A man like none other and the man decree (chinese) Chapter 1421-1422

Chapter 1421

After a while, the water suddenly clattered.

Immediately afterwards, a golden light shot up from the water, and I saw a golden light erupting from Kai's body, with golden scales covering his whole body, like a dehydrated golden dragon!

Kai stared at the Cancer in front of him with vigilance, and seeing that Kai was not dead, Dong Jiahao breathed a sigh of relief.

Somewhat unexpectedly, Long Xiao felt relieved when he saw that Kai was not killed by the Cancer Crab. He didn't want Kai to be killed by the Cancer Crab. He wanted to kill Kai with his own hands.

The Cancer saw Kai soaring into the sky, and then patted it with big pliers again.

The huge crab claws arrived in front of Kai in an instant.

Kai shouted angrily, the golden light on his body suddenly appeared, he did not dodge, but mobilized the power of the dragon in his body, and then slammed it with a punch.

Seeing that Kai dared to follow the Cancer head-on, everyone was shocked!

In the room at the moment, Zhu Zhishan is staring at the sea through the window!

"This kid really doesn't know whether to live or die. You must know that the bodies of these monsters are all extremely hard, but they are not comparable to his indestructible golden body."

Zhu Zhishan smiled coldly.

With a loud bang, Kai punched the giant crab's pincers, sending out endless aftermath, spreading out all around!

Above the water surface, a deep pit was directly blown out by the huge aftermath, and the sea water was blown all around.

Kai's body exuded golden light, and his fists closely followed the giant pincers of Cancer.

Kai's body seemed so insignificant under the giant claws of the Cancer!

The Cancer kept baring its teeth, and the big pincers suddenly pushed Kai down.

boom!

Kai, who was in the air, was directly shot into the water by the giant claws of the giant crab. This time, the water column splashed dozens of meters high.

Seeing this scene, everyone knows that Kai is afraid that this time it will be more fortunate.

However, Kai's courage was admired by everyone who dared to follow such a monster head-on.

"Brother Kai..."

Dong Jiahao watched as Kai was shot into the water, his eyes became scarlet, he took out his weapon and prepared to kill the monster.

But before Dong Jiahao started, he saw the golden light under the water, and the giant crab, which was floating on the water, seemed to be suddenly pulled by something, and his body instantly entered the water.

Through the surface of the water, everyone could see that the golden light flickered from below, as if Kai was still fighting with the giant crab.

Soon, the fighting under the water stopped, and the water slowly returned to calm.

It's just that Kai and the Cancer have disappeared, and no corpses have floated up.

Just when everyone was puzzled, a huge vortex suddenly appeared on the water surface, and then Kai's seemingly thin body directly lifted the giant crab that was more than ten meters high and rose into the sky.

You must know that this Cancer is afraid of thousands of pounds, Kai directly rushed the Cancer out of the water and came into the air!

Everyone looked at Kai in shock, and saw that Kai's figure began to skyrocket, like swelling!

The Cancer was lifted out of the water by Kai, and his claws were constantly waving and struggling.

And Kai roared hard and threw the Cancer directly into the air. When the Cancer fell, Kai's aura began to rise rapidly, and then his fists were clenched, and the golden fists smashed into the Cancer!

At this time, Kai had turned into a golden light, as if a shooting star was drawn towards Cancer.

boom!

Kai's devastating punch slammed into the Cancer Crab's abdomen, and then without the slightest pause, it directly penetrated the Cancer Crab's body.

When Kai shot out from the back of the Cancer, there was already a colorful beast pill in his hand, and the 10,000-pound Cancer was silent for a moment, and slammed heavily on the water!

Chapter 1422 Not For Sale _

The splashing water was as high as several floors, and the body of the giant crab floated on the water, attracting a lot of sharks in an instant.

Kai was suspended in the air, holding the beast pill in his hand, and looked coldly at the people on the ship below.

At this moment, Kai is like a god descending from the earth, his body exudes golden light, giving people a strong sense of oppression!

Looking at Kai in midair, Long Xiao felt a little uneasiness in his heart. This Kai's strength broke through his cognition time and time again.

Zhu Zhishan in the room also had a very ugly face, and the killing intent in his heart was even stronger. He knew that Kai would never stay.

Kai slowly fell from mid-air to put it on, but no one was paying attention to Kai, they were paying more attention to the corpse of the Cancer.

Although these people failed to obtain the Cancer Beast Pill, the meat of the Cancer is also a rare cultivation resource!

These people jumped into the sea one after another, and began to slaughter the sharks that came frantically.

These people are not strong enough to deal with monsters like Cancer, but they are more than enough to deal with ordinary sharks.

Many people compete for various parts of the Cancer body, and some people even fight for it!

Looking at the people who were vying for their shots, Kai smiled coldly. These children of noble families, in the face of interests, will become no different from robbers!

"Brother Kai, you are too good..."

Dong Jiahao walked to Kai's side with a look of excitement: "Let me see, this is the giant crab beast pill, it's really beautiful..."

Dong Jiahao took Kai's hand. The beast pill, carefully looked at it.

"If you like it, I will give it to you..."

Kai said with a slight smile.

Although this beast pill is very good, a beast pill, for Kai, is just a drop in the bucket, and it will not play a big role in the growth of his strength.

After all, Kai is now promoted to a realm, and he needs a lot of spiritual energy. Besides, Kai still has Duda's Nascent Soul that has not been refined.

"No no no... I can't have it. This thing is too precious. It would be a waste to give it to me. I am afraid that I will never break through to Marquis Wu in my lifetime."

Dong Jiahao waved his hands again and again and hurriedly stuffed the beast pill back. Kai's hands.

Dong Jiahao knew that he was not talented enough, so even if he ate this beast pill, he probably wouldn't increase his strength much.

When Kai saw this, he didn't say anything, but put up the beast pill.

At this time, Ge Jiayi came over and said to Kai, "Kai, can you sell me that beast pill?"

This beast pill is a very important cultivation resource for Ge Jiayi!

Kai glanced at Ge Jiayi and spit out two words lightly: "Don't sell..."

Kai is not short of money now, so he doesn't need to sell the beast pill, and it is not very effective to eat it by himself. He can take it for others after he goes back. .

Ge Jiayi was stunned for a moment, but did not give up, and continued: "I can use other resources to exchange, elixir, magic weapon, all can..."

"No!" Kai replied to Ge Jiayi with two words.

Ge Jiayi's face was a little unhappy, but there was nothing she could do, so she couldn't just grab it.

At this moment, Long Xiao's expression was extremely difficult to see, and anger burst out in his eyes.

In the room, Zhu Zhishan's eyes narrowed slightly, and then he waved to one of the four martial arts alliances and said, "Xu Song, you go out and follow the words of Master Long..."

Zhu Zhishan quietly sat in Xu Song. After what was said in his ear, Xu Song walked out of the room with the other three.

After arriving on the deck, Xu Song whispered a few words in Long Xiao's ear!

After Long Xiao heard this, his face suddenly became happy.

Just when Kai was about to leave the deck and return to his room, he was directly stopped by Long Xiao.

"Kai, you can't go, you can go, hand over the beast pill..."

Long Xiao said to Kai.

A man like none other and the man decree (chinese) Chapter 1423-1424

Chapter 1423 Pure power

"Why do you want to hand it over?"

Kai looked at Long Xiao coldly and asked.

"This trial is organized by our Long Family. All the resources obtained from the trial need to be handed over to our Long Family, and then distributed. This is the rule..."

Long Xiao explained.

"Long Xiao, how shameless are you? When did your Long family have such a rule? Before the trial, they never said there was such a rule!"

Dong Jiahao asked cursingly after hearing Long Xiao's words.

"This is my new rule. This trial is held by our Long family, so the rules are also set by our Long family. I am the person in charge of this trial, and I can make rules at any time!" The corner of

Long Xiao's mouth twitched slightly. Yang, said with a high attitude.

Long Xiao's words immediately caused dissatisfaction among many people, but Long Xiao didn't care, because many of the people here would become resources for his cultivation and would be killed sooner or later.

Kai's eyes narrowed slightly: "What if I don't hand it over?"

"Hmph, if you don't hand it over, you're violating the rules. If you violate the rules, I can only snatch it up..."

The breath on Long Xiao began to start. rise up.

Kai's eyes were full of disdain, and he snorted coldly: "If you have the ability, then come and grab it..."

"Kai, the last time I lost in your hands, I have long been unconvinced. Today I must take revenge..."

Long Xiao no longer concealed it, and directly stated his purpose.

He just wanted to seek revenge from Kai. As for the rule for handing over the beast pill, that is to find Kai's fault!

"You were lucky for not killing you last time, but today, you won't be so lucky..."

After Kai finished speaking, golden light flashed on his fist, and then he punched Long Xiao.

Since World War I cannot be avoided, Kai must first strike first.

Kai had consumed a lot of spiritual power in the battle with Cancer just now, and now he must surprise Long Xiao!

Long Xiao didn't expect that Kai would suddenly take action, one of them couldn't dodge in time, and was severely punched in the chest by Kai, and his body flew out instantly.

If it wasn't for Xu Song and the others to catch Long Xiao, Long Xiao's body would probably have fallen into the sea.

Long Xiao looked at Kai angrily, the faint pain in his chest made Long Xiao look extremely hideous.

"Ah..."

Long Xiao roared, his hands quickly slid in front of him, and a black energy continued to solidify.

At this time, Long Xiao couldn't care too much, and now he wanted to kill Kai.

Kai's body glowed with golden light, and then he slammed down with a punch!

boom!

The two fists collided, and the huge energy fluctuation caused the whole boat to shake violently.

This time, everyone was shocked. If two Wuhou really wanted to fight on the ship, the ship would definitely not be able to bear it.

Ge Jiayi waved her sleeves, and two white horses shot out instantly, directly separating Kai and Long Xiao.

"You two can fight, but you can't make fun of our lives."

"If the ship is destroyed, in a place like this, we will all die on the sea."

Ge Jiayi roared at Kai and Long Xiao.

At this time, everyone started to accuse Kai and Long Xiao, and they were all furious.

They don't want to be buried in the sea.

But Kai was already struggling with Long Xiao, how could he stop so easily!

"Kai, do you have the guts to pack up your strength and fight with pure strength?"

Long Xiao stared at Kai and asked.

"What dare you not!" Kai snorted coldly!

As long as they don't use their strength, the two of them only rely on the strength of muscle contraction, and they will not have such a big aftermath, nor will they endanger the safety of the ship.

Chapter 1424

Seeing Kai's promise, Long Xiao took back the black energy, and the golden light on Kai's body slowly disappeared!

"Holy Light Fist..."

Kai took the lead and smashed it with one punch!

The Holy Light Fist can be used perfectly without spiritual power. Back then, in the Demon Suppression Tower, Kai relied on pure power to use the Holy Light Fist to forcefully open the gate of the Demon Suppression Tower.

Seeing Kai rushing over, Long Xiao did not dodge or dodge, a sneer raised at the corner of his mouth.

puff!

Soon, Kai punched Long Xiao's body, and a strange scene appeared.

Long Xiao's body, which was supposed to be incomparably hard, was now soft, like a puddle of mud.

Kai punched it, and the power was instantly absorbed and disappeared, which made Kai almost stumble and hit Long Xiao's body.

A huge depression appeared in Long Xiao's body, wrapping Kai's fist, and then a shock force hit, causing Kai to back up a few steps, while Long Xiao's body slowly recovered.

Long Xiao smiled coldly: "Hahaha, you are so powerful that you can't hurt me at all."

Kai frowned and stared at Long Xiao. It seemed that Long Xiao's entire body had already been transformed. Whether it is internal organs or bones, they are no longer hard!

"It seems that the soul that resides in your body is still a capable guy..."

Kai narrowed his eyes and said coldly.

With a sneer on Long Xiao's face, he didn't refute or admit it, but the corners of his mouth curled up, and then he punched Kai.

Although Kai didn't use an indestructible golden body, his current body was already forged to be extremely hard.

Relying on sheer strength, it is impossible to hurt yourself at all.

So Kai didn't dodge, but let that Long Xiao punch him.

boom!

With a loud bang, this punch hit Kai without causing any damage. For Kai, with such power, there is no difference between tickling and tickling!

However, after punching Kai, Long Xiao immediately took a few steps back, still with a sneer on his face.

Just when Kai was surprised, what the hell was this Long Xiao doing, suddenly a mass of power exploded in his body, followed by a huge impact, causing Kai to fly out in an instant.

"Hahaha, my power is designed to deal with someone like you with a strong body. Although you feel that this punch has no power, the power has already penetrated the skin and entered the body!

" I fight, hand over the beast pill obediently, and I can keep you alive for a while..."

Long Xiao laughed, and he was full of confidence at this moment.

As long as Kai hands over the beast pill, he will not kill Kai. When he arrives on Suolong Island, he will torture Kai well and not let Kai die too happily.

Kai got up, looked at Long Xiao coldly, and then rushed up abruptly.

Punch after punch, he swiped towards Long Xiao like rain.

Every punch on Long Xiao's body would deform Long Xiao's body, but it would soon recover.

Kai's every punch was like being hit in the mud. Not only did his strength disappear, but his body would also receive a shock!

In a short period of time, Kai threw a hundred punches, and at this moment, Kai's forehead was covered with beads of sweat!

"Hahaha..."

Long Xiao looked at Kai like that, and laughed heartily, and then suddenly punched Kai!

Kai's body flew out and fell heavily on the deck!

"Kai, today I want to show you the taste of being abused..."

After Long Xiao finished speaking, he suddenly stepped forward and stepped towards Kai.

Kai rolled, then stood up suddenly, and followed Long Xiao away!

"I can't give you this beast pill..."

After Kai finished speaking, he directly swallowed the beast pill into his stomach.

Regardless of whether this beast pill has any effect on Kai's cultivation, Kai will never give it to Long Xiao.

Chapter 1425

Seeing Kai swallowing the beast pill, Long Xiao's face became extremely ugly!

"Master Long, since Kai has swallowed the beast pill, forget about it. Besides, I don't agree with the rules you made privately..."

At this moment, Ge Jiayi took two steps forward and looked at Long Xiao. said.

"Yes, what are your rules? Even if the trial is organized by your Long family, you can't treat us as fools..."

"That is, everything has to be handed over to your Long family for distribution, so what have we become? Are you a working boy from the Long family?"

"If you don't go, if you can't, just turn around and go back and have a trial. There are so many hard things..."

With Ge Jiayi taking the lead, many people also expressed their dissatisfaction!

Originally, the trial was for whoever got the resources or treasures, and that was his own. Now, if Long Xiao said a word, all of them belonged to the Long family, and then distributed it. During the trial, who would give his life?

Seeing the excitement of the crowd, Long Xiao's face changed and changed, and finally his eyes narrowed and he looked at Kai coldly: "Kai, wait, Suolong Island is your grave..."

Long Xiao finished He left, and Kai followed Dong Jiahao back to the room!

"Brother Kai, look at it like this, this trial, you are afraid that it is very dangerous..."

Dong Jiahao said solemnly.

"It's alright, I've thought about it for a long time..."

Kai smiled lightly, he already knew that Long Xiao would deal with him, but Kai was not afraid!

As for Long Xiao's evil power, Kai also has a countermeasure, but just now on the deck, he deliberately looked embarrassed!

He just wanted to let Long Xiao relax his vigilance and then give him a fatal blow!

Kai is not worried about Long Xiao, what he is worried about is the four guys who appeared in the Martial Arts Alliance!

If these people join forces with Long Xiao, Kai will be very difficult to deal with.

After another day of sailing, the ship finally docked at Suolong Island. At this time, it was getting dark.

At this time, Suolong Island was lush and full of life.

Although it is winter now, the environment on Suolong Island is like spring all year round.

It is no wonder that this place has become a place for tourism, but at this time there is no tourist on the island, it should be controlled by the Long family in advance.

Arriving at Suolong Island, Kai felt inexplicably emotional!

This is his third time on the island.

And Xiaoru should be still on the island at the moment, but Kai doesn't know where Xiaoru is.

In this trial, Kai didn't plan to get any resources. He mainly wanted to find Xiaoru and see if he could take Xiaoru away!

Kai tried to exude divine consciousness, which slowly spread to the depths of Suolong Island.

As the consciousness continued to spread, Kai's brows could not help but wrinkle.

He found that there was a thick aura emerging from the ground on Suolong Island, and the area where the aura emerged was extremely vast.

"Could it be that there are still ruins underground on Suolong Island?"

Kai was a little shocked. After all, this is the first time Kai has seen such a huge spiritual energy!

The problem is that Kai did not sense that there is still spiritual energy in the underground of Suolong Island after waiting for the first two times.

It is also possible that there was a relationship between Ice Dragon and Yanlong at that time, so people's eyes were fixed on these two dragons.

"Brother Kai, what's wrong?"

Dong Jiahao asked when he saw Kai's brows slightly wrinkled.

"Oh, it's okay..."

Kai retracted his consciousness and smiled lightly.

Soon, the people on the boat came down one after another. There were nearly a hundred people, all according to their own social circles, gathered in groups of three or five to chat. After all, trials are very dangerous, so it is very important to make friends and help each other. Necessary.

At the moment of Kai, only Dong Jiahao is standing by his side, the two of them seem so lonely, they don't fit in at all!

Chapter 1426 Do you want to die? _

This person is the Mountain of Blessing!

Now that he is on Suolong Island, there is no need for Zhu Zhishan to hide himself. Even if Kai knows about it, he will not be able to escape.

Suolong Island is far away from the inland and surrounded by the sea, so it is impossible to escape without a boat.

Kai's eyes narrowed, and the moment he saw Zhu Zhishan appear, Kai's heart became nervous.

"Damn, why is this Zhu Zhishan on board? He's not here to try, right?"

Dong Jiahao couldn't help but be surprised when he saw Zhu Zhishan appearing.

"He should have come to kill me..."

Kai clenched his fists slightly, ready to deal with emergencies!

Now that Zhu Zhishan has also come secretly, Kai knows that this time it will be a battle of life and death.

With the four members of the Martial Arts Alliance plus Long Xiao, Kai may not be sure to win, and now with Zhu Zhishan, Kai has no chance of winning!

Dong Jiahao was stunned when he heard that Zhu Zhishan was here to kill Kai, then gritted his teeth and said, "Brother Kai, don't worry, they really want to kill you, let's go together..."

"If so, don't move, otherwise you'll just lose your life in vain..."

Kai persuaded Dong Jiahao.

Dong Jiahao still wanted to say something, but at this time Zhu Zhishan had already walked to Kai, with a sneer on his face: "Kai, we met again, I admit that you are very strong, but today you will never be the one who walked out of Suolong Island alive..."

"Your dignified martial arts alliance leader, but secretly followed the boat, just to bring people to kill me, aren't you afraid of being laughed at?"

"This place is all in the martial arts world of Kyoto. The sons of the major sects and families are here. Are you doing this as the leader of the martial arts alliance?"

Kai pretended to be calm and asked Zhu Zhishan.

Kai wanted to stimulate the Zhu Zhishan, maybe Zhu Zhishan would not do it to himself here because of his face.

As long as Zhu Zhishan and the others don't work together, Kai is sure to defeat them all!

"Hahaha, Kai, don't use aggressive tactics with me, it's of no use to me at all, as long as I can kill you, it's a waste of face, as long as I can see you dead, I, the leader of the alliance, can stop doing it. ..."

Zhu Zhishan laughed loudly, and then stared at Kai sternly.

"In that case, don't talk nonsense, let's do it..."

Kai began to flash golden light!

The breath of Zhu Zhishan also began to rush, and then he glanced at everyone coldly: "I have nothing to do with you here, this is my personal grievance with Kai, if any of you dare to help him, then it is against my martial arts alliance. , no one wants to walk out of Suolong Island alive!"

Zhu Zhishan is afraid that someone will suddenly jump out and help Kai, this is the best opportunity, Zhu Zhishan can't let anyone ruin this opportunity!

Everyone evacuated towards the distance. These people did not have any intersection with Kai. Of course, they would not offend Zhu Zhishan for Kai's sake.

Before Dong Jiahao could finish speaking, Zhu Zhishan directly slapped Dong Jiahao back.

Dong Jiahao wanted to say something, but was interrupted by Kai waving his hand: "Brother Dong, stand back, no matter what I do, don't take action, or you will waste your life..."

Seeing everyone retreating, Zhu Zhishan raised his mouth: "Kai, I can tell you the truth, these four masters of our Martial Arts Alliance are all fed with the blood of your girlfriend, don't you? Don't you feel your girlfriend's breath on them?"

"Now I let the four of them deal with you, so even if you die, you will be killed by your own girlfriend. In the future, our martial arts alliance, will use your girlfriend's blood to cultivate more masters, and your girlfriend can only be locked in a dungeon for the rest of her life!"

Zhu Zhishan sneered and spoke very lightly, so light that only the two of them could hear.

Kai's face turned cold, and a murderous aura burst out instantly!

"I'll kill you..."

Kai couldn't help it, his eyes were extremely scarlet!

Xu Song, one of the four, looked at Kai coldly and said.

"You have eaten Yuqi's blood, and today I want to drain all of your blood..."

After Kai finished speaking, the Dragon Slaying Sword instantly appeared in his hand, and there was a buzzing sound on the blade!

Sword Qi rose into the sky, with bloodthirsty killing intent, instantly enveloped Xu Song and the others.

The four of them also instantly formed a battle formation, ready to fight with Kai!

But this is, Long Xiao walked over.

"Leader Zhu, leave the matter of killing Kai to me. Kai and I have nothing to do with each other, so I will kill him with my own hands..."

Long Xiao said to Zhu Zhishan.

At this moment, Long Xiao was extremely confident, because Kai was beaten and could not fight back when he was on the boat, so now Long Xiao plans to kill Kai alone.

Zhu Zhishan glanced at Long Xiao: "Young Master Long, are you sure you will kill this Kai?"

"Hahaha, of course, this Kai's strength is strong, but I found a way to restrain him..."

Long Xiao laughed.

Zhu Zhishan nodded: "Even if Young Master Long is so confident, then let you do it first. This Kai is already a turtle in the urn, and he can't escape at all. When you lose to that Kai, I will take action..."

After Zhu Zhishan finished speaking, he waved his hand, and Xu Song and the others followed Zhu Zhishan back.

Kai's eyes narrowed slightly, and he held the Dragon Slaying Sword tightly in his hand. It seems that he deliberately couldn't beat this Long Xiao on the ship, but it really worked!

"Kai, now you and I can do our best, but I hope you can resist for a while. If I kill you too soon, I will be disappointed..."

After Long Xiao finished speaking, he saw a sudden wave of his palm, followed by a black aura surrounding his body!

Chapter 1428

This breath instantly turned into a sharp edge, heading directly towards Kai.

Kai didn't dare to stand by, he held up the Dragon Slaying Sword, and slashed it down with a ruthless sword!

The sword qi was vertical and horizontal, and the sound of breaking the wind suddenly sounded.

Kai's sword is extremely powerful, and he has no reservations about it. He wants to kill that Long Xiao with one move!

In this way, when dealing with Zhu Zhishan, they have one less helper.

The fierce sword energy instantly collided with Long Xiao's black aura.

But without the slightest sound, the black aura emanating from Long Xiao instantly turned into a soft form, and he even wrapped Kai's fierce sword energy in it, instantly absorbing the power of the sword energy in one fell swoop!

Kai frowned. His sword can sever all things. Even in a huge breath, it can be shattered in an instant, but in the face of Long Xiao's breath, this vigorous slash has no effect. !

boom!

Just when Kai frowned, the black aura instantly solidified, and then slammed into Kai's chest!

Kai's body flew backwards.

"Haha, Kai, this is what I call conquering the gang with softness. Even if you have a ferocious power, you can't use it when you meet me."

Long Xiao laughed proudly.

Along with Long Xiao's proud laughter, behind Long Xiao, a slowly rising black mist turned into a figure!

Long Xiao's body took a step back, instantly covering his entire body with that black shadow.

When the black mist dissipated, Long Xiao's whole body was covered with black robes at this moment, and the aura on his body became extremely terrifying!

"Jie Jie Jie..."

"Kai, I'm going to crush you, drink your blood, and take all your strength for myself..."

Long Xiao's laughter became eerie, and it made people feel horrible!

Everyone looked at Long Xiao in shock, not knowing what they were thinking, but at this time, no one dared to help Kai.

"One force breaks all methods, you really think that your feminine technique can restrain me..."

Kai's eyes narrowed slightly, and the power of the dragon followed Kai's meridians to the body of the Dragon Slaying Sword.

The light on the Dragon Slaying Sword continued to flicker, and a sound of dragon roar sounded, resounding throughout the entire Dragon Lock Island!

The entire Suolong Island seemed to have heard the call of Longyin and began to tremble.

You must know that Kai's divine dragon power came from this Suolong Island, so when the divine dragon's power broke out, Suolong Island also responded!

Long Xiao frowned, and then raised his hands, the black aura condensed again and swept away towards Kai.

Kai just raised the Dragon Slaying Sword this time, and suddenly from all directions of Suolong Island, countless light spots converged towards the Dragon Slaying Sword in Kai's hand!

At this time, the sky had completely darkened, and countless light spots converged on the tip of the Dragon Slaying Sword, and then a dazzling white light erupted, illuminating the entire night as bright as day!

"Cut..."

Kai slashed the Dragon Slaying Sword fiercely, and a white light instantly shot out from the Dragon Slaying Sword.

Like a laser, it went straight to Long Xiao.

The black aura that Long Xiao exudes, after touching the white light, instantly wraps the white light, trying to absorb the white light.

At this moment, everyone saw a big black ball in their eyes, with white light flashing inside, and the big black ball was constantly changing its shape, trying to make the white light disappear.

boom!

Suddenly there was a violent fluctuation in the air, and I saw white light emitting from the black sphere.

Every white light shot straight into the night sky, illuminating the stars one by one!

Like bright fireworks blooming in the night sky, many people looked up involuntarily.

Chapter 1429 Are you worthy too? _

Long Xiao's chest instantly rose with a bloody flower, and his body flew out.

Looking at the wound on his body, Long Xiao's face became extremely ugly. At this moment, he realized that Kai's strength was far superior to himself.

However, Kai's blow did not kill Long Xiao, and the wound on his chest began to be covered by a cloud of black mist, which soon healed.

Kai stared at Long Xiao, and his expression became solemn.

The blow just now failed to kill Long Xiao. It can be seen that Long Xiao's strength has also been greatly improved. After seeing Long Xiao's wounds heal quickly, Kai knew that he wanted to kill Long Xiao quickly. It's hard.

Not far from Zhu Zhishan, seeing Long Xiao being hit by Kai's sword, a sneer appeared on his face.

After this, Long Xiao should not refuse him to join hands.

"This kid's divine dragon power is just suppressing me. You can't kill him now, so you can only join forces..."

At this moment, an old voice sounded in Long Xiao's mind.

Long Xiao looked at Kai coldly. Although he really wanted to kill Kai, he couldn't deal with Kai's strength now.

"Master Long, if you need help, just say it, my people are ready to take action at any time..."

Zhu Zhishan said to Long Xiao.

Long Xiao was silent, he just said that there is no need for Zhu Zhishan, and now in front of everyone, he is asking for help, which is disgraceful!

Kai saw that Long Xiao was still hesitating, it was a good time to kill Long Xiao alone, so he roared, the breath all over his body began to burst, golden light flashed on the tip of the sword, and then he swiped on the ground, and instantly a beam appeared on the ground. Imprints!

In this one, only Kai and Long Xiao are isolated from the others!

Seeing this, Long Xiao's face suddenly became extremely ugly.

"Leader Zhu, let's do it..."

Long Xiao shouted at Zhu Zhishan without worrying about his face.

When Zhu Zhishan saw this scene, he also guessed that Kai wanted to defeat each of them, so he immediately ordered: "Xu Song, go and help..."

Xu Song nodded, and then jumped with the other three. He stood up, and then slammed into the shield formed by the light!

This is a space formation, and Xu Song intends to forcibly destroy this formation!

Seeing this, Kai knew that he was running out of time, the Dragon Slaying Sword in his hand flashed again, and then a sword stabbed Long Xiao.

Seeing this, Long Xiao kept retreating, but because of the space formation, Long Xiao couldn't escape this small world at all!

"Waste..."

An old voice sounded in his mind, and then a black mist escaped from Long Xiao's body, and then a fierce fist smashed on Kai's Dragon Slaying Sword.

A huge force hit Kai's heart directly along the Dragon Slaying Sword. Kai's heart seemed to be hit by a heavy hammer, and blood flowed out from the corner of his mouth in an instant.

However, after this blow, the black mist has obviously weakened a lot. After all, it is a spiritual body. After using such a large amount of energy, the breath will weaken a lot in an instant.

After blocking Kai's blow, the black shadow returned to Long Xiao's body, and Long Xiao's confidence was instantly boosted.

Wow...

At this moment, Kai's space formation shattered, and Xu Song led someone to stand beside Long Xiao!

This time, Long Xiao became more confident and looked at Kai with a sneer: "Kai, if you have any last words, just say, there will be no chance for a while..."

"Just a few of you are worthy of killing me. ..."

Kai roared, and a huge golden dragon rose slowly behind him!

The golden dragon hovered above Kai's head, and that majestic and domineering aura suppressed almost everyone.

"Do it..."

Long Xiao frowned, then waved his hands, black energy filled the air, and then turned into a black dragon. After a dragon roar, he rushed towards Kai and opened his bloody mouth!

The golden dragon above Kai's head also groaned and greeted him without hesitation.

Just as Kai was fighting with Long Xiao, Xu Song and the others also moved, and the four of them joined forces and released a burst of energy. The fierce energy directly enveloped Kai's whole body.

Kai was holding the Dragon Slaying Sword, and he was about to swing the sword, but just as he was about to swing the sword, a very familiar aura suddenly hit Kai head-on.

This breath is too familiar to him, this is the breath he has been thinking about.

Kai was stunned for a moment, and the light of the Dragon Slaying Sword in his hand dimmed.

"Yuqi..."

Chen Pingping called out to this breath!

Bang bang bang bang...

Just when Kai was stunned for a moment, the familiar aura disappeared, and then a fierce energy slammed into Kai's body.

Kai's body was instantly shaken out, and the Dragon Slaying Sword in his hand also came out of his hand, and instantly disappeared into Kai's body.

Kai smashed to the ground, a large pit several meters deep appeared, and Kai was lying in the pit full of embarrassment.

With a dragon roar, the golden dragon lost Kai's control, and after a roar, it turned into a little golden light and dissipated!

"Kai..."

Dong Jiahao rushed over quickly and pulled Kai out of the pit.

"What are you doing? This is a life-and-death battle, how can you be distracted?"

Dong Jiahao saw clearly that Kai was lost in the moment he shot...

"Yuqi, Yuqi..."

Kai muttered to himself, the familiar aura just now made Kai's mind confused. At this moment, Kai seemed to be in a daze!

Not far away, Long Xiao and Xu Song watched Kai suddenly become like this, and they all looked puzzled.

A few people stepped forward cautiously, they were afraid that Kai was playing some tricks!

"Kai, wake up, wake up, there is no girlfriend here, no, they are going to kill you..."

Dong Jiahao shook Kai desperately, hoping that Kai would wake up.

But at this time, Kai's eyes were dull, as if he was demented, which made Dong Jiahao's face bewildered!

"When he was highly concentrated, his mind was suddenly stimulated and became like this. Taking Qingxin Pill should be useful..."

At this time, Ge Jiayi glanced at Kai, and then said to Dong Jiahao.

But in this place, where to find Qingxin Dan!

Dong Jiahao could only call Kai desperately, trying to make Kai sober.

Long Xiao and the others looked at Kai, but did not act immediately, but looked at Zhu Zhishan!

Zhu Zhishan walked over quickly, and after observing for a while, he was convinced that Kai was not pretending, but was really hurt!

"Hahaha...hahaha..."

"This Kai is mentally damaged and turned into dementia. Now you can kill him by any one of you..."

Zhu Zhishan laughed excitedly. .

"I wish the alliance leader, what the hell is going on? Why is Kai suddenly damaged?"

Long Xiao was very puzzled. After fighting with Kai for a long time, Kai was all right, but when Xu Song and the others made a move, Kai was stunned. It became like this.

"I don't know very well either!" Zhu Zhishan shook his head. He only knew that Kai was mentally damaged, but he didn't know what caused it.

Long Xiao frowned and carefully observed Kai.

"I know what's going on!"

An old voice sounded in Long Xiao's mind: "These four people have sucked the blood of Kai's girlfriend, so if the four of them make a move, they will exude the breath of Kai's girlfriend, if it's just one person, this breath will be very weak, but if the four of them join forces, then this breath will make Kai feel very familiar."

"The moment he made his move, he felt this familiar breath, and his mind moved, so it made him nervous. Damaged, it has become like this."

"Don't you always want to play Kai, I can help you now..."

"How can I help?" Long Xiao asked.

"You let the four guys in the Martial Arts Alliance exude their breath together, and I will let you watch a good show."

The old voice in his mind said jokingly.

"I wish the alliance leader, I know how this Kai has been damaged!"

Long Xiao said.

"What's going on?"

Zhu Zhishan asked curiously.

This is Xu Song and the others looking at Long Xiao curiously. They also want to know what happened to Kai.

"I wish the alliance leader, the four members of your Martial Arts Alliance will exude some aura that can stimulate Kai, so when the four of them joined forces, Kai was stunned for the moment he fought back. That breath caused damage to the mind!"

Long Xiao did not directly mention it, after all, the matter of the martial arts alliance using other people's blood to cultivate masters is disgraceful, the fewer people who know about it, the better.

However, when Long Xiao said this, Zhu Zhishan immediately understood. He didn't expect it to be so simple, so Kai turned into a stupid look.

"I didn't expect to control Kai. It's so simple. If we knew it earlier, why would our Martial Arts Alliance lose so many people..."

Zhu Zhishan felt a little regretful. In order to kill Kai, he even used Du Da, but it's a pity Duda was also killed by Kai.

"I wish the alliance leader, now Kai has become a fool, we can kill him at any time, now do you want to see, let me play this Kai?"

Long Xiao smiled lightly.

"How to play?" Zhu Zhishan asked.

"Let the four of your subordinates exude aura, I have my own way..."

Long Xiao bought a pass.

Zhu Zhishan glanced at Xu Song and nodded slightly.

The breath of Xu Song's four people rose instantly, and then came out of the body!

The four auras condensed together, and Long Xiao waved a black mist.

The black mist began to merge with Xu Song and the others, and finally turned into a human shape!

It's just that this human figure can't tell the difference between male and female, but Kai has always been indifferent. After seeing this phantom human figure, his eyes suddenly lit up and he pushed Dong Jiahao away beside him!

Kai hurriedly stepped forward and hugged the transformed human figure.

At this moment, in front of Kai's eyes, standing in front of him is Su Yuqi in a white dress, Su Yuqi is smiling slightly at him.

Everyone was stunned when they saw this scene, and couldn't figure out what Kai was doing!

Dong Jiahao wants to rush over and pull Kai away!

It was just a wave of Zhu Zhishan's palm, and he was instantly knocked out.

"Dong Jiahao, if you don't want to die here, don't care about Kai..."

After Zhu Zhishan finished speaking, he looked at Kai with great interest!

At this time, Kai's face was full of excitement, and the circles of his eyes were red.

"Yuqi, it's all my fault. I didn't have the ability to rescue you and made you suffer so much. I will never let anyone take you away again."

Kai blamed himself, tears falling down down.

Everyone was watching Kai talking to himself to an illusionary human figure, and couldn't help but feel amused!

But Ge Jiayi's eyes were full of tears. As a girl, the most important thing is the feeling of a man.

Zhu Zhishan looked at Kai making a fool of himself, and they didn't want to kill Kai so soon.

But just as Kai was muttering to himself, the black mist that transformed into a human form suddenly got into Kai's body!

Chen Pingping shivered, and then his eyes became dull again!

I saw Kai's forehead flickered a few times, and then he fell straight to the ground.

This sudden change made everyone stunned, even Long Xiao didn't know what happened.

"Hahaha, this is my ideal host, this hard body, this solid strength, is exactly what I want..."

In Kai's mind, an old voice laughed wantonly.

It turned out to be the soul in Long Xiao's body, but now it's directly in Kai's body!

Regardless of body or strength, Kai is much stronger than that Long Xiao, so from the beginning, this soul took a fancy to Kai's body.

I just used the excuse of making fun of Kai to let my soul enter Kai's body.

After a while, Kai got up slowly, his eyes regained clarity, but his face became very ugly!

"Kai..."

Dong Jiahao shouted hurriedly when he saw that Kai had recovered. '

But Kai didn't pay attention to Dong Jiahao, but just frowned and closed his eyes slightly.

"Kai, as long as you listen to me obediently, the two of us complement each other, and I can kill a few people in front of you..." The

"Who are you?" Kai used his divine sense to talk with the guy in his mind.

"You don't need to know who I am, you just need to obey my arrangements. If it weren't for me, you would be a corpse now."

"I have entered your body now, if you don't listen to me, I will rob you of your thoughts, then commit suicide, and let you die in front of everyone now..." The

old voice threatened Kai.

"Really? Why am I so unbelievable?"

Kai said, the consciousness in his mind instantly increased, directly suppressing the soul!

The soul was obviously stunned. He didn't expect Kai's consciousness to be so strong. A ray of light hurriedly passed by, causing Kai to have a splitting headache, and his body shook like an electric shock.

But even so, Kai's body control is still in his own hands, relying on his powerful divine sense to resist the soul!

When Long Xiao saw this scene, he seemed to have thought of something. His consciousness swept through his mind, and he found that the soul in his body was no longer there.

At this moment, Long Xiao's eyes are scarlet, and the eyes looking at Kai are full of jealousy and anger!

Facing Kai, even the soul in his body wanted to abandon himself, which made Long Xiao difficult to accept!

"Kai, go to hell..."

Long Xiao roared hard, his whole body was covered in black light, and he punched Kai.

Although Kai was fighting with the soul in his body, the spiritual power in his dantian was not affected at all.

That soul knew that he couldn't control Kai and could only return to Long Xiao's body.

After the soul entered the body, Long Xiao's aura instantly changed drastically!

Zhu Zhishan, who originally wanted to help, frowned slightly and looked at it with interest.

He is not afraid that Kai will kill Long Xiao now. Even if Long Xiao is dead, Zhu Zhishan has absolute certainty to kill Kai. After all, he has found Kai's weakness, and killing Kai is as easy as the palm of his hand.

"Hurry up and kill him, I don't know how long this formation can trap him..." The old voice hurriedly reminded Long Xiao!

This Kai was able to burst out with such a powerful force under his rage, so the soul was very worried that his formation would soon be broken.

At that time, if you want Long Xiao to kill Kai, that would be a fool's dream.

Long Xiao wiped the blood from the corner of his mouth and looked at Kai coldly: "Kai, you don't have to struggle to the death, it's useless..."

After Long Xiao finished speaking, his body abruptly moved towards Kai with a fast speed. to the extreme.

Zhu Zhishan reminded Long Xiao.

Zhu Zhishan wanted to verify it himself, but if he couldn't, he directly burned Kai's body to see how he could be resurrected.

Xu Song smelled the burnt smell, and frowned involuntarily, how could people still live like this!

It's just that they had to listen to Zhu Zhishan's order, they could only wave their hands and lead people to go down into the deep pit and bring Kai's body up!

But just as Xu Song was about to go down, Kai's body suddenly moved!

Although Kai's body is now full of scars, he can't even see his appearance, but Kai's eyes are very bright, with raging anger in his eyes!

"Sure enough, he didn't die!" Zhu Zhishan narrowed his eyes: "Today, I have to watch Kai's body being ground into flesh..." If

Kai didn't die like this, Zhu Zhishan would become more cautious. .

Kai's body was flickering with a faint golden light, and he walked towards the pit with difficulty step by step.

Seeing Kai like this, everyone took the initiative to move out of the way, and many people showed admiration!

And that Ge Jiayi actually ignored Zhu Zhishan's threat, and threw a piece of training out of his hand, and then pulled Kai directly up!

It's just that Zhu Zhishan didn't say anything. Even if Kai came up, he could not escape the fate of death!

Kai has become like this, and anyone who comes out can kill him.

Kai looked at Long Xiao coldly, the formation in his body had been broken under the thunder tribulation just now.

Kai's current spiritual power is slowly recovering, and a faint golden light has begun to flash on his body!

"The formation is broken, then Kai's strength is recovering, do it..."

An anxious voice flashed in Long Xiao's mind!

Long Xiao nodded, followed by a black light rising from his body, and then he jumped up.

"Kai, this time I see whether you will die..."

Long Xiao punched Kai, intending to make Kai into meat sauce!

And Kai also jumped up to pick up the plane, and then twisted his body in mid-air.

Long Xiao frowned, he didn't know what the hell Kai was doing, but he still punched Kai's chest!

A huge force instantly knocked Kai into the air.

This time, Kai did not use the slightest spiritual power to resist, and just let Long Xiao exert all his power on himself.

Chapter 1436

Kai only felt his internal organs tumbling for a while, and then spit out a mouthful of blood in the air!

Kai's body flew hundreds of meters, and then fell directly into the sea. Kai's body instantly caused a wave!

After falling into the sea, Kai felt dizzy for a while. He could see a layer of light in the sea!

Suddenly exhaling, Kai swam towards the light!

He deliberately let Long Xiao punch himself into the sea. If not, then Zhu Zhishan would definitely burn his body, even Nascent Soul.

Now that Kai has fallen into the sea, he hopes to escape Zhu Zhishan's pursuit!

Just as Kai was getting closer and closer to the light, suddenly a huge suction force sucked Kai's body in instantly.

Kai's eyes darkened, and then he didn't know anything.

On the shore at this moment, Long Xiao and Zhu Zhishan were all staring at the sea, wanting to see if Kai had come out.

But half an hour later, the sea was very calm, Kai fell into the sea and didn't come up at all!

"It's over, then Kai is dead now..."

Long Xiao let out a long breath.

Although martial masters like them can move freely even in water, they can hold their breath for a period of time!

But if you want to live in water all the time, it is simply impossible. No one can live in water all the time.

What's more, Kai is still seriously injured, and it is impossible to stay in the water for a long time!

It's just that Zhu Zhishan is not as optimistic as Long Xiao. He stared at the sea with his eyes fixed on the sea, and he hoped that Kai would show his head.

Another half an hour has passed, and many people have already set up camp, but Zhuzhi Mountain is still on the shore!

"I wish the alliance leader, it's been so long, then Kai will definitely die!"

Long Xiao said to Zhu Zhishan.

"What do you know!" Zhu Zhishan gave Long Xiao a cold look: "I just realized something was wrong, so Kai deliberately let you shoot into the sea."

"Now he fell into the sea. We can't be sure of death at all!"

"I wish the alliance leader, are you too careful? Could it be that Kai is an immortal? He was injured like that and fell into the sea, can he still survive?"

Long Xiao said to Zhu Zhishan's accusation is somewhat dissatisfied!

"Hmph, ignorance..."

Zhu Zhishan snorted coldly, and then ordered to Xu Song: "Xu Song, take someone to look for it in the sea and see if you can find Kai's body."

Xu Song was helpless and could only lead people to jump up and jump into the sea!

But the four of them searched for more than an hour in the sea, and they didn't see Kai's body at all.

To find a body in the sea is like looking for a needle in a haystack, almost impossible.

"The leader of the alliance can't be found at all, the area is too large..."

Xu Song said to Zhu Zhishan.

"Then you will stay here tonight and see if Kai will emerge..."

Zhu Zhishan ordered Xu Song and the others.

The four of them had just soaked in the sea for a long time, their bodies were clammy and cold, and now they had to guard again.

But they had no choice but to obey the order. No matter what, the current Zhu Zhishan was still the leader of the Martial Arts Alliance.

Although I know that Zhu Zhishan no longer has any real power, I still have to listen.

With Xu Song and four people guarding him, Zhu Zhishan left with confidence, and then found a place to rest.

Without seeing Kai's body, Zhu Zhishan couldn't rest assured, and couldn't sleep at all!

Xu Song and the four guarded the shore, and their spiritual consciousness spread out, covering the range of several miles. As long as Kai showed up, he would be discovered.

But until dawn, there was no sign of Kai at all, not even a single hair of Kai's hair!

A man like none other and the man decree (chinese) Chapter 1437-1438

Chapter 1437 Dissatisfaction _

Inside a huge and bright palace, Kai was lying on the ground covered in blood!

At this time, Kai's body was very weak, his eyes were closed, and he fell into a coma!

In front of the palace, on a golden throne, a sculpture with a human head and a fish tail was placed on it.

This sculpture is vivid, like a real murloc, holding a weapon similar to a harpoon in his hand.

I don't know how someone would put such a sculpture in this place.

The surrounding of the palace is full of large and small beast pills, and each beast pill shimmers with a faint light.

At this moment, in the mid-air of the palace, a white light suddenly flashed, followed by a snake that was more than ten meters long. Seeing the snake's expression was a little painful, after entering the palace, he glanced at Kai who was in a coma. But did not understand!

Then the snake looked at the sculpture and kept twisting its body, as if it was worshipping. After a while, the snake opened its bloody mouth, and a beast pill slowly flew out of the snake's mouth. come out.

The beast pill fell to the ground, and after losing the beast pill, the snake began to struggle painfully, but soon the body slowly disappeared, and finally disappeared, leaving no trace, only the beast pill remained on the ground !

Kai was in a coma for a whole day and night, and during this day and night, dozens of monsters of all kinds came to the palace, and after spitting out their beast pills, they would disappear without a trace.

On the Suolong Island, Zhu Zhishan did not leave with everyone. He stayed on the shore and couldn't see Kai's body. Zhu Zhishan was always restless in his heart!

However, it has been a day and two nights, and I still can't see Kai's body surfaced, which makes Zhu Zhishan feel more and more uneasy!

"I wish the alliance leader, then Kai will definitely not survive, we have been here all the time, many people are beginning to be a little dissatisfied..."

Long Xiao said to Zhu Zhishan a little displeased.

After all, they were here for the trial, and Long Xiao wanted to take advantage of the trial opportunity to absorb the strength of those people!

Now that he has been staying on the shore, Long Xiao has no chance at all!

Those who came to participate in the trial were also full of complaints, but due to the strength of the Martial Arts Alliance, no one dared to speak.

"They are dissatisfied, so let's start with this seaside trial..."

Zhu Zhishan said coldly.

"What are you trying to test from here?"

Long Xiao was very puzzled. There is nothing here, so what kind of test are you taking?

Zhu Zhishan did not speak, but took out the black bead from his arms, slowly put the bead into the sea water, and then said something in his mouth!

After a while, the sea water began to boil, and waves of waves could be seen from a distance!

Under the waves, you can see many dark figures!

Everyone was stunned, and hurried to the shore, watching the vision that suddenly appeared in the sea!

"Roar..."

Suddenly, a huge monster rose from the water and made a roaring sound!

"I've recruited a few monsters now, and you can try it now. Whoever kills this monster will have the beast pill..."

Zhu Zhishan said lightly to the crowd.

When everyone heard this, they were immediately excited. They took up their weapons and jumped up towards

the monster... Zhu Zhishan did this to calm everyone's emotions. Another point was to let everyone fight the monster. A piece of seawater was turbulent, so that Kai could not hide on the bottom of the sea. If Kai died, such agitation would also make Kai's body surface!

Soon, everyone followed the monsters to fight, and the entire sea area on the shore set off waves, and the chain dragon islands began to shake constantly in this melee.

Chapter 1438 Another space

The palace in the depths of the sea began to shake under this violent stirring, and Kai slowly opened his eyes amid the shaking.

As soon as he opened his eyes, he was hurt by a dazzling golden light, and Kai hurriedly covered it with his hands.

"Where am I? Could it be that this is heaven?"

Kai shook his head vigorously, then slowly got up.

When he saw that he was in a huge and magnificent palace, the whole person was in a dazed state.

But soon, Kai realized that this is not paradise, and he is not dead.

Kai looked at the palace carefully, the whole palace seemed to be made of gold, emitting a dazzling golden light!

Especially the throne on the front seat gave people a sense of majesty, but the mermaid sculpture on the throne seemed incompatible with the palace and the throne.

Then Kai looked at the ground of the hall again, looking at the pieces of beast pills on the ground, feeling the aura emanating from the beast pills, a few traces of excitement flashed in Kai's eyes!

However, just when Kai wanted to examine these beast pills carefully, he found that a faint aura wafted from these beast pills, and finally they all gathered into the sculpture on the throne!

Even the Nascent Soul on Kai's body is exuding spiritual energy, constantly converging on the sculpture!

Kai frowned slightly, his face full of incredible!

How could a sculpture have the ability to absorb spiritual energy? Could it be that there are people hidden in this sculpture? Or is this not a sculpture at all?

Kai stepped forward cautiously, wanting to check to see what happened to this sculpture.

But when Kai's body just got close to the throne, it was shaken out by a huge force.

There is a formation around this throne, and Kai has no way to get close!

And now Kai's body is extremely weak, and his spiritual power is almost exhausted, so he has no way to break this formation!

"Don't worry about it, it's important to recover your body..."

Kai decided to ignore what happened to the sculpture and restore his spiritual power first.

There are so many beast pills on the ground, plus he still has Nascent Soul, these are enough for Kai to recover to the peak state, maybe Kai can be promoted to a realm!

Kai picked up a beast pill and swallowed it directly, and an aura exploded in Kai's body instantly.

Although the aura of a beast pill is very small, it has little effect on Kai, but there are thousands of beast pills here, enough for Kai to absorb it for a while.

Kai sat cross-legged impatiently, and immediately after the Concentration Technique in his body was activated, swirling auras began to circle above Kai's head.

The spiritual energy on those beast pills changed and began to swarm towards Kai's body.

The direction in which the aura changed, the color of the mermaid sculpture on the throne instantly dimmed.

Kai closed his eyes slightly and didn't notice this at all. Even the eyes of the mermaid sculpture moved slightly, and the anger in his eyes could be clearly seen, but unfortunately Kai didn't notice it!

A large amount of the aura of the beast pill was absorbed by Kai, and the spiritual power in Kai's dantian began to recover rapidly!

Just when Kai was concentrating on practicing and recovering, a huge fluctuation directly stripped Kai's consciousness out of his body.

Kai was shocked. When he opened his eyes, he found that he had already entered another dimension!

I saw that this is a small island with lush green trees, but on the island, there is a very magnificent palace!

Many people came and went in and out of the palace. The clothes these people wore turned out to be very old, like the clothes that people wore thousands of years ago.

A man like none other and the man decree (chinese) Chapter 1439-1440

Chapter 1439

Kai wanted to stop a person and ask, where the hell is this place, but Kai was like a transparent person, no one found him.

Kai was helpless and could only walk towards the palace, he wanted to see what was going on.

But before reaching the palace, Kai was blocked by a city gate, and he saw the words Bliss City written on the plaque on the gate.

There are also two soldiers in armor at the door, each holding a weapon. Kai can see at a glance that the weapons in the hands of these two guards are actually spirit soldiers!

This time, Kai's shocked mouth opened, and the two guards who guarded the door actually held spirit soldiers in their hands. This is incredible!

Kai was deeply shocked. He raised his head and stared at the three words Bliss City. People kept passing by him, and everyone had a happy smile on their faces.

Kai walked into the city gate, and there was a peaceful scene inside. There were hawkers doing business along the street, and there were quaint buildings everywhere.

This made Kai suspect for a while, this is not the base of a certain film and television city, right?

However, judging from the breath that everyone exudes, even the ordinary people here are all immortal cultivators, and everyone has spiritual power!

"Could it be that thousands of years ago, immortal cultivators were common?"

Kai was very surprised!

Walking slowly through the street, Kai really came to the gate of the palace, but the guard in front of the palace gate was dressed in golden armor, and his aura was not anger and self-righteousness.

The breath exuded is no less than the current Kai. All of them are masters of the Marquis Realm, and the weapons these guards are holding have never even been seen by Kai.

At this moment, Kai was greatly shocked in his heart. He didn't understand whether he was dreaming, or could he really see the scene thousands of years ago!

If thousands of years ago, there were such a huge crowd of cultivators, and even the guards guarding the palace gate were Yuan Ying cultivators, then there would be no less cultivators who transformed, left the body, and were distracted, and even some transcended calamities. The real person in the Mahayana period is also very common.

But if this is the case, how did the immortal cultivator end up in such a state of despair?

Is it just because the spiritual energy on the earth is depleted, so many people start to cultivate martial arts, and immortal cultivators are down?

Kai didn't know why, he always felt that there was a huge secret hidden in it!
