## A man like none other and the man decree (chinese) Chapter 1571-1600

A man like none other and the man decree (chinese) Chapter 1571-1572

Chapter 1571

Hu Mazi's sentence of a monster obviously made the Huli Daxian unhappy.

A breath burst out from the Huli Daxian, and instantly hit Hu Mazi!

Hu Mazi groaned and fell directly to the ground, his face was very ferocious, it should be very painful!

Zhao Chuang had already turned pale with fright at this time, he had never seen such a person before!

Only Kai had a solemn face, and his brows were tightly knit together!

"Great Immortal Huli, this guy is Kai..."

Du Ziteng pointed at Kai and followed the Great Immortal Huli.

Hu Li Daxian got up, walked down slowly, and then walked towards Kai.

As it gets closer and closer, the breath of Hu Li Daxian feels more and more obvious!

This kind of breath is clearly different from human beings, and it can be concluded that the guy in front of him is a real tiger spirit, not a human disguise.

When the demon tiger takes shape, it can only change if it reaches the metamorphosis state above Nascent Soul.

Not all monsters can transform into human form when they reach the state of transformation, and the conditions are very harsh.

And the demon tiger in front of him, although it has transformed into a human body, is a tiger's head, obviously it has not transformed into a shape!

It is very likely that the demon tiger in front of him did not reach the transformation realm, but used external power to forcibly transform into a human form.

"Ah..."

As the Huli Immortal got closer and closer, Du Nan couldn't help but exclaimed!

This time, Du Ziteng was frightened to death!

Seeing Huli Daxian turning his head and looking over, Du Ziteng quickly pleaded for mercy: "Huli Daxian, this is a dog. The dog is ignorant and disturbed Huli Daxian. I will punish him heavily!"

However, Huli Daxian ignored it and put it again His eyes were on Kai!

Immortal Hu Li looked at Kai up and down, and there was light in his eyes!

"Great, great, such a good body, it's hard to find in the world..."

Hu Li Daxian's eyes showed greed.

Then Hu Li Daxian stretched out his hand and gently stroked Kai's body. This time, Kai almost died of nausea!

But when Hu Li Daxian's hand touched Kai's body, he froze instantly, and his eyes showed incredible!

Before waiting for Huli Daxian to react, Kai smashed it out with a punch, and smashed it hard on the chest of Huli Daxian!

This sudden attack made the tiger power immortal too late to react, and was directly smashed and flew out by a punch!

He slammed into the seat behind him heavily, smashing the seat to pieces!

This sudden change made Du Ziteng beside him dumbfounded!

Hu Li Daxian stood up, full of anger, and the terrifying coercion began to permeate, so frightened that Du Ziteng pulled Du Nan back again and again!

"Du Ziteng, how dare you deceive this immortal..."

Hu Li Daxian looked at Du Ziteng!

Du Ziteng felt the coercion, and fell to his knees with a frightened thud: "Immortal Huli, my subordinates will never dare to deceive you, then Kai did take the medicine pill, but I don't know why, his skill is still there!"

Du Ziteng couldn't understand why Kai didn't lose his power!

"You want me to lose my power even with a small scattered power pill?"

Kai smiled coldly, and then looked at the tiger power immortal: "You are just a monster and you dare to call yourself an immortal. It's a shame..."

Hmph, mere Yuan Ying, dare to shout at me in Transformation Realm..."

Hu Li Daxian snorted coldly!

"If you really reach the transformation realm, how can you be a tiger's head? You must have used other forces to forcibly transform. As a result, the external forces collapsed, causing you to look like you are not a human being or a tiger..."

Kai sneered.

Hu Li Daxian's face changed instantly, his eyes were slightly condensed: "Even if I haven't reached the transformation realm, I will be able to deal with you..."

After that, the Huli Daxian raised his hand and made a mark, the mark cut through the space, and blinked. It entered Kai's body!

Chapter 1572

Obviously, this Hu Li Daxian didn't want to hurt Kai, he wanted to control Kai and get Kai's body!

After the imprint entered Kai's body, it quickly began to spread in his brain, as if to control Kai's thoughts!

Kai raised the corner of his mouth, and a golden light flashed in his mind, instantly engulfing the imprint, and Hu Li Daxian's face instantly became extremely gloomy!

"Who the hell are you? How can you have such a powerful consciousness?"

"In today's society, it is impossible for such a situation to occur..."

Hu Li Daxian asked in shock.

"It doesn't matter who I am, what matters is who you are?"

"Why do you use those stone statues to absorb the spiritual power of everyone? What is your purpose?"

Kai asked Hu Li Daxian.

"You actually know this?" Hu Li Daxian's eyes narrowed slightly: "I gave all the people here their strength, and I taught them the method of cultivating immortals, allowing them to step into the path of cultivation, get rid of diseases, and increase their life expectancy. How can I absorb some spiritual power from them?"

"I am the ruler here, the god here, and everything they have is mine..."

Hu Li Daxian began to emit a faint light!

Seeing this, Du Ziteng and Du Nan hurriedly knelt to the ground and kept bowing!

And Kai sneered: "You are a monster, how can you have such ability, don't brag about yourself, is there someone behind you?"

"Bold, you dare to say that this immortal is a monster... "..."

Tiger Power Immortal was furious.

"Kai, you are so brave. Everything here is bestowed by Huli Daxian. Huli Daxian is the god of Penglai Island. I can prove that if you fight against Huli Daxian, there is only one dead end."

Du Ziteng He scolded Kai angrily.

"It's a joke that a tiger that has become a spirit has become a god admired by thousands of human beings..."

Kai snorted coldly!

"Presumptuous, you dare to insult this immortal, I want you to taste my power..."

Hu Li Daxian burst out with anger!

Then the palm of the hand volleyed towards Kai, and the whole body exuded a faint light, just like a real fairy!

"That's all, I will..."

Kai's body shook slightly, and the whole person began to burst into golden light. The golden light on Kai's body was stronger than that of the tiger power immortal.

But just as Kai was about to swipe his palm to block the blow of the Tiger Power Immortal, he found that the Tiger Power Immortal's blow had a strange suction force, and the spiritual power in his body was unexpectedly uncontrollable. Start boiling!

"After absorbing your strength, I can really reach the transformation realm and become a real human..."

Huli Daxian formed a vortex in the palm, and began to continuously absorb the spiritual power in Kai's body!

Just when the spiritual power in Kai's dantian was about to break through his body uncontrollably, the dragon crystal on his chest suddenly flashed!

One after another, the power of the dragon instantly suppressed the boiling spiritual power.

After a while, the Hu Li Daxian saw that his technique didn't work at all, and Kai was not affected at all, so he couldn't help but look surprised!

"How could this be?"

Hu Li Daxian frowned.

Hu Li Daxian's eyes flashed, and a spiritual consciousness instantly shot at Kai, he wanted to see who Kai was!

But at the moment when the divine consciousness was emitted, the golden light on Kai's body flickered, cutting off the divine consciousness!

Seeing that divine knowledge is useless, Hu Li Daxian took two steps back, and then let out a tiger roar!

Then pick up the scepter on the side, and the gem on the scepter begins to emit a dazzling light!

A man like none other and the man decree (chinese) Chapter 1573-1574

### Chapter 1573

Under the ray of light, I saw a golden dragon slowly emerging behind Kai. The mighty golden dragon hovered above Kai's head. At this moment, the golden light on Kai's body was prosperous!

The golden light flickered, making everyone have to close their eyes, and even the Hu Li Daxian stepped back!

"The real body of the golden dragon, the real body, the real body, hahaha..."

Hu Li Daxian laughed wildly, the greed in his eyes unabashedly radiated out!

Scales began to appear on Kai's body, and the undamaged golden body was activated, and then he looked at Huli Daxian with stern eyes.

"Who is the master behind you? You are a monster, you can never have such great ability..."

Kai took a step forward and asked the tiger power immortal.

"If you want to know, then beat me, beat me, I will tell you naturally..."

Hu Li Daxian exuded fighting spirit, and then burst into a loud shout, his body instantly turned into a black shadow, and his body was spinning rapidly!

As the Huli Immortal turned faster and faster, a black hole similar to a time-space tunnel appeared in the air!

There is a strong devouring power in the black hole, and it seems to devour everything!

The entire Penglai Island began to slowly fall into darkness, and everyone was panicking!

"I said, I am the master here, everyone is my subjects..."

Hu Li Daxian said, the scepter in his hand was lifted to the sky, and the scepter instantly emitted a light, directly submerging into the black hole!

Then the light exploded in the black hole, emitting bright colors!

Everyone looked up at the vision in mid-air!

But no one noticed that everyone began to emit a little light and was absorbed by the black hole.

Even Du Ziteng and his son are no exception.

Seeing this, Kai frowned. This was absorbing the spiritual power of everyone on Penglai Island. It would be terrifying to gather these spiritual powers together.

Slowly, there was a rumbling sound in the black hole, just like the sound of thunder!

All of a sudden...

click!

A dazzling light shot out from the black hole, like a bolt of lightning, hitting Kai instantly!

This Huli Daxian actually gathered the power of everyone on Penglai Island to deal with Kai.

The moment the light hit Kai, Kai was stunned, the feeling like the sky was falling, made Kai's body tremble slightly!

The undamaged golden body was instantly defeated and vanished, but Kai's body was not seriously injured!

After one blow, Hu Li Daxian made a random move, the black hole in the air slowly disappeared, the sky recovered again, and the sunlight also shone in!

"If I kill you, it's like crushing an ant. You listen to me now, and I can keep your soul and find you a body again..."

Hu Li Daxian said with an aloof attitude.

The reason why he didn't hurt Kai was because he needed Kai's physical body, it couldn't be damaged!

"I'm not ashamed to say it..."

Kai's eyes condensed, and the power of the dragon was instantly condensed on his fists!

"Holy Light Fist..." A

ray of light wrapped Kai's fist, followed by an overwhelming terrifying force, which instantly moved towards the Tiger Power Immortal!

When Hu Li Daxian saw this, his brows were slightly wrinkled: "You actually know Shengguang Fist, what a surprise..."

After speaking, Huli Daxian pushed his palm forward, and a barrier appeared in front of him out of thin air.

boom!

With a loud bang, the barrier was instantly shattered.

The terrifying power directly shook the entire mansion, and it was about to collapse!

Hu Li Daxian's eyes became more and more hot: "I didn't expect you to have so many secrets. It seems that after the war between gods and demons, there are quite a few old guys who are still alive..."

Chapter 1574

Kai didn't understand what this guy said about the battle between gods and demons, but his Holy Light Fist was indeed taught by a senior.

At that time, it was just a wisp of divine consciousness, and he taught Kai the Holy Light Fist. If he could find his true body, he still didn't know what kind of terrifying skills that old guy would have!

Creeping...

At this time, the pillars of the mansion began to make noises, and they were about to collapse!

"Get out of here..."

Kai said, holding Hu Mazi in one hand and Zhao Chuang in the other, and rushed out of the mansion in an instant!

Now that the power of the two people has been dissipated, they are ordinary people, how can they bear the house smashed on them!

After escaping, Du Ziteng dragged Du Nan and ran out too, only the Huli Daxian broke through the roof, suspended in mid-air, and stared at Kai!

"No matter what, you can't escape today..."

Hu Li Daxian's words carried a strong force, instantly shaking Hu Mazi and Zhao Chuang to the point of vomiting blood!

They don't have the power to resist even the slightest bit of power now!

Seeing this, Kai hurriedly waved his hand, and a golden light enveloped the two of them.

"You two go quickly, don't stay here..."

Kai said to Hu Mazi and Zhao Chuang.

"Brother Chen..."

Zhao Chuang was worried about Kai and didn't want to leave!

Hu Mazi went to pull Zhao Chuang and said: "The two of us are now useless people, what's the use of staying here, and it will distract him..."

After Hu Mazi finished speaking, he took out a charm from his arms, and then put it on Chen Chen. Ping ear whispered a few words!

Kai took the spell and looked at Hu Mazi in surprise.

"Master Hu, thank you..."

Kai's eyes were full of gratitude!

"Thank you, I'm also for myself. When you kill this tiger spirit and find the treasure, you will give me half of it..."

Hu Mazi said with a smile.

"No problem!"

Kai nodded.

But when Hu Mazi was pulling Zhao Chuang away, who knew that Du Ziteng directly blocked in front!

"You have offended the Huli Great Immortal, do you still want to leave?"

Du Ziteng said with a grim expression.

Hu Mazi and Zhao Chuang had ugly expressions on their faces, but there was nothing they could do. The two of them were just a waste now, how could they deal with that Du Ziteng!

"You are courting death..."

Kai's cold and cold voice came, followed by a terrifying force!

In an instant, Du Ziteng was knocked into the air, and his body hit the ground heavily, leaving a big hole!

In the face of Kai, Du Ziteng has no ability to fight back!

"You are extremely ignorant to regard a monster as a god. If you dare to stop the two of them, I will kill your father and son right now..."

Kai's eyes were sharp, and his murderous aura enveloped Du Ziteng and Du Nan's father and son.

Feeling Kai's murderous aura, Du Ziteng's face became very ugly, and he didn't dare to say a word.

Hu Mazi and Zhao Chuang took the opportunity and hurried out of the forbidden area.

Hu Li Daxian looked at everything in front of him, but did not stop him. In his eyes, he only needed to leave Kai. As for the others, it didn't matter!

"When death is imminent, you can still think about your friends. Your temperament is nothing like those dragons..."

Huli Daxianju sneered condescendingly, and then the scepter in his hand emitted rays of light.

The rays of light enveloped Kai, like a cage, trapping Kai in it!

Kai frowned, raised his hand and punched it out!

But just raised his hand, a ray of light was instantly entangled on his wrist, like a chain restraining Kai's movements, making Kai unable to perform at all!

Kai struggled desperately, but he couldn't break free at all. The more Kai struggled, the tighter the chains of light became!

"Hahaha, you are trapped by the Binding Dragon and Cable Array. Even if you are a real dragon, you can't escape..."

Hu Li Daxian laughed and slowly fell from the air, looking at Kai proudly. !

And Kai put his eyes on the scepter in the hands of the tiger power immortal!

He found that the Tiger Power Immortal's own strength did not seem to be particularly strong, and every time he used the scepter, and the power in the scepter must come from the inlaid gem!

As long as the gem is destroyed, the scepter will be useless, and without the scepter, the tiger spirit in front of you will not be a cause for concern!

That Hu Li Daxian didn't know what Kai was thinking, and walked to Kai with a grin.

"For thousands of years, I never thought that I could meet the real body of the Golden Dragon, it's so perfect..."

Huli Daxian After finishing speaking, the scepter in his hand waved towards Kai, and a huge force moved towards Kai!

Kai hurriedly blocked with his sword, but he was directly smashed and flew out, and fell heavily on the ground!

Bang bang bang...

Kai suffered a dozen heavy blows in a row!

Kai got up slowly again, even without the indestructible golden body, Kai's physical body resisted all attacks!

"It's a physical body that is rare for thousands of years. I really don't know how you cultivated in such a harsh environment..."

Hu Li Daxian sighed!

Kai did not speak, but was looking for an opportunity. Seeing that Hu Li Daxian relaxed his vigilance, Kai jumped up instantly!

Whoosh!

Kai's speed was extremely fast, and the Dragon Slaying Sword in his hand suddenly swung out!

"Nine Shadow Swordsmanship, the first slash..." The

Hu Li Daxian's face is very ugly, and the hand holding the scepter is shaking slightly!

Du Ziteng and Du Nan, who were on the side, saw this scene, and their jaws dropped in shock!

You must know that Huli Daxian is a god in their hearts, the ruler of Penglai Island, and everything in their Du family is given by Huli Daxian.

But the gods in their hearts were actually beaten by Kai at this moment in a little embarrassment!

Hu Li Daxian's eyes were slightly condensed: "You boy, you must not stay."

There was a bit of horror in his eyes!

At the same time, the talisman left by Hu Mazi flew directly out of Kai's arms, and then turned into a flame and burned.

Kai recited the Qingxin Mantra in his mouth, and in his body was the Fate to Concentrate, and began to refine this incomparably powerful force in his body!

The red light on Kai's body began to dim, and finally disappeared completely.

At this time, Kai also returned to his original appearance, but the breath on his body has obviously skyrocketed a lot!

"Thanks to Master Hu's spell..."

Kai let out a long breath!

He didn't expect that such a huge power was contained in a small gem, and he almost took his body away!

Hu Li Daxian looked at Kai, the confidence that was full at first, but now no longer exists, and the only thing left is the panic in his eyes!

"Without that scepter, I see what else you can do against me. What other moves do you have, just use them!"

Du Ziteng and Du Nan were stunned for a moment, but they hesitated for a while.

Originally, they had always regarded this Tiger Power Immortal as a god.

But now, this Tiger Power Immortal was pushed to the disadvantage by Kai, and the two of them began to waver.

Seeing the two of them hesitate, Hu Li Daxian was angry: "If you still don't come, you want to be punished by God?"

With this roar of Hu Li Daxian, the two people reluctantly leaned over!

"You dare to be suspicious of the gods, it's just damn..."

"Everything you have is given by this immortal, I can deprive him now..."

Hu Li Daxian said, suddenly raised his hand, and bursts of light appeared on Du Ziteng's body!

"Dad..."

Seeing this, Du Nan hurriedly shouted.

Du Ziteng knelt on the ground, desperately begging for mercy: "I beg the Great Immortal Huli, spare your life, spare your life..."

Chapter 1578

But no matter how Du Ziteng begged for mercy, all his cultivation and spiritual power disappeared in an instant and entered the body of the tiger power immortal!

Du Ziteng sat slumped on the ground. At this moment, he had lost his cultivation and became an ordinary person who couldn't be in the ordinary!

Du Ziteng roared, he couldn't accept such a punishment, such a punishment, it would be better to kill him!

Du Ziteng was crazy, and then he slammed into the boulder beside him!

Without cultivation, he no longer has the courage to live.

Bang.....

Du Ziteng slammed his head on the boulder, and then his brain burst, and his eyes were wide open!

I can't rest my eyes...

"Dad..."

Du Nan rushed over and cried bitterly while hugging his father's body.

He turned his head to look at Hu Li Daxian, his eyes were no longer respectful, some were just angry...

"Don't look at this immortal, everyone on Penglai Island is just a spiritual power vessel raised by me, I can take it away at any time. Everything about you..."

"Without me, where would your Du family enjoy these things, you should dedicate your life to me and be happy!"

"Your father died, now it's your turn..."

Hu Li Daxianyi Raising his hand, a ray of light also shrouded Du Nan.

At this moment, Kai's figure disappeared in a flash, and he stood in front of Du Nan.

"You are a tiger spirit, you dare to call yourself a god and deprive human beings of everything, you think too highly of yourself..."

Kai's face was cold, and then he punched the tiger power immortal!

This punch, the fist wind whistled, much more fierce than before.

Seeing this, the Huli Daxian did not directly confront him, but retreated rapidly and waved out a series of spiritual powers, trying to weaken the power of Kai's punch!

But it is useless and has no scepter. Even if the tiger power immortal absorbs Du Ziteng's spiritual power, it is not Kai's opponent!

Boom.....

Kai punched the Huli Daxian in the chest and instantly smashed the Huli Daxian out.

Kai's figure jumped up, followed by another punch!

In mid-air, Kai threw a dozen punches in a row, but the punches hit the flesh, and the tiger power immortal was beaten without the strength to fight back!

"Roar..."

Finally, the Tiger Power Immortal let out a roar, and the entire forbidden area began to crumble!

Soon, Kai found that there were waves of fluctuations in the void, and then they actually entered a valley!

And in this valley, a stone statue more than ten meters high stands!

This stone statue, followed by the stone statue in the temple, turned out to be exactly the same!

Kai found that around the entire valley, there was always a faint spiritual power floating in, and then entered the body of the stone statue.

Kai's consciousness instantly shrouded the stone statue, and in the body of the stone statue, there were fluctuations of spiritual power.

"Could this be the real master behind Penglai Island?"

Kai frowned slightly!

At this moment, I saw a golden light flickering from the stone statue, instantly cutting off Kai's consciousness!

Kai was severely injured, and his body couldn't help but take a few steps back!

At this time, the tiger power immortal, full of blood, finally knelt in front of the stone statue.

"Master, please give me strength..."

Huli Daxian kneeled in front of the stone statue reverently!

Soon, Kai saw that the stone statue began to flicker, and immediately above his head, a beam of light penetrated into the sky, and finally spread out in the sky, covering the entire Penglai Island.

The rich spiritual energy on Penglai Island disappeared in an instant without a trace, and the entire Penglai Island people began to float continuously!

These are the spiritual powers in everyone's body, and they are all absorbed now!

"No... No, no..."

Du Nan yelled, he wanted to stop the loss of spiritual power in his body, but he couldn't stop it at all!

Seeing this, Kai frowned, and then a golden light shot out, directly covering Du Nan.

With the barrier of golden light, the loss of spiritual power in Du Nan's body was controlled!

Over the entire Penglai Island, countless spiritual powers began to gather together!

"I mustn't let you succeed..."

Seeing this, Kai jumped up, followed by golden light all over his body, and a layer of light white mist wrapped around his fist!

"Holy Light Fist..."

Kai smashed the stone statue with a punch. He couldn't let the stone statue absorb all the spiritual power, otherwise even if it was a hundred of himself, I'm afraid it would not be the opponent of this tiger spirit!

boom!

One punch smashed out, but Kai's body was shocked by a huge shock force, which made him retreat directly!

The stone statue seems to be protected by something, and it can't cause any harm at all!

Hu Li Daxian was still kneeling in front of the stone statue reverently, and he didn't pay any attention to Kai's attack!

At the eyebrows of the stone statue, a ray of light directly shines on the body of Huli Daxian!

Kai directly took out the Dragon Slaying Sword, and slashed at Hu Li Daxian with a fierce sword.

Since you can't destroy the stone statue, then shoot at this tiger spirit!

Kai volleyed a sword, and a golden dragon roared out, making a dragon roar in the air!

Immediately afterwards, the golden dragon opened his bloody mouth and savagely moved towards Huli Daxian!

Hu Li Daxian was still kneeling on the ground, with his head lowered, as if he didn't know the danger he was facing at all!

boom.....

A ray of light shot out from the eyes of the stone statue, and instantly hit the golden dragon, dissipating the golden dragon, and the tiger power immortal did not raise his head from beginning to end!

Seeing that the spiritual power gathered more and more, forming the shape of a sun in mid-air, Kai's face became extremely anxious!

He never thought that it was just a stone statue, how could it have such an ability?

Kai held the Dragon Slaying Sword and kept moving towards Hu Li Daxian!

He knew that as long as the Huli Daxian died, no matter how powerful the statue was, he couldn't do it himself!

"Nine Shadow Swordsmanship..."

Kai swung one sword after another, and the terrifying sword energy whistled in the air!

The sword energy came out, but it was instantly stopped by the rays of light that shot out of the stone statue's eyes!

Kai gritted his teeth, and the Dragon Slaying Sword in his hand kept swinging out, and the entire void began to tremble under the sword energy!

Hu Li Daxian lowered his head and felt the power given by the stone statue. The breath in his entire body was growing rapidly!

The spiritual power in the sky has reached an indescribable level!

Kai raised his head and glanced at it, his face was incomparably livid, his mouth burst out with roars, and the golden light on his body skyrocketed a few points again!

But no matter what moves Kai used, they couldn't break the defense of the statue!

Seeing that the spiritual power in the sky has reached the extreme!

As soon as Kai gritted his teeth, he gave up attacking the tiger power immortal, but jumped up and went directly to the light ball condensed by spiritual power in the air!

Du Nan looked at Kai's weak figure, and turned towards the sun-like light ball in mid-air, and the whole person was stunned.

At this moment, Kai, meaningless moth to the fire, hit the stone with the egg!

Such a huge amount of spiritual power is condensed together. If it explodes, the power will be unimaginable. I am afraid that the entire Penglai Island will disappear from now on!

Seeing Kai rushing towards the ball of light condensed by spiritual power, the top of the stone statue flashed red light, and the ball of light condensed by spiritual power began to emit a ray of light.

When Kai saw this, his entire body instantly blocked the light, cutting off the connection between the stone statue and the ball of light!

The huge spiritual power hit Kai's body and began to pour into Kai's body crazily!

This power is even more violent than the blood energy emitted by the rupture of the gem!

Soon, Kai's dantian was filled, and every part of his body was full of spiritual power, but in this way, the power in the light ball still did not stop conveying!

Kai felt that he was about to burst, his body was getting bigger and bigger, and his skin started to crack!

"Ah..."

Kai roared, he could feel the constant explosion in his body!

At this time, Hu Li Daxian, the aura in the body has undergone great changes, and the strength is climbing towards the transformation.

Soon, there was a huge energy fluctuation, and the body of Hu Li Daxian changed instantly, the scary tiger head began to slowly disappear, and it turned into a young man!

It was this huge energy fluctuation that caused the ball of light to shrink instantly, and Kai also took the opportunity to get some breathing time!

"Hahaha... Breakthrough, I broke through..."

Hu Li Daxian touched his face, and then kowtowed heavily!

"Master, I will accompany you in this life to help you rebirth..."

After Hu Li Daxian finished speaking, he looked greedily at the ball of light in the air!

Such a huge spiritual power, but for the tiger power immortal who has broken through to the shape, it just makes his strength to a higher level!

Kai felt the breath of Hu Li Daxian, his face was unspeakably ugly!

However, seeing that Tiger Power Immortal was greedily looking at the spiritual power light ball, Kai knew that he must not be allowed to devour these spiritual powers!

Otherwise, let alone Penglai Island, I am afraid that no one in the whole world can stop this guy!

Kai gritted his teeth, the fiery heat in his eyes gradually gathered into a cluster of intense light, he stared at the spiritual light ball in front of him, and finally rushed directly towards it.

He wants to detonate the entire spiritual light ball with his body, and he must not let this tiger power immortal get it!

In an instant, Kai's figure was engulfed by the ball of light!

A dazzling light burst out, and no one could see Kai's figure!

At this moment, Kai, who is in the middle of the light ball of spiritual power, is constantly distorting and deforming, as if he has entered another dimension!

The severe torture caused Kai to faint already!

If it weren't for Kai's strong body, now his body would have been torn apart and turned into scum!

A large amount of spiritual power kept pouring into Kai's body!

Kai's body is getting bigger and bigger, and the blood seeps out from the skin, turning blood red!

Boom.....

a huge explosion sounded.

All the rays of light dissipated in an instant, and there was no trace of spiritual power in the sky!

But at this time, Kai's figure also disappeared.

"It's a pity for him..."

Huli Daxian shook his head. He didn't regret the lost spiritual power. After all, the spiritual power was lost, and he could still use the people on Penglai Island to slowly rise back.

It's a pity that Kai's perverted body, the real body of a golden dragon, can't be encountered at any time.

Even in the Dragon Clan, the true body of the Golden Dragon is very rare...

The sky over Penglai Island has returned to calm, and the light shield surrounding it has disappeared in an instant!

Everyone continued to work, the scene just now, they just regarded it as a spectacle!

Du Nan, who really saw this scene, felt like a fool at this moment!

The battle in front of him was beyond his understanding!

For so many years on Penglai Island, he always thought that Du Da's Nascent Soul was about to reach the pinnacle of the Immortal Cultivation World!

But at this time, Kai, who was Nascent Soul, turned into dust and disappeared!

Hu Li Daxian looked at Du Nan and said slowly!

In the face of Hu Li Daxian, Du Nan did not panic at the beginning, but instead looked helpless!

He knew that if the other party let him die, he had absolutely no chance of life!

Slowly closing his eyes, Du Nan is waiting for his fate to come!

"Everything you have is given by me, and now I'm going to take it back..."

Said, Hu Li Daxian slowly raised his palm, and in his palm, a black ball of light appeared !

There seems to be lightning flowing in the ball of light!

A suction hit Du Nan instantly, and the spiritual power in Du Nan's body was slowly passing away!

Just when Hu Li Daxian absorbed Du Nan's strength, he did not find it in a deep pit not far away!

Kai, whose body has been completely broken, is now shining brightly in the Nascent Soul!

Kai's body is recovering at a speed visible to the naked eye!

In the blink of an eye, Kai's body no longer had a single wound, and his skin glowed with luster.

Suddenly, Kai opened his eyes, and there was a cold gleam in his eyes!

Kai rose into the air, and then saw the tiger power immortal, who was actually absorbing Du Nan's strength at this moment!

Du Nan's eyes were tightly closed at the moment, without a trace of struggle!

He confessed his life!

Seeing this, Kai frowned, and then with a loud shout, he punched the tiger power immortal!

Hearing Kai's loud shout, the Hu Li Daxian was startled!

Turning his head to see Kai, Hu Li Daxian hurriedly stepped back with surprise in his eyes!

"How is this possible? In such an explosion, how can you still survive?"

"Even if you have Nascent Soul, under that kind of explosion, Nascent Soul would have already been shattered!"

Hu Li Daxian's eyes revealed incredible !

Du Nan also opened his eyes at this moment and saw that Kai was still alive, and there seemed to be no injuries on his body, and his jaw dropped in shock.

"You haven't died a tiger spirit, how can I die..."

Kai said coldly, looking at the tiger power immortal.

After hearing this, Hu Li Daxian was slightly shocked, and a huge breath instantly enveloped Kai!

"I have now broken through the realm of transformation, even if you are not dead, how can you be my opponent."

Hu Li Daxian snorted coldly, his eyes full of contempt!

Even if Kai hadn't died, it was impossible for a Nascent Soul to beat a transformed one. There is a big gap between this kind of big realm strength!

Kai frowned, feeling the breath of the tiger power immortal, which really made Kai feel a lot of pressure!

"Is it your opponent, and how could it be your family's words? You can only know if you try it..."

Kai's aura also burst out. Press!

"Do you still want to try it? You really don't know how to live or die..."

After speaking, Hu Li Daxian raised his palm, and then patted it out with a fluttering palm.

An unprecedented force suddenly rushed towards Kai!

Kai's body glowed with golden light, the undamaged golden body started, and scales began to cover Kai's body, resisting this terrifying power!

Ling Lie's strong wind, like sharp knives, left scars on Kai's body.

The indestructible golden body shattered immediately, leaving Kai completely exposed to this terrifying power!

Kai glanced at Du Nan who was not far behind him. If he escaped at this moment, Du Nan would definitely die. The residents of Penglai Island had no idea what would happen to him!

An unprecedented explosion sounded, the huge sound, everyone on Penglai Island could clearly hear it!

Outside the palace, Hu Mazi and Zhao Chuang listened to the huge roaring sound inside, and their hearts calmed down a little.

After the huge explosion just now, the fighting stopped immediately, and there was no sound of fighting in the forbidden area. Hu Mazi and Zhao Chuang instantly became worried about Kai.

The fighting stopped, there was no sound, and they didn't know what happened to Kai.

Now the two people's skills have not responded, so there is no way to check!

The loud voice that just sounded again let Hu Mazi and Zhao Chuang know that Kai was still alive and was still fighting!

Kai's blow almost consumed all of his spiritual power, but this blow gave that Hu Li Daxian a new understanding of Kai.

Kai is just a cultivator in the Nascent Soul Realm, and now he is fighting against him in the metamorphosis realm, but he is not at a disadvantage, which makes Hu Li Daxian very incomprehensible!

Even though Kai's physical body is stronger than others, the spiritual power in Kai's body also seems to have been blessed!

There are also cultivators who can cross a large realm without losing in the slightest, but those are all genius-level characters!

"Although you blocked my attack, you have spent all your spiritual power. I see what you can do next?"

Hu Li Daxian said with a cold snort.

Kai didn't speak, but he was running the Condensation Secret Art frantically. The surrounding spiritual energy rushed into Kai's body. Around Kai, spiritual energy vortexes had already formed!

"The speed of absorption is so fast?"

Hu Li Daxian's pupils shrank, and then his brows wrinkled.

Soon, Hu Li Daxian's eyes widened, and his expression became a little weird: "No wonder you can fight against each other. You practiced the best practice. Who passed this practice to you?"

Hu Li Daxian asked incredulously.

"Who passed it to me, I can't tell you, you're dead heart..."

Kai snorted coldly!

"You think that you have a superior cultivation technique and a golden dragon body, so I dare not kill you?"

Hu Li Daxian's face turned cold, and the aura on his body continued to rise!

"Stop talking nonsense, come on..."

Kai stomped at his feet, and the whole person went straight to the tiger power immortal.

Kai's speed and strength have reached a new level!

The surrounding spiritual energy was quickly absorbed and digested by Kai, converted into spiritual energy, and stored in his dantian!

This blow once again consumed all the spiritual power accumulated by Kai!

The Heart Condensation Art has been operating to the extreme, desperately transforming the spiritual energy, but to consume it like this, even if it is a superior cultivation method, I am afraid that it cannot be afforded.

"I want to see, how long can you hold on..."

Hu Li Daxian raised the corner of his mouth slightly, with a bit of contempt in his eyes!

At this moment, Du Nan, who had been fighting all the time, lit up, seemed to think of something, and hurriedly ran out!

Because of Kai's presence, the Huli Daxian ignored Du Nan who escaped!

However, Du Nan did not escape, but ran out of the forbidden area and found the Great Elder directly.

Although they knew that something must have happened to the forbidden area, the Great Elder and the others did not dare to enter.

"Elder, please notify immediately and let everyone go to the temple to worship..."

Du Nan said to the Great Elder.

"Prince, what happened inside? Where's King Du?" the first

elder asked Du Nan.

Du Nan roared with a frown.

Seeing this, the Great Elder could only take orders to leave.

At this time, Kai has fallen into the disadvantage, and scars have begun to appear on his body!

Hu Li Daxian snorted coldly.

Don't look at this guy as a tiger spirit, but he knows a lot, and Kai can't take advantage of it at all!

"Kai, you will have spiritual power soon, you have to be ready..."

Du Nan yelled at Kai!

Kai was stunned, he still didn't understand what Du Nan meant!

But before Kai asked, he saw Penglai Island in all directions, and bursts of spiritual power began to rise, and those spiritual powers were gathering here!

This time, Kai understood that Du Nan wanted to absorb these spiritual powers. Only in this way, Kai's strength could reach the peak in an instant!

The tiger power immortal also saw it, those overwhelming spiritual power will soon gather above their heads!

This should have been absorbed by the stone statue, but at this time, it can only be Kai fighting with Hu Li Daxian.

The spiritual power was very fast, forming a ball of light in mid-air, but this time the ball of light was obviously much dimmer than the one at the beginning.

After all, the light ball of spiritual power just now is the magic circle emitted by the stone statue, and the spiritual power forcibly absorbed!

But now things are different!

"Go to hell..."

Hu Li Daxian shot out with a palm, and the hurricane-like power went straight to Kai, trying to repel Kai.

Kai quickly turned his body. This time, he would not face the frontal bar, but rely on his flexible body to avoid this attack!

Kai rushed towards the light ball of spiritual power, and at the same time, the Heart Concentration Technique in his body also began to run rapidly!

The huge suction force directly sucked the spiritual power in the spiritual light ball into Kai's body!

Seeing this, the tiger power immortal, holding the palm of his hand, a black ball appeared, followed by a huge suction force, constantly absorbing spiritual power!

At this moment, Kai's superior cultivation technique of condensing the heart appeared!

I saw that the speed of Kai's absorption of spiritual power was more than ten times that of the tiger power immortal.

The golden light on Kai's body is getting brighter and brighter, and the flickering light almost illuminates the entire Penglai Island!

At this moment, even Kai's eyes shone with light!

Without the slightest nonsense, Kai jumped up instantly after absorbing the spiritual power!

"Holy Light Fist..." The

huge spiritual power in the body, coupled with the blessing of the power of the dragon, Kai threw out this fist, making the universe vibrate, and the avenue roared!

Seeing that Kai dared to attack first, Hu Li Daxian's face was full of disdain!

I saw Hu Li Daxian raised his hand, and a barrier appeared out of thin air!

Chapter 1584

I saw that the barrier was shattered in an instant, and then the huge power caused the palm of Hu Li Daxian to crack instantly!

The blood was pouring out, and the Huli Daxian stepped back again and again, his face full of shock!

Kai's hand with a punch greatly increased his confidence.

"Good boy, it looks like I'm going to have a good time with you..."

Saying that, the human head that Hu Li Daxian had originally transformed into has changed back to the appearance of a tiger's head.

With a roar of a tiger, the whole body of Hu Li Daxian lit up with black light!

This light is getting stronger and stronger, and it has the momentum to compare the golden light on Kai!

With the black light on Huli Daxian's body lighting up, the entire sky began to become dark!

A terrifying, ominous aura shrouded the entire Penglai Island!

Kai felt this breath, and his face became very ugly!

The Dragon Slaying Sword was sacrificed in an instant, and a raging spiritual fire burned on the sword body!

Kai had never encountered this kind of aura before, he could only use his spirit fire to see if he could restrain this gloomy death aura!

Hu Li Daxian slowly raised his hands, and between his hands, a black ball of light flashing with lightning appeared!

There is a huge suction force in the light ball, and it seems to be sucking away the strength of all the signs of life around!

A terrifying force rushed towards his face, Kai held a sword in both hands, and his face became more and more solemn!

This Tiger Power Immortal was promoted to the metamorphosis realm, and if you want to defeat him, it is not just one move.

Hu Li Daxian's body floated up, like a god of death, suspended in the dark mid-air!

"Go to hell..."

"Boom..." The

black ball of light was thrown directly at Kai by Hu Li Daxian.

Endless coercion and terrifying power immediately came to Kai.

The terrifying dead aura made the entire Penglai Island depressed.

Kai felt this breath, as if he saw countless gods of death with scythes, constantly waving the scythes at him.

The terrifying breath made Kai's legs involuntarily want to step back!

But Kai clenched his teeth and said something in his mouth, and the spirit fire on the Dragon Slaying Sword became even more vigorous!

The power of the gods was also injected into the Dragon Slaying Sword at the same time, and the power of the gods helped to ignite the spirit fire, burning more violently!

The Dragon Slaying Sword began to make a humming sound, accompanied by tremors!

The Dragon Slaying Sword seems to be a little unbearable!

With an angry shout, Kai stood on the spot, and four identical Chen Pings appeared in an instant!

There are five Chen Pings in total, all of them holding the Dragon Slaying Sword that burns with spirit fire.

"Hmph, how dare you use it in front of me..."

Hu Li sneered disdainfully when he saw that Kai suddenly turned into five.

Kai ignored him, but slashed the Dragon Slaying Sword in his hand angrily!

A huge sword beam erupted from the Dragon Slaying Sword.

Five sword qi shot out, and finally they came together, causing a huge tremor!

Kai's hand holding the Dragon Slaying Sword was shaking slightly.

This sword came out, and the four phantoms that Kai had transformed into disappeared instantly!

This sword consumed most of Kai's spiritual power, and he couldn't hold it any longer, so he continued to use the Nine Shadows Divine Sword.

The sword qi exuded a raging spiritual fire, and instantly collided with the black light ball.

The spirit fire enveloped the black ball of light, and it was roasted violently, and some crackling sounds could be heard!

The black light ball stopped attacking Kai, and the sword just blocked the black light ball directly!

Seeing this, Hu Li Daxian waved his hand to take the black light ball back into his hand!

However, above the black ball of light, the spirit fire is still wrapped, and the spirit fire rises up to a flame more than one meter high. The Huli Immortal is afraid that the spirit fire will burn him.

Hu Li Daxian stared at Kai, but he forgot Du Nan who was beside him!

At this time, Du Nan has quietly climbed up, and then quickly ran out of the forbidden area!

He is going to find a helper. In this situation, as long as someone helps Kai, Kai will definitely win!

However, there were no strong people on Penglai Island, so Du Nan set his sights on Hu Mazi and Zhao Chuang.

Du Nan sent someone to find Hu Mazi and Zhao Chuang immediately, but they didn't leave the palace because they were worried about Kai's safety!

"Du Nan, what do you want to do?"

Zhao Chuang asked with an ugly face when he saw Du Nan led someone to find them.

Now that Hu Mazi and Zhao Chuang's skills have been blocked, they are ordinary people, so if Du Nan wants to kill them at this time, there is no room for them to resist.

"Two people, don't be nervous, I am looking for you to help Mr. Chen..."

Du Nan said, and hurriedly took out two pills: "If you take it first, you will be able to release the San Gong pills in your body..."

Hu Mazi and Zhao Chuang looked at each other, and they couldn't believe Du Nan.

I don't understand that Du Nan and his son have just been deceived, they don't want to be fooled.

"Don't hesitate, I really didn't lie to you, my father is dead, and now Mr. Chen is following the tiger spirit at the moment of life and death. As long as you help, Mr. Chen will definitely win..."

Du Nan was a little anxious and followed. Hu Mazi and Zhao Chuang explained!

Hu Mazi glanced at Du Nan, then took the medicinal pill and threw it into his mouth without hesitation!

Seeing that the sesame seeds were eaten, Zhao Chuang also took the medicine pill.

After taking the medicine pill, the power of the two people really recovered!

Seeing this, Hu Mazi was overjoyed.

"Let's go..."

Soon, several people hurried towards the forbidden area!

At this time, in the forbidden area, Kai and the Huli Daxian are still facing each other, and both sides are very cautious!

"Boy, you and I have no grievances and no grudges, why are you targeting me like this?"

"As long as you leave Penglai Island, I can teach you a few methods. I have lived for thousands of years and have learned countless techniques. "

Hu Li Daxian wants to follow Kai to make peace!

Consuming like this will not benefit anyone, nor is it necessary!

"You can leave if you want me, but you have to tell me what's going on with the statue behind you? Who the hell are you!"

Kai curiously asked Hu Li Daxian.

Chapter 1586 What are you doing back here? \_

Hu Li Daxian hesitated for a moment, probably to show his sincerity, so he said: "It's okay to tell you, the statue behind me is my master, the Gorefiend, and I'm just a pet beside him."

"Thousands of years ago In the battle of gods and demons, our blood demon clan was defeated, and the master sealed himself up and let me guard it, waiting for one day to wake up again."

"Master helped me transform into a human body, but unfortunately it was not completely successful, and he was instantly petrified... "

These years, I have been guarding the master's side, using the power of everyone's faith to resurrect the master."

"It will take a hundred years at most, and after another hundred years, the master will be resurrected..."

"That time..... "

Hu Li Daxian's eyes flashed with light, but he did not continue to speak.

"Could it be that the exhaustion of spiritual energy started at that time?"

Kai continued to ask.

"Yes, after that battle between gods and demons, the Dao of Heaven collapsed, everything was destroyed, and the whole world fell into a cycle of reincarnation!"

"Since then, the spiritual energy began to dry up, the gods and demons fell, and the martial arts ran rampant..."

"Now you think You know, I already told you, can you leave?"

Hu Li Daxian looked at Kai and said.

"Leave?" Kai sneered: "If I leave, do I want you to continue to use these people on Penglai Island to resurrect your master?"

"When your master is resurrected, it will be a waste of life and a disaster for mankind. It 's over!"

"You..." Hu Li Daxian saw Kai playing with himself, and he was immediately furious: "Ordinary humans are just ants. As a cultivator, how can you pity those ants?"

"An ant? "Kai frowned: "You are just a tiger spirit, you dare to say such a thing, and you are not ashamed..."

Kai's body jumped up, and golden rays of light appeared on his fists!

After recovering part of his spiritual power, Kai immediately launched an attack on Huli Daxian!

"You are courting death..."

Huli Daxian roared, being played by Kai, don't be completely irritated by Huli Daxian.

I saw Hu Li Daxian's hands constantly waving, and soon a black light ball slowly condensed, but this time the black light ball was obviously much smaller.

Kai smashed out a golden light fist, and then collided heavily with the black light ball.

Boom.....

With a loud noise, the black ball of light exploded, blowing Kai's body out!

However, the Tiger Power Immortal was not feeling well either, his body trembled as if he had been struck by lightning!

This time, the collision is once again half a catty, no winner or loser!

"Don't you want to perish with me?"

Hu Li Daxian roared!

He couldn't understand why Kai was so stubborn!

"Are you afraid of death?"

Kai sneered.

"Fart, I've lived for thousands of years, I've never been afraid of death, it's just a joke..."

Hu Li Daxian shouted angrily!

"Since you're not afraid of death, don't talk nonsense, come on..."

Kai beckoned to the tiger power immortal!

But Hu Li Daxian didn't move. At this time, whoever made the first shot would be at a disadvantage. He still knew this.

Chen Pingyuan originally wanted to deliberately stimulate this Huli Daxian to do it first, but this Huli Daxian didn't look stupid.

For a time, the two fell into a confrontation again!

"Brother Chen..."

"Kai..."

At this moment, Hu Mazi and Zhao Chuang had already entered the forbidden area!

Looking at the forbidden area that had turned into ruins, Hu Mazi and Zhao Chuang couldn't help but gasp.

What a fierce battle it is to make this place like this.

When Kai saw that Hu Mazi and the others had returned, he frowned and said, "What are you two doing here?"

Chapter 1587

Kai can't protect himself now. If he is protecting the two of them, he is really powerless, and he is afraid that Hu Li Daxian will catch the flaw.

"Kai, we have recovered our skills now, come here to help you deal with this tiger spirit..."

After Hu Mazi finished speaking, he walked straight towards the tiger power immortal.

"You monster, you are not honest and stay in the cave, and you dare to make trouble. After a while, I will rip off your tiger's skin, slap your tendons, and turn you into a dead tiger..."

Hu Mazi replied. The tiger power immortal is insulting!

"You're courting death..."

Hu Li Daxian gritted his teeth, but he didn't expect a little Jindan cultivator to dare to speak madly to himself!

Hu Li Daxian stepped out in one step, and then punched Hu Mazi.

"Be careful..."

Seeing this, Kai knew that Hu Mazi was not the opponent of the Hu Li Daxian at all, so he jumped up and punched him.

At this time, Hu Mazi hurriedly took out a spell, bit his finger, and wrote a spell with blood on the spell!

The talisman in his hand was instantly lost, and it was directly attached to Kai's back!

"Zhao Chuang..."

Hu Mazi then shouted towards Zhao Chuang.

Soon, one after another spiritual power entered Kai's body.

Hu Mazi used the spell again to transport his own spiritual power into Kai's body!

Although Zhao Chuang's strength is not that strong, but at this time, mosquitoes are small and meat!

If you can send a little more to Kai, that's a little bit!

"I'm coming too..."

At this time, Kai suddenly felt that the dantian that had been depleted suddenly became extremely full, and his body was also full of strength!

Kai couldn't help but look back, his eyes were full of surprise!

"Kai, let's put the spiritual power into your body now, you can beat this tiger spirit with confidence..."

Hu Mazi shouted at Kai.

Only then did Kai understand that it was Hu Mazi and the others who were behind the spiritual power he delivered!

This time, Kai instantly gained the upper hand, and followed the Hu Li Daxian with a punch!

There was a violent explosion, and I saw that the body of the Huli Daxian was like a kite with a broken string, smashing heavily on the stone statue!

And the stone statue suddenly radiated a ray of light, and the body of Hu Li Daxian was shocked and flew out!

This blow made Hu Li Daxian's face become extremely ugly, and blood flowed from his mouth!

Kai looked at the injured Huli Daxian with a bit of playfulness in his eyes!

"A bunch of ignorant children, I have lived for thousands of years, how can I be defeated by you..."

"Today I will make you pay a painful price..."

Hu Li Daxian said, his body began to emit light, and then the whole The man lay on the ground and began to shrink slowly!

After returning to the original body, Hu Li Daxian knew that he was thinking of transforming into a human form, and it was more difficult than going to the sky!

But this was the end, and he had no choice.

"Roar..."

Hu Li Daxian roared, and then spit out a burst of spiritual power from his mouth, and slammed into Kai!

Boom.....

With a loud bang, that spiritual power exploded on Kai in an instant!

Kai's body glowed with golden light, he didn't dodge at all, he didn't even move!

"This... how is this possible?"

Hu Li Daxian was suddenly shocked.

"Do you think you've changed back to a beast, and you're my opponent?"

Kai sneered, and then his body disappeared in a flash!

Chapter 1588

Kai's fist, which was shining with golden light, smashed hard on Hu Li Daxian's head!

"Roar..."

Hu Li Daxian roared and was directly knocked out.

The entire tiger's head was instantly smashed and dented, and it looked very terrifying.

Hu Mazi looked at Kai and swallowed involuntarily.

He felt that Kai's strength was a little too perverted.

Seeing this scene, Hu Mazi waved his hand instantly, and the spell behind Kai broke away from Kai's body instantly.

Even without the help of Hu Mazi and the others, it would be easy for Kai to kill this Tiger Power Immortal now.

If you lose one move, you will lose the whole game!

Hu Li Daxian has no power to fight back now!

Huli Daxian struggled to stand up and wanted to continue roaring, but his collapsed head made him unable to open his mouth.

In the eyes of Hu Li Daxian, there was only endless anger left, and then he jumped up and rushed towards Kai!

Seeing this, Kai shot out instantly, grabbing Hu Li Daxian's neck at once.

"You still want to struggle..."

Kai said, pressed Huli Daxian to the ground, and started punching at Huli Daxian.

"Kai, don't beat him to death, it's best to peel off the skin and cramps alive, that tiger skin and tiger tendons are treasures..."

Hu Mazi was afraid that Kai would directly kill Hu Li Daxian, so he shouted.

As soon as Kai heard it, he stopped in an instant. He also understood the truth, and he waved his hand directly, and the Dragon Slaying Sword appeared!

Looking at the gleaming Dragon Slaying Sword, Hu Li Daxian panicked!

He didn't expect that he would survive for thousands of years, but today he was going to be skinned and cramped.

Hu Li Daxian begged Kai in a low voice!

Kai looked at him coldly: "You are a monster, if I learn from you, wouldn't I be laughed to death..."

"I beg you, let me go, let me go..."

Hu Li Daxian continued to beg.

It's really uncomfortable to be skinned and cramped alive!

"Let you go? You are a god, you can deprive everyone on Penglai Island, why can't I deprive you of everything?"

"A monster that has reached the metamorphosis realm, do you know how much that beast pill is worth? ?"

Kai sneered.

"Okay, since that's the case, let's stop living..."

After speaking, Hu Li Daxian's body began to expand rapidly, and the aura in his body began to become chaotic!

"He's going to blow himself up..."

Hu Mazi yelled.

A monster in the metamorphosis realm blew up, and the entire Penglai Island should not be wanted.

"Hahaha, even if I die, it is impossible for you to succeed..."

Hu Li Daxian laughed.

The swollen body of Hu Li Daxian shriveled in an instant.

Kai looked at Huli Daxian, and the Dragon Slaying Sword in his hand slashed down!

Hu Li Daxian's head was instantly cut open, and a beast pill rolled out instantly!

Kai picked up the beast pill and put it in his pocket, while the hu Mazi rushed over with a pity face.

"It's a pity, it's a pity, how could you kill him, so the value of the tiger skin and tendons will be greatly reduced."

Hu Mazi took out a dagger, and began to cramp the skin!

Du Nan, who was not far away, looked at the scene in front of him, and felt an indescribable feeling in his heart. They had been worshipping the gods for many years, but now they were being skinned and cramped. Thinking about how ironic they have been over the years.

Long Xiao looked at his body and laughed wildly: "Now that I have stepped into the Great Marquis, in the entire martial arts world, I see who dares to be my enemy... "

I saw that a dark shadow not far away disappeared in a flash, and then entered Long Xiao's body!

"Your body has also been tempered under the thunder tribulation. Even if you meet the third-rank Great Marquis now, you can still fight him!"

The old voice sounded in my mind.

"As long as Kai is still alive, I will smash his corpse into ten thousand pieces. Who dares to stop me in the entire martial arts world..."

At this moment, Long Xiao's heart was extremely swollen, and he suddenly punched out!

"Xingxu, what's the matter?"

Long Jingguo asked.

"Master, tomorrow the Martial Arts Alliance will hold another meeting..."

Long Xingxu said.

"Is there still no Long Family?"

Long Jingguo asked with a frown.

"En!" Long Xingxu nodded.

"I see, you go down..."

Long Jingguo waved his hand.

During this time, he has been sending Long Xingxu to inquire about the news in the Martial Arts Alliance!

Recently, the Martial Arts Alliance has held frequent meetings, and I don't know if something happened, but every meeting, their dragon family is no longer involved!

Long Xingxu retreated, and when he retreated to the door, he couldn't help but quietly glance at Long Xiao!

Long Xiao didn't care either, this Long Xingxu's strength was too low, so low that no one would notice him!

Long Jingguo's face became very ugly. Since the Long family came into his hands, it began to decline a little bit, and now it has become a family that no one looks down on.

"This mountain of wishing is so damn good..." A

cold glow appeared in Long Xiao's eyes: "I'm going to find him..."

"Xiaoer, don't be impulsive..."

Long Jingguo persuaded Long Xiao road.

"Dad, don't worry, I'm measured..."

After Long Xiao finished speaking, he walked out of the Long family!

At this time, Zhu Zhishan was drinking in a pub!

Don't look at Zhu Zhishan as the leader of the Martial Arts Alliance, with a high status, it should be both fame and fortune!

But only he himself knew that in the Martial Arts Alliance, no one looked down on him.

Therefore, in order to find a sense of existence, Zhu Zhishan often holds meetings during this time.

He even killed the chickens to warn the monkeys and excluded Long Jingguo, who was disrespectful to him, and did not invite Long Jingguo or the Long family to participate in every meeting!

Chapter 1592

Zhu Zhishan wanted to let all the aristocratic sects understand that although he is not very powerful, he is still the leader of the Martial Arts Alliance and has supreme rights!

"Waiter, serve wine..."

Zhu Zhishan was a little dizzy, but he was still calling for wine!

During this period of time, without Kai's troubles, the entire Kyoto martial arts world has calmed down a lot, and Zhu Zhishan has also relaxed, so there is no need to worry about when Kai will kill himself!

"I wish the leader, you have drunk too much, don't drink any more..."

At this time, a manager walked over and said.

Zhu Zhishan drinks here almost every day, but every time they don't give money, they don't dare to say anything!

This time, seeing that Zhu Zhishan had drunk too much, the manager dared to come over and persuade him!

"What do you mean? I'm afraid I won't give you the money, right?"

Zhu Zhishan narrowed his eyes slightly and patted the manager on the shoulder.

"I wish the alliance leader, that's not what I meant, I just saw that you drank too much, I'm afraid that you will be in danger when you go back!" The

manager hurriedly explained.

"There is a danger of fart, I am the leader of the Martial Arts Alliance, who would dare to disrespect me?"

"Do you also look down on me, the leader, and think I have no real power?"

Zhu Zhishan grabbed the manager's collar, asked angrily.

The manager was so frightened that he was sweating coldly, and he waved his hands quickly and said, "No, no, the leader of the alliance has misunderstood. How dare I look down on you."

"Waiter, bring a bottle of good wine to the leader of the alliance..."

"A bottle of good wine, Zhu Zhishan will give up now!"

Then he took the wine, walked out of the pub, staggered and drank while walking, and hummed a song. It was a very pleasant life!

But when he walked to an alley, he bumped into a person head-on!

"Who the f\*ck doesn't have long eyes, blocking the way here?"

Zhu Zhishan narrowed his eyes and cursed loudly!

When he took a closer look, he found that the person in front of him was wearing a black robe again, which made Zhu Zhishan terrified!

However, when he saw that there was no logo in the Martial Arts Alliance on the black robe, he breathed a sigh of relief!

If the man in black robe is a black copper robe or a black silver robe in the martial arts alliance, then he can't eat it and leave!

"I wish the alliance leader, drinking a little wine every day, life is so uncomfortable..." A

gloomy voice came!

Zhu Zhishan was stunned for a moment, feeling that the voice was very familiar!

"Who are you? Knowing that I am the leader of the Martial Arts Alliance, you dare to block my path. Believe it or not, I will kill you now..."

Zhu Zhishan roared at the man in black robe!

"Kill me?" The black-robed man snorted coldly: "Just because you want to kill me, you are also worthy..." The

black-robed man turned his back to Zhu Zhishan, his voice full of disdain and provocation!

"Looking for death..."

Zhu Zhishan threw the wine bottle in his hand and slapped it out with a palm.

A strong wind roared out, and instantly hit the back of the black-robed man in front of him!

But this palm hit the black-robed man, but the black-robed man didn't even move.

Zhu Zhishan's face was instantly startled, and he even woke up a little bit from the wine!

"You... who are you?"

Zhu Zhishan asked in surprise.

"The leader of the alliance is really forgetful, can't you even hear my voice?"

Long Xiao slowly turned around and asked Zhu Zhishan.

"Long Xiao?"

Zhu Zhishan frowned when he saw Long Xiao!

"How could it be you? Why are you blocking my way?"

Zhu Zhishan stared at Long Xiao and asked.

"I want to ask, why did Alliance Leader Zhu target my Long Family? Is my Long Family's strength not worthy of participating in a small alliance meeting?"

Long Xiao asked unabashedly.

"I'm the leader of the alliance. I have the final say in the alliance meeting. Where is your turn to question me?"

"Your Long family is just a member of the Martial Arts Alliance. Is it possible that every meeting will be approved by your Long family?"

Hearing that Long Xiao actually came to fight for Long Jingguo, Zhu Zhishan snorted coldly.

"Great... Great Marquis? You actually broke through to Great Marquis..."

Zhu Zhishan gasped, his eyes full of shock!

He did not expect Long Xiao to step into the realm of Marquis of Great Wu in such a short period of time.

However, in front of Marquis Dawu, Zhu Zhishan had no resistance at all.

"Tell me, what do you want?"

Zhu Zhishan asked cautiously.

"I don't want to do anything. I just want our Long family to participate in tomorrow's alliance meeting. The other thing is, about matters in the Martial Arts Alliance, I hope our Long family will have the final say in the future..."

Long Xiao said with a cold smile.

Zhu Zhishan immediately refused: "Long Xiao, do you think you can become invincible when you become a Marquis of Martial Art? The strength of the Martial Dao Alliance is not what you see in your eyes.

"Long Xiao, you... do you want to rebel? I am the leader of the Martial Arts Alliance..."

"If you kill me, the Martial Arts Alliance will not let you go, and your Long family will never want to stay in Kyoto..."

Zhu Zhishan threatened Long Xiao.

"You still dare to threaten me?"

Long Xiao's eyes narrowed, and a chilling killing intent came from his body, causing Zhu Zhishan to tremble constantly.

"You...you really dare to kill me..."

Zhu Zhishan's eyes widened, and the feeling of suffocation continued to spread throughout his body!

"What do you think..."

The strength in Long Xiao's hand began to increase!

Zhu Zhishan could hear the sound of his throat cracking.

.....

At this time, Kai was still cultivating on Penglai Island, and he devoured the beast pill of Huli Daxian, which made Kai's strength rush directly to the peak of Wuhou.

However, when he attacked the Marquis of Wu, he failed again and again!

"It seems that in order to hit such a big realm, we need an opportunity..."

Kai sighed helplessly!

Since he could not break through, Kai decided to leave Penglai Island to find his own opportunity!

"Brother Chen, haven't you broken through Dawuhou?"

Zhao Chuang asked in surprise.

You must know that the Tiger Power Great Immortal Beast Pill that Kai swallowed, but the beast Pill of the real Great Marquis' strength did not break through!

At this time, Zhao Chuang also discovered that Kai's cultivation requires resources and difficulty levels that are several times higher than others!

"It seems that in order to break through the Great Marquis, I still need an opportunity. I decided to leave here, maybe I can meet the opportunity for a breakthrough!"

Kai said lightly.

Kai knew that every breakthrough in his realm was accompanied by the test of life and death!

This time, it may be no exception!

"Okay, I'll pack my things right away!"

Zhao Chuang had long thought of Xiaoru, and could not wait to fly back to see Xiaoru!

After walking for several months, Zhao Chuang didn't know what happened to Xiaoru.

Zhao Chuang went to pack up, and Kai found Hu Mazi.

Chapter 1594

I wanted to ask Hu Mazi if he wanted to go with him. In fact, with Hu Mazi's strength, if he followed Kai, Kai would have an extra powerful helper!

Hu Mazi was the one who Kai had seen, and he had the strongest magic skills, no one...

When Kai saw Hu Mazi, he only saw Hu Mazi wearing a tiger leather jacket and holding a whip made of tiger tendons, it is constantly waving!

There was a continuous sound of popping in the air, and the boulders not far away actually burst!

Kai couldn't help laughing when he saw Hu Mazi's appearance. He didn't expect that Hu Mazi would make use of the tiger's skin and the tiger's tendons.

"Master Hu, I plan to leave Penglai Island, do you want to join us?"

Kai asked Hu Mazi.

"Where to go? Are you going back to Kyoto?"

Hu Mazi said.

Kai nodded, of course he was going back to the capital, all his relatives were almost in the capital, how could he leave them behind.

"I'm not going, I don't want to go back to Kyoto in my life..."

"I'm still looking for an ancient relic, so let's get some more treasures. After staying here for so long, I didn't get anything good..." "

Hu Mazi said helplessly.

Kai smiled faintly: "Wait for the next cooperation, if there are good things, let you take it first..."

"This is what you said, just wait for my call..."

Hu Mazi knew that even if the ancient ruins were found, his ability is also difficult to explore alone, but also to find Kai.

"Okay, contact me at that time!"

Kai nodded, then glanced at the forbidden area of the palace!

Kai has been thinking about the large amount of spiritual power stored in the statue. Now he is not strong enough. When he is strong enough, he will definitely come back.

After leaving Penglai Island, Kai followed Zhao Chuang to Yaoshen Valley!

In the past few months when Kai suddenly disappeared, the entire martial arts world is quietly changing, and the pattern is also changing, but no one has taken action against Yaoshengu!

After all, when it comes to refining medicine, any family is no match for the God of Medicine Valley.

Therefore, during this period of time, no one in Yaosheng Valley came to disturb!

After Kai brought Zhao Chuang back to Yaoshen Valley, Yaoshen Valley was very lively like a Chinese New Year!

"Ding is not big, what is the action of the Kyoto Martial Arts Alliance when I am away?"

Kai asked Ding.

"Mr. Chen, during the time you left, the Kyoto Martial Arts Alliance has also undergone a lot of changes. The Long family, which used to be all-powerful, has now become a declining family, and the Martial Arts Alliance meetings are no longer inviting Long Jingguo to participate."

"There are also some families. The rise, but the whole is still under the control of the Martial Arts Alliance, and there is no special change!"

Ding Dao said following Kai.

"The Long family has fallen so far..."

Kai frowned slightly, as if he was thinking about something, and then slowly said: "Since the Long family is down, let's start from the Long family first..."

Kai now The strength of Wuhou Peak is enough to deal with the Long family and rescue his mother.

However, Kai didn't go to the Long family for the first time, but stayed in Yaoshen Valley with peace of mind!

Then Kai summoned Xu Changsheng and the others to prepare himself with Shennong Ding.

Chapter 1595 What are you waiting for? \_

Martial Arts Alliance Hall!

A lot of people from sects and aristocratic families have already arrived, and then they talked with each other, and some people were drinking tea with expressionless faces!

Everyone doesn't seem to have much expectation for this alliance meeting, and is even a little bored!

During this time, the league meetings were held too frequently, and every time they said something innocuous.

These people are bored!

"I wish the leader of the alliance..."

With a shout, Zhu Zhishan slowly walked into the hall!

And everyone closed their mouths and sat in their respective positions!

Zhu Zhishan sat on the main seat, and then glanced at both sides, but did not find anyone from the Long family, which made Zhu Zhishan stunned!

Since Long Xiao didn't arrive, Zhu Zhishan didn't dare to directly announce the start of the meeting!

So everyone just sat there and waited quietly!

Soon, half an hour passed, and there was still no sign of the Long family. Many people became impatient.

"I wish the alliance leader, what are we waiting for? I see that everyone has arrived. If there is anything, please tell me quickly?"

Someone said to Zhu Zhishan with dissatisfaction.

"Patriarch Liu, let's wait, waiting..."

Zhu Zhishan said to the dissatisfied person who got up.

"Hmph..."

The tyrannical aura of this Liu family master has obviously reached the realm of the late Wuhou, otherwise he would not dare to speak like this to Zhu Zhishan!

Another ten minutes passed, and Long Xiao still did not appear!

"I wish the alliance leader, what are we waiting for? If we wait like this, I, Liu, will have no time to accompany you..." The

Liu family leader was a little angry.

"Patriarch Liu, I'm waiting for the arrival of the Long family, but the Long family has been late..."

Zhu Zhishan said to the Liu family.

"People from the Long family?" The family head Liu was taken aback for a moment: "I haven't invited anyone from the Long family in these meetings. Besides, is Long Jingguo worthy to attend the meeting now?" The

family head Liu was very dissatisfied and shouted loudly.

"I don't deserve it, do you deserve it?"

At this moment, Long Jingguo walked in slowly, and behind Long Jingguo, followed by Long Xiao in a black robe!

Seeing Long Xiao coming, Zhu Zhishan breathed a sigh of relief!

no longer what it used to be ." If you have your share, get out of here if you know how..."

At this moment, Long Xiao stepped forward slowly with murderous intent, his eyes flashing coldly!

"Long Xiao, when our elders speak, how can your junior intervene, something uneducated..."

"Hmph, I don't know whether to live or die..."

Long Xiao's expression turned cold, and then he hummed softly!

After that, Long Xiao's figure instantly disappeared, and then he heard a crisp sound.

I saw the figure of the Liu Patriarch soaring into the air, with a deep five-fingerprint on his face!

Liu Patriarch covered his face, his eyes were full of incredible!

"Good boy, you dare to attack me..."

Liu Patriarch was furious, and his deep breath broke out instantly!

The Liu family head jumped up and went straight to Long Xiao.

In front of so many people, being slapped by a younger generation of Long Xiao, this Liu family master doesn't give up his face!

"An ant..."

Facing the family master Liu, Long Xiao let out a cold snort, followed by a slight wave of his palm, the figure of the family master Liu froze, and then he fell heavily on the ground as if he had been hit hard!

Soon, the strength of the Liu family was swallowed up by Long Xiao in person!

Immediately after the force of the feet, the body of the Liu family suddenly burst and died!

"Long Xiao, don't..."

Seeing this, Zhu Zhishan wanted to stop it, but it was already too late!

The others looked at the scene in front of them and were stunned!

This Liu family master was in the realm of the late Marquis, but he was killed by Long Xiao so easily!

"Does anyone else think that my Long family is not qualified to participate in this alliance meeting?"

Long Xiao glanced at the crowd and said.

This time, everyone was silent, all bowed their heads, not daring to speak!

The strength displayed by Long Xiao made them tremble with fear!

Seeing that no one was talking, Long Xiao showed a proud smile on his face!

"Young Master Long, what's the matter?"

Zhu Zhishan had lingering fears after seeing Long Xiao's cruel methods!

Although the power within the Martial Arts Alliance is not comparable to that of Long Xiao, a great Marquis.

But in the current situation, if Zhu Zhishan doesn't show compromise, he is afraid that he will be the next one to die.

"I've been looking at your position for so long, and it's time to change. I think my father is quite suitable..."

Long Xiao said to Zhu Zhishan.

"Young Master Long, although I am the leader of the alliance, if I want to give up my position, I have to get the approval of the top management. You know this..."

Zhu Zhishan looked embarrassed.

He can not be the leader of this alliance, but this is not what he has the final say.

The deputy leader of Ning Zhi has more power than him!

What's more, there are high-levels behind, and there is great power on top!

No one spoke, how could Zhu Zhishan dare to agree casually, now that Ning Zhi is in retreat, Zhu Zhishan can't find anyone to deal with Long Xiao!

"Aren't you talking about those black copper robes? If someone disagrees, let him come to me directly..."

Long Xiao said, the aura of the Great Marquis on his body began to permeate.

Under this pressure, everyone felt their hearts tremble!

Long Xiao asked coldly.

Zhu Zhishan's face was extremely ugly, and in the end he had no choice but to slowly retreat from the master's seat!

"Dad, you can sit up..."

Long Xiao said to Long Jingguo.

Long Jingguo looked at the position of the leader of the alliance in front of him, his face full of excitement!

Step by step, Long Jingguo sat down directly!

"Hahaha, from now on, my Long family will surely go to glory..."

Long Jingguo stroked the chair of the alliance leader, hahaha laughing.

"From today, you will surrender to our Long family. If you dare to have two hearts, you will know later..."

Long Xiao said with a gloomy face!

Long Xiao glanced at everyone.

Everyone can only nod their heads and dare not speak!

Long Xiao went straight to the backyard of the Martial Arts Alliance, looking at the rockery, he knew that this was the entrance!

However, the dungeon must be protected by a formation. If Long Xiao wants to enter, he must destroy the formation!

"Hmph, a mere array of formations can still stop me..."

Long Xiao swelled to the extreme at this moment. As a Great Marquis, he was the only Great Marquis who suffered a thunder calamity. Long Xiao explained that he was not afraid!

I saw Long Xiao slowly raise his hand, and a black gas condensed on his palm.

Then the black gas turned into a huge palm, and the overwhelming breath spread out.

This big hand enveloped the entire rockery.

boom!

Long Xiao pushed his palm forward, and the incomparably cold aura instantly shot towards the rockery!

Chapter 1598

But when the giant hand reached the front of the rockery, a fiery light suddenly lit up in the rockery. Under the light, the giant hand condensed from the black mist instantly turned into nothingness and disappeared without a trace. !

Long Xiao was stunned for a moment, his eyes were full of incredulity, although he didn't use all his strength just now, but that blow didn't even destroy the rockery!

"The Martial Arts Alliance, there are indeed some things, I don't believe that a single formation can't be broken..."

Long Xiao said, condensing the black mist again, this time the breath is even more terrifying.

"Come on, you can't break this magic circle..."

At this moment, the old voice in Long Xiao's head sounded!

"Senior, isn't this formation capable of breaking even the strength of my Great Marquis?"

Long Xiao didn't quite believe it.

The formation created by anyone, he, the Great Marquis, can't be broken.

"This is the ancient soul-locking formation. Although the formation is only half the power of this formation, it is not something that you, the Great

Martial Marquis, can forcibly destroy." The alliance is really not easy..." The

old voice said with a bit of surprise.

Seeing this, Long Xiao could only sigh and retreat!

Soon, the news that the Martial Arts Alliance was controlled by the Long Family spread throughout the entire Kyoto Martial Arts world!

And Long Xiao held a big banquet at the Long family, inviting all the major families in the martial arts world in Kyoto to participate!

Long Xiao's intention this time is very obvious!

Anyone who comes is regarded as a friend of the Long family, and anyone who doesn't come to participate, Long Xiao will take the opportunity to eradicate it!

He was thinking of subduing the entire martial arts world in Kyoto at the feet of the Long family!

Although many aristocratic sects were unconvinced in their hearts, due to Long Xiao's current strength, they could only swallow their anger!

Even Long Xiao dared to kill Zhu Zhishan of the Martial Arts Alliance, what else could he dare not do?

On the day of the big banquet held by the Long family, almost all the martial arts circles in Kyoto were present, which made Long Xiao's heart swell to the extreme!

Long Jingguo was extremely excited when he saw the grand occasion in front of him!

Even when the Long Family was at its peak, there had never been such a spectacular sight!

As the head of the Long family and the current head of the Martial Arts Alliance, Long Jingguo dressed very grandly, waiting for the arrival of the staff, and he was in the seat!

"Xingxu, have all the aristocratic sects in the martial arts world come?"

Long Jingguo asked Long Xingxu.

"Master, except for the Dong family and the Ge family, everyone has come..."

Long Xingxu whispered.

"Hmph, it's the Dong family and the Ge family who are always self-righteous. Now our Long family is not as good as it used to be, so it doesn't give face..."

Long Jingguo's face turned cold after hearing this.

"Dad, don't worry, these two families will soon disappear from the Kyoto martial arts world..."

Long Xiao on the side exuded a faint cold glow.

"En." Long Jingguo nodded, then looked at Long Xingxu and said, "Go out and entertain those people, don't lose the style of our Long family..."

"Got it, sir..."

Long Xingxu withdrew. Come out, just walked out of the door, Long Xingxu's face flashed a bit of worry!

He has been forbearing, spying on the position of the head of the Long family!

But now, that Long Xiao has actually been promoted to the Great Marquis of Wu, then he wants to seize the position of the head of the Long family, I am afraid it will be a lot more difficult.

Originally, he wanted to help himself destroy Long Jingguo and his son through Kai's hands, so that he could sit on the seat of the head of the Long family.

But he didn't expect that Kai would disappear without knowing his life and death, and it would take several months for him to disappear!

Long Xingxu took a deep breath, then summoned the rest of the Long family and began to greet those from the sect family.

But in Long Xingxu's heart, he would never give up just like that.

The sword is hidden in the sheath, the killing intent is hidden in the heart...

"Dad, the Long family is so lively and blatantly oppressing many aristocratic families to surrender, why didn't the official come forward?"

Ge Jiayi looked at the Long family's arrogance and asked with a lot of resentment.

"Mr. Shi's thoughts, who can understand, but no matter what the government does, we have to save ourselves."

"This Long Xiao's methods are more ruthless than the previous martial arts alliance, he can't watch us alone, he will definitely It's against us."

"I'm going out for a while, you have to remember, no matter what, don't start a conflict with the Long family, everyone in the Ge family, there is no emergency, they are not allowed to go out..."

Ge Fuhai's eyes revealed With deep concern!

"Dad, why are you so afraid of the Long family? Our Ge family's strength is not worse than that of the Long family, right? And your strength may not be able to beat that Long Xiao, why are you afraid of him?"

" Why is my father so nervous!"

"Our Ge family has never asked about the martial arts world. If we really fight with the Long family this time, then our Ge family's secrets will probably no longer be secrets, and our Ge family has been recuperating for thousands of years, and we have to pay for it. It's gone..."

Ge Fuhai's eyes became more worried, and then continued: "You don't ask anything, just listen to my arrangement, the Kyoto martial arts world is in chaos now, I have to do this. We have to report to the top, in the future our Ge family is trying to be alone, I am afraid it will be difficult..."

Ge Fuhai finished speaking, his hands clasped together, a ray of light instantly shot up into the sky, and then the entire Ge family was shrouded in a layer of light curtain. middle!

Yaoshen Valley, Kai has been staying in Yaoshen Valley during this time, and has not returned to Kyoto.

However, Kai knew all about what happened in Kyoto.

"I really didn't expect that Long Xiao actually broke through to Dawuhou. The current Long family is probably the most beautiful time."

Long Wu looked in the direction of Kyoto and said lightly.

"No, it's only been a few months, and the world of martial arts in Kyoto has really changed. Who would have thought that Zhu Zhishan would be killed by Long Xiao. Originally, the two of them were in unison, which is so ironic..."

Kai face flashed a little worry!

Long Xiao broke through to the Marquis of Great Wu, then he would have a harder time dealing with the Long family.

"Now the entire Kyoto martial arts world has to look at the face of the Long family. It will be even more difficult to rescue the eldest young lady at this time."

Long Wu sighed, and now the strength of the Long family is getting stronger and stronger. Now, it means that the chances of rescuing Long Ruotong are getting smaller and smaller!

"Maybe the Long family is now the last madness before its demise, let's wait and see..."

Kai knew that with Long Xiao's style, many people in the Kyoto martial arts world would definitely be dissatisfied!

Moreover, Kai knew about the strength of the Martial Arts Alliance, and it was impossible to watch Long Xiao control the entire Martial Arts Alliance.

He believed that a conflict would soon break out between the Martial Arts Alliance and the Long Family.

At this time, the dragon family in Kyoto, every dragon family is full of joy!

The current status of the Long family is an honor and a symbol!

When the Long family walks on the street, they all have to hide!

Long Xiao and Long Jingguo's hearts have already swelled to the extreme!

As for the other aristocratic sects, they could only dare to be angry and dare not speak out. Long Xiao's ruthless means were far more ruthless than that of the Martial Arts Alliance!

Chapter 1600

"It's time to force that Kai to show up, I don't believe that Kai would die so easily..."

Long Xiao said with a cold glow in his eyes in the hall of the Long family.

Now the martial arts world in Kyoto is basically controlled by the Long family. Long Xiao now dreams that Kai will show up, and then kill Kai.

"How can we force him? Are we going to push his mother out and force him to show up?"

Long Jingguo asked in confusion.

But there is one thing, if Long Ruotong is brought out, the entire martial arts world will know that Long Ruotong is still alive and imprisoned for more than 20 years.

And the secrets that the Long family wants to know may also be known in advance by others!

"No, isn't Kai the owner of Yaoshen Valley, then we will start from Yaoshen Valley..." The corner of

Long Xiao's mouth raised slightly: "I don't believe that if Kai is threatened with the entire Yaoshen Valley, he can still hide..."

Xiao'er, the medicine refining skills of the Medicine God Valley are truly unmatched. If we destroy the Medicine God Valley, who will we go to to refine the medicine pills in the future?"

Long Jingguo asked with a slight frown.

The strength of Yaoshengu is not strong, but relying on the invincible medicine refining technique, no sect family dares to use Yaoshengu easily.

"Who said I want to destroy Yaoshengu? We can arrest all the people in Yaoshengu and let them only serve our Long family, and we can also use this to force Kai to show up. Isn't it better to have the best of both worlds?"

Long ? Xiao Leng smiled coldly.

"Then I will personally take someone there..."

Long Jingguo said.

Long Xiao waved his hand: "How can you use this kind of trivial matter to come forward!"

After speaking, Long Xiao said to a one-eyed middle-aged man sitting in the hall: "One-eyed dragon, take someone there and take the medicine from the Medicine God Valley. The pharmacist brought it back, and everyone else was killed..."

The one-eyed dragon got up, nodded and said, "As ordered..."

The aura on this one-eyed dragon is also very tyrannical, and it has reached the realm of the late Wuhou!

And in the Long family, there are quite a few such masters, many of whom came here after hearing that Long Xiao broke through Wuhou and suffered a thunder calamity recently.

It is very difficult to know the breakthrough of such a big realm, so they all hope to learn something from Long Xiao!

The one-eyed dragon took dozens of people and headed for the Medicine God Valley!

At this time, Kai was sitting with Long Wu on the top of a hill not far from Yaoshen Valley!

During this time, Kai always likes to sit here with Long Wu, listening to Long Wu talk about his mother.

"Uncle Long, didn't my mother ever tell you about my father?"

Kai wanted to know who his father was!

Many people have called him the son of the dragon more than once, and even the tiger power immortal said that he is the real body of the golden dragon!

Could it be that his father is a dragon?

Long Wu shook his head: "The eldest miss has never mentioned it, maybe she doesn't want to mention it..."

Kai stopped talking, looking into the distance, in the vast world, Kai felt that he was small like a speck of dust!

Just when Kai followed Long Wu on the top of the mountain, the one-eyed dragon had already surrounded the entire Yaoshen Valley.

Such a big movement instantly drew out Elder Xu and the four wicked men!

When they saw these dozens of people, their faces were all ugly!

These people are very powerful, and everyone exudes a terrifying breath!

The one-eyed dragon grinned as he looked at the people who were pouring out.

"I didn't expect that there are so many idle people waiting in Yaoshen Valley..."

"I'm going to take away all Yaoshengu pharmacists today. All Yaoshengu pharmacists will stand aside for me so as not to hurt you."

"Others had better surrender, or kill them..." The

one-eyed dragon exuded the breath of the late Marquis of Wu, and his eyes swept across the crowd!
