A man like none other and the man decree (chinese) Chapter 1631-1632

Chapter 1631 Invitation

Han Qinger herself is divided according to the realm of the martial arts world, and she is already the Great Marquis of Martial Arts.

So with such strength, there is nothing to worry about.

No one noticed Han Qinger's departure, and they all focused on Kai.

"Kai, I love you, I really love you..."

"Kai, I want to give birth to a child for you, I want our child to be as awesome as you!"

"Kai..."

Those women Yelling like crazy!

Just like those fanatical fans of chasing stars, if Kai wanted these women to do anything at this time, they would agree without hesitation.

Kai's face was embarrassed, while Gu Linger's face was gloomy!

Why is Kai also his man, and now that his man is being shown love by so many women, Gu Linger is of course jealous.

"Guzhu, you are finally back. These people have been blocked here for several days. Let them go, but no one leaves..."

Xu Changsheng followed Kai helplessly.

"You can't go away, unless you use force, but then, the Valley Master will be criticized..."

Xu Changsheng said with a slight frown.

"What should I do? It seems that being a star also has a lot of troubles..."

Kai couldn't think of a good way. He couldn't really accept these people, these sect families, right?

Kai doesn't have that energy, let alone the resources to share with these people!

"Kai, the Long family has already issued an announcement and is following you."

"You can tell these people that the Long family can represent you in the future, and let this person go to the Long family."

"Long Xing That guy Xu has some brains, I believe he can handle it well."

Long Wu came over at this time and said to Kai.

"Yes, let these people go to the Long family..."

Kai nodded happily, and then followed those people and said it again!

Hearing what Kai said, many people began to flock to Long's house!

As for how Long Xingxu operates, Kai doesn't have to worry about it.

After sending everyone away, Kai summoned Zhao Ligu, Xu Changsheng, and the four villains, including Long Wu, to discuss it together.

See how to rescue Su Yuqi from the Martial Arts Alliance!

"Mr. Chen, you are in the limelight now, but the martial arts alliance has already disappeared. Many sect families have left the martial arts alliance.

"If you don't believe me, you can't save Miss Su!"

Zhao Liguó said loudly.

"I don't think so. If such a large-scale attack on the Martial Arts Alliance, the Martial Arts Alliance really can't bear it, what should we do against Miss Su?"

"We can't force the Martial Arts Alliance too tightly, after all, Miss Su is in their hands. They can be used as bargaining chips."

Ding Bubu immediately opposed Zhao Liguó's proposal.

Kai was silent, and he was still undecided.

At this moment, a few people from Yaoshengú suddenly walked in with Wu Hua Da tied up!

"What's going on?"

Xu Changsheng asked.

"Elder Xu, this guy is from the Martial Arts Alliance. He was sneaky and was caught by us!"

said a person from Medicine God Valley.

"People from the Martial Arts Alliance?"

When Xu Changsheng heard this, he was instantly furious!

"I was ordered by the leader of the alliance to come here to give a message to Mr. Chen..."

Seeing Xu Changsheng getting angry, the members of the Martial Arts Alliance hurriedly explained.

"Tell me something?"

Kai looked surprised: "Is your leader Ning Zhi now?"

"Yes, yes, our leader invited you to the Martial Arts Alliance, saying that there is something important to talk to you about..."

The member of the Martial Arts Alliance said cautiously.

Chapter 1632 I'm very busy

"What's the matter?"

Kai asked.

"I don't know about that, I'm just in charge of spreading the word."

The member of the Martial Arts Alliance shook his head.

Kai frowned slightly, and a consciousness instantly entered the minds of the members of the Martial Arts Alliance.

After the exploration of spiritual consciousness, it was found that this person was not lying, and Kai withdrew his spiritual consciousness and waved his hand!

Release that member of the Martial Arts Alliance!

"Gu Master, Ning Zhi suddenly invited you, will it be a scam?"

Xu Changsheng asked.

"There must be a fraud, that kid Ning Zhi has always been very sullen and always wants to trick people. He must not be trusted!"

Zhao Liguó said.

Kai did not speak, but frowned slightly, as if thinking about something!

After a while, Kai let out a breath: "I'll go to the Martial Arts Alliance to see what tricks Ning Zhi wants to play..."

Kai decided to go and see, after all, Su Yuqi was in their hands, and Kai also knew This guy Ning Zhi is very bad, if he doesn't go, if this Ning Zhi does something to Su Yuqi, it will be troublesome.

"Kai, be careful yourself, I have heard about this Ning Zhi, he is a very scheming guy..."

Long Wu urged Kai.

"Uncle Long, don't worry, in the face of absolute strength, any scheming is useless!"

Kai smiled slightly, and then set off for the Martial Arts Alliance!

And at this moment, Ning Zhi, after getting the news of Kai's visit, was already ready!

The vajra pestle was placed by his hand, and dozens of people were arranged around the hall, all of them Marquis!

The martial arts alliance can have this kind of strength, and it is inseparable from Su Yuqi.

Although he had a vajra in his hand, Ning Zhi still felt a little unsure in his heart, and he was extremely nervous!

"Don't be nervous, you have the sacred weapon, then Kai can't help you."

"What's more, his girlfriend is also in our hands. If he dares to kill you, you will threaten his girlfriend!"

"However, this time Da Neng is going to talk about it. You'd better win that Kai over!"

"If possible, promise him some more resources!"

Soul said to Ning Zhi.

"I will try my best to persuade!"

Ning Zhi nodded.

But Ning Zhi didn't have much hope for this peace talks, because he knew what kind of character Kai was!

But since the high-level wants him to do this, he can only obey!

It wasn't until nearly night that Kai's figure appeared at the door of the Martial Arts Alliance!

Seeing that Kai was coming, the guards at the door hurriedly hid far away, and no one dared to stop Kai!

These people from the Martial Arts Alliance, seeing Kai is like a mouse seeing a cat!

Kai walked straight into the hall, and now Ning Zhi was waiting for him!

As soon as Kai entered the door, he set his eyes on the vajra beside Ning Zhi!

A huge aura emanated from the vajra body!

This made Kai's eyes narrow slightly!

It seems that this time, this Ning Zhi is really going to play tricks!

At this moment, Ning Zhi also saw that Kai noticed his vajra pestle, smiled slightly, and then got up quickly and said, "Kai, you are here, please sit down..."

"Look at the tea..."

Ning Zhi ordered, Soon someone brought tea to Kai!

Kai was not polite, and sat directly opposite Ning Zhi: "What do you have to do with me? If you have anything to say, just let it

go. I'm very busy." Kai's attitude made Ning Zhi feel unhappy for a while, but I didn't dare to attack, I could only pretend to smile and say, "I came to you this time to make peace with you."

"As the saying goes, the enemy should be resolved but not the knot. You and our Martial Arts Alliance are unhappy, so let him go. We should let go of our hatred."

Kai looked at Ning Zhi and suddenly leaned his body towards Ning Zhi. Ning Zhi was startled!

Chapter 1633

"Let go of hatred?" Kai raised his mouth: "I killed your father and wiped out your Ning family, can you really let go of hatred?"

After hearing Kai's words, Ning Zhi trembled slightly.

How could this kind of revenge for killing his father be let go!

"Control your emotions, he is deliberately angering you..." The

soul is constantly reminding Ning Zhi!

Ning Zhi took a deep breath, then said with a smile, "That's all in the past. Now I just want to cultivate and improve my strength. I have long since let go of the revenge of killing my father.

"When will the grievances be repaid, even if I seek revenge for you and kill you, my relatives will not survive!"

Ning Zhi said it easily, but his heart was in extreme pain!

Kai looked at Ning Zhi with a bit of admiration in his eyes. The degree of Ning Zhi's forbearance was beyond the imagination of many people!

"You can make peace with me if you want. You have to show your sincerity first."

Kai sat down again and said lightly.

"Of course, of course we have sincerity. Whatever you want, just say it..."

Ning Zhi hurriedly asked.

"My girlfriend has been captured by your Martial Arts Alliance for so long. Now let her go. Let me see the sincerity of your Martial Arts Alliance."

Kai wanted to take this opportunity to rescue Su Yuqi!

After Kai finished speaking, Ning Zhi frowned slightly: "Kai, you should also know that there is a huge force behind the Martial Arts Alliance. Even the leader of the Martial Arts Alliance is just a chess piece!"

"Let your girlfriend go! I can't call the shots, but I can assure you that your girlfriend will definitely receive the best treatment!" When

Kai heard this, he immediately became furious: "Then talk about shit, you use my girlfriend's blood to help you. The martial arts alliance trains masters, you are here to tell me that she can receive the best treatment?"

Kai's eyes widened, and endless killing intent rose from his body!

"Kai, calm down. As we cultivators, we should take care of our children's love. Except for this request, I can agree to everything else."

"Our Martial Arts Alliance has a lot of training resources, which I can provide. Here it is!"

Ning Zhi persuaded Kai, he was afraid that Kai would really explode!

Kai stared closely at Ning Zhi, then the killing intent on his body gradually subsided, and after sitting up again, he said to Ning Zhi: "Since you said that, then I will change the request and give me the vajra pestle in your hand. , I fell in love at first sight..."

Ning Zhi immediately took the vajra in his hand, for fear that Kai would snatch it away!

"So, no?" Seeing Ning Zhi like that, Kai said with a cold smile.

"This... I can't call the shots, you're changing your requirements!"

Ning Zhi said a little embarrassedly.

"You can't be the master of anything, talk shit with me, go to someone else who can call the shots!"

Kai got up, turned around and was about to leave!

"Kai, our Martial Arts Alliance has mastered a lot of ancient ruins. If you promise not to be an enemy of our Martial Arts Alliance, we are willing to give you a ruin as compensation!"

Ning Zhi said loudly.

The Martial Arts Alliance holds trials every year, so you must master a large number of trial sites!

When Kai heard it, he took back the steps he took, and then turned to look at Ning Zhi: "Can I choose any of the ancient ruins you mentioned?"

"Of course!"

Ning Zhi nodded.

"Well, I'll pick an ancient ruin..."

Kai sat back again!

Ning Zhi was overjoyed, and hurriedly ordered someone to fetch a thick book, and the cover of the book was already a little worn, looking very old and vicissitudes.

Chapter 1634

"Kai, this book is left by many seniors. It records some ancient sect ruins that have disappeared. You can choose one of them!"

Ning Zhi said to Kai.

"What if I take this book away?"

Kai sneered.

"That's impossible. This is the treasure of our Martial Arts Alliance. The Martial Arts Alliance has developed for so many years and has relied on this book. Except for the top officials of the Martial Arts Alliance, no one can read this book.

"When you see this book, it is our greatest sincerity to choose an ancient ruin from it!"

Ning Zhi shook his head coldly!

When Kai saw this, he didn't say anything, but looked at the ancient book in front of him!

I saw the ruins of various ancient sects that disappeared, as well as a detailed introduction to the ancient sects!

Every time Kai turned a page, it was as if he had discovered a new continent. He did not expect that the Martial Arts Alliance still had such a treasure!

Ning Zhi saw that Kai was flipping slowly and carefully, so he frowned slightly and said, "I can tell you that the further back this book is, the richer the resources of the ancient ruins, but the more dangerous it is. See if you dare!"

After Ning Zhi finished speaking, he stared at Kai closely!

When Kai heard it, he quickly turned to the back and looked at the ancient ruins behind!

Seeing Kai turned to the back, Ning Zhi's mouth showed an imperceptible smile!

What he said just now was deliberately provoking Kai.

In order to let Kai choose a dangerous ruin, if Kai really goes to investigate, maybe he will die in it!

At that time, his revenge will also be avenged, and the Martial Arts Alliance will not need to be threatened by this Kai.

Soon, Kai's eyes stopped at an ancient ruin!

This ancient ruin used to be a sect called Tianfu Zong. This sect is mainly based on spells, and it is hard to practice spells!

The reason why Kai took a fancy to this relic was because Kai was the most lacking in spells.

And in this regard, that flax seeds are relatively proficient, and it will be easier to bring flax seeds when the time comes!

"I chose here..."

Kai pointed to Fuzong that day and said.

After Ning Zhi glanced at it, he ordered someone to bring a pen and paper and let Kai transcribe it.

After transcribing, Ning Zhi drew a cross behind the ancient ruins.

It means that this ancient ruin has been explored!

Kai put away the copied map, then put it in his pocket, and returned the book to Ning Zhi!

Ning Zhi took the book and said with a smile on his face: "Kai, now our grievances should be resolved. If you need our help in the future, our Martial Arts Alliance will never refuse..."

Ning Zhi vowed, Seriously.

"Of course, the grievances between us have been eliminated. I hope you don't seek me to take revenge for killing your father."

Kai said to Ning Zhi.

"Definitely..."

Ning Zhiqiang endured his anger and nodded with a smile!

"However, our grievances have been eliminated. It is impossible for me to just let the martial arts alliance catch my girlfriend."

"If the martial arts alliance does not release my girlfriend, I will dismantle the entire martial arts alliance! "

Kai said with a gloomy face.

The breath emanating from Kai made everyone have the illusion that as long as Kai made a move, he could destroy the Martial Arts Alliance.

"What do you mean?"

Ning Zhi's face turned cold and angry.

"As I said, my grievances with you can be eliminated, but the grievances with the Martial Arts Alliance cannot be eliminated!"

"If I don't let my girlfriend go, I will kill the Martial Arts Alliance sooner or later."

Chapter 1635

"How am I?"

Kai sneered: "Don't tell me you caught my girlfriend, and I'm still grateful to you?"

"I tell you, if my girlfriend won't be released for a day, I'll follow Martial Arts. The alliance will not give up in one day..."

After Kai finished speaking, he turned around and walked out!

"Kai, you are going too far..."

Ning Zhi was angry, the vajra in his hand buzzed, and he was about to attack Kai.

Along with Ning Zhi's roar, the Marquis who were hiding in the dark also rushed out one after another and surrounded Kai!

Kai glanced around for a week and said with a sneer: "Just because of you, you want to stop me..."

After that, Kai suddenly burst out with terrifying coercion.

This terrifying coercion instantly caused the surrounding Marquis to kneel to the ground, and some even vomited blood!

In the face of the gap in absolute strength, it is not enough to make up for the large number of people.

Looking at this scene, although Ning Zhi held the sacred weapon in his hand, he was still a little timid in his heart!

"Are you going to do it? If you do it, I can let you do two moves. If you don't do it, then roll away for me..."

Kai looked at Ning Zhi coldly, it can be said that Ning Zhi's dignity was ruined stepped on the ground!

But after Kai left, Ning Zhi became furious, a gust of wind swept through, and Ning Zhi waved the vajra in front of him!

.....

After coming out of the Martial Arts Alliance, Kai went directly to the Long family.

At this time, the Long family is also very lively, and many aristocratic families have come to seek refuge!

Because behind the Long family, there is Kai backing, so these people will do this.

Seeing Kai coming, Long Xingxu immediately went out to greet him.

"Mr. Chen, now the Long family has received..."

Long Xingxu wanted to report to Kai.

But Kai waved his hand: "Don't call me Mr. Chen, I also have half the blood of the Dragon family. You and I are brothers, so just call them brothers.

"The whole family was killed.

But now that Long Jingguo and his son are dead, and the whole thing was done by Long Jingguo, many Long family members don't know about it, so there is no need to implicate them.

Long Xingxu was taken aback by Kai's words, but then a surprise appeared on his face!

He knows that Kai's words mean that he has completely accepted the Long family and himself...

"Brother Kai, we have now accepted more than a dozen sect families, and there are countless sect families that want to ally with the Long family. "

I'm going to form an alliance to fight with the martial arts alliance!"

"But there is one thing, such a huge organization, our Long family has limited resources, I'm afraid it will be difficult to maintain..."

Long Xingxu confronted Kai said.

"You have the final say in the matter of the alliance, but you have to know how to screen those clans and families."

"As for the matter of resources, I have a solution. You order someone to send me a pen and paper!"

Kai confronted Long Xingxu said.

"Okay!"

Long Xingxu nodded, and immediately ordered someone to send pen and paper!

Then Kai entered the room, closed his eyes slightly, recalled carefully, and then quickly drew on the paper.

These are the maps and introductions of the ancient ruins he saw when he was in the Martial Arts Alliance!

Although Ning Zhi didn't ask him to take out the book, Kai's extraordinary memory has long been remembered.

Soon, more than a dozen maps of ancient ruins were drawn by Kai.

Long Xingxu watched from the side, a little confused, not knowing what Kai painted!

Chapter 1636

"You put these things away. These are ancient ruins with a lot of resources. The Long family can also conduct trials to consolidate the status of the Long family..."

Kai handed those things over to Long Xing Asahi.

Long Xingxu was dumbfounded, holding those maps, his face full of shock, he couldn't understand, how could Kai know the addresses of so many ancient ruins!

"I'm going to stay here for a few days, do whatever you want, don't deliberately entertain me..."

Kai waved his hand.

"Understood..."

Long Xingxu nodded, then turned and walked out.

"By the way, can the Dragon's dungeon be opened?"

Kai asked.

Long Xingxu stopped: "It can be opened. After Long Jingguo's death, the magic circle of the dungeon will disappear. Brother Kai, do you want to go to the dungeon?"

Long Xingxu thought that Kai was going to the place where his mother was imprisoned. have a look!

However, Kai shook his head: "No, since the dungeon can be opened, then store those Tianlei Stones, maybe they will be used one day!"

"I have already sent someone to keep them!"

Long Xingxu said.

"Okay, it's alright..."

As soon as Kai waved his hand, Long Xingxu left!

The reason why Kai thought of those Tianlei stones was that he could use these Tianlei stones to directly blow up the dungeon of the Martial Arts Alliance.

But if you want to blow up the dungeon without hurting Su Yuqi, you need to know the detailed structure of the dungeon.

Although Kai went in twice, it was only for a very short time, and he did not observe carefully!

Now that he is thinking about it, it is difficult to enter. Even if there is a space magic tool like the Qiankun Circle, there is no way to enter. The Martial Dao Alliance has already re-bounded the dungeon in space!

"It seems that we need to find an opportunity to enter the dungeon and observe it carefully!"

Kai got up, walked out of the room, and planned to go for a walk on the street, by the way, to see if Ge Fuhai was back!

If he wants to know the secret of Zixiao Mansion, it seems that he can only ask Ge Fuhai!

In addition, Kai also wants to contact that Hu Mazi. If he really goes to Tianfuzong to find out, with Hu Mazi following him, he will get twice the result with half the effort!

Because it was getting late, Kai found a small but distinctive restaurant, ordered some meals, and ate alone!

Although this restaurant is not big, it is full and there are many people eating!

And the two women who were not far from Kai at the moment caught Kai's attention!

Because he found that the aura emanating from these two women was very strong, and the most important point was that the aura emitting from these two women actually contained fluctuations in spiritual power!

You must know that only immortal cultivators can generate spiritual power in the body, if it is a martial artist, it will only generate energy!

Kai involuntarily set his eyes on the two women, and even looked a little ecstatic.

If it wasn't for the fear of the other party finding out, Kai would want to use his spiritual sense to investigate to see if these two women were monks!

"Sister Qiuju, look at this guy, looking straight at us, it's so disgusting, it looks like a big pervert..."

Han Qinger had long noticed that Kai was looking straight at them, so she said with disgust.

"Miss, let's hurry up and eat. After eating, we can go back. This guy has spiritual power, and he should also be a monk. It is estimated that he also discovered our identity..."

Qiu Ju whispered to Han Qinger.

"No, I want to teach this guy a lesson. I don't know what means this guy used to deceive so many girls and be crazy for him..."

Han Qinger said, a sense of consciousness went towards Kai!

Kai frowned, with a look of surprise in his eyes!

Han Qinger's consciousness spread, and Kai discovered that this Han Qinger turned out to be the realm of the Great Marquis!

You must know that in the entire Kyoto martial arts world, there are only a handful of such young Dawuhou, and I have never heard of a girl who has reached Dawuhou.

"This guy's consciousness is so powerful..."

Han Qing'er's face became a little ugly!

Kai saw that Han Qing'er had used his divine sense, so there was no need for him to hide it.

So a huge sense of consciousness shrouded Han Qing'er. He wanted to find out who Han Qing'er and the others were.

But just as Kai's consciousness was shrouded in Han Qing'er, a faint purple light flashed on Qiu Ju's body!

After Kai's consciousness touched this light, he was instantly defeated, and there was no room for struggle!

Kai's eyes widened, and he looked at him in disbelief.

A person who can defeat his own consciousness so easily must have a lot more strength than him.

"I'm afraid of what he will do, this guy is not your opponent at all!"

Han Qing'er glared at Kai coldly, still hating Kai!

Just now, Kai cut off her consciousness unceremoniously, which shocked Han Qinger!

"Miss, if we stay outside for too long, the palace lord will punish me when we go back..."

Qiu Ju looked confused.

Han Qinger looked at Qiu Ju like that, and could only helplessly sigh: "Okay, I didn't leave..."

Han Qinger followed Qiu Ju to get up and walked out. Kai didn't even have a meal, so he followed him out!

He was very curious, where did these two people with such cultivation come from!

You must know that the spiritual energy of the whole world is very scarce now, and it is more difficult than waiting for him to cultivate to this realm!

Kai also relied on the strength of the Concentrated Heart Technique and added a lot of opportunities to break through to the realm of the Great Marquis of Wu.

Han Qinger and Qiu Ju walked in front, and Kai followed behind.

"Are you sick, what are you doing with us?"

Han Qinger couldn't bear it any longer and roared at Kai.

"This lady, I have no ill intentions, I just want to get to know you..."

Kai just wanted to know, how did Han Qinger and the two of them cultivate to such a level in this age of lack of spiritual energy.

"Want to get to know us?" Han Qing'er smiled: "I think you just want to date us

, right?" "I've seen a man like you a lot. Do you want to coax us into bed just because we're beautiful?"

"You don't even look at us. Do you deserve to be like that?"

Han Qinger suddenly taunted, and directly threw Kai into the circle of Qianmeng.

Kai really just wanted to get to know the two of them, and wanted to know where they were from!

There was no thought of coaxing them into bed at all.

But I don't want Han Qinger to be so direct!

"Miss, you misunderstood, I have no intention of lying to you, I just want to get to know you..."

Kai explained!

"Who would believe it!" Han Qinger rolled Kai's eyes and said, "Don't follow us, or I'll kill you..."

After speaking, Han Qinger followed Qiu Ju and disappeared into the night!

Kai was a little helpless, he didn't expect to meet such an unreasonable woman!

Kai turned around and planned to go back to eat again, but as soon as he turned around, he noticed a wave of terrifying aura fluctuations not far away!

Immediately after that, there was the sound of loud drinking and fighting!

Seeing this, Kai hurried forward!

At a corner, Kai saw four men in black, attacking Han Qinger and Qiu Ju!

Kai couldn't understand, what happened to this capital?

Why all of a sudden, there are so many masters?

"Boy, who are you? Why are you interfering in our affairs?"

The man in black asked in a cold voice.

"I just watched you bully a little girl, I can't stand it, I don't know what's going on between you..."

Kai wiped the blood from the corner of his mouth and said.

"Since you don't know, then hide away, don't force me to kill you..."

After the man in black finished speaking, he ignored Kai, but grabbed Han Qinger!

Kai jumped up again, and a dazzling golden light erupted from his fists!

"Holy Light Fist..."

Kai smashed towards the man in black.

Although he knew that he was invincible, Kai still shot!

"Ancient Sacred Fist?"

"It's okay!" Kai shook his head.

"Boy, don't force me to kill you, get out now..."

The man in black walked towards Kai and Han Qinger step by step!

"Let's go, it's none of your business here, there's no need to die..."

Han Qinger knew that she was doomed, so she pushed Kai!

"Don't worry, we'll be fine..."

After Kai finished speaking, the Qiankun Circle suddenly appeared in Kai's hands!

"There is still a space magic weapon? What is the identity of this young man?" The man in black looked at the air with a solemn expression on his face!

Han Qing'er had already escaped, but the man in black turned back, and the four attacked Qiu Ju. Every move was a killer move. It seemed that they didn't want Qiu Ju to live!

At this time, Qiu Ju was already scarred and bruised, and she was holding on with a breath of infuriating energy!

"Quick, over there..."

This was a clutter of footsteps and loud shouts!

Hearing this movement, the four men in black looked at each other, followed by a flash, and disappeared in an instant!

Qiu Ju dragged her severely injured body and left quickly. It seemed that she didn't want to be seen!

Just after the four men in black and Qiu Ju left, more than a dozen people rushed here!

The leader of these dozen people is Xing Jun of the law enforcement team!

Xing Jun looked at the surrounding ruins and broken walls, and the blood on the ground, his face became very dignified!

On the other side, Kai and Han Qinger used the space teleportation of the Qiankun circle to come to the door of Long's house!

Kai and Han Qing'er supported each other and walked into the Long's house!

The servants of the Long family saw that Kai had returned with blood, and immediately reported it to Long Xingxu.

"Brother Kai, what's wrong with you?"

Long Xingxu asked in shock.

Kai's current strength is the Great Marquis. How many people in the entire Kyoto martial arts world can hurt Kai like this?

"Prepare a room for me, and immediately send someone to Yaoshen Valley to get some herbs!"

Kai said to Long Xingxu.

Long Xingxu nodded, and immediately ordered someone to go to Yaoshen Valley to get the herbs!

And he personally took Kai and them to the room!

After entering the room, Kai waved his hand and let Long Xingxu go out.

Han Qinger's face was very pale at this time, and it was obvious that she was seriously injured!

But Kai himself is not much better!

"What is this place?"

Han Qinger asked Kai.

Han Qinger looked at Kai, a look of embarrassment appeared on her face!

If she is healing now, and if Kai takes advantage of her own healing and plots against herself, then Han Qinger will really be called Tiantian's ineffectiveness, and earthly and earth should not be able to.

Kai also saw Han Qinger's concerns, so he got up and walked out.

"I have already sent someone to fetch the herbs. If there is no accident tomorrow, your injury will be healed!"

Kai finished speaking and walked out of the room.

Seeing Kai walking out of the room, Han Qinger closed her eyes slightly and started to heal her wounds quietly!

It's just that because of the lack of spiritual energy in this world, Han Qinger's healing speed is very slow!

Kai went to the next room to start healing!

.....

Kyoto, Dharma Protector Pavilion!

Although it was late at night, the light of the Dharma Protector Pavilion was still on!

Mr. Shi sat upright at the table, frowning slightly!

"Mr. Shi, I have already investigated the scene, and it is definitely not caused by the fight of ordinary warriors!"

"Kyoto has a rule that those warriors are not allowed to fight in the urban area. I believe that no one dares to openly violate it!"

Xing Jun hesitated, not knowing whether he should say it or not!

Mr. Shi nodded, without Xing Jun saying it, he seemed to have guessed Xing Jun's heart!

"Then who are these people? Why do they dare to go out of the secret realm and openly fight in the secular world?"

Xing Jun said with a look of surprise.

Mr. Shi shook his head: "I don't know, but this kind of thing may become more and more in the future. The real turmoil may not be far away..."

Xing Jun listened, although he did not He understood what Mr. Shi said about the turmoil, but what he knew was that the scene of the river of blood might reappear.

"Gu Master, are you okay?"

Xu Changsheng asked nervously after seeing Kai.

Xu Changsheng hurriedly gave Kai the medicinal herbs and herbs he brought. !

Kai took these things and knocked on the door next door!

The door opened. After a night of healing, Han Qinger's face was obviously much better, but her breath was still a little unstable!

However, Han Qinger was surprised to see Kai as if nothing happened!

It's only been one night, and the spiritual energy between heaven and earth is so deficient, Kai's injury has healed so quickly!

"Are you all right?"

Kai asked Han Qinger.

Han Qinger nodded: "It's okay..."

"Here are some herbs and medicinal herbs that can help you heal..."

Kai gave Han Qinger all the medicinal herbs and medicinal herbs that Xu Changsheng brought.

Han Qinger looked at these things in front of her. She knew that in the secular world, these things must be invaluable!

"Why are you helping me?" Han Qinger asked in confusion.

She and Kai are not related, and they don't know each other. It makes Han Qinger very strange that Kai treats her so well!

Zixiao Mansion!

Qiu Ju dragged her severely injured body back!

When Han Fusheng heard that his daughter was missing, he was instantly furious, and An Lingrong cried because he was worried about his daughter.

"Damn it, who on earth dares to do something to my Han Fusheng's daughter..."

Han Fusheng's anger continued to rise!

"Palace Master, those people are definitely not from the secular world, they should also be from the secret realm, their strength is very strong..."

Qiu Ju said to Han Fusheng.

"The people in the secret realm, the people in the secret realm, who is going to target my Zixiao Mansion from behind?"

Han Fusheng frowned, thinking hard.

He knew that what these people really had to deal with was not Han Qinger, but Han Qinger was just a bargaining chip. What they really had to deal with was their Zixiao Mansion!

"Qiu Ju, where is Lu Chang? I sent someone to inform him to find Qing'er, didn't you see it?"

An Lingrong had already sent someone to inform the Waning Moon Fort and asked Lu Chang to find Han Qinger.

If Lu Chang had found Han Qing'er, this might not have happened.

"I didn't see Young Master Lu..."

Qiu Ju shook her head.

"What the hell is this Lu Chang doing? Why did he ask him to find Qing'er, but there is no trace of him there?"

An Lingrong's face was full of regret. It would be better to send the people from Zixiao Mansion to go out and find Han Qinger.

That way, nothing like this would happen.

"Qiu Ju, go down and rest, don't mention the matter of Miss's disappearance to anyone..."

Han Fusheng waved his hand!

Han Qinger said to Kai.

"Do you need me to take you back?"

Kai asked.

Kai said this because he just wanted to know where Han Qinger was from and what her identity was!

But Kai was afraid that Han Qinger would be disgusted, so he didn't ask directly!

But at this time, Kai discovered that his own strength was actually powerless to fight back!

"You all stop me..."

Han Qinger suddenly frowned and shouted angrily at the dozen people.

With Han Qinger's angry shout, the breath suppressed by Kai instantly dissipated, and Kai also regained his freedom!

"What's the matter?"

Kai's voice came from the room!

"Brother Kai, someone is looking for you outside the door, saying it's your old friend..."

Long Xingxu said.

"What's it called?"

Kai said anxiously to Long Xingxu.

Long Xingxu didn't dare to delay, and hurriedly brought Hu Mazi in!

When Hu Mazi saw Kai, he was shocked!

"Damn it, did you fall into the Savage Mountain? How did you become like this?"

Hu Mazi was puzzled.

You must know that Kai was a handsome guy in the past, but now he has become an uncle with a stubble face!

"Master Hu, come in and say, I happened to be looking for you..."

Kai pulled Hu Mazi into the room!

He then instructed Long Xingxu to send someone to guard the door, and no one was allowed to enter!

"What's the matter? Make it so mysterious?"

Hu Mazi looked puzzled!

"No, I know it was taught by your master, you belong to that sect?"

Kai was a little anxious, so his words were incoherent! "Tianshijiao, the ancestor of our Tianshijiao

Hu Mazi was stunned for a moment, then looked at Kai up and down: "Why did you suddenly ask about Tianfuzong? It was an ancient sect that disappeared many years ago." "Later, some sects that specialized in spells, Most of them come from Tianfuzong, and even Zhang Tianshi, the ancestor of our Tianshijiao, was only a young disciple of Tianfuzong..." When Kai heard this, his eyes widened in shock: "I didn't expect this day. Fuzong is so powerful?"

"Of course, I think that the suzerain of Tianfuzong wrote a rune himself, which is this rune, which has suppressed the demons for a hundred years. It can be seen that this rune How much energy is there!" "I tell you, now that martial arts are rampant, many people feel that spells are useless, but in fact, spells can save people, kill people, and even keep one party safe!" "The talisman you draw can instantly kill a Martial Saint, and the same talisman from a senior talisman can instantly increase the strength of a Great Marquis to a Martial Saint!" "You must know that talisman techniques are ever-changing and endless. The grandson monkey in the middle was pressed on the Wuzhi Mountain, isn't it because of a spell from the Buddha?" Hu Mazi followed Kai to talk about spells, which also gave Kai a deeper understanding of spells! "I'll show you something..." Kai said, and took out the map of the ancient ruins of Tianfuzong, and there are some detailed records on it!

When Hu Mazi saw this map, his whole body trembled with excitement.

"This...this...how could Fuzong still exist on this day? It's incredible."

"Where did you get this map from? Could it be fake?"

Hu Mazi smiled, it seems that Zhu Zhishan's death , made him very happy.

The two got on the plane and went straight to Baihai City.

The ancient ruins of Fuzong that day were near Baihai City, thousands of miles away from Kyoto!

Kai looked out the window of the plane and was in a daze!

I remember the last time I went to Baihai City, it was a year ago. I went to Baihai City with Bai Zhantang for the matter of Xuanyue Valley.

"I don't know what happened to that boy Bai Zhantang following Shen Mengchen..."

"Mr. Chen...Mr. Chen..."

Just as Kai stared out the window in a daze, he suddenly heard a familiar shout!

Kai hurriedly turned his head, and the whole person was stunned for a moment: "Bai Zhantang? Why are you here?"

Kai was very pleasantly surprised, he just thought of this guy, but he didn't want to meet him!

"Mr. Chen, it really is you. Mengchen just said it was you, I can't believe it!"

Bai Zhantang was very surprised when he saw Kai, and then he waved to the seat not far away.

Soon, Shen Mengchen came over, but at this time Shen Mengchen's belly was a lot bigger, obviously pregnant!

"Mr. Chen, I just looked just like you, so I asked Zhantang to come and see, but I didn't expect it to be you!"

Shen Mengchen also said happily.

Kai looked at Shen Mengchen's belly, and was slightly surprised: "Are you two married?"

Bai Zhantang nodded: "Yes, already married, it can be regarded as a marriage with a son, this time back to Baihai City, also To hold a wedding there!"

Shen Mengchen blushed and lowered her head slightly, after all, girls are shy when they are pregnant before marriage!

"I'll accompany my friend to do something..."

Kai said with a faint smile.

"Kai, is this your friend?" asked Hu Mazi on the side.

"Yes!" Kai nodded, then followed Bai Zhantang and Shen Mengchen to introduce: "This is Master Hu!"

"Hello, Master Hu..."

"Hello, Master Hu..."

Bai Zhantang and Shen Mengchen both greeted Hu Mazi!

Hu Mazi nodded slightly, and then stared straight at Shen Mengchen's stomach!

This look made Shen Mengchen a little shy, while Bai Zhantang's expression changed slightly and his brows furrowed.

If it wasn't for Kai, it is estimated that Bai Zhantang would have done something against Hu Mazi.

Looking straight at someone's daughter-in-law like this, it's no wonder she doesn't do anything!

Hu Mazi frowned and said solemnly.

"What?" Shen Mengchen was shocked!

On the other side, Bai Zhantang said with a cold face: "Master Hu, what do you mean?"  
As soon as

he opened his mouth, he said that his child could not be saved, and Bai Zhantang was in a hurry!

Kai waved his hand towards Bai Zhantang, signaling Bai Zhantang to stop talking, and then said to Hu Mazi: "Master Hu, is there a way to crack it?"

Kai knew the ability of Hu Mazi, although he was not very strong, but he was exploring the tomb. Acupoints, drawing talismans to ward off evil spirits, I am afraid that few people can match!

"I can only draw a spell now, let this lady wear it on her body every day, and add some more nutrition, I guess it will be fine!"

Hu Mazi said, took out the yellow paper that he carried with him, and quickly drew a spell

Then he folded the spell, put it in a delicate sachet, and handed it to Shen Mengchen!

Shen Mengchen looked at it blankly, not knowing what to do, or whether he should take this sachet or not, so he looked at Bai Zhantang!

"Listen to Master Hu, Master Hu will not talk nonsense!"

Kai said lightly.

Seeing Kai say this, Bai Zhantang hurriedly took the sachet and thanked Hu Mazi again and again!

After several hours of flight, the plane landed smoothly in Baihai City!

After getting off the plane, Shen Mengchen and Bai Zhantang invited Kai to Shen's house to witness their wedding.

Kai did not refuse either. Finding the ancient ruins of Tianfuzong is not something that can be done overnight, and I don't know how long it will take, so it is not impossible to live in the Shen family!

Several people were waiting for the Shen family to send a car to pick them up at the exit, but after waiting for half an hour, no car came!

"What are you doing, cousin? It's clearly agreed, when will it arrive?"

Shen Mengchen frowned slightly, his face full of displeasure!

Let Kai and the others also wait here, Shen Mengchen is very embarrassed.

"Why don't we take a taxi back, don't wait..."

Bai Zhantang helped Shen Mengchen, so he stopped a car!

Afterwards, several people came to Shen's house by car!

At this time, the Shen family's house was obviously much larger and more imposing than it was a year ago.

After Shen Dianshan died, Shen Mengchen, a girl, started to control the entire Shen family!

In addition, Xuanyue Valley has also become the property of the Shen family, so this year, the status of the Shen family in Baihai City has continued to rise!

Especially the resort in Xuanyue Valley has also brought a lot of benefits to the Shen family!

"Mengchen, you're back, I just said that the driver will pick you up..."

At this time, a thin middle-aged man with a pointed mouth and monkey cheeks came over and said to Shen Mengchen.

"Cousin, didn't I tell you the time in advance? Why is it still delayed?"

Shen Mengchen frowned, obviously a little unhappy.

"I forgot, I won't next time." Uncle Shen Mengchen smiled awkwardly, then looked at Kai and followed Hu Mazi: "Who are these two?"

"Uncle, these are my two friends..."

Bai Zhantang said.

"Oh, then please come in, come in quickly..."

Shen Mengchen's cousin hurriedly invited Kai and the others into the room!

After ordering someone to serve the tea, Shen Mengchen's cousin left!

Shen Mengchen went to the room to rest because he was too tired on the plane, while Bai Zhantang accompanied Kai and Hu Mazi!

"Master Hu, did you see the weirdness of the man just now?"

Kai asked with a smile.

"Well, there is an evil spirit on my body, most of which is an evil cultivator!"

Hu Mazi said lightly.

"Xie Xiu?" At this moment, Bai Zhantang on the side sucked in a breath of cold air!

"Zhantang, who is this person? Why is he in the Shen family, and it seems that he has a high status in the Shen family..."

Kai asked Bai Zhantang.

"Mr. Chen, that person is a cousin of Mengchen, called Teng Chenglin. After Mengchen's father died, the huge family business was given to Mengchen. It is difficult for her to manage as a girl. It happened that her cousin found here, So I stayed!"

"But this man is also a business genius. In just one year, he managed the Shen family in an orderly manner, and he also made a lot of money."

"Mengchen plans to get married after we get married. , let her cousin take care of the Shen family all the time, after all, after giving birth to the child, Meng Chen has to cultivate in Kyoto, and it is impossible to come to Baihai City every day."

Bai Zhantang said to Kai.

"In this way, this cousin is also very good, maybe I am too sensitive..."

Hearing Bai Zhantang say this, Kai relaxed a little bit of vigilance!

To be able to help manage the family business for a year and still make such achievements, then this Teng Chenglin is really good!

After chatting a few more times, Kai and the others also went to rest!

At this time, in a room of the Shen family, more than a dozen people were hidden inside, and everyone exuded the aura of a great master!

In a place like this, being able to have so many great masters at the same time is definitely the most powerful force!

Teng Chenglin looked around, then entered the room!

"How's it going?"

asked one of the leaders.

"Go back and report to the sect master, the girl of the Shen family has returned, and the wedding will be held in three days. When the time comes, everyone in Baihai City will be there!

"It's sneaky, I worked so hard to hide in the Su family for a year, it's worth it."

Teng Chenglin said to the leader.

"Okay, I'll go right now, but you have to keep an eye on them to see if they bring experts here. That Bai Zhantang is from Kyoto. If you bring two experts, we'll be in trouble." The

leader advised Teng Chenglin.

"Don't worry, bring one old and one young, I don't have any strength..."

Teng Chenglin said confidently.

The Shen family was preparing for the wedding of Bai Zhantang and Shen Mengchen, so no one noticed that the Shen family had more than a dozen members!

After resting at Shen's house all night, Kai and Hu Mazi got up early.

They plan to find the ancient ruins of Tianfuzong!

Although there is a map showing the general location, it is not so easy to find the entrance to the ancient ruins.

If the entrance was seen at a glance, other people would have discovered the ruins long ago!

Because Bai Zhantang wants to take care of Shen Mengchen, he cannot accompany Kai and Hu Mazi!

However, they still sent a car that Kai and the others could use at will!

According to the location on the map, Kai and Hu Mazi soon came to the place!

Kai looked at the towering mountains and the canyon between the two mountains, and a familiar feeling struck instantly!

"Could it be that the ancient ruins are in this Xuanyue Valley?"

Kai looked at Xuanyue Valley and felt a little incredible!

"Have you been here?" Hu Mazi asked.

"Well, I came here a year ago..."

Kai nodded!

Chapter 1646 Bullying

Now, the entire Xuanyue Valley is a tourist attraction, and there are amusement facilities everywhere, which is much larger than it was a year ago!

Kai asked the driver to wait outside, and then walked towards Xuanyue Valley with Hu Mazi!

After Kai entered Xuanyue Valley, he let go of his consciousness and wanted to find out some clues!

But it went a long way without capturing any useful information.

Only some martial artists such as grandmasters play among the tourists.

But as the two walked farther and farther, there were gradually no more tourists, and the air began to become gloomy and cold.

"What are you two doing? You can't just enter here, there will be danger..."

At this time, two men in security uniforms appeared from both sides, stopping Kai and Hu Mazi!

At a glance, the two are the security personnel of the scenic spot!

However, Kai found that two people were abnormal. How could a scenic spot hire two masters as security guards?

Kai's consciousness had already detected the strength of the two people!

It's just that these two people didn't know anything about Kai and Hu Mazi.

After all, the difference in realm strength is too great, they can't detect the breath of Kai and Hu Mazi at all, and treat them as ordinary tourists!

"I'm sorry, we just walked around and came here!"

Kai smiled slightly, then pulled Hu Mazi and turned his head back!

When the two security guards saw Kai and the others leaving, they turned around and went back!

"Let's go back like this? There must be something weird here..."

Hu Mazi said to Kai.

"Of course I know, but I can't scare the snakes, those two security guards are obviously not from the scenic spot!"

Kai said, looking at the mountains on the side, and then jumped straight to the middle of the mountain!

At this time, Kai was the Marquis of Great Wu. Even if he was walking halfway up the mountain, he would still be walking on the ground!

"Damn, bullying me is not as strong as you, isn't it?"

Hu Mazi looked at Kai and exclaimed in dissatisfaction!

However, Hu Mazi took out two spells, and then drew a volley with his finger, and then the two spells flew into the air, directly taking Hu Mazi up!

The two of them walked halfway up the mountain like this, avoiding the security guards below!

As Kai and Hu Mazi went deeper, Kai's consciousness soon noticed a strange force.

"There's actually a master here?"

Kai frowned and quickly took back his consciousness to avoid being discovered.

"It seems that there are still a lot of people hidden here?"

Hu Mazi also felt it.

"Let's sneak over slowly..."

Kai followed Hu Mazi, concealed his figure, and moved forward slowly!

Soon, houses appeared, and there were patrols patrolling around, obviously it was a sect camp!

"Damn, I didn't expect that in just a year, someone else would occupy this place!"

Kai did not expect that Xuanyue Valley would have a new owner so soon!

However, there will definitely be many sects who like this kind of geographically superior place, so it is normal to occupy this place.

At this time, in Xuanyue Valley Broken Heart Sect, the Sect Master of Broken Heart Sect is anxiously waiting for something!

Soon, three men in black robes with a copper-colored logo on their chests appeared!

When the Sect Master of Broken Heart Sect saw this, he hurriedly greeted him.

"My subordinates pay tribute to the black copper robe..." The

Sect Master of the Broken Heart Sect hurried forward and knelt down in front of the black copper robe.

"No ceremony, how did you do the things you explained?" the

black copper robe asked.

"It's done, just wait for the black copper robe to enter the ruins to explore..." The

Sect Master of the Broken Heart Sect said hurriedly.

"En!" The black copper robe nodded!

It turned out that the map of the ancient ruins of Fuzong was taken away by Kai that day. After Ning Zhi knew that he had been tricked, he immediately sent people to prepare to explore the ruins first.

And this Heartbroken Sect was also arranged here in advance by the Martial Arts Alliance. In some important ancient ruins, there will be sects arranged by the Martial Arts Alliance in advance!

A man like none other and the man decree (chinese) Chapter 1647-1648

### Chapter 1647

Soon, three black copper robes and several people from the Broken Heart Sect walked towards the entrance of the ruins!

"Damn, it turns out that there are people from the Kyoto Martial Arts Alliance here, and three black copper robes came at once..."

Kai cursed involuntarily!

However, with his current strength, it would be easy to deal with the three black copper robes, not to mention that there is a flax beside him!

"What should we do?"

Hu Mazi asked Kai.

Kai frowned slightly and thought for a moment quietly! "You said that ancient ruins like Tianfuzong

will be dangerous inside?" Kai asked Hu Mazi. "Then there is no need to ask, it will definitely be. Before a sect like this disappears, there will definitely be lower levels of institutions." "Maybe, if you go in and get nothing, people will be gone!" Hu Mazi looked said solemnly. "Since this is the case, then we will wait. The strength of the three black copper robes is estimated to be difficult to gain from the ancient ruins..." Kai said. "Then we just wait like this?" Hu Mazi looked at the cliffs and asked a little unhappy. "Then why wait?" Kai was taken aback! "Of course I'm going down to drink tea and wait, you won't be afraid of the ants below, right?" Hu Mazi smiled! The entire Heartbroken Sect does not even have a Marquis, only the Sect Master of the Heartbroken Sect is a great master! With such strength, not to mention Kai, even Hu Mazi has dealt

with it! For Kai to take action, it would be anti-aircraft guns to hit mosquitoes! Kai smiled helplessly and could only nod his head. The two jumped down from the air and landed firmly in the Broken Heart Sect!

"Who?"

At this time, several members of the Broken Heart Sect on patrol saw that someone suddenly broke in, and hurried over to surround Kai and Hu Mazi.

Kai and Hu Mazi didn't even look at these little fellows of the Heartbroken Sect!

"Don't say it, the environment here is good..."

Hu Mazi said after sweeping around.

"I just don't know if the tea here is to your liking!"

Kai followed behind and walked towards it together!

When the two of them sang in harmony, they looked at the little ones of the Broken Heart Sect in a daze.

"Bold, trespassing into my Broken Heart Sect, how dare you be so arrogant..."

A Broken Heart Sect member couldn't stand it any longer, waving a wide-backed knife in his hand, rushing towards Kai and the others!

The other members of the Broken Heart Sect also rushed towards Kai and Hu Mazi!

Kai and Hu Mazi did not stop and kept walking forward.

Immediately afterwards, Kai waved his hand, an incomparably huge breath, like a gust of wind.

In an instant, those people from the Broken Heart Sect were blown away a hundred meters away, and they fell to the ground one by one, dead and wounded!

Soon, Kai followed Hu Mazi to the hall of Broken Heart Sect!

At this time, the Sect Master of the Broken Heart Sect was following the senior leaders in the sect, waiting for the news of the three black copper robes!

Seeing that someone suddenly broke in, the Sect Master of the Broken Heart Sect frowned!

"Who are you? How dare you trespass into my sect?" "

Are all the guards outside dead?"

Kai didn't speak, while Hu Mazi swept it with a punch, and found that several high-level officials of the Broken Heart Sect were all sitting in their seats, with just-brewed tea in front of them!

Hu Mazi walked towards a senior of the Broken Heart Sect, and the senior of the Broken Heart Sect got up and looked at Hu Mazi vigilantly!

"What do you want to do?" The

senior members of the Broken Heart Sect frowned slightly, and the breath on his body began to rise.

Bang...

That Broken Heart Sect senior fell heavily on the wall, vomited blood, and died out of breath!

This time, everyone was stunned and looked at Hu Mazi in disbelief!

You must know that someone who can become a senior of the Broken Heart Sect is at least above the fifth rank of the Great Martial Sect.

At this moment, all the senior members of the Broken Heart Sect stood up, trembling slightly.

And the Sect Master of the Heartbroken Sect also looked extremely ugly!

Hu Mazi picked up the tea, took a sip, then nodded and said, "Well, yes, it's a good tea, the top grade Biluochun, come and try it..."

Hu Mazi waved at Kai!

Kai walked over, and a senior of the Broken Heart Sect saw this, and hurriedly gave up his seat without waiting for Kai to make a move!

Kai sat next to Hu Mazi, sipping tea quietly!

And those people from the Heartbroken Sect were all sweating profusely, so scared that their hearts would stop!

"You... Who the hell are you?" The

Broken Heart Sect Sect Master asked cautiously.

Snapped!

The voice just fell!

I saw Kai waved his hand, and a burst of energy was instantly slapped on the face of the Sect Master of the Broken Heart Sect.

"You don't deserve to know our identity..."

Kai gave the Sect Master of the Broken Heart Sect coldly!

This time, the Sect Master of the Heartbroken Sect hurriedly shut his mouth!

"I'm a little hungry, go and prepare something to eat!"

Hu Mazi said to the Sect Master of Broken Heart Sect after drinking a sip of tea.

"Okay, okay..." The

Sect Master of the Broken Heart Sect nodded again and again, and hurriedly ran out!

And those seniors of the Broken Heart Sect also went out, Kai and the others did not stop him!

After running out of the hall, the people from the Broken Heart Sect breathed a sigh of relief.

"Sect Master, what should we do? These two guys seem to be very strong, and they must be masters of Wuhou."

A senior of the Broken Heart Sect asked.

"Stabilize these two people first, and when Lord Black Copper Robe comes out of the secret realm, he will naturally be able to deal with these two people..."

said the Sect Master of Broken Heart Sect.

Soon, the sumptuous wine and dishes were served, and Kai and Hu Mazi began to eat and drink!

The two of them are as comfortable as they are in their own home!

Don't care at all, many people around the hall are eyeing them both!

This kind of dimensionality reduction blow is really refreshing!

After eating and drinking, Hu Mazi picked his teeth: "It's really cool that someone is serving you..."

Kai didn't speak, but sent out his consciousness to explore everything in the ancient ruins!

However, after Kai's consciousness entered the ancient ruins, he couldn't detect anything at all, as if he had entered a chaotic world!

Immediately followed by an extremely domineering and tyrannical breath, Kai's consciousness was cut off in an instant!

Kai was startled, his body shook involuntarily!

"What's wrong with you?"

Seeing this, Hu Mazi asked quickly.

Kai said with an ugly face: "In these ancient ruins, it looks really dangerous..."

Just as Kai finished speaking, he heard a huge sound from the depths of Xuanyue Valley!

Boom...

Flaxseeds are close behind!

Soon, at the entrance of a cave that was as dark as hell, a black copper robe was running out desperately!

black copper robe shouted, and behind the black copper robe, a thing that looked like a ghost was screaming continuously.

"This is not a monster, it's just a transforming spell!"

Hu Mazi said, chanting words in his mouth, then he took out an extra spell from his hand, and then flew towards the monster!

boom!

Just after the spell approached the monster, a flame suddenly rose, the monster roared a few times, and disappeared instantly!

On the ground, there was an extra piece of yellow paper on which the monster that had just appeared was drawn!

It's just that this yellow paper is also burned into ashes in an instant!

Kai looked at it in disbelief, then looked at Hu Mazi and asked, "Is this... this figurative talisman so powerful? If you draw yourself on this talisman, wouldn't there be one more person?"

Hu Mazi Nodding: "Theoretically, yes, but I have never seen such a glyph."

"If it wasn't for the lowest glyph, it would be impossible for me to crack it!"

Kai heard this. , there is a glint in his eyes, if he learns this spell and draws a few people, wouldn't he have a lot of helpers?

Kai was a little disappointed after hearing this, and then His eyes looked at the black copper robe that was already frightened!

"You went inside, what did you see?"

Kai asked towards the black copper robe.

And the black copper robe's eyes were dull, and he kept nagging: "Hell, this is hell, this is hell..."

"Looks like this guy is frightened..."

Hu Mazi said with a disdainful smile.

Kai's expression is solemn, and the ancient ruins that can scare a Marquis into a fool can imagine how dangerous it is!

At this time, the Sect Master of the Heartbroken Sect had hurried over, and when he saw a black copper robe, he immediately knelt down and worshipped!

"Master Black Bronze Robe, these two people in front of me broke into my sect privately, and I ask you to take action and arrest them..."

Broken-hearted sectarian said indignantly.

He still doesn't know that the black copper robe in front of him has lost his mind and has become a fool!

Kai and Hu Mazi looked at each other, then laughed.

The laughter of the two made the Sect Master of the Heartbroken Sect instantly stunned!

He is going to fight to the end with the Kyoto Martial Arts Alliance!

After finishing speaking, Kai slapped it with a palm, instantly smashing the head of the black copper robe!

Although this black copper robe is stupid, Kai will not let him go!

When the people from the Broken Heart Sect saw this, they all kowtowed like pounding garlic!

"Master, we are not from the Kyoto Martial Arts Alliance, we are not..."

The Sect Master of the Heartbroken Sect explained desperately!

"No? Since it's not, how can you obey the orders of these men in black?"

Kai asked.

"It was Lord Zhu, the leader of the Martial Dao Alliance, who found us with the token and ordered us to move here,"

said the Sect Master of Broken Heart Sect.

"Then Zhu Zhishan has already died, you don't know? What other token did he hold that makes you so jealous?"

Kai asked in surprise.

"I have seen that token. It was the token that Xie Xiu Fan Jiang carried with him 20 years ago. This token can call on the entire Xie Xiu sect, but I don't know how it got into the hands of Zhu Zhishan. "

But now that Zhu Zhishan is dead, and the token is nowhere to be found, the future sect generals of the evil cultivator will be scattered, and no one will be able to mobilize!"

Seeing this scene, Hu Mazi was a little dumbfounded. He never knew that Kai still had Fan Jiang's soul on him!

Isn't Fan Jiang already dead?

And the Sect Master of the Heartbroken Sect was extremely excited when he saw Fan Jiang!

"Mr. Chen..."

After Fan Jiang appeared, he respectfully called out Kai!

Now everything he has is in Kai's hands, and he can only obey Kai!

"Look at these people, are they your disciples or grandchildren..."

Kai asked Fan Jiang.

Fan Jiang glanced at the people of the Broken Heart Sect, and then asked, "Which sect are you from?"

The Sect Master of the Broken Heart Sect said with an embarrassed expression: "Back to the ancestors, most of the evil cultivators were hunted down and killed, and only a part of them survived. Our current strength is considered a good strength among the evil cultivators."

"As ordered..." The Sect Master of the Broken Heart Sect quickly kowtowed and agreed!

The ancestors have spoken, that is more powerful than a token!

"Mr. Chen, in the future, when you encounter a sect of evil cultivation, just let me come forward..."

Fan Jiang said to Kai flatteringly.

"Okay!" Kai nodded, and then asked Fan Jiang: "You also know some ancient ruins, how much do you know about the ancient ruins of Xiangtian Fuzong?"

"Mr. Chen, I know the ancient ruins, but they are only a thousand years old. , like this Tian Fu Zong, I am afraid it has been thousands of years, I really don't understand this kind of thing!"

Fan Jiang replied!

"If that's the case, then you can go back. When there is a suitable opportunity, I will find you a body..."

After Kai finished speaking, he opened the storage ring and put away Fan Jiang's soul!

The Sect Master of Broken Heart Sect led the crowd to kowtow to Kai desperately.

Now that their ancestors are in the hands of others, do these guys still dare to disobey?

Kai glanced at the Sect Master of the Broken Heart Sect and said, "You can follow me, but you must not be cultivating evil arts and sucking the essence of innocent people. If I find out, I will kill you without mercy..."

A man like none other and the man decree (chinese) Chapter 1651-1652

Chapter 1651

"I will follow the teachings carefully..." The

Sect Master of the Broken Heart Sect promised again and again!

Kai glanced at Hu Mazi: "Master Hu, shall we go in and have a look?"

Hu Mazi forgot to glance at the dark entrance and sighed: "Let's go, life and death are fate, wealth and honor..."

"Relax, take a look If the situation is not right, we will withdraw, this time it is just to explore the way!"

Kai smiled lightly, and then walked in first!

As soon as he stepped into the entrance, Kai adjusted the breath on his body to the extreme, and he did not dare to be careless here!

Then Kai wanted to send out his divine sense to explore the way, but found that the divine sense could not be distributed at all!

Kai and Hu Mazi took every step carefully, and they were full of energy!

"Master Hu, do you think there are still people alive in these ancient ruins?"

Kai suddenly said this!

"It's possible..."

Hu Mazi nodded. Kai was stunned for a moment, and then looked at Hu Mazi

in disbelief: "Master Hu, this is a sect from thousands of years ago, is there anyone who can live for thousands of years?"

Heaven's Secret is like that medicine pill, you can live forever if you take the elixir of life, isn't there a spell that can make people survive for thousands of years?"

Hu Mazi smiled lightly.

"Then what do these spells look like? Are they the same as the ones you drew? Need a piece of yellow paper?"

Kai asked curiously.

"Don't compare me all the time. My trick is not even a fart in the eyes of a real spell master."

"A real spell can be anything, or anything, even in the void. If you draw a spell in it, even a human brain can plant a spell."

"These are all spells. If you ask me what a spell looks like, how should I answer you?"

Hu Mazi looked at Kai and asked.

Kai was speechless for a while. He didn't know much about spells, and he didn't know much. He only knew the most basic things, so he asked such unprofessional words!

The two cautiously took a few steps forward, and suddenly the entire ruins began to vibrate!

"Damn it, is it going to collapse?"

Hu Mazi couldn't help but exclaimed!

At this moment, a heat wave suddenly hit in front of Kai and the others, followed by a raging fire!

With the light of the fire, Kai and the others saw that there were several corpses lying on the ground, obviously those from the black copper robe and the Broken Heart Sect!

"Rewind..."

Kai pulled Hu Mazi, and the two quickly stepped back!

But in the process of retreating, the stone walls on both sides were also engulfed in flames, and the entire entrance turned out to be a blazing fire!

Kai's face changed greatly, and even their retreat was on fire at this time!

The raging fire has surrounded them!

"Damn, the Fire Talisman can actually exert such power today, it seems that the guy who drew these spells is definitely a spell master..."

Hu Mazi said solemnly.

"What should we do?"

Kai asked Hu Mazi.

In such a place, Kai could only ask Hu Mazi if there was a better way.

"I'll see if the Fire Avoidance Talisman can take us over there..."

After Hu Mazi finished speaking, he took out a writing brush from his arms, bit his fingertips, and dipped the writing brush on his own blood.

Immediately afterwards, Flax was in mid-air, but waving a brush!

Soon, a rune appeared in the air, and the rune flashed red light, finally covering Kai and Hu Mazi.

"Go..."

Hu Mazi pulled Kai, then rushed forward!

Kai looked at Hu Mazi in shock: "I didn't expect you to use the talisman paper?"

Chapter 1652

Hu Mazi rolled his eyes at Kai: "Damn, I say I'm trash, that's humility, don't underestimate me..."

Hu Mazi followed Kai, using the fire escape charm to block the heat of the flame, and kept moving forward run away!

Zizizi ...

The heat wave kept making noises in the ears of Hu Mazi and Kai.

Boom...

Suddenly, the fire escape talisman was destroyed, and then the flames were mixed with a terrifying power, and attacked the two people!

Kai and Hu Mazi didn't have time to dodge at all!

It was directly blown away by this force!

"Not bad golden body..."

Kai's body flashed with golden light, and the faint golden light turned into scales, covering Kai's body!

While Hu Mazi was being lifted off, he instantly took out a spell from his arms and stuck it directly on his body!

The two were hit by the heat wave, their bodies rolled over and over again, their bodies hit the stone wall, and then they were pushed back by a heat wave.

In this way, the two people were tossed for a few minutes before the burning flame went out, and the heat wave disappeared!

Kai coughed and slowly became afraid. He was a great Marquis of Wu, and he was so embarrassed!

If it weren't for Kai's decisive decision, he would activate the Indestructible Golden Body.

Now he is afraid that there is not a single piece of clothes left on his body, and they are all burned!

"Master Hu..."

Kai looked not far away, laying motionless Hu Mazi, hurriedly ran over, and helped Hu Mazi up.

Looking at Hu Mazi's dark face, Kai couldn't help laughing.

"Damn it, you still laughed, we almost died..."

Hu Mazi glared at Kai!

The talisman on Hu Mazi was burnt, and the clothes were torn a few holes, but fortunately it was still intact!

"Fortunately, I protected my clothes, otherwise I would have to meet you frankly now!"

Seeing that the clothes were all right, Hu Mazi was relieved!

If this is naked, it will be a shame!

"I just entered the entrance. I didn't even see the gate of Fuzong that day, and I encountered such a powerful spell. Isn't it even more dangerous?"

Kai said with a frown.

"That's needless to say, I think we should go back..."

Hu Mazi began to back off!

"I've come here, I have to see the gate of Tianfuzong before talking..."

Kai activated his indestructible golden body and walked forward slowly!

Seeing this, Hu Mazi could only take out a few spells and stick them on his body!

"Bless the ancestors, the disciples are just here to see, no other intentions, please don't embarrass us!"

Hu Mazi kept talking!

It may also be that what Hu Mazi said was really effective. Along the way, Kai and the others were not in danger!

Soon, an open space appeared in front of the two of them, and in this open space, a rubble appeared.

At a glance, you can see that there has been a war here.

Between the ruins and the broken walls, a towering gate tower seems to indicate that it was once a prosperous and glorious sect!

"Tianfuzong, here is

Tianfuzong..." Hu Mazi looked at the three characters of Tianfuzong on the gatehouse and shouted excitedly!

A surprise flashed in Kai's eyes, and he ran directly to Fuzong that day!

Seeing this, Hu Mazi was about to remind Kai aloud, but he was stunned when he saw Kai.

Immediately afterwards, a powerful and domineering energy attacked, making Kai unable to dodge in time, and was instantly smashed and flew out.

"I was about to remind you, why are you so reckless, there must be a mystery in Fuzong this day, if you break in, aren't you courting death!"

Hu Mazi hurriedly helped Kai up and said.

Kai wiped the blood from the corner of his mouth, frowned slightly and said, "What a terrifying vigor..."

The strength displayed by the vigor just now is probably no worse than the peak of the Great Marquis!

This time, Kai walked very carefully, and he exerted his spiritual power to the extreme with every step!

Om...

Just when Kai stepped into the gate of Tianfuzong, suddenly the void trembled!

Seeing this, Kai hurried back in fright.

At this moment, in midair, with the shaking of the void, a white-haired old man appeared.

Just like a projection, it is mapped in mid-air!

"Who are you waiting for, quickly retreat..." The

old man roared with a serious face and a cold voice.

Kai was startled, and looked at the old man in mid-air at a loss!

And that Hu Mazi fell to his knees with a thud: "Disciple, pay homage to the ancestor..."

"Senior, we just admire the magic spells of Tianfuzong, and we came here to ask for advice."

Kai said with a fist towards the old man.

"You bastard, Fuzong can come and go at will on this day. If you don't retreat quickly, don't blame the old man for being rude..."

After speaking, the old man in the air actually disappeared!

Immediately after that day, a terrifying energy shot out from the Fuzong that day!

This time, Kai had already made preparations, and after that Qi Jin shot out, Kai also punched it!

The golden fist shone with light, directly meeting the energy!

boom!

The huge collision caused the space to vibrate and the roar continued!

On the other hand, Kai felt a tightness in his chest, and his body kept retreating backwards!

"Kai, let's go, don't be reckless..."

Hu Mazi got up, grabbed Kai, and quickly fled to the ruins!

"I didn't expect that there are actually living people in these thousands of years of ancient ruins..."

Kai was full of surprise, but he didn't expect to meet an old man.

"It's not a living person, it's just using the spell technique to save images for thousands of years..."

"I didn't expect that thousands of years ago, someone would come to snatch the treasure of this day's Fuzong."

Hu Mazi's eyes were full of said in panic.

When Kai looked at Hu Mazi, he could guess how scared Hu Mazi was in his heart just now!

"It seems that this day Fuzong, we have to plan well, no wonder the ruins of this day Fuzong will be behind the book..."

Kai sighed!

He has an indestructible golden body to protect his body, and in addition to his perverted physique, even if it is, he can't bear the energy that is shot at will in the Tianfuzong.

What will happen next, no one dares to predict, no one can predict!

After coming out of the ancient ruins, the Sect Master of the Broken Heart Sect was still waiting outside with his people!

Seeing Kai and Hu Mazi come out alive, surprise and admiration flashed in his eyes!

"Mr. Chen, let's go back to the sect and have a rest..." The Sect Master of the

Broken Heart Sect saw that Kai and Hu Mazi were all dark and dignified, so he said.

Kai nodded, and before leaving, he did not forget to look back at the entrance to the ruins!

Now he has stepped into Dawuhou, but he doesn't want to be tyrannized by unknown men in black, and suppressed by Han Qinger's servants, which has already hit Kai very much!

But now there is no way to explore and search for even an ancient ruin. It seems that he still has a long way to grow!

In today's martial arts world, the Great Marquis is almost the strongest, and Martial Saint is almost unheard of. It can be seen that the martial arts world is not inferior to the Xiuxian world.

If it weren't for the depletion of the spiritual energy of heaven and earth, which gave the martial arts world room to survive, in this society, where would the martial arts world still exist!

Kai asked the Sect Master of Broken Heart Sect to guard the entrance of the ruins, while he and Hu Mazi returned to Baihai City!

The Shen family is still busy planning the wedding of Shen Mengchen and Bai Zhantang!

Because Kai agreed to stay for the wedding, he could only stay at the Shen family for a few more days, and also to see if Shen Mengchen's cousin Teng Chenglin had any intentions!

Soon, the wedding of Shen Mengchen and Bai Zhantang was held as scheduled, and elites from all walks of life in Baihai City came to participate, and there were hundreds of people!

Teng Chenglin was busy and did his best, which made Shen Mengchen feel more at ease about his cousin!

Among these guests, the table in the corner looked a little weird. These people were expressionless, as if they were not interested in the wedding held!

"Kai, did you see the people at that table? It turned out that all of them were from the Great Wuzong. I guess they didn't come to Hexi!"

Hu Mazi said to Kai.

Kai had already discovered the people at that table. Just now, Kai's consciousness spread, and everyone present couldn't escape Kai's eyes!

"Wait and see, it should jump out after a while, and it will jump out eventually."

Kai smiled lightly!

Soon, the wedding ceremony of Shen Mengchen and Bai Zhantang was over, and Teng Chenglin, the elder, stepped onto the stage and said to everyone with a microphone, "Thank you for coming to my niece's wedding during your busy schedule..."

"Now Mengchen is married as a wife, and she is still pregnant, the next day is to take care of the baby and live some ordinary and happy days."

"I hope that after I accept the Shen family, everyone will continue to cooperate with the Shen family!"

After Teng Chenglin finished speaking, all the guests below Surprised, they started talking!

Shen Mengchen, on the other hand, looked angry and asked Teng Chenglin: "Cousin, who said I would go to Kyoto and never come back? Who would allow you to take over our Shen family?"

"Mengchen, you don't have to be angry, Cousin is for your own good, you are a girl, you just need to be at home with your husband and teach your children. You can all see how I have taken care of the Shen family over the past year, right?"

"So it is the most appropriate to leave the Shen family to me, Otherwise, the Shen family will be defeated by you sooner or later." When

Shen Mengchen heard this, she was so angry that she said loudly, "If the Shen family was defeated in my hands, it is also our Shen family's business, what does it have to do with you? I asked you to take care of the Shen family, it was nothing more than food for you, do you really consider yourself the master?"

"You are just hired by my Shen family, I can drive you away now and let you follow Shen The family has nothing to do with it!"

"Mengchen, don't be angry, be careful of the fetal qi!" Bai Zhantang comforted Shen Mengchen, then looked at Teng Chenglin with a cold face: "What kind of thing are you, you still want to take over the Shen family?"

"I I don't know what they are, but you should know what they are!"

Everyone exudes the breath of the Great Martial Sect, causing the temperature of the entire banquet hall to plummet, and everyone shudders!

"Do you just want to rely on this person to snatch the Shen family's property?"

Bai Zhantang asked and Teng Chenglin.

"Just this few people, let alone the Shen family, even if it is the entire Baihai City, who can be the enemy?"

"Today I will not only be in charge of the Shen family's property, but also all the noble families in Baihai City, I will share a cup. Soup!"

"Who dares to say more, this is the end..."

Teng Chenglin shouted loudly with his bright red heart held high!

At this moment, Shen Mengchen's face became very ugly, while Bai Zhantang was tightly protecting Shen Mengchen and looked at Teng Chenglin coldly!

"Teng Chenglin, let me tell you, you don't even want to take over the Shen family, and don't think that you are invincible. If you are in the capital with your strength, you are not a fart!"

"Mr. Chen..."

"You?" Teng Chenglin glanced at Kai: "Boy, are you trying to stop me? I tell you, if you don't want to die, get away."

"What if I want to die?"

Kai looked at Teng Chenglin and smiled!

"If you want to die, then I will fulfill you..."

Saying that, Teng Chenglin's breath surged, and then he slapped Kai with his palm.

Kai stood still, with his hands behind his back, his eyes were full of disdain!

This time, Teng Chenglin was even more furious!

Bang!

Teng Chenglin slapped Kai's chest fiercely!

It's a pity that Kai didn't move, and even the expression on his face didn't change, but the wrist that escaped was directly broken!

"This..."

Teng Chenglin was shocked, and the others looked at Kai in disbelief!

"I want to die too, give me a shot too!"

At this moment, Hu Mazi jumped up and landed on the stage, then looked at Kai and said, "Okay, you pretended to be forced once. Give it to me once, this kind of pretending scene is rare..." To

pretend to be in front of hundreds of people, it's cool to think about it!

Kai looked at Hu Mazi, not knowing whether to laugh or cry, but he moved aside and let Hu Mazi stand facing Teng Chenglin!

"Boy, grandpa, I want to die, but I can't. Just give Grandpa a chance, I promise not to fight back..."

Hu Mazi put his hands behind his back and said to Teng Chenglin.

Teng Chenglin's angry face turned purple. In front of hundreds of people, he had just boasted about Haikou, and now he was slapped in the face in public!

Hundreds of guests under the stage watched this scene, and the expressions on their faces were very rich!

They did not expect that such a thing would happen!

"Don't deceive people too much..."

Teng Chenglin gritted his teeth, his breath swelled again!

I saw light lingering on Teng Chenglin's hand, and all the energy was condensed in the palm of his hand!

Hu Mazi is only the pinnacle of the Golden Core Realm, which is the pinnacle of the Great Martial Sect. If he didn't use the spell, he would be able to resist Teng Chenglin's palm, but it would certainly not be easy.

That's why Hu Mazi yelled at Teng Chenglin very dissatisfied, and then pulled Kai away and said, "You should come, this grandson doesn't talk about martial arts..."

Teng Chenglin was also angry. The difference between life and death is not playing a house!

Kai smiled, and then stood in front of Teng Chenglin casually!

At this moment, Teng Chenglin is already on the verge of an arrow, and he has to send it!

"Kid, die..."

Teng Chenglin slapped it with a palm, and the lingering light on his palm smashed into Kai's chest!

Kai didn't move, but Teng Chenglin was blown away by the huge anti-shock force!

Teng Chenglin's body slammed heavily on a table, smashing the table to pieces, scaring many guests to dodge in a hurry!

A mouthful of blood spurted out from Teng Chenglin's mouth, and the breath on his body dissipated instantly.

Seeing this scene, the surrounding guests unexpectedly applauded unconsciously!

Seeing that everyone looked at Kai in shock and applauded for Kai, Hu Mazi said a little disappointedly: "Damn, you pretended to be a kid again..."

It can be seen that this Hu Mazi thinks a lot. Act like a jerk in front of these people!

Chen When Ping heard the Heartbroken Sect, he immediately laughed: "Are you really a member of the Broken Heart Sect?"

"Everyone, everyone, don't leave, just sit and watch, you'll be fine."

Hu Mazi said loudly to the crowd.

But where no one believes in him, there are still guests who want to leave!

Seeing this, Hu Mazi directly took out two spells and threw them at the door.

This time, everyone found that although the door was open, they couldn't get out!

"Everyone told me not to let you go, but you just didn't listen, you insisted on forcing me to take action!"

"Grandson, this is our sect master, you dare to be so crazy, you just wait..." Teng Chenglin roared when he saw that Hu Mazi was still crazy.

But before he could finish speaking, he was slapped in the face by the Sect Master of the Heartbroken Sect!

"Damn, you bastard, even dare to be disrespectful to Master Hu?" The Sect Master of Broken Heart Sect finished speaking, and immediately said with a smile: "Master Hu, I didn't know you were here, it was my subordinates

"If you want to kill him, it's not impossible, but you have to go through a careful plan..."

An old voice said in Ning Zhi's mind.

"Senior, how can I kill him?"

Ning Zhi hurriedly asked.

"You have the sacred weapon in your hand now, you are gathering some black copper robes, trying to find a way to lead that Kai to the Martial Arts Alliance, and then kill him..."

said the soul.

"Then Kai probably won't come to the Martial Arts Alliance easily, right? Now that we have torn our faces, will he still come?"

"Of course, you forgot that he has the handle in our hands!"

Soul said with a faint smile.

Ning Zhi instantly remembered Su Yuqi who was locked in the dungeon, and a smile appeared on his face: "Yes, I can use his girlfriend to lead that Kai to the Martial Arts Alliance!"

"As long as that Kai dares to come, I am here. You must not let him escape once, if he doesn't die, the martial arts alliance will never have a peaceful day..." The

soul said: "The martial arts alliance will never have a peaceful day, but it is not scary. The scary thing is that if Kai grows up, you will lose your value. The great power will not value you anymore..."

"Yes, I can't lose the power of the great power, this time I must kill Kai..."

Ning Zhi's eyes flashed with firm determination, and then he used his identity to start Summon the black copper robe!

"Patriarch Ge, you are too polite, just call me Kai..."

Kai said quickly.

After all, there is something to ask for, and Kai doesn't dare to ask for it!

"Hahaha, during the time I left, so many things happened in Kyoto, Mr. Chen, you can fully bear it..."

Ge Fuhai laughed haha: "I heard Jiayi say, you have come to me, yes Is there something wrong?"

"Patriarch Ge, I want to ask you about the Zixiao Mansion, do you know where the Zixiao Mansion is?"

Kai asked Ge Fuhai.

"What are you doing in the Zixiao Mansion? Even if you tell you the location, you won't be able to enter the Zixiao Mansion!"

Ge Fuhai said.

"Why?" Kai was puzzled!

"Sects like Zixiao Mansion live in the secret realm, and you can't find it in this world."

"Just like our Ge family, the real power of our Ge family is also in the secret realm. "

Now many immortal cultivators are also hidden in secret realms, and they almost never come to the mundane world!"

"I remember telling you about all of these, and the immortal cultivators who stay in the mundane world will not be too high after all. Achievement!"

Ge Fuhai followed Kai to explain!

"Patriarch Ge, then you live in the secret realm with Zixiao Mansion, can you lead me to Zixiao Mansion?"

Kai asked.

Ge Fuhai smiled: "Although we live in the same secret realm, we are not in the same secret realm!"

"The battle between the immortals and the demons, when the heaven and the earth collapsed!"

"Eight secret realms were opened up by the Eight Vajra Buddhas, and some immortal cultivators who were preserved entered these eight secret realms."

"If I explain this way, you should understand. Right?"

Ge Fuhai looked at Kai and asked.

A man like none other and the man decree (chinese) Chapter 1659-1660

Chapter 1659

Kai nodded: "Patriarch Ge, can't we communicate with each other between these eight secret realms?"

"That's not true. There are teleportation formations between the eight secret realms, which can be teleported to the secret realm you want to go to. "

But after one transmission, you need to wait for three days before you can continue to transmit the same person, so few people use it!"

Ge Fuhai replied.

"Why?" Kai was a little puzzled. Since there was a teleportation formation, why didn't he go to another secret realm.

"May I ask Mr. Chen, will you suddenly be teleported to a very unfamiliar place? And you have to stay there for three days, let alone three days, I am afraid that in three hours, all the treasures and resources in your body will be taken away. Yes ."

Ge Fuhai smiled: "The immortal cultivators in the secret realm are just like ordinary people, and ordinary people have the same character as the immortal cultivators."

This time, Kai understood it, and it seemed that he was in the secret realm. , The major families are also intriguing and hostile to each other.

Kai suddenly remembered Han Qinger he met some time ago, as well as those powerful men in black, as well as domestic servants.

"Patriarch Ge, can the people in the secret realm enter the secular world?"

Kai asked.

"Of course, didn't I just come back from the secret realm?"

"But generally people in the secret realm rarely come to the secular world, because once people in the secret realm come to the mundane world, after a certain period of time, they will The danger of stagnant strength, or even retrogression!"

"So people in the secret realm rarely come to the mundane world except for urgent matters, and some things in the mundane world can't get into their eyes at all!

Ge Fuhai smiled helplessly, and it could be seen that he longed for strength, but it was a pity that he was selected as the contemporary spokesperson in the secular world. Only obey!

Kai thought about it for a while, and indeed the cultivators he met in the mundane world were not very powerful, but he was an exception!

It's just that Kai still doesn't know if there will be a bottleneck in the later strength improvement!

If there is really no way to improve in the secular world, Kai wants to practice in the secret realm!

"Patriarch Ge, I have an unkind request. I wonder if Patriarch Ge can agree?"

Kai asked a little embarrassedly.

"Mr. Chen, but it doesn't matter..."

Ge Fuhai smiled.

"Can Patriarch Ge take me to a secret realm to see your immortal clan?"

Kai asked cautiously, he was very afraid of Ge Fuhai's rejection!

After all, these all involve family secrets!

"Of course you can, to be honest, when I came back this time, our Ge family elders specially told me to take you to the Ge family land!" Ge

Fuhai said without concealment.

Kai was taken aback for a moment: "Patriarch Ge, what's this... how is this going on? Do you guys from the Ge family still know me?"

"Of course, I have reported all your deeds in the secular world to the patriarch, so the patriarch is right. You are very interested!"

Ge Fuhai said.

Kai didn't expect that Ge Fuhai would talk to the Ge family about himself, but thinking about it is right, Ge Fuhai, as the spokesperson of the Ge family in the secular world, of course Ge Fuhai will report what happens in the secular world!

"Patriarch Ge, when will we set off?"

Kai couldn't wait in his heart!

"Mr. Chen, don't worry, you stay at my Ge's house for one night, and we will leave tomorrow!"

Ge Fuhai said to Kai.

Seeing this, Kai could only nod his head and promised to stay at Ge's house for one night.

Ge Fuhai smiled and then winked at Ge Jiayi, who was blushing!

I don't know what the father and daughter are doing.

Chapter 1660 I like you

Ge Fuhai ordered someone to prepare a room for Kai!

When Kai entered the room, he found that the room was very clean, with a faint fragrance, and all kinds of decorations were readily available. At first glance, it was a woman's boudoir!

Kai was a little stunned, wondering why Ge Fuhai arranged himself in such a room?

However, Kai didn't think about it, he just lay on the bed, looking forward to entering the secret realm tomorrow!

After chatting with Ge Fuhai today, Kai realized that the world is so big that there is not only a Kyoto martial arts alliance.

Unconsciously, Kai fell into a deep sleep.

But I don't know how long it took, Kai felt that someone was groping for something in him!

Kai was suddenly shocked, and he shot it out with an instinctive palm!

Kai's forehead was full of cold sweat, and he was shocked. He had never been so careless in sleeping before, and he didn't realize it until he was in front of him!

"Ah..."

A woman exclaimed, making Kai's palm ready to wave again stopped!

He hurriedly turned on the light, and Kai was surprised to find that Ge Jiayi was standing in front of him.

The person who was groping on himself just now was Ge Jiayi!

At this time, Ge Jiayi was only wearing thin pajamas, and under the reflection of the light, she was very transparent!

"Miss Ge, are you alright?"

Kai didn't dare to look directly at Ge Jiayi and asked, turning his head to the side.

"You're too ruthless, you don't know Lianxiangxiyu at all!"

Ge Jiayi pouted and seemed a little angry.

"I'm sorry, I didn't know it was you, and at night, what did you sneak into my room for?"

Kai asked.

"This is my room, why can't I come?"

Ge Jiayi asked back.

When Kai heard this, he panicked and quickly apologized: "Miss Ge, I'm sorry, maybe I went to the wrong room.

"

Just when Kai was about to go out, he was stopped by Ge Jiayi: "You didn't go wrong, I let you live in my room."

Kai was stunned and looked at Ge Jiayi in disbelief.

At this time, Ge Jiayi was obviously dressed in a simple way, and there was a hint of ruddy on her fair face!

"I like you, so I want you to live in my room, and I want to be your woman..."

Ge Jiayi said bluntly to Kai.

Kai was startled, and quickly stepped back two steps: "Miss Ge, I'm really sorry, I... I already have a girlfriend."

"I know, I don't care, I don't want a name, as long as I can be with you That 's it!"

Ge Jiayi said indifferently.

"Miss Ge, I'm really sorry, I really can't..."

Kai said, and he was about to go out in a bit of embarrassment.

But who knows, Ge Jiayi hugged Kai from behind, and asked with some resentment: "Is it because I am not beautiful? Is it because of my strength? Is it because of the status of our Ge family? Why? Why?"

Kai felt the warmth on Ge Jiayi's body, recited the Qingxin mantra in his heart, and said slowly, "Miss Ge, you are very beautiful, and among women, you are also the most powerful."

"Your Ge family is in Kyoto . That also has status, but... it's just that my girlfriend is still being held by the Martial Arts Alliance, and I just want to rescue her now..."

Kai gently opened Ge Jiayi's hands, trying to break free from Ge Jiayi's embrace !

"I really don't need anything, really, just use me as a tool for you to vent. Why can your girlfriend get you, but I can't?"

"I like you, I really like you, and I like you until every night..."

"Do you think I'm cheap now? But I don't care."

"You know how many people in Kyoto are chasing me, but I don't even think about it. Even if you look at them, you won't even look at them, I'm a girl, I'm so proactive, why can't you pity me?"

Ge Jiayi cried, and the tears couldn't stop flowing.
