"Haha, isn't your valley owner the same Kai? His life and death are unknown now, what do you expect from him?"

"Now listen to me, I can guarantee your safety."

One-eyed dragon laughed.

It was Kai who came.

"Who are you? Dare to come to my Yaoshen Valley to be wild?"

Kai asked coldly, looking at the one-eyed dragon.

"Kai?" The

"We are from the Long family. We were ordered to destroy Yaoshen Valley. We didn't expect to meet you. If we can catch you back, Young Master Long will definitely be rewarded..."

Although the one-eyed dragon was slapped, his eyes Slightly squinted, with excitement in his eyes!

"Just because you stinky fish and rotten shrimps, you want to catch me?"

Kai sneered!

The one-eyed dragon's face was gloomy, and he said with anger: "Kai, don't think that you can defeat me just by attacking me successfully, you burn blood, even if you recover for so long, it is impossible to recover to the peak, you If you get to know each other a little bit, you will be obediently captured, and you will be spared the pain of flesh and blood..."

"Tianman, there's so much nonsense..."

Kai said, turning his fingers into knives, and a golden light shot out from Kai's fingers quickly!

Before the one-eyed dragon could react, he saw his left arm and chopped it down!

Blood spurted out instantly, and the eyes of the one-eyed dragon were full of shock!

Chapter 1602 Psychological pressure

"This...how is this possible?" The one

-eyed dragon's face was extremely ugly. You must know that he is in the realm of the late Marquis. Even a newly promoted Marquis, it is not easy to cut off his arm in one move!

However, Kai lost an arm with such an easy blow. This shock made One-Eyed Dragon unable to react for a long time.

The people in Yaoshengu looked at Kai's random shot, the power was so huge, and they were all stunned, followed by endless excitement and joy!

"Nothing is impossible. Since you dare to come to Yaoshengu to make trouble, you must be prepared to die..."

Kai said lightly to the one-eyed dragon with the corners of his mouth slightly raised.

The corners of the one-eyed dragon's eyes twitched, but he didn't speak. He was looking for how to escape!

"Everyone obeys the order, takes Kai, and goes back to Master Long for a reward..." The

After a while, the one-eyed dragon woke up and hurriedly turned around and continued to run. He was running for his life, how could he stop?

But as soon as he turned around, he found that Kai had already appeared in front of his eyes more than once.

"Do you think you can still run away?"

Kai sneered at the one-eyed dragon!

"Kai, I should tell you, Young Master Long has already stepped into the Great Marquis, and he is still the Great Marquis who suffered thunder calamity. Young Master Long will not let you go, he will divide you into five horses..." The

one-eyed dragon gritted his teeth and sighed. Grim face!

"Then I'll wait slowly, but what kind of me, you have no chance to see..."

Kai smiled, then raised his hand and slapped it.

The one-eyed dragon didn't even have a chance to scream, and was shot to death, just like killing a fly!

The four villains, Zhao Ligu, and the people from Yaoshengu, all stared at Kai in a daze, with mixed feelings in their hearts!

They are all people who follow Kai, but now Kai's strength is getting higher and higher, and the difficulties he encounters are getting bigger and bigger, and they can help a lot less!

And many times, they still need the protection of Kai, which makes them, as subordinates, feel a deep self-blame!

Kai glanced at everyone, and seemed to see something from the expressions of everyone!

"You don't need to be under any psychological pressure. The way of cultivation is about gradual progress. In order to speed up the progress of cultivation, many people do not

”What’s the matter? It’s been a whole day. How does the one-eyed dragon do things? Can’t do this trivial thing?”

Long Xiao frowned when he saw that the one-eyed dragon didn’t come back.

”Will there be an accident?”

Long Jingguo felt uneasy in his heart!

”Dad, it won’t be an accident, that one-eyed dragon is a seventh-grade Marquis, a proper realm of the late Marquis, and a small valley of medicine gods, how could it not be able to deal with it!

” It ruins the affairs of our Long family, after all, many aristocratic sects also regard Medicine God Valley as a piece of fat!”

Ning Zhi asked.

During the period of retreat, Ning Zhi knew nothing about everything that happened in the martial arts world in Kyoto!

Seeing that Ning Zhi asked about Zhu Zhishan, everyone bowed their heads and stopped talking!

Ning Zhi was shocked, he knew something must have happened.

"Come on, where's the leader of the alliance?"

Ning Zhi's face turned cold and he asked loudly.

At this time, a member of the Martial Arts Alliance stood up and told Ning Zhi what happened during this period of time.

When Ning Zhi heard this, he seemed a little surprised!

"This Long Xiao is so bold, wanting to subdue the entire Kyoto martial arts world, it's crazy..."

Ning Zhi's eyes flashed coldly.

"Deputy leader Ning, now the leader of the Long family, has proclaimed himself the leader of the alliance, and asks us to listen to the dragon family."

said a member of the Martial Arts Alliance.

"I wish the leader of the alliance is dead, then I will be promoted to the position of leader of the alliance logically. You can listen to me. Now go to convene a meeting of the various members of the martial arts alliance!"

Ning Zhi said with a gloomy expression.

"Vice Alliance Leader Ning, that Long Xiao is now the Great Martial Marquis, and his methods are cruel. Many aristocratic sects are very afraid of him..."

said the member of the Martial Arts Alliance.

"Hmph, he's the Marquis of Great Martial Arts, so why am I not..."

After Ning Zhi finished speaking, the breath on his body suddenly rose into the sky, causing a sudden vision of heaven and earth, lightning and thunder!

"Damn it, is there someone who can't break through the Great Marquis?"

"It's the direction of the Martial Arts Alliance. Someone in the Martial Arts Alliance has broken through the Great Marquis!"

"Who is it? Who has this ability?"

Many people were talking and guessing.

Soon, many aristocratic sect families were called into the Martial Arts Alliance, and many of the Long family got news!

"Master, many aristocratic sects have now gone to the Martial Arts Alliance to hold meetings, and some people say that the position of the master of the alliance is self-appointed, and it doesn't count!"

A servant of the Long family hurriedly followed Long Xiao.

"How could this be? Who is so bold, dare to openly oppose my Long family?"

Long Xiao said suddenly in a frenzy.

"I don't know, but some people say that in the Martial Dao Alliance, there are also people who have broken through the Great Marquis, so they will call those sect families for a meeting." The

servant shook his head!

"It turns out that someone has broken through the Marquis of Great Martial Arts. Even if they have broken through Marquis of Great Martial Arts, what can I do? I just happened to use him to stand up..."

Long Xiao's eyes narrowed slightly, and then he went straight to the Martial Arts Alliance in Longjing Kingdom!

Long Xiao is the Great Marquis who suffered the thunder calamity. Even though Long Xiao has just broken through, Long Xiao's strength is comparable to that of the third-rank Great Marquis!

When Long Xiao and Long Jingguo rushed to the Martial Arts Alliance, the faces of the aristocratic sects who came to the meeting changed drastically, like an old book seeing a cat!

When Ning Zhi, who was in the main seat, saw this, he immediately understood that during this period of time, it seemed that Long Xiao used the means of thunder to make these sect families fear!

"Ning Zhi, is it your intention to bring these for a meeting?"

Long Xiao asked coldly, looking at Ning Zhi who was sitting on the master's seat.

"That's right, since the leader of the alliance is dead, then I, the deputy leader of the alliance, will be promoted directly to the leader of the alliance. Why not call these members of the martial arts alliance for a meeting?"

"It's you who killed the leader of the alliance and occupied the alliance. No one in the Martial Arts Alliance can cure you?"

Ning Zhi's eyes were slightly condensed, and the breath on his body kept surging!

"It's just you?" Long Xiao sneered: "You are also worthy..."

Come on, Long Xiao slapped it out with a palm, and a terrifying strong wind went straight to Ning Zhi!

A powerful aura burst out from Ning Zhi's body in an instant, directly dispelling the strong wind shot by Long Xiao!

The two are both Marquis of Great Wu, and they fought for the first time, but they didn't use all their strength!

"Long Xiao, this is the Martial Arts Alliance. I don't want to fight with you. If you're not convinced, we'll see you on the martial arts arena tomorrow..."

Ning Zhi said in a thunderous voice.

"Okay, then I will show all the people in the martial arts world in the capital to see how you died in my hands."

Long Xiao's eyes were full of confidence. Than.

After he finished speaking, Long Xiao glanced at everyone present: "Listen, go back to me now, I will forgive the past, if I stay here, I will kill all those who stay here tomorrow after I kill Ning Zhi. Everyone was killed..."

Long Xiao's tone was unmistakable, and everyone in the hall trembled in their hearts!

Everyone looked at each other, not knowing what to do.

This is to make their team, once they choose the wrong one, they will lose their heads.

"Okay, that's it for today, you all go back, remember to go to the martial arts arena tomorrow and see how I kill this arrogant..."

Ning Zhi waved his hand and told everyone to go back.

As if receiving amnesty, everyone hurriedly left!

The current Long Xiao has been spurned by many people, but everyone is afraid of his strength!

The news that Ning Zhi and Long Xiao were going to fight in the martial arts field instantly exploded the pot in the martial arts world!

However, many people are cheering for Ning Zhi, hoping that Ning Zhi can win!

"Interesting, I didn't expect these two people to fight, but this Ning Zhi is considered a good talent, and he even broke through to the realm of the Great Marquis!"

Kai said with some surprise after getting the news.

"In that time, Long Xiao has already betrayed his relatives and left. Many people in the Kyoto martial arts world are eager for him to die. It seems that Long Xiao's life is not long..."

Long Wu said lightly.

"Mr. Chen, you said this time, which of the two will win?"

Zhao Liguó asked Kai.

Both of them are considered talented young people, and they have only recently broken through to the realm of Marquis of Great Wu.

If this fights, life and death are unpredictable!

"Who can win between the two of them depends on the souls in their bodies. Which one is stronger does not depend on the ability of their bodies!"

"Even if they are talented, if they want to break through to the Great Marquis realm in such a short period of time, it's almost impossible, it's all about the soul in the body..."

Kai's eyes flashed coldly: "No matter who wins, I'm going to join in the fun tomorrow..."

the next day!

The martial arts field was already crowded very early, and many people were looking forward to the fight between Ning Zhi and Long Xiao!

Almost all the people from the Kyoto martial arts world were present.

Most of these people hope that Ning Zhi can win. After all, compared to Long Xiao's brutality, the Martial Arts Alliance is still very restrained.

Ning Zhi also came to the martial arts field with five black copper robes. Ning Zhi attached great importance to this stop, because this stop would establish his position in the martial arts world of Kyoto.

This is a once-in-a-lifetime opportunity, and Ning Zhi must go all out!

And Long Xiao also brought several experts from the Long family to the martial arts field. The appearance of Long Xiao made the originally lively martial arts field silent in an instant!

After seeing Long Xiao, many people have deep fear in their hearts!

But just after the energy reached the child, it was blocked by a breath.

"Long Xiao, he's just a child, what kind of man are you when you do something to a child?"

Ge Jiayi is very talented, and she has always longed for herself to break through the Great Marquis of Wu.

Seeing Ge Jiayi stand up, a smile appeared on Long Xiao's gloomy face.

"It turned out to be Miss Ge, I haven't seen you for a long time, you are getting more and more beautiful..."

Long Xiao had a charming smile in his eyes!

Long Xiao also liked Ge Jiayi before, but it's a pity that Long Xiao at that time, although very talented, has not achieved what he is now!

His strength is not as high as Ge Jiayi, so he doesn't dare to confess!

But now it's different. In the entire martial arts world in Kyoto, only Long Xiao is the only one, and Long Xiao has swelled to the extreme!

Ge Jiayi looked at Long Xiao with disgust in her eyes!

But Long Xiao didn't know it, he stepped forward and followed Ge Jiayi a few steps closer!

"The number one talented woman in the martial arts world in Kyoto. Looking at the entire martial arts world, I am afraid that only Miss Ge can match me."

"You know why I haven't done anything to your Ge family during this period of time? It's because of you..."

"Miss Ge's beauty has always fascinated me..."

Long Xiao said, but in front of everyone, he went up to grab Ge Jiayi's hand!

Ge Jiayi's expression changed, and she quickly took two steps back!

Long Xiao's face changed as soon as he said it. He just kept saying that he liked Ge Jiayi, but at this moment, his eyes were full of killing intent, and he wanted to slap Ge Jiayi to death!

Chapter 1606 The Gap _

Ge Jiayi's expression changed, she knew that she would not be Long Xiao's opponent!

Marquis Marquis and Marquis Da Marquis, a great improvement in realm, is a world of difference.

Just when Long Xiao was about to attack Ge Jiayi, a huge energy attacked and instantly enveloped Long Xiao!

After speaking, Ning Zhi jumped up, and then fell steadily to Ge Jiayi's side.

"Miss Ge, don't be afraid, with me, no one can hurt you..."

Ning Zhi said to Ge Jiayi in a gentlemanly manner.

Ge Jiayi looked at Ning Zhi with disgust in her eyes, she said nothing, turned her head and walked into the crowd!

"You and I are evenly matched, but I have more brains than you. Only a brainless guy like you will take the initiative to fight against the Martial Arts Alliance, and will feel that you are a great Marquis, and you are invincible in the world..."

"It's a joke . , The world is so big, what can you count as a little Martial Marquis? Things you don't know..."

Ning Zhi had seen the high-level meeting of the Martial Arts Alliance with his own eyes. The strength of the black silver robe and the black gold robe is much higher than that of the black copper robe!

Maybe those black silver robes and black copper robes, there are also great Marquis, but they don't show their faces...

"I see that you are the one who doesn't know anything. Are you capable of confrontation?"

"Although you and I are both new Marquis of Martial Arts, you are far worse than me, and I can defeat you with one hand..."

Long Xiao snorted coldly, his eyes full of disdain.

He was the Great Marquis who surpassed Lei Jie earlier. He was different from Ning Zhi, and Ning Zhi was of course not his opponent.

"Hahaha, you are really bragging. You want to beat me with two hands, but unfortunately do you have it? One of your arms was chopped off by Kai, and you look like this. How dare you be so arrogant!"

Ning Zhi Haha laughed, which made Long Xiao's face even more ugly.

At this time, in a corner of the stand, Kai was staring at Ning Zhi and Long Xiao, Zhao Chuang, Xiao Ru, Gu Linger and the others were sitting beside Kai!

Kai went through a simple disguise so as not to be recognized.

"Why?" Zhao Chuang asked curiously.

"You don't need to ask, just look at it carefully..."

Kai said before he opened his mouth.

At this time, in the martial arts field, Ning Zhi and Long Xiao were already at each other's throats!

"Ning Zhi, I'll let you know today that both are new Marquis of Great Martial Arts, what's the difference..."

After Long Xiao finished speaking, his aura exploded in an instant, and then he jumped up with terrifying energy. Go straight to Ning Zhi!

In the face of Long Xiao's attack, Ning Zhi also went all out, and instantly burst out the most powerful aura in his body!

And the shadow was attached to Ning Zhi's back, from a distance it looked like Ning Zhi was carrying a person on his back!

At this moment, Ning Zhi's strength began to skyrocket, and red eyes appeared in his eyes!

"Even the soul is going to fight, but it's useless. Today will definitely be your death..."

Seeing Ning Zhi's strangeness at this time, Long Xiao said nonchalantly.

Whoosh...

just after Long Xiao finished speaking, he found that Ning Zhi was already in front of him, and then he punched Long Xiao on the body!

Long Xiao's body flickered, and he took a few steps back! ,

At this moment, hope rose in Ning Zhi's eyes, and everyone clenched their fists and began to encourage Ning Zhi!

Bang bang bang...

Ning Zhi struck while the iron was hot and punched more than a dozen times in a row, forcing that Long Xiao to step back!

"This soul is so powerful, and I seem to find a soul to attach to my body now..."

"Isn't that a puppet? Then I have no privacy."

"What privacy do you want, what you want is Strength, I'm praying for a soul to look at my body right now."

"Now I have a soul to help, and the progress of my practice is more effective..."

Everyone looked at Ning Zhi, who had no power to fight back. After the soul came out of the body to participate in the battle, The situation of the battle was reversed in an instant, which made many people begin to hope that they could also have souls in their bodies!

Kai listened to the discussions of the people around him. He knew that if the martial arts world continued like this, the end would not be too far away.

Chapter 1608 Escaped

"Brother Chen, Ning Zhi looks like the outbreak is very powerful, so Long Xiao can't stand it, right?"

Zhao Chuang asked Kai.

"Don't worry, look at it slowly, then Ning Zhi is probably looking for an opportunity to escape. Don't look at his arrogance now and keep attacking, he is on the way to attack, looking for an opportunity to escape."

"Because if the fight goes on, Ning Zhi is bound to lose, and he knows it himself, so he will attack with all his might, give Long Xiao an illusion, let Long Xiao relax his vigilance, and he can escape!"

Kai followed Zhao Chuang to explain in detail!

Zhao Chuang didn't quite understand, so he could only continue to watch.

At this time, Ning Zhi became more and more brave, and kept attacking Long Xiao, Long Xiao seemed a little embarrassed and could only parry!

Seeing that Ning Zhi was getting stronger and stronger, and he was about to win, many people began to shout excitedly.

"Mighty Ning, the leader of the alliance, killed that Long Xiao directly, killed him..."

"That Long Xiao's death is not a pity, he should be skinned and cramped..."

Some people were cheering for Ning Zhi, and they kept shouting!

Kai looked at the shouting people and shook his head secretly. He knew that after Long Xiao won, with Long Xiao's character, these shouting people would definitely suffer.

Boom...

With a loud bang, Long Xiao was repelled again!

But just as Long Xiao was retreating, this time Ning Zhi didn't seize the opportunity to attack one after another, but instead stammered, jumped up, and ran out of the martial arts arena!

Seeing Ning Zhi who suddenly escaped, everyone was stunned, and they were nailed to the spot like puppets!

No one thought that Ning Zhi, who had the upper hand, suddenly turned around and ran away?

Isn't this scientific?

Even Zhao Chuang grew his mouth, and then turned to look at Kai beside him, his eyes full of admiration!

Because what Kai said was not bad at all, Zhao Chuang had to admire it!

"Hahaha, he's smart, if he hadn't run fast, I'd have left his little life..."

Long Xiao laughed loudly.

He didn't go after him, because Long Xiao hadn't thought about killing Ning Zhi, what he needed was for everyone to see that no one could beat him!

"Brother Chen, what the hell are these people from the sect family in the martial arts world? Even if you don't help, you're still joking..."

When Zhao Chuang listened to those people urging Ge Jiayi to undress, his lungs were about to explode.

"The martial arts world is really rotten..."

Kai said lightly.

At this moment, Ge Jiayi began to take off her clothes after going through a ideological struggle.

Slowly, she unbuttoned the first button on her body!

Seeing that Ge Jiayi was undressing, everyone lost their voices in an instant, their breathing stagnated, and their eyes widened as they watched!

"The dignified eldest young master of the Long family actually threatened a girl with a child to undress, can you still have a face?"

With a loud shout, a sharp and terrifying wind rushed towards Long Xiao!

The strong wind hit Long Xiao's arm, instantly letting Long Xiao let go of the child in his hands.

"Who?"

Long Xiao was startled, he didn't expect that there were still experts hiding at the scene!

martial arts field, Kai stood opposite Long Xiao!

The auras on the two of them are constantly rising, and their eyes are full of fighting spirit and killing intent!

"Kai, today will be our life-and-death battle, I will never give you a chance to live..."

Long Xiao said confidently.

"You are so sure that you can beat me?"

Kai asked lightly.

"Hahaha, you are only the peak of Marquis Wu, how can you be my opponent of Marquis Martial? Didn't you see that even the newly promoted Marquis Ning was beaten and fled by me?"

"You are a peak Marquis and dare to stand up, I don't know if I should admire your courage."

Long Xiao said with a big laugh.

"Really?" Kai snorted coldly: "I only need the strength of Wuhou Peak to defeat you. You forget that I am a leapfrog. You couldn't beat me before, and it's the same now!"

"In my eyes, you are always a waste, and even your cultivation depends on the waste of your soul!"

"If you don't have a soul, you are not even as good as an ant. Any person here can kill you!"

"Kai, you're courting death, you're courting death..."

Long Xiao shouted, the breath on his body began to explode, and a big black hand formed in mid-air, and then slapped Kai fiercely. .

Kai's eyes narrowed, and then a dazzling golden light flashed above his fist, and then he punched out.

I saw a beam of light soaring into the sky, smashing hard on the big hand.

boom!

After a loud bang, the condensed giant hand, under Kai's blow, shattered and turned into a black fog that dissipated!

Long Xiao frowned, and his face became a bit ugly!

On the other hand, Kai was motionless, his eyes were full of coldness!

Just fighting for the first time, Long Xiao can feel that although Kai is only the peak of Wuhou, his strength is not worse than that of Ning Zhi!

Long Xiao looked at Kai's indifferent appearance, his eyes were burning with anger.

His fists were clenched tightly, and the aura of the Great Marquis on his body was constantly erupting!

One after another, the energy is close to Kai, and Kai is shrouded in it!

Kai raised the corner of his mouth, and his body emitted golden light. Under the illumination of the golden light, the shrouded breath disappeared instantly!

"You are a peak Wuhou, and your strength can be comparable to that of the newly promoted Marquis. It seems that you are indeed very talented."

"It's a pity that you met me today, although I am also a new Dawuhou, but I was the first person to suffer a thunder calamity in Dawuhou, and I even carried it over."

"Although your strength is comparable to the third-rank Dawuhou, it's a pity that you are missing an arm. This is your shortcoming..."

Kai smiled coldly. There is some playfulness in the eyes!

This sentence completely made Long Xiao angry, his arm was cut off by Kai, and Kai even dared to mention it!

"Kai, don't think you're amazing, don't forget, your current mother, including your girlfriend, is in my hands, you can't even protect your closest people, so I'm here with you. What are you talking about?"

Everyone trembled involuntarily!

"Long Xiao, you have successfully angered me..."

Kai gritted his teeth, his voice just like that from the Nine Serenity Hell, making people shudder!

Feeling the aura emanating from Kai, Long Xiao's heart trembled, he regretted it a little, and he did not change his anger at Kai!

When a person is provoked, he may exert a stronger strength than usual!

"Don't take it lightly, this guy's aura is too terrifying..."

At this moment, the soul in Long Xiao said.

Long Xiao looked at Kai full of vigilance, no longer contemptuous and arrogant!

Kai's strength as a Marquis peak makes him a great Marquis very vigilant. I have to say that Kai's strength is indeed too perverted.

At this moment, the furious Kai, the golden light on his body continued to flicker, and he clenched his fists tightly. On Kai's right fist, the power of the dragon was constantly condensing!

"Holy Light Fist..."

But soon, the golden dragon directly broke through the barrier and opened its bloody mouth towards Long Xiao!

Seeing this, Long Xiao pinched the seal with one hand, and then quickly swiped in the air, only to see a black mark appear, and the mark went straight to the golden dragon.

The imprint was instantly placed on the golden dragon. The golden dragon, which was originally glowing with golden light, soon lost its luster. In the end, both the golden dragon and the imprint disappeared!

"This Kai is really strong. With the strength of Marquis Wu's peak, he fought against Marquis Da Marquis, and it was a tie as soon as he made a move..."

Someone said in surprise.

But as soon as the voice fell, the mark that had disappeared suddenly appeared out of thin air at this moment, and this time it appeared so suddenly that Kai didn't have time to react!

The mark hit Kai's chest fiercely, and Kai's body flew out instantly.

The power of the Great Marquis is terrifying.

"Damn it, I thought it would be a tie, so this Long Xiao still has a backer..."

The guy who just said the tie was instantly slapped in the face!

Seeing that Kai was knocked down and flew out, Zhao Chuang and Gu Linger were very worried.

However, Kai's body was not in serious trouble. While his body was retreating, Kai had already launched a counterattack and shot forward with a palm.

The palm wind roared, and immediately saw a golden palm slapped on Long Xiao's body!

Long Xiao's body also flew upside down, and he was on a par with Kai!

Although this blow did not cause substantial damage to the two, it was considered a draw.

A tie, for Long Xiao, would be a loss of face. After all, Kai was only at the peak of Marquis Wu's strength. If he could tie with him as a big Marquis, Long Xiao would definitely have no face.

"Kai, if I don't kill you today, I will leave the martial arts world..."

Long Xiao gritted his teeth, his anger kept rising!

"Don't worry, you won't leave the martial arts world, because you will leave the whole world..."

After Kai finished speaking, his figure suddenly disappeared, and then he saw a golden light rapidly approaching Long Xiao!

Kai has an indestructible golden body to protect his body. In addition to his powerful and perverted body, he can better play to his advantages by fighting close to him!

When Long Xiao saw that Kai wanted to fight in close quarters, his body suddenly emitted bursts of black light, and then his body was also wrapped in black light, like Kai's indestructible golden body, forming a pair of armor to protect the whole body!

Chapter 1612 is already very good

Moreover, outside Long Xiao's body, there is a layer of faint white light, which has been flickering, as if it is like a Buddha's light!

"Kai, do you think only your body is strong? My body has suffered from thunderstorms, it's no worse than yours..."

Long Xiao said, and smashed it out with one punch!

The two people collided constantly, and the huge energy aftermath caused all the people around them to stay away!

Every collision caused the heaven and the earth to shake, and ripples appeared in the void, which seemed to tear the entire void apart!

Neither of the two has any reservations, and every shot goes all out!

The aura in Long Xiao's body became stronger and stronger. After the blessing of that soul, Long Xiao became more and more brave in battle!

The improvement of this big realm, the strength is exponentially increased.

Kai's ability to fight Long Xiao up to now is already quite remarkable!

While Kai and Long Xiao were fighting, in the Protectorate of the Capital, Xing Jun said to Mr. Shi, "Mr. Shi, in the martial arts field, Kai and Long Xiao fought."

"Oh, then Kai is back. Is it?" Mr. Shi was a little surprised: "Has he stepped into the Great Marquis?"

"No, it's just the peak of Wuhou, but even if it is the peak of Wuhou, fighting with that Long Xiao doesn't seem to be a loss."

Xing Jun replied. .

"You haven't stepped into the Great Marquis yet?" Mr. Shi's brows furrowed: "If he hasn't stepped into the Great Marquis, he is no match for Long Xiao at all..."

When Mr. Shi took Xing Jun to feel the martial arts field, Kai and Long Xiao had already fought no less than a hundred moves.

Now Kai's aura is getting weaker and weaker.

Long Xiao seemed to feel the weakening of Kai's breath, which made Long Xiao even more confident.

"Hahaha, Kai, within a hundred strokes, I will definitely make your head fall."

"However, with the strength of your peak Marquis, it is already amazing that you can fight with me until now."

Long Xiao finished speaking, ruthlessly. With a punch, Kai's body was instantly smashed and flew out, and his golden body also cracked a lot!

Kai's eyes narrowed slightly, and he looked at Long Xiao coldly!

He knew that what Long Xiao said was right, and if it went on like this, Kai would not be able to support a hundred moves!

The strength that Long Xiao has grown is beyond Kai's imagination!

At this moment, Long Xiao was completely defeated!

"Hahaha, I didn't expect that Long Xiao is also a coward."

"A while ago, wasn't he crazy? He wanted to be the number one person in the martial arts world, but now he's kneeling down.

Although Long Xiao is now under the control of that spirit, the strength of that spirit has also dropped a lot, and I am afraid that it is not as strong as the strength that Long Xiao exudes!

It's just that this soul doesn't want to stand still, because he knows that even if he kneels down to Kai, he will still be unable to escape the fate of death!

Kai held the golden light in his hand and smashed Long Xiao's chest with a ruthless punch!

In an instant, a big hole was punched in Long Xiao's chest, and a black shadow was instantly punched out from Long Xiao's body!

The shadow fell to the ground and seemed to want to say something, but was beaten to the core by Kai.

Without the soul, Long Xiao regained control of his body, looking at the blood hole in his chest, Long Xiao's eyes were full of horror!

"Please, let me go, let me go..."

Long Xiao cried, his face full of prayer!

"I won't let you go, not just you, the Long family alone, I won't let go..."

After Kai finished speaking, he punched Long Xiao's head fiercely!

In an instant, Long Xiao's head was smashed to pieces, the breath from his body slowly drained away, and at the end there was no trace of breath left.

Looking at the dead Long Xiao, Kai didn't have the slightest joy of victory in his heart!

Walking down the martial arts field slowly, Kai left without looking back...

Long Ruotong knew that the more she cared about her son, the more dangerous her son would be!

Seeing that Long Ruotong's expression did not change, Long Jingguo walked out of the dungeon angrily!

"Master, someone informed that Kai is coming to the Long family, he is a great Marquis, what should we do?"

Long Xingxu asked quickly.

A Great Marquis can completely destroy the entire Long Family.

Long Jingguo was lost in thought, and he didn't know what to do. A great Marquis, what would the Long family take to fight?

Although he kept saying that he wanted to avenge his son, how could he have that strength.

After pondering for a moment, Long Jingguo's eyes flickered with coldness, and he gritted his teeth!

"Xingxu, go and gather everyone in the Long family to prepare to defend against foreign enemies..."

Long Jingguo ordered Long Xingxu.

After taking Long Xingxu away, Long Jingguo silently walked into the study!

Soon, Long Jingguo came out with a letter and opened a secret room in the backyard of the Long family. In the secret room, there were four people resting. These four people were the most powerful people in the Long family. It is the realm of the late Wuhou.

However, very few people know about the existence of these four people. This is Long Jingguo's trump card and will not be exposed easily!

But this time, Long Jingguo had to use them. Even if these four people came forward, Long Jingguo knew that they would not be Kai's opponents. Long Jingguo had other arrangements for them.

"You four, take my letter and escort someone to Zixiao Mansion..."

Long Jingguo said to the four.

"Master, who are you escorting?"

one of them asked.

"Don't ask so many questions, send people to them, and dare to come back right away..."

After Long Jingguo finished speaking, he ordered people to wait outside, and he walked into the dungeon again!

When he came out, there was one more person. He saw that this person's hands and feet were chained with iron chains, and his head was covered with black gauze, so he couldn't see it at all.

"Remember, the letter must be handed over to a person named Han Fusheng, do you understand?"

Long Jingguo urged again solemnly.

Soon, the four people escorted them away, and Long Jingguo took out some dark stones from the secret room and put them all into the dungeon!

"Kai, even if I die with you, I will kill you..."

Long Jingguo's eyes were full of sternness!

But what Long Jingguo did was seen by Long Xingxu hiding aside.

Long Xingxu knew that the Long family was now at the moment of life and death.

A great Marquis, the Long family came out in full force, and it was impossible to deal with it.

"Long Jingguo actually hid so many thunderstones for so many days. Is this to make the entire Long family disappear with Kai?"

Long Xingxu's eyes narrowed slightly, and his brows were tightly wrinkled together!

"Who?"

Long Jingguo seemed to sense someone around him, and asked vigilantly.

Long Xingxu was startled and quickly stepped back, while Long Jingguo strode in his direction.

Seeing that Long Xingxu was about to be discovered, a domineering aura instantly covered the entire Long family!

Then there was a loud bang!

The gate of the Long family was directly smashed!

"Long Jingguo, get out of here..."

Kai's voice rolled in mid-air!

Long Jingguo's expression changed, and then his body jumped up and walked towards the front yard!

Long Xingxu breathed a sigh of relief, and hurried to the front yard!

When Long Jingguo rushed to the front yard, he found a lot of corpses lying on the ground!

"Kai, you killed Xiao'er and dared to come to the Long family. You are so deceiving..."

Long Jingguo glared at Kai and roared loudly!

At this moment, Long Jingguo has an indescribable feeling in his heart.

A few months ago, when he saw Kai, he only regarded Kai as an ant!

But now, Kai has become his unattainable figure!

"Too deceiving?" Kai sneered: "I want to kill not only your son, but also the entire Long family. You obediently release my mother, and I can make your death feel better..."

"Presumptuous, why? Said that you also have the blood of my Long family, and I am also your elder, is that how you talk to your elders?"

Long Jingguo reprimanded Kai angrily.

"Elder?"

"You are also worthy..."

After Kai finished speaking, he was already in front of Long Jingguo, and then he slapped Long Jingguo in the face!

Long Jingguo didn't have time to dodge at all, he was slapped so hard that the teeth in his mouth fell out.

As the head of the Long family, now Kai slapped him in front of many servants, which made Long Jingguo very embarrassed!

"Kai, if you have the ability, you can kill me, and I will make it impossible for you to see your mother in your life..."

Long Jingguo gritted his teeth and threatened Kai loudly!

With his mother still in the hands of Long Jingguo, Kai didn't dare to act too rashly!

Seeing Kai being frightened by himself, Long Jingguo instantly became proud.

"Go and kowtow to my son now. If I am satisfied, I can consider letting go of your mother..."

Long Jingguo said to Kai.

Kai's eyes narrowed slightly, and he stared at Long Jingguo closely.

"Let me kneel, you are also worthy..."

After Kai finished speaking, bursts of terrifying coercion burst out from his body!

Even that Long Jingguo was stubbornly carrying this coercion, and finally fell to the ground helplessly!

Kai looked down at Long Jingguo who was kneeling in front of him: "I tell you, you don't have any qualifications to talk to me, you have no other way but to listen to me, and I have 10,000 ways to make your life worse than death. ..."

Kai said, a golden light instantly disappeared into Long Jingguo's body.

Soon, Long Jingguo felt an unbearable itching all over his body, and there was also an excruciating pain.

Just like ten thousand ants eating the heart, not to mention the pain!

Long Jingguo rolled on the ground with a ferocious expression!

The old-fashioned Wuhou of a generation is now rolling on the ground like a rogue!

Those servants of the Long family, looking at Long Jingguo like this, all had indescribable expressions on their faces.

Only Long Xingxu knelt on the ground with a bit of coldness in his expression!

"Okay, I'll let you go, I promise you, let your mother go..."

Long Jingguo gasped heavily and tortured him violently, so that he could only agree to Kai's request.

Seeing that Long Jingguo agreed, Kai waved his hand, and the golden light shot out from Long Jingguo's body instantly!

At this time, Long Jingguo was already in a cold sweat, and he let out a heavy sigh before standing up!

"Can't go..."

At this moment, Long Xingxu, who was kneeling on the ground, suddenly stood up and said to Kai.

Kai looked at Long Xingxu and asked, "What's going on?"

And when Long Jingguo saw that Long Xingxu suddenly stood up, he immediately gave Long Xingxu a fierce look!

"Kai, you can't go to the dungeon. At this moment, the dungeon has long since lost your mother. It is full of Tianlei stones. Even if you are Daluo Jinxian, you will be blown to pieces.

" You perish together..."

Long Xingxu said to Kai.

Kai was startled and turned to look at Long Jingguo!

Long Jingguo was going crazy at this moment, and he shouted: "Long Xingxu, what the hell are you talking about? I'll kill you..."

Long Jingguo never thought that Long Xingxu was always loyal by his side. Why would you suddenly say such a thing at this time!

Long Jingguo shot Long Xingxu, and the first shot was a ruthless move. After all, Long Jingguo was a veteran martial artist. Although he couldn't beat Kai, it was not a simple slap to deal with Long Xingxu!

But who knew that Long Jingguo slapped Long Xingxu with a palm, while Long Xingxu narrowed his eyes, and suddenly a martial aura erupted from his body.

Pushing out with one palm, they collided fiercely with Long Jingguo's palm.

Long Jingguo's body actually stepped back a few steps, while that Long Xingxu took a step back and stabilized his figure!

This sudden change made everyone stunned.

When he came to Kai, he also frowned. He didn't expect that Long Xingxu's strength would be so high.

However, Long Xingxu was hiding so deeply that Kai didn't even notice it!

"Long Xingxu, you...you...when did you become so strong?"

Long Jingguo asked Long Xingxu with a shocked face.

"As a side member of the Long family, I am also a member of the Long family, and I am loyal to the Long family..."

"For so many years, as the head of the Long family, you only gave the best resources to your son, and we won't get anything!"

"Since you don't give resources, then I can only use my own methods to obtain them."

"I have been secretly cultivating so that one day I will become the head of the Long family and replace your father and son..."

Long Xingxu said to Long Jingguo with a sneer.

Chapter 1624 Long Jingguo, death

At this moment, Long Jingguo seemed to suddenly realize: "The dragon spring water was not exhausted, but was stolen by you?"

Long Jingguo then wanted to understand why the dragon spring water, the most important resource of the Long family, will become less and less. It almost dried up at last.

It turned out that Long Xingxu was secretly using it all the time!

Long Xingxu was in charge of Longquan Water, and Long Jingguo never doubted it. Now that I think about it, it's really ironic.

But just after taking two steps, he was controlled by a huge suction force. As soon as Kai waved his hand, he took Long Jingguo in his hand!

"How dare you lie to me?"

Kai glared at Long Jingguo, and then punched Long Jingguo in the chest!

Long Jingguo spurted out a mouthful of blood, his face full of hideous colors!

"Kai, you killed me, killed me, you never know where your mother is..."

Long Jingguo gritted his teeth.

"Say, where is my mother hidden?"

Kai held Long Jingguo by the collar, shaking and roaring.

"Haha, I just won't tell you, I want you to never see each other..."

Long Jingguo laughed.

"Ah..."

Long Jingguo could only breathe a sigh of relief, but he still did not say where he hid Kai's mother.

"Your mother was sent to Zixiao Mansion by him..."

At this time, Long Xingxu spoke up!

"Zixiao Mansion?" Kai frowned, he had heard this name before!

It seems that this Zixiao Mansion was the one who wanted to propose marriage to his mother back then. Later, his mother escaped from the marriage and was hunted down by the people of Zixiao Mansion...

"Where is the Zixiao Mansion?"

Kai asked.

Long Xingxu shook his head: "I don't know either!"

Kai set his eyes on Long Jingguo: "Tell me, where is Zixiao Mansion?"

"I won't tell you!"

Long Jingguo gritted his teeth , and then glared at Long Xingxu!

"You don't need to ask him, he sent four people, and when the time comes, just ask those four people..."

Long Xingxu gave Kai an idea!

When Long Jingguo heard this, he immediately scolded: "Long Xingxu, you are a traitor of the Long family, you must not die..."

Long Jingguo's head was stomped on in an instant, and there was no sound in an instant!

After killing Long Jingguo, Kai's eyes swept over the rest of the Long family!

The others felt Kai's gaze and lowered their heads one after another!

"Kai, you and I have the blood of the Dragon family, and they don't know about it. I hope you don't kill them all..."

"As long as I become the head of the Dragon family, I will definitely announce to the entire martial arts world that our Dragon family is standing behind you. I will never be your enemy."

Long Xingxu said to Kai with a sincere expression.

Kai looked at Long Xingxu, he didn't know if what Long Xingxu said was true or not, but the people of the Long family really didn't know, all these things were done by Long Jingguo.

"Okay, I believe you!"

Kai nodded.

Long Xingxu was overjoyed in his heart, with Kai backing him, his position as the head of the Long family was assured, who would dare to disobey the Long family?

Chapter 1625

Kunlun Mountain, at the foot of the mountain!

The four of them hurriedly walked forward with a man whose face was covered by a black scarf!

Before walking to a boulder, the four people stopped!

After observing the surroundings, one of them stepped forward, chanting words in his mouth, and then he saw a wave of void in mid-air, and then a dark crack in time and space appeared!

When the four saw this, they hurriedly led them in, and then the crack was closed!

Soon, the scenery in front of the four changed. The original tree-lined environment was now covered with snow!

Fortunately, these four people are in the realm of Marquis, and this coldness has no effect on them at all.

The four of them looked up and saw that not far away, a magnificent palace appeared. Under the reflection of the white snow, the palace was very majestic!

"This is the legendary secret realm. If you can come here for a walk in your lifetime, it will not be a waste of time..."

One of them sighed and then walked towards the palace.

"We are from the Long family. We came to Zixiao Mansion to send someone over, and we have a letter to hand to someone named Han Fusheng."

One of the four stepped forward and said cautiously.

"Bold, we, the Palace Master of Zixiao Mansion, can you also call him by his first name?"
The

two guards were furious, and the breath on their bodies exploded instantly.

The four dragon masters fell to the ground when their legs softened!

These four people are the strength of the late Marquis. In the martial arts world of Kyoto, they are considered masters, otherwise they would not be raised by Long Jingguo as a trump card!

But now, these four Dragon Clan masters have no power to fight back in front of the two guards of Zixiao Mansion!

"You two spare your life, we are unintentional..."

None of the four of them thought that the man named Han Fusheng was actually the Palace Master of Zixiao Palace.

If Long Jingguo explained it to them, they would never ask such a question.

In fact, Long Jingguo didn't know that Han Fusheng was just a son-in-law of Zixiao Mansion, and it was he who fell in love with Kai's mother, Long Ruotong.

Who would have guessed that more than 20 years later, Han Fusheng had become the Palace Master of Zixiao Palace.

"Palace Master has an order, put them in..."

At this moment, a light suddenly appeared in the air, followed by a woman in a white dress!

The woman wears a hairpin and has fair skin, but she looks and dresses like a servant of Zixiao Mansion!

The two guards nodded slightly when they saw the woman.

The four masters of the Dragon family got up, took Long Ruotong, and followed the woman into the light!

The light disappeared, and the figures of several people disappeared!

When the four dragon masters reacted, they found that they were already in a hall!

The hall is very large, but it is empty!

The four masters of the Dragon family did not dare to breathe. In this one, the four masters of the Dragon family felt that they were not even as good as ants!

"Palace Master, someone brought it..." The

woman said to the chair made of white marble in front of her.

Just when the four experts of the Long family were surprised why this woman was talking to the air.

There was a wave of air, and then a middle-aged man suddenly appeared on the empty chair.

This man is Han Fusheng, the Palace Master of Zixiao Palace!

The four dragon masters were dumbfounded, they had never seen such an advanced space technique.

It's simply amazing, and the changes are endless!

"This is our palace lord, didn't you say that you have a letter to hand over to the palace lord?" The

woman asked the four experts of the Long family.

This time, the four experts from the Long family responded, hurriedly took out the letter, and stepped forward cautiously: "Palace Master Han, this is the letter brought by our family master..."

A master of the Long family carefully put the letter Pass it up!

Han Fusheng just waved his hand, and the letter came into his hands.

After opening the letter, Han Fusheng only glanced at it, a bit of surprise flashed in his eyes.

Surprise followed by surprise and excitement!

Han Fusheng raised his head slowly, and finally his eyes fell on Long Ruotong, whose face was covered by the black scarf!

"I didn't expect it, I really didn't expect it..."

Han Fusheng stood up slowly, then with a wave of his hand, the black scarf covering Long Ruotong's head fell to the ground, and Long Ruotong's peerless face was revealed!

Seeing Long Ruotong, the four dragon masters were obviously stunned!

They have always been raised by the Long family and regarded them as their trump cards. Naturally, they also know Long Ruotong, and they also know a thing or two about the changes in the Long family.

It's just that they didn't expect that Long Ruotong was still alive!

"Tong'er, I didn't expect you to be alive, that's great, that's great..."

Han Fusheng walked towards Long Ruotong with joy on his face.

No one was looking at Han Fusheng, but in the blink of an eye, Han Fusheng was already in front of Long Ruotong.

Long Ruotong looked at Han Fusheng without the slightest expression on his face.

However, when Han Fusheng saw Long Ruotong's body being chained by iron chains, anger appeared in his eyes!

"How dare you..."

Han Fusheng stretched out his hand and took off the iron chain from Long Ruotong's body, looked at the four masters of the Long family and said, "What's going on?"

"Palace Master Han, this is what our master did, we don't know what happened!" The

The four dragon masters were burned to ashes, and the last gust of wind blew, and even the ashes disappeared without a trace.

As if these four people had never been here!

The four masters of late Wuhou's strength were dealt with in an understatement like this.

If people in the martial arts world see it, they will definitely be shocked.

After dealing with the four masters of the Long family, Han Fusheng looked at Long Ruotong: "Tong'er, I didn't expect to see you again. It's been more than 20 years, and you are still so beautiful and charming."

"These years, How are you doing? You ran away to avoid me back then, do you know how sad I am?"

Han Fusheng looked at Long Ruotong in surprise and joy, but Long Ruotong didn't say a word, and his face was stern. Expressionless, more than 20 years of captivity have already left Long Ruotong without the slightest emotional fluctuation!

Except for Kai, nothing will make Long Ruotong have any emotional fluctuations!

Seeing that Long Ruotong didn't say a word, Han Fusheng frowned slightly, stepped forward and gently pulled Long Ruotong's hand.

Long Ruotong didn't hide or speak, just like a robot!

But just when Han Fusheng took Long Ruotong's hand and was about to say something, his face suddenly changed wildly, and his body quickly retreated!

"Mulan, take Tong'er to the side hall immediately and serve me well. If Tong'er is a little unhappy, I will kill you!"

Han Fusheng said to the female servant.

"Follow your orders!" Mulan's face was nervous, she stepped forward and gently supported Long Ruotong, walking towards the back.

"Didn't you see that the head of the Long family has changed. This should be the puppet that Kai raised, and I haven't even heard the name."

Ning Zhi's face was very ugly, he was crushed by Long Xiao, but now, Long Xiao was killed by Kai.

Then the strength gap between him and Kai is naturally self-evident!

Nowadays, many families choose to withdraw from the Martial Arts Alliance, and many families of friends choose to follow Kai, which makes Ning Zhi very embarrassed!

Now that Zhu Zhishan is dead, the mess of the Martial Arts Alliance has fallen on his head.

"How can this Kai be so powerful?"

Ning Zhi couldn't understand what kind of exercises Kai practiced. His strength has improved so rapidly, and he can easily deal with leapfrog battles!

"You have just stepped into the Marquis of Great Wu, and you still need to concentrate on your cultivation. Don't think about other things."

At this moment, a voice sounded in Ning Zhi's mind.

Ning Zhi didn't want to think about it, but the facts were in front of him. If Kai was in trouble with the Martial Arts Alliance, how would Ning Zhi deal with it?

Now that the Martial Arts Alliance is in such a mess, if the high-level officials are held accountable, who will bear the responsibility?

"This Kai will not let go of the Martial Arts Alliance. His next target will definitely be the Martial Arts Alliance. His girlfriend is still locked here..."

Ning Zhi said with a frown.

The soul is no longer speaking, which is indeed an intractable knot.

Because the Martial Arts Alliance uses Su Yuqi's blood to continuously cultivate masters!

Including Ning Zhi, he also took Su Yuqi's blood to increase his strength so quickly.

"Vice Alliance Leader Ning, then Kai..."

A member of the Martial Arts Alliance walked in and wanted to report to Ning Zhi!

But before the words were finished, Ning Zhi stretched out his hand, and a burst of energy instantly blew the heads of the members of the Martial Arts Alliance!

The blood filled the air, and the other members were terrified!

"Zhu Zhishan is dead, I am the leader of the alliance, you remember me..."

Ning Zhi glanced at the other members of the martial arts alliance and said.

These people all bowed their heads and did not dare to speak!

"It seems that we can only alert the higher-ups. Otherwise, it will be difficult for people from the Martial Arts Alliance to stop Kai..."

Ning Zhi frowned, he knew that with the current strength of the Martial Arts Alliance, Kai could not be stopped at all!

But just after Ning Zhi finished speaking, he saw a wave of space in the hall of the Martial Arts Alliance, followed by a man covered in black robes.

The Peugeot on the chest of the black-robed man is silver, obviously higher than Ning Zhi's black copper robe!

"You all go down..."

Ning Zhi waved his hand and let the members of the Martial Arts Alliance go out.

A man like none other and the man decree (chinese) Chapter 1629-1630

Chapter 1629

After everyone left, Ning Zhi knelt down and bowed directly: "My subordinates welcome the elders of the black silver robe..." The

black silver robe directly took out a golden pestle with silver light from the black robe!

"The great master knows your situation, and specially ordered me to bring you a weapon of the Martial Saint. In a critical moment, this weapon can keep you safe."

Heiyinpao said, and handed the vajra to Ning. Chi!

Ning Zhi looked at the vajra, his eyes were full of fire!

This is the sacred weapon, the weapon used by the real martial arts.

Although I don't know the current fate of the owner of this weapon holy weapon, but this weapon holy weapon injected with the power of the martial arts, if you want to deal with a great Martial Marquis, it is as easy as the palm of your hand!

"My subordinates have thanked Da Neng, and I will do my best to manage the Martial Arts Alliance..."

Ning Zhi said excitedly.

"The great power said that Kai is also a rare genius. It would be best if you can win over and become your own use. If you can't, ask for peace for the time being and don't have any more conflicts with him. You have more important things to do. !"

said the black silver robe.

"Elder Heiyinpao, this Kai's girlfriend is imprisoned in the Martial Arts Alliance dungeon. If you want to make peace with that Kai, you can only let his girlfriend go."

Ning Zhi looked confused.

Heiyinpao snorted coldly: "It's just a woman, it won't be that important, now the Martial Arts Alliance has so many resources, just promise some to Kai, in front of women and resources, I believe that all practitioners will choose resources!"

"I understand!"

Ning Zhi nodded again and again, he knew what would happen to an elder in black and silver robes!

With the rising of a black mist, the black silver robe disappeared instantly!

Ning Zhi stood up with the vajra, his eyes were full of fire!

With the vajra, Ning Zhi didn't want to follow Kai to make peace!

He wanted to kill Kai, avenge his father, and avenge the entire Ning family!

Just after Ning Zhi raised the idea of killing Kai to take revenge, the soul in his mind suddenly said, "You better do what the great master wants, otherwise you and I will both die miserably..." The

soul's words, instantly Let Ning Zhi suppress the thought of revenge!

"Someone..."

Ning Zhi shouted to the outside world.

This member almost called it wrong, and lost his life!

"Go to Kai and bring him a message, just say I want to invite him to come to the Martial Arts Alliance and talk to him about something!"

Ning Zhi ordered.

"Looking for... looking for that Kai?"

This member of the Martial Arts Alliance was terrified!

They all know that Kai's current strength, and Kai hates the Martial Arts Alliance to the core, these members of the Martial Arts Alliance take the initiative to send them to Kai, isn't that courting death?

"Didn't you hear it?"

Ning Zhi frowned when he saw the terrified look of the members of the Martial Arts Alliance.

"As ordered, as ordered..."

The Martial Arts Alliance member hurriedly withdrew!

And Ning Zhi sighed: "I didn't expect that Kai caused so much pressure on the Martial Arts Alliance..."

"With the sacred weapon, you don't have to be afraid, let

's talk..." Soul said lightly.

"I'm afraid that Kai won't eat or punish him. This guy is very strange."

It's not that Ning Zhi doesn't want to talk.

At that time, as long as you have enough strength, you are afraid that you will not find a chance to seek revenge on Kai?
