A man like none other and the man decree (chinese) Chapter 1501-1502

Chapter 1501 Are you afraid? _

"Indestructible space..."

Long Xiao suddenly roared, raised his palm, and a black air instantly covered the sky above them, forming a unique space!

After the formation of this space, the experts of the Long family suddenly felt relieved and stood up from the ground one after another.

"Let's work together..."

Long Jingguo ordered the experts of the Long family.

Soon, streaks of qi energy, with a faint white glow, radiated from everyone, and more than a dozen streaks of qi energy gathered together and followed Long Xiao to resist Kai's coercion!

"An ant regrets an elephant, and the pearl of rice also dares to compete with the sun and the moon?"

Kai snorted coldly, with an incomparably domineering tone in his tone.

I saw that golden palm, with incomparable wealth, instantly smashed the barrier that Long Xiao had built up, and then slapped it down fiercely.

boom!

For a while, the ground shook, the universe shook, and the dozen or so masters of the Long family were shot to death on the spot in an instant, and the death was terrible!

"Kai, you have the ability to fight with me and kill some servants, do you have a sense of accomplishment?"

Long Xiao said coldly to Kai.

"I gave them a chance, but unfortunately they don't know how to cherish it, so they can only die!"

Kai sneered: "I can also give you a chance now, let the girl you captured, and I can spare your life. "..."

"Impossible..."

Long Xiao shouted, his face became more and more gloomy, the anger on his body was rapidly rising, and then the black and golden color on his body continued to expand.

Long Xiao's figure is constantly getting bigger, and in the endless night sky, it seems that countless dark substances are constantly gathering towards Long Xiao's body.

"Go to hell..."

Long Xiao shouted, then punched Kai!

Long Xiao's speed was extremely fast, and his whole body was not covered in black mist, and he seemed to be invisible in the darkness.

Kai only felt a gust of wind blowing, followed by a black mark, smashing hard on Kai's chest!

boom!

This punch caused the void to explode, the world shook, and the power of the fifth-rank Marquis was unimaginable.

Even with a simple punch, it is necessary to have ten thousand jins of strength to blow up a hill!

"Kai..."

"Mr. Chen..."

Long Wu and the four villains couldn't help but worry when they saw Kai being punched.

But at this moment, a golden light flashed, followed by a palm that shone with golden light, and slapped Long Xiao's face fiercely!

Snapped!

The crisp sound even spread out for more than ten miles!

Long Xiao's body was directly thrown out, and he fell heavily to the ground, while Kai was motionless, with no expression on his face.

The corners of Long Xiao's mouth were full of blood, and he got up from the ground. In addition to anger, there was also a trace of fear in his eyes!

The burning pain on his face made Long Xiao dare not take the initiative to attack for a while.

"If you're afraid, then I'll do it first..."

Kai said lightly.

As soon as the voice fell, Kai's figure suddenly disappeared, only to see a golden streamer streaking across the night sky, heading straight for Long Xiao.

Seeing this, Long Xiao immediately covered his body with black mist, and layers of black mist began to solidify, like a piece of armor, wrapping Long Xiao's body tightly.

"Looks like I'm going to come forward, otherwise it's hard for you to survive today..."

The soul inside Long Xiao spoke up.

Kai's strength is already above Long Xiao's. If he continues to fight, Long Xiao will die in Kai's hands sooner or later.

I saw Long Xiao's eyes roll over, and then the aura on his body suddenly changed!

Chapter 1502

The black fog that filled the surroundings became thick again in an instant, and the armor wrapped around Long Xiao shone with a black-gold light!

Boom...

Kai and Long Xiao collided fiercely.

You must know that Kai's current body has been tempered to a certain extent, and it is extremely hard. In addition to the blessing of an indestructible golden body, few people dare to follow Kai head-on!

But this time, Long Xiao and Kai collided together, a huge gust of wind howled, and the surrounding rocks and trees were instantly blown away without a trace.

Seeing this, the four villains hurriedly protected Long Wu, trying their best to resist the aftermath!

The avenue roared and the galaxy shook...

Kai felt the change in Long Xiao's breath and knew that the spirit was now controlling Long Xiao's body, but Kai was not afraid at all.

The blood in the body is boiling, Kai regards Long Xiao as an alchemy stone, and every shot is a training for himself!

In the blink of an eye, the two passed nearly a hundred strokes!

Long Xiao's body began to show a tendency of decadence, but Kai had a relaxed look on his face, as if he was deliberately releasing water, letting Long Xiao accompany him to test!

"Ah..."

With a hysterical cry, with a terrifying aura, the black light on Long Xiao's body became brighter, and his aura instantly improved a lot.

The corner of Kai's mouth raised an imperceptible smile. He wanted to force out Long Xiao's greatest potential. Let's see how much of the soul in this kid!

At this moment, the place where the two were fighting was already in a mess, and the entire space began to become distorted. Long Wu and the four wicked men were suppressed to death, and they were already lying on the ground!

And that Long Jingguo wasn't much better, only to see him kneeling on one knee, clenching his teeth to resist the residual prestige emanating from him.

Rumbling.....

The mountain range actually began to collapse in the battle between the two, and bottomless ravines cut across the entire mountain, extending directly toward the Medicine God Valley.

One after another terrifying aura continued to spread around, like a wave, without stopping...

At this time, Xu Changsheng and Zhao Ligu in Medicine God Valley felt this terrifying aura.

"What's going on? How can such a terrifying aura come from?"

Xu Changsheng asked with a condensed expression.

Xu Changsheng was treating Zhao Chuang, but the sudden vibration and the terrifying aura forced him to stop.

"I'll take someone to see..."

After Zhao Liguo finished speaking, he turned and ran out.

In Yaoshen Valley, many people have already gone outside the house, and are standing and watching.

I saw a place dozens of miles away from Yaoshen Valley, the golden light was brilliant, and the sound of the explosion was deafening, as if the end of the world was coming!

Zhao Liguo hurriedly brought some people and rushed towards that place, and Gu Linger also flew out and followed Zhao Liguo.

At this time, Kai and Long Xiao were still fighting, and both of them seemed to have reached their limit!

"Go to hell..."

Long Xiao became more and more impatient, and wanted to solve the battle as soon as possible!

So with a roar, he found the right time and punched Kai!

Kai's body flew out in an instant, but instead of falling to the ground, he stopped steadily in mid-air!

Long Xiao gasped for breath, his forehead was covered in cold sweat!

On the other hand, Kai's face is still calm, as if the change has not changed much!

"Even if you are possessed by a soul, you are still not my opponent. It seems that your title of the most talented person in Kyoto is also self-proclaimed, right?"

Kai looked at Long Xiao with mockery in his eyes!

"Ah...kill him, kill him for me..."

Long Xiao roared, he was talking loudly to the soul!

"Boy, you are the most talented person I have ever seen. It's a pity that you are arrogant. Today, this old man is going to kill you and make your body into a corpse..."

Long Xiao's throat was low and hoarse. His voice was so terrifying that it made goosebumps all over his body.

This was the first time the soul made a sound with the help of Long Xiao's body.

"You are just a soul, you don't even have a body, and you dare to say such a big thing. Today I will let you taste what it means to be invisible..."

After Kai finished speaking, the breath on his body began to rise again. For a long time, Kai did not use all his strength.

I saw Kai reciting the Qingxin mantra, and the golden light on his body became even more dazzling!

Chen Pingping was like a little sun at this time, illuminating the whole dark night.

Under the golden light, Long Xiao let out a scream!

On the other hand, Kai's breath is constantly rising, as if it will never end!

Long Xiao's face became extremely ugly, and the fear in his heart began to spread!

Under the irradiation of this golden light, the soul instantly broke away from the control of Long Xiao's body, and at this moment Long Xiao regained control of his body.

However, feeling Kai's terrifying aura, Long Xiao was afraid, this time he was really afraid, a panic appeared in his heart!

At this time, Long Xiao's confidence has been shattered by Kai!

Now he doesn't care about Long Jingguo anymore, if he can escape, one is one!

"Is this trying to escape?"

Kai said coldly.

The voice fell, and Kai's figure instantly disappeared in place!

Long Xiao only felt a strong wind blowing behind him, and then turned around to see that Kai was already in front of him.

Because Kai's speed was so fast that Long Xiao didn't even see how Kai caught up, as if he appeared out of thin air!

boom!

The big golden hand that has been clapping towards Long Xiao, Long Xiao wanted to dodge, but it was too late!

This palm slapped directly on Long Xiao's back, smashing the condensed armor on Long Xiao's body instantly!

Long Xiao came straight to the dog and fell to the ground. He looked so embarrassed, how could he still look like the son of the Long family!

"Xiaoer..."

Seeing this, Long Jingguo jumped up and went straight to Kai.

Even if Long Xiao wanted to run for his life alone, but now there is danger, Long Jingguo couldn't just watch his son get killed.

As a veteran Wuhou, Long Jingguo exploded his breath to the extreme!

But just when Long Jingguo arrived in front of Kai, Kai didn't even look back, didn't even look at Long Jingguo, he stretched out his hand, and his five fingers stuck firmly on Long Jingguo's neck!

The breath on Long Jingguo disappeared instantly, and the intense suffocation made Long Jingguo's mouth open and his face flushed red!

Holding his uncle in his hand, Kai didn't have a trace of pity in his heart, only endless anger.

Thinking of his mother who had been imprisoned for more than 20 years, Kai wished he could slap Long Jingguo to death now!

But Kai can't kill him now, and he wants Long Jingguo to release his mother.

"Kai, you... if you dare to kill me, you will never want to see your mother..."

Long Jingguo said with a big mouth.

Hearing Long Jingguo's words, Kai was furious in his heart, and slapped Long Jingguo in the face fiercely.

Chapter 1504 Exchange_

The dignified head of the Long family of Longjing, the veteran Wuhou, is now in Kai's hands but has no power to fight back.

"If I kill you, I can save my mother..."

Kai stared at Long Jingguo, the strength in his hand increased a bit!

Long Jingguo only felt that his neck was about to be crushed by Kai.

At this time, Long Xiao didn't know what was in his mouth, only to see Long Xiao's body slowly wrapped in black mist and slowly disappearing!

However, Kai's attention has always been attracted by Long Jingguo, but he did not notice the disappearing Long Xiao!

At this moment, Long Xiao's voice came from all directions, as if it was coming from the void!

Kai looked abruptly, only to realize that Long Xiao had disappeared without knowing when.

"If you dare to hurt Xiaoru and my mother, I will definitely make your father's life worse..."

After Kai finished speaking, he smashed Long Jingguo's face with a ruthless punch, knocking out Long Jingguo's mouth full of teeth.

"If that's the case, then you'll never want to see your mother and that little girl..."

Long Xiao's voice was getting farther and farther away, as if it came from the sky!

When Kai saw that Long Xiao was really about to leave, he immediately shouted, "Wait a minute..."

Kai couldn't just watch Xiaoru and his mother in danger.

"What? Are you afraid? Since you are afraid, then let my father go..."

Long Xiao said with a cold snort.

"We can exchange, as long as you let Xiaoru and my mother go, I will let your father go..."

Kai couldn't believe Long Xiao at all, so it was impossible to let Long Jingguo go first.

"What are you kidding, you want to exchange one person for two people, it's impossible."

Long Xiao snorted coldly: "You let my father go, I let that little girl go, you only have one choice, otherwise don't let anyone go."

Long Xiao's tone did not seem to be worried about Long Jingguo's safety, and do not care about the life and death of Long Jingguo!

This time, Kai fell into a passive state!

Whether it was Xiao Ru or his mother, he couldn't care about their lives and deaths.

But this Long Xiao doesn't seem to care about his father's life or death. As for whether to exchange or not, Long Xiao doesn't seem to care!

"I only give you three seconds to think about it. If you don't agree, then I'll go back and kill them all..."

Long Xiao urged Kai to be hesitant.

"Okay, I promise you!"

Kai nodded.

First, use Long Jingguo to exchange Xiaoru. As for his mother, there should be no danger. After all, he has been imprisoned for more than 20 years. If Long Jingguo wanted to do it, he would have done it long ago. He must have some scruples!

"That's good, tomorrow will be replaced in the martial arts field, no one wants to play tricks..."

Long Xiao said.

"Okay!" Kai agreed without hesitation.

The martial arts field is the place where the martial arts alliance competes. Long Xiao must have some intentions in choosing this place, but Kai is not afraid!

Long Xiao left, in fact, Long Xiao left long ago, what just happened was just a wisp of Long Xiao's consciousness.

The space magic technique Long Xiao cast disappeared in the void.

This is Kai's carelessness. If Kai is not careless, Long Xiao will not have the chance to use space magic at all!

Long Wu and the four wicked men surrounded him.

Seeing this, Long Wu made a gesture towards everyone. Winking, then everyone left, leaving some private space for Kai and Gu Linger!

After all, the two have not seen each other for nearly two months, and there will be a lot to say...

Just when Kai followed Gu Linger, Long Xiao also rushed back to the capital and went to the Martial Arts Alliance as soon as possible!

He wants to tell Zhu Zhishan that Kai is still alive!

"What?"

Zhu Zhishan woke up instantly, his eyes widened, and his face was incredible!

"You're not kidding me, are you?"

Zhu Zhishan couldn't believe it, how could Kai still be alive, and how could he have taken Long Jingguo away!

"I wish the alliance leader, do you think I will come to you for a joke at night?"

Long Xiao said solemnly.

After Zhu Zhishan heard this, he sat down on the chair, his face extremely ugly!

"How could this be..."

Zhu Zhishan gritted his teeth, his eyes full of disbelief.

"I wish the alliance leader, I will ask Kai to exchange my father in the martial arts field in three days. This is probably the best chance for us to kill that Kai..."

The reason why Long Xiao asked Kai to meet at the martial arts field, is to kill Kai.

"The martial arts field?" Zhu Zhishan frowned: "In that place, we openly shot and killed Kai, and the impact was too bad.

"Disputes, if we use more to bully less, then we won't be ridiculed by everyone in the martial arts world!"

"If you fight alone, you can kill Kai, it's not impossible, Master Long, your strength is now advancing by leaps and bounds, to deal with that Kai should be fine, right?"

Zhu Zhishan is also a wily man, after all, the place in the martial arts field represents the rules of the Martial Arts Alliance, and the rules set by the Martial Arts Alliance cannot be ruled out. In the end, the Martial Arts Alliance broke it by itself!

If so, the competition in the martial arts field will become meaningless, and there will be no rules from now on.

Long Xiao set the place at the Martial Arts Arena, obviously because he wanted the Martial Arts Alliance to take action, and the Long family could just stand by!

I wish Zhishan would not be so stupid, and listened to Long Xiao's advice!

Zhu Zhishan's words made Long Xiao instantly embarrassed. He had just been defeated by Kai and fled back in embarrassment, and then let him follow Kai to fight alone, he didn't have the courage.

"I wish the leader of the alliance, I don't necessarily have to do it in the martial arts field. When Kai releases my father, we can intercept him halfway."

"Now only the leader of the alliance has the strength to kill that Kai. If now If you don't get rid of him, this kid will be a big trouble in the future..."

Long Xiao said solemnly.

Zhu Zhishan did not speak, but hesitated for a while, and then said to a member of the Martial Arts Alliance: "Go and find Deputy Alliance Leader Ning for a meeting..."

Chapter 1506 Rules

Zhu Zhishan knows that he is not Kai's opponent at all, so he needs to ask the high-level to take a shot at a meeting to study.

But those high-level executives didn't look down on him at all, and Zhu Zhishan himself knew his status as the leader of the martial arts alliance.

Don't look at Ning Zhi as the deputy leader, but he was appointed by the great power, and Ning Zhi is still in black copper robe. Zhu Zhishan now wants to understand that he is a puppet, and Ning Zhi's talent is indeed blessing him. above the mountain.

At the beginning, Ning Zhi said that the man in black robe was Kai, but Zhu Zhishan didn't believe it at all. Now that the facts are in front of him, Zhu Zhishan can only admire that Ning Zhi.

Now Ning Zhi, the deputy leader of the alliance, is the real person in power. If you want to invite the top management, Ning Zhi must come forward.

Soon, in the conference room of the Martial Arts Alliance, there were several people wearing black robes, but the patterns in front of each of them were bronze, and these were all black copper robes!

Don't look at these black copper robes, which are the lowest among the high-level people, but they are not people that Zhu Zhishan can afford.

The strength of each of these people does not need to be low!

In this society where strength is respected, strength represents status and everything...

Zhu Zhishan briefly introduced the situation, and then said: "Vice leader Ning, now Kai has become the largest in our martial arts alliance. He is a threat, so we have to get rid of him."

"What's more, Deputy Leader Ning and Kai have a mortal hatred. If you bring a few black copper robe masters to kill Kai, then Kai will definitely not be able to escape... .."

Zhu Zhishan wanted Ning Zhi to lead someone to kill Kai, and now Zhu Zhishan is facing Kai, he is a little apprehensive!

"I wish the alliance leader, you should do it, the four black copper robes will follow you, are you still afraid that Kai will fail?" Ning Zhi asked lightly.

"How could I be afraid of Kai, I just want to give Deputy Leader Ning a chance to take revenge!"

"Whether I killed that Kai or not, as long as Kai is dead, my revenge will be avenged. What I need now is to retreat to improve my strength..."

At this moment, Ning Zhi wanted more than just killing Chen. Ping's revenge, he has more lofty ideals.

Since seeing the high-level people of the Martial Arts Alliance, especially the unpredictable power, Ning Zhi is determined to be a person who overlooks the entire Martial Arts world.

As for killing Kai for revenge, it became less important.

"Then we have to plan well, where is the right place to kill Kai..."

Zhu Zhishan said, and took out a map, which marked the various roads to the martial arts field!

"There is no need to plan, the martial arts field is a suitable place..."

Ning Zhi waved his hands and said.

"If we attack Kai in the martial arts field and bully the less, isn't that breaking the rules?"

Zhu Zhishan looked at Ning Zhi with a puzzled face.

"Rules?" Ning Zhi sneered: "Rules are made by people. As long as you have strength, every word is a rule. Who would dare to disobey?"

Ning Zhi's words directly left Zhu Zhishan speechless.

I don't know since when, Zhu Zhishan found that the hostility in Ning Zhi was getting heavier and heavier, and even he was a little shocked when he saw Ning Zhi!

"Okay, I'll take them to the martial arts venue tomorrow to prevent Kai from escaping..."

Zhu Zhishan faced a few. The famous black copper robe warned!

"Don't worry, we know what to do, but in this era of lack of spiritual energy, it's a miracle that Kai was able to cultivate to Nascent Soul Realm..."

A black copper robe said slowly.

Each of these black copper-robed people has souls in them, and these souls were once immortal cultivators!

It's just that they are all evil cultivators. Martial arts practitioners have evil cultivators, and so do immortal cultivators!

Thousands of years ago, spiritual energy was full, immortal cultivators were popular, while martial arts cultivators were unknown!

It's just that with the passage of time, the spiritual energy is gradually depleted. Immortal cultivators either leave or run out of life and disappear. Slowly immortal cultivators become lonely, while martial arts cultivators prosper.

As time goes on, immortal cultivators are almost extinct, and martial arts cultivators have become the top class in this world!

There used to be some evil cultivators who, at the end of their lives, used the exercises to keep a trace of their soul, ready to be reborn when the spiritual energy recovered!

In order to improve the strength as soon as possible, the soul is instructing the host, unscrupulously improving the strength, and even absorbing the strength of others to strengthen itself!

"By the way, there is one more thing to remind you, this Kai can also absorb the strength of others to improve yourself. You must pay attention, but don't think about absorbing the strength of this Kai, so as not to suffer backlash."

Zhu Zhishan faced The four black copper robes reminded.

Back in Elysium City, Long Xiao just wanted to absorb Kai's strength, and finally lost an arm.

"We don't need to absorb his strength, just get his Nascent Soul..."

A black copper robe sneered.

Since Kai is an immortal cultivator, it is much stronger to directly take out Kai's Nascent Soul Refinement than to directly absorb strength!

"That's good, now I will slowly wait for that Kai to die..."

Zhu Zhishan glanced at his broken arm, and then his eyes narrowed slightly.

At this time, Long Jingguo's face was still red and swollen, and his expression was very embarrassed!

Uncle and nephew, it seems a little strange to meet in such a scene!

It's just that Kai has never regarded Long Jingguo as his relative, and he can't wait to kill Long Jingguo now.

"You locked my mother for more than 20 years, what do you want from her?"

Kai exhaled a cigarette and asked lightly.

Long Jingguo glared at Kai, but said nothing.

Kai wasn't angry either. He had known such a result for a long time, and Long Jingguo would definitely not say it.

"It doesn't matter if you don't say it, but I tell you, sooner or later, I will kill the Long family, kill both your father and son, and then rescue my mother..."

Kai said firmly.

Long Jingguo just showed a sneer, but still didn't speak!

Chapter 1508

Kai looked at Long Jingguo like that, then suddenly took a few puffs of cigarettes and turned around to leave!

But just as he walked to the door, Long Jingguo suddenly said: "Kai, I advise you to let me go early, if I don't go back, no one can open the dungeon, your mother will have to starve, if she starves to death, but don't care about my business!"

Kai was stunned, his body trembled slightly, then he turned around suddenly, and slapped Long Jingguo in the face!

"Why, why?"

"She's your sister, why do you treat her like this?"

"Are you human? Are you a beast?"

"I think you're not even a beast..."

Kai went crazy. His eyes became scarlet, and he slapped Long Jingguo in the face with a slap!

Long Jingguo's nose was bruised and his face was swollen, and he vomited blood, but he still had a sneer on his face!

"Kai, let me tell you, you are a wild breed. Back then, your mother almost killed the entire Long family!"

"He ran away with someone before the big wedding and was pregnant with a wild breed like you.

"Do you know how much of a joke this made our Long family suffer?"

"If it weren't for me, your mother would have died by now, and she would have become a bone!"

Long Jingguo said to Kai with a sneer on his face.

"You fart, how could you be kind enough to save my mother, you're a fart..."

Kai smashed Long Jingguo's face with his fist, making Long Jingguo unable to speak at last, so he stopped.

Chen Pingping stood up blankly, and then walked out of the room!

He was going to go to Long Wu and ask what happened to his mother?

Seeing Kai's expression, Long Wu couldn't help worrying and said, "Kai, what's the matter with you?"

"Uncle Long, what happened to my mother? Who is my father? Did my mother marry me during the wedding? Did someone run away?"

Kai looked at Long Wu eagerly and asked.

He wants to know, he wants to know the truth, he wants to know everything about himself!

Long Wu looked at Kai, sighed after a moment and said, "Your mother really ran away with someone before the big wedding, but your mother was forced to marry, she didn't want to get married at all!

" If you don't agree, the entire Long family will suffer!"

"How is it possible?" Kai was a little unconvinced: "Isn't the Long family one of the best in the martial arts world in Kyoto at that time? Who can threaten the Long family?"

"Hey, let's not talk about the whole world, in this entire summer, there are more than thousands of sect families, many of which have been left in the world for thousands of years."

"These sects have survived in other ways. , Gradually adapting to the new society, most of these sect families are hidden from the world, so they can survive for so many years!"

"And now if we don't investigate deeply, we can't find out that those sect families have a background of thousands of years! "

And that Zixiao Mansion is one of the sects that has been left for thousands of years. When they proposed marriage to the Long family, the master did not dare not agree!"

"Then the eldest lady fled, and the Zixiao mansion angered the Long family and wanted to arrest the eldest lady ." To sacrifice to the sky, the master can't afford to get sick!"

"Then Long Jingguo took the opportunity to poison the master and locked the eldest young lady. Instead of handing it over to Zixiao Mansion, he compensated Zixiao Mansion for a large amount of resources. Only calmed down!"

Long Wu followed Kai to tell the situation of the year!

Kai frowned slightly. It seemed that Long Jingguo was right. If he hadn't locked up his mother, he might have been captured by the Zixiao Mansion.

"Uncle Long, I'm going to Kyoto now. Tomorrow you tell the four villains to escort Long Jingguo to Kyoto to exchange..."

Kai said to Long Wu.

"Isn't it exchanged in three days? Why are you going tomorrow?"

Long Wu looked surprised.

"Only Long Jingguo can open the dungeon where my mother is imprisoned. Now that Long Jingguo can't go back, my mother will starve."

Kai explained with Long Wu.

"Then be careful, whether it is the Martial Arts Alliance or the Long Family, they are all eyeing you. If you go to replace this time, they will definitely not miss this opportunity..."

Long Wu warned Kai.

"I see!" Kai nodded.

After saying goodbye to the others, Kai went to Kyoto alone!

Dong Liqun didn't want to fall out with the Ge family. After all, the entire martial arts family in Kyoto had already become a member of the martial arts alliance, and they all isolated the Dong family.

If the Dong family fell out with the Ge family, there would be no place in the capital.

"Ask yourself what your precious son did. He dared to do it, why didn't he dare to say it!"

Ge Jiayi, a girl, had the nerve to say such a thing.

Dong Liqun turned to look at Dong Jiahao: "Jiahao, what did you do to Miss Ge?"

"Dad, how many times have I told you that I didn't do anything, I didn't do anything, I don't know. Why does she always trouble me..."

Dong Jiahao was about to cry in a hurry.

Dong Liqun looked at Dong Jiahao like that, obviously Dong Jiahao didn't want to lie.

"Miss Ge, is there any misunderstanding here? I don't think my son will lie..."

Dong Liqun said softly.

"So that means I made trouble unreasonably, and I lied?"

Ge Jiayi frowned.

"No, no, that's not what I meant, I just feel there might be a misunderstanding here..."

Dong Liqun waved his hand quickly and said.

"No misunderstanding, you beast son has poisoned me by drugging me, I have to kill him today..."

Ge Jiayi said, the aura on her body soared, and the sword in her hand also radiated light!

This sword came in an instant, and left a deep ravine on the ground!

Dong Liqun's feet trembled slightly, and earth walls suddenly rose up on the ground, blocking the sword energy in an instant!

After blocking this sword energy, Dong Liqun didn't do anything to Ge Jiayi because he didn't want to fall out with the Ge family!

Ge Jiayi's face became very ugly, the sword in her hand was swung again, and a dozen sword qi burst out in an instant!

Dong Liqun frowned, the breath on his body began to skyrocket, and a barrier visible to the naked eye instantly wrapped Dong Liqun and Dong Jiahao!

Seeing that more than a dozen sword qi came to the front, they were suddenly cut off by a golden light.

Chapter 1510

More than a dozen sword qi disappeared without a trace in an instant!

"Who?"

Ge Jiayi's face changed greatly, and she hurriedly looked around.

Dong Liqun was also full of doubts, because he could just feel that the strength of the person who can emit that golden light is absolutely unfathomable!

"Miss Ge, you are an eldest young lady with such a rude personality, isn't it good?"

At this moment, a figure came slowly!

After seeing this figure, several people stayed on the spot for a moment.

"Brother Kai, you...you're not dead..."

Dong Jiahao calmed down, ran over suddenly, and gave Kai a hug!

"Mr. Chen, you...you..."

Dong Liqun was too excited to speak when he saw Kai!

Only Ge Jiayi still stared blankly at Kai with a very complicated expression in his eyes.

After Kai said a few words to Dong Jiahao, he looked at Ge Jiayi and asked: "Miss Ge, why are you doing this, you must kill Brother Dong?"

Ge Jiayi said angrily: "This beast gave me medicine and tarnished it. Do you think I should kill him?"

"Brother Kai, I didn't, I really didn't, how could I do such a thing!"

Dong Jiahao quickly explained!

Kai raised his hand slightly and stopped Dong Jiahao's explanation: "Miss Ge, you are still perfect, how can you say that Brother Dong has defiled you?"

"How is it possible?" Ge Jiayi was stunned, when she clearly woke up, With all the clothes on his body gone, how could he still be in perfect shape.

"Can't I lie to you, you can look at your left arm yourself!"

Kai said, a ray of spiritual power instantly penetrated into Ge Jiayi's body, and soon a red mark appeared on Ge Jiayi's left arm!

Seeing the mark, Ge Jiayi was full of excitement: "This... is this Shougongsha?"

"Yes, this is Shougongsha, Miss Ge's Shougongsha is still there, how could it not be a perfect body?"

Kai asked.

Ge Jiayi was speechless for a while, but still said in the atmosphere: "This Dong Jiahao tricked me into going to the hotel, gave me medicine, and took off my clothes, this is an indisputable fact..."

"Miss Ge, you must have misunderstood, I When have you been to the hotel with you, that's not me..."

Dong Jiahao explained with a face full of grievances.

"How could I have misunderstood, can I still be wrong about the hotel I went to with you?"

Ge Jiayi also swore that what she said was true.

Kai frowned slightly, he looked at Dong Jiahao's expression, it didn't look like he was lying, and Ge Jiayi didn't look like he was lying!

Then there must be some misunderstanding!

Suddenly, Kai seemed to think of something, so he asked Ge Jiayi, "Miss Ge, do you know there is a disguise technique in this world?"

"What do you mean?"

Ge Jiayi was taken aback!

"I think there must be a misunderstanding here. Maybe someone pretended to be Brother Dong and deceived you in order to instigate the conflict between the two of you?"

Kai followed Ge Jiayi's analysis.

Ge Jiayi fell into silence and said after a while: "I will investigate this matter in detail. If it is what Dong Jiahao said, I will never forgive him."

"Miss Ge, if I did it, I am willing to apologize..."

Dong Jiahao said firmly.

Mr. Shi said a word, many people bowed their heads and dared not look directly at Mr. Shi!

Zhu Zhishan looked left and right, no one dared to speak, and finally he had to speak.

"Mr. Shi, that Kai destroyed more than ten sect families in the Martial Arts Alliance, and now he is openly provocative. We hope that the official will come forward, punish Kai, and give an explanation to those sect families that have been destroyed..."

Zhu Zhishan Gu With enough energy, my heart is in my throat!

"Well, I know about this!" Mr. Shi nodded: "Then what?"

Zhu Zhishan was stunned for a moment, then shook his head: "No... There is nothing and then, we just demand that Kai be punished and Kai will be punished. Just kill him."

"You brought so many people here, are you just telling me about this?"

Mr. Shi asked in a calm tone.

"Yes, they all hope that Mr. Shi can uphold justice."

At this moment, Zhu Zhishan's face was flushed, and his heart was about to burst out.

"Do you all mean this?"

Mr. Shi asked with a glance at the crowd.

But no one spoke, everyone lowered their heads, not daring to breathe!

"Zhu Zhishan, they don't seem to mean that..."

Seeing that everyone didn't speak, Mr. Shi asked Zhu Zhishan.

Zhu Zhishan panicked all of a sudden, and hurriedly said to the crowd: "When you talk, Mr. Shi asked you. When we came, didn't we all agree?"

Zhu Zhishan shouted loudly at the crowd, but he still did n't say anything. When people talk, they all bow their heads!

No matter what Zhu Zhishan said, no one spoke, and the cold sweat on Zhu Zhishan's forehead instantly flowed down.

"Zhuzhishan..." Mr. Shi shouted!

"Shi...Mr. Shi..."

Zhu Zhishan trembled, he knew that Mr. Shi was angry.

"You lead people to surround the Dharma Protector Pavilion and put pressure on me, it's simply out of order..."

Mr. Shi's tone became cold, and then he raised his hand and waved lightly!

A huge force came, and before Zhu Zhishan could respond, the whole person flew out and fell heavily to the ground.

"Mr. Chen, you still don't want to go. As long as we take Long Jingguo, even if you don't show up, it's impossible for Long Xiao to exchange. We will definitely bring Miss Xiaoru back safely..."

Ding Dao said Persuading Kai.

Now that you know that the Martial Arts Alliance has set up a formation in the martial arts field, you can't let Kai show up!

"I'm still going!" Kai's eyes narrowed slightly: "I really want to do it in a while, you take Xiaoru back to Yaoshen Valley, don't worry about me, even if I can't beat it, I can escape freely..."

Ding I didn't want to say anything, but Kai reached out his hand to stop it!

There was no way, everyone followed Kai towards the martial arts arena!

In the martial arts field, Long Xiao saw that Kai had not come yet, so he was a little anxious!

"This Kai, wouldn't he be afraid? Or if he found out that we were going to deal with him, he didn't dare to come?"

Long Xiao said with a frown.

"Impossible, with Kai's temperament, even if he knew there was an ambush, he would come, we are waiting..."

Zhu Zhishan said indifferently, not in a hurry.

Immediately after Kai appeared, someone shouted.

Many people looked at Kai one after another, and behind Kai was Long Jingguo, who was being held by the four villains!

At this time, Long Jingguo looked embarrassed, obviously he had been beaten, and there was still a bit of the demeanor of the head of the Long family!

The moment Long Xiao saw Kai appear, killing intent burst out in his eyes!

And Zhu Zhishan's eyes narrowed: "You're coming..."

Kai took Long Jingguo to the martial arts arena, and then looked at Long Xiao coldly: "Long Xiao, I brought your father, Now let Xiaoru go, and I also let your father go home..."

"Kai, you are a villain, you actually did something to my father, remember it to me, our Long family will never spare you..."

Long Jingguo was beaten like this, of course Long Xiao wanted to speak ruthlessly to save face for the Long family!"

After speaking, Long Xiao waved his hand and let Xiaoru go.

Xiaoru quickly came to Kai's side, her eyes full of excitement: "Brother Chen, I didn't expect you to be alive, it's great..."

Tears in Xiaoru's eyes kept falling, she saw that Kai was still alive, too too happy.

"Xiaoru, now is not the time to agree, you should leave immediately with the four villains..."

Kai whispered to Xiaoru.

Although Xiaoru didn't know what was going on, she obediently came to the four villains. Under Kai's stern eyes, the four villains could only take Xiaoru away!

Long Xiao coldly shouted at Kai.

"Don't worry, I will definitely let your father go, but not now, you Long Family and the Martial Dao Alliance are despicable and shameless, and you set up a formation in this martial arts arena. If you want to catch me, I will not give you a chance."

"First Ask your father to escort me out of Kyoto, and I will naturally let him go..."

Kai said with a cold smile, holding Long Jingguo in one hand.

"Kai, you are too despicable, you shameless villain..."

Long Xiao cursed in a moment of anger!

"Yes, I'm just a villain, if anyone provokes me, I'll kill his whole family..."

Kai didn't care about Long Xiao's abuse at all, he was about to leave with Long Jingguo in his arms!

Seeing this, Zhu Zhishan hurriedly said to the four black copper robes: "Do it..."

In an instant, the four black copper robes jumped up and instantly surrounded Kai in the middle!

Chapter 1516

"Be careful of my father..."

Long Xiao hurriedly reminded.

Facing the four black copper robes, Kai frowned slightly: "The four middle-level martial arts masters, it seems that the martial arts alliance has really spent money in order to kill..."

"Kai, be obedient and capture it, don't make useless struggles..." The

four of them burst out with chills, and the breath that erupted from their bodies made people feel terrified!

Kai's face changed, and he was holding Long Jingguo with one hand. As long as Long Jingguo was in his hand, these people would be afraid, and he could find an opportunity to escape!

Kai's hand slowly touched the Qiankun circle, and he would use the space technique of the universe circle to escape from here.

Although Kai was able to fight even with the four mid-level Marquis masters, this is Kyoto, who knows if the Martial Arts Alliance still has a backer, so Kai does not plan to fight recklessly!

"This Long Jingguo is in my hands, so dare to do something to me?"

Kai said coldly, looking at the four black copper robes.

"Haha, what if you killed him? Our character is to take your life, and the lives of others have nothing to do with us..."

One of the black copper robes laughed instantly.

Not to mention Long Jingguo, they don't even care about Zhu Zhishan's life, in their eyes, they can only complete the task!

Seeing that the black copper robe said this, Long Jingguo's face was very ugly, and he felt that he could not hang on his face. Long Xiao, on the other hand, looked at

Zhu Zhishan on the side: "Zhu Alliance Leader, what do you mean?"

"Young Master Long, don't worry, they just said casually, the Long family leader will be fine!"

Xiao comforted.

In fact, Zhu Zhishan himself has no right to order these four black copper robes.

"Since this Long Jingguo is useless, then I will kill him..."

After Kai finished speaking, he slapped Long Jingguo with a palm.

Seeing this, one of the men in black robe suddenly punched Kai, while the other man in black copper robe stepped forward and caught Long Jingguo instantly!

Kai didn't want to kill that Long Jingguo, he just wanted to attract these four black copper robes!

Seeing that there was a chance, Kai suddenly threw the universe circle, and a black hole appeared in the air instantly.

But just when Kai was about to escape into the black hole, he found that a golden light flashed in the sky, and then he saw a magic weapon suspended in the air, and bursts of golden light emanated from the magic weapon!

This light instantly enveloped the entire martial arts field, and blocked Kai's escape route!

The hole that appeared disappeared, and the Qiankun Circle fell to the ground!

"Hahaha, we already knew you would play this game, so we were ready..."

Zhu Zhishan laughed.

At this time, Ge Fuhai in the crowd, after seeing the magic weapon in mid-air, couldn't help but be a little surprised: "This martial arts alliance is really hidden, and there is such a space magic weapon..."

"Dad, what is a space magic weapon?"

Ge Jiayi asked curiously.

"You will understand later, Kai is in big trouble..."

Ge Fuhai stared at the martial arts field.

At this moment, Kai, after realizing that he couldn't escape, instantly sacrificed the Dragon Slaying Sword, the light on his body began to flicker, and the undamaged golden body covered his whole body!

"Let me see how strong your formation is..."

Kai said, the Dragon Slaying Sword in his hand suddenly swung towards the magic weapon in the air!

An incomparably sharp sword qi instantly slashed towards the magic weapon in mid-air!

It's just that the sword qi disappeared without a trace in an instant before it touched the magic weapon!

Kai frowned, and then waved a sword qi again, but the result was still the same, let alone breaking the formation, he couldn't even touch the magic weapon!

Seeing this scene, the corner of Zhu Zhishan's mouth raised!

"Don't waste your energy, this is a space magic weapon, your sword energy has not disappeared, it has just been sent to another space."

At this moment, a secret voice rang in Kai's ear.

But Kai looked down and found that Ge Fuhai was hundreds of meters away from him and was looking at him!

Kai didn't understand why Ge Fuhai told himself this, but he didn't have time to think about it now!

"Boy, aren't you very good? Why can't you break this formation?"

A black copper robe looked at Kai, and his voice was full of sarcasm.

Kai's eyes were slightly condensed, and he held the Dragon Slaying Sword tightly in his hand. He knew that this time, he was afraid that it would be a fierce battle!

"Let's start..."

Immediately afterwards, a loud shout sounded, like a thunderbolt, blasting in Kai's ear.

Then Kai and the others began to shake violently, and the space began to distort.

Kai looked at the people around him and found that the people around them were slowly disappearing. In the end, there were only a few of them left. In this martial arts field, the surroundings were already empty.

Kai knew that the people around did not disappear, but the other party activated the space magic tool, and they should be in another space now!

However, the people around can really see Kai and the others, but what they see is not a real scene, but more like a mapped picture!

"Suffer to death..." The

four black copper robes said at the same time!

Kai only felt that there was a loud noise coming from all directions at the same time, and then he felt dizzy, and the whole person almost lost consciousness!

"Divine Consciousness Attack..."

Kai's face changed, and then a white light flashed in his mind. He did not expect that these four guys would suddenly launch a Divine Consciousness attack. Taking advantage of Kai's tense moment, he directly attacked Kai. Peace of mind!

Because a person's mental strength will become very fragile when he is extremely tense, and it is easy to be defeated.

Just when Kai was a little lost, the four black copper robes shot at the same time, and the four brilliance went straight to Kai and hit Kai in an instant!

Kai's body flew out directly, and there was obviously nothing in front of him, but after flying out for hundreds of meters, Kai's body suddenly hit something and fell to the ground!

Kai got up and saw that there was nothing in front of him, but when he reached out to touch it, an invisible barrier suddenly appeared.

"In this alien space, unless you are dead, or we are dead, or this space will not be destroyed, you don't have to think about escaping, come up with your greatest ability..."

A black copper robe After finishing speaking, the sleeves waved, and the black sleeve robe was like a spirit snake, and instantly moved towards Kai.

When the other three black copper robes saw this, they also waved their sleeves instantly, and the four sleeve robes like spirit snakes entangled Kai's body in an instant!

Immediately after the four people suddenly exerted force, Kai's body was directly pulled back and hung in the air!

Kai's face changed, golden light suddenly appeared on his body, the power of the terrifying dragon broke out, and his whole body began to soar, trying to break free!

But the four sleeve robes are extremely resilient, no matter how hard Kai struggled, he couldn't break free, but he was so tired that his forehead was covered in cold sweat!

"Mr. Chen..."

Seeing that Kai made a move, he was controlled by the other party. Dong Liqun frowned and was about to rush out.

Dong Jiahao also brought many masters of the Dong family, got up instantly, and was eager to try!

They want to save Kai.

The Dong family is today all because of Kai, so it is impossible for Dong Liqun to watch Kai die in front of him and remain indifferent.

As the so-called repayment of gratitude, otherwise how could their Dong family have a foothold in the Kyoto martial arts world!

"Brother Dong, don't be reckless. You can't save Kai if you rush up. You can't even see him, so you're crushed by the space barrier."

"The matter is not over yet, Kai should not have been subdued so easily."

Ge Fuhai stopped Dong Liqun and said.

Chapter 1518

Seeing this, Dong Liqun could only sit back slowly, but his eyes kept staring at the martial arts field.

On the other side, looking at Zhu Zhishan, who was being controlled by Kai, the corners of his mouth raised proudly: "The black copper robe is the black copper robe, and the strength is really strong, and this Kai was subdued at once, this time I see that Kai. How can you escape!"

Long Xiao was not so optimistic, because he had played against Kai and knew how terrifying Kai's strength had grown. level.

"Hmph, then wait and see..." Zhu Zhishan glanced at Long Xiao and raised the corner of his mouth slightly.

At this time, Kai wanted to cut off the sleeve robe with the Dragon Slaying Sword in his hand, but it was a pity that his hands were bound and he couldn't move!

"Hmph, with this little skill, I don't know how to make waves in the martial arts world."

Seeing Kai being controlled, a black copper robe snorted coldly, looking very disdainful.

"Stop talking nonsense with him, kill him directly, and we have completed our mission."

After that, another black copper robe held a sharp blade and stabbed Kai fiercely.

Kai was bound, and there was no way to dodge at all, he could only make the undamaged golden body play to the extreme!

The golden masterpiece on Kai's body is as bright as the sun in the sky!

The power of the dragon is even more protective of the whole body, he needs to resist the opponent's blow, Kai does not dare to be slighted.

After all, the opponent is in the middle stage of Wuhou's strength, and each of them is no worse than that Long Xiao!

clang!

With a crisp sound, the sharp blade made a white mark on Kai's body, but it did not hurt Kai's body.

The black copper robe whose wrists were numb from the shock scolded angrily.

"Let's go together, don't give this kid a chance..."

The other people didn't say much, but moved towards Kai together!

Kai frowned, if four people attacked at the same time, even if Kai had a golden body, he would not be able to hold it.

But no matter how hard Kai struggled, he couldn't break free from the shackles of this sleeve robe!

At this moment, Kai's Dragon Slaying Sword trembled.

Kai's thoughts moved, and the Dragon Slaying Sword was instantly released from his hand!

However, Kai found that the Dragon Slaying Sword at this time did not seem to be under his own control, but had an independent consciousness!

"Could it be that the sword spirit generated consciousness?"

Kai was overjoyed!

I saw the Dragon Slaying Sword leap into the sky, followed by a ray of light, and a terrifying sword energy descended from the sky!

The aura that this sword qi exudes is not owned by Kai, but emanating from the Dragon Slaying Sword himself.

The four black copper robes froze on the spot for a moment, and looked at the Dragon Slaying Sword in disbelief!

"Space rotation..."

I saw a black copper robe shouting loudly!

Then the four of them grabbed the space magic tool in midair at the same time.

The space instrument seemed to be gravitationally affected, and it suddenly turned, and then reversed its direction!

I saw the space fluctuate, and after a while of distortion, Kai found that the people who could not see it had come back.

But the people around at this moment suddenly couldn't see Kai and the others on the martial arts field.

It's as if the entire space has turned around!

With the shaking of the space instrument, a terrifying aura shot out from the space instrument!

Brush brush...

Sharp sword beams shot out from the space magic weapon and went straight to Kai.

"I rely on..."

Kai's face changed, he couldn't help but burst out a foul language, and hurriedly waved in front of him, forming a barrier, and the golden body was not bad, and it also exerted its fullest, exuding bright golden light!

Dang dang dang

a series of sword lights hit the barrier in front of Kai, and instantly defeated the barrier, and then hit Kai!

The terrifying power caused a large number of scales on Kai's body to fall off and disappear, and the undamaged golden body was directly destroyed.

And Kai's body also flew upside down and hit the ground directly!

Although he was not injured, Kai's golden body was broken, which made Kai lose his advantage directly.

"This magic weapon is too terrifying..."

Kai looked at the magic weapon in midair, his face became very ugly!

"Hahaha, do you feel good about hitting yourself with your own moves?"

One of the black copper robes laughed wantonly.

Kai didn't speak, his brows were wrinkled, he was thinking about the way to crack!

If it goes on like this, the four people don't have to do anything, and they are afraid that they will die in their own hands.

At this time, Dong Liqun outside became a little impatient because he suddenly couldn't see Kai's situation.

"Dad, do you think something will happen to Kai?"

Ge Jiayi asked Ge Fuhai.

Ge Fuhai's face at the moment is also not very good-looking, looking at the empty martial arts field, his expression is solemn!

Ge Jiayi prayed to Ge Fuhai after hearing this.

Ge Fuhai gave Ge Jiayi a stern look: "You forgot how I told you, our Ge family will never be allowed to participate in any battles, and will never join any organization, just do your own thing..."

Ge Jiayi saw My father was so angry that he was too scared to speak again!

At this time, Kai was still cautiously looking at the four black copper robes. He didn't dare to make a move easily. Every time he made a move, he was the one who was finally attacked.

"Why, don't you dare to do it? If you don't dare to do it, then we can do it..."

After that, the four black copper robes rushed towards Kai.

Seeing this, Kai reluctantly raised his sword and slashed at the four with a fierce sword beam!

But the four of them didn't seem to really attack Kai.

And above the space magic weapon, a ray of light instantly swallowed Kai's terrifying sword glow!

"Space rotation..."

Then the four of them repeated their old tricks, and with a wave of space fluctuations, the terrifying sword light suddenly moved towards Kai.

Chapter 1520 Pure power

"Hahaha..."

Seeing Kai's embarrassed appearance, the four black copper robes burst into laughter.

Kai seemed a little helpless at the moment, he could only look at the four people angrily. Facing this space magic weapon, Kai had nothing to do.

Because every sword beam technique can be swallowed by this magic weapon, Kai has no way to destroy this magic weapon.

As long as this space magic weapon is not destroyed, Kai will not even think about passing these four black copper robes!

But just when Kai was helpless, a familiar secret voice came into Kai's ears again: "This space magic tool can swallow any spiritual power technique, but it can't swallow the flesh and pure power, do you understand? ?"

Kai was stunned for a moment, then his eyes flashed, he seemed to understand.

Although this space magic tool is powerful, it cannot devour the flesh, so it is not that it cannot transport people to another dimension. All it can swallow is the magic that relies on spiritual power. If it relies on the power of the flesh itself, that is to say, this There is no way to swallow the space instruments at all.

Kai looked at Ge Fuhai gratefully, and then put away the Dragon Slaying Sword in his hand instantly, and the power of the dragon also converged directly into the body!

He has to use the power of the flesh to smash this space magic weapon, and only then will he have the power to fight with these four black copper robes.

On the martial arts field, Kai was covered in scars and his face became more and more ugly!

As the four black copper robes continued to wave a technique, the scars on Kai's body became heavier and heavier!

However, in this case, Kai hadn't fallen, which made the four black copper robes feel very surprised!

"Damn..."

Looking at the space magic weapon in the air, Kai couldn't help but scolded.

"Boy, today you are sure to die, don't do unnecessary resistance, otherwise you will die even worse..."

a black copper robe said coldly.

"f*ck your fucking shit, you fight one out of four, and you're still fucking squeamish, come on if you can..."

Kai shouted angrily!

"Humph!"

Kai's body was already torn apart and his flesh was blurred, but Kai still stood up with difficulty.

Kai frowned, he knew that this was the fatal blow of the four!

The power of terror is constantly rising, and it is heading towards Kai with the power of endless destruction.

The surrounding space began to distort, and the distorted space seemed to tear Kai apart!

As soon as Kai gritted his teeth, the power of the dragon on his body erupted, and then a solid barrier was formed around him!

clang!

The black-gold light slammed into Kai's body fiercely, and the burst of power caused dense cracks to appear in the entire martial arts field!

The magic weapon in mid-air also began to sway in the aftermath, and it seemed to be shaky.

The barrier on Kai's body was broken, and one after another force began to hit Kai's body!

"Ah..."

Kai roared, the veins bulging on his body, and his powerful fleshly body was exerted to the extreme.

The light dissipated, and Kai could already see the bones, looking extremely terrifying.

When the four black copper robes saw this, they all fell into a sluggishness. This was their strongest blow, and Kai actually took it down with his flesh and blood.

Simply incredible!

Even the people outside the martial arts field saw the scene in front of them, and their jaws dropped in shock.

"This...is this fucking human?"

"Perverted, too perverted..."

"Four masters of the Martial Arts Alliance can't kill Kai, this will be a shame!"

Everyone was talking about it, and all of them were perverted by Kai. The flesh is subdued.

At this time, Ge Fuhai's face was solemn, his eyes narrowed slightly!

"This Kai, with such a strong body, is not an ordinary cultivator..."

Ge Fuhai whispered.

"Dad, what did you say?"

Ge Jiayi asked.

"Oh, nothing!"

Ge Fuhai quickly shook his head.

On the martial arts field, Kai stared at the four black copper robes with murderous intent in his eyes.

Even though Kai is now seriously injured, he still has a strong killing intent.

The eyes of the four black copper robes looking at Kai were all terrified!

The four masters in the middle stage of Wuhou could not kill Kai even together, and they also had space magic to help out. Such a lineup and strength, I am afraid that the seventh-rank Wuhou could not bear it, but Kai at this time But endured.

"It's my turn now..."

Kai gritted his teeth and raised his fist slowly.

"Holy Light Fist..."

After a cry, Kai's body rushed towards the four black copper robes. Kai did not use the slightest spiritual power, but slammed into it with the power of his flesh.

Chapter 1522

Even though he didn't use his spiritual power, there was still a faint white mist on Kai's punch.

This is because Kai's speed is too fast, and the force is large enough to cause the moisture in the air to condense!

"Is this guy crazy?" The

four black copper robes were stunned when they saw that Kai was actually relying on the power of the flesh and rushed over.

But this time, the four black copper robes did not dare to despise Kai, and the black and golden rays of light flickered on their bodies.

But just when the four black copper robes were preparing to defend against Kai's attack, Kai's figure suddenly changed direction.

Kai paused, and the whole person walked straight towards the space magic tool in the air.

"Stop him..."

At this time, the four black copper robes reacted and hurriedly waved their energy towards Kai!

But it was too late, Kai's body had already reached the space magic weapon.

The Holy Light Fist smashed hard on the magic weapon.

Boom!

With a deafening sound, the space instrument sent out waves of turbulence, and the entire space trembled!

Bang bang bang... A streak of energy

hit Kai, but Kai ignored it at all. What he has to do now is to completely destroy this space magic weapon, otherwise he will die!

"It's broken, the space is going to be broken, stop him quickly..."

A black copper robe was shocked and shouted.

Dangdangdang.....

The sword glow hit the black-gold barrier, making a sound like a metal collision.

Soon the barrier was shattered, and the four black copper robes were all wounded by sharp sword beams on their chests!

Blood was pouring out!

Seeing the injured self, the four black copper robes also became angry!

The four people attacked Kai at the same time, and four terrifying rays of light instantly enveloped Kai.

Kai gritted his teeth, looked at a person, and then instantly waved the Dragon Slaying Sword in his hand.

However, Kai completely ignored it, and let the magic trick hit him, and his body was ripped apart!

Kai, this is simply a life-for-life style of play!

"Is this Kai crazy?"

Seeing this scene, Zhu Zhishan only felt a chill on his back!

Soon, the sharp Dragon Slaying Sword instantly penetrated the black copper robe's body. The black copper robe's eyes were wide open, looking at the penetrated chest, his eyes were full of incredible!

Blood splattered, and a black mist suddenly flew out from the mouth of the black copper robe.

Seeing this, Kai waved the Dragon Slaying Sword in his hand horizontally, and the black copper robe's body was instantly chopped into two pieces. !

This is the spirit fire, which can deal with the fleeing soul.

Then Kai waved abruptly, and a flame instantly moved towards the black fog. After the flame touched the black fog, it exploded directly!

The raging fire burned in the air, and there was a miserable cry in the flames, which made people's scalp numb!

Many screams disappeared, and the flames slowly went out!

A black copper robe was completely wiped out like this!

Seeing this, the remaining three black copper robes could only do their best!

And Kai repeated his old skills, the Dragon Slaying Sword in his hand exuded a dazzling brilliance, and a sword beam shot out!

When the three saw it, they joined together in an instant, and the terrifying black-gold light blocked Kai's sword glow.

This time, neither side got any advantage. The three of them looked at Kai, and there was a desire to retreat in their eyes!

They did not expect that Kai's strength was so perverted that it exceeded their imagination.

"This guy is too perverted. If we continue to fight, even if we kill him, none of us will survive. Let's withdraw..."

said one of the black copper robes.

The other two looked at each other and nodded, but he didn't dare to turn around and run, for fear that Kai would make a sneak attack behind him, and he would definitely lose his life, so he could only watch Kai first and choose the chance to escape. !

And at this moment, Kai has long been anxious in his heart!

Now he doesn't have much spiritual power to support him. Although his body is tyrannical, it is a miracle that Kai can stand now after such a serious beating!

And the remaining two black copper robes did not hesitate, two black mists shot out, and the entire martial arts field was shrouded in black mist.

When the black fog dissipated, Kai was the only one left on the huge martial arts field, holding the Dragon Slaying Sword in his hand and supporting it on the ground!

And the three black copper robes have long since escaped and disappeared!

Dong Liqun said to Dong Jiahao.

"No one is allowed to take him away..."

Long Xiao said coldly.

"Long Xiao, you are taking advantage of Brother Kai's coma, so shameless, wait until he wakes up if you have the ability..."

Dong Jiahao scolded Long Xiao angrily.

At this time, Zhu Zhishan had a gloomy face, and said to Dong Liqun: "Dong Patriarch, why should you fight against our Martial Arts Alliance for a Kai? Do you know the consequences of going against my Martial Arts Alliance?"

"Now you leave, I can guarantee that your Dong family will not stand in the Kyoto martial arts world, otherwise, there will be no Dong family in the Kyoto martial arts world in the future..." Dong

Liqun snorted coldly: "Zhu Zhishan, as the leader of the martial arts alliance, in front of you. So many people in the martial arts world have done such a shameless thing."

Just as the two sides were arguing, suddenly With a hearty voice, Ge Fuhai floated onto the martial arts field.

Ge Fuhai stood in the middle of the martial arts field with a faint smile on his face.

"Patriarch Ge, what do you mean?"

Zhu Zhishan frowned.

"Nothing else, it's just that you are too shameless, and shame on me in the martial arts world of Kyoto..."

Ge Fuhai said lightly.

"You..."

Zhu Zhishan's face was angry, but he did not dare to do anything to Ge Fuhai, but said sharply: "Ge family master, your Ge family has never asked anything in the martial arts world, but today you are for this Chen Chen. What is this for?"

"Do you want the Ge family to fall into the vortex of this battle and follow our martial arts alliance as an enemy?"

"I advise you to keep yourself safe, the reputation of the Ge family for so many years, do you want to ruin it? In your hands?"

After Zhu Zhishan finished speaking, the threat on Ge Fuhai's face disappeared instantly, and then he looked at Ge Fuhai coldly: "My Ge family has no intention of becoming an enemy of your martial arts alliance, nor do I want to compete for any resources. "

But your Martial Arts Alliance is despicable and vulgar. In order to make our Ge family and Dong family enemies, you actually attacked my daughter. Don't think that I don't know anything!"

"If I find conclusive evidence, I will be the first. Turn the head of you, the leader of the Martial Arts Alliance..."

Ge Fuhai's words made Zhu Zhishan's heart tremble.

Zhu Zhishan didn't know about Ge Jiayi at all. Those were all done by Ning Zhi, but looking at Ge Fuhai like this, Zhu Zhishan can be sure that the guy Ning Zhi must have done something to Ge Jiayi.

"Patriarch Ge, this may be a misunderstanding. When the time comes, I will definitely give Patriarch Ge an explanation, but in today's matter, I hope Patriarch Ge will not interfere!"

"It is absolutely useless to fight against the Martial Arts Alliance. If the head of the family still wants to ignore the world and take care of himself, you'd better go back..."

Zhu Zhishan is doing both hard and soft against Ge Fuhai, I hope Ge Fuhai will leave it alone, this time is the best time to kill Kai!

If Ge Fuhai intervenes, then this opportunity will be wasted.

"What if I have to take care of it?"

Ge Fuhai looked at Zhu Zhishan, his eyes were sharp, with a faint murderous intent!

"You..."

Zhu Zhishan's face flushed, and he gritted his teeth, unable to say a word!

If he forcibly attacked Kai at this time, he would not be the opponent of Ge Fuhai and Dong Liqun at all!

After all, if the two of them joined forces, it would be difficult for him and Long Xiao to deal with it, not to mention that there was also a Ge Jiayi who was staring at him.

"Dong Jiahao, take Kai away..."

"Looking for death..."

Ge Fuhai frowned and waved it casually!

A terrifying aura headed towards Long Xiao, and after that black mist touched Ge Fuhai's aura, it instantly vanished and disappeared without a trace!

Long Xiao couldn't dodge in time, and was knocked out heavily.

Long Xiao slowly got up, his body was fine, it seemed that Ge Fuhai didn't kill him!

"You are daring to make a move, and you will die next time. Even if you are the son of the Long family, what can you do?"

Ge Fuhai's face was gloomy, and in his tone, he didn't take the Long family into his eyes at all.

Ge Fuhai helped Dong Liqun up, and then continued: "Brother Dong, Where are you going to send Kai?"

Dong Liqun glanced at Kai who was seriously injured, hesitated, and said helplessly: "Mr. Chen is seriously injured, so he can only go to Dong's house first and wait for a few days to rest.

" Brother Dong, the Martial Arts Alliance and the Long Family are eyeing Kai, if you take him to the Dong Family, and the Martial Arts Alliance goes to get someone, can your Dong Family be able to resist it?"

Kai is now covered in blood, looking like he is going to die at any time.

"Brother Dong, if you believe me, then take Kai to my house. I believe that the Martial Arts Alliance would not dare to go to my house, nor would I have thought that Kai would cultivate in our Ge family..." Ge

Soon, Kai was sent to the Ge family for cultivation, and Ge Fuhai found a new one for Kai. Very comfortable room!

"Dad, why did you give up ancestral training for a Kai and participate in the battle in the martial arts world?"

Ge Jiayi asked very puzzled.

The Ge family has ancestral training, and they are not allowed to participate in any disputes in the martial arts world!

So for so many years, the Ge family has been alone and never fought with others!

"There are some things that you don't need to do if you want to be alone. The world of martial arts is going to change, and there will be no more stable days in the future. You don't understand many things, and you don't need to understand them. You just need to cultivate with peace of mind!"

Ge Fuhai sent Ge Jiayi away, then took out a black pill, stuffed it into Kai's mouth, and left!

"What do you mean?" The three black copper robes looked at Ning Zhi at the same time: "Are you saying that we didn't do our best?" The

three people's eyes were cold and threatening!

They know the consequences of not getting the job done if they don't do their best.

"I didn't mean that, I just felt a little weird..."

Ning Zhi said with a frown.

"Let's talk when the leader of the alliance comes back. He was watching at the scene and can testify for us..."

After a black copper robe finished speaking, he sat down and stopped talking.

Ning Zhi also sat back, and now he can only wait for Zhu Zhishan to come back.

Soon, Zhu Zhishan also came back, with anger and unwillingness on his face!

If Ge Fuhai hadn't intervened, Kai would have died. If the three black copper robes hadn't retreated in the end, Kai wouldn't be able to hold on at all.

"It's all fucking waste..."

Zhu Zhishan cursed fiercely, but it was useless no matter how much he scolded, and there was no if in this world...

Zhu Zhishan glanced at the three black copper robes and said with a face full of resentment.

The status of these black copper robes is higher than that of Zhu Zhishan, otherwise Zhu Zhishan would have ordered the three black copper robes who escaped to the Fa.

"Escape?" Ning Zhi was taken aback and glanced at the three black copper robes!

"Zhu Zhishan, what the hell are you doing? Are we running away? Don't you know what was going on at the time?"

"Then Kai broke the space magic weapon and killed one of our brothers."

"It all started at the end. Burning blood, we are going to fight to the death, we will fight, and we will only die in vain..." The

three black copper robes roared at Zhu Zhishan and defended themselves.

"After you escaped, Kai immediately fainted. He was already at the end of his force and was trying to scare you."

Zhu Zhishan said with disdain when he saw that the three black copper robes still had the face to defend himself.

"Since you fainted, did you kill Kai?"

one of the black copper robes asked.

"I..."

Zhu Zhishan was suddenly speechless.

"I wish the alliance leader, since Kai fainted at the end of the force, you should be able to kill him easily, so did you kill him?"

Chapter 1528

"Originally, I wanted to kill him, but the Dong family and the Ge family in the middle protected Kai. I couldn't do anything..."

Zhu Zhishan explained.

"What? The Ge family even protects Kai?"

Ning Zhi's expression was slightly shocked after hearing this: "Then the Ge family never asks about the martial arts world, so why would they suddenly oppose our martial arts alliance for Kai's sake? "

Patriarch Ge said that someone in our Martial Arts Alliance moved his daughter. When he investigates clearly, he will personally go to the Martial Arts Alliance to take revenge..."

When Zhu Zhishan said this, he stared straight at Ning Zhi .

Because he knew that Ning Zhi must have done this, and he had to use this method to provoke the Ge family!

Sure enough, Ning Zhi's expression changed slightly after hearing this, but it was only fleeting!

"I wish the alliance leader, since Kai was seriously injured, he will definitely not leave the capital. We should set up a net to kill Kai in the capital."

Ning Zhi pulled the topic away from the Ge family!

"The capital is so big, where do we go to find Kai? If he hides in Dong's house, it's fine. If he hides in the Dharma Protector Pavilion or Ge's house, can we still visit the door in person to ask for someone?"

Zhu Zhishan asked.

"No matter where he hides, as long as he doesn't leave the capital, I have my own way. I will apply now and let the top management dispatch some more experts. If it really doesn't work, I will dispatch a black silver robe and see if Kai can still do it. Escape..."

Ning Zhi's eyes narrowed slightly, it seemed that he would not stop killing Kai!

"It's better not to report this matter to the senior management, otherwise none of us will have good results, I will find a way..."

Zhu Zhishan knew that as the leader of the alliance, he had failed many times, and the senior management was very upset.

If you don't get it right, you're going to get out of here!

He still has a trump card in his hand. When he releases Fan Jiang, he will definitely be able to kill Kai.

"Well, I won't report this matter for now. If you can't kill that Kai, don't blame me for reporting it truthfully..."

Ning Zhi finished speaking, turned and left.

The three black copper robes followed Zhu Zhishan and looked at each other. Now they know that several of them are grasshoppers on a rope. If they can't kill Kai, none of them will want to live.

When he heard that Ge Fuhai actually went against the Martial Arts Alliance for Kai's sake, Mr. Shi's expression changed obviously!

"The Ge family actually came forward?"

Mr. Shi frowned slightly: "I didn't know if it was Ge Fuhai's intention or the intention of the ancestor of the Ge family to save Kai..."

"Mr. Shi, Ge Fuhai himself said that it was because of martial arts. The alliance moved his daughter, so he targeted the martial arts alliance."

Xing Jun explained.

"Do you believe it?" Mr. Shi asked Xing Jun.

Xing Jun didn't speak, but shook his head.

"Back then, Ge Fuhai's wife died in a fight in the martial arts world, and the Ge family didn't come forward. Do you think Ge Fuhai would fight against the martial arts alliance for his daughter?"

Mr. Shi continued.

"Then why did Ge Fuhai save Kai? Could it be that he has any intentions and would rather break the rules of their Ge family for so many years?"

Xing Jun asked in confusion.

Mr. Shi pondered for a moment: "I don't know what the Ge family's plans are, but it will become more and more lively in the future. It seems that some guys who have been hidden for thousands of years are about to surface..."

"Then what about Kai? He Still in the Ge family, will it be dangerous?"

Xing Jun asked Mr. Shi when he didn't know the intention of the Ge family.

"No, since Ge Fuhai saved Kai, he won't kill him. You can continue to pay attention to the movements of the martial arts world, but remember, don't interfere, we officially treat it as non-existent for this period of time..."

Mr. Shi's eyes Condensed slightly, there was a soul-stirring light in his eyes, as if nothing could escape his eyes.

A man like none other and the man decree (chinese) Chapter 1529-1530

Chapter 1529 Identity _

Ge family!

Kai slowly opened his eyes, the wound on his body had healed, Kai's own terrifying self-healing ability, coupled with Ge Fuhai's medicinal pill, Kai's body healed very quickly!

Looking at the luxurious room and the soft big bed, Kai frowned slightly.

He only remembered that he fainted in the martial arts field, and he didn't remember anything after that, and he didn't know where it was!

Kai got up and found that he was actually naked, but a brand new dress was placed on the bedside!

Kai got dressed and got out of bed, wanting to see where this is!

At this moment, Ge Jiayi pushed open the door and walked in with a steaming bowl of soup in her hand!

Seeing Kai awake, Ge Jiayi was a little surprised!

"Are you awake?"

Ge Jiayi's eyes widened, her face full of disbelief!

Kai was so badly injured that he recovered and woke up in two days. It was amazing.

"Miss Ge?"

Seeing it was Ge Jiayi, Kai was also slightly taken aback: "What am I doing here?"

"Of course it's in our Ge family, otherwise where do you think it is?"

Ge Jiayi put the soup on the table said above.

"Ge's family? Why am I in the Ge's family?"

Kai is a little strange. He has nothing to do with the Ge family, and has no friendship, so why is he in the Ge family?

Ge Jiayi explained it to Kai, and explained everything after he fainted!

After Kai heard it, he was afraid for a while, if Ge Fuhai hadn't come forward at that time, he would have become a lonely ghost by now.

"Miss Ge, thank you for taking care of you..."

Kai said gratefully.

"No need to thank you, the practice of the Martial Arts Alliance is indeed shameful. You should drink this ginseng soup to make up for it. I will tell my father that you are awake..."

After Ge Jiayi finished speaking, she turned and walked out of the room!

Kai looked at the ginseng soup and drank it immediately, a warm current wandered in Kai's body instantly!

Kai knew that this ginseng soup must be made from old ginseng that is more than a thousand years old, and there are many precious medicinal materials in it, otherwise it would not have this effect.

At this time, Kai was very grateful to the Ge family. No matter what the Ge family had planned, Ge Fuhai saved his life, and he should repay the family!

Soon, Ge Fuhai pushed open the door and walked in, and Kai hurriedly stepped forward to salute: "Patriarch Ge, thank you for your life-saving grace!"

"You're serious, I'm just doing my hand, and I've long been uncomfortable with martial arts. The style of the alliance is gone..."

Ge Fuhai gently supported Kai and said lightly.

"Patriarch Ge, as long as you have a place where you can get my Kai, I will go through fire and water and do whatever it takes..."

Kai said gratefully.

"Kai, I don't need you to help me, but I have something very strange. I want to ask you?"

Ge Fuhai said.

"Patriarch Ge, feel free to ask if you have anything. I know, and I will tell you the truth."

Kai nodded.

"Then I won't hide it anymore. Your body is so strong, you are definitely not an ordinary cultivator. Who are you?"

Ge Fuhai asked curiously.

This time, I stopped Kai. Kai knew that Ge Fuhai was also an immortal cultivator, and he would definitely be able to see his identity as an immortal cultivator.

But when asked who he was, Kai really couldn't answer.

Because he doesn't even know who he is.

He doesn't even know who his father is now!

Seeing that Kai didn't speak, Ge Fuhai thought that Kai was embarrassed, so he said: "If it's embarrassing, just treat it as if I didn't ask, I'm just curious..."

"Patriarch Ge, there's actually no embarrassment, because I don't know it myself. Who am I, because I was abandoned when I was very young."

"I only recently learned that my mother is the eldest lady of the Long family, and I don't know who my father is, so I can't answer you..."

Kai followed Ge Fuhai truthfully.

Chapter 1530: The Secret of the Immortal Cultivation World

After Ge Fuhai listened, surprise flashed in his eyes: "Are you Long Ruotong's child?"

Kai looked at Ge Fuhai's appearance and nodded: "Yes, I heard Uncle Long say that my mother's name is Long. Ruotong ..."

"No wonder, no wonder..."

Ge Fuhai suddenly realized that he seemed to understand something!

"Patriarch Ge, do you know about my mother?"

Kai hurriedly asked.

"I know a little bit, but I don't know your father's identity either. Many people know about your mother's affairs back then. Zixiao Mansion was so angry about it that it almost destroyed the Long family..."

Ge Fuhai said calmly.

Kai saw Ge Fuhai talking about this Zixiao Mansion again, so he asked: "Patriarch Ge, can you tell me about the situation of this Zixiao Mansion?"

Ge Fuhai glanced at Kai: "It seems that you are not interested in Xiu Xiu. Immortal world doesn't understand at all?"

Kai shook his head: "I don't understand at all..."

Ge Fuhai looked at Kai in surprise, didn't say anything, but forgot one glance, then raised his hand and waved.

In an instant, a secret space appeared, and Kai and Ge Fuhai seemed to be transferred to other places in an instant!

Just like the 90,000-mile mountain and river map Kai obtained, it can be instantly transferred to other places.

However, the map of 90,000 miles of mountains and rivers is only the transfer of consciousness, but the real body has not moved at all!

And this secret space that Ge Fuhai casts at will, so that Kai can truly feel that he has indeed entered another space!

Kai looked at Ge Fuhai in surprise. He didn't expect that someone could control the space technique so easily!

If you have such a space magic, you can easily escape, and you will no longer need a space magic like the Qiankun circle.

Seeing Kai's shocked look, Ge Fuhai just smiled faintly: "I can now tell you the secret of the Xiu Xian world..."

"Actually, our Ge family is an aristocratic family of immortal sects left over thousands of years ago. Because of the depletion of spiritual energy, many immortal cultivator sects and aristocratic families are slowly becoming lonely. Some went to other airspaces, and some survived in seclusion!"

"The strength of these hidden world sects is beyond your imagination. These talented children of the martial arts world, sect families, in the eyes of Xiuxian sects, are not in the stream at all..."

"It's just that with the exhaustion of spiritual energy, martial arts Running rampant, the clan of the immortal sect can only choose to go into seclusion, not to care about the world, nor to conflict with the martial arts world. After all, every consumption, in this era of lack of spiritual energy, requires a lot of time to make up."

"Many cultivators Yes, and with the changes of the times, it slowly declines and disappears completely in the long river of time."

Kai frowned slightly and said: "Master Ge, as you are a cultivator, is your Ge family also a hidden world sect? And I have also met other immortal cultivators, how can I explain this?"

Before meeting Ge Fuhai, Kai met Du Da and Hu Mazi, these two people are veritable immortal cultivators!

Moreover, Duda has reached the Nascent Soul Realm, and his strength is definitely a leader.

"There's no reason to explain this!"

Ge Fuhai smiled lightly: "Although many sect families who cultivate immortals are hidden from the world, they will also have spokespersons to stay in society. For example, our Ge family is the first sect to stay in society. Among the spokespersons, from my grandfather's generation, we have integrated into society and developed normally!"

"But we have ancestral teachings, and we must not have any ties and disputes with the martial arts world. This is why our Ge family has been so many years. There is no competition with the world."
