"I'm afraid it will be difficult to recover from

medicinal pills." "This is equivalent to going to the underworld to follow the King of Hell to snatch the soul, which is not something that can be achieved by alchemy."

Seeing Ge Yuhan like that, Xu Changsheng said with an embarrassed expression.

Kai is also a pharmacist himself. Of course he knows this truth, but he just wants to try it. If the medicine pill doesn't work, he can only go to Hu Mazi and ask about the spell.

"Hey, it looks like I can only think of another way..."

Kai sighed!

"Gu Master, don't you have the Supreme Pill Record? You can look it up and see if there is a way to restore this young lady. If there is no record on the Supreme Pill Record, I'm afraid there is no way."

Xu Changsheng confronted Kai reminded.

"Yeah, why did I forget..."

Kai patted his head, and he almost forgot this wonderful book of refining medicine!

At that time, Kai obtained the Supreme Pill Record, and everyone in the Medicine God Valley copied a copy.

At this time, the hoarse voice of the soul came from Ning Zhi's mind!

"Senior, what do you mean? Could it be that the two of us cannot dominate the martial arts world?"

Medicine God Valley.

Kai opened the door and found that Xu Changsheng had returned!

"Elder Xu, how is it? Have the medicinal materials been found?"

Kai asked Xu Changsheng with a look of surprise.

"Gu master, most of the herbs have been found, but there is still a hundred eyes grass, which I can't find."

Xu Changsheng said with a look of shame.

Kai frowned slightly: "This hundred-eye grass is really hard to find. It has no roots and no fruit, and its survival time is very short. It really takes a lot of time to find it!"

"Guzhu, if you can ask The wandering people, maybe they can know where it is, after all, we are looking for it on a large scale now, I am afraid it will take a lot of time!"

Xu Changsheng knew that Kai was in a hurry, so it was impossible for him to have a lot of time to find it slowly.

This thing can be found, maybe in a year and a half, maybe in three or five years!

"Don't worry about Baimu Cao, keep the other herbs you find, and I'll find another way..."

Kai decided to look for sesame seeds!

"I'm not as dirty as you..." Kai was speechless for a while, it seems that this Hu Mazi must have dealt with women a lot during his time in Baihai City, and he was full of this.

"Then what are you doing with the woman? I can tell you, I don't have the ability to make this woman recover!"

Hu Mazi thought Kai brought Ge Yuhan to him to help him recover.

Kai was full of surprise.

"Don't worry about it, there's no danger anyway, as long as you help me come up with that talisman technique, I'll definitely help you find

Kai looked at Hu Mazi like that, and finally nodded.

"I can tell you, if you dare to harm me, I will never stop with you..."

Because he knew that Ge Yuhan's body was much stronger than himself!

Seeing that Kai was hiding behind a woman, Hu Mazi couldn't help sneering: "Kai, when did you become so cowardly? Is hiding behind a woman a man?"

"What do you know? Don't think of her only as a woman, her body is stronger than mine..."

Kai rolled his eyes at Hu Mazi!

"Really?"

Hu Mazi immediately became interested in Ge Yuhan and reached out to touch Ge Yuhan's body.

"what are you doing?"

Kai reached out and hit back the hand that Hu Mazi stretched out.

"I'm just curious, how can such a white and tender woman have such a strong body..."

Hu Mazi laughed.

You must know that the Martial Saint Artifact can't help Ge Yuhan's body, let alone these few strengths!

Kai hid behind Ge Yuhan and was not injured at all!

But that Hu Mazi was not so lucky, the energy from the spell directly drenched Hu Mazi with blood.

"Damn, why is there a spell that hasn't been triggered yet?"

Hu Mazi yelled!

Kai laughed out loud when he saw Hu Mazi like that!

"What are you laughing at?" Hu Mazi glared at Kai!

However, seeing that Kai was hiding behind Ge Yuhan, there was no harm at all, and Hu Mazi hurriedly escaped.

"Master Hu, don't you say that hiding behind a woman is not a man?"

Kai said with a smile.

"I didn't hide behind the woman, this is a woman's corpse, it can't be called a woman..."

Hu Mazi quibbled.

Kai didn't say anything, but walked forward cautiously!

Two big men, hiding behind Ge Yuhan, moved forward step by step!

Soon, several people came to the gate of the ancient ruins of Tianfuzong, and when they got here, Kai did not dare to move forward.

Kai said to Hu Mazi.

"You don't have to go in, just be on the side..."

After Hu Mazi finished speaking, he took Kai and the others to the side.

Soon, a huge boulder was seen on one side, and some symbols that Kai could not see were densely written on the boulder!

"What is this?" Kai asked.

"This is the talisman stone, and what is recorded on it is the talisman technique."

Hu Mazi said to Kai.

"Come on, it's just here, can't you just take it down by yourself?"

Kai was so angry that he even tricked himself into the magic spell that was placed in front of him!

Looking at Kai, Hu Mazi suddenly smiled and said, "Do you think that these spells can be performed just by memorizing them? It's too naive. In that case, wouldn't everyone be able to perform spells?"

"Then what? That's it?" Kai asked with a look of surprise.

"Like this high-level spell technique, you must conquer the rune spirit, not simply memorize it."

Hu Mazi explained.

"Fu Ling?" Kai was puzzled.

"In every high-level talisman technique, there will be a talisman. If you want to learn talisman technique, you must conquer the talisman, understand?"

Hu Mazi could only explain helplessly.

Hu Mazi was speechless for a while!

Kai looked at Hu Mazi with some lovelessness: "I conquered that talisman, and it's me who learned the spell, what does it have to do with you?"

"You can teach it to me so that I don't have to conquer it. The talisman..."

Hu Mazi said with a wicked smile.

"You..."

Kai was speechless and finally sighed and said, "Okay, I'll conquer that talisman..."

"You just need to put your hand on that stone, I tell you, This is a set of transforming avatar spells, so don't believe anything you see."

Hu Mazi told Kai.

"Okay, I see..."

After Kai finished speaking, he stretched out his hand and touched the boulder!

Kai pushed Su Yuqi away.

"Kai?"

Su Yuqi looked at Kai, her face was full of indescribable sadness, both movements and expressions were exactly the same as Su Yuqi!

Kai frowned slightly, staring at Su Yuqi, she couldn't see anything strange, how could this be fake?

"Kai, what are you doing..."

Su Yuqi rushed towards Kai again!

Hu Mazi reminded Kai.

As soon as Kai heard it, his divine consciousness instantly radiated out, covering Su Yuqi's body. Sure enough, the aura on Su Yuqi's body was not familiar to Kai.

"You really are fake..."

Kai was startled, and then slapped it out with a palm!

Su Yuqi's body was shot and flew out, a mouthful of blood spurted out, and her body fell heavily to the ground.

"Kai, why, why did you treat me like this?"

Su Yuqi looked at Kai resentfully, the blood on the corner of her mouth made her even more pitiful!

Kai was stunned, facing his girlfriend, he really couldn't tell the truth from the fake!

Su Yuqi got up slowly, with a face of pain, she slowly walked towards Kai, and there was a faint aroma on her body!

It was this aroma that made Kai's heart tremble suddenly, and then the Dragon Slaying Sword suddenly appeared in his hand, and the sword slashed towards Su Yuqi in front of him!

"Kai..."

Su Yuqi was still exclaiming when she saw this!

Su Yuqi, who was originally fair-skinned and beautiful, has slowly turned into a monkey-like thing at this moment, with hair all over her body, extremely ugly!

Seeing this, Kai felt sick for a while, thinking about the thing he was hugging just now, Kai trembled all over!

In the end the flare dissipated and everything was gone!

And Kai himself saw that his palm was pressed tightly on the boulder, and the line of symbols in front of him, as if alive, all broke away from the boulder and got into Kai's body one after another.

The transforming avatar curse instantly appeared in Kai's mind, which surprised Kai!

"You're still laughing, your kid almost died..." Looking at the surprised Kai, Hu Mazi said angrily: "I told you all, but you still fell into it, what a big love!"

Kai was a little embarrassed by what Hu Mazi said, and smiled awkwardly: "Master Hu, the Fu Ling you mentioned is too disgusting.

"Beauty, are you still willing to kill him?"

Hu Mazi said with a smile.

Kai smiled, nodded and said, "Whether it's a beauty or not, anyone who hinders me will be killed..."

"Pull it down!" Master Hu waved his hand: "Okay, pass the spell to me!"

"Oh, okay!"

Kai hurriedly stretched out his hand and gently pressed it on the top of Master Hu's head!

Soon, a ray of light lit up, and then countless symbols entered Hu Mazi's body!

Hu Mazi was full of joy, and in front of Kai, he chanted a spell, and then Hu Mazi's body emitted a faint light, and then his appearance began to change!

A man like none other and the man decree (chinese) Chapter 1689-1690

Chapter 1689 Flaming Mountain

In the end, it turned out to be Kai's appearance, and it looks exactly the same as Kai!

Kai was surprised when he saw this scene.

"This... this is too similar, then, can't you become anyone and do anything?"

Kai asked incredulously.

"My current strength is still too low, this transformation technique can only last for half an hour at most."

Hu Mazi returned to his original appearance, followed by a flash of light, and from behind Hu Mazi, a person who was exactly the same as Hu Mazi appeared.

"However, this avatar technique can last for half an hour to an hour!"

Hu Mazi looked at his avatar and nodded constantly, looking very satisfied!

Kai looked at the two sesame seeds and was completely shocked.

Involuntarily, he stepped forward and pinched Hu Mazi's avatar's face, and then patted it with his hand!

"Damn, you pinch my face, you're perverted..."

"Nonsense, if it's illusion, can it still be called avatar, but this avatar can only have half of the actual strength. If it can inherit all the strength of the main body, it will be awesome!"

Hu Mazi sighed and put the avatar away. up.

If you can inherit the same strength as the main body, it is equivalent to a person who has double his own strength!

"That's enough!"

Kai has seen the power of talisman, although his Nine Shadows Sword Technique can also be cloned, and he can also be divided into several.

But that's just an illusion, a shadow clone, not an entity at all!

If you have this kind of transformation avatar spell, you can directly separate a avatar, and the real self can escape, it is simply an escape spell!

Now Kai actually regrets passing all the spells to Hu Mazi!

"What? Regret?"

Hu Mazi looked at Kai like that, and said with a faint smile.

"What are you sorry for, but you said that you helped me find Baimucaao, let's go now..."

"This is a volcanic island. The stones on the island are formed by volcanic eruptions. The reason why it is so hot now is because the volcano under the island is about to erupt again!"

"That's why these stones turn dark red, and they are very hot."

Hu Mazi explained to Kai.

"Damn, you can't play with me, do you? How can a hundred eyes grass grow in a place like this?"

Kai said in surprise.

"The worse the place is, the better the grass will grow. You are a pharmacist, you don't understand this..."

Hu Mazi pointed out He pointed to Ge Yuhan and said.

"How about that, even if she goes down, she doesn't know how to pick at all, and she doesn't even know what a hundred eyes grass is!"

"What do you think? If I had that ability, the

Baimu grass would already be gone, and it's your turn to come?" Rolled my eyes!

"Then you give me a fire escape charm, you can't say you don't have this type of charm, right?"

Kai continued to ask.

However, Kai soon discovered that the magma not only felt cool, but also could breathe freely, completely like a closed space, isolating the magma from the outside.

Kai hurriedly reached out and grabbed Ge Yuhan. In order to prevent Ge Yuhan from falling too fast, Kai hugged her tightly!

But at this time, Ge Yuhan was naked, and Kai hugged her tightly. That kind of man's hotness instantly made Kai react.

Kai hurriedly recited the Qingxin mantra silently, and then looked at the bottomless pit, and the two slowly fell like this!

In the end, the two people's bodies stopped and they were not falling. Kai hurriedly looked and found that the two people were standing on a red coffin!

"Why is there a coffin here?"

Kai was surprised.

And Kai felt that the coolness was emanating from the coffin.

The coffin wrapped in magma can still exude a burst of coolness, which is simply too strange.

Kai guessed that there must be some treasures in this coffin!

Kai carried Ge Yuhan down from the coffin, and then the bodies of the two people began to fall again!

Just as Kai fell, Kai slapped the coffin with his palm and opened the lid of the coffin.

Before he could see what was inside, Kai rolled in with Ge Yuhan in his arms!

A burst of frost condensed on the two of them!

Kai took a closer look at the coffins. Under them, there was a corpse, and only a pile of skeletons remained!

And in the position of the skull, a bead that is only the size of a thumb, sparkling with light!

And this cold air comes from this bead.

"What is this?"

Kai picked up the bead curiously, and from the bead, a penetrating chill hit Kai's body instantly, causing Kai to shiver uncontrollably.

Just as Kai was observing the bead, he did not notice that Ge Yuhan, who was beside him, had originally dull eyes, and began to glow.

There was also an expression on the dull face, and he kept looking at his body!

"What a strange bead, if I swallow this bead, won't I be afraid of flames anymore?"

Kai thought, he was going to swallow that bead!

Seeing this, Ge Yuhan hurriedly stretched out his hand and snatched the bead over: "This is my treasure, how can you bastard eat it?"

Kai was stunned, looked at Ge Yuhan in surprise, and then let out an incredible shout.

"Ah..."

Kai seemed to be stimulated by something, and shouted desperately!

This time, Kai was confused, and he didn't understand what happened to Ge Yuhan!

Kai looked at Ge Yuhan, and then a divine sense instantly enveloped Ge Yuhan!

Kai's face changed: "Say, who are you?"

Ge Yuhan's mood seemed to calm down, then looked at Kai and said, "I'm not your friend, I just borrowed your friend's body, I didn't expect to count After a thousand years, someone has come here."

"This may be God's will, and the people who came here are people who lack souls, otherwise I would not be able to survive..."

"I advise you to come out by yourself and find someone again. !"

"I don't believe you have such ability!" Ge Yuhan smiled.

"Since you don't believe it, then try..."

Kai finished speaking, the golden light on his body flickered, and he instantly surrounded Ge Yuhan, and then he placed his palm on Ge Yuhan's head, and the Concentrated Heart Art was spinning rapidly!

Soon, Ge Yuhan's expression became hideous. There was a look of horror in his eyes!

"No, no, please let me go, as long as you take me away, I will never pester your friend."

"Your friend is not in the same state, I just borrowed her body temporarily, there is absolutely no malicious intent. "

Please, please..."

Ge Yuhan cried and began to beg for mercy loudly!

Seeing this, Kai softened his heart, took his hand back, and then asked, "Then tell me, who are you? Why are you here?"

With tears on her face, Ge Yuhan began to talk about herself with Kai!

Kai listened slowly, and finally became very angry!

Kai sighed involuntarily.

Because this is too coincidental, there are very few people with incomplete soul like Ge Yuhan.

"Seeing that you are also suffering, so stay in my friend's body temporarily, but when I help my friend find his soul, you must leave."

"But I will find a way to help you find a body."

Kai said to Ge Yuhan.

Kai said.

"Hundred Eyes Grass?" Ge Yuhan frowned slightly, then suddenly remembered something: "Are you talking about a thing with only three leaves and the patterns on the leaves are like eyes?"

"Yes, yes, you know that in Where?"

Kai asked with a look of surprise.

Ge Yuhan's face was embarrassed: "I'm sorry, that thing has been growing on my coffin, and I absorbed it..."

"Sure enough, it has recovered." Hu Mazi looked at Ge Yuhan, and then smiled: "After this recovery, I also have aura on my body, and I am even more beautiful than when I was inflexible. Kai, your boy is really beautiful..."

"Cough, Master Hu, what nonsense are you talking about..."

Kai glared at Hu Mazi.

Hu Mazi smiled, and then stretched out his hand towards Ge Yuhan: "Little girl, since you have recovered, let's get to know each other again. My name is Hu Mazi, you can call me Master Hu!"

Ge Yuhan smiled and stretched out his hand. , followed Hu Mazi and shook hands: "My name is Ge Yuhan, and I hope Master Hu..."

But before Ge Yuhan finished speaking, he saw Hu Mazi's face change, and then several spells rose from his body. In an instant, Ge Yuhan was surrounded.

"Bold soul, dare to show ugliness in front of this master..."

Hu Mazi said, and several spells flickered. These rays of light shone on Ge Yuhan's body, making Ge Yuhan's face very ugly!

"Master Hu, stop..."

Kai hurried forward, grabbed Hu Mazi, and then knocked those spells to the ground!

"Kai, are you fucking crazy? Are you fascinated by this woman, he is possessed by a soul, not a recovery at all..."

Hu Mazi said loudly to Kai.

"Master Hu, I know, you listen to me first..."

Kai stopped Hu Mazi and hurriedly explained to Hu Mazi!

At this time, Ge Yuhan was also teary-eyed, and she didn't want to invade other people's bodies. It would be very unfair to the owner of this body!

But she had no choice. If she didn't enter Ge Yuhan's body, her only remaining soul would dissipate.

Hearing Kai's explanation, Hu Mazi was full of surprise!

"The Holy Maiden of Guanghan Palace? This is a super sect from thousands of years ago."

"But I heard that after the war between gods and demons, although Guanghan Palace was destroyed, many people in Guanghan Palace survived. This sect should still be alive somewhere!"

Hu Mazi said lightly.

"Master Hu, do you know where it is? Where is Guanghan Palace?"

Seeing this, Ge Yuhan hurried forward to kneel down for Hu Mazi!

"Don't, I just heard that the Guanghan Palace is still there or not, and I don't know where it is!"

Hu Mazi quickly supported Ge Yuhan and did not let her kneel!

When Ge Yuhan heard this, his face was full of disappointment!

Rumbling.....

Suddenly, the entire island began to tremble, and then there was a burst of roaring sounds!

"It's broken, the volcano is about to erupt, let's go..."

Hu Mazi's face changed, and he turned and ran towards the sea!

Kai also hurriedly pulled Ge Yuhan up, swept across the sea, and ran towards the land!

As soon as the three of them left the island, they saw magma tens of meters high, which spewed out instantly, fell into the sea water, and bursts of smoke rose!

"Let's go back..."

Kai glanced at the small island engulfed by the magma, and then said!

"Let's go, I'm going to Baihai City, the secret realm of Tianfuzong is guarded by a group of evil cultivators, I don't worry..."

Hu Mazi didn't plan to go with Kai!

Kai glanced at Hu Mazi: "I think you are reluctant to bear the women of the Shen family?"

"Nonsense, we cultivators have to abandon our three emotions and six desires, how could a mere few women disturb my pure heart. "

Hu Mazi said with a serious face.

"Master Hu really has the demeanor of a master. Many immortal cultivators are trapped by love in the end, and they have not been able to become transcendental and step into the ranks of true immortals..."

Ge Yuhan looked at Hu Mazi with admiration and said.

As the saint of Guanghan Palace, a cultivator who existed thousands of years ago, Ge Yuhan at this time has the deepest understanding of the journey of cultivating immortals!

When Hu Mazi was praised by Ge Yuhan, his beard was upturned, and he said proudly: "I have already seen through the world, I have no desires, and no one can shake my heart of cultivating immortals!"

Kai looked at Hu Mazi like that Son, couldn't help but smile.

"What are you laughing at, am I wrong?"

Hu Mazi glared at Kai!

Kai shook his head: "Master Hu is right, even if a woman is naked in front of you, you won't even look at it."

"Of course!" Hu Mazi nodded.

Kai quietly tugged at the clothes on Ge Yuhan's body, Ge Yuhan's shirt slipped off instantly, revealing his snow-white skin!

Seeing this, Ge Yuhan hurriedly grabbed the clothes with his hands and wrapped himself up.

Chapter 1696 Dragon Gate _

And at this moment, the flax child's eyes are wide open, his Adam's apple rolls, and the hala child is about to flow out!

Kai couldn't help laughing when he looked at Hu Mazi.

On the other hand, Ge Yuhan blushed and glared at Hu Mazi.

Just now, she really thought that Hu Mazi was a master of cultivating immortals, with no desires and no desires...

But she didn't want to be an old-fashioned critic...

Hu Mazi suddenly looked embarrassed, and hurriedly wiped the saliva from the corner of her mouth: "You two go slowly, I'm going to take the first step..."

After speaking, Hu Mazi left without looking back in embarrassment!

Kai took Ge Yuhan back to Yaoshen Valley!

Originally, the plan was to get Baimucaos so that Ge Yuhan could recover, but now that Baimucaos was not obtained, Ge Yuhan was possessed by a soul, but fortunately, this soul is not an evil person, but also a poor person, so it is just for the time being. .

Kai returned to Yaoshen Valley and lied that he had recovered Ge Yuhan, but no one doubted him!

"I didn't expect that thousands of years later, the spiritual energy between the heavens and the earth would be so thin!"

"How can such a thin spiritual energy support cultivation?"

Ge Yuhan felt the spiritual energy of the world and said with emotion.

"After the war between gods and demons, the immortal Dao collapsed and the spiritual energy of heaven and earth was exhausted. It has been thousands of years."

"Nowadays, there are very few immortal practitioners in the whole world, and it is already the world of martial arts.

" In the middle, slowly waiting for the aura to recover..."

Kai followed Ge Yuhan to explain!

"The reincarnation of heaven, I believe that the recovery of spiritual energy will not be too far away, but when the spiritual energy recovers and the fairy world prospers, those guys from the demon world will also be born..."

Ge Yuhan's eyes showed a bit of worry!

Kai did not speak, because what Ge Yuhan said was the same as what Ge Fuhai told him.

It seems that the spiritual energy is really about to recover, and the pattern of the world is about to change!

Thinking of this, Kai decided to return to the capital. He wanted to establish the sect as soon as possible!

If you really wait until the spiritual qi recovers, it is not enough to be close to one person's strength.

Kai returned to the Dragon Family in Kyoto from Yaoshen Valley!

Immediately, Long Xingxu was found.

"Brother Kai, are you looking for me?"

Long Xingxu asked respectfully.

"Xingxu, I plan to establish a sect, the name is Longmen, and it will be based on the Long family."

"When recruiting disciples, you must remember to have good qualifications, and those with evil deeds must not be recruited, understand?"

Chen ? Ping told Long Xingxu.

"I understand!" Long Xingxu nodded, and then asked Kai: "Brother Kai, if you establish a sect now, you need to go to the official report. Do you want to report it?"

"I will go tomorrow. Report, you start to prepare for Longmen to recruit disciples, and spread the news."

"Don't be afraid of low realm, as long as there are no evil deeds!"

Kai warned again.

"Okay, I'll go now!"

Long Xingxu left!

Kai stood at a high place and stared at the capital. He knew that the road ahead would be more and more difficult, but he would never back down!

Soon, the news of Longmen recruiting disciples on the Martial Dao Forum exploded the entire forum!

"Damn it, Kai founded the sect, and its name is Longmen. Based on the Long family, it has recruited many disciples!"

"This Kai is really awesome. He has been suppressed by the Martial Arts Alliance, but the more suppressed, the stronger his strength. "

I'm going to join this Longmen, Kai is too good!"

Many people expressed their desire to join Longmen!

One of the main reasons why many people want to join Longmen is that Yaoshengu will give priority to supplying Longmen for their worries in the future.

After all, the owner of Yaoshengu is Kai, and now the owner of Longmen is also Kai.

Just after the news of Kai's establishment of a sect was released, many aristocratic families began to congratulate him!

The Bai Family, Dong Family, Ge Family, Shadowless Villa, and the Valley of the Wicked in Kyoto all congratulated them.

Originally, Zhao Liguo and the four villains wanted to join Longmen, but they were rejected by Kai!

They all belong to the Tianlong Temple. It's true that Kai is the owner of the temple now. These people listen to him.

However, the Tianlong Palace does not belong to the sect established by Kai himself. Although this Tianlong Palace may have been created by his father to pave the way for himself, Kai did not want to sit back and enjoy it.

Kai wants to create a career through his own efforts. If he can meet his father one day, he hopes that his father will be proud of having a son like him!

And the identity of Kai Tianlong Palace's hall master is also a secret, which can be used as Kai's trump card.

The next morning, in the Dharma Protector Pavilion in Kyoto, Mr. Shi sat in the hall very early!

"Mr. Shi, why are you so early today?"

Xing Jun asked.

"Waiting for someone!" Mr. Shi said with a faint smile.

"Waiting for that Kai?"

Xing Jun guessed.

"Yes!" Mr. Shi nodded.

"This Kai is really getting bigger and bigger. He wants to start a sect, and build a dragon gate. I heard that there were thousands of people who signed up to join the dragon gate on the martial arts forum yesterday.

"Get one of the largest sects in the martial arts world in Kyoto!"

Xing Jun said slightly surprised.

"Young people, aggressiveness should be supported, but a person with strength, leading a sect to develop, is not the same concept at all. I hope he can improve the strength of the sect in addition to improving his own strength..."

Mr. Shi knows that being able to fight alone and being an excellent leader is completely different.

After Mr. Shi finished speaking, he then looked at Xing Jun and asked, "How's the island country mission?"

"It has already arrived at the port, and it will be in Kyoto in two days!"

Xing Jun replied.

"Well, remember to monitor closely and never let one of them leave your sight before entering the capital!"

Mr. Shi ordered.

"Understood!" Xing Jun nodded!

At this moment, Zao Wou-Ki walked in and said to Mr. Shi, "Mr. Shi, Mr. Kai, Mr. Chen is here!"

"Well, let him in!" Mr. Shi nodded!

Zao Wou-Ki then walked out.

Since Mr. Shi chose to work in the Law Enforcement Pavilion, Zao Wou-Ki, the pavilion owner, has become an errand runner.

Soon, Kai walked into the hall, and after seeing Mr. Shi, he saluted slightly: "Meet Mr. Shi..."

Mr. Shi said with a faint smile: "When did you become so polite? Do you have something to ask for? Me?"

Kai smiled, then nodded: "I want to establish a sect, so I need to report to Mr. Shi."

"Xing Jun, go and bring him the procedures..." Mr. Shi faced Xing Jun. After he finished speaking, he looked at Kai again: "I have done the formalities for you, you can just let it go, but I want to warn you that leading a sect is far more difficult than you think."

"Thank you, Mr. Shi. Reminder, but I have confidence!"

Kai has the confidence to carry forward Longmen!

Soon, Xing Jun took the procedures and gave it to Kai, and Kai didn't stay for long, and went straight back to the Long family!

Right now, Longmen is under construction, so there are a lot of things to deal with!

After the formalities are complete, Longmen can officially recruit disciples, and the gate of Long's family will be crowded out in a time.

Long Xingxu led people to carry out the screening work. If anyone had bad habits, they would be rejected directly.

"You have the sacred weapon in hand, and you have no fighting spirit suppressed by Kai. It seems that your cultivation will not improve much after all..."

The soul in Ning Zhi said with a little disappointment.

"I... What can I do? Even with the weapon holy weapon in hand, I couldn't kill that Kai!"

"The woman next to Kai is too perverted, and the weapon holy weapon can't even hurt her at all."

Ning Zhi said with a look of decadence!

"It seems that your position as the leader of the alliance has dragged down your cultivation. I think you are still concentrating on your cultivation, and don't worry about the affairs of the martial arts alliance." The

soul persuaded Ning Zhi!

Ning Zhi smiled bitterly: "Why don't I think about it, I don't have the strength, even if I sit in the position of this alliance leader, it's like sitting on needles!"

Ning Zhi doesn't want to do it for a long time now, and Kai is now in the limelight, and he created Longmen again!

In the entire Kyoto martial arts world, how many sects and noble families still obey their martial arts alliance?

Ning Zhi looked closely and found that the other party's Peugeot entry was silver, so he immediately knelt down and said, "My subordinates pay tribute to the black and silver robe!"

other party just gave Ning Zhi a contemptuous look: "Your recent performance is very powerful. If you are dissatisfied, let me take your place.

"

The black silver robe said coldly.

When Ning Zhi heard this, he was instantly overjoyed. He just didn't want to be the leader of the Martial Dao Alliance!

"My subordinates are incompetent, and I am ashamed of the great power!"

Ning Zhi said quickly.

"Humph!" The black robe snorted coldly, and then waved his hand, and the black robe covering his body disappeared instantly!

One was only in his twenties, and his pale face was revealed!

Seeing this, Ning Zhi gasped, because they all covered their faces with black robes. Ning Zhi never thought that there would be such a young person in black and silver robes!

The person in front of him looked a few years younger than Ning Zhi, but his strength was no longer comparable to Ning Zhi!

At this moment, Ning Zhi was hit hard again!

"Then Kai will hold the Zongmen ceremony in three days?"

Heiyinpao asked.

"Yes..."

Ning Zhi nodded, facing the black and silver robe that was younger than himself, Ning Zhi had mixed feelings in his heart!

"Prepare a generous gift, and come with me to Longmen in three days..."

Ning Zhi lowered his head and did not dare to say a word.

Kyoto, the Ge family!

Ge Fuhai said to Ge Jiayi: "Jiayi, you choose some valuable gifts, and wait for Mr. Chen's gantry ceremony to deliver them."

"I will be Kai's person in the future, and Kai's gantry is mine. Of course, I have to do more things now..."

Ge Jiayi said without any shyness.

Ge Fuhai felt a little heavy when he heard it, because he knew Kai's true identity, how could his daughter be worthy of Kai.

But if Kai is really with Ge Jiayi, then Ge Fuhai and the others will greatly improve their status in the Ge family.

"It's true that women's colleges don't stay..."

Ge Fuhai smiled bitterly, he decided not to care about Ge Jiayi, and let her pursue Kai freely!

At this moment, a servant of the Ge family came to report: "Patriarch, there is a young man who asked to see him. He said he was from the Jiang family."

Soon, a dark-skinned young man in casual clothes walked in.

"Junior Jiang Wei, meet Uncle Ge..."

Jiang Wei saluted Ge Fuhai.

"Jiang Wei?" Ge Fuhai was somewhat familiar with the name. After thinking for a moment, he said, "I remembered, you are the Jiang Wei from the Jiang family in the northwest, who beat dozens of people in a row and made a blockbuster?"

Jiang Wei smiled awkwardly: "It's me, but in front of Uncle Ge, I'm just a little trick!"

Ge Fuhai shook his head: "Your strength is much stronger than mine, you are now in the realm of the Great Marquis, and you are so young, your future achievements are limitless."

"But my Ge family seems to be on the same level as your Jiang family in the northwest. No friendship, I don't know why you came to my Ge family this time?" Ge

Fuhai didn't remember what friendship their Ge family had with the Jiang family, and he didn't know why Jiang Wei came to his house.

Jiang Wei smiled lightly: "Uncle Ge doesn't know the Jiang family, but you should know about Tianluolou?" Jiang Wei's words made Ge

Fuhai's eyes suddenly open: "Your Jiang family is the spokesperson of Tianluolou?"

Fu Hai knew that a lot of powerful aristocratic families have suddenly appeared recently, and they must be the spokespersons of a certain sect family in the secret territory!

But Ge Fuhai didn't know that behind these sect families was the force in the secret realm!

But when Jiang Wei mentioned Tianluolou, Ge Fuhai understood it instantly!

Because only the spokesperson will know what is going on in the secret realm.

Like the Ge family, Tianluolou is in the secret realm that has left his position, that is, Huomen!

In the secret realm, the Ge family and Tianluolou have cooperated several times, and it can be regarded as some friendship.

So this Jiang Wei found the Ge family and called Ge Fuhai uncle Ge, it was understandable!

"Uncle Ge, my Jiang family is the spokesperson of Tianluolou in the secular world. Our Jiang family has been secretive in the martial arts world for hundreds of years. Recently, we chose to make a high-profile comeback."

Jiang Wei followed Ge Fuhai truthfully.

After all, these things are known to everyone, and Jiang Wei doesn't need to hide them!

Ge Fuhai looked at Jiang Wei's strength and smiled bitterly: "Originally, I thought our Ge family was forbearing enough, but I didn't think that the other spokesperson families could still be forbearing!"

Ge Fuhai chose to stay in the martial arts world of Kyoto. Standing on the ground, not asking about the world, and forbearing life, it is also because the various life and resources in the Kyoto martial arts world are better than other places!

But he did not expect that so many aristocratic families would choose a very remote place to forbear. In a remote place, the resources are obviously scarce, but in this environment, these families can even cultivate such masters as Dawuhou. !

Ge Fuhai couldn't help but look at Ge Jiayi, he felt that he was a failure, no matter in every aspect, he was a failure...

Chapter 1700

"Uncle Ge, as far as I know, a large number of people from the spokesperson's family will come to Kyoto in the past two days."

Jiang Wei said.

"Come to Kyoto?" Ge Fuhai was a little surprised: "What are they doing in Kyoto? Are they trying to attract official attention?" Jiang Wei shook his head: "The purpose of their coming is the same as mine, to

step on people..."

Ge Fuhai said that he was stunned. These people are so powerful, do they still need to step on them?

"I see, Kai's Dragon Gate will hold a ceremony in two days. Are these people here to step on Kai?"

Ge Jiayi asked.

Jiang Wei nodded: "Nowadays, in the martial arts world of Kyoto, the most famous person is Kai, so everyone wants to step on him."

"Then you came to Kyoto to step on him?" Ge Jiayi He frowned slightly, his face a little ugly!

Jiang Wei didn't see that Ge Jiayi was unhappy, he nodded and said, "Of course, as long as anyone defeats Kai, his reputation in the Kyoto martial arts world will skyrocket, which is very important for the future development of the family."

"Huh, you guys . Whoever steps on Kai will follow my Ge family against me, and we will never stand idly by."

Ge Jiayi said sharply.

Jiang Wei was stunned for a moment, then looked at Ge Fuhai: "Uncle Ge, what does Miss Ge mean? Could it be that the Ge family has something to do with Kai?"

" The Ge family spoke out about the matter at the entrance of the Tianlong Palace! So

he explained: "Then Kai and the little girl are friends, and maybe they will become a family in the future. Can you understand me when I say this?"

I really want to meet that Kai quickly, what kind of charm is there to make such a peerless beauty like Miss Ge like it!"

"I can tell you, if you dare to make Kai's idea, our Ge family will meet you in the future. Become a mortal enemy, do it yourself..."

Ge Jiayi glared at Jiang Weidao.

Whoever goes against Kai now is the enemy of the Ge family!

Jiang Wei frowned slightly, then looked at Ge Fuhai, you must know that in the secret realm, the Ge family and Tianluolou can be regarded as a cooperative relationship. Is it just for Kai, the Ge family should follow Tianluolou to turn their face?

Ge Fuhai nodded: "The little girl is right, whoever follows Mr. Chen as an enemy is the enemy of my Ge family..."

"Uncle Ge, Kai, can you actually make your Ge family pay so much? You are cooperating with Tianluolou now, can what you said represent the elders of the Ge family?"

Jiang Weike couldn't believe it, the Ge family really dared to turn against Tianluolou for a Kai!

What if Kai is Ge Jiayi's boyfriend?

The Ge Fuhai family has a very low status in the Ge family, otherwise they would not have been sent to the secular world to act as spokespersons!

"I advise you, what I say, our clan elder will also say the same, if you really dare to disrespect Mr. Chen, I believe that the clan elder will not only cut off the cooperation with your Tianluolou, but also at any cost, Let

Tianluolou suffer." Ge Fuhai said very seriously with a solemn expression.

Jiang Wei looked at Ge Fuhai like that, and didn't want to make a joke, so he smiled lightly and said, "Uncle Ge, I have no grievances with that Kai, how could I target that Kai, but normal exchanges and discussions, I think Uncle Ge Wouldn't you mind?"

Jiang Wei has said this for the sake of it, what else can Ge Fuhai say!

Can't let people communicate and learn from each other?

You must know that in the martial arts world, it is normal to communicate and learn from each other.

"It's okay to communicate and discuss, but it's time to stop. If you think about it, you will be the one who will regret it!"
