A man like none other and the man decree (chinese) Chapter 1071-1072

### Chapter 1071

Without spiritual power to protect the body, relying solely on the tyranny of the flesh, it is still difficult to resist Long Xiao's blow!

After all, Long Xiao is also near the peak of Wuzong's strength!

Kai's mouth was bleeding, and his chest was sunken, and a trace of blood slowly flowed out along his chest!

Kai looked around and found that there were five bloody finger holes in his chest!

Looking at Long Xiao again, he was smug at the moment, and in Long Xiao's hand, five black thorns glowed coldly in the sunlight!

"Kai, even if you're working hard, it's useless. I only need one magic weapon to wipe you out, and there are many such magic tools in our Long family..."

Long Xiao held a bronze in his hand . Ling, sneered at the corner of his mouth: "And now you've fallen for my free attack fan, I can crush you with just one finger."

Kai looked at Long Xiao's smug look, and the spiritual power in his body quickly surged. He rushed towards the wound and began to repair the wound quickly. As for what Long Xiao said about the powder, Kai didn't care, his body was immune to all poisons, so the powder was useless!

Soon, Kai's injuries recovered, but the power of the dragon in his body was not affected at all!

"You are too confident..."

Kai's aura suddenly burst, and the terrifying aura surrounded Long Xiao in an instant!

Seeing this, Long Xiao hurriedly rang the copper bell again!

The melodious bell rang again, followed by a breathtaking force!

Kai's whole body instantly glowed with golden light, and a light mask surrounded Kai. The sound wave was directly blocked and did not affect Kai.

Seeing this, Long Xiao hurriedly accelerated the shaking of the copper bell, which kept ringing, but Kai was not affected at all.

On the stand, many people couldn't stand this kind of sound, and they all fell into sluggishness!

Seeing that Kai was not affected, Long Xiao had no choice but to throw the copper bell in his hand towards the sky.

From the copper bell, a quaint and old atmosphere slowly permeated.

Feeling this breath, Kai's face became solemn. At this moment, Chen Sheng's feet fell, and his entire calf fell directly into the ground. This breath suppressed Kai like a mountain!

Kai did not dare to neglect, the power of the dragon was fully displayed, and the golden light shone on his body, resisting this quaint and old atmosphere!

"Let me see what skills you have now..."

Seeing Kai being restrained by the copper bell, Long Xiao couldn't help roaring, and a long sword was instantly transformed into his hand!

Long Xiao pointed the long sword towards the copper bell, and a blue light directly shone on the copper bell, and then the copper bell began to press towards Kai!

The killing power in the copper bell constantly suppressed Kai's body!

Even though Kai has brought his undamaged golden body to the extreme, there are still shocking wounds on his body!

"A divine tool is a divine tool, and it is truly extraordinary..."

Long Jingguo couldn't help but relax when he saw Long Xiao sacrifice the divine tool.

He knew that even if Kai had great ability, he would not be able to resist the attack of this artifact!

"Is this the dragon's artifact? It's really extraordinary..."

Zhu Zhishan looked at the terrifying copper bell in the air, his eyes full of envy and greed!

"I didn't expect that the Long family really has artifacts, but that Long Xiao said that there are many such artifacts in their Long family. I don't know if it's true."

Guo Wei said solemnly.

If this is the case, then the Long family is likely to replace them all, and the Long family will be the leader of the Kyoto martial arts world.

Chapter 1072

"Bragging..." Zhu Zhishan snorted disdainfully: "If the Long family had so many artifacts, then Long Jingguo would have been so arrogant, and would be so polite to you and me?"

"That's true!" Guo Wei nodded. .

With the temperament of Long Jingguo, if the Long family really had so many artifacts, Long Jingguo would have been pointing fingers at the Kyoto martial arts world long ago.

Rumbling....

The copper bell pressed towards Kai's body. The killing energy was like countless sharp knives, constantly shooting fire on Kai's body, and some left a deep wound!

Kai held the Dragon Slaying Sword in his hand, the spiritual power in his body exploded, and he slashed towards the copper bell with a fierce sword!

The domineering sword qi seems to have opened a gap in the entire space, but when this sword qi touches the copper bell, it directly vanishes!

This sword has not been able to stop the suppression of the copper bell at all!

"Kai, it's useless, this is an artifact of the Long family, you can't resist it."

Long Xiao looked at Kai with grim eyes!

Originally, he thought that he could easily win the battle with Kai, but he didn't want Kai's strength to exceed his imagination.

"Is this also worthy of being called an artifact?"

Kai gritted his teeth, the power of the dragon in his body exploded, and then a dragon roar resounded through the sky, and Kai slashed out again!

I saw a golden dragon emitting a breathtaking dragon roar, heading towards the copper bell.

Boom.....

The golden light radiated everywhere, the golden dragon disappeared, but the copper bell did not have any damage, not even a stagnation.

"Hahaha... I said, you don't have to waste your energy, you should just die obediently. If you kneel down and kowtow to me now, I might be able to spare you with kindness."

Long Xiao sneered, joking. He looked at Kai like he did.

Kai ignored him, and the power of the dragon in his body surged up again!

However, this time, the power of the dragon in the body was not controlled by Kai, but directly into the dragon crystal in Kai's body!

Soon, the golden light on Kai's body became half fiery red and half icy blue, and Kai's body slowly became transparent, so transparent that even the bones in the body could be seen clearly!

"What is that?"

Someone found that in Kai's body, a spherical object was emitting light. This spherical object was half fiery red and half ice blue, so Kai's entire body was mapped. Be like this!

"Long Jing, is that the Long Jing that Kai swallowed?"

"No, how could Long Jing be like this? How could it have two colors?"

"Look, that copper bell has been moved. "

Someone discovered that the copper bell, which was originally aimed at Kai's suppression, stopped moving at this moment under the illumination of this two-color light.

Long Xiao also seemed to have noticed something was wrong, with panic on his face, the long sword in his hand pointed at the copper bell, and a blue light shot out!

"Suppression..." The

copper bell made a rumbling sound and began to turn rapidly.

But no matter how the copper bell spun, he was not thinking that Kai was getting closer!

At this moment, Kai's body became transparent and illusory, as if he had suddenly become invisible, and then the two-color dragon crystal slowly flew out of Kai's body!

In an instant, the light emitted by the two-color dragon crystal was even compared to the sun.

Everyone only felt a vast, sea-sharp aura emanating from the dragon crystal!

A dragon roar sounded, and everyone covered their ears involuntarily!

Immediately after, a colorful light hit the rotating copper bell!

Whoops...

Just this moment, the copper bell is like a fragile glass, and it shatters when it is touched lightly.

There was silence all around.

Everyone looked at everything in front of them in disbelief.

Someone was constantly swallowing saliva and breathing heavily.

At this moment, all eyes fell on Kai.

"This treasure on Kai's body is much more than we know..."

Zhu Zhishan's eyes were fiery, looking at Kai as if he saw a beautiful woman.

On the surrounding stands, many people began to look at Kai with greedy eyes.

But at this moment, Kai ignored these greedy eyes, and looked at Long Xiao with cold eyes.

"This time, I see what cards you have..."

Kai said, the Dragon Slaying Sword in his hand burst out with killing intent, and then he cut out with one sword!

"This is the eldest young master of the Long family, but that's it..."

Come on, Kai slapped it, and Long Xiao's face was instantly swollen!

"Admit defeat, and then teach me how to bark..."

Kai said slowly after slapping Long Xiao.

Kai's words surprised everyone. They didn't expect that Kai would not give up after defeating Long Xiao, and there was such a humiliation.

Is this to forge a deadly revenge with the Long family?

"Kai, don't be complacent, I'm..."

Slap!

Before Long Xiao could finish speaking, Kai slapped it with a slap.

"Kai, I..."

Slap!

With another slap, Long Xiao's face was deformed.

"Stop, stop me..."

Long Jingguo stood up abruptly, the murderous aura rising from his body.

"Patriarch Long, this is Bi Lei, do you want to break the rules?"

Seeing this, Zao Wou-Ki directly asked Long Jingguo loudly.

Long Jingguo watched his son be beaten like a dead dog, and he didn't care about that.

But just when Long Jingguo wanted to move, suddenly the auras of two peaks of martial arts pressed towards him!

"Dong Jiahao, it's none of your business here, our two wells don't cause river water, you give I'll go away!"

Long Jingguo's eyes narrowed slightly, his body full of murderous aura.

"Damn, old man, you are old, I respectfully call you the head of the Long family, you dare to scold me, believe it or not, I will pacify your Dragon family?"

Dong Jiahao is not afraid of Long Jingguo, although he is not strong, but behind Dong's family, with his father's support!

"You're courting death..."

Long Jingguo was going to be pissed off. In front of so many people, Dong Jiahao, a young man, dared to scold him as an old man.

Seeing that Long Jingguo was about to make a move, Dong Jiahao brought the two peak Wuzong powerhouses and immediately protected Dong Jiahao behind him.

The atmosphere at the scene suddenly became tense, and the war was about to break out!

"All stop..."

Seeing this, Zhu Zhishan could only speak.

If the two sides really fight, the movement will be big, and the world will be turned upside down. As the leader of the Martial Arts Alliance, he can't explain it to Mr. Shi.

Chapter 1074 Next year's day is your death day

Kai on the other side has already beaten Long Xiao into a pig's head!

"Do you admit defeat? Do you admit defeat?"

Every time Kai asked, he slapped Long Xiao hard in the face!

At this time, Long Xiao was about to cry but had no tears, his face was swollen like a pig's head, his mouth was speechless, how could he admit defeat?

Long Xiao could only nod his head desperately, but Kai didn't seem to see it.

"Aren't you very arrogant? Isn't your Long family very arrogant?"

"Today I will kill your arrogance!"

"What kind of thing is your Long family, they are all robbers!"

Kai counted while playing Falling, this made Long Jingguo in the stands almost die of anger.

Seeing that Long Xiao was almost beaten, Kai's eyes flashed fiercely, and then golden light flashed on his palm!

"Today next year will be your death day..."

"Dare to ignore the rules of the alliance, damn..."

Guo Wei saw that Kai was really going to kill Long Xiao, so he used this as an excuse to get rid of Kai!

When the four law enforcement elders heard it, they immediately moved towards Kai!

Four invisible shackles came to suppress Kai. In an instant, Kai's limbs were bound, making Kai unable to move!

Kai's eyes were wide open, the golden light on his body began to flicker, and some of the dragon's power was restored. At this moment, Kai burst out!

"Ah..."

Kai roared, gritted his teeth, resisted desperately, trying to break free from the shackles!

But these four law enforcement elders are all at the peak of Wuzong. They only obey the leader of the alliance, and even Guo Wei has no right to order them!

Kai struggled frantically, and when the four law enforcement elders saw this, they glanced at each other, and a ray of light instantly came out of the hands of the four.

This light is like an electric current, flowing down the shackles to Kai's body!

Kai's body was shaking violently, and blood shot out from Kai's body!

Boom.....

Kai's body couldn't bear it and fell to the ground with a bang.

"Hmph, I'm not self-sufficient..."

Looking at Kai who fell to the ground, Zhu Zhishan snorted coldly!

Just when the four law enforcement elders wanted to step forward and take Kai away, they were surprised to find that Kai stood up slowly.

Between Kai's eyebrows, there was a bright red, burning like a flame!

The golden light enveloped Kai's body again, and pieces of scales were born, covering Kai's body!

Even Kai's eyes could see the beating flames.

"This Kai is also burning blood essence, he is struggling to the death!"

"Such a talent, but it is going to be destroyed here today, burning blood essence, this is tantamount to killing chickens and taking eggs!"

"It's useless, I still I've never heard of it, who can escape the purgatory shackles of the law enforcement elders..."

Everyone was discussing, and some felt sorry for Kai!

After all, it is not easy for a genius to appear in the martial arts world, and Kai is a genius, but Kai's temperament is destined for him to not go far!

"Don't struggle, if you continue to struggle, you will only die on the spot..."

Zhu Zhishan said coldly.

Kai gritted his teeth, his scarlet eyes looked at Zhu Zhishan, and the golden light from his body continued to skyrocket!

"Ah..."

Kai roared, and then a golden dragon rose into the sky in his body!

In an instant, Kai exudes an unprecedented aura that no one has ever felt before!

It was like emanating from the Nine Serenity Hell, with a strong smell of death in the breath!

Everyone was startled by this breath and trembled all over!

When the four law enforcement elders saw this, all of their blue veins burst out, and the steady stream of oppressive force was pressing towards Kai!

The blood in Kai's body was burning, and the golden light on his body soared, like the sun falling from the sky!

"Kill him..."

Seeing this, Zhu Zhishan ordered loudly, the muscles in the corners of his eyes twitched.

The four law enforcement elders nodded their heads, and all of them condensed their soul-stirring power in an instant. The four forces combined, and a destructive aura swept the entire venue!

rumbling...

The sky trembled, the sun and the moon did not shine...

No one could survive under the cooperation of the four law enforcement elders!

A force that ripped apart time and space slammed into Kai ruthlessly.

At this moment, Kai was still bound, and he could only watch helplessly as this force was about to penetrate his body, but there was nothing he could do!

He can't break free from this invisible shackle!

"The four law-enforcement elders of the dignified Martial Arts Alliance joined forces to deal with a young man, do you have any shame?"

With an angry shout!

A light flashed from the sky!

Everyone was startled and looked around in a hurry, and found that in the distance, four figures were getting closer and closer!

Even if they were far apart, everyone could feel the terrifying aura on the four of them.

The invisible shackles that controlled Kai also disappeared instantly, and the faces of the four law enforcement elders became extremely ugly!

"The four villains in the Valley of the Villains..."

I don't know who shouted, and the scene suddenly exclaimed!

Everyone put their hearts in their throats, these four evil people are moody, if one is unhappy, now these people may be unlucky.

Zhu Zhishan's complexion changed and changed, looking at the four villains from far and near, he hurriedly whispered a few words in Guo Wei's ear.

Guo Wei nodded, and one of them disappeared.

Kai slowly raised his head and looked at the four who saved him!

I saw the bodies of the four people floated down, and each of them looked very distinctive!

One of the bald, but gray-bearded old men looked at Kai, who was lying on the ground. With a slight wave of his body, a gentle force wrapped Kai, and then the injuries on Kai's body were visible to the naked eye. Speed recovery.

"Mr. Chen..."

At this time, Zhao Wuji, Zhao Liguo and the others rushed up and helped Kai up.

"Thank you to the four seniors for helping each other!"

Kai said with a slight bow towards the four.

"You don't need to thank us, we are also entrusted by others, but you dare to provoke the martial arts alliance in Kyoto at a young age, you are really a bit daring..."

The old man with the white beard said.

A man like none other and the man decree (chinese) Chapter 1079-1080

Chapter 1079

Seeing that these four people were entrusted, Kai fell into deep thought, who would entrust them to come over?

"Gatmaster Zhao, who are these four old men?"

Kai asked Zhao Wuji.

"Mr. Chen, these four people are the four villains in the Valley of the Wicked. The one who just talked to you is Ding Buer, the one with long hair next to him is Ding Buer, the fatter one is Ding Busan, and the thinnest is Ding Buer. No four..."

Zao Wou-Ki followed Kai's introduction in a low voice.

"The Four Great Evils, the Four Great Evils?"

Kai frowned slightly. He seemed to have heard of these people. Suddenly, Kai remembered that he had heard the names of the Four Great Evils from Long Wu's mouth.

Wu Meier was picked up by the four villains at the time, and later Ding Busan gave it to Long Wu to raise her!

In this way, it is very likely that these four evil people were entrusted by Long Wu, but Kai just didn't understand how Long Wu knew these people.

"Ding is not big, isn't it too much for you to meddle in the affairs of our Kyoto Martial Arts Alliance at will?"

Zhu Zhishan stepped onto the stage and asked with a cold expression.

"It's too much for you to be paralyzed...isn't it too much for you guys to bully a child? Don't fucking drag me, it's useless. Today we're here to take him there. If you don't agree, we'll make a gesture..."

Ding Without a big swearing, Zhu Zhishan's face was flushed!

Hearing Ding Dao's words, Kai suddenly wanted to laugh. He didn't expect these four villains to speak so frankly when they opened their mouths!

But Kai likes this kind of temperament!

It seems that these four people are called the four evil people, and it is not without reason.

"You...you..." Zhu Zhishan's face was flushed, and he pointed at Ding Dao: "Do you guys want to challenge the entire martial arts world?"

"I bah..." Ding didn't sigh, and then said coldly: "You are shameless, your Kyoto Martial Arts Alliance, you can't even represent the entire Kyoto martial arts family, you still want to represent the entire martial arts world, you don't either. Take a piss and take care of yourself."

"Brother, this guy probably can't even pee, you forgot that he practiced evil arts and ruined his ability to be a man."

Ding Buer said jokingly. .

"Second brother, are you talking about the Sunflower Collection? You see that Zhu Zhishan has a beard on his mouth, so you must not have practiced the Sunflower Collection."

Ding Busan looked at Zhu Zhishan, and suddenly smiled sullenly: "He The practice must be..."

"Shut up, shut up for me..."

Zhu Zhishan was anxious, no one knew about his practice of evil gong, and neither did the four evil men, but he knew that the other party was Nonsense, but this also deeply hurt Zhu Zhishan's nerves.

"Hahaha..." Kai couldn't help laughing when he heard a few people's words!

Seeing that Zhu Zhishan's face was extremely cold, he was clenching his teeth!

"Zhu Zhishan, you can't kill me today, but sooner or later I will kill you, and you guys..."

Kai looked at Zhu Zhishan coldly, and then turned his attention to the four elders of law enforcement .

The four law enforcement elders did not care about Kai's threat at all. Although Kai showed his strength, he was already very strong at this age, but the stronger his strength, the more difficult it would be to break through.

I am afraid that after ten or eight years, Kai may not necessarily be their four opponents, and whether Kai can live that long is unknown!

"I'm waiting for you, but I just don't know if your loved one can wait until the day you kill me..."

Zhu Zhishan's eyes narrowed slightly, and he faintly threatened.

"If you dare to hurt Yuqi, I will destroy your whole family..."

Kai burst out with bloodthirsty killing intent!

No one dared to stop the four evil men going out.

And Kai was supported by Zhao Chuang, and everyone walked out!

Zhu Zhishan watched Kai leave, and the killing intent in his eyes became stronger and stronger!

Everyone walked out of the venue, and many people who were not eligible to enter the venue were waiting outside, and the guy who placed a bet on Kai and Long Xiao, ran over happily at this time, and exchanged for these people who bet on Kai's victory!

This time, this guy made a lot of money, and many people overwhelmed Long Xiao, and now all the money has gone into his banker's pocket!

"Young man, you can do it yourself. We should go. Next time, even if we see that you are in danger, we will not care. This time it's just a favor..."

Ding didn't finish speaking and took the other three. ready to leave.

"Thank you to the four seniors, great kindness and great virtue, I will remember it!"

Kai said with a fist towards the four villains.

Just when Ding was not about to take the others away, he suddenly found the Tianlong ring on Kai's hand, who was clasping his fists!

Ding Dao's eyes showed a look of astonishment, but it was only fleeting!

"Come with me, I have something to ask you..."

Ding Dao waved at Kai!

Kai was very surprised, but he still followed Ding Dao to the side!

When Kai followed Ding Dao to the hidden place, Ding Dao suddenly turned around and knelt down towards Kai!

"Senior..."

Kai hurriedly stepped forward to help Ding Dao, he didn't understand what Ding was doing.

But no matter how hard Kai tried, Ding didn't move at all!

"My subordinate Ding is not big, I will meet the Tianlong Palace Master..."

Ding is not big and said respectfully.

When Kai heard this, his whole body banged, and his head went blank!

Heavenly Dragon Palace Lord?

Could it be that this Valley of the Wicked is also a hall of the Tianlong Temple?

This made Kai too surprised. You must know that the strength of this villain valley is very strong. I am afraid that these four villains have already reached the realm of Marquis. Otherwise, how can they not be afraid of the Kyoto Martial Arts Alliance.

But such a powerful person could actually be a member of the Tianlong Temple?

How terrifying is this Dragon Palace?

What are the strengths of the other halls?

It took a long time for Kai to wake up from the shock.

"Senior, you... How did you join the Tianlong Temple? Who was the previous temple owner?"

Kai asked eagerly.

Now that he knew that the Heavenly Dragon Ring was given to his mother by his father, and now that his mother gave it to him, the previous Hall Master of the Heavenly Dragon Palace must be his father.

But who knows, Ding Boss shook his head: "Palace Master, you can just call me Ding, I can't stand the word senior, I don't know who the previous Palace Master of Tianlong Temple is, we only Recognize the Heavenly Dragon Ring."

"As for how we joined the Heavenly Dragon Temple, it's a long story..."

Boss Ding followed Kai about what happened more than 20 years ago.

Back then, the Valley of the Wicked was besieged by many aristocratic families in the martial arts world, and everyone in the Valley of the Wicked was about to die.

Just then, a mysterious man saves them!

Repel the attacks of hundreds of martial arts masters with one's own strength.

It was at that time that the Valley of the Wicked became a hall of the Tianlong Temple, and Ding Dabu Dao had been waiting for the appearance of the Tianlong Ring!

"Is that mysterious person my father?"

Kai murmured to himself!

At this moment, Kai actually had some expectations in his heart. He really wanted to know the identity of his father, and also wanted to know where the other halls of the Tianlong Palace were and what kind of strength they would be.

Along the way, Kai found that at every stage, when he was in difficulty, he could encounter a hall of the Tianlong Temple!
