there is nowhere to escape."

Zhu Zhishan's eyes lit up, and he suddenly became a little excited: "Okay, this is a good idea, then kill Kai and throw him directly into the sea, even if he is an immortal. Reincarnation, let's see how he is still alive in the sea..."

Zhu Zhishan knew that Kai was an immortal cultivator and had the ability to repair his body, so he would directly throw Kai into the sea at that time, even if Kai was repairing his body, There is no use in the slightest, Kai can only be buried at the bottom of the sea!

"Since Zhu Zhishan agrees, then I will go to prepare, and two days later, we will set off on time..."

Kai is not going to see Mr. Shi. He has no time now. He needs to refine Nascent Soul as soon as possible to improve his strength.

Seeing that the end of the year is approaching, Kai still can't save Su Yuqi and his mother, and he is very anxious.

Kai was shocked. He didn't know who the owner of this huge aura was. If he could make himself unable to move by just relying on his breath, then the opponent's strength must be unfathomable.

Just when Kai was nervous, as if he was facing a big enemy, he saw a middle-aged man in a suit and glasses walking towards him.

This person is Mr. Shi.

"Are you so afraid of seeing me?" Mr. Shi asked Kai with a smile.

"I... What am I afraid of? I just have something important to do."

Kai dodged his eyes.

Since Mr. Shi revealed his strength, Kai was indeed a little apprehensive when he saw him. After all, the gap between his and Mr. Shi's strength was too great. As soon as people waved, Kai probably hung up.

"Important thing? Isn't it just that you are in a hurry to refine that Nascent Soul? You can refine Nascent Soul at any time, but this opportunity I found for you is an opportunity that cannot be missed, and it will never come again!"

Shi In one sentence, Mr. Kai's small abacus was broken.

"What chance?"

Kai was slightly taken aback, and then asked.

At this moment, Xing Jun caught up with his breathless: "Mr. Shi, you guessed too correctly, this kid really didn't go to see you, he even broke through and ran..."

Mr. Shi smiled, then turned to Chen Pingdao: "The Long family will hold a trial in two days, and I have already signed up for you."

"Trial?" Kai frowned, and then hurriedly shook his head: "No, I'm not going to do any test. Refining, it's boring..."

Kai didn't want to waste time doing any trials, it was the most important thing to refine Nascent Soul in the shortest time.

"Don't rush to reject me, don't you want to hear where the trial is?"

Mr. Shi said.

"Where?" Kai asked.

"Suolong Island..."

When Mr. Shi said the three words Suolong Island, Chen Pingping showed a look of surprise.

"No, what else is there to try on Suolong Island? Now it has become an ordinary island for tourism."

Kai's face was full of questions!

Chapter 1412

"Then there is still a ruin on Suolong Island. This time, the Long family took out Suolong Island as a test site, which is a once-in-a-lifetime."

"You don't want to go to Suolong Island to see it? I remember Suolong. Is there still your concern on the island?"

Mr. Shi smiled lightly.

Kai was silent, because Suolong Island carried too many things for Kai.

Moreover, Xiaoru has been frozen on Suolong Island, but Kai followed Ning Zhi to Suolong Island, and after getting the Yanlong Dragon Crystal, Kai looked for Xiaoru, but couldn't find it.

The scenery on the whole island has changed, so Kai can no longer find where Xiaoru is, but Kai has never forgotten it, he has always wanted to find an opportunity to save Xiaoru!

Kai also took advantage of this trial to find Xiaoru on the island to see if he could find it.

"Since you agreed, then go back with me!"

Mr. Shi finished, and then reached out to Kai: "Give me Yuan Ying, and I will keep it for you."

Kai clasped his hands tightly on his chest, Then he shook his head. For Kai, this Nascent Soul was the most precious resource, how could he just give it to him.

Seeing Kai like that, Mr. Shi smiled: "It's fine if you don't give it, but if someone else steals it, don't regret it..."

"I won't regret it..."

Kai said firmly.

Mr. Shi didn't say anything, but the group returned to Kyoto.

.....

Time flies, two days have passed in a blink of an eye.

On this day, in a certain square in Kyoto, a lot of people gathered. The experience held by the Long Family this time was much larger than that held by the Martial Arts Association.

After all, the experience held by the Martial Arts Association is only for the selection of members of the sect families who have participated in the Martial Arts Association. At that time, Ning Zhi and Dong Jiahao were also through the relationship of Zhu Zhishan. baby.

At this time, Kai discovered that the younger generation is also full of talents, but many people don't like to show their faces.

As for the Free and Easy List, the experts who can be ranked on it are all people who like to show off.

"Kai..."

Just when Kai was about to see if he had any acquaintances, he heard someone call him.

So Kai turned his head and saw that three people of the same age as him were walking towards him.

One of the leaders is already in the realm of Marquis, and the aura on his body is not hidden, so he is exposed!

Kai looked at the three people and found that they didn't know each other at all, so he asked the leader: "Do you know me?"

"Of course, you are famous now. In the entire Kyoto martial arts world, there are a few people who don't know you. Yes ." The

leader smiled slightly.

Kai was a little embarrassed by what he said, and Kai didn't want to be so famous, but he was always being troubled by people.

Kai didn't know the intention of several people, and just when he didn't know what to say, he suddenly found an acquaintance, so he hurriedly chased after him.

"Brother Dong..."

Kai patted Dong Jiahao on the shoulder.

Dong Jiahao turned around and saw that it was Kai, and instantly revealed a surprise: "Brother Kai, are you also here to participate in the trial?"

Dong Jiahao was very surprised. After all, this was a private trial organized by the Long family, and Kai could not be allowed to participate.

Kai smiled and did not explain, this is what Mr. Shi asked, and I believe the Long family would not dare to refuse.

Xin Pengfei flattered Kai!

On the other hand, Kai didn't change his expression, but the name sounded familiar to him, but he couldn't remember it for a while.

When Dong Jiahao listened to Xin Pengfei's praise, he smiled coldly: "When you were in the martial arts forum, why didn't you say that Brother Kai is the best? Is he the first person on the Free List?"

After Dong Jiahao finished speaking, Kai suddenly remembered that it was the guy in front of him who wanted to fight with him on New Year's Day on the Martial Dao Forum.

When Xin Pengfei was asked by Dong Jiahao, he suddenly became a little embarrassed: "I was just joking, how can I be Kai's opponent in this skill?"

"Hmph..." Dong Jiahao snorted and directly pulled Kai towards On the side, it seemed that he didn't want to pay attention to Xin Pengfei and them.

"Brother Kai, don't worry about Xin Pengfei's grandson in the future, this guy is just a bum, with a bad stomach..."

This made Kai a little surprised. It was incredible that such a young girl could cultivate to the Marquis Realm!

Kai wanted to ask Dong Jiahao who this girl was, but he saw that Dong Jiahao had long since looked straight, his mouth was slightly open, and the harazi was about to come out.

"Brother Dong, Brother Dong..."

Kai gently pushed Dong Jiahao twice, and Dong Jiahao woke up instantly.

Wiping the corners of his mouth hastily, Dong Jiahao said with a gleam in his eyes: "Brother Kai, I'm afraid this trial is going to be lively, do you know who this girl is?"

Kai shook his head blankly, he didn't know at all Meet this girl.

"This girl's name is Ge Jiayi. She is the jewel of the Ge family. She has already reached the realm of Marquis at the age of nineteen. She is a proper genius and a young woman in the entire Kyoto martial arts world. This Ge Jiayi's strength should be the highest.

"She is talented and beautiful, and she speaks with a celestial air. Back then, how many young masters in Kyoto were fascinated by her, and people fought for her all day long!"

"But then Ge Jiayi retreated, and this retreat lasted for many years, and slowly people It's not so crazy anymore, but I don't want this Ge Jiayi to come to participate in the trial today!"

Dong Jiahao said, the more excited he became, his eyes never left Ge Jiayi's body.

Those who participated in the trial on the spot were all the sons of major sects, or the role models of the younger generation. Now that Ge Jiayi appeared, their eyes widened!

"Miss Ge, I didn't expect you to leave the customs!"

At this time, Xin Pengfei stepped forward and greeted Ge Jiayi.

Ge Jiayi also politely nodded towards Xin Pengfei: "I haven't seen you for a few years, and you are now the number one on the Free and Easy List."

Chapter 1414 I don't know you

Xin Pengfei blushed: "That's all made up by many netizens. With my little strength, what can I count in front of Miss Ge, Miss Ge's talent is what makes people enviable..."

Ge Jiayi smiled slightly: "I'm too famous, What kind of talent do I have, I just need to work hard, if I talk about talent, there is only one person who is talented..."

After Ge Jiayi finished speaking, she turned her attention to Kai.

Kai felt Ge Jiayi's gaze, and he didn't understand. How did Ge Jiayi know about her just after leaving the customs?

Dong Jiahao, who was beside Kai, became nervous when he saw Ge Jiayi looking towards them, and his breathing began to be short.

When You Qi saw Ge Jiayi walking towards this side, Dong Jiahao trembled all over, and hurriedly arranged his hair with his hands.

Seeing Dong Jiahao like that, Kai wanted to laugh. It seems that Dong Jiahao is not much different from himself in terms of emotional intelligence towards women...

Ge Jiayi stopped in front of Kai, then stretched out her fair and delicate hand and smiled slightly. : "Hello Kai, my name is Ge Jiayi..."

Seeing this, Kai shook hands with Ge Jiayi. Ge Jiayi's hands were soft and boneless, and there was a faint fragrance on her body, making it difficult for men to control herself.

Just when Kai was about to let go, he suddenly found a surging force coming from Ge Jiayi's hand, and Kai's hand seemed to be caught by a vise!

This force continuously invaded Kai's body, and Kai's entire arm began to go numb.

Ge Jiayi showed a faint smile on the corner of her mouth, with a bit of provocation in her eyes.

Kai's face was calm, looking at Ge Jiayi like that, he suddenly grinned, and then the power of the dragon in his body erupted, instantly rebounding Ge Jiayi's power back.

The smile on Ge Jiayi's face disappeared instantly, replaced by a strong look of shock.

"Miss Ge, hello..."

Dong Jiahao saw that Kai followed Ge Jiayi holding hands and couldn't let go, and he was envious for a long time, so he stretched out his hand and said to Ge Jiayi.

Ge Jiayi took the opportunity to let go of Kai's hand. After looking at Kai, he smiled slightly and shook hands with Dong Jiahao.

Dong Jiahao shook Ge Jiayi's hand, but he released it immediately, but it was this touch that made Dong Jiahao so excited that he almost jumped up.

"Mr. Chen's strength is really extraordinary. I really hope to have time to learn two tricks..."

Ge Jiayi looked at Kai and said in dissatisfaction.

"Accompany you at any time..."

Kai said flatly.

At this time, Kai instantly attracted the attention of many people, and these eyes were filled with unspeakable hostility and jealousy.

Among these hostile eyes, there is a boy with a slightly fat body and a rose in his hand. The hostility and murderous intent in his eyes are the strongest!

"Kai, I want to challenge you..."

And when Ge Jiayi saw the boy who rushed out, her face instantly turned gloomy.

"Sun Peng, are you a mad dog? Biting people everywhere..."

Ge Jiayi reprimanded the boy with an angry expression.

Hearing such reprimands, Kai was very surprised. He couldn't understand how cruel a girl like Ge Jiayi was!

And in front of so many people, this Sun Peng would definitely be anxious when he was so insulted.

But who knows, Sun Peng, instead of being anxious, said to Ge Jiayi in a soft voice: "Jiayi, I must compare with this Kai and let you see who is the most talented..."

"Dude, I don't know you at all, why should I compete with you? Besides, this is not a place to compete, let's talk about it when you have time..."

Kai didn't want to compete with this Sun Peng, so after he finished speaking, he turned around Pulled Dong Jiahao and left.

Kai smiled helplessly: "Lick the dog, lick the dog, you have nothing left..."

But before Kai finished his words, he suddenly felt a strong wind blowing behind him!

That Sun Peng took advantage of Kai's inattentiveness, clenched his fists, and smashed at Kai with an endless domineering aura.

Looking at this posture, it's like following Kai to have a bloody feud!

Kai's expression turned cold, and then he turned around to avoid the punch.

Looking at Sun Peng's murderous eyes, Kai's face also became very ugly.

He followed Sun Peng without any grievances, but this guy actually killed him. He really regarded himself as a soft persimmon, and he wanted to kick him casually.

Soon, the golden light on Kai's body flickered, and his fists also flickered with golden light.

Originally, Ge Jiayi wanted to persuade and pull that Sun Peng away, but when she saw that Kai was about to make a move, Ge Jiayi didn't move. She wanted to see if Kai's true skills were as miraculous as the legends said.

The people around were all watching the excitement, and no one came forward to stop it!

And that Sun Peng didn't even know it, he even punched Kai again.

Kai greeted him head-on, without any bells and whistles, just a ruthless punch!

Immediately afterwards, I saw that Sun Peng's body flew out directly, otherwise there were too many people around and Sun Peng was stopped.

On the other hand, Kai had a gloomy face and did not move!

Sun Peng stood up in exasperation, but his right arm could no longer be lifted, and the punch from Kai just now broke him.

But in front of Ge Jiayi, Sun Peng didn't want to appear too embarrassed.

"Boy, I'm not in good shape today, you remember it for me, I'll take care of you sooner or later..."

Sun Peng pointed at Kai with a fierce look, "If you let me know that you bullied Jiayi, I'll do it. Damn you..."

After speaking, Sun Peng looked at Ge Jiayi with a smile: "Jiayi, if this Kai dares to bully you, tell me, I'll find someone to kill him, I still have something to do, go first... .."

At this moment, Sun Peng's forehead was covered in cold sweat, and the pain from his arm made him unable to stay for long.

Just when Sun Peng turned to leave, Kai stopped him.

"Shoot me and leave if you want?"

Kai said coldly.

"What? What else do you want to do to me?"

Sun Peng turned to look at Kai, his eyes narrowed.

"If people don't kill me, I don't kill people. If people do, then I'll kill..."

The murderous aura instantly filled Kai's body, and the temperature in the entire square dropped instantly!

I saw the golden light flickering on Kai's body, and the time came to Sun Peng in the blink of an eye.

Sun Peng didn't have time to react at all, and was directly slapped in the chest by Kai.

boom!

The ferocious spiritual power slapped Sun Peng fiercely, sending Sun Peng's body flying out.

This palm caused Sun Peng to vomit blood in mid-air, screaming in agony!

Soon, Sun Peng's body slammed heavily on the ground, smashing all the cracks out of the ground!

Kai's body followed closely behind, falling in front of Sun Peng again.

Sun Peng was lying on the ground with a very ugly face.

On the other hand, Kai stepped on Sun Peng's head, his face was terrifyingly cold!

Sun Peng felt the killing intent on Kai, and his heart began to become frightened!

Just when he asked for mercy, when he saw Ge Jiayi coming over, Sun Peng's vanity instantly made him hard.

"Kai, kill me if you have the fucking ability, or wait for me to stand up, and I'll kill you..."

Sun Peng's expression was very tough, but in fact he was already scared to death!

Chapter 1416

However, he didn't want Ge Jiayi to underestimate him.

Kai narrowed his eyes slightly, then bent down and picked up Sun Peng.

Kai said lightly.

Sun Peng was so angry in his heart, he was just pretending to be coercive, but Kai really got him up.

But the matter has come to this point, this compulsion can only be forced on.

Sun Peng raised his left arm and swung an uppercut at Kai.

Kai grabbed Sun Peng's wrist and used light force to break Sun Peng's left arm.

Then, Kai slapped Sun Peng in the face!

Sun Peng's face was instantly swollen, and his teeth flew out several times.

Sun Peng's face flushed, and he roared, "Kai, you fucking..."

Slap!

Before Sun Peng finished speaking, Kai slapped him again.

Immediately afterwards, there was the sound of slaps, and Sun Peng was like a dead dog, being beaten by Kai!

This scene made many people sigh!

"Taking me as the steps on the road for you to lick the dog is the worst choice in your life..."

"Go to hell..."

After Kai finished speaking, he slapped Sun Peng's head with a fierce palm.

Seeing this, Ge Jiayi on the side suddenly waved his hand, a burst of energy hit, and instantly blocked Kai's palm!

Kai let go, and Sun Peng lay on the ground like a dead dog!

But there was excitement in his eyes, because he saw that Ge Jiayi had rescued him.

He must have been in his heart to save him.

Now Sun Peng felt that his beating was too worth it.

"He has already been taught by you to be like this, why should he kill someone..."

Ge Jiayi said to Kai.

"Just now he shot at me, and he used the ultimate move. If I can't dodge, it will be me who will die. Why don't you stop it?"

"Now jump out and be this good guy? Don't you think it's funny?"

"I'm still That sentence, if people don't offend me, I won't offend others, if anyone offends me, I will kill them..."

"I have no grievances with him, but he murdered me, so he deserves to die!"

"If you stop me, I will kill him!" I don't mind killing you together..."

Kai's face was cold, and the killing intent on his body continued to rise!

"You..."

Ge Jiayi didn't expect Kai to talk to her like this, and her face flushed with anger!

The others were also amazed. They didn't expect Kai to dare to talk to Ge Jiayi like this.

Kai suddenly kicked and kicked towards Sun Peng.

Sun Peng's head was kicked out like a watermelon in an instant, and he didn't even have time to call for help!

Looking at the tragic death of Sun Peng, Ge Jiayi's face was indescribably ugly.

When others saw this, they also felt a chill in their hearts. Many people wanted to take action against Kai, and they all took it back at the moment because of the idea of Kai's reputation.

Sun Peng never thought that he would be a licking dog by himself, and he would lose his life in the end!

"Who is so courageous to make trouble and kill people at the trial ceremony held by my Long family?"

At this moment, a cold voice came from a distance, and then a figure was seen, from far to near, Slowly fell from the air.

The person here is none other than Long Xiao, the eldest young master of the Long family!

With the arrival of Long Xiao, Long Jingguo also arrived with some elites from the Long family.

Seeing the Long family coming, everyone got out of the way, and then they all wanted to see how the Long family handled this matter.

After all, Long Xiao and Kai have hatred, and if they don't, they will fight on the spot.

Long Xiao glanced at Sun Peng, who died tragically, and then looked at Kai grimly: "Kai, you blatantly murdered at the trial ceremony held by my Long family, and you didn't take my Long family seriously, even if Mr. Shi supports you, and you can't kill people indiscriminately..."

Kai looked at Long Xiao, his eyes narrowed slightly, and his eyes flashed with light, as if he wanted to see through Long Xiao!

Long Xiao felt Kai's eyes, and seemed a little nervous.

A man like none other and the man decree (chinese) Chapter 1417-1418

Chapter 1417

"I can't kill if others kill me?"

Kai looked at Long Xiao coldly: "I've already killed this person, what do you think?"

Long Xiao didn't expect Kai to eat gunpowder. , speak so arrogantly!

Anger appeared on Long Xiao's face, and a terrifying aura began to rise from his body.

At this time, Long Jingguo came over and patted Long Xiao on the shoulder, instantly suppressing the breath on Long Xiao's body.

Long Jingguo knew that this was not the time to attack Kai, nor was it a good time!

Long Jingguo just glanced at Kai, and then walked slowly to the high platform!

"Everyone, this year is the day when our dragon family held a trial. This is the first time our dragon family has held a trial. You are also a dragon and a phoenix. In order to express our dragon family's sincerity to all the participants, I specially give you I've prepared Qi Gathering Pills..." "This is a high price for our Long

family. We ask foreign pharmacists to make them alone. It is very beneficial to the body."

Qi Wan came out, and then began to distribute it to everyone!

Everyone showed excitement, and without hesitation, they picked up the Qi Gathering Pill and swallowed it.

Many people are grateful to the Long family...

When it was Kai and Dong Jiahao's turn, Dong Jiahao picked up the Qi Gathering Pill and wanted to swallow it, but was stopped by Kai.

I saw Kai pick up the Qi Gathering Pill and sniff it lightly, then crush it lightly and lick it with the tip of his tongue.

Immediately afterwards, Kai frowned, and his face became a little ugly!

Seeing this, Dong Jiahao hurriedly whispered: "Brother Kai, is there something wrong with this Qi-gathering pill?"

"There is musk in this Qi-gathering pill. I know how to make Qi-gathering pills. This musk is not refining at all. The medicine for Qi Gathering Pills!"

"Although I still don't know what harm this Qi Gathering Pill does to people, there must be something wrong, so we'd better be careful!"

Kai said cautiously to Dong Jiahao.

"Damn, the fucking dragon's family is too daring. There are so many sons and brothers from aristocratic sects here. He dares to come up with a questionable medicine pill. This is to follow the entire Kyoto martial arts world as an enemy..."

Dong Jiahao was angry . After scolding, he threw the Qi Gathering Pill in his hand to the ground.

The reason why many people did not suspect that the Long family would act on the Qi Gathering Pills was because there were so many people, covering almost the entire sect family in the martial arts world of Kyoto, the Long family might not have the courage.

If something really happened, I'm afraid that the Long family will be destroyed directly.

Ge Jiayi, who was not far away, saw that Kai and Dong Jiahao did not eat the Qi Gathering Pills, so they also secretly threw the Qi Gathering Pills on the ground.

Long Jingguo saw that everyone ate the Qi Gathering Pill without hesitation, and a faint smile appeared on his face.

Just after the release of the Qi Gathering Pills, I saw four tall young men in uniform navy blue clothes walking over.

The four people were expressionless. After walking to the square, they found a corner and stood there, waiting for the trial ceremony to end!

Seeing the four people who suddenly appeared, everyone cast a suspicious look, because these four people are very familiar.

It seems that he is not a member of a certain aristocratic sect in the martial arts world of Kyoto, but if he can come to participate in the trial, the Long family has not stopped him, and it is not easy for others to ask.

However, at this time, Kai narrowed his eyes slightly, staring at the four people who had just arrived.

"Brother Kai, do you know these four people?"

Dong Jiahao asked Kai a question.

Kai shook his head, frowned slightly and said, "I don't know them, but the breath of these four people makes me feel a sense of familiarity..."

Kai thought hard, although this familiar breath was very light, but Kai can still feel it.

Chapter 1418

Whose breath is it that makes you feel this way?

Dong Jiahao looked at Kai with some puzzlement. Since Kai didn't know the four people in front of him, how could he have a sense of familiarity from these four people?

Suddenly, Kai's slightly squinted eyes suddenly opened, and Senhan's incomparable light appeared in his eyes.

"Yuqi, it's Yuqi's breath..."

Kai finally remembered that this kind of breath belongs to Su Yuqi. Although it is very weak, Kai can still feel it.

But how could Su Yuqi's breath be reflected in these four men?

Is it???

Kai instantly burst out with monstrous murderous intent. If Su Yuqi was just spoiled by the four men in front of her, then these four people had Su Yuqi's breath on them, and they could explain it.

Dong Jiahao, who was on the side, felt the sudden killing intent on Kai, and shocked him directly.

Even Ge Jiayi, who was not far away, could not help but turn to look at Kai.

But soon, the killing intent on Kai disappeared.

The thought just now almost made Kai lose his mind, but now that I think about it, that kind of possibility does not exist at all. Su Yuqi is the best resource for the Martial Arts Alliance, so the Martial Arts Alliance will not let Su Yuqi suffer such damage.

"Could it be..."

Kai's brows wrinkled again: "Could it be that these four people have Yuqi's bloodline?"

Now that the Martial Arts Alliance has known Su Yuqi's bloodline, it can help in cultivation and quickly improve the cultivation of warriors. , Maybe these four people cultivated by relying on Su Yuqi's blood, so they have Su Yuqi's breath on them.

It must be like this, it must be...

Kai turned his head to look in the direction of the Martial Arts Alliance, the murderous aura in his eyes was hard to hide!

Now the Martial Arts Alliance should be using Su Yuqi's blood to continuously cultivate masters. Thinking of this, Kai felt extremely uncomfortable!

"Damn..."

Kai gritted his teeth and clenched his fists tightly.

"Brother Kai, what's wrong with you?"

Dong Jiahao asked in confusion.

"It's okay..."

Kai shook his head.

At this time, Long Jingguo, who was on the stage, began to introduce the precautions for this trial. Of course, the life and death certificate must be signed. The life and death of the trial site has nothing to do with the Long family, and the Long family does not have to be responsible for it. !

After the explanation, everyone started to set off. They first took a plane to Nanhua City, and then made a ship to Suolong Island!

On the cruise ship, in a luxurious room, the one-armed Zhu Zhishan was quietly sipping tea.

Soon, the door of the room was pushed open, and Long Xiao walked in, followed by the four young people who were tested by the Martial Arts Alliance.

Zhu Zhishan looked up, and then said lightly, "Young Master Long, sit down..."

Long Xiao sat in front of Zhu Zhishan and asked Zhu Zhishan, "Zhu Alliance Lord, when will we meet that Kai? Do it?"

"No hurry, I've just set off now, wait until Suolong Island, it's not too late to kill Kai..."

Zhu Zhishan sneered: "There are so many of us, even if Kai is a big one. I won't even think about leaving alive this time."

Seeing this, Long Xiao could only endure the urge to kill Kai, and wait until after Suolong Island.

The cruise ship is sailing on the sea, because there are various facilities on the ship, so everyone does not feel bored!

Kai followed Dong Jiahao in the same room. Because Kai didn't want to deal with those young masters in Kyoto, he had been lying in the room.

Dong Jiahao stayed with Kai and didn't run around!

As the evening approached, the cruise ship, which was sailing fast, suddenly slowed down, and then swayed twice.

"Could it be that there are pirates?"

Dong Jiahao asked.

Kai shook his head: "Pirates don't have such a strong aura."

After speaking, Kai walked out of the room and walked towards the deck, and Dong Jiahao hurriedly followed behind.

Soon, on the deck where the two people came, they saw that it was already crowded with people, and they all looked at the sea in front of them!

Kai looked around and found that on the calm sea, a white wave was constantly rolling over. It was obvious that there must be a huge monster under the huge wave!

When everyone watched this scene, some were happy and some were afraid. After all, if such a big monster can be killed, the beast pill is very precious, and it is a good resource for cultivation!

Being able to survive to such a size also proves that the monster is very powerful. If you can't kill this monster, you may be buried in the monster's belly.

The huge waves were getting closer and closer, and the huge impact made the ships slowly stop and could no longer drive forward.

Soon, there was a bang, followed by splashes of water!

On the surface of the sea, there was a monster beast with a pair of tongs, its whole body was dark red, showing a row of fangs.

This monster looks like a crab at first glance, but its volume is ten million times larger than that of an ordinary crab.

Someone suddenly shouted after seeing the monster.

Immediately afterwards, everyone's eyes showed greed and shock!

Kai didn't know much about these monsters, so he didn't know what this deep-sea giant crab was, which made everyone suddenly so excited.

Kai looked at Dong Jiahao and wanted to introduce Dong Jiahao, but Dong Jiahao shook his head, seeing that he didn't understand this monster very well.

"This deep-sea giant crab is the best of the monsters in the sea. Generally, it only lives under the deep sea, and few people see it."

"However, the inner alchemy of this deep-sea giant crab is the best. Dan, can make a Wuhou enter a realm."

"And the meat of this deep-sea cancer crab is also a good resource, but it is only available. I have never heard of anyone who has eaten this deep-sea cancer crab. Meat!"

At this moment, Ge Jiayi came over and explained to Kai.

"In this way, we are very lucky today, and we have the opportunity to eat this cancerous crab meat."

Kai looked at the deep-sea cancerous crab in front of him, and his eyes lit up.

Ge Jiayi glanced at Kai: "Don't think so beautifully, this divine sea giant crab is very powerful, and it is impossible to travel without seeing such a big cruise ship, and this giant crab's body is extremely hard, especially the shell. Son, ordinary people can't hurt it at all."

Ge Jiayi instantly poured a basin of cold water on Kai, making Kai dispel his thoughts.

It's just that Ge Jiayi doesn't know Kai. Her persuasion can only make Kai more eager to do it!

But before Kai could do it, he saw a person in the crowd jumping up high.

This is a half-step Wuhou young man, maybe he really can't stand the temptation of the giant crab in front of him!

If you know that if you kill this giant crab and get the beast pill, he can be promoted to the realm of Marquis.

Many people have been trapped in the half-step Wuhou for decades, and there is no way to break through, so this young man plans to fight.

This half-step Wuhou young man, after jumping into the air, then punched out both fists, and the strong energy bombarded the giant crab.

Bang bang bang

three explosions sounded, and the water surface was bombarded with water columns.

Chapter 1420 Is it so dead? _

But the Cancer was not hurt in the slightest, but such an attack angered the Cancer.

I saw the giant crab waving two big pincers and suddenly attacked the young man.

The young man was startled, his body was in mid-air, and he fell rapidly.

It was a pity that it was too late. One of the giant claws of the Cancer grabbed the young man at once, and then blood splashed, and the young man was instantly clamped into two pieces, and his internal organs and corpse fell into the sea.

The thick bloody smell instantly attracted a lot of sharks, and instantly devoured the young man's corpse.

This time, everyone was stunned, and no one dared to shoot at Cancer rashly.

But the irritated Cancer didn't seem to stop, waving two big pincers and rushing towards the crowd, the huge waves surged onto the deck and wet everyone's clothes.

Many people started to get scared, and they backed away in fear. Even if these people were the younger generation of strong families from various sects, they were powerless in the face of Cancer and had to run for their lives.

Seeing this, Ge Jiayi saw that she raised her right hand, and then fluttered towards the front, and a stormy wave suddenly erupted on the sea surface, and the waves dozens of meters high slapped towards the giant crab.

The waves hit the Cancer, slowing the attack of the Cancer, but this did not solve the crisis, and the Cancer would soon attack the ship.

Seeing this, Kai was about to shoot, but saw a black shadow rising into the air, followed by a long sword in his hand that made his debut.

This person was Long Xiao, and the long sword in Long Xiao's hand swung a huge sword light, as if the sword light was falling from the sky, heading straight for the giant crab.

Stab...

Jianmang split a gap in the sea in an instant, and then slashed at the giant crab.

The shell on the Cancer Crab is extremely hard. Long Xiao's sword only caused the Cancer Crab to feel pain, but did not kill the Cancer Crab!

The pain made the Cancer go mad instantly, and the body swayed in the water. The huge impact made the cruise ship sway, as if it was about to capsize.

Long Xiao frowned, and then several sword beams swiped out, hitting the Cancer Crab with firelights, unable to cut through the Cancer Crab's hard shell at all!

The Cancer was furious, and a big pincer slammed towards Long Xiao. When Long Xiao saw this, he quickly retreated and did not dare to step forward.

Seeing that the Cancer was about to get on the cruise ship, Kai stepped down and jumped out directly towards the Cancer.

Kai's body was like a cannonball, rushing straight towards the Cancer, and then stopped steadily on the Cancer's back.

This time, the Cancer twisted its body desperately, and no longer climbed towards the cruise ship!

Kai's whole body shone with golden light, and the top of his fist was also covered with golden light, and then he smashed the back shell of the Cancer with a punch.

Under Kai's punch, the back shell of the Cancer actually had a small crack.

The Cancer twisted its body desperately, trying to throw Kai down, and then two big pincers kept attacking Kai.

The speed of the Cancer's attack was very fast. Although Kai hid on the Cancer's back, he still couldn't escape the attack of the Cancer's two big pincers.

Seeing this, Kai could only jump up again, and then he stepped on the water surface and walked on the water!

The Cancer saw Kai jump off his body, and then slapped Kai with a paw.

boom!

The big pliers slapped the water fiercely, causing huge waves to slap on the ship in an instant.

The ship was shaking, and everyone on the boat looked over, wanting to see how Kai was doing.

But above the sea, there is still the shadow of Kai.

"This Kai won't die so easily, right?"

"This Cancer is so powerful that even Kai, the most talented young man, was shot to death with ease."
