A man like none other and the man decree (chinese) Chapter 1531-1532

Chapter 1531

Kai's face was full of surprise: "Could it really be possible to ascend to immortality and live forever?"

Seeing Kai like this, Ge Fuhai laughed again: "It is said that immortals live the same life as heaven and earth. How can a person who has a long life live forever..."

"It's just that the lifespan of immortals is very long, reaching thousands of years, or even tens of thousands of years old, and I have never heard of immortals who truly live the same life as heaven and earth."

"Actually, I haven't even seen a real immortal, but it's just passed down by word of mouth from the ancestors."

Ge Fuhai's eyes were full of longing light, and it seemed that he also had an incomparable yearning for immortality.

Kai looked surprised, if it wasn't for Ge Fuhai, Kai would never have known the secrets of these immortal worlds!

"Patriarch Ge, what happened to some evil spirits in the martial arts alliance? The four black copper robes that dealt with me are all possessed by evil spirits..."

Kai was a little puzzled, why so many suddenly appeared in the martial arts world A person possessed by evil spirits.

"These evil spirits are all leftover souls after the death of the demon cultivators. I heard that in a war between gods and demons that year, the demon cultivators were almost

slaughtered. At that time, many big demons were suppressed. Dead, but the soul is still wandering in the world!"

"Now these evil spirits are suddenly revived and attached to other people, so that they can be resurrected one day!"

"I feel that the entire martial arts world will collapse soon, and a new order will be re-established. Now ..."

Ge Fuhai's face became solemn!

Kai listened to Ge Fuhai's words, and the whole person fell into contemplation!

Sometimes, Kai always felt like he was in a trap, and his every move was being controlled by others.

Every step he took, it was as if someone had already planned it!

At this moment, the door suddenly rang, and Ge Jiayi broke in.

It's just that Ge Jiayi, who broke in, didn't see Kai and Ge Fuhai. Because the two were in another space, Ge Jiayi couldn't see it at all.

"Dad?"

Ge Jiayi called out.

Ge Fuhai waved his hand, put away the secret space technique, and the two figures instantly appeared in front of Ge Jiayi.

Ge Jiayi is not surprised, it seems that she often faces this kind of thing.

"Jiayi, what's the matter?"

Ge Fuhai asked.

"Dad, the Martial Arts Alliance sent a lot of people to block all the passages in Kyoto, and I found that there were many strangers walking around our Ge family. I suspect they were also from the Martial Arts Alliance."

"It seems that the Martial Arts Alliance knows . Kai did not leave the capital, and wanted to intercept Kai in the capital."

Ge Jiayi said.

"It's okay, they dare not break into my Ge family to search, Kai is very safe here..."

Ge Fuhai said confidently.

But Kai frowned, he couldn't stay at Ge's house forever.

Besides, his top priority was to rescue his mother and Su Yuqi, but now, after listening to Ge Fuhai's secrets in the cultivation world, Kai suddenly felt powerless!

His current strength, if he really wants to put it in the world of immortals, is nothing!

Even in the current martial arts world, repeated blows made Kai feel a deep sense of frustration!

The masters sent by the Martial Arts Alliance almost surpassed Kai's cognition!

This time, four black copper robes were sent directly, and Kai almost died in the martial arts field.

At this rate, when will I be able to rescue Su Yuqi and my mother?

"Patriarch Ge, I can't stay in the Ge family all the time. I still have my own things to do. I will report this time to save my life..."

Kai said gratefully to Ge Fuhai.

Chapter 1532

"Then where are you going? I can find a way to send you there..."

Ge Fuhai also knew that Kai couldn't stay in the Ge family all his life.

Kai pondered for a moment and said, "I'll go to the Protectorate Pavilion and see Mr. Shi..."

Ge Fuhai knew what Kai meant by seeing Mr. Shi. After all, in Kyoto, the only person who can really help Kai is Mr. Shi. .

"Okay, I'll take you there!"

Ge Fuhai nodded, and then said to Ge Jiayi, "Jiayi, go get the car..."

Soon, a luxurious Rolls-Royce drove out of Ge's house. The window was closed, and the people in the car could not be seen.

After the car drove out of Ge's house, someone followed quietly and called Zhu Zhishan!

Zhu Zhishan frowned after receiving the call.

"Follow me, as long as they don't leave the capital city, don't care..."

After that, Zhu Zhishan hung up the phone and went directly to the dungeon!

At the end of the dungeon, Fan Jiang slowly raised his head with a smile on the corner of his mouth.

"You came to beg me?"

Fan Jiang asked.

But Zhu Zhishan shook his head: "I'm here to give you a chance, to give you a chance to get out of here..."

Seeing Zhu Zhishan like that, Fan Jiang smiled even more brilliantly!

"For so many years, what I like to watch the most is your pretentious look..."

After speaking, Fan Jiang got up slowly, and then suddenly grabbed the iron railing in front of him with both hands, and with a little force, he broke the railing directly. went straight out.

When Zhu Zhishan saw this scene, he was instantly shocked, and his wide eyes were about to fall.

"You...you..."

Zhu Zhishan was so shocked that he was speechless.

"Are you trying to say why this formation has no effect on me?"

Fan Jiang smiled coldly.

Zhu Zhishan didn't speak, but looking at his expression, he really wanted to know, how could Fan Jiang ignore the formation in the dungeon?

You must know that the formation in the dungeon of the Martial Arts Alliance was set up by a master of magic hundreds of years ago. How could it be so easily destroyed?

"I can tell you, in fact, the formation here has never been useful to me. I just don't want to leave for more than 20 years..."

"I have had an epiphany here for more than ten years, but I have never been able to break through the Great Marquis. So I'm going out to find an opportunity."

"But for the past twenty years, thanks to your care, I can do one thing for you, but only one thing, you and I have nothing to do with each other."

Fan Jiang slowly followed Zhu Zhishan and said.

Zhu Zhishan swallowed his saliva. He did not expect Fan Jiang to reach the peak of Marquis more than ten years ago.

After Fan Jiang went out, the evil cultivators in the entire martial arts world were about to revive!

However, Zhu Zhishan doesn't care about these, what kind of evil cultivator is not evil, in this society where strength is respected, as long as you can increase your strength!

"You help me kill someone..."

Zhu Zhishan said.

"Give me the information..."

Fan Jiang didn't ask who Zhu Zhishan wanted him to kill.

"Okay!"

Zhu Zhishan felt relieved when he saw Fan Jiang's confident look.

At the peak of Wuhou's strength, Kai could not escape even with his wings!

Soon, Zhu Zhishan gave Kai's information to Fan Jiang, but Fan Jiang frowned slightly when he saw Kai's information.

"Immortal cultivator?" Fan Jiang blurted out!

Zhu Zhishan nodded: "That's right!"

"In just one year, he was able to cultivate to the Nascent Soul Realm from an ordinary person. He is really a genius."

"In this era of lack of spiritual energy, how does this guy cultivate?"

"It seems that he must be hiding a secret, maybe my chance lies in this person..."

Law Enforcement Pavilion!

After Ge Fuhai sent Kai to the place, he left. He did not enter the Dharma Protector Pavilion. It seemed that Ge Fuhai did not like to deal with Mr. Shi!

Kai walked into the Dharma Protector Pavilion and met Zao Wou-Ki head-on. Since this time, Zao Wou-Ki and Kai have not met.

"Mr. Chen..."

Zao Wou-Ki was very excited to see Kai take the initiative to come to the Dharma Protector Pavilion.

"Zhao Pavilion Master, it's been a long time..."

Kai said with a slight smile.

"No, I heard that the Martial Arts Alliance has been looking for trouble for you, and sent people to hunt you down several times. Why are you still staying in the capital?"

Zhao Wuji asked with some puzzlement.

Although I often heard news about Kai, Zao Wou-Ki didn't know much about the inside story.

Many things are not something that he, the pavilion master of the Dharma Protector, can intervene in.

What's more, now that Mr. Shi sits in the Hufa Pavilion, Xing Jun will handle some of Kai's affairs, so Zao Wou-Ki has little ability to help Kai.

"I'm here to ask Mr. Shi for something,"

Kai said.

"Oh, Mr. Shi is waiting for you in the hall, I'll take you there..."

After Zao Wou-Ki finished speaking, he walked towards the hall with Kai.

Kai frowned slightly. He didn't understand, how did Mr. Shi know that he would come and was still waiting for him?

After entering the hall, Zao Wou-Ki turned around and left.

Mr. Shi was sitting in the main seat drinking tea, while Xing Jun was standing beside him.

"Sit down..."

After Kai entered, Mr. Shi said slowly.

Kai was not polite, he sat down directly, and before Kai could speak, Mr. Shi was the first to speak: "If you ask me to help you, you don't have to speak, whether it's your mother or your girlfriend. , I won't intervene to save them..."

"If you want to save them, you have to rely on your own ability. If you don't have the ability to protect them, it may be a better choice for them to be locked up..."

Kai looked at Mr. Shi in amazement, he didn't speak yet, Mr. Shi was able to guess his mind!

Kai really came to ask Mr. Shi to see if Mr. Shi could come forward and ask the Martial Arts Alliance to let go of his girlfriend, or let the Long family let go of his mother.

But before he could speak, Mr. Shi indifferently refused, which made Kai somewhat embarrassed.

"Mr. Shi, since you are unwilling to help, can you tell me how much power the Martial Arts Alliance is hiding now? How can I defeat the Martial Arts Alliance and save my girlfriend?"

" understanding is too one-sided.

After this time and again, he discovered that the strength of the Martial Arts Alliance was unfathomable, and every time it was able to send out high-strength masters.

Mr. Shi did not speak, but suddenly looked out the window, his eyes filled with an indescribable confusion!

When Kai looked at Mr. Shi, there was an indescribable sadness in his heart.

Although Mr. Shi has always been in front of everyone, he has been very calm and unfathomable.

But at this time, Kai seemed to be able to see through Mr. Shi's heart, and there seemed to be helplessness in Mr. Shi's heart.

After a while, Mr. Shi regained his calm expression and quietly took a sip of tea.

"You shouldn't only focus on the Martial Arts Alliance. Your real enemy is far more terrifying than the Martial Arts Alliance..."

After Mr. Shi finished speaking, he got up and left the hall, leaving only Kai with a confused face. Look at Mr. Shi's back!

He didn't understand what Mr. Shi meant?

Why is his real enemy more terrifying than the Martial Arts Alliance?

Who is his real enemy?

Just when Kai was confused, Xing Jun walked up to Kai.

He took out a talisman directly from his arms, and the rune carved with a cinnabar pen on it, but Kai couldn't understand it at all!

Although Kai also knew some spell techniques, but when he saw this spell, he couldn't understand it at all!

"This is given to you by Mr. Shi, and it can save your life at a critical moment..."

Xing Jun handed the spell to Kai.

"Life-saving rune? So powerful?"

Kai took the spell and looked at it carefully!

"Mr. Shi explained, you must take this rune with you today, because you will be killed today."

After Xing Jun finished speaking, he turned and left, leaving only Kai in the empty hall!

Put away the spell, Kai walked out of the Dharma Protector Pavilion!

At this time, Zao Wou-Ki had already prepared the car at the door, and he was driving the car himself!

"Mr. Chen, get in the car, I'll take you out of the city, I'm sure no one would dare to attack the Law Enforcement Pavilion..."

Zao Wou-Ki rolled down the car window and said.

Kai did not refuse, he got into the car directly, and then the car quickly drove out of the city.

After Kai finished speaking, he raised his head slightly, and looked at a mountain not far away!

The body was like a big bird. After sliding for a distance in the air, it landed firmly in front of Kai and the others.

Although the other party tried his best to restrain his breath, Kai could still feel the powerful pressure on the other party.

Kai's brows furrowed deeper, and his face was a bit ugly!

But when Zhao Wuji saw the person in front of him, his expression changed greatly, and his body couldn't help but take a few steps backwards!

"Fan...Fan Jiang..."

Zhao Wuji's breathing began to become rapid, and his face was extremely pale!

And the other members of the Dharma Protector Pavilion also stepped back one after another, as if seeing a devil!

Seeing the expressions of Zhao Wuji and the others, Kai instantly understood that this person was an extremely dangerous and terrifying figure, otherwise Zao Wuji, the pavilion master of the Dharma Protector, would not have such an expression.

"Gatemaster Zhao, who is this person?"

Kai asked in a low voice.

Mr. Chen, called Fan Jiang at this time, was the biggest evil cultivator in the martial arts world 20 years ago, but he should have died 20 years ago, so why did he suddenly appear here?

Zao Wou-Ki said in a trembling voice. The

head of the evil cultivator who became famous twenty years ago?

Kai said to Zao Wou-Ki.

Kai nodded, and then Zao Wou-Ki took the people away. He knew that if he stayed, nothing would change. The other party waved his hand and he could kill them!

Zao Wou-Ki wanted to hurry back and report to Mr. Shi that Fan Jiang, the leader of the evil cultivator, was still alive. This was important news.

When Zao Wou-Ki walked back, Fan Jiang was not in a hurry, but carried his hands on his back and stared at Kai like vultures, as if he wanted to see through Kai.

"You are young, but you have a lot of skills. If you don't have a big chance, then your identity is not simple. Today, I may be able to find a breakthrough direction from you!"

Fan Jiang smiled, as if Chen Kai has become his prey!

"Why do you want to kill me? Is it someone instructed, or is there another reason?"

Kai didn't understand, he didn't know Fan Jiang at all, and he had no grievance or hatred. Why did the other party kill him.

"It doesn't matter what the reason is, the important thing is that you are going to die soon."

"Tell your secrets and hand over your treasures. I may make your death more comfortable."

Fan Jiang looked at Kai, with a bit of playfulness in his eyes.

Kai's eyes narrowed: "Are you sure you can kill me?"

At this time, Kai remembered the spell given by Mr. Shi and the words he warned at the time.

Saying that he has a bloody disaster today, it seems that Mr. Shi's guess is good!

It seems that the spell can save his life!

"There is no reason, if you don't believe it, you can try it..."

Kai is angering Fan Jiang!

If the spell worked, Kai could take the opportunity to escape.

In the face of Fan Jiang, a master of the peak of Marquis, Kai really couldn't think of any other way besides running for his life!

"Are you irritating me? You can't wait to let me do something to you, do you have something to save your life?"

Fan Jiang looked at Kai with a sneer, and seemed to see through Kai's mind.

Kai frowned, but his heart began to panic. He didn't expect this Fan Jiang to be so smart and able to see through his own mind!

"Hey, if you don't dare to shoot, then I'll come..."

Kai burst out with golden light, and a terrifying aura instantly permeated!

Fan Jiang, on the other hand, looked at Kai extremely calmly, and seemed to be unconcerned about the strength Kai showed!

"Let me teach you, what kind of skills do you have, the leader of the evil cultivator 20 years ago..."

Kai shouted, and then punched him.

The fist is covered with golden light, and the power of the terrifying dragon is constantly exuding!

The corner of Fan Jiang's mouth showed a sneer, and he lifted it up to meet Kai directly!

The terrifying force collided together, and Kai only felt a huge anti-shock force, causing him to quickly retreat back.

On the other hand, Fan Jiang did not move, with a strong sense of sarcasm on his face!

Kai rubbed his numb arm, feeling even more uneasy in his heart.

Fan Jiang's strength is really strong, and the gap between Kai and Fan Jiang's strength is too great.

"Come and don't go indecent..."

After Fan Jiang finished speaking, his body instantly disappeared in place!

That extremely fast speed made Kai unable to react at all!

Bang!

Fan Jiang punched Kai's chest, and Kai's body flew out instantly.

Large scales on the body fell off, and the undamaged golden body became fragmented!

Kai frowned and his face became extremely ugly.

Chapter 1536

With one easy punch, the opponent broke his undamaged golden body, and Kai knew that he was going to be in trouble.

"What a powerful body-protecting magic, I can actually block this punch..."

Fan Jiang looked at Kai with interest and said.

Kai looked at Fan Jiang solemnly: "Are you ordered by the Martial Arts Alliance to kill me?"

"Then Zhu Zhishan is not qualified to order me, but I came to kill you, and it is indeed his intention."

After hearing this, Kai didn't ask anything. Since Zhu Zhishan found it, Kai knew that there was no room for negotiation!

Now I can only fight to the death. Kai now hopes that the spell given by Mr. Shi will really work at the critical moment!

Immediately afterwards, the power of the dragon was activated, and under the blessing of the power of the dragon, the Dragon Slaying Sword made a humming sound!

Fan Jiang saw the Dragon Slaying Sword in Kai's hand, and his eyes instantly filled with light!

"Spirit sword? You can actually have a spirit sword with a sword spirit?"

Fan Jiang's breathing began to become rapid, and it seemed that he liked Kai's Dragon Slaying Sword very much!

"Since you know it's a spirit sword, how dare you fight with me?"

Kai asked.

"Hahaha, this spirit sword of yours, the sword spirit has not yet been formed, I just took it to drop blood and confess it to the master, then it will belong to me..."

Fan Jiang laughed, flipped it over, and took the tiger-headed sword behind him. in hand!

Seeing Kai's tragic appearance, Fan Jiang sneered: "With your strength, you can still turn the world of martial arts in Kyoto upside down. It seems that the world of martial arts is really lonely..."

Kai did not speak, biting Tooth slowly stood up from the ground.

Since the force can't match that Fan Jiang, Kai intends to trap him with magic, as long as he leaves a chance for himself, he can escape by relying on the Qiankun circle.

A faint blue light appeared on Kai's body, followed by a light blue flame on the Dragon Slaying Sword!

This is the spirit fire, the spirit fire for refining medicine pills!

"Linghuo Slash..."

Kai gathered the breath in his body and slashed out with a sword in an instant.

This time, a roaring fire dragon appeared. After making a loud dragon roar, it spit out spiritual fire and rushed towards Fan Jiang quickly!

Fan Jiang's eyes narrowed: "You can actually use spirit fire, you really have some skills..."

Fan Jiang said, his hands trembled slightly, he muttered something in his mouth, and a tiger roar came out, only to see a tiger like a tiger made of ice, appearing out of thin air .

The spirit fire on Huolong's body dimmed a lot, but it didn't go out. Instead, it broke through the ice tiger and headed towards Fan Jiang.

"Samadhi is really hot?"

Fan Jiang's eyes flashed a moment of panic!

Before he could react, the flame had already fallen on him.

Fan Jiang was instantly enveloped in flames, and the scorching burning sensation made Fan Jiang in agony!

Fan Jiang was shocked, and a billowing black mist appeared from his body instantly. The black mist condensed into a piece of armor and wrapped his body directly in it!

He hopes to use this method to put out the flames on his body!

Seeing this, Kai hurriedly stabbed out with a sword, and the sky-piercing sword glow flashed with cold light, and stabbed straight towards Fan Jiang.

With this kind of opportunity, if he could kill Fan Jiang with one sword, Kai would not have to be chased by this guy.

"Good boy, if you have the opportunity to not escape, you still dare to kill..."

Fan Jiang was furious when he saw Kai taking the opportunity to kill him!

The backhand of the tiger-headed sword in his hand was a wave, and the condensed blade edge directly greeted it.

Even if he was scorched by the spirit fire, Fan Jiang's perseverance was beyond ordinary people. Under such circumstances, he could still resist!

The terrifying power instantly made Kai back ten meters, adding a lot of wounds to his body.

The flame on Fan Jiang's body went out, and the armor condensed by the black mist was also directly damaged.

Chapter 1538

Looking at the embarrassed look on his body, Fan Jiang's eyes showed a chilling look!

The sharp eyes make people shudder!

"Boy, I'll make your life worse than death..."

Fan Jiang's aura started to soar again.

Kai felt the breath of Fan Jiang's body, and his face became even more ugly. He thought he could kill Fan Jiang with one blow!

But after all, he underestimated the strength of Wuhou Peak.

Now that he lost the best chance to escape, Kai began to feel a little remorse.

At this moment, he can only hope on the life-saving rune given by Mr. Shi.

"The peak of Marquis Wu is really powerful, but it's a pity that you have an ignorant talent. You haven't stepped into the realm of Marquis of Great Marquis for so many years..."

Kai gasped and deliberately angered Fan Jiang!

For so many years, he has never stepped into the realm of the Great Marquis. This has always been the sore spot in Fan Jiang's heart!

Kai is now exposing his scars in front of him, how can Fan Jiang not be angry!

"You're courting death..."

Fan Jiang put the tiger-headed sword behind his back, and bursts of brilliance began to gather on his hands!

I saw a string of words flashing in the air, flashing light.

"Not only do you know how to spell, but now it's time for you to taste my power..."

Fan Jiang said, and the strings of words suddenly gathered together and burst into a dazzling light!

And the terrifying aura also instantly moved towards Kai.

Kai frowned tightly, anxious in his heart!

If it goes on like this, there is no way for him to find a chance to escape!

Fan Jiang seemed to see Kai's intention to escape, and the corner of his mouth raised slightly.

"You want to run away? Don't you want to avenge your girlfriend?"

After Fan Jiang finished speaking, blood mist began to rise around his body!

The blood-red mist exudes a breath that Kai is very familiar with!

This is Su Yuqi's breath!

Kai's eyes were wide open, and his face became more and more angry...

He didn't expect that Fan Jiang was also sucking Su Yuqi's blood to improve his strength!

"Your girlfriend's blood is really the best cultivation resource in the world. It's a pity that I have taken so much, but I still haven't been able to break through to the realm of the Great Marquis. It's a pity, it's a pity..."

Fan Jiang looked at Kai playfully. This time, it was him who angered Kai.

Kai knew that if there was no life-saving rune, Fan Jiang's blow just now would definitely kill him!

Fan Jiang got up and wiped the blood from the corners of his mouth: "What a powerful life-saving rune, but now I see what you can use to save your life..."

Fan Jiang walked towards Kai step by step, his breath soaring with each step, giving Kai brought endless oppression!

Kai knew that, with his current strength, if he followed Fan Jiang to fight, that would be hitting a stone with an egg!

Slowly getting up, Kai took a deep breath and said firmly: "Fight..."

After speaking, Kai suddenly bit, and a mouthful of blood spurted out from the tip of his tongue.

Immediately afterwards, the blood mist was quickly absorbed by Kai's body, and the breath on Kai's body began to climb rapidly.

"You are at the peak of Wuhou, but you are also afraid?"

Kai sneered at Fan Jiang.

At this moment, Kai, Long Jing kept flickering, and the blood on his body was boiling all the time.

The cold sweat on his forehead dripped onto the ground and evaporated instantly.

Kai doesn't know much about space magic, and he can't do anything like Ge Fuhai, who can create a space with a wave of his hand!

Now he can only do his best to use space magic to see if he can control Fan Jiang!

At this moment, Fan Jiang was trapped in this space, and the whole person felt a heavy sense of restraint!

"This time, let me see where you're going..."

Kai paused and rushed towards Fan Jiang!

This time, Fan Jiang was not dodging, but waving his fists to attack!

Bang bang bang...

The speed of the two people was very fast, and they collided with each other in an instant, only to see a golden light flickering.

Soon, the two separated, and Kai's body was bombarded with wounds that were shocking!

Kai gasped heavily, staring at Fan Jiang!

He made a fatal mistake at this point.

Although he used space magic to trap Fan Jiang, but the huge consumption of spiritual power caused him to fight with Fan Jiang, and he did not take any advantage at all!

If he continued to spend like this, in a few minutes, Kai knew that he would definitely lose!

Ah..."

Kai spewed out another mouthful of blood essence, his face was grim, and he walked towards Fan Jiang again unwillingly.

The golden fist carried endless coercion, and Kai exhausted every punch with all his strength!

Fan Jiang followed Kai with all his strength!

Without the slightest bit of carelessness, Fan Jiang knew that Kai was his last dying struggle!

After a dozen punches!

Although there were some wounds on Fan Jiang's body, it was not a big problem!

Kai was extremely desperate, he panted and looked at Fan Jiang, his face full of unwillingness!

The surrounding scenery is slowly changing, and it has returned to its original appearance!

Fan Jiang said with a sneer.

Kai didn't speak, he was still working hard, he wanted to stand up!

Although there was no more spiritual power in his body, Kai had to stand up with the strength of his body.

Even if he died, he couldn't die like a dead dog!

But just as Kai raised his head, Fan Jiang stepped on it.

Putong.....

The half body that was finally lifted up fell back heavily.

"Stop struggling, it's useless, you hand over all the treasures on your body now, I will let you choose the most comfortable way to die..."

Fan Jiang's eyes narrowed slightly!

Mr. Shi didn't even look at that Fan Jiang, but put his eyes on Kai, who was covered in blood!

"Your temper, when can you be less impulsive..."

"Why?" Fan Jiang was taken aback!

"Because I'm here, you can't kill him!"

Mr. Shi said calmly.

"Hmph, twenty years ago, I was not your opponent, but now who will live and who will die..."

Fan Jiang's aura suddenly soared!

"I was able to kill you twenty years ago, and I can still..."

Mr. Shi's expression was still calm, and he still spoke in a casual tone.

Although the tone is gentle, but with a kind of firmness!

Fan Jiang's face was ugly, and he instantly took the tiger-headed knife in his hand!

But looking at Mr. Shi's calm appearance, Fan Jiang's heart was turning upside down!

I haven't dared to do anything to Mr. Shi for a long time!

After a while, Fan Jiang put away the tiger-headed sword.

"Aren't you going to chase?"

Kai asked Mr. Shi in a low voice.

"He can't run..."

Mr. Shi's voice fell, but the person disappeared.

Kai's jaw dropped in shock.

He had never formally seen Mr. Shi make a move, but when he saw it today, Kai completely understood why those people in the martial arts world in Kyoto met Mr. Shi like a mouse seeing a cat.

After Fan Jiang ran far away, he looked back and found that Mr. Shi hadn't caught up, so he breathed a long sigh of relief.

"Damn, it's too perverted..."

Fan Jiang patted his chest!

But just after he breathed a sigh of relief, Fan Jiang felt a gust of wind behind him.

Mr. Shi said quietly with his hands on his back.

Fan Jiang looked at Mr. Shi in horror. He found that Mr. Shi was not running, and that Mr. Shi's feet were not moving.

It's flying, Mr. Shi is actually flying... Fan Jiang is

cowardly!

He stopped and knelt down in front of Mr. Shi with a thud.

"I beg Mr. Shi to let me go, I will hide in the mountains and I will never show up again!"

Fan Jiang began to beg for mercy!

Mr. Shi looked at Fan Jiang and smiled coldly: "It's useless, you have to die, if you don't die, then Kai's strength can't be restored..." Fan Jiang was

stunned, not understanding what Mr. Shi meant: "Then Kai burns his blood essence, and now his blood essence is depleted, his dantian is closed, he is already a crippled person, he cannot cultivate at all, even if he kills me, he will not be able to recover..."

Mr. Shi shook his head: "Who said that burning essence As long as he absorbs your strength, he can recover!"

Fan Jiang immediately understood that Mr. Shi wanted Kai to absorb his strength.

You must know that Fan Jiang has practiced for decades before reaching the peak of Wuhou, how can he be absorbed by people casually?

"No..."

Fan Jiang raised his head and roared, all the energy condensed on his hands, he couldn't absorb the strength of others, he had to resist!

Mr. Shi looked at the crazy Fan Jiang, raised his hand and slapped it out, instantly smashing all the techniques that Fan Jiang had condensed!

In front of Mr. Shi, Fan Jiang didn't even have the chance to make a move!

Fan Jiang still wanted to gather strength to resist, but Mr. Shi grabbed the collar by the collar, and he was carried in the air like a little chicken!

All the energy in Fan Jiang's body dissipated in an instant, and it couldn't be condensed again!

With Fan Jiang in his hand, Mr. Shi quickly returned to Kai.

Seeing that Fan Jiang, the evil cultivator leader, is like a little chicken in Mr. Shi's hands, this makes Kai refresh his cognition once again!

Mr. Shi threw Fan Jiang in front of Kai!

Fan Jiang, who was arrogant and stepped on Kai's head just now, fell to the ground like a dead dog!

"After absorbing his strength, you will be able to recover. Although your bloodline is different from other people's, burning blood essence will have side effects after all. Use less in the future..."

Mr. Shi reprimanded Kai!

Kai glanced at Mr. Shi. Although he was very curious, how did Mr. Shi know that his bloodline was different from others, but he did not dare to ask!

"No...don't..."

"As long as you don't Kill me, I am willing to help you find those ancient ruins!"

"If you don't absorb his strength, you are a waste now, and you can't cultivate at all. You know those ruins, what's the use?"

At this time, Mr. Shi reminded faintly.

Kai woke up immediately, he burned blood essence, if he didn't absorb Fan Jiang's strength, he couldn't recover at all, even if he found those ancient ruins, what's the use?

When Kai thought of this, he slapped Fan Jiang's head with his palm, and immediately started the Concentration Technique, and began to continuously absorb Fan Jiang's strength!

"If you absorb his strength, you can leave him alive. Isn't it the same as knowing the address of the ancient ruins?"

Mr. Shi asked Kai to only absorb Fan Jiang's strength, not his life!

"This... sucks his strength dry, and he will die as a mummified corpse..."

Kai looked at Mr. Shi in surprise.

He still can't control it at all, and Fan Jiang can't handle the huge power of the Concentrate Heart Art.

After all the strength is absorbed, he will definitely die.

"Don't worry, I have my own way..."

After Mr. Shi finished speaking, he quietly drove Kai to absorb Fan Jiang's strength.

Fan Jiang only felt that the energy in his body continued to spread outward, and then entered Kai's body.

Fan Jiang's face is hideous, and it can be seen that it is very painful!

Soon, Fan Jiang's body became smaller and smaller, and finally it was directly reduced to half the size of the previous body!

Kai let out a long sigh, and a wave of spiritual power began to swim in his dantian again!

"The peak of Marquis Wu is really extraordinary..."

Kai clenched his fist, his face full of excitement!

But when he looked at Fan Jiang, he found that Fan Jiang had already lost his breath!

"Dead..."

Kai looked at Mr. Shi and asked with a puzzled look.

Mr. Shi said he had his own way, but Fan Jiang was still dead.

"He's not dead..."

Mr. Shi shook his head and saw a faint white light wave from Mr. Shi's hand, instantly covering Fan Jiang's body.

Fan Jiang's corpse soon formed a cloud of black mist, and finally the black mist turned into a human figure, and turned into the appearance of Fan Jiang.

The white light enveloped Fan Jiang, making Fan Jiang's face full of pain!

"Do you have to kill them all?"

Fan Jiang roared, but there was endless panic in his eyes!

At this time, Fan Jiang had already become a soul. Fan Jiang knew that he was going to die, so there was a trace of his soul left, and he planned to take the opportunity to escape!

But he didn't want to be seen through by Mr. Shi, and directly trapped him!

If even this trace of soul is gone, then Fan Jiang has really disappeared from the world.

"Don't worry, I'm not going to eradicate your soul, I'm just controlling you..."

"You know what to do next, as long as you do well, I will find a host for you later. Let you be resurrected again."

Mr. Shi said lightly.

"I know, I know..." Fan Jiang nodded again and again, then turned around and knelt down directly to Kai: "In the future, I would like to follow Mr. Chen and help you find those ruins!"

Kai looked at the Fan Jiang in front of him in surprise. The soul, it feels like in a dream!

"Kai, put him away, maybe you can use him later..."

Mr. Shi said to Kai.

Kai nodded, opened the storage ring, and directly put Fan Jiang's soul into the storage ring!

Kai would not let Fan Jiang live in his body.

"Mr. Shi, thank you..."

Kai looked at Mr. Shi gratefully and said.

Mr. Shi smiled faintly: "You need to think more in the future, don't rush to it like that, that's the biggest thank you to me!"

After that, Mr. Shi waved his hand and signaled Kai to leave!

On the other hand, he was carrying his hands on his back and could not see his movement, but his body instantly appeared 100 meters away!

Kai glanced at Fan Jiang's corpse again, then turned and walked towards Yaoshen Valley.

Not long after Kai left, Zhu Zhishan came with three black copper robes.

When he saw Fan Jiang's mummified corpse, Zhu Zhishan's eyes widened, his face full of shock!

"This... this Fan Jiang is actually dead?"

The three black copper robes were also shocked. They had heard about Fan Jiang's ability a long time ago, and now they were killed by Kai, how terrifying Kai's strength was.

"The smell of burning blood essence?"

At this moment, a black copper robe suddenly frowned and said.

Others also quickly closed their eyes slightly to feel it!

"Yes, there are people who have burned blood essence here, this breath should be that of Kai!"

Another black copper robe said.

When Zhu Zhishan heard this, his originally shocked expression showed a hint of joy!

"So, Kai burned his blood essence and forcibly increased his strength before killing Fan Jiang..."

Zhu Zhishan asked hurriedly.

"It's very likely that with Kai's strength, he can't be Fan Jiang's opponent at all. Even if he burns his blood essence and forcibly improves his strength, he may not be able to beat Fan Jiang, but now that Fan Jiang is dead, then Kai is definitely not much better!"

"Even if he doesn't die, he is now a crippled person. As long as he is tracked and beaten, he can easily be caught..."

said a black copper robe.

"Great, I'll send someone to track down the whereabouts of Kai and see if he is dead..."

Zhu Zhishan's eyes flashed, and he turned and left.

As for Fan Jiang's body, they didn't even care about it!

Kyoto Ryu Family.

The news that Kai forcibly burned his blood and killed Fan Jiang was soon known to the Long family.

After all, the Long Family is also a member of the Martial Arts Alliance, and Zhu Zhishan will not hide the Long Family.

When Long Jingguo heard the news, his expression changed.

You must know that Fan Jiang was rumored to be dead twenty years ago, but he didn't want to be imprisoned by the Martial Arts Alliance!

It can be seen that the secret of this martial arts alliance is deep, and I am afraid that many of these members do not know.

However, Kai forcibly burned the blood and essence, even if they were immortal, they would be useless.

Long Jingguo hurriedly told Long Xiao the good news, but after hearing the news, Long Xiao's face became very ugly!

"Xiao'er, then Kai forcibly burned his blood and essence, and now he's a waste. You should be happy..."

Long Jingguo said to Long Xiao.

"Dad, as long as I don't see that Kai, I always feel uneasy. In addition, even if Kai forcibly improves his strength, I am afraid that he will not be able to kill Fan Jiang, but now that Fan Jiang is dead, it proves that Kai's strength is stronger than ours. It's too high to imagine!"

Long Xiao clenched his fist tightly, knowing that Fan Jiang was a famous Marquis 20 years ago, and no one knows what realm his current strength has reached!

A man like none other and the man decree (chinese) Chapter 1547-1548

Chapter 1547

Now that Kai forcibly improved his strength and killed Fan Jiang, this kind of terrifying record is no longer something that Long Xiao can match.

"Dad, I'm going to retreat to practice..."

Long Xiao took a deep breath, and there was a deep and terrifying light in his eyes!

He only has one arm now, so he must practice harder than others.

Long Jingguo looked at Long Xiao, and then patted Long Xiao on the shoulder: "Okay, now that Kai is nothing to worry about, if you can be promoted to the realm of the Great Marquis, our Long Family will surely regain its glory..."

"The Great Marquis?" Long Xiao smiled coldly: "My goal is the Martial Sage..."

... .. the

Kyoto Martial Arts Alliance!

After Zhu Zhishan returned, he immediately sent people to search for Kai's whereabouts, especially on the way to Yaoshen Valley!

"Now that Kai is dead or alive, it is not enough to threaten our Martial Arts Alliance. I am relieved!"

Zhu Zhishan let out a long sigh of relief.

It was because of Kai that he lost an arm and almost lost his position as the leader of the alliance. Now that Kai is dead, he has become a cripple, and Zhu Zhishan can finally sleep peacefully.

I don't know why, but when Zhu Zhishan faced Ning Zhi during this time, he was always nervous.

Obviously he is the leader of the alliance, and Ning Zhi is the deputy leader!

But Zhu Zhishan is afraid to see Ning Zhi!

"We went to the scene to see that Fan Jiang was dead, not Kai, but who did it?"

"You can ask the three of them, there is still the smell of Kai burning blood, it should be Not long after the battle!"

Zhu Zhishan said.

"Yes, we did feel the breath of Kai's burning blood essence at the scene."

"Only in this way can Kai kill Fan Jiang, otherwise he is not Fan Jiang's opponent!"

A black copper robe explained.

"Even if Kai burns blood, he is not Fan Jiang's opponent. Fan Jiang must have been killed by someone else..."

Ning Zhi's eyes narrowed slightly!

"Who? Who in the entire capital will help Kai kill Fan Jiang?"

Zhu Zhishan asked incredulously.

"Mr. Shi..."

Ning Zhi said slowly.

Hearing the three words of Mr. Shi, Zhu Zhishan's body trembled.

"Impossible, how could Mr. Shi help Kai to kill Fan Jiang? Besides, we have people everywhere, and we didn't find Mr. Shi leaving the Dharma Protector Pavilion?"

Zhu Zhishan felt that it was unlikely.

"Whether you believe it or not, I will report this matter immediately."

"If Mr. Shi really took action against Fan Jiang, it would prove that Kai is not necessarily a waste now. If this is the case, our strategy for Kai I'm going to make some changes..."

Ning Zhi finished speaking, turned around and left.

On the other hand, Zhu Zhishan was dazed and muttered to himself: "Impossible, how is it possible, then Kai burned his blood, and even if he didn't die, he would definitely be a waste..."

Zhu Zhishan didn't want to believe Ning What Zhi said, he didn't want Kai to be his nightmare...

He needs to continue to improve his strength!

Gu Linger sat next to Kai on a big rock, and then asked softly.

Kai looked in the direction of Kyoto, then nodded.

"I'm so useless, I can't even protect my girlfriend..."

Kai blamed himself!

"It's not your fault, it's because the Martial Dao Alliance is too powerful, don't blame yourself too much."

Gu Ling'er comforted With Kai!

Whether it is the four evil people or Zhao Ligu, they are all trying their best to cultivate, and with the help of the medicinal herbs of Yaoshengu, everyone's realm has also improved rapidly!

They know that only if they are strong enough can they really help Kai.

"Xiaoru, wait for me..."

At this moment, Zhao Chuang's voice suddenly came, Kai followed Gu Linger and found that Zhao Chuang was playing with Xiaoru!

"These two are quite a good match..."

Kai showed a smile on his face when he saw the two fighting.

"It's a good match. This guy Zhao Chuang usually swears, but his heart is not bad. Xiaoru is also pure-hearted. The two of them are very good together..."

Gu Linger nodded and said.

"When I have time, I will talk to the owner of Zhao Zhuang, and settle the matter between the two of them."

"There is a happy event like this, and it can also make everyone happy!"

Kai said with a smile.

"I still use you, Uncle Long talked about it a long time ago, but Zhao Chuang is a little stronger, and he feels that his strength is too low, even Xiaoru is inferior, so he must improve his strength to Wuhou before marrying Xiaoru. "..."

"It's possible that Zhao Chuang watched Xiao Ru being taken away, but he couldn't do anything, and he was very hard on him. Big..."

Gu Linger was arrested ahead of time when Xiaoru was arrested, so she thought of Su Yuqi, so she looked a little lonely!

"Zhao Chuang's talent is good. If you really work hard, it will not be difficult to reach the realm of Marquis..."

Kai looked at Zhao Chuang not far away, and decided to take this kid with him.

If you don't take him, Zhao Chuang relies on his own efforts, and he doesn't know how long it will take to reach the realm of Marquis. Could it be that Xiaoru has to wait for him all the time?

But Zhao Chuang's strength is too poor. If he takes him to a particularly dangerous ancient ruin, it will definitely become a burden, and maybe it will be dangerous.

We must find a place that is safe and rich in resources!

"Where is such a perfect place?"

Kai frowned slightly, thinking about what place would be suitable for such a request.

Soon, a place flashed in Kai's mind, that is Penglai Island!

After killing Duda, Kai always wanted to visit Penglai Island!

He wants to see what kind of island it is, and can cultivate so many immortal cultivators in this era of lack of spiritual energy!

In Penglai Island, Kai can also retreat and cultivate by the way to improve his cultivation!

After having this idea, Kai didn't stay in Yaoshengu for a long time!

"Brother Chen, why is the air here different? It feels very comfortable to breathe?"

After landing on the island, Zhao Chuang asked Kai.

Kai did not speak, but the pores on his body opened, feeling the rich spiritual energy on Penglai Island.

Like Penglai Island, there is no such rich spiritual energy in other places!

"It's really strange, why is there such a strong spiritual energy only on this island, but not elsewhere? And it seems that this spiritual energy is only shrouded in Penglai Island and does not spread at all!"

Kai frowned slightly!

You must know that the aura is like the air, it will drift away, but the aura on Penglai Island is rich, and as soon as you leave the island, the aura will be thin immediately.

"Where does such a strong spiritual energy come from? Could it be that there are also relics under Penglai Island?"

Kai remembered that Suolong Island had come, and wondered if there would also be relics under Penglai Island!

"Brother Chen, this place is really like a paradise. I knew that I had brought Xiaoru and Sister Ling'er with me..."

Zhao Chuang started thinking about Xiaoru as soon as he arrived here!

After all, young people, in love, can understand.

"Let's go around first, if it's really good, it's not too late for them to come here..."

Kai finished and took Zhao Chuang and started to turn around on Penglai Island.

Penglai Island is not very big, with a population of only tens of thousands, but everyone is cultivating immortals!

This made Kai very surprised. It was not easy to find so many immortal cultivators!

According to Ge Fuhai, most of the immortal sects have gone into seclusion, but there are still so many immortal cultivators active on Penglai Island.

And there seems to be no special attention here!

Logically speaking, the spiritual energy here is so rich, it should be a place that many people dream of, and many sect families will definitely compete!

But looking at the peaceful Penglai Island right now, it doesn't look like it's been suffering from war.

After turning around, Kai and Zhao Chuang rented a set of courtyards to live in, so that they would not be disturbed when they practiced!

Such a rich spiritual energy is an excellent place for cultivation. No matter what the reason is, Kai must improve his strength as soon as possible!

"Zhao Chuang, I brought you out to let you cultivate well and improve your strength. You can't be lazy. The environment here is the most suitable for cultivation..."

Kai urged Zhao Chuang.

"Brother Chen, don't worry, for Xiaoru's sake, I will also work hard to cultivate. I believe that I will soon be able to reach Marquis Wu."

Zhao Chuang looked confident!

Seeing Zhao Chuang's confident look, Kai nodded with satisfaction.

Kai started to set up the Spirit Gathering Array in the place they rented. With such a strong spiritual energy, the concentration of Spiritual Qi here can be imagined.

It took a full day for Kai to set up a spirit gathering array, and then passed it on to Zhao Chuang with a set of mental methods, and the two began to practice!

The rolling spiritual energy condensed towards the courtyard where Kai and the others rented like a thick fog!

Soon, the entire courtyard was shrouded in spiritual mist, and this small courtyard was also in danger.

A wave of spiritual energy swept through Kai's body, and the pores of Kai's body opened, greedily absorbing this rich spiritual energy.

Kai's Condensing Heart Technique is different from other cultivation techniques, and requires a huge amount of spiritual energy.

At this moment, the rich spiritual energy on Penglai Island just makes up for this!

After only ten days of retreat, Kai has already touched the ceiling of the four realms of Nascent Soul. As long as he practices for a few days, he will definitely be able to break through!

This perverted cultivation speed made Kai feel stunned for a while!

You must know that when he was in Bliss City, with tens of thousands of beast pills and that shark pearl, Kai was promoted to the third realm of Nascent Soul!

Chapter 1550

You must know that the higher the realm, the greater the spiritual energy required, and the longer the cultivation time.

But at this moment, Kai found that his cultivation speed had reached an astonishing speed.

When Kai and Zhao Chuang were cultivating, they didn't know that this small courtyard had already been targeted!

Such a huge amount of spiritual power, gathered in a courtyard, was foggy all day, how could it not attract the attention of others!

At this moment, two people in uniform and holding a machete were staring closely at Kai's courtyard!

"It's been ten days, and this spiritual fog has condensed and won't disperse. There must be a spirit gathering formation here. Let's quickly tell the news to King Du..."

One of them whispered.

The other person nodded, and then the two turned around and prepared to leave!

But just when the two turned around, they didn't know when, a masked man appeared behind them!

Just as the two turned around, the masked man shot instantly!

With both hands in the shape of claws, they directly squeezed the throats of the two of them, squeezing the throat bones instantly.

The two of them didn't have time to struggle, they just died!

After killing the two of them, the masked man looked at Kai's foggy courtyard, and couldn't help cursing: "Too careless, I really thought it was peaceful here..." After the

masked man finished speaking, his body in a flash, he entered the courtyard!

At this time, Kai was at a critical moment of cultivation. He was like an old monk who was in meditation, and he couldn't even notice what was going on outside!

Entering the room, the masked man looked at Kai who was cultivating, and suddenly let out a sneer.

"I didn't even set up a defensive formation, I'm too careless..." The

masked man said, tearing off the black scarf from his face!

A pockmarked face appeared.

This man turned out to be a fox.

Hu Mazi looked at Kai's body with a faint dark golden light, and couldn't help but smile: "This guy, this is about to break through again."

After saying that, Hu Mazi took out a few spells and threw them at will, a few spells it began to surround Kai.

The rays of light surrounded Kai, while the fox himself sat leisurely aside, took out a lot of melon seeds and knocked it up.

Another day and night!

The dark golden light on Kai's body became more and more intense, accompanied by a humming sound.

Looking around, Kai at this time is like a fairy, extremely mysterious!

"In a small realm, this guy needs such a huge spiritual power, it's too perverted..."

Looking at Kai, Hu Mazi was speechless!

Om.....There

was a sudden fluctuation of spiritual power, Kai suddenly opened his eyes, and his body was glowing with golden light.

"Comfortable, it's really comfortable to practice in this place..."

Kai couldn't help but sighed in admiration!

"You almost lost your life, whether you are still screaming comfortable..."

Hu Mazi said with a smile.

Kai was taken aback for a moment, because he had just woken up, he didn't notice the flax seeds.

Hearing Hu Mazi's voice, Kai's face became a little ugly!

"Master Hu, why are you here?"

Kai asked in surprise.

"I've been here for a few months. If I wasn't here, you might have been assassinated long ago when you were cultivating.

Kai was suddenly embarrassed. He was really careless at the time. He felt that there were immortal cultivators here, and people were not surprised by immortality.

In addition, none of these people on Penglai Island knew him, who would kill him!

Kai asked in surprise.

Hu Mazi's series of rhetorical questions made Kai realize that he had made a very serious mistake!

"Broken..."

Kai thought of Zhao Chuang at this moment!

Hu Mazi has been guarding himself, but Zhao Chuang is not guarded, isn't it dangerous!

Kai hurriedly rushed to the next room and found that Zhao Chuang was practicing with his eyes closed, and there was a faint light on his chest!

Seeing that Zhao Chuang was all right, Kai breathed a sigh of relief.

If Zhao Chuang had an accident because of his carelessness, Kai would feel guilty.

"This kid has a good talent. In this environment, breaking through Wuhou is just around the corner..."

Kai looked at the faint light on Zhao Chuang's chest and smiled slightly.

"Don't worry, here, he will never be able to cultivate in the Marquis Realm..."

said Hu Mazi on the side.

Kai was taken aback: "Why is this?"

"Don't you realize that Penglai Island is very strange?"

Hu Mazi asked rhetorically.

Kai shook his head: "What's so strange?"

"There is so much spiritual energy here, but there are no real masters. Only Du Da cultivated Nascent Soul, the Marquis of Martial Dao, and the others are Jindan at most. Now that Du Da's younger brother, Du Ziteng, is only the peak of the Golden Core Realm."

"People here, no matter how much they cultivate, can hardly break through to the Nascent Soul. I've been here for several months, but my strength is not even the slightest Ascension."

Hu Mazi explained.

"Why?"

Kai's eyes widened, but he did feel that the strength of the people on Penglai Island was generally low.

In this kind of environment, the strength cannot be improved, which is a bit contrary to common sense.

Hu Mazi shook his head: "I don't know why, but I suspect that this island has been cursed."

"Now basically all immortal cultivators are hiding in seclusion, or hiding in prosperous cities, like this large area where immortal cultivators live. The place almost doesn't exist."

"But here is an exception, and the spiritual energy is so abundant, so I suspect that it is cursed here, so the strength of the people here cannot be improved, or the improvement is extremely slow."

"Such a price. In exchange, these immortal cultivators don't have to go into seclusion and can communicate in normal life..."

Kai was shocked, he couldn't imagine what kind of curse could affect tens of thousands of people on the entire island.

This is outrageous too!

"No, why don't I have any influence at all? In just over ten days, I have improved a little..."

Kai suddenly remembered that when he was cultivating, he didn't notice anything unusual!

And the speed of cultivation is extremely fast, even Kai is very surprised!

"I don't know that, maybe it has something to do with your physique..."

Hu Mazi knew the identity of Chen Pinglong's son.

"This Penglai Island is definitely not as simple as it appears on the surface, there must be some secrets in it!"

Kai frowned slightly!

Hu Mazi rolled his eyes: "Why don't you say, if there is no secret, I will appear here, but I have been searching for several months, but I have not found any ruins or tombs."

"Don't worry, the two of us . Let's look for it together..."

Kai decided to follow Hu Mazi to discover the secrets of Penglai Island!

Whether it's a curse or a formation, a curse or formation that can affect tens of thousands of people on such a large island, the opponent is definitely an expert.

However, although Xiu Xian and Xiu Wu were originally fellow practitioners, the pinnacle of the golden core of immortal practitioners, even against the newly promoted Marquis in the martial arts world, would still have the power to fight.

"Elder, can the vision be found out, why did the spiritual mist suddenly appear?"

Du Ziteng asked the Great Elder beside him.

"King Du, the two people I sent to investigate have yet to return, and they haven't even heard from them at all. It is estimated that they were killed..."

The elder said in a low voice.

"What?" Du Ziteng slapped the table and stood up, "Could it be that someone dares to move the palace guards, this is courting death..."

"King Du, I suspect that the person who did it is not a citizen of my Penglai Island. It is very likely that he came from outside."

The elder explained Dao.

"Our Penglai Island rarely has conflicts with the outside world. Except for some tourists, there has never been such a wounding incident for so many years. You should go and investigate it yourself!"

Du Ziteng said with a gloomy face.

"As ordered..."

The elder nodded, and then led the order away.

Soon, the Great Elder came to the courtyard where Kai and the others were renting!

Looking at the two guard corpses, the elder's brows instantly wrinkled.

"How dare you dare to kill the palace guards..."

The anger on the elder's face led him to rush into the courtyard!

At this time, Kai and Hu Mazi had already left, but when he left, Kai set up a defensive formation!

Make sure that Zhao Chuang will not be disturbed when he is practicing.

When the Great Elder led people towards the courtyard, a white light suddenly flashed, followed by a terrifying force that directly knocked the Great Elder and the guards out.

"The formation is actually set up?"

The elder was shocked. He is also a master of the Golden Core Realm now. He didn't expect that the formation set up by the other party directly knocked him out.

The person who sets up the formation must be very strong!

The Great Elder slowly drew out a sword, a white light flashed across his chest, and then a sword slashed forward!

He wants to forcibly break this formation!

Om...

A huge rebound force made the sword in the hands of the elders fly away, and the elders fell directly to the ground!

"So strong..." The

Great Elder's eyes were wide open, his face full of incredulity!

At the same time, Kai, who was eating at a hotel, suddenly changed his face: "It's broken..."

"What's wrong?"

Hu Mazi asked.

"Someone is forcibly breaking the formation..."

After Kai finished speaking, he disappeared in a flash and left the hotel!

"Hey, wait for me..." Seeing this, Hu Mazi hurriedly shouted at Kai, but Kai had long since disappeared.

"Waiter, pack..."

Hu Mazi looked at the dishes on the table, and hadn't eaten them yet. It would be a pity to throw them away!

Soon, Hu Mazi chased Kai with the food!

When Kai returned to the courtyard, he found that a group of people had already surrounded the courtyard.

One of the middle-aged men, holding a sword, looked very ugly.

"Who are you? Why do you want to surround this place?"

Seeing this, Kai stepped forward and asked the middle-aged man.

The middle-aged man glanced at Kai, and then said angrily: "I am the great elder of the palace of Penglai Island. I found the bodies of two of our guards here. I suspect that you killed them. Now go back to me to investigate..."

"The Great Elder?" Kai glanced at it and found that the Great Elder was only in the third realm, while the other guards had lower strength, most of them were only Wuzong, and even the Great Wuzong did not reach it!

"I didn't kill any of your guards. If you can't show any evidence, please leave immediately. You are not welcome here!"

Kai said gloomily.

A man like none other and the man decree (chinese) Chapter 1553-1554

Chapter 1553

The first elder was stunned, he did not expect Kai to dare to speak to him like this.

"You're young and your tone is not too young. It seems that you don't want to stay on Penglai Island..."

After the first elder said, he waved his hand gently, and two guards rushed up in an instant.

The two guards shouted loudly, and then slashed the steel knife in their hands towards Kai.

Looking at the two guards rushing over, Kai wanted to laugh!

With this kind of strength, Kai stood still, and he didn't even need to activate the indestructible golden body, and it was impossible to hurt himself.

Kai's physical strength is now strong enough to resist the attack of the Great Wuzong!

Dangdang.....

With two crisp sounds, the steel knife fell on Kai's body, and it broke into two pieces!

The two guards were instantly dumbfounded, and even the Great Elder frowned slightly!

"Just like you, you can't hurt me at all..."

Kai's face was calm, and then he waved his palm lightly, and a burst of energy directly sent the two guards flying out.

At this moment, Kai is like a god in the sky, facing a bunch of mortals.

"Sure enough, there are two brushes!" The elder said with a cold face: "Give it to me..."

The elder shouted angrily, and a dozen guards rushed towards Kai instantly.

Kai's breath spread instantly, and the terrifying coercion caused the guards to kneel on the ground, unable to stand up!

The Great Elder was dumbfounded and looked at Kai with an incredible face!

"We are from the court. If you dare to hurt us, King Du will not let you go..."

The elder shook his body and threatened Kai.

Kai smiled coldly: "You King Du came, and I slapped him to death with one hand. Do you think I would be afraid of him?"

After Kai finished speaking, all the breath on his body burst out, feeling the terrifying breath on Kai's body, the first elder knelt down with a puff.

"You...you...you are in the Nascent Soul Realm, but you are actually in the Nascent Soul Realm..."

The elder looked at Kai like a monster.

Kai was also very strange when he saw the expression of the Great Elder. Logically speaking, the Nascent Soul Realm is a very small realm in the realm of immortal cultivation, and even a half-step immortal cannot reach it.

But looking at this Great Elder's expression, it is obvious that he rarely sees masters of the Nascent Soul Realm. Is it really the same as what Hu Mazi said, only that Duda is in the Nascent Soul Realm, is it impossible for other people to reach it in their lifetime?

Thinking of this, Kai intends to ask the Great Elder carefully. After all, he has lived here for so long, and he is also a member of the court, so he must know the secret inside.

Kai took back the pressure on his body, and the first elder and the guards let out a long sigh of relief.

"Retire your people, I will ask you something."

Kai said to the elder.

The first elder did not dare to hesitate at all, and hurriedly waved his hand: "You all step back..."

Soon, all the guards left, leaving only Kai to follow the first elder.

"I ask you something, you have to answer me honestly..."

Kai said coldly.

"Don't worry, sir, I promise to know everything and say everything..."

The first elder was frightened by Kai's realm, and said with a look of fear.

"I ask you, do you not have any immortal cultivators in the Nascent Soul Realm in your entire Penglai Island?"

Kai asked.

The first elder swallowed and said: "Yes, but in the entire Penglai Island, only our former King Du Da is a master of the Nascent Soul Realm, but a few months ago, Du Da was invited away and has not returned yet. I heard that he was called by a man called Du Da. Kai's was killed..."

"The current King Du is Du Da's younger brother Du Ziteng to take over, this Du Ziteng is just the pinnacle of golden elixir."

Hearing the first elder mentioning himself, Kai laughed secretly in his heart. Fortunately, these people on Penglai Island did not know him.

Chapter 1554

"Why is there so much spiritual energy here, and why are you cultivating so slowly? And the realm doesn't seem to be able to break through to Nascent Soul?"

Kai continued to ask, he couldn't believe it, the entire Penglai Island would be a formation or curse influence !

Because of such a huge area and personnel, it is impossible to imagine what realm the people who cast the formation or curse have reached.

The first elder looked embarrassed and shook his head: "I don't know what's going on, only the royal family should know that Penglai Island has been under the control of the Du family for hundreds of years, and King Du must know how to respond. "

Is it true?" Kai frowned, staring at the Great Elder!

As the Great Elder, Kai decided that it was impossible for him not to know.

"What he said is true, the secret is probably only known to the Du family..."

At this time, Hu Mazi chased up with the food.

When the first elder saw another person, he felt the aura on Hu Mazi. It turned out to be in the Golden Core Realm. Following the realm of Du Ziteng, his complexion changed again!

There are only a handful of golden cores in the entire Penglai Island.

Seeing Hu Mazi say this, Kai believed the words of the Great Elder, so he waved his hand and said, "Okay, you can leave, don't provoke me in the future..."

"Don't dare, don't dare..." The

Great Elder Turn around and run away!

Seeing that Kai had let the elder go away, Hu Mazi asked in a puzzled way, "Why did you let him go? They will definitely come back to make trouble.

" The opponent..."

Kai smiled lightly, but the smile disappeared soon, and his brows were slightly wrinkled: "However, I always feel that the highest realm of Penglai Island is only the peak of Jindan, there must be something hidden behind it, it seems that we need to find time. Talk to the Du family."

"I don't think the environment here has any effect on you at all. You should hurry up and cultivate. If there is an expert hiding behind this Penglai Island, what can we do if we dig it out?

" To deal with it, I will also cause trouble for myself."

"I'll investigate secretly myself, you can continue to practice, but this time remember to set up a defensive formation!"

Hu Mazi said to Kai.

"You're right!"

Kai nodded.

The people who exist here are all cultivators. Unlike the martial arts world, the realm of cultivators is higher, even if it is above the immortals, there are still many realms!

However, after the martial arts world entered the martial arts and entered the realm of transformation, there was no record of it!

.....

Penglai Island, in the palace!

Du Ziteng's face was full of disbelief: "You said you met a master cultivator in the Nascent Soul Realm?"

"Yes, and the other party is only in his twenties, very young!"

The elder reported to Du Ziteng truthfully. on.

"A master of Nascent Soul in his twenties? How could it be possible..."

Du Ziteng couldn't believe that there was such a young master of Nascent Soul in the world!

After all, this world is no longer suitable for the existence of immortal practitioners, and it is impossible to cultivate to Nascent Soul at a young age by relying on the barren spiritual energy of heaven and earth, or some medicinal herbs and spiritual stones.

"King Du, this is absolutely true, I definitely didn't lie to you, in front of that person, I didn't even have the chance to move..."

The elder said with oath.

Du Ziteng was silent, and after a while, he said: "Remember, no one should disturb him, and don't monitor that person, so as not to anger the other party, if the other party has no malicious intentions and leaves in the end, we will leave it alone. "..."

"If he doesn't leave, he will stay with us, we are trying to find

a way..." "Understood!" The elder nodded!

Then the first elder walked out of the palace, while Du Ziteng got up and walked back.

Du Ziteng went all the way to the end of the back garden, and at the end, he saw a wall blocking his way!

After looking left and right, Du Ziteng walked to an extremely secret place and pressed the switch!

The wall in front of me suddenly faded slowly to both sides, and behind it is an open scene, like another space!

And here, four guards in armor are standing on both sides!

The aura on these guards is not weak, and it is obviously much stronger than the guards outside. These guards are also Du family members!

This is a restricted area, all the people here are descendants of the Du family, not a single outsider!

When the four guards saw Du Ziteng coming in, they immediately saluted!

Du Ziteng didn't even look at the guards, he hurriedly walked inside, and soon a mansion appeared, and a wave of spiritual power visible to the naked eye enveloped the mansion!

These are all taboo powers, and there are dozens of taboo powers, which isolate this mansion from the outside!

I saw a red light flickering faintly on Du Ziteng's left chest, and then the dozens of forbidden powers seemed to have turned on the switch and disappeared instantly!

Du Ziteng stepped in, and after Du Ziteng entered, dozens of forbidden powers recovered again!

Entering the huge mansion, there are still people guarding them. These people have cold faces and dull eyes, as if they are puppets!

However, the fluctuations in the breath of these people can actually follow Du Ziteng's. It can be seen that their strengths are the same, and they are all masters of the Golden Core Realm!

The masters of the Golden Core Realm act as guards here, and it is conceivable what kind of strength the people inside will have!

Du Ziteng entered the mansion and was then taken to a room beside him. When Du Ziteng came out, he had already changed his clothes!

Immediately afterwards, Du Ziteng began to kneel, kneeling in three steps and walking towards the hall!

Entering the hall, on the throne in the middle, there is a monster with a tiger's head and a human body. At a glance, it can scare people to death!

But Du Ziteng saw this monster, but he was not afraid at all, his face was full of piety, and he knelt down heavily!

"What's the matter with me?"

The monster on the throne opened his mouth, and his mouth even spit out human words!

"The Great Immortal Huli, a master of the Nascent Soul Realm entered Penglai Island, and he is only in his twenties. I sent someone to inquire, but they were massacred. I asked how the Great Immortal Huli would deal with it?"

Du Ziteng asked respectfully.

Chapter 1556

"The Nascent Soul Realm in his twenties?" Hu Li Daxian was stunned: "If this was in ancient times, it would not be surprising, but in today's society, there are still such geniuses..."

After pondering for a while, Huli Daxian once again He opened his mouth and said: "Don't worry about him for now, as long as he doesn't make trouble, let him go..."

"The power of belief during this period is showing signs of weakening, how do you do things? You are far worse than your brother..."

Hu Li Daxian said in a cold tone.

When Du Ziteng heard this, his body trembled with fright: "I'll do it right away, please spare your life..."

"Go, if you can't take this position, then change someone..."

Huli Daxian waved his hand.

Du Ziteng withdrew with a cold sweat on his face, and then left in a hurry!

And that Huli Daxian came to a valley behind the mansion, and in the middle of the valley, a huge sculpture was placed in it!

This sculpture looks very simple, and has experienced countless years of devastation, with some traces of damage!

But even so, it still can't hide the majesty of the sculpture!

There was a futon in front of the sculpture, and Hu Li Daxian knelt down deeply.

.....

After Du Ziteng returned to the palace, he immediately called the elders for a meeting!

"Notice, everyone will participate in the pilgrimage. Anyone who does not participate will be directly expelled from Penglai Island..."

Du Ziteng said with a cold face.

After the elders took orders, they immediately went to arrange!

For a time, everyone on Penglai Island put down what they were doing and began to go to the nearest temple to worship!

Hu Mazi, who was eating, saw that many people put down what they were doing, and hurried out, so they followed curiously.

I saw a lot of people pouring into a temple, and then left after three worships and nine kowtows!

Hu Mazi also followed in, only to see that there was no deity and Buddha enshrined in the temple, just a stone statue more than one meter high.

Hu Mazi was a little stunned. He didn't understand how these people would kneel and worship a stone statue?

How to say these are also immortals, kneeling towards a stone statue, what's the point?

"You, when you enter the temple, why don't you kneel and worship? Do you want to be expelled from Penglai Island?"

An old man over 70 saw Hu Mazi standing in a daze, so he shouted at Hu Mazi.

Seeing this, Hu Mazi also hurriedly knelt down and kowtowed twice!

But Hu Mazi didn't know that when he knelt down and worshipped, a trace of white air rose from his body and instantly entered the body of the stone statue!

After kneeling and worshipping, Hu Mazi walked out with the old man!

"Brother, I want to ask you something, why don't you kneel down to worship the gods and Buddhas, but you have to kneel down to a stone statue?"

"And as if they were ordered to, they all hurried to kneel and worship?"

Hu Mazi took out a cigarette and handed it to I asked the old man curiously.

The old man smoked a cigarette and glanced at Hu Mazi: "Is it new?"

Long Xiao sneered.

The breakthrough of the Marquis of Great Marquis is not a matter of pure cultivation. I think that Fan Jiang has been trapped in the peak of Marquis Wu for more than ten years and has never been able to break through to Marquis of Great Marquis!

The breakthrough of this kind of big realm requires opportunity and process, and it is also a qualitative leap!

As for the circumstances under which he can break through the Great Marquis, no one can predict.

Some people, maybe in their sleep, their strength has broken through to the Great Marquis, and the whole body seems to be remodeled and entered a higher realm!

Whether it is divine consciousness or the control of all things, it is a new height!

So the higher the realm, the harder it will be to break through!

And if you force a breakthrough, there will be times when you will fail. If you fail, you will lose all your skills and become ordinary people...

There were also warriors who failed to break through before, and they couldn't bear the pain of being ordinary people and committed suicide!

"I don't know where Kai is now, maybe he is my chance..."

Long Xiao's eyes narrowed slightly, and the murderous intent on his body was vertical and horizontal!

He has always wanted to kill Kai with his own hands, but this time, Kai's blows made Long Xiao hate Kai!

At this moment, Long Jingguo walked in, feeling the killing intent on Long Xiao, Long Jingguo shivered involuntarily!

Since Long Xiao was possessed by a soul, Long Jingguo always felt that Long Xiao was not like his own son.

"Xiaoer, Zhu Zhishan came to me today, and wants us to stop..."

Long Jingguo said to Long Xiao.

"Stop?" Long Xiao sneered: "I am about to break through the Great Marquis, and I will break through the Martial Sage in the future. Our Long family will be the number one family in the martial arts world in the future, how can I stop..."

Long Jingguo saw Long Xiao like that, Heart is also infected with blood surging!

"That's right, in the future, our Long family will regain its glory and become the first family in the martial arts world..."

Long Jingguo was full of excitement and longing!

"I'm going to find that Kai, he's not dead, I always have a knot in my heart..."

After Long Xiao finished speaking, he walked out of the secret room!

He has to find Kai and kill him with his own hands, so that he can unravel the knot in his heart and break through without any distractions.

Long Jingguo did not stop him, but went directly to the dungeon. Long Ruotong was afraid that he would not be able to escape another beating!

Penglai Island!

Chen Pingping is as comfortable as bathing in a hot spring. He has never felt such a strong spiritual energy, and he has never absorbed it so recklessly!

You must know Kai's condensing heart art, it is a superior method, and the speed of absorbing spiritual energy is much faster than other people in the same realm!

Moreover, Kai's dantian spiritual power transformation is also quite fast, otherwise the spiritual energy enters the dantian and cannot be quickly converted into spiritual energy, and the body will soon become a state of filling, and it will not be able to absorb the spiritual energy.

"Why is this Kai still awake?"

Outside the small courtyard, Hu Mazi was anxiously waiting for Kai.

Hu Mazi has been here for many days and has been waiting for Kai to wake up from his practice!

He didn't dare to disturb him easily. If Kai was at a critical moment of breakthrough, if he disturbed him easily, it would hurt Kai's mind.

Suddenly, Hu Mazi found that two rays of light shot out into the sky in an instant, followed by a terrifying aura that came out from the small courtyard.

"The breath of the seventh realm of Nascent Soul, this guy has broken through to the seventh realm of Nascent Soul in three months?"

Hu Mazi felt the terrifying aura, his eyes widened instantly, his face full of incredulity!

You must know that the higher the realm of immortality, the more difficult it is to cultivate. Even if there is a huge spiritual energy support, it will take time to absorb so much spiritual energy.

But it doesn't seem to matter to Kai. The speed of Kai's strength is many times faster than others!

Hu Mazi rushed into the courtyard and kicked open the door!

"You kid, you're too awesome, and in just three months, you have hit the Seventh Realm of Nascent Soul?"

Hu Mazi's face was full of disbelief!

Kai's face did not see the slightest excitement and joy, but his brows were slightly wrinkled!

"I thought I could reach the peak of Nascent Soul, but I didn't want to be so bad..."

Kai's words almost didn't make Hu Mazi vomit blood!

He has been on Penglai Island for several months, and his strength has not increased at all, but Kai has grown so much that he is still not satisfied!

"The speed of your cultivation is already very perverted, and you are still not satisfied. It's true that people are more dead than people, and you can throw things away..."

Hu Mazi sighed for a while!

"If it weren't for the resistance, I would indeed be able to reach the peak of the Nascent Soul, but during my cultivation, I seem to have encountered resistance and could not take a step forward. Could it be that this Penglai Island can only make people promoted to the Nascent Soul, no way? Are you moving up?"

Kai's face was solemn, his brows furrowed, thinking about what was going on!

In the beginning, the training progressed very quickly, but the resistance became greater as it progressed to the back. Until the Seventh Realm of Nascent Soul, Kai's repair speed actually stagnated, so Kai woke up!

"So you were also affected?"

Hu Mazi looked surprised. He thought that Kai would not be affected by the formation or the curse here.

"How has your investigation been in the past few months?"

Kai asked Hu Mazi.

Hu Mazi quickly told Kai what he knew. When Kai heard that there are many temples on Penglai Island, and only one stone statue was enshrined in the temples, he felt that something was wrong.

He felt that there must be something wrong with this stone statue, and that so many temples enshrined the same stone statue, it must have been deliberately done by someone.

"Let's go, take me to see..."

Kai couldn't wait to see it.

"What about your friend?"

Hu Mazi pointed to the other room.

"I'll wake him up..."

Kai went to the next door and woke Zhao Chuang from his practice.

In the past few months, Zhao Chuang's strength has increased every bit, and after a few months of practice, he has cultivated a sense of loneliness.

"Brother Chen, why do I feel that my strength has not changed at all?"

Zhao Chuang looked depressed.

Chapter 1560: Bad Premonition

After practicing for so long, his strength has not changed at all. When will he be able to cultivate to Marquis Wu and marry Xiaoru!

Kai was staring at Zhao Chuang's lower abdomen. In Zhao Chuang's dantian, the energy that had been condensed had already undergone qualitative changes, but Zhao Chuang's strength could not be seen to increase!

"Don't worry, I believe you will soon reach Marquis Wu..."

Kai comforted Zhao Chuang, although Kai didn't know why Zhao Chuang's strength did not increase, but he was sure that as long as he found the crux, Zhao Chuang The energy in his dantian will definitely make his strength grow by leaps and bounds!

Kai, Hu Mazi, and Zhao Chuang walked towards the nearest temple.

At the same time, in the mansion in the forbidden area of the palace, Hu Li Daxian looked at the sky with a solemn expression!

"With such terrifying spiritual power fluctuations, are there still masters breaking through on Penglai Island?"

Hu Li Daxian muttered to himself!

Soon, Du Ziteng was ordered to rush over, and after seeing Huli Daxian, he fell to his knees!

"Hu Li Daxian, I don't know what you are looking for, what's the matter?"

Du Ziteng asked.

"Let me ask you, has the youth of the Nascent Soul Realm you mentioned left Penglai Island?"

Hu Li Daxian asked.

"No, he has been on Penglai Island, but he has never left the house. He should have been cultivating..."

Du Ziteng replied.

Hearing this, Hu Li Daxian was silent for a moment: "Send someone to take a look immediately. This young man may have broken through again, and his realm is not low. When you find out the news, come to me directly..."

"Understood..."

Du Ziteng nodded and left!

Hu Li Daxian is still looking at the sky, his face is full of worry...

"Master, when will you be resurrected, I always have a bad premonition..."

Hu Li Daxian murmured.

.....

Penglai Island, inside a temple!

Every day here, people come here to offer incense and kowtow, and the people who come here are all very pious and respect the stone statue in front of them!

Kai looked at the people who came in and went out, and there was nothing unusual. Although these people were all immortals, they all lived the lives of ordinary people, as if they didn't know they were immortals at all, and no one was obsessed with cultivating to become immortals. !

The robustness of the body and the increase in life span have already made these people ecstatic, and no one has ever thought of longevity!

Kai walked into the temple first!

Looking at the stone statue in front of me, it is very ordinary, and there is nothing special about it, and the stone statue is a little black because it has been smoked for many years.

Kai instantly exuded divine consciousness, and then divine consciousness covered the stone statue, trying to find out if the stone statue was weird.

However, under investigation, it was found that the stone statue was carved from ordinary stone, and nothing was found, which made Kai feel very puzzled!

"Brother, let me ask, why do you keep kneeling and worshipping this ordinary stone statue? Who is this stone statue?"

Kai stopped a middle-aged man and asked.

The middle-aged man glanced at Kai, and then said: "This is the god in Penglai Island. It is said that this Penglai Island was built by this person. Of course, we have to thank others for the benefits of Penglai Island..." The middle-

aged man After finishing speaking, I ignored Kai and went straight to kneel and worship the stone statue!

At this moment, several guards in armor came, all of them were fierce, and they surrounded Kai and the others.

The leader among them was a young man with a folding fan in his hand and dressed in satin, but even though he was young, his aura was not weak.

Kai took a look at this person, just like the image of a playboy in the TV series, it is estimated that he will not survive two episodes!

"Who are you? Why don't you worship when you enter the temple? Dare to use your spiritual sense to probe?"

The young man glanced at Kai and the others, and then shouted angrily!

"I'm sorry, we just came from outside and don't know the rules..."

Seeing this, Hu Mazi hurriedly stepped forward and explained to the young man!

"It's from outside?" After the

young man looked at Kai and the others again, he said lightly, "Since I don't understand the rules, I won't bother with you, go and bow down..."

Hu Mazi nodded again and again: "Okay. "..."

Zhao Chuang on the side, looking at the arrogant look of the young man, was already upset, and when he saw Hu Mazi's submissive performance, he felt very embarrassed!

How to say, Zhao Chuang used to be a dude, a rich and powerful son, he can't stand this anger!

"If you ask us to kneel, we will kneel, a stone-breaking man, what the hell is there to worship?"

Zhao Chuang asked the young man.

Zhao Chuang's words instantly aroused the anger of the young people, and the guards in armor directly surrounded Zhao Chuang.

"Bold, dare to be rude to the prince, court death..."

After speaking, the machete in the hand of a guard slashed towards Zhao Chuang at once!

Zhao Chuang showed disdain on his face. The strength of these guards was simply no match for him, so Zhao Chuang was not afraid!

He reached out and grabbed the machete, then kicked it out.

Hu Mazi stepped forward, the breath on his body exploded, and instantly made those guards feel pressure and couldn't take a step forward!

Feeling the breath of Hu Mazi, it was obvious that the young man's face changed, and then his brows wrinkled, looking at Hu Mazi in surprise.

"Retreat..." The

young man spoke, and all the guards retreated.

"We're going to kneel here, we're going to kneel down here..."

Hu Mazi nodded to the young man again and again, and then pulled Zhao Chuang and Kai to kneel and worship!

Hu Mazi whispered to Kai!

Zhao Chuang was still a little dissatisfied, but Kai said, "Zhao Chuang, listen to Master Hu..."

Seeing Kai speak, Zhao Chuang didn't dare to say anything.

The three walked into the temple, and then knelt down and worshipped!

When they knelt down and bowed, a faint white light radiated from them, and was immediately absorbed by the stone statue!

Neither Zhao Chuang nor Hu Mazi felt anything different, but Kai suddenly frowned, and then stared straight at the stone statue in front of him.

At the moment when he just knelt down and worshipped, Kai felt a trace of spiritual power inexplicably being sucked away from his body, and then entered the stone statue!

"This stone statue is weird..."

Kai whispered.

"What's weird? Haven't you checked it out?"

Hu Mazi asked strangely.

"I just checked with my spiritual sense, and I didn't find it out. I need to check it again..."

Kai said, then got up and walked towards the stone statue, and placed his palm gently on the stone statue!

Kai's scene instantly shocked the others around him.

"Bold, how dare you touch the gods with your hands, it's too presumptuous..."

"Come back, you are courting death..."

Seeing Kai's actions, everyone around them changed. Gotta get angry!

And the young people outside heard the shout and rushed in quickly!

When he saw that Kai actually touched the stone statue with his hand, he suddenly became extremely angry!

"Let go, you are courting death..."

The young man instantly burst out with terrifying killing intent!

However, the young man did not act on Kai, fearing that he would act here and damage the statue.

But Kai didn't seem to hear it, he ignored the young man at all, but the strength in his hand increased, and cracks appeared in the stone statue in an instant, and then it shattered in an instant.

Chapter 1562 God's Punishment _

At the moment when the stone statue collapsed, the power of a magic circle dissipated instantly!

Kai muttered to himself: "Sure enough, there is a formation, it seems that my guess is good..."

Seeing that Kai actually destroyed the stone statue, the anger of the young people is even more intense!

"Looking for death..." The

young man slapped Kai with a palm.

After a muffled sound, Kai's body didn't move at all, and he was still thinking, but the young man was shocked by the force of the shock!

This scene made the young man's face change greatly, and he looked at Kai in shock!

"Kai, what are you thinking? Why did you destroy this statue? How can we investigate the secrets here!"

Hu Mazi asked Kai puzzled.

"How many temples like this are there in total?"

Kai did not answer Hu Mazi, but asked Hu Mazi.

Hu Mazi was stunned and said: "I don't know very well, but there are at least a hundred..."

Kai's eyes narrowed slightly: "I seem to know something..."

After saying that, Kai walked out, Hu Ma Zi heard the fog in the clouds for a while, but also followed out.

At this moment, outside the temple, Zhao Chuang was confronting the young man. At this time, dozens of guards had already arrived and surrounded the place.

Kai just glanced at these people, didn't pay any attention to them at all, and continued to walk out!

Hu Mazi's eyes suddenly widened, with a look of surprise on his face.

"Ancient technique? How come there are still people who know this technique now?"

Hu Mazi was shocked, and his eyes were about to pop out!

There was a loud noise, the dust flew up, and the whole ground began to shake!

Hu Mazi and Zhao Chuang on the side were also knocked out by the huge force.

Seeing this scene, the corner of the young man's mouth raised slightly.

At the same time, in the forbidden area of the palace, Hu Li Daxian stared at the stone statue more than ten meters high in front of him, looking at the incomplete piece of the stone statue, his eyes were full of anger!

"Since someone dares to damage the stone statue, it's just damn..."

Then Huli Daxian held a scepter in his hand, and a white gem on the scepter radiated light, and the light shot up into the sky!

It turned out that the so-called divine punishment was not the magic technique that the young man cast!

What he recited was not a divine punishment spell, just some ordinary psychic spells. As long as he recited the spell, the Huli Great Immortal could sense it.

Afterwards, the great immortal Hu Li was using a spell, and the divine punishment came directly!

Obviously, the young man did not know that this formation was not performed by him!

"God's punishment comes, no one can survive, this is the end of blasphemy and damage to the statue..." The

young man said to the people around him in a high-spirited tone.

Obviously, the people around were also frightened enough, and all nodded desperately, but none of them dared to blaspheme the statue.

Hu Mazi and Zhao Chuang were shaken and dizzy, and got up slowly.

Looking at the smoke and dust in front of them, neither of them knew what happened to Kai.

"Who said that no one will survive under the punishment of God..."

At this time, Kai's figure slowly walked out of the dust!

This time, the young man was dumbfounded for a moment, and the eyes of the people around were widened, their faces were incredible!

The gods in their hearts, Kai was afraid that they would be broken at this moment.

Kai could not see any scars on his body, and even his clothes were intact. At the moment when the divine punishment came, Kai had already activated his indestructible golden body!

"This...how is this possible? How is it possible?" The

young man was dumbfounded and looked at Kai in disbelief: "Who are you?"

"Why do you want to absorb other people's spiritual power? No wonder the people here can't improve their strength..."

"And the rich spiritual energy here is definitely not a natural formation, right? This spiritual energy must have moved hands and feet!"

Kai walked towards the young man step by step and asked with sharp eyes.

The young man stepped back step by step, and Kai asked him for a long time. In fact, he didn't know what Kai said.

"What nonsense are you talking about? I don't understand at all..."

The young man stepped back, and then his face turned cold: "Give it to me, grab these people..." The

young man ordered, dozens of guards swarmed up, and rushed towards Kai and Hu Mazi.

Kai instantly burst into coercion. Before dozens of guards could reach him, they were directly pressed to the ground by this coercion, unable to even move.

The young man suddenly took out a jet-black dagger and stabbed it towards Kai.

"God's punishment can't hurt you, let me see if this ancient divine weapon can hurt you..." The

young man's face turned fierce, pinning all his hopes on the jet-black dagger in his hand.

Dang...

With a crisp sound, the dagger stabbed Kai fiercely, but it failed to hurt Kai.

A sneer appeared on Kai's face, and then he grabbed the jet-black dagger.

Kai exerted a little force, and the jet-black dagger broke instantly!

The young man was stupid, he stepped back again and again, and finally sat on the ground!

Feeling the terrifying coercion on Kai's body, cold sweat broke out on the young man's forehead!

Kai walked towards the young man step by step, then looked down at him.

"You... what do you think? I'm the crown prince of the court, and my father is Du Ziteng. You can't kill me, otherwise my father won't let you go." The

young man was cowardly and moved out of his father.

"Du Ziteng?" Kai sneered at the corner of his mouth: "I still have a headache. If I asked you just now, answer me honestly..."

"I don't know, I don't know what you asked! "The

young man shook his head desperately!

"I don't know?" Kai's face turned cold, and the coercive force on his body became a little more arrogant.

The young man instantly knelt in front of Kai and kept kowtowing.

"Brother, I really don't know, I really don't know..." The

young man was frightened!

Looking at the prince of the court, kowtowing in front of Kai, the expressions of the people around him changed and changed, and there was an indescribable feeling in my heart!

Kai cursed, and the young man didn't dare to fart!

However, Hu Mazi asked the young man, "I ask you, who taught you your ancient arts ?

"

!

Hu Mazi slapped it up with a slap, instantly making the young man's face red and swollen.

Kai was taken aback by Hu Mazi's actions!

Just now, Hu Mazi had a calm attitude, nodding and bowing to the young man, but now he doesn't agree and hits people!

"Master Hu, what are you doing?"

Kai asked in confusion.

"Anyway, it's like this, and I can't hide it anymore, why are you so used to him..."

After Zhao Chuang finished speaking, he rushed over, raised his foot and kicked the young man.

But before Zhao Chuang's foot fell, the young man immediately shouted: "I said, I said, this magic spell was taught to me by my father, there are only a few people in Penglai Island who understand this kind of divine punishment. Technique!"

"Go, take me to your father..."

Hu Mazi picked up the young man immediately.

"Master Hu, are you planning to break into the palace?"

Kai asked.

"Anyway, we can't investigate secretly. Just ask that Du Ziteng directly. He's not your opponent anyway..."

Hu Mazi smiled at Kai!

Seeing this, Kai could only smile and follow along!

"Boy, I tell you, don't play tricks, your dad is just a peak of Jindan strength, my little brother is in the Nascent Soul Realm!"

Hu Mazi carried the young man, then pointed to Kai and said.

The young man looked at Kai with an unbelievable expression in his eyes.

He didn't quite believe that Kai's age could actually be Nascent Soul Realm!

Seeing that Kai didn't believe him, the aura from his body unreservedly exuded.

Just now, Kai only used half of his strength, or just coercion would cause these people to collapse and die!

Then he said tremblingly: "You... are you really in the Nascent Soul Realm?"

"This can still be fake? Can't you feel the breath yourself?"

Kai said with a cold smile.

"I feel it, I feel it. I was offended just now. I hope you don't take offense. I will definitely cooperate with you. You can do whatever you want, gold and silver jewelry, rare beauties, our court has them!" The

young man hurriedly said kindly.

"We're not robbers, what do we want from you, and a rare beauty. It's a pity that you are still a cultivator. If you want gold and silver jewelry, what's the use of a rare beauty?"

Hu Mazi gave the young man a slap on the back of the head!

"The master's lesson is right, there are alchemists in our court, and we can give you some medicinal herbs!" The

young man was slapped, not only did he not get angry, but also said with a smile to please!

Hearing the pharmacist, Kai was instantly interested, he wanted to see what level the pharmacist here was!

After all, Kai was only in the Medicine God Valley. He had seen Elder Xu and the others refining medicine, but he had never seen anyone else refining medicine!

A few people walked and chatted, Kai and the others also had a deep understanding of young people!

This guy's name is Du Nan, the only son of Du Ziteng!

Although it is a bit playful and exaggerated, it is not bad, and it does not bully the ordinary residents of Penglai Island!

Chapter 1565 Misunderstanding _

Inside the palace!

Du Ziteng was resting, but the first elder hurried in!

"King Du, it's not good, someone reported that the prince was taken away..."

The elder said anxiously.

Du Ziteng's body that was lying down suddenly stood up.

"Who? Who dares to arrest my son?"

Du Ziteng asked angrily.

"I heard that there are a few foreigners who just came to our Penglai Island not long ago."

The elder said,

"Quick, call me a group, and even dare to touch my son on Penglai Island. I'm really tired of living."

Du Ziteng was full of murderous aura. .

You must know that their Du family has absolute authority on Penglai Island, who would dare to touch the Du family?

Soon, Du Ziteng gathered hundreds of people and headed out of the palace in a mighty manner.

At this time, Du Nan also brought Kai and the others to the palace.

Several people were talking and laughing, obviously familiar with a lot!

"This is my home..."

Du Nan pointed to the palace in front of him and said.

"Damn it, it's too imposing..."

Zhao Chuang couldn't help sighing after seeing it!

Originally, he thought that his family's Wuying Villa was quite good, but when he saw this palace and his own house, it was like rubbish.

I saw that the palace was built with a very special method, and it obviously has a history of many years.

Every brick and stone in the construction of the palace seems to be directly polished by humans.

Kai's consciousness spread out and instantly covered the city wall of the palace. He wanted to see if such a magnificent palace was protected by a formation!

But after investigating for a long time, there was no response from the palace, which means that the palace was not protected by a formation, which made Kai feel a little strange.

In the world of immortality on Penglai Island, such an important place, logically speaking, should have a defensive formation.

"Du Nan, how many years has your palace been built?"

Kai asked Du Nan.

Du Nan shook his head: "I don't know, I heard from my dad, when our Du family came to Penglai Island, there was this palace."

"Didn't your family build it?"

Zhao Chuang asked in surprise. road.

Du Nan shook his head: "No, according to the genealogy, our Du family has only come to Penglai Island for more than 400 years."

"This palace has existed for more than a thousand years. How could it be built by our family!"

"Okay, let's go in and have a look..." Kai took the lead and walked towards the palace.

Since the Du family was not the original owner here, there must be a lot of secrets hidden here.

When Kai and the others just took two steps forward, they saw hundreds of people walking out of the palace, each of them wearing armor, very mighty!

One of the leaders was covered in golden armor, with a majestic spear in his hand!

"Why did my dad come out?"

Du Nan couldn't help muttering when he saw the person in front of him covered in golden armor!

Before Du Nan could speak, Du Ziteng came to Kai and the others angrily.

"Bold madman, you dare to arrest my son, let me go quickly, or you will die without a place to be buried."

Du Ziteng roared, his aura burst out undisguised.

And the Great Elder beside Du Ziteng saw Kai, his expression changed instantly: "It's you?"

"You know them?" Du Ziteng asked the Great Elder.

"King Du, this person is what I told you, the guy who has reached the Nascent Soul Realm at a young age."

The elder pointed to Kai and said.

Hearing what the first elder said, Du Ziteng's face instantly became extremely ugly!

The opponent is Nascent Soul Realm, and he is only the peak of Jindan, and he is not an opponent at all.

"Dad, you made a mistake. They didn't arrest me. It's not good for me, it's just a misunderstanding. I'll talk about it after I go in."

Du Nan hurriedly stepped forward and explained to Du Ziteng.

Chapter 1566

Seeing this, Du Ziteng saw that his son was okay, so he let go of his guard and waved his hand: "Let's go in and talk!"

Du Ziteng was also unwilling to follow a master of the Nascent Soul Realm as an enemy!

It would be the best if it could be turned into jade and silk.

Soon, everyone came to the palace, and Du Ziteng sent people to prepare a lot of rich items to entertain Kai and them.

However, it can be seen that Du Ziteng is still a little wary in his politeness to Kai and the others!

After all, Kai and the others suddenly came to Penglai Island, and Du Ziteng didn't know their intentions!

And now people like Du Ziteng don't know Kai's true identity. If they know that he is Kai who killed Duda, I don't know if they will be so polite to Kai.

"Several, I don't know if you came to Penglai Island for fun or something else?"

Du Ziteng asked Kai and the others.

"King Du, we are just curious, come and take a look..."

Kai said.

"Curious? What's so curious about?" Du Ziteng didn't understand what Kai was curious about.

"King Du, since you asked, then I'll tell the truth, your Penglai Island is full of spiritual energy, and it is an excellent place for cultivation. The people on the island should be powerful, but why are you people on Penglai Island, The highest is the peak of Jindan?"

Kai asked bluntly.

Although Kai knew some of the secrets, he still wanted to get confirmation from Du Ziteng's mouth!

When Du Ziteng heard this, he sighed helplessly: "In fact, we have already known about this problem you mentioned, but I don't know the reason, but even if we can only cultivate to the peak of Jindan, we are all satisfied. "

You should know that many immortal cultivators on Penglai Island are just ordinary people. In their eyes, there is no distinction between realms. They only know that there is no disease or disaster, and a peaceful life is good."

"And all the people on Penglai Island can live to be more than 100 years old, which is incomparable outside."

"As for why they can't continue to cultivate to a higher realm, no one is going to investigate, maybe there is someone here. Some kind of suppression."

After hearing Du Ziteng's explanation, Kai was stunned for a while.

He did not expect that Du Ziteng, this guy, has no desire for strength at all. It seems that when he reaches the peak of Jindan, he is already very satisfied.

Looking at Du Ziteng's expression, Kai wasn't sure if Du Ziteng lied to him.

So he closed his eyes slightly, and an extremely terrifying divine consciousness suddenly radiated out overwhelmingly.

With the improvement of Kai's realm, Kai's consciousness has also skyrocketed a lot!

The scene was very afraid that the range covered by divine consciousness was much wider.

Kai's consciousness was scattered throughout the palace, trying to find out what secrets were in the palace.

Du Ziteng didn't stop Kai when he saw Kai exuding his consciousness!

Soon, Kai took back his consciousness, and there was no expression on his face, as if he had found nothing!

"Dad, they accidentally broke a statue, you remember to ask the gods for their sins and forgive them..."

At this time, Du Nan told Kai about breaking the statue.

However, he did not say that Kai broke it on purpose, but said that he was not careful, and it could be seen that Du Nan also wanted to help Kai and the others.

"What? Broke the statue?"

Du Ziteng's expression changed instantly!

When Kai saw this, he opened his mouth and said, "King Du, I accidentally broke a stone statue. I will pay you one. King Du is so surprised. Could it be that there is some secret in that stone statue?"

Du Ziteng quickly recovered his expression and shook his head. He shook his head and said, "There is no secret, it's just to create a belief for everyone. After two days, let the craftsman carve one!"

"It's getting late now, so you can stay here." After Du Ziteng finished speaking, he looked at Du Nan and said, "Nan'er, take a few of them to find a room to rest."

Seeing this, Kai didn't say much, but got up and cupped his hands, ready to leave with Du Nan!

"Wait a minute!" Just when Kai was about to leave, Du Ziteng suddenly stopped: "This little brother, dare to ask your honorable name?" After

talking for a long time, Du Ziteng still doesn't know what Kai's name is!

When Kai said his name, the atmosphere instantly became awkward on the spot!

Du Ziteng's complexion also changed instantly again, including that Du Nan, his eyes on Kai also changed several times!

After a while, Du Ziteng said: "Do you know Du Da?"

Kai nodded: "Yes, he was killed by me..."

Seeing Kai's admission, Du Ziteng took a deep breath and tried his best to calm down. with your own mood.

After a moment of silence again, Du Ziteng continued to speak: "Du Da is my elder brother, his desire was too strong, and he ended up taking his own life, I also understand a little about you and my elder brother, everything is his own fault, I listened to the nonsense of Zhu Zhishan!"

Du Da's words surprised Kai, he originally thought that Du Ziteng would turn his face on the spot and fight with him, but he didn't think that Du Ziteng would say such a thing.

In this way, Kai didn't know what to say!

"Mr. Chen, let's go..."

Du Nan took Kai away in this awkward atmosphere.

Although there was no change in Du Nan's face, it was obvious that he spoke a lot less.

"Just live here, someone will take care of you..."

After Du Nan found a room for Kai and the others, he turned and left!

After Du Nan left, Hu Mazi looked at Kai: "Didn't you just make up a name?"

"I did it on purpose!" Kai said.

"Intentionally? Did you deliberately let them know that you are the one who killed Duda?"

Hu Mazi was puzzled, why did Kai do this!

"Yes, I just want to see their performance. That Du Ziteng hides too deeply, and he doesn't tell the truth."

Kai's eyes narrowed slightly.

Although Du Ziteng's strength is not high, but in this conversation, Kai knew that Du Ziteng's heart is really strong.

In the conversation just now, no one could tell the truth of what he said!

"Then you use your divine sense to investigate, is there any secret in this palace?"

Hu Mazi asked hurriedly.

Kai nodded: "Yes, at the end of this palace, my consciousness was blocked, as if it was cut off by something out of thin air, indicating that there must be some secrets hidden there!"

"All of the stone statues have been given a formation, and they can absorb spiritual power from others. Although it is weak, it can also add up."

"This kind of ability is definitely not something that Du Ziteng can achieve. There must be people behind Du Ziteng. He is controlling everything here."

"That Du Ziteng, or even the entire Du family, is just a puppet!"

Kai analyzed it carefully!

"Then let's sneak a look at it at night."

Hu Mazi became interested when he heard it!

Kai nodded: "That's what I mean!"

"I'm going too..." When Zhao Chuang heard this, he also wanted to join in the fun!

"Don't go, if your strength is discovered, you can't run!"

Kai rejected Zhao Chuang directly!

Soon, the moon was dark and the wind was high, and the two figures quickly walked towards the end of the palace!

These two figures are Kai and Hu Mazi!

Dodging all the sentries, the two reached the end and were blocked by a wall.

"Why is there no way?"

Hu Mazi asked in surprise.

"There's no way, there must be something here!"

After Kai finished speaking, he searched carefully.

Chapter 1568

Hu Mazi couldn't help laughing when he saw Kai bending over to look carefully!

Kai was stunned for a moment, then looked at Hu Mazi: "Master Hu, what are you laughing at?"

"I laugh at you looking for an agency like this, but you can't find it at dawn..."

Hu Mazi said.

"How to find it?" Kai asked.

"You forgot what I do? What are you doing in front of me?"

Hu Mazi said, took out a spell, and then said something in his mouth, and the spell suddenly glowed light green!

This ray of light began to sweep, and soon in a hidden place, a light spot was flickering!

"This is the mechanism..."

Seeing this, Hu Mazi stepped forward to press the mechanism!

But he was stopped by Kai, Kai shook his head, and then listened carefully.

Then he glanced at Hu Mazi, and Hu Mazi understood it, and slowly pressed the button!

Soon, the wall in front of them began to recede to both sides, and another scene was exposed in the vision of the two.

The moment the organ was opened, Kai and Hu Mazi rushed in, then shot at the guards on both sides, knocking them unconscious.

Before the two guards could see who was coming, their eyes darkened and they fainted!

Kai and Hu Mazi looked at the peach blossom-like scene in front of them and a mansion not far away, and they were a little excited!

It seems that this is the hub of the entire Penglai Island. The person who controls Penglai Island must live here!

The two walked cautiously towards the mansion!

But soon, one after another taboo blocked the way of the two in an instant!

"What a powerful forbidden power..."

Hu Mazi was full of surprise!

Kai frowned slightly and put his hand gently in front of him, only to feel that something was touched on his hand, which was very hard and could not penetrate.

Kai slowly activated his spiritual power, trying to destroy the taboo in front of him!

He didn't dare to burst his breath directly, that would be instantly discovered.

But just as Kai's spiritual power was activated, a tremendous anti-shock force struck in an instant, and Kai's body flew upside down.

"Are you okay?"

Hu Mazi looked at Kai and asked.

Kai shook his head: "It's okay, this taboo formation has some meaning..."

Kai said, a faint golden light wrapped his palm, and then pressed hard on the taboo force in front of him!

Rumbling.....

Suddenly, there was a huge roar, followed by a burst of shaking!

This kind of movement shocked both Kai and Hu Mazi!

"Damn, this taboo formation has an alarm, and if it is forcibly broken, it will be activated, let's go..."

Hu Mazi stepped forward and grabbed Kai!

Seeing this, Kai also knew that it was impossible to continue the investigation, so he followed Hu Mazi and ran away!

This huge roar suddenly awakened many guards.

Even the tiger power immortal in the mansion suddenly woke up!

Du Ziteng came in a hurry. When he opened the door and saw the two guards who had been knocked out, Du Ziteng's face was very ugly!

At this time, in the mansion, a terrifying aura was constantly radiating out.

Feeling this terrifying breath, Du Ziteng's body was shaking.

Du Ziteng bit his head and walked slowly towards the mansion, he didn't know what he was going to face next!

It is a great sin to be secretly intruded into a forbidden area!

Passing through the forbidden power, Du Ziteng knelt on the ground with a thud, and even crawled towards the mansion!

Du Ziteng's forehead was covered in cold sweat, and he began to regret it!

He regretted letting Kai and the others stay in the palace. He never thought that Kai and the others would discover the forbidden area, and they dared to sneak in!

You must know that when Kai used his divine sense to probe, there was no change in his expression. Du Ziteng thought that Kai had found nothing.

"How did you do it? Someone dared to break into the forbidden area at night?"

Hu Li Daxian snorted coldly.

Du Ziteng shivered all over, and hurriedly explained: "Great Immortal Huli, spare your life, it was Kai who sneaked in, and they broke in without knowing how they opened the forbidden area!"

"Kai?" Great Immortal Huli Brow wrinkled.

"Yes, he killed my brother Du Da."

Du Ziteng said quickly.

"Since he killed your brother, why do you still keep him? Today, someone damaged the statue, and someone broke into the forbidden area at night. I think how did you act as King Du?"

Hu Li Daxian was obviously very angry.

"Immortal Huli, then Kai is already in the realm of Nascent Soul. I'm not his opponent at all. He also broke the idol, and the dog's divine punishment failed to hurt him one bit..."

Du Ziteng said, In an instant, Hu Li Daxian became interested.

"Can you even bear the punishment of God?" Hu Li Daxian's eyes flickered: "It seems that this kid's body is really a good thing, maybe with his body, the master can be resurrected..."

"Tomorrow, you bring that kid to me..."

said Hu Li Daxian.

Du Ziteng looked embarrassed, he didn't know if Kai would listen to him.

If Kai didn't listen, he wouldn't have the ability to bring Kai in.

At this time, Huli Daxian took out some pills and threw them directly to Du Ziteng!

"As long as you think of a way to let him eat these pills tomorrow, he will temporarily lose his power. Listen to your words, remember, taking one will have an effect, and you must not hurt him, I still have use!"

Hu Li Daxian warned Du Ziteng.

"My subordinates understand!" Du Ziteng nodded, then heaved a sigh of relief and exited the mansion!

After Kai and Hu Mazi escaped, they went back to their room to sleep, pretending they didn't know anything.

As a result, no one traced it overnight.

Early in the morning, Kai and the others were invited to have breakfast with Du Ziteng!

Du Ziteng was very enthusiastic, as if nothing happened last night!

This made Kai and the others suspicious!

"Several, you are the guests, please enjoy it!"

After Du Ziteng finished speaking, someone quickly brought a few plates to Kai and the others.

After opening it, it is not a nutritious breakfast, but a pill!

This scene made Kai and the others look a little dumbfounded!

They have never seen that breakfast is replaced by medicine pills.

"Several, for those of us who cultivate, eating whole grains is a waste of food. Here are the nutritional pills refined by our court pharmacists, which can help with cultivation. Please try it!

" Eat up!

Hu Mazi and Zhao Chuang looked at Kai together. The two of them didn't know about refining medicine, and they didn't know that there was no bomb in it!

Kai nodded slightly towards the two of them, and then he picked up a pill in front of him and threw it into his mouth!

Hu Mazi and Zhao Chuang saw this, but they devoured it!

As a result, they all take medicine pills, and such a luxurious life is not something that happens every day.

At the entrance of the medicinal pill, a warm current hits, it is indeed a good thing!

But as there were fewer and fewer pills on the plate in front of him, Kai picked up the last pill and was about to throw it into his mouth, but he was suddenly stunned!

Chapter 1570 Too insidious

Kai frowned slightly and sniffed hard.

Seeing Kai stop suddenly, Du Ziteng's heart throbbed for a moment.

He was afraid that Kai would find out the secret. If Kai found out that he had used the medicine pill, he would definitely kill him in a fit of rage!

Just when Du Ziteng looked at Kai nervously, he saw that Kai just hesitated, and finally threw the medicine pill into his mouth!

Seeing Kai taking the medicine pill, Du Ziteng breathed a long sigh of relief!

"It really is a good thing. After eating these medicinal herbs, I feel really refreshed..."

Hu Mazi had already finished eating the medicinal pills in front of him, and even hiccupped!

But when he was about to get up, he suddenly felt his legs soften, and he sat back directly!

Hu Mazi was startled and hurriedly ran his breath, but at this time he found that his dantian was already empty, and he couldn't raise any strength.

"Broken..."

Hu Mazi yelled!

At this time, Zhao Chuang also felt powerless in an instant, and slumped on the chair!

Kai looked at Hu Mazi and Zhao Chuang, but there was no surprise in his eyes. He himself was slumped on the chair, motionless!

Seeing this scene, Du Ziteng burst into laughter: "Hahaha, with your IQs, you dare to come to Penglai Island to do wild things."

"Killing my brother and destroying the statue, none of you will want to live! "

Take them away..."

Du Ziteng waved his hand, hurriedly escorted them forward, and directly set up Kai and the others!

"Du Ziteng, you despicable fellow, actually drugged us..."

Hu Mazi cursed at Du Ziteng!

Zhao Chuang looked at Du Nan next to him at the moment, and scolded him as soon as he opened his mouth!

Although Du Nan's expression changed slightly, he stood still and didn't speak!

Kai didn't say a word, just glanced at Du Nan lightly!

After Du Nan met Kai's eyes, he dodged slightly!

Soon, Kai and the others were brought into the forbidden area by Du Ziteng.

Du Ziteng skillfully opened the door, and soon several guards came out of the forbidden area, and replaced Kai and the others!

Those guards outside the palace are not allowed to enter the forbidden area, only those from the Du family can!

Looking at the world that suddenly changed for the better, Zhao Chuang's eyes were full of surprise, because it was the first time he saw it.

Also surprised was Du Nan. Although he knew that there was a forbidden area in the palace, he had never entered the forbidden area.

As a prince, Du Nan could not enter this kind of place casually, but Du Ziteng still brought Du Nan in!

Some things, he felt compelled to let his son know too!

After walking for a while, before arriving at the mansion, Du Ziteng skillfully pressed his hand forward. After feeling the forbidden power in front of him, it opened instantly.

After passing through the forbidden power, the forbidden power is restored again.

"Immortal Huli, my subordinates have been ordered to bring people..."

Hearing Du Ziteng's words, Du Nan on the side was surprised. He always thought that his father was the supreme ruler of Penglai Island.

When Kai saw this scene, an imperceptible smile appeared on the corner of his mouth!

The people behind the scenes, they will be able to meet right away!

"Bring it in..."

A strong voice came in from the mansion!

When Kai and the others were brought in, everyone except Du Ziteng was slightly surprised!

I saw a guy with a tiger's head, sitting on the main seat, looking very scary!

"Monsters become essences?"

Hu Mazi couldn't help but blurt out!

The one in front of him is obviously a fierce tiger, and now it has a human body, isn't this a sperm?
