A man like none other and the man decree (chinese) Chapter 1081-1090

A man like none other and the man decree (chinese) Chapter 1081-1082

Chapter 1081

"Is this the road my father has paved for me?"

Kai fell into deep thought.

Just when Kai fell into deep thought, suddenly there was a commotion at the door of the venue, which woke Kai up!

I saw Guo Wei brought more than a dozen people from the Martial Arts Alliance, each of whom was above the eighth-rank Martial Sect. Watching this scene, Kai frowned slightly.

It seems that the foundation of this martial arts alliance is not generally deep, and it has so many martial arts masters!

Kai followed Ding Dao and walked over.

When Zhu Zhishan saw that Kai had not left, he raised his mouth and said, "Kai, are you reluctant to leave?"

Kai's face was cold, but he didn't speak.

"Do you still want to taste what it's like to be suppressed? If you want, the four of us don't mind letting you taste..."

Seeing that Kai didn't speak, one of the law enforcement elders said coldly.

But just after the law enforcement elder finished speaking, he saw Ding Dabu's figure flashed and disappeared instantly, and then appeared in front of the law enforcement elder!

Snapped!

Ding Dabu slapped it with a palm, and the law enforcement elder's head cracked instantly!

This sudden change directly splattered the blood of Zhu Zhishan.

This time, everyone was stunned. No one thought that Ding Dao would actually kill someone if he wanted to kill someone, and it was the law enforcement elder of the Martial Arts Alliance who was killed.

It was so sudden that Zhu Zhishan didn't have time to take action.

Even Kai was stunned for a moment, he didn't expect that Ding Buu had such a hot temper!

"Ding is not big, you...you..."

Zhu Zhishan's whole body was shaking, and the other people in the Martial Dao Alliance were all aura rising, and their eyes were full of killing intent.

"Who dares to be disrespectful to Mr. Chen again, see one kill another..."

Ding Dabu's face was full of murderous intent, and his voice was cold.

Zhu Zhishan frowned, wondering if Ding Bubu had taken the wrong medicine, why did he suddenly defend Kai like this?

"Ding is not big, you kill my alliance elders at will, you must give me an explanation for this..."

Although Zhu Zhishan didn't want to follow the villain's valley as an enemy, but now that things have reached this point, many people are watching, just casually After letting go of the four villains, how can he still have prestige as an alliance leader!

"Explain?" Ding Dao's eyes narrowed: "I'll explain to you, it's a big deal, we'll all die together."

"Second, send a message to Gu Nei and call everyone together, I'd like to see what the Kyoto Martial Arts Alliance can do with us. Do it!"

"Big brother..." Ding Buer shouted in embarrassment!

If you really want to fight with the Kyoto Martial Arts Alliance, the scene will definitely be a lose-lose situation, and blood will flow into rivers by then!

Ding Buer didn't understand why Ding Dao suddenly wanted to follow the Kyoto Martial Arts Alliance.

"I fucking let you post it, you post it..."

Ding Bubu's face was furious!

Ding Buer didn't dare to say anything, and hurriedly sent a message!

Seeing this, Zhu Zhishan's face became even uglier than eating shit!

He could never have imagined that for Kai's sake, this Boss Ding would die with his martial arts alliance.

Zhu Zhishan didn't want to really fight with the Valley of the Wicked, but this little Ding was just a hob meat, and it seemed that he didn't give himself any steps.

Just when Zhu Zhishan was frowning and devastated, how to deal with the matter, a person slowly came over.

"Mr. Shi..."

Someone shouted, and soon everyone parted ways!

Seeing Mr. Shi coming, even the faces of the four villains became respectful!

"Mr. Shi, this Kai blatantly violated Bi Lei's rules. He wanted to kill Long Xiao, and now he colluded with the people in the Valley of the Wicked to kill one of my elders. Now I'm about to arrest that Kai."

Seeing that Mr. Shi actually came, Zhu Zhishan hurriedly complained first.

Chapter 1082

"Zhu Zhishan, although I'm not here, don't take me as a blind man. I know exactly what happened here, as well as the activities of your Martial Arts Alliance. Do you need me to talk about it in depth?"

Shi ? The gentleman looked at the mountain of wishing lightly.

When Zhu Zhishan heard this, cold sweat instantly flowed down his forehead.

After talking about Zhuzhishan, Mr. Shi looked at the four villains: "You also go back to the Valley of the Villains. Some things are not controlled by the government, but too lazy to handle. Do you understand?" " Understood

, understand..."

Nodding, then glanced at Kai, after Kai nodded, Ding did not leave with a few people!

With Mr. Shi here, even if Zhu Zhishan wanted to kill Kai, he didn't dare to do it at this time, so he could only go back with the people from the Martial Arts Alliance.

This competition ended with Long Xiao's fiasco!

At the same time, whether it was the Long Family or the Kyoto Martial Arts Alliance, they all lost face.

Kai's reputation was short-lived, and many people began to look at Kai with admiration!

"You should pay attention to yourself in the future. The Watanabe family in the island country will not let you go easily, and in the martial arts world of Kyoto, I am afraid that many people will not be able to sleep with the strength you have shown today. Your

appearance, I am afraid that To break the pattern of the Kyoto martial arts world for so many years..."

Mr. Shi persuaded Kai.

"Thank you Mr. Shi for reminding..."

Kai quickly thanked.

Mr. Shi patted Kai on the shoulder and left without saying anything!

Kyoto Budo Alliance!

Zhu Zhishan sat on the chair with a gloomy face!

The anger on his body continued to rise. Today's incident made Zhu Zhishan almost die

of anger... Just when Zhu Zhishan was angry, a member of the alliance ran in and followed Zhu Zhishan to report: " Leader of the alliance, Masao Nagamura, the foreign ambassador to the island, asks to see you!"

"Envoy from outside the island?" Zhu Zhishan was stunned for a moment, his brows slightly wrinkled: "What do the envoys from outside the island see me for?"

Zhu Zhishan was very puzzled. Although he is the leader of the Martial Arts Alliance, the Martial Arts Alliance is a non-governmental organization after all. He has no official position as a leader!

What did the foreign envoy of this island country see him doing?

"Let him come in!" Although Zhu Zhishan was puzzled, he still let Nagamura Masao in.

Soon, Masao Nagamura, dressed in a suit and with a moustache, walked in.

"Leader Zhu, I take the liberty to disturb..."

Masao Nagamura immediately bowed his hands politely when he saw Zhu Zhishan.

Masao Nagamura knows the etiquette of Daxia very well, after all, he has stayed here for many years.

"Ambassador Nagamura, I don't know what kind of wind brought you to me? I'm just the leader of the Martial Arts Alliance, and I don't seem to have much interaction with Ambassador Nagamura, right?"

Zhu Zhishan asked with a slight smile.

"Leader Zhu, I heard that today your alliance held a competition, which made the leader angry, so I specially sent a bead of dust to the leader to reduce the fire!"

Masao Nagamura said . , took out a wooden box, and after opening it, a crystal clear bead was revealed.

I saw that the beads were still blood-red, and when the dust-prevention beads were taken out, the whole hall felt a sense of coolness!

Zhu Zhishan's eyes lit up when he looked at the dust-preserving pearl, but he didn't pick it up immediately, but pretended to be deep: "Ambassador Changcun, we have an old saying in Daxia, which is called no merit, no reward, you suddenly send it away. Is there something wrong with my precious gift? I think it's better for you to talk about it first."

"Haha, the leader of the alliance is really cautious. I came to see the leader of the alliance, and I do have something to ask for. I know that your martial arts alliance is also very cautious. I hate that Kai and want to kill him, but because of the pressure from above, you always have no chance to start!"

"You can leave the killing of Kai to our island country's killers, but what I wish the alliance to do is to find a way to allow our killers to enter the country smoothly. After killing Kai, I promise our people Leave now!"

Nagamura Masao said with a laugh.

A man like none other and the man decree (chinese) Chapter 1083-1084

Chapter 1083

Zhu Zhishan was stunned for a moment, pondered for a while, and said: "It's not difficult to let your people enter, but if this matter spreads, I, the leader of the alliance, are afraid that it will not be guaranteed!"

"I hope the leader of the alliance will rest assured that the news will never leak. Yes, you let our people enter, and our people help you kill Kai, get rid of a hidden danger, mutual benefit, why not do it?"

Nagamura Masao persuaded Zhu Zhishan.

Zhu Zhishan looked at the Bichen Pearl in Nagamura Masao's hand, and finally gritted his teeth: "Okay, I promise you, but after your people kill Kai, they will leave immediately..."

"No problem!" Nagamura Masao put the dust beads on the table, and then got up and said goodbye!

After Nagamura Masao walked back, Zhu Zhishan put away the dust beads and shouted to the door: "Come on, go and invite Director Guo!"

Soon, Guo Wei was invited, but Guo Wei's face was very ugly.

Today, he is a shame, being watched by so many people, and being forced to burn blood by Kai.

Now his majesty in the Martial Arts Alliance is likely to decline a lot.

If he can't kill Chen Pingliwei, then he will not be able to hold the position of director for a long time.

"Guo Wei, do you think you are Kai's opponent?"

Zhu Zhishan asked Guo Wei directly.

Guo Wei clenched his fists tightly and said with cold eyes: "Alliance leader, although Kai is powerful, it is not difficult for me to kill him. Give me five days and I will bring Kai's head."

"Killing Kai is easy, But I hope that this matter is done neatly and neatly, so that no one will find out about the head of my Martial Arts Alliance. Didn't you see that Mr. Shi has been protecting him?"

"There are many people who want to kill Kai, why should we do it ourselves ? , you make a trip in person and use the relationship to let the killer of the Watanabe family into the country, and then the people of the Watanabe family will kill Kai, and it has nothing to do with our martial arts alliance."

Zhu Zhishan narrowed his eyes slightly, his eyes It's full of coldness!

Guo Wei was stunned for a moment, then cautiously said: "Leader, this... If Mr. Shi finds out about this, I'm afraid there will be a big problem. Putting foreign killers in privately is tantamount to treason?"

" Those people are just entering to kill Kai, and they will naturally leave after killing Kai."

Zhu Zhishan glared at Guo Wei fiercely and said.

Seeing this, Guo Wei could only nod his head: "Okay, I'll make a trip now..." On the

other side, after Kai defeated Long Xiao, he didn't stay too long, but followed Yu Dong directly back to the medicine Kamiya!

Kai is still worried about Gu Linger's safety!

He is going to see if Xu Changsheng and the others have found a drug to detoxify Gu Linger's body!

When Kai rushed back to Yaoshen Valley, Gu Linger was still in a coma!

Xu Changsheng and the other elders were helpless!

Kai looked at Gu Linger who was in a coma and knew that he had to take Gu Linger to the northwest in person.

Only by finding the Northwest King Valley Kaiyuan, can the poison on Gu Linger be solved!

"Kai, how was the battle with Long Xiao? Did the four villains show up?"

Long Wu asked Kai.

"Long Xiao is defeated. If it wasn't for the four villains to come forward, then the Martial Arts Alliance would not have let me go..."

Kai said with some lingering fears.

At that time, Kai was indeed insane, and he didn't think about the consequences at all!

If the four villains hadn't appeared, Kai would have been a corpse by now.

"I guessed that the Martial Arts Alliance wouldn't let you win easily, so I passed on a book to the wicked Gu Feige and invited them to the four wicked men. The Martial Arts Alliance is all sanctimonious guys, and no one is trustworthy!"

Speaking of Martial Arts Alliance, Long Wu's face is full of anger!

"By the way, Uncle Long, how did you get to know the four villains in the Valley of the Villains? Can you still invite them to come forward?"

Kai was very curious, what kind of friendship did Long Wu have with these four villains.

Chapter 1084

Hearing Kai's question, Long Wu smiled helplessly, and then said, "Speaking of which, we have to start from more than 20 years ago, when there were not only the four villains, but the five villains in the Valley of the Villains. , I'm the fifth..."

"But when I was chased by the enemy, it was your mother who saved me, and since then I have left the Valley of the Wicked, and by your mother's side, I have become her bodyguard and become a dragon. The family members have changed their name to Long Wu from now on."

"After more than 20 years, the strength of the Valley of the Villains has long since changed, but the four villains still give me face, if there is anything, I only need If you speak, they will all help..."

Hearing Long Wu's words, Kai realized that Long Wu was a member of the Valley of the Wicked before!

Kai did not follow Long Wu to talk about the Tianlong Temple, because Tianlong Temple was Kai's last trump card, and the fewer people who knew it, the better.

After saying goodbye to Long Wu, Kai rushed to the airport with Gu Linger!

There is still a long way to the northwest from Kyoto. It is at the most border of the entire Daxia, and it is the most barren place in Daxia. However, because there are more virgin forests here and the environment is good, many warriors like to practice here!

Kai took Gu Linger and flew for more than five hours by plane before landing in Xichuan City, the northwestern province!

After getting off the plane, Kai realized what is real barrenness!

A provincial capital, looking at the prosperous level, can't even compare to the small city of Hongcheng.

"Dude, do you want to take a taxi?"

When Kai got off the plane, a taxi driver immediately stepped forward and asked.

Kai nodded and took Gu Linger into the taxi!

"Dude, where are you going?"

the taxi driver asked after getting in the car.

"Take us to find a bigger hotel to rest first..."

Kai asked the taxi driver to find a hotel to rest first.

Now Kai doesn't know where the northwest king Gu Kaiyuan lives, so he has to beat him to Gu Kaiyuan's residence first.

"Dude, your accent is from out of town, right? Why did you come to us? Young people from our side have all gone to work in other provinces, and no one wants to stay in this place where birds don't shit..." The

taxi driver was very If you like to chat, chat with Kai!

"Find a friend..."

Kai closed his eyes slightly and replied casually.

"Looking like you're quite rich, I'll take you to the only five-star hotel here. Our entire provincial capital is also a five-star hotel. I heard that it's very luxurious inside."

"I have no chance in my life. Staying here, I heard that building this hotel cost more than one billion yuan, which is very expensive..." The

taxi driver said chatteringly.

"Whatever!" Kai replied casually.

Kai doesn't have any special needs in what hotel to stay in. It makes no difference to Kai where he lives.

"In the entire northwest, only the Wanggu family in the northwest has built a five-star hotel, but I heard that the Gu family has been walking around with the giants in Kyoto recently, and I heard that they want to move their family to Kyoto. If that happens, our Xichuan City will be even more desolate. ." The

taxi driver sighed. But at this moment,

Kai suddenly opened his eyes and asked with a bit of excitement on his face: "Master, do you still know Kaiyuan of the Northwest King Valley?"

Northwest, the Gu family is the second child, who dares to say that he is the boss, then the Northwest King Gu Kaiyuan, I heard that in the entire Northwest, there is no opponent, and the whole Northwest is afraid of him..."

"No one in the Northwest can beat him. Him?"

Kai's mouth slightly raised, obviously he didn't believe it, Gu Kaiyuan's strength is at most eighth-rank Martial Sect, how is it possible that no one in the entire northwest has beaten him.

It's just that many powerful warriors don't care about this kind of competition for fame and fortune, and they only focus on cultivation.

Otherwise, if Gu Kaiyuan can secure the No. 1 position in the northwest, the martial arts world in the entire northwest will be too weak.

"Don't believe it, I heard that the Northwest King's supernatural powers flew into the sky, like a god. Anyway, I have never seen it before..." The

driver said mysteriously.

Kai just smiled. For ordinary people, Wuzong with eighth-rank strength can indeed be called an immortal.

"Master, do you know where Gu Kaiyuan lives?"

Kai asked.

"In the west of the city, there is a manor of more than a thousand acres, which is where his family lives, but if you don't have an invitation, don't go there in the end. If you can't get in, you might be beaten up and want to see the king of the northwest. All have to make an appointment in advance." The

driver's master reminded Kai.

"Master, thank you, I just asked casually, I don't know him, what to do there..."

Kai smiled slightly.

Just as the driver was rushing towards the hotel with Kai and the others, on a relatively remote road, a black car suddenly came out from behind!

It smashed directly with the taxi, which shocked the taxi driver, and hurriedly got out of the car to check!

When he saw that the other party was driving a BMW, the driver's face changed color.

"You two, I'm sorry, you suddenly rushed out, I didn't have time to brake..." The driver hurriedly apologized to the two of them.

It's just that one of them pushes the taxi driver reluctantly, while the two of them silently look at Kai in the taxi!

Although Kai was sitting in the car, he had already discovered the guy who was secretly looking at him, and the two of them had a faint smell of martial artists.

These two people have been deliberately hiding their breath, but Kai can still detect it.

"You two, I'm in a hurry now, didn't I just rub the car, I'll pay you how much money I need..."

Kai opened the car door and walked out.

One of them looked at Kai up and down, and Kai deliberately showed his breath a little bit.

Obviously, the expressions of the two people changed slightly, but they recovered quickly.

"I'll repair this car, at least three thousand..."

one of them said.

Kai didn't say anything, just took out three thousand from his pocket and handed it over.

"Master driver, let's go, I'm in a hurry to rest..."

Kai said to the taxi driver.

The taxi driver didn't dare to move, until the other party waved his hand impatiently: "Let's go, let's go..." The

taxi driver hurriedly got in the car and drove away.

"Dude, thank you so much. If it wasn't for you, I would be out of luck. You don't know that these two guys are from the Gu family." The

taxi driver said.

"People from the Gu family? How did you know?"

Kai was slightly taken aback, wondering how the taxi driver knew.

After all, the taxi driver is an ordinary person, and it is impossible to feel the martial artist breath on the two.

"I saw it at a glance. Although they deliberately covered up the tattoos on their arms, I saw it as soon as I got out of the car. The Gu family can't afford it..." The

taxi driver was frightened for a while.

Kai didn't say anything, but he was a little puzzled, what did the two people from the Gu family follow him?

Obviously, the other party deliberately rubbed the car up, and then observed the situation inside the car.

Could it be that Gu Kaiyuan knew that he was here?

But whether Gu Kaiyuan knew it or not, Kai was not afraid. What he was afraid of was that Gu Kaiyuan knew that he was here and was running away secretly.

Chapter 1086 Why Follow Me

After arriving at the hotel, the driver did not ask for Kai's money, he thanked Kai and left!

However, Kai discovered that even a person driving a black BMW had followed him, so he parked the car not far away.

Kai didn't make a statement, but entered the hotel, settled Gu Linger well, and walked out of the hotel directly.

The two were still watching not far from the door of the hotel, and when they saw Kai coming out, they all turned around pretending to be.

Kai pretended not to see the two of them, but walked to the side street at will.

Seeing Kai leave, the two immediately followed.

But after following a distance, the two suddenly found that Kai had disappeared.

"It's broken, the person is gone..."

"What should I do? Should I go back and report to the Patriarch first?" The

two discussed in a low voice.

"Why are you two following me?"

At this moment, Kai came out from behind the two.

The two of them were startled and hurried back to see Chen Pingzheng looking at them with a playful expression.

"You...what are you talking about? We are just wandering around, who is following you..."

After one of them finished speaking, he wanted to tell the other to leave!

But Kai dodged and stood in front of the two.

"Don't pretend, you have followed me all the way. Did Gu Kaiyuan send you here?"

Kai asked sharply.

"We don't understand what you're talking about, you'd better get out of the way, don't mess with us..."

One of them threatened Kai.

"It seems that if you don't suffer a little, you won't say it!"

Kai raised the corner of his mouth, and then slapped it.

The two clearly saw Kai slap him, but found that they couldn't dodge at all.

The guy who threatened Kai just now was directly slapped.

The two of them were instantly shocked. They were both great masters. When the others slapped them, they couldn't escape?

"Boy, are you courting death?"

The moment he was beaten, he became angry, and then the breath on his body was fully released, and terrifying coercion came towards Kai.

The other person no longer pretended to be, and directly dissipated the breath from his body.

"Hmph, even a mere grandmaster dares to be presumptuous..."

Kai snorted coldly, followed by a flash of coldness in his eyes!

Kai didn't move at all, and a majestic aura on his body directly pushed the two people to the ground!

This time, the two of them showed panic in their eyes, and they were completely scared.

In front of Kai, they found that they had no power to fight back at all.

"The hero spares his life, the hero spares his life, we are also instructed by others..." The two desperately followed Kai to beg for mercy.

"Say, did Gu Kaiyuan let you follow me, do you know my identity?"

Kai asked coldly.

One of them shook his head again and again: "No... I don't know, the owner told us to yell at the airport and keep staring at the plane coming from Kyoto. As long as there are warriors above the Grandmaster on the plane, let us determine the other party's foothold. Report to him..."

"Then you also reported my destination?" Kai frowned.

If Gu Kaiyuan knew this, it would be troublesome if he was sneaking away. The world is big, where would he go to find this guy.

"No, no, we haven't had time to report yet, because the two of us are always uncertain about your strength..." The

other party shook his head and said.

Only then did Kai understand that these two people had been following him and bumped cars on purpose. They wanted to inquire about their own strength.

Kai hid part of his breath, so these two people were not sure about Kai's exact strength and dared not report it easily.

"Okay, you two get out of here..."

After Kai finished speaking, the breath on his body instantly disappeared, and then he walked to the side.

After Kai left, the two dared to stand up. Seeing that Kai had long since disappeared, they took out their mobile phones and wanted to report!

But before the call was made, the two suddenly froze, and then Qiqiao began to bleed, and finally they all fell to the ground.

Kai's breath just now has damaged the internal organs of the two people, and Kai will not let the two of them spread the news back.

Seeing that the sky was getting dark, Kai decided to go directly to Gu Kaiyuan, so as not to have too many dreams at night.

When he arrived at the place, Kai was stunned by the sight in front of him!

Although Xichuan City is barren, the manor in front of you is a bit too luxurious!

The manor covers an area of hundreds of acres, and there are many villas.

And at the door, there is a stone lion that is as tall as one person, and there is a team of people patrolling back and forth, and the defense is very tight.

At this moment, in the Gu Family Manor, an extremely luxurious villa hall, Gu Kaiyuan's face is ugly, he is walking back and forth, restless!

I don't know why, after returning from Suolong Island, Gu Kaiyuan has been frightened, afraid that Kai will find trouble for himself.

These two days, my eyelids are jumping, and I can't sleep well!

"Patriarch, you better rest early. We have sent people to the airport, train station, and every intersection. If Kai comes, we will know for sure. There are not many people in Xichuan, and strangers can easily be found when they come. , especially that Kai is still a Martial Sect, and the breath on his body is easy to detect."

The old housekeeper of the Gu family persuaded Gu Kaiyuan.

But Gu Kaiyuan frowned and did not go to rest, but said with a heavy face: "Uncle Zhong, I am still not at ease, have the guards outside been arranged?"

"Patriarch, don't worry, everything is arranged, all patrols The people here are all of Wuzong's strength, so even if Kai comes, there are so many of us, we don't need to be afraid of him, after all, this is the home of the master..."

Uncle Zhong comforted Gu Kaiyuan!

After Gu Kaiyuan heard this, his heart relaxed a little, and yawned: "Uncle Zhong, then I'll go to rest, call me immediately if something happens..."

"En!" Uncle Zhong nodded.

Gu Kaiyuan went back to his room to sleep, but at the door of Gu's Manor, Kai walked towards the door calmly.

"Who?"

The two bodyguards at the door immediately became alert when they saw this.

In the middle of the night, someone suddenly walked towards the door, and the two bodyguards were immediately ready to fight.

Looking at the two bodyguards at the door, Kai said lightly: "I'm here to find Gu Kaiyuan."
The

two bodyguards glanced at each other, and one of them asked: "What are you doing with our head at night? Our head is now If you don't see anyone, you should go."

"Of course it will be night to kill, I'm here to kill him..." The corner of

The expressions of the two bodyguards suddenly changed, and they pulled out their weapons.

Looking at the knives in the hands of the two bodyguards, Kai sneered, and then walked directly towards the manor, completely ignoring the two bodyguards at the door.

When the two bodyguards saw this, they were furious and slashed at Kai with knives.

Dangdang.....

With two crisp sounds, Kai's body was unharmed, but the knives in the hands of the two bodyguards were all broken in two at this moment!

Seeing this situation, the two bodyguards were immediately dumbfounded!

"I killed Gu Kaiyuan, if you don't want to die, just get out of here..."

Kai still thought about walking inside the manor.

Seeing this, the two bodyguards threw away the knives in their hands, and then disappeared into the vast darkness!

They also came to the Gu family as bodyguards for the sake of money. Now that Kai is so powerful, how dare they stay and seek death!

Kai swaggered into the manor, and the bodyguards who were patrolling the manor rushed over and surrounded Kai!

Chapter 1088

With such a big movement, the housekeeper Zhongbo also came out of the room.

More than a dozen people surrounded Kai, and everyone was Wu Zong, with a tyrannical aura!

Uncle Zhong glanced at Kai, frowned slightly and said, "Who are you? Why did you break into my manor in the middle of the night?"

"Damn, why are you saying the same thing?" Kai scolded angrily: "Let Gu Kaiyuan get out. , just say that I, Kai, came to him to settle the account." When he

heard the words of Kai, Uncle Zhong's expression suddenly changed.

He didn't expect that Kai, who Gu Kaiyuan had been terrified of, had already arrived.

"Our master is not in the manor, you are not here at the right time..."

Uncle Zhong said to Kai.

"It's not up to you to decide whether you are there or not. I have to look for it myself..."

After Kai finished speaking, he went into the villa to find it!

"Stop him..." Uncle Zhong frowned.

A dozen bodyguards surrounded Kai, and they shot out in an instant.

These are all Wu Zong invited at a high price, a dozen people, even if Kai is powerful, a dozen people can always deal with him, right?

But soon, Uncle Zhong was dumbfounded.

Because he saw that more than a dozen Wuzong masters who paid a high price to invite, in front of Kai, are not even as good as ants.

As soon as Kai waved his hands, several people fell to the ground instantly!

More than a dozen martial arts masters failed to make three moves in Kai's hands, and they all fell to the ground and couldn't get up.

Uncle Zhong turned around and wanted to run, but was picked up by Kai.

"Where's Gu Kaiyuan?"

Kai asked the housekeeper Zhongbo.

"Patriarch...Patriarch...he's inside..."

Butler Zhongbo pointed to the villa in front of him and said.

Kai glanced at the villa, and threw the housekeeper Zhongbo aside, and then a divine dragon power surrounded the palm of his right hand, and Kai's palm began to flash with golden light!

"Get out..."

Taking a deep breath, Kai roared angrily, and then swiped his palm towards the villa.

Rumbling....

A tornado-like force erupted from this palm, knocking down half of the villa in front of me.

Gu Kaiyuan, who was sleeping in the room originally, woke up with the rumbling sound of collapse.

As the strength of the eighth-rank Martial Sect, Gu Kaiyuan certainly couldn't be easily smashed to death, but when he came out of the room, he was also very embarrassed.

"Are you finally willing to come out?"

Kai said coldly, looking at Gu Kaiyuan, who was full of embarrassment.

Gu Kaiyuan glanced at the bodyguards lying on the ground, and couldn't help swallowing: "It turned out to be Mr. Chen, you don't have to tell me when you come to Xichuan, so I can take care of Mr. Chen..."

"Gu Kaiyuan, no need You know what I'm here for."

Kai didn't expect Gu Kaiyuan to be so thick-skinned that he even followed himself!

"Mr. Chen, I really don't know. You hurt my people and demolished my house, so I don't understand now!"

Gu Kaiyuan said with a look of grievance.

"f*ck, are you pretending to be with me?"

Kai was furious, and he stepped forward and punched Gu Kaiyuan.

This punch hit Gu Kaiyuan directly, and Gu Kaiyuan stepped back several steps!

If it wasn't for Gu Kaiyuan to detoxify Gu Linger, Kai would have killed Gu Kaiyuan long ago.

"Mr. Chen, I really didn't pretend. I know that when I was in Suolong Island, it was a misunderstanding, and Ning Zhi asked me to do it. I have no grievances with Mr. Chen, right?"

Although Gu Kaiyuan was punched, he still held back laughter.

Kai looked at Gu Kaiyuan like this, but he admired this guy a little. As the king of the Northwest, he could swallow his anger.

"No injustice and no enmity? My girlfriend is still in a coma. When you poisoned us, why didn't you say there was no injustice and no enmity?"

Kai asked Gu Kaiyuan with cold eyes.

Gu Kaiyuan quickly explained road.

After Kai heard it, he finally understood why he couldn't find any poison in Gu Linger. Even Xu Changsheng and the others were helpless.

It turned out that it was not poisoned at all, but was in a coma after being hit by a spell!

"Then hurry up and break the spell now!"

Kai urged.

"Mr. Chen, where is your girlfriend? I need to see your girlfriend before I can unlock the spell."

Gu Kaiyuan asked.

"It's in the five-star hotel of your Gu family. You can go with me. If Linger still doesn't wake up after unlocking the spell, I will make your Gu family disappear in the entire northwest."

Kai looked at him coldly. Gu Kaiyuan said.

"Don't worry, Mr. Chen, I'll go and make sure your girlfriend wakes up..."

Gu Kaiyuan quickly assured.

Gu Kaiyuan followed Kai towards the hotel. Before leaving, Gu Kaiyuan gave the housekeeper Zhongbo a wink.

When Kai brought Gu Kaiyuan to the hotel, Gu Kaiyuan did not follow Kai to help Gu Linger unravel the spell, but sat in the hotel lobby and sipped tea, the humble expression on Gu Kaiyuan's face. Bow disappeared, replaced by a bit of pride!

Gu Kaiyuan said with pride on his face: "It's not interesting, I want to help your girlfriend unravel the spell, you can hand over that little treasure on your body. Come out, and the Long Jing in your body, leave it to me, I'm considering whether to help you or not."

Kai was stunned, then his eyes narrowed, and murderous aura rose up from his body: "Gu Kaiyuan, you are courting death..."

Kai said, striding towards Gu Kaiyuan.

"Am I courting death, let's watch a video first..."

After Gu Kaiyuan finished speaking, he picked up a remote control and turned on the screen in the lobby!

Gu Linger's figure instantly appeared on the screen. Gu Linger was controlled by two people, but at this moment Gu Linger was already awake and was not in a coma.

Gu Linger's eyes were filled with a bit of horror, and she kept asking who the two people were controlling her!

Kai looked at the scene on the screen, the killing intent on his body instantly rose to the apex, and his eyes were red as he looked at Gu Kaiyuan!

"You don't have to look at me like this. If you don't want your girlfriend to die, then just grab it!"

Gu Kaiyuan didn't care about Kai's anger.

The anger on Kai gradually disappeared, and finally calmed down.

"I can give you anything you want, but I have to meet my girlfriend before I can give it to you..."

Kai said lightly.

"No problem, come with me..."

Gu Kaiyuan turned off the video and returned to the manor with Kai!

After entering the manor, he kept taking Kai to the back of the manor. There were thousands of acres of manor, and there was no end in sight.

The two walked all the way to a very old villa, and then stopped!

This villa is ten stories high, and looking at the shape and walls, it is probably decades old.

Kai didn't understand why Gu Kaiyuan left such an old building in his manor.

Gu Kaiyuan stood at the door, chanting words in his mouth, and the heavy iron door at the door suddenly opened slowly.

When Kai followed Gu Kaiyuan in, he discovered that there was something special in this old villa!

I saw gold-plated ornaments everywhere, and many gilt Buddha statues.

At first glance, it is extremely luxurious.

After the two walked in, the heavy iron gate behind closed, a mysterious and quaint aura directly penetrated Kai's body and sealed Kai's dantian!

Chapter 1090

Kai frowned, and hurriedly mobilized his spiritual power, but found that his dantian was motionless, and he couldn't mobilize a little spiritual power!

This time, Kai was a little panicked!

If he can't mobilize his spiritual power, it means that Kai will undoubtedly follow ordinary people.

"Hahaha, don't bother, this is my Gu family's Demon Suppression Tower. Everyone who enters here will be suppressed, except our Gu family..."

Gu Kaiyuan looked at Kai's panicked look, Haha laughed.

"Where is my girlfriend?"

Kai looked at Gu Kaiyuan coldly.

"Don't worry, just walk for me..."

Gu Kaiyuan led the way in front, and the two stepped on the gilded stairs and walked up step by step.

Along the way, Kai desperately launched the Concentration Technique, trying to break the shackles of the spiritual power in his dantian, but it was useless!

Just when Kai was about to give up, the dragon crystal in his dantian suddenly flickered, and then the power of the dragon in Kai's body broke through the shackles.

After the bondage was broken, the spiritual power in Kai's dantian began to tumble frantically, and Kai's strength recovered at once, but Gu Kaiyuan, who was excited at this time, didn't know it yet.

It was until the third floor that Kai saw Gu Linger being brought in in an empty hall.

When Gu Linger saw Kai coming, she immediately seemed a little excited: "Kai, where is this? Where are we?"

Gu Linger's thinking still stayed on Suolong Island, where she was in a coma.

Kai brought Gu Linger to the northwest, but Gu Linger didn't know it at all.

"Linger, we are in the northwest now, you don't have to be afraid, it's fine..."

Kai hurriedly wanted to appease Gu Linger, but was stopped by Gu Kaiyuan.

"What? My skills are limited now, and I'm just an ordinary person. Are you still afraid of me when I become an ordinary person?"

Kai said indifferently when he saw Gu Kaiyuan blocking himself.

"Fart, who the f*ck is afraid of you, in this magic tower, you Kai can never be my opponent..."

Gu Kaiyuan let go of Kai, let Kai run over, and hugged him tightly. Linger.

"Kai, what's going on here? How did we come here? I can't feel any spiritual energy in me..."

Holding Kai, Gu Linger asked in a panic.

"Ling'er, I'll explain to you when I have time. I'll kill the guys in front of me first!"

Kai comforted Gu Linger.

"Kai, now you have seen your girlfriend, and she has woken up, now it's time to hand it over to me!"

Gu Kaiyuan said proudly.

"Leave it to you?" Kai sneered: "You are also worthy. Since my girlfriend is awake, it is useless to keep you, you should be damned..."

Seeing Kai talking to himself like this, Gu Kaiyuan was stunned. Then he said angrily: "Good boy, since you are looking for death, then I will kill you and take the dragon crystal directly from your body..."

"You two, kill him..."

Gu Kaiyuan ordered to the two men. .

Kai is now an ordinary person, so there is no need for Gu Kaiyuan to deal with him.

"Yes!" After the

two finished speaking, they quickly rushed towards Kai.

"Ling'er, dodge!" Kai told Gu Ling'er to dodge, then looked at the two rushing over, and said with a raised corner of his mouth: "Just take you two to open the meat..."

Both of them are fifth-grade martial arts sects , In the martial arts world, it can be regarded as a master.

But the two of them just rushed in front of Kai, when they saw a sudden burst of awe-inspiring aura from Kai, and they stunned them all at once.
