A man like none other and the man decree (chinese) Chapter 1821

Is it too arrogant? _

"You...you daring madman..." The

woman's face flushed with anger when Hu Mazi said this.

Kai also saw at a glance that this woman was just a soul, and no matter how strong she was in the past, she couldn't exert much strength now.

"This lady, I heard that Jianzong has a divine sword. It's in this sword mound. We just came to see it!"

Kai said with a slight smile.

"Bah, don't think that I don't know your intentions. With me here, you can't enter the land of the sword mound..." The

woman said, and suddenly stretched out her hand: "The sword is coming..." The

woman waved her right hand, and with a buzzing sound, a The sword qi burst into the air, and a spirit sword flew out from the woman's back. The sword qi shot into the sky, and finally fell into the woman's hands.

This spirit sword is piercingly cold, with a lingering aura.

"If you don't leave, you'll have to die under my Wentian sword!" The

woman stared at Kai and said.

The woman's spirit sword just appeared, and the Qiankun sword in Kai's hand shook violently. If Kai hadn't held it hard, it is estimated that the spirit sword would have been thrown out by himself.

Kai tried his best to control the already irritable Dragon Slaying Sword, and then looked at the woman indifferently.

The woman asked Tianjian in her hand, her face was full of sternness, but she didn't know that the Dragon Slaying Sword in Kai's hand was an ancient spirit sword. It was just that the sword spirit had not fully grown, so it could not exert such great power. , so the woman did not take the Dragon Slaying Sword in Kai's hands in her eyes.

"You and I are both spirit swords. Today I'll show you. Not anyone can use a spirit sword to exert its power." The

woman looked at Kai with a sword in her hand, her face expressionless and her eyes burning.

"Do you want to compare swords with me?"

Kai asked lightly with a slightly raised corner of his mouth.

"Don't you dare?"

There was a hint of sarcasm on the woman's face.

"As a soul, I can let you strike, and if you can hurt me, I will leave here immediately and never step in."

Kai said calmly and indifferently.

If he can't deal with even a single soul, Kai might as well just hit him to death.

The woman was slightly taken aback, but looking at Kai's expression, it didn't seem like he was joking.

"Are you too arrogant?" The

woman knew that although she was a soul, she could only exert part of her strength, but Kai could say such big words with a sword, which was extremely arrogant.

"Don't talk nonsense, come on!"

Kai slammed the Dragon Sword in his hand, ready to meet the woman's sword.

Seeing Kai so arrogant, the woman's eyes were filled with murderous intent. Since Kai was courting death, she wouldn't mind giving Kai a ride.

Immediately, the Wentian sword in the woman's hand raised, with a buzzing sound, the sword qi was horizontal and tyrannical, making Hu Mazi feel a pain in the skin all over his body, the kind of pain that was cut by force.

Hu Mazi avoided far away, he didn't want to be affected by two people.

And the woman stared at Kai, the breath on her body instantly rose to the peak, her blood was surging, and the raging breath had erupted. Facing Kai, the woman would not be careless.

Since Kai dared to say such a thing and walked here unscathed, he must have some ability.

"Wentian Slash!" The

woman let out a low roar, and the Wentian Sword in her hand instantly slashed towards Kai. On the Wentian Sword, white mist rose instantly, and the sword spirit was driven out by the woman, turning into a long white line. The snake, wrapped around the Wentian Sword, made a humming sound.

Magic Sword

After swallowing the sword spirit, Kai believed that the strength of the Dragon Slaying Sword would be even higher.

Kai took a deep breath, streaks of golden light appeared all over his body, and then bursts of green light erupted from the Dragon Slaying Sword in his hand.

Looking at the woman who was getting closer, Kai's eyes were full of provocation.

The woman's eyes were cold, without a trace of fluctuation, the Wentian Sword in her hand slashed towards Kai fiercely, and slashed down, swallowing mountains and rivers.

The terrifying sword energy is vertical and horizontal, and this sword has the momentum of destroying the grass and pulling the rotten, and instantly slashes at the Dragon Slaying Sword in Kai's hand.

Hu Mazi on the side was horrified, a look of worry appeared on his face, and his breathing was a little short.

He didn't expect a soul to be able to exert such great power. If this woman is not a soul, wouldn't the strength be even more terrifying.

Bang!

The sword fell, and the Wentian Sword and the Dragon Slaying Sword collided heavily. The ground shook and the mountains shook, and the entire sword mound trembled uncontrollably.

Without a splash of fire, two sword qi, one blue and one white, were instantly entangled together, rising into the sky, like two fighting dragons, intertwined and intertwined with each other.

Hu Mazi looked up with an incredible look on his face. He had never seen such a scene before, and two swords could fight together.

In fact, this is not the sword energy, but the sword spirit, fighting with each other, the green light is like a vast brilliance, and at this time, the entire land of the sword tomb is illuminated.

And the white light was desperately trying to cover the brilliance of the green light, but the white light was very small under the blue light, and was swallowed up at a speed visible to the naked eye.

"This... how is this possible?"

Looking at the scene in front of her, the woman's eyes were full of horror.

Soon, the white light disappeared, and the brilliance of the green light became more dazzling, and then returned to the Dragon Slaying Sword in Kai's hand. The sword shot out.

The terrifying sword qi instantly slashed a terrifying sword mark out of the land of the sword mound. The sword mark went all the way to the woman along Kai's feet. The woman was shocked, and then quickly retreated, followed by a leap Get up.

The sword mark continued for dozens of meters, and a deep ravine was cut out of the ground. The high bulge on both sides was divided into two, and the sword energy was horizontal and terrifying.

With one move, the victory and defeat were already clear. The woman looked at her Wentian sword. At this time, the Wentian sword had already lost a trace of luster, like a piece of broken copper and iron, where there was still a trace of spiritual energy.

The woman was startled, and a burst of spiritual power poured in, she wanted to urge Wen Tianjian to recruit the sword spirit, but no matter how the woman urged it, Wen Tianjian did not respond at all.

The Wentian Sword without the Sword Spirit is just a piece of broken iron, not even a treasured sword. This is a spirit sword created by the Sword Master of Wenjian Zong, but now it has become a piece of broken iron.

"Is it even better?"

Kai looked at the woman and asked lightly.

The woman's face was expressionless, the Wentian Sword in her hand was casually dropped on the ground, and then she shook her head.

"Since you are defeated, let us in, I just came here because of the name, I just want to see the divine sword!"

Kai said, not wanting to beat the woman to pieces.

But who knows, the woman suddenly smiled bitterly: "It's not a divine sword, it's not a divine sword, it's a magic sword that kills people without blinking an eye, and our entire Sword Sect will be destroyed by that magic sword!"

"Our Sect Master Gather all the elders of the Sword Sect and use all our spirit swords to suppress the magic sword here."

You Can't Die

"Life is impermanent, who can not die? If you can do what you like, why not die?"

With a faint smile, Kai was not frightened by this woman!

Whether it's a divine sword or a magic sword, Kai's sword mound is set, no matter what kind of sword, the final outcome will be swallowed up by his own Dragon Slaying Sword!

Seeing that Kai was so determined, the woman sighed and said: "Maybe this is the number of days, stepping into this place is the real sword mound, where the sword energy is hundreds of times stronger than it is now, think about it yourself... .."

After speaking, the woman's figure became lighter and thinner, and finally disappeared completely.

"Kai, I think you should go in by yourself. With my strength, I'm afraid that I will need your protection when I go in, which will add a burden to you."

Hu Mazi was afraid!

If it was really as the woman said, the sword qi was a hundred times stronger, then Hu Mazi would be cut into pieces by the sword qi.

Kai nodded: "Master Hu, wait for me here, if I don't come out within three days, you can go back, you don't have to wait for me."

Hu Mazi hurriedly said: "Kai, you must If you want to come out, if you die, what will happen to your women? What a pity, think about your women, you have to come out alive."

Kai was speechless for a while, besides women, he didn't know that there were other women in his mind. Nothing else.

"I'm in..."

After speaking, Kai continued to walk forward, and soon Kai's figure slowly became blurred and disappeared from Hu Mazi's sight.

When Kai advanced for a certain distance, the sword qi became stronger and stronger, and in front of him, it was densely packed with long swords on the ground!

These swords seem to be inserted randomly on the ground, but in fact they all have their own rules!

And Kai can clearly feel that in this sword mound, there are two auras that are constantly intertwining and fighting!

The sight in front of you is not just dead branches and leaves, but the branches and leaves visible to the naked eye on the big tree are growing rapidly.

It was just that it had just grown and was chopped off by the raging sword energy!

So back and forth, the two forces seem to be fighting.

Kai took out the Dragon Slaying Sword and frantically absorbed the raging sword energy, so that the branches and leaves on the trees began to grow rapidly, and finally became shady!

"It seems that this place is not as dangerous as the woman said, but fortunately there is this dragon sword!"

Kai's face was filled with joy!

But just when Kai was happy, a murderous aura suddenly struck, Kai's eyes narrowed slightly, staring straight ahead!

Soon a man walked slowly over, holding a sword in his hand.

It's just that this person's face is pale, his eyes are dull, and there is no other aura on his body other than murderous aura.

Kai saw at a glance that this should be the sword puppet that the woman said!

The sword puppet is killed by the sword qi, and then the flesh is immortal and refined by the sword qi.

After a long time, it became a sword puppet, directly dominated by the sword energy, without thought and consciousness, it was something similar to a zombie.

Because this kind of thing has no thoughts and is still a dead thing, it is not afraid of being hit at all.

Even if they cut off their arms and legs, these sword puppets still have no consciousness, and only the essence of sword qi controls them in their minds.

When encountering this kind of thing, Kai was a little worried. After all, this kind of thing is not afraid of death, so basically a sword pierced through the body, and the sword puppet would not take it seriously.

Once you fight with the sword puppet, unless you completely smash him into pieces, or there is no other way, there is another way to find the sword qi parent body, and then cut off the sword qi, but depending on the situation, that demon The sword is probably not easy to find.

Sword Formation _

Kai swung the Dragon Slaying Sword in his hand and charged directly.

However, the two arms were cut off, and the sword puppet did not show the slightest expression, waving the half of his arm, and rushed directly to Kai.

Kai knew that it would be useless to chop off the sword puppet's head. He could only smash them into slag. Looking at the sword puppet rushing over, Kai's hand waving the Dragon Slaying Sword was airtight, huge and dense. The sword energy instantly enveloped the sword puppet.

"Break it for me!"

Kai roared, and the green light burst like fireworks in an instant, and the sword puppet instantly became torn apart, flesh and blood flying all over the sky, and it became slag.

Looking at the stumps and broken arms all over the ground, Kai's mouth slightly raised, and he was pleasantly surprised. The power of the Dragon Slaying Sword has been greatly increased, and the induction between the sword spirits has become stronger.

This time, Kai was even more confused, and he didn't know what was going on.

Just when Kai was stunned, suddenly the sand dunes shook for a while, and then he saw a lot of sand began to roll!

Then these rolling quicksand finally formed the shape of a man, holding a sword!

Slowly, the human figure formed by the gathering of sand and soil turned into an old man's appearance!

Seeing this, Kai hurriedly said, "Senior, I don't know where this place is? Who are you?"

Kai saw someone appear and wanted to ask clearly what was going on.

But the old man did not speak, but waved the long sword in his hand, and then countless long swords emerged from under the sand dunes, and then tightly surrounded Kai.

Seeing this, Kai frowned slightly, and the Dragon Slaying Sword in his hand began to emit bursts of green light!

Then, countless long swords poured down towards Kai like a rain of swords...

Kai could only wave the Dragon Slaying Sword in his hand desperately, thinking of it as an airtight sword wall!

Dang dang dang.....

The sound of metal collisions continued, and the broken swords were scattered all over the ground!

A man like none other and the man decree (chinese) Chapter 1825

It's too simple

However, Kai found that every time he cut off a long sword, the Dragon Slaying Sword in his hand would increase by one point!

This may be the practice of his Dragon Slaying Sword!

Thinking of this, Kai waved the Dragon Sword in his hand even more vigorously!

After a while, there were more broken swords on the ground, and cold sweat began to appear on Kai's forehead!

But Kai still insisted, he knew that this time was the sharpening of his opponent's sword, and it was also a sharpening to himself!

When Kai cut off the last long sword, the whole person slumped on the ground tired!

And the old man looked at Kai with a smile on his face!

"You have passed this level, I hope you can reach the end, and this will fulfill our centuries-old wish..." The

old man spoke to Kai.

Just when Kai was about to ask who the old man was, the long sword in the old man's hand suddenly threw at Kai, and then the whole person disappeared.

I saw the long sword in the old man's hand coming towards Kai, but it finally stopped in front of Kai!

Immediately afterwards, the long sword emitted a faint light, and the light was absorbed by the Dragon Slaying Sword. In the end, the long sword fell directly into powder.

As the long sword turned into powder, the scene in front of Kai changed. He found that he was still standing there, and the sword formation in front of him disappeared.

"Is it possible to see the magic sword like this?"

Kai was very surprised, and then walked forward!

If it's so easy to find the magic sword, it's a little too easy!

Kai continued to walk forward for more than ten minutes, and the sword qi that soon disappeared began to appear again, and this time the sword qi was even more violent!

However, what stood in front of Kai this time was not the dense long swords, but three finished swords stuck on the ground!

Looking at the three swords in front of him, Kai knew that this should also be a sword formation!

Since there is a sword formation, there must be sword puppets around!

Just after Kai finished thinking like this, he found that murderous aura was coming, followed by a dozen sword puppets, approaching Kai step by step!

The sword puppet I encountered this time was obviously much stronger than the one I encountered at the beginning!

These sword puppets are still wearing the clothes before death, and the clothes are embroidered with the beauty of Wen Jianzong!

It seems that these are senior disciples of Wen Jianzong!

Kai didn't talk nonsense, and raised the Dragon Slaying Sword in his hand high. After all, these sword puppets have no thoughts, and what Kai said is useless.

Kai shouted, holding the Dragon Slaying Sword in his hand, and the whole person rose into the sky.

The endless dazzling sword light fell, instantly smashing a sword puppet!

The huge shock wave sent other sword puppets directly into the distance!

But these thoughtless sword puppets didn't know that they were afraid at all. They immediately got up and charged towards Kai!

Kai was wielding the Dragon Slaying Sword, and with every sword swing, a sword puppet was beheaded!

Soon, more than a dozen sword puppets became scumbags!

The strength of the Dragon Slaying Sword in Kai's hand has risen again!

After the sword puppet beheaded, Kai stared at the three long swords tightly. He knew that the sword formation should be activated at this time.

Sure enough, after all the sword puppets were killed, a beam of light began to fall from the three long swords!

The beam of light seemed to come from outside the sky, instantly illuminating the position between the three long swords!

Kai looked at the beam of light, stepped lightly, and stood directly in.

Soon, the light fell on Kai's package. At this time, Kai felt that his feet were light, and the whole person was slowly rising up.

Kai's body was suspended in mid-air, shrouded in that beam of light!

An extremely crazy sword energy began to surge in the beam of light!

Seeing this, Kai hurriedly wanted to use the indestructible golden body to resist, but found that he couldn't exert any spiritual power at all!

old man finished speaking, the emerald green sword in his hand was radiant, and then he In the green light, a firefly-like light spot appeared, and then the light spot floated to the Dragon Slaying Sword in Kai's hand, and was instantly absorbed by the Dragon Slaying Sword.

"The presence of ancient spirit swords may be God's will, and it may be considered that we have atonement for our own faults..." The

old man suddenly laughed, and then slowly disappeared.

This time, Kai was immediately stunned. He didn't understand who this old man was, why did he need to atone for his sins?

But Kai didn't have time to think about it, after all, if he didn't go out for a long time, Hu Mazi would be gone!

If you tell Gu Linger and the others that they died directly in the land of the sword mound, I don't know what stupid things these girls will do!
