A man like none other and the man decree (chinese) Chapter 1441-1460

A man like none other and the man decree (chinese) Chapter 1441-1442

Chapter 1441

"Ah..."

Kai, who was cultivating, suddenly shouted fiercely, and then suddenly opened his eyes!

At this moment, Kai was already soaking wet, panting heavily.

Most of the beast pills in the palace have been absorbed by Kai, but the increase in Kai's strength is not very obvious.

The spiritual energy Kai needs to cultivate now has reached a perverted level!

Even if there are tens of thousands of beast pills here, the aura that can be gathered together will hardly increase Kai's strength.

"Is it just a dream?"

Kai wiped the sweat from his forehead and stared at the mermaid statue on the throne.

After breathing for a while, Kai's whole body began to emit golden light, and he used his golden body to protect his body. Kai felt that this place was too dangerous.

Then Kai walked to the door of the palace, took a few deep breaths, and then pushed the door slowly and hard!

The door slowly opened, and the scene outside was exactly what Kai thought!

There are armors everywhere, and incomplete weapons, and the beast pills that cover the entire ground indicate how many monsters have died here.

"Isn't that a dream? It's all real?"

"This is Bliss City?"

Kai was very shocked!

Soon, Kai's eyes were attracted by a pair of white armor.

"Xiaoru..."

Kai's eyes lit up when he saw the white armor!

Although after thousands of years of baptism, all other armors and weapons have been damaged, but this white armor is shining like new!

Kai looked at the white armor, his whole body trembled slightly, then slowly squatted down and gently picked up the armor. There was nothing in the armor, not even bones.

It seems that thousands of years have passed, and even human bones no longer exist. If it weren't for these messy weapons and armors, as well as the beast pills in one place, Kai would not have imagined how tragic things happened here.

Just when Kai was holding the white armor in his hand and was a little overwhelmed, suddenly the white armor flashed a white light, and then flew out directly from Kai's hand.

Seeing this scene, Kai was stunned for a moment. This white armor, as if using a soul, actually started to move on its own!

If it is a spirit soldier, if it can have its own artifact spirit and its own consciousness, Kai can still accept it!

But how could such a suit of armor suddenly be able to move on its own?

The armor quickly moved towards the outside of the palace, Kai didn't have time to think, and hurriedly followed.

That armor seems to be looking for something!

After leaving the palace, the entire Bliss City still retains its original appearance, exactly the same as what Kai saw in his dream!

It's just that in this ancient city of bliss, there is no more human breath, and there is lifelessness everywhere.

Although full of spiritual energy, it still gives people a gloomy feeling!

The white armor shuttled through the street, Kai quickened his pace and followed closely.

"Where are you going?"

Kai whispered.

But soon, on this deserted and gloomy street, there was a person standing in the middle, motionless!

When Kai saw someone, he was stunned for a moment, but soon, the whole person was very shocked!

I saw that the white armor flew directly to the man, and wore it directly.

Kai hurried over, and the person who caught his eye was actually Xiao Ru!

At this time, Xiaoru was still covered in frost, but she still maintained her original appearance!

"Xiaoru, Xiaoru..."

When Kai saw that it turned out to be Xiao Ru, he immediately shouted excitedly.

It's no wonder that Xiaoru can't be found on Suolong Island. I don't know when, but she arrived at this place.

Chapter 1442

And this white armor actually flew over by itself and put it on Xiaoru's body.

Kai thought of the girl in white armor that he saw in his dream, who looked exactly like Xiao Ru!

Could it be that Xiaoru is the reincarnation of the girl in white armor?

Kai couldn't believe it, the girl in white armor was still alive, and she was Xiaoru.

In that dream, Kai watched the girl in white armor fall.

No matter what Xiao Ru is, now Kai has to find a way to save Xiao Ru!

Fortunately, Xiaoru was frozen in an instant, so her body was fine, as long as she could force the frozen air out of Xiaoru's body.

When Kai's hands just touched Xiaoru, a biting chill instantly made Kai release his hands.

That kind of cold air can instantly pierce the skin and reach the internal organs, making people simply unbearable.

Kai took a deep breath, activated the spiritual power in his body, and a blue flame jumped on the palm of his hand!

Then he slowly approached Xiaoru's body, and then his hands gently touched Xiaoru!

The biting cold was coming again, but Kai tried his best to block it with spiritual power, and continued to send spiritual power to Xiaoru's body.

Kai leaned on the spiritual fire in his palm, so that the cold air did not freeze his hands.

But after just a few minutes, Kai's whole body began to tremble. The huge consumption of spiritual power made him a little unable to support. The spiritual fire in his hands began to weaken, and his hands were covered with white frost, and there was a prelude to freezing.
!

Seeing this, Kai had no choice but to let go. Looking at Xiaoru in front of him, Kai was helpless, which made him feel very guilty.

"Xiaoru, don't worry, this time I will save you no matter what..."

Kai gritted his teeth and looked around.

Kai intends to practice here temporarily to improve the spiritual power in his body until he rescues Xiaoru!

Besides, Kai was still kicking Duda's Nascent Soul in his pocket. If there was no other way, Kai could also refine Nascent Soul.

Kai sat cross-legged, and exerted the Concentration Technique to the extreme. The huge vortex began to frantically absorb the spiritual energy emanating from those beast pills.

Kai's body shone with dazzling golden light...

.....

Locked Dragon Island!

The sea water on the coast has turned blood red, and the bodies of dozens of monsters are floating on the sea. After a day and night of fighting, many people have obtained the beast pill!

However, some people died for this, and there were more than a dozen corpses placed not far away, but no one paid attention to these dead people.

Trials are inherently dangerous, so it is normal to die in the trial grounds.

But no one found out that many of these dead people were withered bodies and old faces, as if they had been sucked by something!

Not far away, Long Xiao's body was shrouded in black robes, sitting cross-legged on the ground with a faint smile on his lips.

This time trial, let him taste the sweetness.

"If you have a few more opportunities like this, I can help you reach the peak of Marquis in a short period of time, and even break through to Marquis of Great Marquis without any effort..."

The old voice said in Long Xiao's mind.

"Senior, when will I be able to reach the realm of Martial Saint?"

Long Xiao asked excitedly.

"Martial Sage?" The old voice paused: "I am afraid that the current Martial Sage is already a legend..."

After hearing this, Long Xiao was silent!

Indeed, the current Martial Saint Realm is now the existence of legends. Although Martial Dao is endless, what he can see and hear is only the Martial Saint Realm!

Long Xiao doesn't know what is above the Martial Saint, but what he can know is that the soul in his body must know many secrets of the martial arts world!

"Senior, if I reach the realm of the Martial Saint, will I be an invincible existence? Will I be able to reshape your body and resurrect you again without needing to be attached to my body?"

Long Xiao wanted to know. When can the soul leave my body!

When his strength is strong enough, he doesn't want to be controlled by others.

"Hahaha, what you know is just sitting in the well and watching the sky. Wu Sheng is a legend in this era, but a thousand years ago, it was not worth mentioning, because above Wu Sheng, there is a higher realm..."

"I've told you too much now, and it's useless. You just need to digest the power you've sucked and reach the peak of Marquis as soon as possible."

"The previous era may never return... "... The

old voice became more and more faint, and the tone became more and more sad.

He seemed to recall something he didn't want to recall.

At this moment, Zhu Zhishan, who has been standing by the coast, frowned tightly together!

His eyes never left the water for a moment, and he always hoped to see Kai's body!

But after so long, if Kai really died, the body would definitely float up.

"Leader Zhu, are you still worried that Kai is alive?"

At this moment, Long Xiao walked over and asked Zhu Zhishan.

Zhu Zhishan nodded: "I can't see Kai's body, I always feel uneasy!"

"Don't worry, then Kai will definitely not survive, maybe his body was swallowed by monsters, I think we shouldn't waste time here..."

Long Xiao said to Zhu Zhishan.

Zhu Zhishan turned his head to look at Long Xiao: "You just sucked the strength of so many people, and you can't stand it anymore so soon?"

Long Xiao was stunned for a moment, but then smiled and said, "They are all members of some small sects and noble families, and no one will be held accountable if they die. I am one of the noble sects in the Martial Arts Alliance, but I haven't moved..."

Long Xiao I really didn't dare to do anything to the people of the big sect family, otherwise it would be difficult to explain, although the trial will not avoid death, but the people who really want to die are those powerful sect families, they don't care about the rules!

"You'd better restrain yourself, not everyone is a fool, I'm afraid someone is already eyeing you..."

Zhu Zhishan warned Long Xiao.

"Don't worry, Alliance Leader, I know what to do!"

Long Xiao smiled lightly.

Zhu Zhishan didn't say anything, but after glancing at the sea again, he turned and left.

Long Xiao called everyone together and prepared to start heading towards the hinterland of Suolong Island, because the real trial ground was in the hinterland of Suolong Island!

On the way, many people who slaughtered monsters and obtained beast pills were talking excitedly.

Those who have not obtained the beast pill are also looking forward to what treasures are there in this trial ground!

Only Dong Jiahao himself, his eyes were slightly condensed, followed by a murderous man, he didn't want to get any treasure, he stared at Long Xiao's back!

Although his strength is not as good as that of Long Xiao, he must endure the humiliation and bear the burden, look for opportunities in the trial, kill Long Xiao and avenge Kai.

"You can't kill that Long Xiao. If you kill him, you will be the first to die..."

Just as Dong Jiahao was staring at Long Xiao's back, Ge Jiayi suddenly walked up to Dong Jiahao and said .

Dong Jiahao was stunned for a moment, and then said: "When the trial is on, I can take advantage of him when he is not prepared, Brother Kai can't die in vain..."

Ge Jiayi smiled lightly: "Even if he falls asleep, you can't kill him, Not to mention you, even me, I can't kill this Long Xiao now..."

Chapter 1444 Doubt _

Dong Jiahao looked at Ge Jiayi and didn't understand why she said that. You must know that Ge Jiayi's current strength is unfathomable!

Seeing that Dong Jiahao couldn't understand what she was saying, Ge Jiayi stopped talking, took a few steps forward, and distanced herself from Dong Jiahao.

"Miss Ge..."

Dong Jiahao chased after her, no matter what Ge Jiayi meant, but it was always good to remind himself aloud, so Dong Jiahao also wanted to get closer to Ge Jiayi, so that during the trial, he would have a better relationship with her. Take care!

Besides, Ge Jiayi is still a goddess-level figure in Dong Jiahao's heart. It is always good to be able to follow her goddess in a little bit.

"Are you okay?"

Ge Jiayi turned to look at Dong Jiahao and asked.

"Miss Ge, thank you for your concern just now, but as long as I have the chance, I will still kill that Long Xiao..."

Dong Jiahao said to Ge Jiayi with a grateful face.

"You don't need to thank me, I don't care about you, I just don't want that Long Xiao's strength to grow too fast..."

"If you insist on killing Long Xiao, I don't care, the meat delivered to your door, I think that Long Xiao will definitely eat it!"

After Ge Jiayi finished speaking, she ignored Dong Jiahao!

Dong Jiahao was confused, he really didn't understand, what does it have to do with the growth of Long Xiao's strength if he killed that Long Xiao himself?

In fact, Ge Jiayi has long discovered that Long Xiao sucks the strength of others.

It's just that she didn't tell the others, because the people who Long Xiao started were only people from small sects and noble families. For them, they were all people at the bottom.

Long Xiao didn't kill Dong Jiahao, he was just jealous of the Dong family. After all, the Dong family was considered a wealthy family in the martial arts world of Kyoto!

But if Dong Jiahao really wanted to kill Long Xiao, Ge Jiayi knew that Long Xiao would never show mercy.

When Long Xiao takes advantage of Dong Jiahao's strength, his own strength will definitely grow rapidly.

These are things Dong Jiahao doesn't know.

However, Dong Jiahao's heart to kill Long Xiao has not changed, he must avenge Kai.

The group of them walked for more than an hour before they arrived at the foot of a mountain.

The mountain is not high, but it exudes majesty!

And the place where they will try this time is a cave here!

The entrance of the cave is not very big, but the wind blowing from the entrance has a biting chill!

"Long Xiao, what exactly is this place? Have your Long family investigated it? Don't be a broken cave, wasting our time..."

Someone glanced at the cave and then questioned Long Xiao.

"The place where this cave leads is an ancient ruin, and there are treasures everywhere in the ancient ruins, but whether you can get the treasure depends on your luck."

Long Xiao said to the crowd.

"Since you know that there are treasures in it, why didn't your Long family get the treasures in advance? But they proposed this trial to make it cheaper for us?"

Some people began to question.

If there are rare treasures, why didn't the Long family get the treasures themselves?

"To be honest, this cave is intricate and dangerous, and it will be difficult to find the ruins in the end!"

"If anyone doesn't believe it, they can choose to quit, and I will never stop it."

"If you believe in my Long Family, you can follow I'll go in together..."

After Long Xiao finished speaking, he walked in first.

Then Zhu Zhishan brought Xu Song and the others in, followed by Ge Jiayi and Dong Jiahao.

Seeing this, everyone began to slowly follow.

A man like none other and the man decree (chinese) Chapter 1445-1446

Chapter 1445 Resurrection _

In the City of Bliss, Kai is constantly sending spiritual power into Xiaoru's body!

The spirit fire in the palm is constantly jumping.

"Xiaoru, wake up, wake up..."

Kai cried anxiously.

This was the fourth time that she had sent spiritual power to Xiaoru's body to make the ice on Xiaoru's body fuse.

Every time Kai will use up the spiritual power in his dantian before he is willing to give up!

It's been four times, but Xiaoru still hasn't moved in the slightest, and the spiritual power delivered by Kai seems to sink into the sea.

This time, the spiritual power in Kai's body was exhausted again, but Xiaoru still did not change.

Kai let out a long sigh, the beast pills on the ground had been consumed by Kai by nearly half, but Xiao Ru could not be rescued!

Helpless, Kai prepared to practice again, and after the spiritual power in his dantian recovered, he continued to save Xiaoru.

But just as Kai was about to sit cross-legged, a white light suddenly flashed across his chest.

Then Long Jing in Kai's body seemed to react and started to jump.

Kai was stunned for a moment, and then there was a sharp pain in his chest, and then Long Jing actually broke out from Kai's body!

The dazzling dragon crystal, like the sun, emits a scorching light!

Under this light, Kai didn't dare to open his eyes, and his body was also stung by this hot light!

Slowly, Long Jing actually flew above Xiao Ru's head, and then the light wrapped Xiao Ru.

"This is???"

Kai was startled and stared at Xiao Ru.

I saw that the frost on Xiaoru's body began to slowly fade under this hot light, and Xiaoru's skin also slowly turned from pale to rosy!

Kai was overjoyed in his heart. He didn't expect that he had spent so much time trying to save Xiao Ru.

And as soon as this dragon crystal appeared, the frost on Xiao Ru's body disappeared immediately.

Could it be that this ice dragon's ice seal can only be unraveled by Yanlong?

At this moment, Kai seems to have understood that this dragon crystal is a combination of ice dragon and flame dragon dragon crystal.

This scorching light should be emitted by the Yanlong Dragon Crystal.

Just when Kai was thinking, the frost on Xiao Ru's body completely disappeared, and Xiao Ru's tightly closed eyes moved slightly at this moment, and then slowly opened!

"Xiaoru..."

When Kai saw Xiaoru open his eyes, he rushed up excitedly.

"Brother Kai?"

Xiaoru looked blank when she saw Kai.

Xiaoru didn't remember what happened after being frozen. She only remembered that they were on Dragon Lock Island and took the ice dragon crystal.

"It's great, great, you finally woke up..."

Kai looked at Xiao Ru, tears welling up in his eyes.

Seeing Kai crying, Xiaoru was a little overwhelmed: "Brother Kai, what's wrong with you? Where are we?"

Xiaoru looked around blankly.

"We are on Suolong Island, you are frozen by that ice dragon..."

Kai explained excitedly.

Xiaoru remembered what happened, and hurriedly asked: "Brother Kai, have you got the ice dragon dragon crystal? Where is the ice dragon?"

"I got it, I got it..."

Kai nodded desperately, then stretched out his hand. The dragon crystal on top of Xiaoru's head was slowly grasped in her hand.

"Look, this is Longjing, this is not only the Longjing of Ice Dragon, but also the Longjing of Yanlong..."

Kai handed Longjing to Xiaoru.

Seeing the crystal clear Longjing in front of her, Xiaoru also had a smile on her face. Since Kai got Longjing, her efforts were not in vain.

But Xiaoru didn't understand, how could Kai still have Yanlong Longjing, so he asked: "Brother Kai, what happened? Why do you still

have Yanlong Longjing?" Kai swallowed Longjing into his body, and then slowly followed Xiaoru about what happened.

It was only at this time that Xiaoru realized that she had been frozen for several months, and that so many things had happened in these months.

Chapter 1446 Crazy

"Brother Kai, what's the matter with this armor on my body?"

Xiaoru looked at the well-dressed armor with confusion on her face, because she remembered that she had never worn such a thing at all.

Kai hesitated for a while, because he didn't know how to explain it to Xiao Ru, even if he told the truth, he was afraid that Xiao Ru would not believe it.

But just when Kai was hesitating about how to explain it, the white armor began to flash, and then Xiao Ru's face showed a painful expression.

"Brother Kai, I'm so uncomfortable..."

Xiaoru suddenly exclaimed.

"Xiaoru..."

Kai was startled, and immediately knew that this armor was the culprit, and immediately wanted to take off the armor from Xiaoru's body.

Unfortunately, no matter how hard Kai tried, he couldn't take off the armor from Xiaoru's body. These armors seemed to grow on Xiaoru's body.

Soon, the armor began to infiltrate into Xiaoru's body, and in the end it slowly disappeared.

Xiaoru clasped her head tightly with both hands, her expression became very ferocious and painful: "No, no...I'm going to kill you..."

Xiaoru roared loudly, as if suddenly going mad.

Kai stepped forward and tried to control Xiaoru, but she was thrown away by Xiaoru gently.

Kai was shocked. Although his spiritual power is now depleted, it is still easy to control Xiaoru.

He is the strength of Marquis Wu now, and Xiaoru is not the highest realm of Wuzong, how could he have such a great strength?

Looking at Xiao Ru in pain, Kai seemed a little helpless.

But soon, Xiao Ru's screams stopped slowly, and her expression was no longer so painful.

"Xiaoru, are you alright?"

Kai stepped forward and asked with concern.

Xiao Ru was panting softly, her forehead was covered in cold sweat, she shook her head slightly: "Brother Kai, just now, I really wanted to see a lot of blood, a lot of people were fighting with monsters, and I also saw a mermaid... "..."

Kai listened to Xiaoru's story, and even followed what he saw, it seemed that what he saw really happened here.

"This place is too weird, let's get out of here as soon as possible..."

Kai was always a little uneasy and wanted to leave with Xiaoru.

But just as Kai and Xiao Ru were about to leave, he suddenly felt a huge aura coming towards him.

"Someone is here..."

Kai frowned and guessed instantly that these people should be Zhu Zhishan and the others.

Now that the spiritual power in Kai's body has long been depleted, if he really encounters people like Zhu Zhishan, then he will not have the power to fight back.

"Brother Kai, who are you? Why are you so nervous?"

Xiaoru couldn't help but ask when she saw Kai's nervous look.

"Don't ask, I feel like hiding from me..."

Kai took Xiao Ru and quickly entered the palace.

After closing the gate of the palace heavily, Kai began to quickly replenish his spiritual power!

Just after Kai and Xiaoru entered the palace, outside the gate of Bliss City, Zhu Zhishan and the others had already arrived.

Looking up at the majestic city gate, everyone was stunned, even Long Xiao's eyes widened.

"It's incredible, I didn't expect that there is a city under this Dragon Lock Island."

"Look at the city gate building, I'm afraid it is thousands of years old?"

Everyone was amazed.

And Zhu Zhishan looked up at the word Bliss City on the city gate, frowning slightly, as if thinking about the information of this city in his mind!

It's just that no matter what Zhu Zhishan thinks, he can't think of any information related to Bliss City!

Even in the records of the Martial Arts Alliance, this city was never mentioned.

Zhu Zhishan reminded everyone.

No one dared to speak, and all silently raised their energy to the extreme. The moment they entered the cave, they encountered a lot of trouble.

Among them, more than a dozen people died, and then they came here, and what will be in this city, no one knows, so they can only be careful!

Zhu Zhishan waved his hand and asked Xu Song to step forward and push open the city gate with all his might!

"I didn't expect that the city of bliss that suddenly disappeared would appear at the bottom of the sea..."

At this moment, the old voice sounded in Long Xiao's mind.

"Senior, do you know about this City of Bliss?"

Long Xiao hurriedly asked.

"I heard it, but in my era, the city of bliss has disappeared for no reason."

"I heard that there are all masters in this city of bliss, even if it is a city gate watcher, in today's society, it will be the top Master."

"And the strength of the city lord of Bliss City is even more unfathomable, and he has a strong and beautiful daughter."

I saw Beast Pills everywhere in Bliss City.

After thousands of years, these beast pills have weakened their spiritual energy and efficacy, but for these people, it is enough!

Long Xiao reacted, looking at the beast pills all over the ground, and his mouth opened in shock!

Zhu Zhishan was also stunned, even though he was the leader of the Martial Dao Alliance, he had led people to participate in a lot of trials, but the resources of those trial places, compared to this place, were nothing but bullshit!

"Get rich, get rich..."

Someone rushed up excitedly and began to pick up the beast pills desperately.

When one person moved, the others swarmed up, desperately moving towards the beast pills in their pockets, and some even took off their clothes and wrapped the beast pills.

Looking at the crazy crowd, Long Xiao couldn't help it. He wanted to rush forward to pick up the beast pill, but was stopped by Zhu Zhishan.

"Young Master Long, there are countless beast pills here. Are you afraid that there will be no you? Besides, the lives of these people are in our hands. Even if they pick up more, they will still work for us..."

"Zhishan looked at the palace not far away: "The real treasure may be right in front..."

Only then did Long Xiao discover the magnificent palace in front of him, and his heart was full of excitement.

"Then let's go..."

Long Xiao couldn't bear it anymore, he could conclude that there must be more treasures in the palace.

Zhu Zhishan nodded and then started walking towards the palace.

This time, Zhu Zhishan didn't take the lead, but let Xu Song lead the other three to lead the way, and he and Long Xiao followed behind.

The others were madly picking up the beast pills, but two of them did not pick up the beast pills, but followed behind Zhu Zhishan and the others.

These two people are Ge Jiayi and Dong Jiahao!

Ge Jiayi also guessed that there should be better treasures in the palace, so she followed.

And Dong Jiahao was just looking for an opportunity to kill Long Xiao.

Chapter 1448

A group of people passed through the city, looking at the beast pills all over the ground, as well as some broken armors and weapons, everyone felt a chill in their hearts!

And it feels gloomy, although there is no corpse to be seen here, but they can also feel that there must be a brutal killing here!

"I understand, this City of Bliss was probably destroyed by monsters, no wonder there are so many beast pills here..."

The old voice in Long Xiao's mind sounded again.

"Monster beast?" Long Xiao secretly stunned, such an awesome city of Bliss, don't even destroy the monster.

Are all the monsters of that era so powerful?

Long Xiao bent down, picked up a damaged helmet, and then suddenly tried hard.

However, what surprised Long Xiao was that this helmet had been used for thousands of years. Not only was it not rotten, but it was also so hard that Long Xiao, the Marquis of Martial strength, was not able to crush the helmet!

Long Xiao said in shock.

Ge Jiayi, who was following behind, was also shocked when she saw this scene, so she bent down and picked up a broken sword!

This sword has also been through thousands of years, but there is no sign of rust.

Ge Jiayi smashed it hard, but the half of the sword body did not move at all!

Ge Jiayi was shocked in her heart, even the weapons and armors she used were so hard. It can be seen that these people who use them have reached a terrifying realm.

And what is the realm of those who can break these weapons and armors?

Thinking of this, Ge Jiayi's back felt a chill, she didn't know what she would encounter in a while.

These proud Marquis may be here, and they don't even have a chance to escape!

Soon, several people came to the gate of the palace, staring at the closed palace gate, but they didn't dare to push forward for a while!

At this moment, Kai in the palace became anxious. He could feel that Zhu Zhishan and the others had already arrived at the door.

"Xiaoru, if there is a fight in a while, you can find an opportunity to escape, don't stay here..."

Kai urged Xiaoru.

"Brother Kai, are these people outside here to kill you?" Xiaoru asked in confusion.

Kai nodded: "Yes, these people outside are the people of the Kyoto Martial Arts Alliance!"

When Xiaoru heard this, she immediately said with anger: "It's Sister Yuqi who was captured by these people, right?"

Kai again Nodding, he just told Xiaoru about Su Yuqi's arrest.

"I'm not leaving, I want to kill these guys with you and avenge Sister Yuqi..."

Xiaoru's eyes were full of anger, and there was a faint white glow on her body!

At this moment, Kai actually felt a chill, constantly approaching his body, so that Kai had to follow Xiaoru to a certain distance!

It seems that Xiaoru's body of ice crystals has become more pure after being frozen for this period of time.

"Let's hide first and see the situation later..."

Kai pulled Xiao Ru and hid behind the throne. At this moment, the gate of the palace was also pushed open.

Pushing open the gate of the palace, there are also beast pills in front of people, but these beast pills obviously feel like they have just been taken out from the body of monsters. They are very fresh and don't have that dusty atmosphere!

But no one cared about the beast pill, but looked around, wanting to see if there were other treasures!

The first time Long Xiao entered the door, he was attracted by the throne in the palace, and his body involuntarily walked towards the throne.

"Hahaha, this is a treasure, this is a rare treasure..."

Long Xiao laughed loudly, but when he heard the voice, he found that Long Xiao's voice was very strange, with a bit of old age.

"Long Xiao, don't move..."

Zhu Zhishan hurriedly shouted when he saw that Long Xiao was actually heading towards the throne.

Chapter 1449

As if Long Xiao didn't hear it, he still rushed towards the throne.

There is excitement in the eyes!

Boom...

But just as Long Xiao reached the front of the throne and was about to reach out to grab it, he was directly repelled by a flash of white light!

Long Xiao's body fell heavily to the ground, and his face turned pale for a while!

It seems that the force of the shock just now made him injured!

"Good opportunity..."

Dong Jiahao, who had been following Long Xiao all the time, his eyes lit up at the moment, knowing that the opportunity was coming.

I saw Dong Jiahao raised his palm, and a tyrannical aura rushed towards Long Xiao.

This palm contained all of Dong Jiahao's energy, but it still went towards Long Xiao's face, obviously killing him with one blow!

Long Xiao was startled, and hurriedly wanted to get up to fight, but unfortunately they were too close, Dong Jiahao was already in front of him.

Just when Long Xiao was about to be hit by Dong Jiahao's palm, Xu Song shot, and he jumped up and slapped at Dong Jiahao!

boom!

A huge sound echoed throughout the palace.

Dong Jiahao's body flew out involuntarily, and then fell on the wall, vomiting blood, and his whole arm was shaking.

At this moment, Long Xiao had also stood up, and when he saw Dong Jiahao attacking him, he was furious!

"Long Xiao, do you want to kill us all? You can't move the things here casually. If the mechanism is touched, we will all die here!"

Zhu Zhishan reprimanded Long Xiao very dissatisfiedly. .

However, Long Xiao ignored Zhu Zhishan and looked at Dong Jiahao coldly.

"Dong Jiahao, your grandson dared to sneak attack from behind, I'll kill you today..."

Long Xiao's aura skyrocketed, black light suddenly appeared all over his body, and his body was burning with anger!

Dong Jiahao knew that he only had a chance to kill with one blow. Since the chance was gone, he would definitely die here.

"Long Xiao, you are a scum in the martial arts world in Kyoto, thanks to the fact that your Long family is still a sect family, you have become an evil cultivator..."

"There is also the martial arts alliance, which is also a raccoon dog, and you also deserve the name of a martial artist, bah... .."

Dong Jiahao knew that he was dead, so he scolded him.

"You're courting death..."

Long Xiao's eyes narrowed slightly, then with a wave of his palm, a majestic breath moved towards Dong Jiahao.

Dong Jiahao didn't have time to react, and the whole person was pumped out again.

Dong Jiahao was in the end, his face was hideous, and he looked very painful. He wanted to get up, but found that he couldn't stand at all.

Although he couldn't get up, Dong Jiahao still cursed.

"Long Xiao, kill me if you can, you

scumbags in the martial arts world will be punished sooner or later..." Dong Jiahao gritted his teeth and cursed loudly at Long Xiao. At this moment, Long Xiao

actually smiled slightly and walked slowly in front of Dong Jiahao: "You are tough, I won't let you die happily, I will torture you to death slowly..."

A cloud of black mist appeared from above, and then the cloud of black mist entered Dong Jiahao's body instantly.

For a moment, Dong Jiahao was extremely itchy, and he felt thousands of ants crawling in the cracks of his bones!

"Ah..."

Dong Jiahao rolled with a painful expression!

Long Xiao admired it with a sneer, while Zhu Zhishan didn't even look at Dong Jiahao. Dong Jiahao's life and death had nothing to do with him. What he cared about was the treasures in this palace!

Especially the throne, the throne activated the formation in an instant and sent Long Xiao flying out. The power of the formation was so huge that Zhu Zhishan had never felt it before!

Zhu Zhishan stared at the throne, looking at it carefully. He hoped to find a place to break the formation, as well as the mermaid sculpture on the throne. When Zhu Zhishan's eyes followed the eyes of the mermaid sculpture, he always looked at each other. Feel the chill from the bottom of my heart!

Chapter 1450

"Long Xiao, I fought with you to avenge Brother Kai..."

Suddenly, Dong Jiahao, who was constantly rolling on the ground, suddenly burst into flames and rushed towards Long Xiao.

And Dong Jiahao's body actually began to swell, and the breath on his body continued to rise.

"Damn, this kid is going to explode..."

Long Xiao was shocked, and his body quickly retreated!

In this airtight palace, although Dong Jiahao is only Wuzong, he has great power to explode himself.

Zhu Zhishan suddenly turned his head and saw that Dong Jiahao was crazy, he was going to explode himself, and his face became extremely ugly!

"Quick, control him..."

Zhu Zhishan knew that in such a place, if Dong Jiahao really blew himself up, even if they didn't die, they would be seriously injured.

Xu Song led the people to jump up, and Zhu Zhishan also followed.

Several white rays of light appeared, which instantly turned into chains, directly binding Dong Jiahao.

At the same time, Zhu Zhishan pointed at Dong Jiahao's Huizhong Point, and Dong Jiahao's bulging body instantly shrank back like a deflated ball!

Seeing that the danger was lifted, Long Xiao looked angry: "You still want to f*ck yourself up and take us all away, now I'll take you on the road..."

After Long Xiao finished speaking, he slapped Dong Jiahao on the head.

Just at the crunch time, Ge Jiayi, who had never spoken for a long time, suddenly shot!

A palm slapped on Long Xiao's palm, and the two of them took a few steps back at the same time!

"Ge Jiayi, what are you trying to do? Why did you stop me?"

Long Xiao looked at Ge Jiayi with dissatisfaction and asked angrily.

"Long Xiao, how can you say that Dong Jiahao is also a son of a great family in the martial arts world in Kyoto, so it's not appropriate for you to kill him like this?"

Ge Jiayi said slowly.

"What's inappropriate, trials are inherently dangerous, can't the trials only kill the children of the lower-level sect families?"

Long Xiao snorted coldly.

"Ms. Ge, this trial was originally organized by the Long family. If you want to get something, don't worry about it..."

At this time, Zhu Zhishan said.

Ge Jiayi frowned slightly: "I wish the alliance leader, as the leader of the Martial Arts Alliance, you can't see what kind of exercises Long Xiao uses, right? How many people died at the hands of Long Xiao when they were on the shore? You won't be able to see it after being absorbed by him, will you?"

"Don't you just let it go and make the entire Kyoto martial arts world a cultist?"

Zhu Zhishan was questioned by Ge Jiayi, and his face instantly changed. Incredibly ugly!

At this time, there were already quite a few people who, after filling up the beast pills, also walked into the palace, wanting to see what treasures were in the palace!

It happened that Ge Jiayi was confronting Zhu Zhishan, and everyone else seemed a little surprised!

Especially when Ge Jiayi said that Long Xiao absorbed the strength of others, it was even more shocking!

Because Long Xiao was very secretive, no one noticed, plus they were all killing monsters and fighting for beast pills, even more no one would notice Long Xiao.

Now Ge Jiayi actually said that many people were killed by Long Xiao just to absorb their strength, which made these people who participated in the trial start to panic.

"Ge Jiayi, what nonsense are you talking about, when did I absorb the strength of others? You don't want to spit your blood, this trial was organized by our Long family, look at how many treasures there are in this ancient ruins?"

"There are countless people outside . Do you know how valuable it is? This is all dedicated to my Long family, how dare you slander me like this..."

Long Xiao's remarks made many people choose to believe him.

After all, this trial site is also the territory of the Long family. There are so many beast pills in this ancient ruin. If the Long family can get it by themselves, this is a huge fortune, and it can also cultivate a lot of masters for the Long family!

Chapter 1451 Kai appeared

Now that the Long family is selflessly dedicated, everyone can benefit, and everyone can't do things like scolding mother after eating milk.

Ge Jiayi turned her head and glanced at the crowd, and then said, "Then Long Xiao practices evil arts, and you have all seen him do it. Can you believe what he says? Now you don't want to be treated as lambs to be slaughtered, so you must unite... .."

Ge Jiayi wanted to persuade these people to unite against Long Xiao and the others, but everyone was at a loss, and no one believed what Ge Jiayi said.

"Miss Ge, don't blame us for being rude if you are fooling the public."

Zhu Zhishan stared at Ge Jiayi with a cold face: "Be your eldest young lady, your talent is so good, in the future The future is limitless, and when the trial is over, it will naturally benefit you!"

"If you are obsessed with it, even if you die in the trial ground, even if the children of the great sect family die in the trial site, I believe that no one will doubt anything!"

Zhu Zhishan Threatening to Ge Jiayi in public, because Zhu Zhishan knows that no one in these trials will be such a standout, and no one will follow the Martial Dao Alliance and the Long Family!

Because the beast pills everywhere are capital, and each of these people has hundreds of beast pills on them, which is a huge amount of resources, and no one will give up these resources.

Seeing this, Ge Jiayi stopped talking, because she knew that she couldn't do anything now, and these people were crazy.

She believes that if she cares about Zhu Zhishan, whether it is Zhu Zhishan or Long Xiao, she will definitely kill herself!

Dong Jiahao glanced at Ge Jiayi gratefully: "Miss Ge, thank you, my life and death are no longer important."

Dong Jiahao was already very grateful that Ge Jiayi was able to block himself.

"Long Xiao, you took Dong Jiahao out to solve the problem..."

Zhu Zhishan said to Long Xiao,

Long Xiao nodded, and then stepped forward and picked up Dong Jiahao. Zhu Zhishan's meaning was obvious, take Dong Jiahao with him Going out to solve it is to let Long Xiao absorb Dong Jiahao's strength.

At this moment, Kai, who was behind the throne, saw that Dong Jiahao was in danger, and knew that he could not hide!

"Xiaoru, you hide it, don't go out."

After explaining Xiaoru, Kai suddenly jumped up from behind the throne.

"Stop!"

An angry shout shocked everyone. No one thought that there were people in this palace.

When everyone saw that it was Kai who jumped out, they were all shocked.

Especially Zhu Zhishan and Long Xiao, their faces turned green.

"Brother Kai, you are not dead, you are not dead, hahaha..."

After seeing Kai, Dong Jiahao laughed excitedly.

While Kai was in a moment when everyone was stunned, he instantly arrived in front of Long Xiao, and smashed it out with a punch of the Holy Light.

Long Xiao couldn't dodge in time, and was directly smashed by Kai and flew out, while Kai was pulling a few light chains on Dong Jiahao's body, and his hands were slightly forced, and the light chains instantly turned into little rays of light and disappeared.

"Brother Dong, are you okay?"

Kai asked Dong Jiahao.

"It's okay, I can't die..."

Dong Jiahao smiled slightly.

Kai injected some spiritual energy into Dong Jiahao's body, which made Dong Jiahao's complexion look much better.

"Kai, you're still alive like this, you're really lucky..."

Long Xiao rubbed his chest and looked at Kai coldly.

"You're not dead yet, how can I die?"

Kai said with a cold smile.

"Kai, since your life is big, then this time, I want to see how big your life is. This time I want to see your body chopped into flesh..."

Zhu Zhishan narrowed his eyes , The murderous aura of the body instantly permeated!

Xu Song and the others tacitly blocked the exit of the palace to prevent Kai from escaping!

Chapter 1452 Last Words _

Long Xiao's body emitted bursts of black light, and then he slapped Kai with a palm.

This time, Long Xiao's energy was almost at its limit, and the terrifying energy shook the entire palace with a humming sound.

Kai snorted coldly: "It's just you, not my opponent at all. Let's go together."

Although Kai despised Long Xiao, his eyes were full of solemnity, the golden light on his body skyrocketed, and the scales were all over the place. Light covered his entire body.

Just after Kai's indestructible golden body was activated, the eyes of the mermaid sculpture on the throne flashed a bright light!

It can be seen that the mermaid sculpture was very excited after seeing the scales on Kai's body.

It's just that no one noticed the change in the eyes of the mermaid sculpture, and they all focused on Kai and Long Xiao.

boom!

With a loud noise, Kai and Long Xiao slammed into each other fiercely, and the terrifying air wave centered on the two of them spread out towards the surroundings.

Many people exuded aura to resist the aftermath, and some of the aftermath passed through the formation of the throne and were quickly absorbed by the mermaid sculpture.

Kai's collision this time, followed Long Xiao to a draw!

"Hahaha, Kai, your internal strength is empty now. You must have been injured and have not healed yet. You can't run away today..."

Zhu Zhishan saw that Kai's strength had obviously dropped a lot, so he guessed that Kai was on his body. The injury did not heal, so it was caused like this.

After all, when Kai fell into the sea, he was already seriously injured. In just a few days, it was impossible for Kai to recover so quickly.

Long Xiao also felt the lack of energy in Kai's body, and instantly gained confidence!

"Kai, this time, let's make a real break..."

After Long Xiao finished speaking, he clenched a heavy fist, and black mist shrouded his fist. Then, with the momentum of destroying the dead, it was a series of outputs towards Kai!

Kai frowned slightly, but he was not afraid. The spiritual power in his dantian was all mobilized, the power of the dragon was surrounded by his arm, and then he suddenly punched!

The two people are on top of this palace, and the head-to-head fight begins. Every time they punch, there will be a lot of aftermath spreading around!

The mermaid sculpture greedily absorbs this part of the energy, and slowly the mermaid sculpture begins to have subtle cracks!

Xiaoru, who was hiding behind the throne, carefully observed Kai's battle, but did not find that the mermaid sculpture in front of her had changed.

Bang bang bang...

The two fought dozens of punches in a row, and everyone was covered in blood and suffered heavy damage, but they didn't decide the winner!

Kai's forehead was covered in cold sweat, he was panting heavily, and the spiritual power in his body was almost exhausted!

And that Long Xiao was not much better, the black glow from his body was much weaker.

"Okay, there's no time to play anymore, it

's time to end..." At this moment, Zhu Zhishan stood up, he didn't want to let Long Xiao follow Kai to fight, that would be a waste of time!

"Kai, do you still have your last words for your girlfriend?"

Zhu Zhishan looked at Kai with a smug smile on his face.

When Kai heard this Zhu Zhishan mentioned Su Yuqi again, the killing intent in his eyes kept rising.

And Zhu Zhishan was deliberately stimulating Kai. He knew that Kai's inner demon was his girlfriend, so he said this on purpose.

"I have a last word, my last word is... send you to hell..."

Kai shouted angrily, raised the last spiritual power in his body, and punched Zhu Zhishan out.

Zhu Zhishan also shrank his pupils, followed by a fierce punch to meet him. Now Kai is at the end of his force, so Zhu Zhishan has no fear at all!

boom!

Kai was smashed and flew out, and fell heavily to the ground, with blood constantly flowing out of his mouth!

The corner of Zhu Zhishan's mouth raised slightly: "Go to hell..."

Zhu Zhishan flew up, and there was a light shining on the tip of his toes, and the foot went straight to Chen Pingmen.

"Brother Kai..."

Seeing this, Xiaoru jumped out from behind the throne, blocking Kai's face.

A man like none other and the man decree (chinese) Chapter 1453-1454.

Chapter 1453

"Xiaoru....."

Seeing this, Kai roared, trying to push Xiaoru away.

He knew that Xiaoru was only Wuzong's strength, and couldn't stand Zhu Zhishan's foot at all.

However, it was too late, and Zhu Zhishan's swift kick slammed into Xiao Ru's chest.

Zhu Zhishan was also stunned. He never thought that there would be another woman here suddenly.

Boom...

A burst of light flickered, Xiao Ru's body flew straight upside down, and slammed into the throne!

The formation on the throne shook Xiaoru's body out of here.

When Xiaoru landed, her whole body became bloodless, and her expression looked very painful!

Kai jumped vigorously, came to Xiaoru's side, and hurriedly hugged Xiaoru.

"Xiaoru, are you alright, are you alright..."

Kai hurriedly felt Xiaoru's pulse and wanted to check Xiaoru's body.

"Brother Kai, I'm fine, it just hurts a little..."

Xiaoru smiled slightly.

This chapter is provided by m.informativestore.com. Visit m.informativestore.com for daily update.

Kai checked and found that Xiaoru was not in danger of life, but only suffered some minor injuries!

This made Kai very strange, Zhu Zhishan was a Marquis of Wu, let alone a Martial Sect, even a Marquis of the same rank would be seriously injured, but Xiao Ru didn't have much problem.

Just when Kai was puzzled, he suddenly remembered the white armor, which had been integrated into Xiaoru's body, it seemed that the armor saved Xiaoru's life!

This time, Kai sighed very much, even after thousands of years, he did not expect that the armor is still so indestructible!

Ka, Ka...

A subtle cracking sound sounded, and the cracks on the mermaid sculpture got bigger and bigger.

And the formation on the throne is also starting to weaken, but no one is paying attention!

"Kai, I didn't expect that a person would suddenly appear to save you and you in times of crisis, but she can only save you this time. Let me see who can save you this time..."

Zhu Zhishan sneered. He walked in front of Kai.

Kai's face was solemn. At this moment, his spiritual power had already been depleted. Facing the people like Zhu Zhishan, Kai had no chance of winning.

"It looks like I'm really going to die here today?"

Kai looked around, a little unwilling in his heart!

"Leader Zhu, you should leave him to me to kill..."

Long Xiao stepped forward and said to Zhu Zhishan.

Zhu Zhishan glanced at Long Xiao, he understood what Long Xiao meant, he was interested in Kai's strength, and wanted to absorb Kai's strength and use it for himself!

Zhu Zhishan didn't mention it, but nodded and took two steps back, which was considered the beauty of an adult.

Long Xiao walked in front of Kai with a cold face, and the corner of his mouth raised slightly: "Kai, soon your ability will become mine, and I will let you watch yourself slowly become one. A mummified corpse..."

After speaking, Long Xiao patted Kai's head with his hand, and he wanted to absorb Kai's strength.

Seeing this, Kai's eyes flashed fiercely for a moment, and when he finally gritted his teeth, he directly took out Du Da's Nascent Soul, and then swallowed it.

Boom... In an

instant, the spiritual power in Kai's body exploded, and the dantian that was dry up was now full of spiritual power!

Kai's aura also began to become rampant.

Long Xiao's expression changed slightly, the hand he stretched out was retracted unconsciously, and he took three steps back.

Although Kai's spiritual power has recovered, his face is extremely distressed!

If this Nascent Soul can be cultivated and absorbed slowly, it may be able to improve Kai's realm one step further.

But now, Kai swallowed Nascent Soul. Although his spiritual power was restored, the effect of Nascent Soul would be greatly reduced, which was a waste.

Chapter 1454 Fairy

But things have come to an end, and Kai has no other way, and this is the only way.

Seeing the sudden recovery of Kai's breath, Zhu Zhishan's face also became extremely ugly!

Kai helped Xiaoru to get up slowly, and then stared at Long Xiao with his eyes slightly condensed: "Long Xiao, don't you want to suck my strength? You can do it now, I'll show you later, the two of us. Who will become a mummified corpse first..."

Kai was full of murderous intent, Long Xiao forced him to waste a Nascent Soul, Kai was already full of anger at this moment!

Long Xiao's face is getting more and more ugly, Kai's breath has reached its peak now, Long Xiao knows that he is not necessarily Kai's opponent. "Kai, you don't have to be complacent, don't forget that I'm not the only one here, there are so

many of us, even if you return to your peak state, we can still easily kill you..."

I glanced at Zhu Zhishan!

Although he didn't speak, Long Xiao's eyes showed the meaning of asking for help!

Zhu Zhishan nodded slightly, he understood what Long Xiao meant, so he winked at Xu Song and the others who were guarding the gate of the palace.

Kai has already noticed the glances of several people, it seems that they are planning to repeat the same trick, but Kai is not afraid!

Kai took a step forward, a terrifying aura swept through the entire palace!

Long Xiao didn't dare to neglect, and he also pushed his aura to the extreme!

Xu Song took the other three and surrounded Kai.

For a time, five terrifying breaths continued to put pressure on Kai!

Kai has no fear, his body is full of golden light, and his breath is rushing out!

"Do it..."

Long Xiao shouted at Xu Song!

Xu Song and the others immediately turned their breath towards Long Xiao, while Long Xiao waved his hands slightly in front of him, and black mists filled the air.

Immediately afterwards, the breath of Xu Song and others merged with the black mist, and finally transformed into a human shape!

This human figure moved towards Kai and transformed into the appearance of Su Yuqi!

Kai had been prepared for a long time, and before his eyes were shrouded in several spiritual senses, all he could see at the moment was a gray figure.

In this way, he will not be disturbed by inner demons, nor will he lose his mind!

"Sister Yuqi..."

But at this moment, Xiaoru, who was behind Kai, shouted excitedly after seeing the transformed Su Yuqi, and was about to go forward and hug Su Yuqi.

Seeing this, Kai hurriedly stretched out his hand to stop Xiaoru: "Xiaoru, that's not your sister Yuqi, wake up..."

Kai shouted at Xiaoru, exuding spiritual power, wanting to put Xiaoru pulled out of her fantasy.

However, Xiaoru's eyes were dull and her expression was dull, and she didn't listen to Kai's dissuasion at all, and went straight towards the phantom Su Yuqi.

Just when Kai wanted to hold Xiaoru back, he realized that it was too late, and the transformed human figure had already arrived before him!

Xiaoru hugged the transformed Su Yuqi and burst into tears!

But just after Xiaoru hugged Su Yuqi, who had transformed out of her arms, she saw Su Yuqi struggling desperately, with a painful expression on her face!

I saw that Xiaoru's body exuded a faint white light. This light was soft and holy. It shone on people's bodies and instantly made people feel very comfortable!

Immediately afterwards, a pair of white armor appeared on Xiaoru's body, and this soft and holy white light was emitted by this armor.

"Ah..."

Su Yuqi, who had come in illusion, screamed in agony, and disappeared without a trace in an instant.

All the black mist in the palace disappeared at the same time. At this moment, Xiaoru was like a fairy, which made people feel fearful.

At this moment, Xiao Ru was also awake, looking at the armor on her body, she seemed a little lost, she didn't know what was going on.

Others looked at the armor that suddenly appeared on Xiaoru's body, felt the holy light, and showed awe in their eyes.

Even Kai felt very surprised at this time. This seemingly ordinary armor has such power!

Long Xiao was shocked, and hurriedly started to activate the magic on his body, wanting to re-attack!

But no matter what Long Xiao did, there was no more black mist coming out, and even the black light on his body had disappeared.

At this time, the aura on Long Xiao's body instantly shriveled a lot.

"Senior, senior..."

Long Xiao shouted in his heart, wanting to ask what was wrong.

It's a pity that no matter how Long Xiao shouted, he couldn't hear the response from the soul in his body.

Long Xiao's face became even uglier than eating shit, and his body trembled involuntarily.

As for the mermaid sculpture on the throne, the moment he saw the white armor appear, surprise and fear appeared in his eyes.

"Brother Kai, this... what's going on?"

Xiaoru asked Kai blankly.

Just now, Xiaoru seemed to have lost her mind and didn't care about anything.

"It's alright, you stay by the side, don't be afraid..."

Xiaoru nodded, and the armor on her body began to gradually fade, and finally disappeared. ,

Zhu Zhishan, who was on the side, looked at the armor that disappeared from Xiaoru's body, his eyes were full of fire, he now knew why his kick just now didn't cause damage to Xiaoru.

This armor must be a good magic weapon, and now Zhu Zhishan can't wait to rush up and take the armor.

Just when everyone was still immersed in the holy light, Kai comforted Xiaoru and began to attack Long Xiao.

Long Xiao's face changed greatly, and his body quickly retreated.

However, Kai's speed was too fast, and he saw a golden light streak across, followed by a punch that slammed into Long Xiao's body.

Bang!

Long Xiao was hit hard in the chest, and then his body flew upside down.

It also smashed on the throne, and was then knocked out by the formation on the throne.

This violent impact has weakened the formation on the throne a lot again!

Long Xiao's face was pale, and he climbed up from the ground with difficulty. His eyes were full of anger, but there was nothing he could do. If there was no soul, Long Xiao would now be even less powerful than Kai.

Seeing Long Xiao's embarrassed appearance, Kai walked over slowly.

"Do you still have any skills? Don't you want me to become a mummified corpse?"

Kai had a sneer on his face.

Long Xiao looked at Kai and felt the breath on Kai's body, his whole body started to twitch, his eyes were full of fear!

Long Xiao instinctively looked at Zhu Zhishan, and now only Zhu Zhishan can save him.

"Today, no one can save you..."

After Kai finished speaking, he slapped Long Xiao with his palm.

"Stop..."

It was impossible for Zhu Zhishan to see Long Xiao killed by Kai, so he jumped up and kicked Kai, making Kai have to dodge!

"Lord Zhu, save me, save me..."

Long Xiao hid behind Zhu Zhishan, desperately begging for help!

Kai looked at Zhu Zhishan coldly: "Zhu Zhishan, you can't save him..."

"Really? Maybe I can't, but don't forget, I'm not alone..."

Zhu Zhi After Shan finished speaking, Xu Song had already surrounded him with people.

Xu Song and Zhu Zhishan were enough to deal with Kai.

Kai's eyes narrowed slightly: "Just the five of you can't kill me at all, it's a big deal that we die together..."

Zhu Zhishan said with a gloomy face, "Who said there were only five of us..."

Long Xiao's words instantly moved many people's hearts.

Although they follow Kai without any grievances, but in the face of huge interests, who can resist the temptation!

"This Kai is indeed damned, arrogant, disrupting the order of the Kyoto martial arts world, we should kill him together..."

Xin Pengfei jumped out first, and then accused Kai!

For a time, Kai became the target of public criticism!

Seeing everyone stand up, Long Xiao laughed arrogantly.

"Hahaha, Kai, did you see it, your death is what everyone expected..."

Long Xiao laughed, and the tears were about to flow out of his laughter.

And Kai glanced at these people who jumped out. There was no anger in his eyes, but only sadness and ridicule!

"Do you think that if you kill me, you can get what you want? It's just stupid..."

"You will pay the price for today's actions sooner or later..."

Kai's tone was calm, but he couldn't hear a trace of panic. Lost!

"Hey, Kai, don't talk too much. These people here are all from various sects and families in the Kyoto martial arts world. Can you follow the entire Kyoto martial arts world?"

Zhu Zhishan snorted coldly, he didn't think Kai has the courage to follow the entire Kyoto martial arts world!

"If these people dare to make a move today, if I don't die, when I go out, I will kill everyone..."

Kai's eyes burst into a cold light, and when everyone saw Kai's eyes, they all trembled unconsciously!

"Hahaha, it's ridiculous, just like you, you want to fight against the entire Kyoto martial arts world? It's just a joke..."

Long Xiao laughed again: "Do you think you still have a chance to survive today? "

Kai didn't speak, but the breath on his body began to rise, and the golden light flickered!

Dong Jiahao also came over tremblingly. Although he was seriously injured, Dong Jiahao did not flinch!

For a time, Xiaoru and Dong Jiahao stood behind Kai, and they confronted everyone in the entire Kyoto martial arts world.

Only Ge Jiayi's face kept changing, and she didn't know what she was thinking.

After a while, Ge Jiayi took a few steps back, not wanting to get involved or help anyone.

"Do it..."

Zhu Zhishan gave an order, and dozens of breaths began to press towards Kai.

Dozens of breaths mingled together, causing the entire palace to roar, and it began to tremble, as if it could not bear such a powerful force.

Kai's body was full of golden light, and the undead golden body was exerted to the extreme, and the power of the dragon spread throughout his body.

"Xiao Ru, take this opportunity to take Brother Dong away, it's useless for you to stay..."

Kai said softly to Xiao Ru.

"Brother Kai, I'm not leaving, I want to fight with you to the end..."

Xiaoru shook her head with tears in her eyes.

"Brother Kai, it's worth it to die with you, and I won't leave..."

Dong Jiahao also shook his head.

"The two of you staying here will only distract me. Whoever said I would die, you escaped, I have no worries, and I have the opportunity to escape..."

Kai said to the two in a deep voice .

After listening to Kai's words, Dong Jiahao and Xiaoru both fell into contemplation, maybe what Kai said was true.

They stayed, it was just a burden...

Seeing that the two did not speak, Kai continued: "Brother Dong, after going out, Xiaoru will be handed over to you and sent to Yaoshen Valley."

"Brother Kai, you Don't worry, as long as you can go out, Sister Xiaoru will be handed over to me..."

"Xiaoru, Uncle Long and your sister Ling'er are in Yaoshen Valley. When you see her, don't say anything, let alone mention my current situation, lest they worry..."

Xiaoru bit her lip and nodded vigorously, only then did Kai relax completely.

A pair of scarlet eyes swept to the crowd, and the huge spiritual power was constantly rising, resisting the coercion of these people!

"Remember, all of you who started today, as long as I live, will eventually make you pay the price..."

Kai's eyes were sharp and cold!

Looking at Kai's eyes, everyone was terrified!

"Hey, Kai, you don't have to talk big, so many of us deal with you, if you are still alive, wouldn't our capital martial arts world become a joke?"

Zhu Zhishan snorted coldly.

"Then come on..."

Kai's body was shocked, and he even preempted the attack. The Dragon Slaying Sword appeared in his hand instantly, and a terrifying sword energy moved towards Zhu Zhishan.

Kai still understands the principle of capturing the thief first and capturing the king.

And Kai started first, also to create opportunities for Xiaoru and Dong Jiahao to escape!

In the face of Kai's terrifying sword energy, Zhu Zhishan did not dare to be careless, and hurriedly stimulated his energy, a black light enveloped his body.

At this moment, the black ball on Zhu Zhishan began to emit a dazzling light!

Boom...

The sword energy slashed at Zhu Zhishan, instantly knocking Zhu Zhishan back a few steps, and the black light on his body also dimmed.

"Brother Dong, take Xiaoru away..."

Kai said to Dong Jiahao.

"Stop them..."

Seeing this, Zhu Zhishan hurriedly shouted.

He couldn't let Dong Jiahao and Xiaoru escape, and what happened here couldn't be known to outsiders.

Hearing Zhu Zhishan's order, two disciples of the aristocratic family jumped up and grabbed Dong Jiahao and Xiaoru.

"court death....."

Kai's eyes narrowed, and then the Dragon Slaying Sword in his hand flashed, and a sharp sword light came out of his hand!

Huh...

I saw a flash of light, followed by a thick bloody smell.

The two children of the noble family were cut in half by Kai's sword. The blood was mixed with the internal organs and scattered all over the place. The scene was very bloody and terrifying!

And the two of them also took the opportunity to run out of the palace. Xiaoru looked back at Kai with tears on her face, and was finally pulled by Dong Jiahao and disappeared without a trace...

Seeing Dong Jiahao and Xiaoru leave, Kai was relieved. He breathed a sigh of relief, and there was a swearing light in his eyes!

"Come on..."

Kai has no worries at all!

"Kill him..."

Zhu Zhishan's face was gloomy, he punched Kai, the fist wind roared, and there were bursts of air explosions in the air.

At the moment when Zhu Zhishan made his move, Long Xiao also made his move, and Xu Song and the people from the Martial Arts Alliance also attacked Kai at the same time!

Several breaths were mixed together, and the Dragon Slaying Sword in Kai's hand was vigorously swung, and the terrifying sword energy shot out!

Boom.....

The sword qi collided with these several breaths, and there was a huge sound.

The terrifying aftermath caused the others to be blown away, but Kai took a few steps back and slammed heavily on the wall.

At this moment, the aftermath was quickly absorbed by the mermaid sculpture, and the cracks on the mermaid sculpture became larger and larger, and some even began to fall off.

Kai's face was extremely ugly, a mouthful of blood poured into his mouth, and Kai pressed him down abruptly. He didn't want Zhu Zhishan to see his embarrassed appearance.

Seeing several people join forces, Kai actually resisted, and it seemed that he was not hurt, which made Zhu Zhishan's face a little embarrassed.

"No wonder you must die. If you live, you are a threat to everyone..."

Zhu Zhishan said with a gloomy face.

"I threaten only those wicked people. If you don't have any ghosts in your heart, how can you think I'm a threat..."

Kai sneered.

"It doesn't matter whether there is a ghost in my heart, the important thing is that you must die today..."

Zhu Zhishan suddenly took out the black ball in his arms: "Go, kill him..."

Zhu Zhishan threw a black ball, the black rays of light appeared in an instant, and Xu Song and others directly injected their breath into the black rays of light!

When Long Xiao saw this, he also waved his hands. The black mist that had disappeared was now filled, and the entire palace instantly became eerie and terrifying.

The black mist combined with the illumination of the black light made the palace look like an underworld!

I saw that in this black fog, one after another humanoid, with different shapes, attacked Kai!

Kai frowned slightly, and the Dragon Slaying Sword in his hand was raised high.

The power of several divine dragons poured into the body of the Dragon Slaying Sword, and Kai chanted the Heart Purification Mantra silently in his mouth!

With Kai prepared, it is impossible for this evil cultivation technique to disturb the mind!

As the Qingxin Mantra in Kai's mouth became faster and faster, the Dragon Slaying Sword in Kai's hand became brighter and brighter.

Soon, the golden light made a masterpiece on the Dragon Slaying Sword. The palace, which was originally like hell, filled with black light, actually flashed with golden light at this moment.

The black fog subsided, and the black light was instantly engulfed by the golden light. Zhu Zhishan only felt a tightness in his chest, and he spit out a mouthful of blood!

Kai was overjoyed, seized this opportunity, and hurriedly waved the Dragon Slaying Sword in the air.

I saw a lotus flower flashing on the tip of Kai's sword, and the lotus flower appeared, burning a light blue flame!

This is a spell, lotus seal, and the burning flame is a spiritual fire, as long as it is stained on the body, it cannot be extinguished at all.

As the Dragon Slaying Sword in Kai's hand swung faster and faster, a terrifying coercion filled the air, and the entire palace instantly became extremely hot!

"Suppression..."

Kai waved the tip of his sword, and the burning lotus flower went directly towards Zhu Zhishan and them, and it became bigger and bigger in the air.

The expressions of Zhu Zhishan and Long Xiao changed greatly, and they hurriedly turned their energy, forming a huge protective cover around their bodies!

Zhu Zhishan and Long Xiao exerted their strength at the same time, and a pitch-black protective cover enveloped several people.

boom!

The lotus flower exploded above several people, and the terrifying air waves spread around, and countless sparks fell, but they were blocked by the protective cover.

But soon, the protective cover began to break under the burning of the flame, and finally collapsed!

A little bit of fire light fell and fell on several people. Although the power of the spiritual fire had weakened at this time, it still burned several people, and the clothes on their bodies were also tattered, very embarrassing!

Kai's forehead was full of cold sweat, and the huge mental power consumption made him a little dizzy at the moment!

Everyone was shocked when they saw Kai alone, making Zhu Zhishan so embarrassed.

If it was one of them, he would have already become a roast suckling pig at this moment.

And Ge Jiayi, who has been in the corner, has curiosity and reverence in her eyes. At this moment, her view of Kai has changed a lot!

She didn't expect Kai's strength to exceed her imagination time and time again.

There is also Kai's strong perseverance, which is beyond the reach of ordinary people.

"What the hell are you all looking at? Get on me..."

Long Xiao roared and looked at the crowd, his eyes full of anger.

Everyone looked at each other, even Zhu Zhishan and the others joined forces, and they were so embarrassed by Kai, aren't they under fire?

Seeing that no one took the initiative, Long Xiao roared: "If you don't take action, you won't get a single point for the resources here..."

As soon as Long Xiao said this, someone finally moved!

"Damn, let's go together, what are you afraid of..."

Xin Pengfei cursed angrily and rushed towards Kai.

Others followed, and dozens began to attack Kai.

Seeing this scene, Zhu Zhishan and Long Xiao showed some pride on their faces!

Kai was holding onto the Dragon Slaying Sword, his eyes full of killing intent and anger!

"Kill..."

An angry shout sounded, and the Dragon Slaying Sword in his hand was desperately swung out.

A sword light flashed and penetrated the bodies of the two people in an instant, but the others seemed to be insane, rushing up completely desperately.

Bang bang bang...

In a moment, Kai's body was already bloody and bloodstained, and Kai didn't even look like a human being!

Even so, Kai still supported him with the Dragon Slaying Sword and did not fall down. Under his feet were the corpses of more than a dozen other sect family members.

"Okay..."

Long Xiao shouted, causing everyone to retreat!

He can't let Kai be killed by these people, he needs Kai, he needs to absorb Kai's strength.

Long Xiao walked slowly to Kai, who had only half his life left, with endless pride on his face!

"Kai, look at your current appearance, you are not even a dead dog, how do you want to fight with me?"

Long Xiao smiled proudly and patted Kai's face with his hand.

"Bah..."

At this moment, Kai didn't even have the strength to raise his hand, so he could only spit at Long Xiao fiercely!

Long Xiao was not angry, he slowly stretched out his palm and gently pressed it on Kai's head.

"Your strength will become mine immediately. When I absorb your strength, even if you are immortal, what can you do..."

Long Xiao sneered, and then a faint black mist entered Kai's body and began to absorb Kai's strength.

A sneer suddenly appeared at the corner of Kai's mouth, and then the Ning Xin Jue began to turn far away!

Originally, Long Xiao wanted to absorb strength from Kai's body, but he suddenly found that the energy in his body was rapidly moving towards Kai.

Chapter 1460 Collapse

Long Xiao's heart suddenly turned pale, he hurriedly wanted to take his hand away, but found that his hand seemed to be sucked!

At this moment, even the soul inside Long Xiao panicked.

"Quickly withdraw, he is an immortal..."

In Long Xiao's mind, the old voice hurriedly shouted.

Long Xiao also wanted to withdraw, but unfortunately he couldn't withdraw at all, his palm seemed to be sucked.

Not far away, Zhu Zhishan still had a smug look on his face. He thought that Long Xiao was taking advantage of Kai's strength, but he didn't know that at the moment it was just the opposite!

Long Xiao was sweating profusely at this time, and seemed at a loss!

"Broken arm, hurry up and cut off your arm..."

Soul Spirit shouted anxiously, asking Long Xiao to cut off his arm.

Long Xiao hurriedly took out his sharp blade, but facing his arm, he really couldn't do anything.

If he cuts off his arm, he will become one-armed just like Zhu Zhishan.

He was still young and only had one arm left.

Just when Long Xiao hesitated, the spirit became angry and shouted loudly: "Hurry up..."

Long Xiao hesitated in his eyes, and finally clenched his teeth and swung the sharp blade in his hand, but he was not cutting himself. , but swiped directly towards Kai's neck.

He thought about cutting off Kai's head, so that he would be fine and his arm would be saved!

But with a flash of cold light, Kai seemed to have been prepared for a long time, and the Dragon Slaying Sword in his hand instantly blocked in front of him, directly blocking the sharp blade in Long Xiao's hand.

"f*ck..."

The soul in Long Xiao's body was in a hurry, only to see Long Xiao's eyes roll, and then the breath on his body changed instantly!

The soul directly controlled Long Xiao's body, and then forcefully pulled his arm off!

This sudden scene terrified everyone, and they didn't understand what happened to Long Xiao.

Why is it so good that he ripped off his arm.

Even Zhu Zhishan was stunned, wondering if Long Xiao was crazy!

"Kill him, kill him..."

Long Xiao roared, letting everyone kill Kai!

Seeing this, Zhu Zhishan knew that something must have changed, so he jumped up first.

"Do it, kill Kai..."

Zhu Zhishan roared, and the others followed closely and rushed towards Kai.

Although Kai at this moment absorbed some of the energy in Long Xiao's body, it was only a drop in the bucket. Facing Zhu Zhishan's attack, apart from waiting to die, he was powerless to fight back!
