A man like none other and the man decree (chinese) Chapter 1661-1662

Chapter 1661

When Kai saw Ge Jiayi panicked, he was also a little confused. In fact, Kai's emotional intelligence is really low. He can't coax girls, and he can't say sweet words!

Kai himself doesn't know why, these girls are all actively pursuing him, which makes him a little overwhelmed!

"You, don't cry, it's not what you think at all, really..."

Kai looked at Ge Jiayi crying, feeling a little helpless. He wanted to wipe her tears for Ge Jiayi, but he didn't dare!

"Why not, don't think I don't know, what's your relationship with that Gu Ling'er? I've already inquired about it."

"Why is your girlfriend locked up in the Martial Arts Alliance, but you can sleep with Gu Ling'er?"

"She is still Where's your girlfriend's best friend..."

Ge Jiayi questioned Kai, it seemed that she had already inquired about the relationship around Kai!

"No, I didn't sleep with Linger, who are you listening to?"

"Don't talk about Linger, I've never slept with Yuqi, I'm still a big boy!"

Kai explained anxiously.

When Ge Jiayi heard it, she was stunned, and her tears stopped flowing!

Looking at Kai in disbelief, she couldn't believe that Kai was actually a big boy!

"Is what you said true?"

Ge Jiayi asked in disbelief.

"I swear to God, I really haven't done anything to them, I just want to do what I need to do after getting married..."

Kai said with a serious face.

Seeing Kai's serious look, Ge Jiayi suddenly burst out laughing!

"I really didn't expect that such a powerful person, you are still a big boy!"

"Since this is the case, then I am relieved. In this way, at least we are all at the same starting line, then I am not afraid! "

"I have the confidence to make you fall in love with me!"

Ge Jiayi's face was full of confidence.

Since Kai hadn't touched anyone, Ge Jiayi was relieved.

Seeing Ge Jiayi burst into laughter, Kai looked helpless, he was really frightened by Ge Jiayi just now!

Fortunately, there is a heart-clearing mantra, otherwise he is a normal man, who can withstand it!

"It's getting late, you should rest quickly, I'm going out..."

Kai rushed to escape from here!

"Don't go, just sleep here..."

Ge Jiayi said to Kai.

"No no no, I'm afraid..."

Before Kai finished speaking, Ge Jiayi interrupted him: "You sleep here, I'm leaving, I have another room!"

After speaking, Ge Jiayi turned and left. He left the room, and when he walked to the door, he suddenly turned around and smiled at Kai: "Good night..."

After Ge Jiayi walked out of the door, Kai hurriedly closed the door!

Kai, who was sitting on the bed, gasped heavily, wiped the cold sweat from his forehead, and Kai couldn't help but let out a wry smile!

His dignified Marquis of Great Wu was actually frightened into this by a woman!

"Hey, in today's society, women are too active..."

Kai sighed and started to practice cross-legged. He would definitely not be able to fall asleep!

The next morning, Kai got up early!

Breathing in the fresh air, Kai couldn't help but sigh that the garden of the Ge family was built very well!

"Mr. Chen, did you sleep well last night?"

At this time, Ge Fuhai came over and asked Kai with a playful face.

"Patriarch Ge, it's very good, very good..."

Kai was a little embarrassed, and nodded quickly.

Seeing Kai like that, Ge Fuhai's smile grew even stronger, he stepped forward and patted Kai's shoulder, with a gesture of elders talking to juniors: "Just sleep well, I will take you there in a while. Our Ge family land, we must know that our Ge family land is forbidden for outsiders to enter."

Chapter 1662

Ge Fuhai's sentence made Kai seem to understand something.

No wonder Ge Jiayi went to her room in the middle of the night last night. It turned out that it had been arranged a long time ago.

If Kai wants to go to the Ge family land, he must be a member of the Ge family.

If he was with Ge Jiayi, he would become a member of the Ge family, and it would be reasonable to take him to the Ge family land!

It's just that Ge Fuhai didn't know that Kai did nothing with Ge Jiayi last night!

Ge Jiayi didn't blackmail Kai because of the clan, it seemed that she was thinking of making Kai fall in love with her through her own efforts!

"Patriarch Ge, let's go now, I can't wait..."

Kai urged Ge Fuhai.

He was really afraid that in the future, Ge Fuhai knew that he did nothing with Ge Jiayi, and suddenly regretted it and didn't take him with him.

"Okay, since you're in a hurry, let's go!"

After Ge Fuhai finished speaking, he waved his palm lightly, and suddenly a light enveloped the two of them!

Kai knew that this was a space technique, and Ge Fuhai had already reached the point of perfection for space techniques!

The light flashed, and Kai closed his eyes tightly. When he opened his eyes, he found that he had already arrived in the wilderness!

"This...is this a secret realm? It's no different from the secular world!"

Kai looked around curiously and said in surprise.

Looking at Kai like that, Ge Fuhai laughed: "We haven't entered the secret realm yet, and space magic can only be performed in the same space."

"The secret realm and the mundane world are not in the same space, so how is space magic possible? Bring people directly into the secret realm!"

When Kai heard this, he was immediately embarrassed!

Kai followed Ge Fuhai for another distance and came to the foot of a mountain!

I saw Ge Fuhai took out something with a gossip graphic, and then said something in his mouth!

Soon, light flashed in the void, and then a door slowly opened!

This seems to be the gate of heaven. Kai can't see what's inside at all!

"This is Huomen. The eight secret realms at that time were all created on the basis of gossip. Our Ge family's secret realm is leaving, and Li means fire. We call it Huomen!"

"Others There are also Tianmen, Dimen, Leimen, Fengmen, Watermen, Shanmen, Zemen

!" "The secret realm where Zixiao Mansion is located is in the shock position, that is, Leimen!" Ge Fuhai explained to Kai, Chen

"Patriarch Ge, how many sects are there in each secret realm? Is there a limit to the number?"

Kai wanted to know how big this secret realm was and how many hidden sects there were.

But who knows Ge Fuhai shook his head: "Then I don't know how many sect families survived back then. I haven't counted them, and they're no longer within my knowledge..."

Kai followed Ge Fuhai in . After the gate of light, after two people entered, the gate of light disappeared instantly!

What caught Kai's eyes was another scene. He saw the deserted desert, and the Gobi Desert was everywhere. At first glance, he couldn't see anything!

This time, Kai was a little dumbfounded, and looked at Ge Fuhai with a puzzled face!

"Patriarch Ge, is this...is this a secret realm?"

In Kai's cognition, the secret realm should be surrounded by trees, animals, and a very good environment.

How could it be so desolate?

Seeing Kai like that, Ge Fuhai smiled: "What? It's different from the secret realm you imagined?"

"It's different!" Kai shook his head.

"Hahaha, the secret realms are not as you imagined. In every secret realm, there is an environment for each secret realm!"

"The Leimen where Zixiao Mansion is located is covered with snow, and the snow is constantly accumulating all year round. Woolen cloth....."

Ge Fuhai laughed.

## A man like none other and the man decree (chinese) Chapter 1663-1664

A man like none other and the man decree (chinese) Chapter 1663-1664

Chapter 1663

Kai looked embarrassed, because he was still a cultivator himself, but he knew nothing about the world of cultivators!

That's why there are so many jokes!

"You will understand slowly. From now on, we are all a family. I will often take you around the secret realm."

Ge Fuhai looked at Kai, smiled meaningfully, and then waved his hands, a light enveloped the two personal.

The two people appeared in a bustling town in an instant. I saw that there were hawkers doing business everywhere in this town, and they were no different from the secular world!

"Let's go..."

Ge Fuhai took Kai across a street, and then stopped in a courtyard!

Kai looked at the courtyard, and asked incredulously: "Patriarch Ge, the Ge family land you said is not here, right?"

Ge Fuhai nodded: "Yes, this is it!"

Kai didn't know what to say for a while What's the matter, because the implementation of this hospital is not good, no matter how you look at it, it doesn't look like the clan of a big family!

Even following Ge Fuhai's courtyard in Kyoto is incomparable.

Ge Fuhai saw Kai's thoughts, but he didn't say anything, but smiled faintly, and then walked in with Kai!

But as soon as Kai entered the gate, a huge spiritual energy rushed to his face, and then a majestic manor appeared in front of him!

At the entrance of the manor, two guards are standing upright, exuding the aura of Marquis. Are both guards Marquis?

Kai's jaw almost dropped!

Kai looked at Ge Fuhai in disbelief, knowing that Ge Fuhai is now in the realm of Marquis, so it seems that he will follow the guard at the door!

"This is the clan of our Ge family..."

Ge Fuhai smiled!

"Patriarch Ge, you...what is your status in your Ge family land?"

Kai asked curiously.

Ge Fuhai smiled lightly: "I'm in our Ge family's land, I'm just an errand. The real Ge family's direct line, who would go to the mundane world..."

Ge Fuhai said this, a little helpless, after all, immortal cultivators, with Strengthening strength is the main goal.

Going to the secular world is tantamount to limiting the improvement of one's own strength.

"Do the other secret realm families also have spokespersons in the secular world? I really want to have never met them!"

Kai was a little puzzled. For so long, he only met Ge Fuhai, the spokesperson of the Ge family in the secular world!

"There should be. This kind of thing is kept secret, and I don't know!"

"Go in quickly, I guess the clan elders are anxious."

Ge Fuhai took Kai to the depths of the clan.

When passing the guard, Ge Fuhai showed his waist card, and was released.

It seems that Ge Fuhai's position in the Ge family's land is indeed not very high!

Going through several courtyards, Ge Fuhai brought Kai to a stop at a three-story courtyard.

"Disciple Ge Fuhai, please see the clan elder..."

Ge Fuhai shouted loudly at the door!

At this time, a middle-aged man walked out from the inside, with a beard on his face and a fierce look on his face.

He glanced at Ge Fuhai and Kai, and then waved his palm lightly!

A spiritual power instantly wrapped the two of them!

Ge Fuhai didn't show any expression, but Kai was shocked, and then the golden light on his body appeared, resisting this spiritual power!

Because Kai discovered that this spiritual power was actually sealed by his own cultivation.

How could Kai have his cultivation base sealed for no reason?

The golden light on Kai's body kept flickering, and the power of the dragon in his body was carrying that spiritual power, preventing him from entering his body!

Seeing this, the bearded man frowned slightly!

"Mr. Chen, don't resist, this is a necessary process to see the elders of the clan, everyone must seal their cultivation base!"

Ge Fuhai explained to Kai after entering the door.

Chapter 1664

Seeing this, Kai could only put away the power of the dragon in his body!

In an instant, the dantian in Kai's body entered a sealed state and turned into an ordinary person!

"Go in..."

said the bearded man.

"Thank you Third Elder..."

Ge Fuhai respectfully followed the bearded man and gave a salute, and then walked in with Kai!

As soon as he entered the courtyard, Kai smelled a faint fragrance, Kai sniffed hard, and then the whole person frowned!

As a pharmacist, Kai is too familiar with this kind of thing, but this fragrance comes from a kind of tree. After this tree is burned, it will emit a faint fragrance.

However, this fragrance is not used for fresh air, but for embalming. After some corpses are fumigated by this kind of smoke, they can achieve the effect of embalming.

Kai couldn't understand, how could such a thing be used as a spice in a place where the dignified Ge family lived?

But before Kai could figure it out, Ge Fuhai knelt down directly.

"The disciples have come to pay their respects to the elders of the clan, and the people have already brought them..."

Ge Fuhai kowtowed heavily and said loudly.

Kai then looked intently, and found that on the top seat, there was an old man sitting. The old man's gray beard and eyebrows almost covered his entire face!

It seems that the old man is very old, his skin is covered with folds, and he is sitting on the seat, as if he is about to die at any time.

The old man didn't move, as long as his eyes were bright, if he didn't look at those eyes, he would have thought he was dead!

Kai looked at the elder of the Ge family for a while, without salute!

"Mr. Chen, hurry up and salute..." Ge Fuhai looked at Kai, and said anxiously, "You are also a member of the Ge family now. It is a crime to see the clan elders not salute!"

But Kai didn't kneel, because he was not from the Ge family, and he didn't have the habit of kneeling!

"Hello, clan elder!"

Kai just clasped his fists.

This time, cold sweat broke out on Ge Fuhai's forehead, he was afraid that the clan elder would be angry!

But who knows, the clan elder was not angry, but said indifferently: "You all sit down..."

Ge Fuhai was stunned, because he had never sat down in front of the clan elder, and had always been kneeling.

Why did you bring Kai here today, this clan elder was so polite and let them sit down?

Kai was not polite, but walked to the chair beside him and sat down.

But Ge Fuhai did not dare, and still knelt on the ground!

"Look at the tea..." The

clan elder ordered.

At this time, from the room on the side, a woman in a white dress walked out. The woman's face can be said to be overwhelming, like a fairy in the sky.

It's just that his face is very pale, without the slightest breath, just like a walking dead!

The woman took small steps, walked to Kai's step by step, bowed slightly, and put the tea in front of Kai's!

Kai looked at the woman's face, and the whole person fell into huge doubts!

Because he couldn't feel the breath of a living person from this woman.

"Could this woman be a puppet corpse?"

Kai thought to himself, his scalp began to tingle!

If this is the case, then this Ge family land is probably not a good place.

Just when the woman turned around, Kai pretended to touch the woman's hand inadvertently.

Starting with a cold hand, without the slightest temperature, Kai can conclude that this woman is a corpse!

This time, Kai's breathing began to become rapid.

His strength is now sealed, and he is completely slaughtered and has no ability to resist.

Gently picked up the tea, Kai's hands trembled slightly.

Chapter 1665

Looking at the tea in front of him, Kai didn't dare to take a sip for a long time.

He didn't know what was in the cup of tea.

"Please use tea..." The

clan elder said at this time, with a bit of respect in his tone, which shocked Ge Fuhai, who was kneeling on the ground!

He had never heard that the clan elder was so polite to others.

Kai was helpless and could only take a sip of tea.

Now that his cultivation base has been sealed, there is no room for resistance at all, he can only take a step by step!

But when Kai took a sip of tea, a warm current flowed in his body.

Immediately afterwards, the sealed dantian opened instantly, and the spiritual power in the body was also boiling!

Kai tried it for a while, and found that his strength was restored, and the seal was lifted!

Kai was very surprised, how could this sip of tea have such a great effect?

So he looked up at the old clan, and wanted to ask what was going on?

But when Kai looked up, he found that a huge relief appeared on the wall behind the clan elder.

And there is a giant dragon carved on the relief, and the appearance of this giant dragon is exactly the same as that on Kai's Tianlong ring!

Kai looked at it with surprise, and the whole person fell into huge doubts!

But the clan elder had long since floated up, and his body fell steadily in front of Kai.

The old body knelt down to Kai!

"My subordinate Ge Cangsheng, see the palace master..."

The elder of the Ge family knelt in front of Kai and shouted respectfully!

This time, Ge Fuhai, who was on the side, was dumbfounded, and his jaw dropped!

You know, he has never seen the clan elder leave that position!

Moreover, he has never seen the clan elder kneel before anyone else.

In the Ge family land, the clan elders are the gods, and they are all objects to be worshipped by others.

But now, the clan elder actually bowed to Kai, a young man in his twenties, and shouted one by one.

How can this make Ge Fuhai not shocked?

And Kai looked at the elder Ge family who was kneeling in front of him, looking at the relief, and seemed to understand something!

"Are you also a member of the Tianlong Temple?"

Kai asked the old Ge family.

"Go back to the hall master, our Ge family is one of the thirteen halls of the Tianlong Palace. I have been waiting for the hall master to appear for twenty years..." When the

Ge family elders said this, their voices were all over the place. With a little trembling and excitement!

As soon as Kai heard it, he immediately understood, but at this time, Kai was full of yearning for his father!

He didn't know what kind of strength his father was, and even a cultivator family like the Ge family was only one of them!

Kai didn't know what kind of shock it would give him among the thirteen halls, those that had not yet appeared!

But there is one thing Kai has discovered, that is, the order in which Tangkou appears is getting stronger and stronger, and it is always following his own trajectory!

It's as if Kai's life has long been designed by others!

Kai waved his hand and made Ge Cangsheng stand up!

"The hall master asks you to get up, you just get up..."

Seeing this, Ge Fuhai slowly got up, but bowed his body very low.

Although Ge Fuhai didn't know what Tianlong Hall was, and he didn't even know what the hall was, he only knew one thing, that was the elder of the Ge family, and he listened to Kai, and Kai would be the boss of the Ge family in the future.

Chapter 1666

"I ask you, what happened to that girl?"

Kai asked Ge Cangsheng.

He didn't want things like refining puppet corpses to appear at the entrance of his Tianlong Palace!

When Ge Cangsheng heard this, he quickly explained: "Palace Master, this girl is your subordinate's beloved daughter..."

"Your daughter?" Kai's face was full of disbelief: "Then she...then she has no life at all, could it be a Can't you make a corpse?"

Hearing this, Ge Cangsheng's face was a little moved, and then he said: "Back to the hall master, the little girl was assassinated to death many years ago, and the subordinates did their best to find a soul and a soul for the little girl, So to be precise, the little girl is not a corpse!"

"But in order to prevent the little girl's body from rotting, the subordinates can only burn incense in the hall every day to control the little girl's body from rot."

It is unbearable for anyone to see their daughter become like this and get along with her all day long.

Kai couldn't help but look at the girl more, looking at the girl's appearance, but he was in his early twenties. Looking at this Ge Cangsheng, he was already in his waning years, and he was already over a hundred years old. If Ge Cangsheng didn't say anything, Kai would not dare to think that this girl is actually Ge Cangsheng's daughter!

"How many years has your daughter become like this?"

Kai asked curiously.

"Twenty years..."

Ge Cangsheng's words made Kai stunned.

"She...she's only in her early twenties, how is that possible?"

Kai looked at Ge Cangsheng's daughter in disbelief. What did he think, this girl didn't look like an old woman in her forties or fifties.

"Palace Master, the little girl was assassinated at the age of twenty-four, so her physical body has been kept at that age."

"And our immortal cultivators will increase their lifespan with the improvement of strength. It will take hundreds of years, even thousands of years. So decades are nothing..."

Ge Cangsheng explained to Kai.

Kai nodded slightly and continued to ask: "After all these years, have you thought of a way to revive your daughter completely?"

"Hey!" Ge Cangsheng sighed: "I have tried my best over the years, But it's useless at all, but when the little girl became like this, her subordinates had a dream. In the dream, a golden dragon told her subordinates that the next Tianlong Palace Master could completely resurrect the little girl!"

This made Kai a little panicked, how could he have the ability to revive Ge Cangsheng’s daughter, his current strength is not as good as that of an elder of the Ge family.

“Old Ge Clan, with my current strength, I’m afraid I can’t revive your daughter, or are you thinking of other ways?”

Kai said with an embarrassed expression.

“Palace Master, since the Golden Dragon is dreaming, it is definitely possible. Even if the Palace Master can’t now, he will definitely be able to revive the little girl in the future .

“He is by the side of the hall master, and he can also help the hall master to solve problems...”

Ge Cangsheng hoped that Kai would bring his daughter.

This can make Kai embarrassed enough. If Ge Cangsheng’s daughter is normal, that’s fine, and if there is a Martial Sage by his side, Kai can go to the Martial Arts Alliance and directly rescue Su Yuqi.

Kai asked Ge Cangsheng, with the strength of the Ge family at this time, if he was sure of dealing with Zixiao Mansion.

But Ge Cangsheng didn't know, because he was not in a secret realm, so Ge Cangsheng didn't know the strength of Zixiao Mansion, so he had no way to determine whether he could beat Zixiao Mansion.

However, if you are fighting across the secret realm, the strength requirements of the attacking party are very strict, or if you go to someone else's territory, you can only go back and forth!

After staying in the Ge family for three days, Kai planned to leave, although the Ge family was full of spiritual energy and had far more resources than the secular world. much more.

But Kai can't stay here forever, he still has his own things to do!

"Palace Master, the little girl will be handed over to you..." Reluctantly,

Ge Cangsheng handed over his daughter to Kai!

Because the spiritual energy of the secular world is exhausted, Ge Cangsheng doesn't have to worry about the decay of his daughter's body.

"Old Ge Clan, don't worry, I will find a way to revive your daughter." Kai could only speak to comfort Ge Cangsheng, but Kai himself had no idea whether he could be resurrected!

"Hallmaster, the little girl's name is Ge Yuhan. Although she has only one soul and one soul, she can still understand some words after staying for a long time."

Ge Cangsheng said to Kai.

"Okay, don't worry, Ge Clan!"

Kai took Ge Yuhan and Ge Fuhai out of the Ge family's land and returned to the secular world!

When Kai and Ge Yuhan appeared at the Ge family, the jealousy on Ge Jiayi's face suddenly exploded!

Ge Jiayi didn't understand, why did Kai go to the clan's land and bring a girl back!

"Kai, you're such a careless kid that you brought a girl back after a few days of walking?"

"It seems that you were all a liar that night, right?"

Ge Jiayi said to Kai very dissatisfied.

"Miss Ge, you misunderstood..."

Kai smiled awkwardly.

But before Kai could explain, Ge Fuhai's expression changed greatly, and he yelled at Ge Jiayi, "Shut up for me, why are you talking to Mr. Chen? Can you manage what Mr. Chen wants to do? "

You hurry back to my room, what are you talking nonsense about here?"

Chapter 1668 Battle Post \_

Ge Fuhai was frightened, what character is Kai now?

Ge Jiayi dares to speak to Kai in such a tone that even the clan elders kneel down, isn't that courting death?

In addition, that Ge Yuhan is the daughter of the clan elder, and now that Ge Jiayi is eating Ge Yuhan's vinegar, she will also be courting death!

"Dad, what's wrong with you? He..."

Ge Jiayi wanted to say something, but Ge Fuhai had already thrown it into the room!

"Mr. Chen, ignore her, this child is like this..."

Ge Fuhai hurriedly apologized to Kai!

Kai smiled lightly: "I think you should explain it to Miss Ge, I'm not as promiscuous as she thinks..."

"Yes, I will explain!"

Ge Fuhai nodded again and again.

Kai took Ge Yuhan away, while Ge Fuhai found Ge Jiayi and solemnly warned her!

"Let me tell you, when you see Mr. Chen in the future, you must treat me with respect. You can't be disrespectful anymore, and you can't speak like you just did, understand?"

Ge Fuhai reprimanded Ge Jiayi!

Ge Jiayi looked confused: "Dad, what's the matter with you? After a trip to the clan, why did you become like this?"

"Then Kai is a bit capable, but you don't need to be afraid of him to this level, right? Who is that other woman? Did she follow Kai?"

When Ge Fuhai heard this, he immediately reprimanded: "Shut up for me. In the future, do whatever Mr. Chen wants you to do, and you are not allowed to question it. Do n't talk back."

"Dad, why, why?" Ge Jiayi asked in confusion.

"You'll find out later, just listen to me now!" Ge Fuhai didn't dare to reveal the true identities of Kai and Ge Yuhan!

Ge Fuhai walked back, and Ge Jiayi threw the pillow to the ground angrily. She didn't understand what happened in the past few days to make her father become like this!

Ding Busan shouted loudly! "Third, keep your mouth shut!" Ding Buodao glared at Ding

Buo, and then said, "If so many of us go to work with the Martial Arts Alliance, what should we do if we hurt Miss Su?"

In a word, let everyone be silent!

"Uncle Long, why don't you come up with an idea?"

At this time, Long Xingxu asked Long Wu.

At this moment, only Long Wu has the highest status. This kind of decision requires Long Wu to be the master!

Long Wu glanced at Gu Linger next to him: "Linger, what do you say?"

Gu Linger didn't speak, but held the battle post of the Martial Arts Alliance tightly in his hand, and his eyes were full of anger!

A man like none other and the man decree (chinese) Chapter 1669-1670

Chapter 1669

When everyone heard it, they rushed out in a hurry, and they were all excited!

Kai frowned when he saw everyone was there: "Did something happen?"

"Kai, look..."

Gu Linger stepped forward and handed the battle post of the Martial Arts Alliance to Kai !

And Gu Linger's eyes glanced at Ge Yuhan behind Kai, but didn't say anything!

Kai took over the battle post, and his whole body was full of anger!

"This Ning Zhi, damn it..."

Kai gritted his teeth, and the battle post in his hand instantly turned to ashes!

"You guys are waiting here, I'm going to the Martial Arts Alliance..."

After Kai finished speaking, he turned around and walked out!

"Kai, that Ning Zhi has many tricks, it's too dangerous to go by yourself!"

Long Wu said to Kai.

"Uncle Long, don't worry, I will be careful!"

After Kai finished speaking, he hurried towards the Martial Arts Alliance.

Because it was stated in the battle post that only Kai was allowed to go there alone, and for Su Yuqi's safety, Kai could not take anyone there.

But as soon as Kai left, Ge Yuhan followed closely behind him!

"Kai, this... this girl she..."

Gu Linger wanted to remind Kai that this girl was following him!

Kai glanced back at Ge Yuhan, and said slowly, "You stay here..."

But who knows, Ge Yuhan's face is expressionless and his eyes are dull, but he shakes his head!

Gu Linger looked at Kai with strange eyes.

"Wait back, I'll explain to you, she follows, then Ning Zhi shouldn't care."

Kai finished speaking to Gu Linger, and took Ge Yuhan straight to the Martial Arts Alliance!

Ge Yuhan looked at it at a glance, and there was no difference between following the wooden man, and there was not the slightest aura fluctuation on his body!

So even if Kai brought it, Ning Zhi wouldn't say anything!

.....

The Martial Arts Alliance!

The ten black copper robes have been arranged, and Ning Zhi, holding a vajra, entered the dungeon and brought Su Yuqi out.

When the sun shines on Su Yuqi, Su Yuqi can't help but close her eyes!

She hasn't seen the sun for a long time!

Su Yuqi's face was very pale and looked a little weak!

Although the Martial Arts Alliance gave Su Yuqi a lot of medicinal herbs and nutritional supplements every day, Su Yuqi's body still looked weak.

"Are you finally going to start?"

Su Yuqi's face was calm and expressionless!

"Miss Su, don't worry, we won't kill you, just use you as bait..."

Ning Zhi sneered!

After Su Yuqi was taken out of the dungeon, she was locked in a huge iron cage!

This iron cage is made of black gold stone, which is extremely hard and wrapped in a formation. It is very difficult to open it forcefully!

After Su Yuqi was locked in a cage, she was hung up high. At this time, Su Yuqi was like an animal that was admired!

"Have you thought about it? Do you know the consequences of doing this? If this woman is rescued, you and I will both die..."

The voice of the soul appeared in Ning Zhi's mind.

"Don't worry, senior, I have the sacred weapon in my hand, and the surrounding defenses are tight, so Kai can't save him."

"I just want Kai to see his girlfriend's tragic state, and I want to disturb his mind! "

When people panic, they are in chaos. As long as Kai is in a mess, he will surely die..."

Ning Zhi had a sly smile on his face.

In terms of tactics and strategy, Zhu Zhishan is far behind Ning Zhi!

Ning Zhi looked at the time and quietly waited for Kai's arrival!

"Kai, I have prepared such a big gift for you, I hope you don't let me down..."

Ning Zhi looked at the gate of the Martial Arts Alliance with a hideous smile on his face!

Chapter 1670

Kai and Ge Yuhan rushed towards the Martial Arts Alliance!

When he was still some distance away from the Martial Arts Alliance, Kai was suddenly stunned!

Because he felt Su Yuqi's breath, the breath was so strong!

"How could this be? Could it be that Yuqi can't be released by them?"

Kai was full of surprise, and then quickened his pace!

When Kai arrived at the gate of the Martial Arts Alliance, someone immediately reported to Ning Zhi!

"Leader, then Kai is here!"

said a member of the Martial Arts Alliance.

"Okay, it's finally here, let him in..."

Ning Zhi held the vajra, his eyes full of confidence!

"Are you sure you can catch this Kai?"

Soul asked Ning Zhi again.

"Don't worry, I'm 90% sure, as long as Kai desperately saves his girlfriend, he won't be able to escape."

Ning Zhi said with a cold smile.

He has already set up a mechanism for Kai, and now all he has to do is to anger Kai and make Kai lose his mind!

The door of the Martial Arts Alliance slowly opened, Kai walked in with Ge Yuhan, and a dozen black copper robes surrounded Kai and the others in an instant.

When Ning Zhi saw that Kai had brought someone, he frowned slightly: "Kai, you broke our agreement, aren't you afraid that your girlfriend will suffer?"

Kai glanced at Ge Yuhan, and then said to Ning Zhi "She's just a corpse now, she can only follow me, and I can't let her leave."

Ning Zhi's eyes met, and a ray of light shot out, instantly covering Ge Yuhan's body.

Sure enough, Ge Yuhan didn't have the slightest breath, just like a wooden man!

Seeing this, Ning Zhi breathed a sigh of relief, took his eyes back, and sneered: "Kai, I didn't expect you to degenerate to the point of refining puppet corpses."

"However, this puppet corpse looks so beautiful, but it has no breath on its body and no strength at all. You refining such a puppet corpse will not sleep with you?"

"The dignified martial arts rookie, the medicine god valley Gu Master, but now you are refining female puppets to satisfy your own selfish desires, I really didn't expect you to have such a hobby!"

"If I spread this out, I wonder what the girls who secretly love you would think?"

Ning Zhi's face full of smirk, he scolded Kai.

Kai looked disapproving, and said with a faint smile: "What do you want, that's your business, you called me here, won't you just say these nonsense? If it's just for this, I don't have time to pay attention to you! "

Ning Zhi laughed a few times: "Hahaha, of course not, don't you feel your girlfriend's breath?"

"I know you always wanted to rescue your girlfriend, but the martial arts alliance dungeon, there are formations Protection, you can't break the formation at all."

"But today I'll give you a chance, I brought your girlfriend out, as long as you can save her from our hands, then our Martial Arts Alliance will never be with us from now on. You are the enemy!"

Ning Zhi said, with a wave of his palm, a light suddenly flashed behind him, and then Su Yuqi, who was locked in the cage, appeared!

When Kai saw that Su Yuqi was locked in an iron cage, her face was pale and her body was weak, the anger in her whole body instantly rose to the extreme!

Feeling Kai's rising anger and the endless killing intent, Ning Zhi laughed!

"Ning Zhi, I, Cao, you, huh..."

Kai roared, the Dragon Slaying Sword instantly appeared in his hand, and then he fiercely walked towards Ning Zhi!

A sword qi instantly slashed towards Ning Zhi, and at the same time Kai swung his sword out again, and another sword qi shot out!

This sword energy went straight to the iron cage that locked Su Yuqi!

Ning Zhi snorted coldly, waved his hand directly, and waves of air waved from his palm!

Chapter 1671 What are you? \_

Instantly slapped on Kai's sword energy.

However, one after another qi waves hit Kai's sword qi, and they were instantly smashed by the sword qi.

There is still a gap between Ning Zhi's strength and Kai's.

But Ning Zhi didn't panic, he held the vajra in his hand and slapped it hard!

The vajra made a humming sound, and the sound spread around like a wave!

Kai's sword energy was smashed and disappeared after encountering this sound wave!

And Kai was also repelled by this sound wave, and his face became a little ugly!

"Haha, Kai, have you forgotten that I have the sacred weapon in my hand?"

"With your strength, you simply can't withstand the fatal blow of the sacred weapon."

Ning Zhi laughed arrogantly.

"f\*ck you, I will kill you today..."

Kai's heart was full of anger, and his whole body was trembling slightly because of extreme anger!

Kai was furious, and with a roar, he walked towards Ning Zhi again!

Brush...

a golden light flashed, followed by a scream!

I saw the black copper robe that was shot towards the back of Kai's head. At this moment, this arm was cut off with a sword, dripping with blood.

Seeing this, the other black copper robes could not help but gasp.

"Everyone here today is going to die..."

Kai's eyes were wide open, his eyes were red, and the killing intent continued to rise from his body.

"Kai, your bragging ability is really good. If you really had the ability, you would have rescued your girlfriend long ago."

"You are bragging outside all day, and your girlfriend can't be saved. What are you?"

Ning Zhi saw Kai's rage, he was pleasantly surprised, and even more stimulated Kai with his voice! Sure enough, when Kai heard Ning Zhi's words, he became even more furious. The Dragon Slaying

Sword in his hand pointed at Ning Zhi: "Ning Zhi, today I will dig out your liver and lungs..."

Hold the sword, the radiance on the Dragon Slaying Sword is radiant!

A golden dragon appeared and surrounded by the Dragon Slaying Sword!

Then Kai waved abruptly, and the first sword of the Nine Shadows Divine Sword came out!

The terrifying Jianmang took the roar of the golden dragon and walked directly towards Ning Zhi!

I saw Ning Zhi raised the vajra, and then the vajra also overflowed with brilliance, and then a ray of light greeted it instantly!

boom!

There was a loud bang, and the scattered aftermath spread out like the surrounding.

Those black copper robes all resisted the aftermath, and Su Yuqi, who was locked in the iron cage, was affected.

"Yuqi..."

Kai saw this, his eyes showed incomparable concern!

"Kai, go ahead, you can use all your strength, as long as you are not afraid of your girlfriend dying under your sword!"

"I don't care, with the weapon in hand, you can't hurt me. ..."

Ning Zhi stood in front of the iron cage and provoked Kai!

Chapter 1672

And the Dragon Slaying Sword that Kai raised had to be slowly put down!

The Dragon Slaying Sword was taken back, and Kai was also afraid that his sword qi would hurt Su Yuqi!

Seeing that Kai was worried, Ning Zhi smiled brightly.

"Grab him..."

Ning Zhi waved his hand and said to those black copper robes!

Ning Zhi looked at the black copper robe that had turned into a pool of mud on the ground with disbelief in his eyes!

Kai glanced coldly at the black copper robes, and just this glance made those black copper robes feel chills in their hearts!

These souls are so abominable, every punch of Kai is like hitting cotton, and half of his strength is removed!

The spiritual power in Kai's body is rapidly attenuating, and the golden dragon wrapped around his fist also slowly fades and disappears!

When Ning Zhi saw that Kai was about to lose his physical strength, he was immediately excited. He didn't expect more than a dozen black copper robes to defeat Kai.

"He can't do it anymore, hurry up..."

Ning Zhi urged.

More than a dozen black copper robes also saw that Kai was a little exhausted, and there was hope in their eyes!

"Hmph, you want to kill me alone..."

Kai shouted hoarsely!

The golden light on his body is still flashing, and his eyes are full of endless fighting intent!

The Heart Condensation Art is running rapidly in Kai's body, and the surrounding world's spiritual energy is swarming into Kai's body!

This sudden change made those souls tremble with fear, and they returned to the bodies of those black copper robes one by one!

When Kai saw this, he punched out, and slammed into the chest of a black copper robe!

boom!

This punch instantly penetrated the body of the black copper robe, and the broken internal organs and blood were sprayed all over the ground!

And the soul in the black copper robe took the opportunity to escape, and a black mist rose up, about to escape!

Kai grabbed forward, then opened his mouth and took a breath, and the soul was instantly inhaled into the body by Kai!

Without any struggle, the soul was instantly refined by Kai's Condensation Technique!

Seeing this scene, the rest of the black copper robes were stunned!

You must know that no one dares to inhale their souls into their bodies. Many people dare to inhale their souls before they have time to hide?

Doesn't this clearly mean that the soul wants to control his body?

However, when the soul entered Kai's body, it had no right to control the body at all, and was directly refined!

This is the first time they have seen such a domineering exercise!

At this time, many black copper robes have the intention of retreating, and they dare not step forward!

puff!

The head of the black copper robe was directly smashed to pieces, and then another black mist rose into the air!

When the host body dies, these souls have to leave the body and find a new host body again!

Kai repeated his old tricks and swallowed the soul with his mouth open!

This time, these black copper robes did not cause any harm to Kai, but became Kai's resources.

"Spellcasting, spellcasting..."

Ning Zhi shouted, these black copper robes will definitely be killed by Kai one by one!

And those souls will be swallowed up by Kai.

The remaining black copper robes looked at each other, and there seemed to be a bit of fear and helplessness in their eyes!

In the end, I saw these black copper robes standing together, and then the black mist in the body continued to emerge from the top of the head!

These black mists that came out instantly condensed together and turned into an incomparably gigantic giant shape!

This giant is extremely ferocious, formed by the condensing of these souls.

And those black copper robes, at this time, their eyes were dull and motionless, just like corpses!

Between the eyebrows of each black copper robe, a drop of bright red blood essence slowly seeped out, and then slowly floated into the air!

These blood essences gathered together to form a gem the size of an egg, which was finally embedded in the giant's forehead!

Chapter 1674

At the same time, those black copper robes fell to the ground one after another, and their bodies shrank rapidly, turning into mummified corpses, as if the strength in their bodies had been absorbed by others!

The giant looked down at Kai, and the terrifying atmosphere instantly filled him!

The huge figure is simply covering the sky, Kai is like an ant in front of this giant!

Ning Zhi stared at the giant formed in front of him, his eyes widened, and his eyes were incredible!

This is also the first time he has seen this technique called Myriad Realms Demon Heart!

As long as the second spell is used, the caster will be deprived of everything, not only those black copper robes have become mummified corpses, but even those souls have long become part of this giant at this moment!

The strength of the giant is proportional to the strength of the caster, and the retention time is also the stronger the strength, the longer the retention time!

According to the strength of these black copper robes, this giant will only survive for half an hour!

After half an hour, the giants will disappear, and the black copper robes and the souls in them will also die.

This technique is extremely cruel, so few people use it!

Those black copper robes died when they died, and Ning Zhi didn't care at all, as long as he lived by himself.

"Really? Then you should be optimistic..."

Kai said, his feet shook, and then his body jumped up!

Looking at the incomparably huge, Kai did not even have the slightest timidity. The golden light flashed on his fists, and the power of the dragon was condensed on the fists, and then he punched out.

The dragon roar sounded, and the power of Kai's punch poured out, like a cannonball smashing towards the giant!

The red light on the giant's forehead flashed, and then he punched it out!

Kai's figure, compared with the giant, is simply too small, not even as big as the giant's fist!

However, Kai's eyes showed perseverance, and he was not cowardly at all!

boom!

Kai's punch collided with the giant, and Kai's figure flew out instantly!

And the figure of the giant also swayed under this punch!

Chen stabilized his body and looked at the swaying giant with a more determined look on his face!

"If you like something that doesn't work, you'll blow your head with one punch..."

Kai knew that the giant was relying on the gemstone formed by the blood on his forehead. As long as he punched the gemstone, The giant has disappeared!

This time, the giant's body fell to the ground with a bang, causing a burst of dust!

Kai smashed towards the forehead fiercely, he wanted to destroy the gem on that forehead!

At this moment, Kai, like a madman, kept hitting the giant's head with his golden fists!

One punch, two punches, three punches... The

giant fell to the ground, and he no longer had the strength to fight back!

Two strokes, just two strokes, the giant fell to the ground and became the target of beatings!

Ning Zhi watched this scene, and he didn't want to believe it!

This giant was condensed with the power of more than a dozen black copper robes and souls.

"Boom!"

Kai dropped another punch, and the red gem on the giant's forehead shattered instantly!

With the fragmentation of the gem, the giant's head also shattered directly, and then the body began to slowly dissipate!

Kai got up slowly and looked at Ning Zhi with cold eyes.

"Next, it's your turn..."

Kai's eyes were cold, his body jumped up, and his golden fist moved towards Ning Zhi.

Even though Kai tried his best, he was still smashed out by the vajra!

A mouthful of blood spurted out, and he suffered two heavy blows in a row, and Kai's body was severely injured.

At this time, Kai's face was very ugly, and the breath on his body was constantly adjusting, but facing the sacred weapon in Ning Zhi's hand, Kai was a little helpless.

"Kai, go, go, leave me alone, leave me alone..."

Su Yuqi yelled at Kai loudly.

She didn't want Kai to die on the spot in order to save herself.

"Yuqi, no matter what, I will rescue you today."

Kai knew that if Su Yuqi was being held in a dungeon, it would be even more difficult for him to rescue Su Yuqi.

But looking at the vajra in Ning Zhi's hand, Kai was in trouble. How could he deal with this Ning Zhi and rescue Su Yuqi?

At this moment, Kai looked at Ge Yuhan who had been standing blankly!

Ge Cangsheng said that Ge Yuhan's strength is the Martial Saint, and he may be able to deal with the Martial Saint weapon in the hands of Ning Zhi.

"Yuhan, Yuhan, can you help me kill this kid?"

Kai asked Ge Yuhan.

But Ge Yuhan didn't move, his eyes were blank, as if he couldn't hear Kai's words at all!

Seeing this, Kai's face was full of helplessness. Although Ge Yuhan is a martial arts saint, he is now like a fool, even worse than a fool. He still expects Ge Yuhan to help, which is a joke.

"Hahaha, Kai, are you afraid that you want a stupid person to deal with me?"

Ning Zhi laughed!

Kai looked at Ning Zhi's arrogant appearance, and his eyes flashed fiercely!

Kai sacrificed the Dragon Slaying Sword. Now that he wants to save Su Yuqi, he has to lead Ning Zhi away. Ning Zhi has been guarding the iron cage, and Kai has not almost shot!

"Ning Zhi, even if you have a sacred weapon, I can still kill you..."

Kai said, jumping up high, and then slashed at Ning Zhi with a sword!

The huge sword beam moved towards Ning Zhi.

Facing the huge sword glow, Ning Zhi raised a smile and waved the vajra in his hand. A terrifying force instantly shattered Kai's sword glow!

Immediately afterwards, Kai only felt an overwhelming force strike, and his entire body flew out into the distance in an instant!

When Kai flew out, he shouted: "Ning Zhi, I will come back sooner or later to kill you..."

Then Kai's figure gradually disappeared, and he ran away!

"Damn, you still want to run away..."

Ning Zhi jumped up and ran after him!

He has the sacred weapon in his hand, how could it be possible for Kai to escape.

But when Ning Zhi was chasing Kai, Kai's figure had already turned around and returned.

He deliberately lured Ning Zhi away, and then rescued Su Yuqi!

Without rescuing Su Yuqi, how could Kai escape!

#### Chapter 1676 Trap

Su Yuqi originally thought that Kai had escaped, but she was relieved in her heart, but she could see that Kai had actually turned back, and suddenly said anxiously: "Kai, hurry up, leave me alone, they dare not kill me..."

Su Yuqi faced Kai . Urging, but Kai will listen!

"Yuqi, I have to rescue you today!"

Kai said, he stepped forward, grabbed the iron cage with both hands, and suddenly tried to break the iron cage!

But just when Kai was trying to break my iron cage, a light suddenly shot out from the ground!

This ray of light directly enveloped Kai and Su Yuqi!

Immediately afterwards, dense runes appeared on the ground. These runes shone with light, and then these runes floated up and surrounded Kai and Su Yuqi!

"What is this?"

Kai frowned.

He doesn't know what these are, it seems that it should be a formation!

Just when Kai and Su Yuqi didn't know what the rune that suddenly appeared, they found that a black hole appeared under their feet!

Kai was shocked and tried hard to break free, but found that he couldn't break free at all, and his feet seemed to be stuck in a quagmire!

"Hahaha, Kai, you idiot, do you really think I'm chasing you?"

"I did it on purpose to give you a chance to save your girlfriend."

"Are you fooled now? Just wait. Go into the dungeon with your girlfriend!"

"You're too young to fight with me..."

Ning Zhi's eyes were full of pride and arrogance!

Kai stared at Ning Zhi, his eyes full of anger, but no matter how hard he tried, he couldn't get out of the black hole under his feet!

Kai and Su Yuqi fell down slowly like this.

"Why, why are you so stupid, now you've been caught too, is it worth it?"

Su Yuqi stretched out her hand and gently stroked Kai's face across the iron cage!

"It's worth it, even if it's death, as long as I can die by your side, it's worth it..."

Kai's eyes were full of tenderness, and he held Su Yuqi's hand tightly!

The two have not touched each other for a long time!

Feeling each other's temperature, Kai didn't even have a trace of fear in his heart!

Looking at Kai and Su Yuqi, Ning Zhi's eyes were fierce: "Kai, I will let you and your girlfriend be separated by yin and yang. Even if you go to the underworld, you don't even think about seeing each other!"

Kai did not ignore Ning Zhi, he held Su Yuqi's hand tightly and enjoyed this last good time!

Ning Zhi watched from not far away, his eyes were full of satisfaction!

He was finally able to avenge his family!

Kai has always been a nightmare in his heart, but after today, he will never have a nightmare.

But just when Ning Zhi was about to watch Kai fall into the dungeon, a figure suddenly flashed past him!

When Ning Zhi looked intently, he found that Ge Yuhan, who had been standing blankly for some time, was already standing on Kai's side.

Ge Yuhan's body is also in the formation, but her body has not fallen!

Ge Yuhan stretched out his hand, pulled Kai and threw it lightly, throwing Kai out!

Kai was overjoyed, and hurriedly shouted: "Yuhan, hurry up, pull my girlfriend up, hurry up..."

But no matter how Kai shouted, Ge Yuhan didn't move, and Kai could only watch in the end. Watching Su Yuqi finally fall into the dungeon!

"what....."

Kai roared out angrily, this was the closest he was to Su Yuqi and had the best chance to rescue her, but he still failed!

A man like none other and the man decree (chinese) Chapter 1677-1678

Chapter 1677

At this time, Ning Zhi stared blankly at Ge Yuhan in front of him, his eyes were full of shock and wonder!

How can a person who is stupid and has no breath on his body easily rescue Kai from the formation?

Ning Zhi can't figure it out, even more can't figure it out!

"Don't be stunned, even if you don't catch Kai in the dungeon, you can kill him with the sacred weapon in your hand. Hurry up..."

The soul in Ning Zhi reminded Ning Zhi.

Ning Zhi reacted, the vajra in his hand flickered, and a terrifying aura began to permeate, and the aura alone was enough to cause some Marquis to vomit blood and die.

Kai felt this terrifying breath, and his face was extremely ugly.

But he knew that he couldn't fight with Ning Zhi at this time. Now that Su Yuqi was locked in the dungeon again, it was impossible for Kai to rescue Su Yuqi!

He must not die here, if he dies, then Su Yuqi will never have a chance to come out!

Kai jumped up, ready to escape!

But Ningzhi will let Kai escape this time. With a wave of the vajra in his hand, a terrifying force instantly crushes Kai!

Kai gritted his teeth, but he didn't dare to stop in the slightest, he could only pray that he would be able to carry the blow of the Holy Weapon!

Chen Pingyuan thought that this blow would definitely make him seriously injured, but he didn't want to, Kai didn't even feel the slightest movement when such a big movement happened!

"What's going on?"

Kai couldn't help but look back with curiosity!

It didn't matter when he saw it, he saw that Ge Yuhan was following behind him, and the terrifying blow just now hit Ge Yuhan!

Kai was startled, and hurriedly checked Ge Yuhan's body. Ge Cangsheng entrusted Ge Yuhan to himself, and he couldn't let Ge Yuhan really die in the end.

But after checking it again, I found that there was nothing wrong with Ge Yuhan.

Seeing this, Ning Zhi was stunned!

"This...how is this possible?"

Ning Zhi was dumbfounded. It was just a blow from the Holy Weapon.

Although the power of the Martial Saint Weapon is not as powerful as the real Martial Saint's power, it is almost the same!

How could it even be impossible to break the body of an ordinary person?

With that power just now, even the powerhouses of the Marquis realm have long since become muddy flesh.

But when he hit Ge Yuhan, he couldn't even scratch the skin!

Kai laughed, this Ge Yuhan's physical strength has exceeded his imagination!

At that time, Ge Cangsheng said that Ge Yuhan's body was extremely powerful, and Kai still didn't believe it. After all, there were not many people who could be stronger than himself!

But now seeing Ge Yuhan's body, Kai is completely convinced!

Maybe this has something to do with Ge Yuhan's body being fumigated with antiseptic aromatherapy for so many years.

"If she can come back to life, just listen to me..."

Kai looked at Ge Yuhan with anticipation in his heart!

If Ge Yuhan could listen to Kai, he might have rescued Su Yuqi just now!

"Ning Zhi, wait, I'll kill you sooner or later..."

Kai finished and jumped forward again.

This time, with Ge Yuhan behind him, Kai has no worries!

"Kai, don't get too happy too soon, I will never let you go!"

Ning Zhi said, the light on the vajra was even brighter, and a more terrifying and strong aura emanated from the vajra!

Kai felt the breath, and the speed under his feet became faster.

He was really afraid that Ge Yuhan behind him would not be able to withstand this blow!

"How dare you run..."

Ning Zhi said, and the vajra in his hand swung towards Kai fiercely!

In an instant, a force like a wave of water moved towards Kai!

This power made the sky tremble and dark clouds swept over!

Many unknowing people ran out of the room and looked at the vision in the sky!

Even everyone in the Long family ran out one after another!

"There is the direction of the Martial Arts Alliance. I don't know what happened to Mr. Chen?"

"Don't worry, Mr. Chen will be fine!"

"I hope God bless Mr. Chen."

Everyone in the Long family prayed for Kai.

boom!

With a loud explosion, Kai only felt a wave of heat coming!

But Kai didn't look back, he could only hope that Ge Yuhan was fine!

The smoke cleared, and when Ning Zhi chased after him, Kai was no longer there!

"Damn, let him run away, what the hell is that woman?"

Ning Zhi couldn't help but scolded.

"You have the sacred weapon in hand, so Kai is nothing to worry about!"

Soul said lightly.

"Yes!"

Ning Zhi gently stroked the vajra in his hand, his eyes full of heat!

At this time, Kai fled back to the Long family in some embarrassment. Everyone was relieved to see Kai back!

Because the movement in the direction of the Martial Arts Alliance just now was too great!

"Kai, are you okay?"

Seeing Kai, Gu Linger hurried up to check Kai's body.

"I'm fine!"

Kai turned pale, then turned to look at Ge Yuhan, who had been following him, and checked Ge Yuhan's body with concern.

Seeing this scene, Gu Linger's eyes flashed with jealousy!

Although Ge Yuhan looked dumbfounded, he didn't move like a wooden man!

But after all, she is a woman, and when Kai touched others, Gu Linger was of course jealous.

"Fortunately, fortunately, this body is really strong..."

Kai checked it again and found that there was no scar on Ge Yuhan's body, so he happily patted Ge Yuhan's shoulder!

"Kai, she's a girl anyway, what did you feel when you touched him?"

Gu Linger pouted and reminded Kai!

When the others saw this, they all laughed. They knew that Gu Linger was jealous!

"Linger, are you jealous?"

Kai said with a smile.

"Whoever is jealous, I'm just reminding you..."

Gu Linger finished speaking, turned and ran back to the room!

Kai followed closely, he wanted to explain with Gu Linger!

Ge Yuhan followed behind Kai, she will go wherever Kai goes now!

After entering the room, looking at Gu Linger's slightly angry face, Kai explained: "Linger, listen to me..."

Kai told Gu Linger about Ge Yuhan's life experience, but He didn't tell Gu Linger the identity of the owner of the Heavenly Dragon Palace!

Listening to Kai's remarks, Gu Ling'er looked at Ge Yuhan with pitiful eyes!

"It's so pitiful, then can you make her recover?"

Gu Linger asked Kai.

Kai shook his head: "I don't have a solution yet, so I plan to take Yuhan to Yaoshen Valley to see if I can find a medicinal pill that can help her recover."

"If the medicinal pill doesn't work, then I can only think of another There's a solution."

"What else can I think of?" Gu Linger asked.

"Perhaps spells can bring people back to life..."

Kai has been very interested in spells since he went to Tianfuzong and learned about the power of spells!

After chatting with Gu Linger for a while, Kai was ready to rest!

Fighting with Ning Zhi, although not fatal, but Kai is also scarred at this time and needs to rest for a while!

A man like none other and the man decree (chinese) Chapter 1679-1680

Chapter 1679

At first, Kai was more resistant, but when he thought that Ge Yuhan was no different from the wooden man, Kai was relieved!

After a few days of training in the Long family, all the injuries on Kai's body have basically recovered!

He planned to take Ge Yuhan to the Medicine God Valley to see if he could use the medicinal pill to restore Ge Yuhan.

After all, there is Shennong Cauldron in Yaoshengu, and even high-level medicinal pills can be refined!

But just when Kai was going to take Ge Yuhan to Yaoshen Valley, someone suddenly came to report that there was a girl outside the door looking for Kai!

Kai was very surprised. He didn't understand how there were girls looking for him.

When Kai went out, he saw that it was Ge Jiayi!

After seeing Kai, Ge Jiayi started directly and patted Kai's face: "I haven't seen you for a few days, have you missed me?"

Ge Jiayi didn't listen to Ge Fuhai's advice at all!

Kai stepped back slightly, and said a little embarrassedly: "Miss Ge, what are you looking for me for?"

"It wasn't me looking for you, it was my dad who invited you to go to Ge's house..." Ge

Jiayi said.

Seeing that Ge Fuhai was looking for him, there must be something going on, Kai said, "Okay, let's go..."

Kai didn't say anything else, just opened the door and got in the car.

Ge Jiayi smiled and got into the car, and also sat in the back row!

"Drive..."

Ge Jiayi instructed the driver to drive, while she was next to Kai.

This time, Kai was a little overwhelmed. Ge Jiayi was on the left, and Ge Yuhan was on the right. He was caught in the middle, motionless!

Just after the car started, in the Long's yard, Gu Linger's face was filled with indescribable sadness!

"I told you that Kai is a dragon among men. There will be many girls who will like him in the future. If you follow him, you must accept this reality..."

At this time, Long Wu said lightly beside Gu Linger.

Gu Linger squeezed out a smile: "Uncle Long, I can accept it, don't worry..."

..... In the

Ge Jiayi leaned against Kai's body!

Kai didn't dare to move, because if he moved, he would touch Ge Jiayi's body!

Looking at Kai's stiff appearance, Ge Jiayi smiled and said, "Are you afraid of me? You have seen me all over my body, how can I touch it?"

"I said, I like you, I will use it Use all means to pursue yours..."

After speaking, Ge Jiayi still glanced at Ge Yuhan on the other side, and Ge Jiayi's eyes were a bit provocative!

This is how women are, even if Ge Yuhan's eyes are dull at this moment, like a wooden man, but Ge Jiayi still regards her as his competitor!

"Miss Ge, I know you like me, but I don't think about it yet, and I already have a girlfriend..."

Kai explained awkwardly.

"I said, I don't care, you don't have only one girlfriend now, are you afraid of having one more of me?"

Ge Jiayi said, directly leaning her head on Kai's shoulder!

Kai was helpless, so he could only let Ge Jiayi lean on him, closed his eyes slightly, and recited the Qingxin Mantra silently in his heart!

If there is no Qingxin mantra, Kai really can't guarantee that he will bully Ge Jiayi in the car.

After all, he is also a man, a normal man!

But when Kai was silently reciting the Heart Clearing Mantra, he suddenly felt that someone was leaning on his right shoulder.

Kai opened his eyes and saw that it was Ge Yuhan. He saw that Ge Yuhan's eyes were still dull, but he imitated Ge Jiayi and rested his head on his shoulder.

This time, Kai was a little surprised. If Ge Yuhan has feelings, it proves that she is recovering slowly!

The driver of the car saw Kai surrounded by two beautiful women, and he looked like he was unlovable, and he was envious, jealous and hated for a long time in his heart!

Chapter 1680

After Kai and the others arrived at Ge's house, Ge Fuhai greeted Kai respectfully, and even the silent Ge Yuhan, Ge Fuhai carefully served him!

Seeing her father like this, Ge Jiayi was very puzzled. She didn't understand what happened to Ge Fuhai.

"Mr. Chen, please take a seat..."

Ge Fuhai gave Kai his seat.

Kai wanted to refuse, but saw that Ge Fuhai had already sat aside.

Kai was helpless and could only sit in the seat of the head of the house, while Ge Yuhan stood behind Kai, motionless.

"Patriarch Ge, what are you doing with me?"

Kai asked.

Ge Fuhai glanced at Ge Jiayi: "Jiayi, go out!"

"Dad, is there anything you can't let me hear?"

Ge Jiayi pouted and asked very dissatisfied.

"Let's go out, why are there so many words..."

Ge Fuhai's face turned cold!

Seeing this, Ge Jiayi could only go out, but Ge Fuhai waved his hand, and a space magic technique wrapped several people!

Looking at Ge Fuhai's nervous appearance, Kai felt that there must be something important!

"Mr. Chen, the old clan has brought a message. Now that the world is changing, it may not be far from the recovery of spiritual energy. The major

sects and families in the eight secret realms are all eager to try!" The endorsement families of the world have begun to emerge. These families have been dormant for so many years, and suddenly they show up during this time period, which means that the pattern of the martial arts world will undergo earth-shaking changes."

"If the spiritual energy really recovers, then the eight secret realms will collapse. The sect family in the secret realm needs to control resources and territory in the secular world in advance. The meaning of the clan elder is to hope that Mr. Chen can arrange it now!"

"When the secret realm collapses, the Ge family can be in Mr. Chen's place. Under the leadership, quickly occupy the resource-heavy land and seize the opportunity..."

Ge Fuhai's words made Kai difficult to digest for a while!

If the secret realm really collapsed, and those sects and families who cultivated immortals in the secret realm returned to the mundane world, would the whole mundane world be in chaos soon?

But what about the martial arts world?

What about these people in the martial arts world?

You must know that there is no way for the martial arts world to compare with the immortal world.

"Patriarch Ge, if the secret realm really collapses, wouldn't there be no martial arts world?"

Kai asked.

Ge Fuhai smiled slightly: "Mr. Chen, even if the secret realm collapses and the sect family of cultivating immortals returns to the secular world, the martial arts world will not die out."

"But the martial arts world at that time would not be so prosperous, and the martial arts world would not be so prosperous. The major families of the cultivators will also become vassals of the immortal clan!"

"In the martial arts world, many martial arts clans also have the support of the immortal clan behind them, and they act as the spokespersons of these immortal clans in the secular world!"

"Like us Like the Ge family, there are very few cultivating families who personally send people to the secular world. After all, doing so will weaken the power of the family. Like these people in our Ge family, their strength is suppressed and there is no way to improve!"

"This That's why I let Jiayi become a martial artist since she was a child, and I didn't let her practice immortality, if she practices immortality, she won't be able to improve much in this mundane world."

Listening to Ge Fuhai's words, Kai pondered, and it seemed that he really had to focus on developing his own power and territory.

For a long time, Kai had no idea in this regard. He only wanted to rescue Su Yuqi and his mother.

As for the establishment of a sect, Kai never thought about it!

Even these halls in the Tianlong Palace, Kai is in a free-range mode, and basically he seldom cares about them.

As for the Medicine God Valley, although Kai is the owner of the valley, he is only a position, and he rarely manages things, and Xu Changsheng takes care of it!
