A man like none other and the man decree (chinese) Chapter 1111-1112

Chapter 1111

Kawashima Hiroshi grabbed Xu Changsheng by the neck one by one, and then lifted Xu Changsheng up.

The dignified Yaoshengu elder did not even have the slightest resistance at this moment.

Xu Changsheng's face was flushed, and he felt a sense of suffocation. "Let go of Elder Xu..." Seeing this, another elder shouted angrily and

walked towards Nakawashima Hiroichi. "Hmph, just like you, how dare you yell at our elder brother?" Kawashima Hiroji snorted coldly, and slapped the elder with one hand, killing the elder directly. The blood splashed, and this time, the faces of the people in Yaoshengu changed greatly! You must know that these elders were all Wu Zongs, and they were shot to death by a palm, which shows the strength of these island warriors. "Damn..." Seeing this, Gu Ling'er took out a dagger with a cold glow, and stabbed it fiercely at Kawashima Hiroji. Kawashima Hiroji's face was full of disdain, and he didn't even look at Gu Linger! "Second brother, I will deal with this flower girl..." Kawashima Hiroshi jumped up, and then slashed at Gu Linger's wrist! Gu Linger only felt a numbness in her wrist, and the dagger in her hand fell to the ground. But then Gu Linger's spiritual power turned, and he patted Nakawajima Hirozo on the shoulder! Kawashima Hiroshi didn't dodge or shoot, so he was slapped on the shoulder by Gu Linger! When this palm was slapped, Gu Linger only felt like she was slapped on a copper wall and an iron wall, and the shock caused a faint pain in her arm. "Such a beautiful flower girl, it's not good to use a knife and a gun..." Kawashima Hirozo reached out and grabbed Gu Linger. Gu Linger was shocked, and she quickly retreated, avoiding Kawashima Hirozo. "The third one, it's important to do business. When you kill that Kai, you're playing with your woman..."

After Kawashima Hiroshi finished speaking, he looked coldly at Xu Changsheng in his hand: "Now you only need to hand over that Kai, and I can promise not to embarrass you again, otherwise, none of the people here will want to live..."

Xu Changsheng shook his head: "Our Valley Master is not here, he is not..."

Kawashima Hiroichi frowned: "Are you really not afraid of death?"

Xu Changsheng did not speak, but in his firm eyes, he could see that he Really not afraid of death!

"Humph!" Kawashima Hiroichi snorted coldly, knocked Xu Changsheng out with one palm, and then grabbed an ordinary disciple of Medicine God Valley: "I don't believe it, the people here are not afraid of death..."

"I ask you , where is that Kai?"

Kawashima Hiro asked the ordinary disciple of the Medicine God Valley.

"I...I don't know..."

The ordinary disciple of Yaoshengu was so frightened that he was trembling all over.

However, he was afraid and did not reveal Kai's position.

"Damn it, it seems that you don't want to live anymore..."

Kawashima Hiroichi said, and he crushed the head of the ordinary disciple of Yaoshengu.

When Kawashima Koichi's gaze swept across the others, everyone backed away in fright.

There is no way, in the face of absolute strength, they are lambs that have been slaughtered, and there is no room for resistance.

"I ask you, where is Kai now? Some of you say, I can let him enjoy endless glory and wealth..."

Kawashima Hiro asked the many disciples of Yaoshengu.

Unfortunately, no one spoke, and no one stood up!

This Kawashima Hiroichi almost died of anger, so he waved his hand, and a terrifying breath swept away.

Rumbling...

With just this big wave, more than a dozen ordinary disciples of Medicine God Valley all fell into a pool of blood!

"Remember, if you don't say anything, you will all die..."

Kawashima Hiroichi roared with murderous expression.

Xu Changsheng looked at the corpses of the disciples of the Medicine God Valley all over the ground, and his face became extremely complicated. He believed that Kawashima Koichi, if Kai was not handed over, these island warriors would definitely wash the Medicine God Valley blood.

Chapter 1112

"Brother, these guys are hard-mouthed, I have a way..."

Come on, Kawashima Hiroji jumped into the depths of Yaoshen Valley!

Immediately afterwards, there were bursts of screams and crying, and soon Kawashima Hiroji came back with two children in his hands.

The two children were crying loudly in the second-hand doll of Hiroshi Kawashima.

At this moment, a middle-aged woman ran over with her hair disheveled. She didn't care whether Kawashima Koji was a martial artist or not, this middle-aged woman was just an Ordinary person, she can't watch her child be taken away!

The middle-aged woman ran to Kawashima Koji and wanted to take the child away!

But where did she have Kawashima Koji's strength, and finally the middle-aged woman bit Kawashima Koji's arm fiercely.

As the saying goes, women are inherently weak, but mothers are strong!

Some people want to rob their children, and of course middle-aged women refuse, so the most crazy power erupts!

This bite, instantly bit Kawashima Koji's arm with a bloodstain!

Seeing this, Kawashima Koji was furious and kicked out, directly kicking the middle-aged woman away.

Seeing this, Gu Linger and Xiaolan hurriedly stepped forward to catch the middle-aged woman, but unfortunately the middle-aged woman was just an ordinary person, so how could she withstand the kick of Kawashima Koji.

I saw the middle-aged woman bleeding from her nose and mouth, her eyes wide open, and she had long since lost her breath.

Seeing this, Xu Changsheng instantly burst into flames of anger: "Let these two children go, they are just ordinary people, not people in the martial arts. It's too despicable for you to do this."

There are many ordinary people living in Yaoshen Valley. Just now, Kawashima Hiroji broke into the places where ordinary people live, and then arrested two children!

"Mom... Mom..." The

two children were crying loudly, constantly calling out to Mom!

It's a pity that they don't know it yet, and their mother will never come back to them at this moment.

Kawashima Koji's actions completely aroused the anger of all the disciples of Yaoshengu.

At this moment, there is no fear in their hearts, and there is only endless anger and murderous intent!

All Yaoshengu disciples took a few steps forward, tightly surrounding the five island warriors in the middle, and endless murderous aura enveloped the five island warriors.

"Hand over that Kai, I can let these two children go, otherwise I will crush them into flesh..."

Kawashima Hiroji is not afraid at all, even if it arouses the anger of everyone, he has nothing to be afraid of, This is the performance of strength.

Xu Changsheng looked at the two crying children. Although he was angry, there was nothing he could do. He was in a dilemma!

"I'll give you three seconds to think about it."

Kawashima Koji said, and began to count.

"Three"

"Two"

Xu Changsheng's forehead was full of cold sweat. This was the hardest decision he had ever made. Is it to save the two children and hand over Kai, or use the lives of all the people in the whole valley to save Kai? ?

After the word "one"

was uttered, Kawashima Hiroji directly lifted the two children up, and now as soon as he let go, the two children would be killed.

"Stop..."

At this critical moment, Long Wu came.

"Mr. Long..."

Seeing Long Wu, Xu Changsheng hurried up to meet him.

Kawashima Hiroshi looked at Long Wu: "Who are you?"

Long Wu ignored him, but looked at the children in Kawashima Hiroshi's second hand, so he said to Long Wu: "Go and call Kai..."

Mr. Long? If the Valley Master comes, he can..."

Xu Changsheng looked at the five island warriors, he was afraid that Kai would not be the opponent's opponent at all.

After all, these are five eighth-rank Martial Sects, among them, the strength of Kawashima Hiroichi has faintly reached the peak of Martial Sect.

"Go call him, otherwise if he finds out, his life will be uneasy..."

Long Wu knows Kai. If Kai knows, he has sacrificed so many people, even his children, in order to save himself. Kai is sure I will blame myself forever.

"We're going to call Kai, you can put the child down..."

Long Wu looked at Kawashima Koji and said.

"When I see Kai, I will naturally let them go..."

Kawashima Koji said with a cold smile.

Now, we can only wait for Kai to arrive.

Xu Changsheng walked quickly to Kai's room. At this time, Kai was sitting cross-legged, and his spiritual sense entered the map of 90,000 miles of mountains and rivers to cultivate!

"Gu master..."

Xu Changsheng gently pushed Kai.

Kai's consciousness returned in an instant, and when he opened his eyes and saw that it was Xu Changsheng, Kai asked in surprise, "Elder Xu, what's the matter?"

Kai knew that if Xu Changsheng had nothing urgent, he would not take him easily. Wake up from practice.

"Gu master, the killer of the island country found here, and is now in the valley, wanton massacre..."

Xu Changsheng said with grief and indignation.

When Kai heard this, he instantly turned into a streamer and rushed out.

"I'm Kai, it's me you want to kill, let the child go..."

Kai looked at Kawashima Koji coldly, and said in a cold voice.

Kawashima Hiroshi looked at Kai, and then smiled lightly: "You finally showed up, I thought you were always going to be a tortoise."

"Second brother, you really have two strokes, use this method to force this Kai directly. Come out."

Kawashima Hirozo laughed.

"Of course, do you think I'm just like you, with only women in my eyes? You have to know how to use your brain."

Kawashima Koji said with a proud face.

"Mom... Mom..." The

two children screamed as they struggled in Kawashima Koji's hands.

"Hahaha, I'll send you to find your mother..."

After Kawashima Koji finished speaking, he threw the two children out.

Seeing this, Kai jumped up and grabbed the two children tightly.

However, when the two children were in Kai's hands, they no longer cried and lost their breath of life. Kai hurriedly found out two spiritual powers and wanted to save the two children, but he found that Kawashima Koji had used his strength to save the two children. The internal organs of the two children were shattered.

Kai slowly put down the two children, gritted his teeth and looked at the five island warriors in front of him.

The murderous aura on Kai rose, and then filled the entire Yaoshen Valley!

As for the other Yaoshengu disciples, seeing that the other party killed even two children, they were all angry and stared at the five island warriors with red eyes.

Now they can't wait to rush forward and swallow these five people alive.

"You don't have to be so angry, because soon, you will go to see Hades just like these two children."

Kawashima Hiroichi sneered.

Killing two children is a normal thing for them.

With trembling hands, Xu Changsheng picked up the two children, tears like a river estuary bursting.

Gu Linger and the other girls were all crying, and anger erupted from their bodies.

"All Medicine God Valley disciples obey the order and kill these five beasts. Even if they lose the lives of all my Medicine God Valley disciples, they mustn't let the five beasts leave..."

Xu Changsheng commanded loudly.

"Kill these five beasts."

"Kill these five beasts."

...

All the disciples in Yaoshengu shouted angrily. At this moment, they did not have the slightest fear. Even if they died, they would never take a step back.

"Hahaha, just relying on you ants, it's easy to kill you..."

Kawashima Hiroichi laughed.

Chapter 1114

People like Yaoshengu, in their eyes, are nothing more than ants, and there is no threat at all.

"Everyone backs me up. I'm enough to deal with them alone. Today, of the five beasts, none of them can leave..."

Kai slowly clenched his fists and ordered loudly.

He knew that these people rushed up and were slaughtered. The huge gap in strength cannot be made up by the number of people.

"Gu master..."

Xu Changsheng didn't understand why Kai wanted to do it alone, knowing that the strength of the other five people was not low.

"Back up..."

Kai ordered loudly again.

Seeing this, Xu Changsheng could only take the Medicine God Valley disciples back.

"Kai..."

Gu Linger and Xiaolan stepped forward, they were worried about Kai.

"You guys also step back, I'll be fine."

Kai gave the two a firm and confident look.

"You two listen to Kai, come back!"

Long Wu also said at the moment.

Long Wu believed in Kai because he felt an unprecedented breath from Kai.

Gu Linger and Xiaolan also stepped back, and only Kai faced the five island warriors.

"Boy, you're so fucking funny. You dare to challenge us alone. Today I'll take your head to receive the reward."

Kawashima Hiroichi sneered.

Immediately afterwards, a terrifying aura erupted from Kawashima Koichi's body. In an instant, a gust of wind blew, and at the foot of Kawashima Koichi, a huge deep pit appeared, as if a huge explosion had occurred.

Kai looked at Kawashima Koichi, and his breath exploded instantly!

boom!

An incomparably tyrannical coercion filled Kai's body, directly crushing Kawashima Koichi's breath without any resistance!

The two breaths were constantly colliding, but the breath of Kawashima Hiroichi, after touching Kai's coercion, was like a mouse seeing a cat, without the slightest resistance!

Kawashima Hiroichi's expression changed, and then his body flew out.

The huge force made Kawashima Hiroichi's body slammed into the mountain, causing the rocks to crack and the rocks to fly!

Kawashima Koichi's mouth overflowed with blood, looking very embarrassed!

And Kai's eyes are cold, killing intent is awe-inspiring!

"This..."

Seeing this, the other warriors opened their mouths in shock.

They couldn't believe that Kai had such strength, and Kawashima Hiroichi suffered a big loss when he shot.

And everyone in Yaoshengu was also amazed, none of them thought that Kai's strength increased so rapidly!

"Kai, your strength has increased a lot..."

Long Wu said with a look of relief.

"The peak of Wuzong is no longer my opponent..."

Kai nodded towards Long Wu.

"Hahaha, today's five unlucky guys can't escape."

Long Wu laughed after hearing this.

Kai looked at the five island warriors coldly, took a step forward and said, "Today I will let you five, life is better than death..."

At this moment, several island warriors all put aside their contempt, their faces full of expressions. dignified!

They underestimated Kai's strength from the very beginning. Even the peak of Wu Zong was not Kai's opponent. It seemed that the five of them should be cautious.

That Kawashima Hiroshi walked back in embarrassment and looked at Kai coldly: "Boy, if we add the five together, a peak of Wuzong can't be compared."

"In my eyes, you are nothing but stinky shit. Warriors are not worthy..."

After Kai finished speaking, golden light flashed on his body in an instant, followed by layers of scales wrapping Kai's body. His unparalleled fleshly body glowed dazzlingly under the sunlight.

"The Valley Master's indestructible golden body is becoming more and more domineering..."

Looking at Kai, Xu Changsheng said slowly.

"Baga, you must die today, all of you must die..."

Kawashima Hiroshi shouted angrily, followed by a terrifying breath all over his body.

In an instant, mists began to rise from the top of Kawashima Koichi's head, followed by a piercing and sharp cry.

Kawashima Koichi's body instantly disappeared into the fog, and then he instantly reached Kai and smashed at Kai with a punch.

"Hmph, the little trick of carving insects..."

Kai greeted him with a punch. Not bad golden body could make him ignore Kawashima Koichi's attack!

After Kai finished speaking, he jumped up and slapped it down with a palm.

Bright golden light flickered in the sky, and Kai's palm directly enveloped Kawashima Hiroichi.

Upon seeing this, Kawashima Hiroshi gritted his teeth, and with the other hand, he shot a terrifying upward force!

But after this energy touched the golden light shot by Kai's palm, it instantly disappeared without a trace.

Bang!

A big pit was instantly formed on the ground, and Kawashima Hiroichi was slapped inside the big pit with a palm.

This time, the other hurried warriors were dumbfounded, and looked at Kawashima Koichi, who was already embedded in the ground, in shock.

None of them thought that the task that was supposed to be guaranteed by all means has now become like this.

"Don't cry and howl, he is not dead, I won't let you die so happily."

Kai said with a gloomy face.

These beasts don't even let their children go, how could Kai let them die so easily?

Just after Kai finished speaking, I saw Kawashima Hiroichi raised his head slightly. Although he was not dead, he was also seriously injured!

"Let's go, go back to the country immediately, and report this matter to the Patriarch..."

Kawashima Hiroichi tried his best and said to the remaining four samurai.

When the four samurai heard this, they completely ignored Kawashima Koichi, and turned around and ran away!

"You can't escape..."

After Kai finished speaking, the golden light on his body became more and more prosperous.

Soon the remaining four warriors were wrapped in it. The four island warriors seemed to be stuck in a dead end and found that they could not escape no matter how much they ran.

Seeing this, the four of them could only jump up in an instant, and then joined forces to move towards Kai.

The sky was full of rays of light, and the four people drew out their samurai swords, and the sharp blades swung towards Kai again and again.

"Hmph..."

Kai snorted coldly, but he didn't dodge or dodge, even though the blade hit him, bursts of fire lasing, but Kai's body was not injured in the slightest.

These island warriors couldn't break Kai's body at all, and Kai's tyrannical body slammed directly towards several island warriors.

Seeing this, several island warriors showed panic on their faces, followed by bursts of mist from everyone, and as the mist rose, the bodies of several island warriors also disappeared in an instant.

"Take care of Gu, these are ninjutsu..."

Seeing this, Xu Changsheng hurriedly shouted to Kai.

The ninjutsu of the island warriors is very famous. A senior island warrior can completely rely on ninjutsu and disappear without a trace, and no one can find it.

Chapter 1116

Kai knew that these people couldn't escape from the circle he set up. Although they were gone, they were definitely nearby!

Kai waved his hand, and the Dragon Slaying Sword appeared in his hand.

Kai held the Dragon Slaying Sword and used the Nine Shadows Sword Technique. Soon four identical Chen Pings appeared, and each Kai occupied a position.

The Dragon Slaying Sword in his hand was swung, forming sword shadows one after another, and the terrifying sword energy raged in all directions, as if to strangle everything in the formation.

Puff puff.....

A shower of blood was poured out, and soon the figures of several island warriors appeared.

Everyone has wounds on their bodies, although they are desperately resisting with katana swords, but it is meaningless!

Kai looked at Kawashima Koji, obsidian-like eyes, exuding a cold and fierce light, giving people an infinite sense of oppression.

Kawashima Hiroshi let out a scream in an instant, and I saw Kawashima Hiroshi's arm, one of which was chopped off, bleeding profusely.

"Second brother?" Seeing that Kawashima Hiroshi saw an arm cut off, Kawashima Hiroshi shouted, and then shouted: "Fourth brother, fifth brother, we must unite to prevent this Kai from approaching him. Body..."

As soon as Kawashima Hiroshi's voice fell, he saw a figure flashing, and then Kai was already in front of him.

Kai had a look of disdain on his face.

Kawashima Hiroshi was startled, and an instinctive punch smashed out at Kai.

Kai reached out and grabbed the wrist of Nakawashima Hirozo.

At this time, Kawashima Koichi, who was already dying, suddenly threw an object from his hand!

This was the last trick they used to carry out their mission. The Watanabe family spent a lot of money to buy this diamond net from the Western Regions.

The diamond net wrapped Kai in an instant, and then began to shrink continuously, causing Kai to curl up together, unable to move at all.

Seeing that Kai was caught by the diamond net, several island warriors breathed a sigh of relief, and now Kai has become a lamb to be slaughtered.

"You don't do it while he can't move..."

Kawashima Hiroichi reminded loudly.

Soon, the remaining two island warriors, wielding katana swords, stabbed towards Kai fiercely.

Dangdangdang...

But no matter how hard the two of them worked, there was no way to break Kai's physical defense.

"Second, third, you also do it..."

This time, Kawashima Koichi and the others' expressions instantly became extremely ugly.

This diamond net can be regarded as an artifact. Although it has experienced vicissitudes and is somewhat dilapidated, the artifact is an artifact after all, how can it be so easy to collapse!

"Big brother, this..."

Kawashima Koji looked at the broken silk thread, and said with surprise on his face.

"Don't worry, this diamond net is indestructible and won't break easily..."

Kawashima Hiroichi said, but his heart was beating!

Kawashima Koichi is also not sure that this diamond mesh will not be broken, because the silk thread of the diamond mesh is still cracking at the moment!

But Kawashima Koichi's words just landed, and the diamond net was torn apart in an instant!

Immediately afterwards, a terrifying spiritual force struck. The two warriors who were standing near the diamond net and wanted to take Kai away were directly sent flying by this spiritual force.

"Ah..."

Kai gritted his teeth, still trying desperately, trying to completely tear the vajra net apart, and endless spiritual power spurted out!

He wanted to chop off Kai's head with a knife.

Kai's body only left a white mark, without the slightest injury.

This bloody scene shocked everyone.

The screams of Kawashima Hiroji resounded throughout the Yaoshen Valley.

Several other samurai looked at it with very ugly expressions. Although they wanted to go forward and rescue Kawashima Koji, no one dared to move.

Stab...

There was another tearing sound, and one of Kawashima Koji's legs was torn off by Kai again.

At this time, Kawashima Hiroji didn't even have the strength to scream.

Kai's body was full of blood splattered, and his body exuded a thick murderous aura, like a god of death in hell!

Even Gu Linger and Xu Changsheng watched, and they were faintly frightened. They all thought that Kai was going crazy.

In the shock of everyone, Kai directly tore off Kawashima Koji's limbs. At this time, Kawashima Koji was left with only one torso.

Even so, Kawashima Hiroshi did not die, and he still had a breath of life, suffering enormous pain.

Kai threw Kawashima Koji, who had only one torso, in front of Xu Changsheng.

"Elder Xu, find a jar, throw this guy in it, and soak it in the liquid medicine. You can't let him die easily..."

Kai said to Xu Changsheng.

"Gu Master, this..."

Xu Changsheng was a little overwhelmed, he felt that this was too cruel.

Seeing Xu Changsheng not moving, Kai frowned slightly: "Look at the two children who died in front of you, do you think I'm cruel?"

Xu Changsheng looked at the two dead children and the mother of the child, although he felt Anger was also burning, but he was still a little helpless.

"Do as I say, this is an order..."

Kai's face became extremely cold, and his voice increased instantly.

Xu Changsheng shivered all over, and immediately waved his hand, asking someone to find the jar, soaking Kawashima Hiroji in it.

Soon, the jar was found, and there was medicinal liquid in it. He threw Kawashima Hiroji inside, only his head was exposed, and he couldn't die in a short time!

Seeing such a scene, in the eyes of several other warriors, one by one was frightened, and their courage was broken.

They are not afraid of death, but this is the first time they have seen such a thing.

Kai looked at Kawashima Koichi coldly, with murderous intent in his eyes.

"Soon, you will also be put into the jar. Do you know what this is called?"

Kai took a step forward slowly, scaring the warriors to hurriedly retreat.

"This is called a human stick, and such a cruel thing was invented by you islanders. Today, I will also let you taste what your ancestors invented..."

Kai said as he walked forward.

"Haga, our island warriors would rather die than be humiliated by you..."

Kawashima Hiroichi roared loudly: "We are from the Watanabe family, if you treat us like this, our ambassador will never let you go "

f*ck you, let your ambassadors try..."

Kai stepped out, and then threw a punch!

The remaining four warriors struggled to support him, but they were not Kai's opponents at all.

As soon as Kai stretched out his hand, the Dragon Slaying Sword appeared in the raging fire, followed by a burst of swords and swords!

Kai did not kill them, but cut off the limbs of these warriors with the Dragon Slaying Sword!

After just ten minutes, the ground was littered with severed limbs, and the four samurai's mourning continued.

Kai's whole body was already soaked in blood, and Gu Linger and Xu Changsheng on the side were also terrified.

"Kai..."

Gu Linger whispered to Kai.

She was afraid that Kai would go crazy, and he would not recognize his six relatives and kill without blinking...

Kai looked at Gu Linger, and suddenly grinned, with a row of white teeth on his red-stained face.

A man like none other and the man decree (chinese) Chapter 1119-1120

Chapter 1119 Debate_

"Are you afraid that I'm going crazy and don't even know you?"

Kai said jokingly.

Gu Linger saw that Kai had no problem with his mind, so he was relieved, so he gave Kai a blank look and said, "I'm not afraid that you are going crazy..."

"Gu Master, what about these people?"

Xu Changsheng took Chuandao After Hongyi and the others were all soaked in the jar, he asked Kai.

Kai looked at the few people who were dying, and smiled coldly: "I want to post them on the martial arts forum like this, and I want everyone to see that the killers sent by these island countries will end up..."

Xu Changsheng opened his mouth, maybe He wanted to dissuade him, but in the end he didn't say it.

"Kai, don't fall for your inner demon..."

At this moment, Long Wu rushed to say.

"Uncle Long, don't worry, I'm measured..."

Kai nodded and said.

Long Wu didn't say anything, but seeing Kai like this, he was even more afraid to show the video to Kai.

If Kai saw that video, he would definitely go crazy, and he would definitely find the Long family...

Soon, there was a big debate in the martial arts forum!

This chapter is provided by m.informativestore.com. Visit m.informativestore.com for daily update.

Kai's approach, some people agree with, some people object.

For a time, the Martial Arts Forum formed two factions, arguing fiercely.

"Kai, this kid is awesome, really kind, and treats island warriors like this, let this bunch of beasts have a taste..."

"Well done, these island country guys deserve this..."

"This Kai also It's too cruel, no matter what the reason, you dare not do such a thing, it's too inhumane."

"Upstairs, what kind of Virgin are you pretending to be? Haven't your ancestors been slaughtered by the islanders?"

The quarrel on the forum Because it was too intense, it almost formed a real fight, but fortunately, the forum was finally closed, and this slowly subsided.

Kyoto, within the Martial Arts Alliance!

Zhu Zhishan looked at the photos posted by Kai on the forum, his face was gloomy and uncertain, and he didn't know what he was thinking.

"Leader, the second son must not stay. This guy's strength is hard to fathom, and he is ruthless. Be careful to raise tigers..."

Guo Wei said to Zhu Zhishan with a look of horror.

Guo Wei knew that Kai had always been hostile to him. After all, Su Yuqi was the one who caught the Martial Arts Alliance.

If Kai is allowed to find out like this, then the next person to be killed may be himself.

"Go find a way to get rid of him, these island warriors are really fucking trash..."

Zhu Zhishan said with a cold face.

"Okay, I'll leave now..."

Guo Wei nodded, turned and left.

At the same time, in the Long Family Hall, Long Jingguo and Master Dingchan also saw the content on the forum.

The news of Kai in Yaoshen Valley was brought back by Master Dingchan and told to Long Jingguo, who directly informed the Martial Arts Alliance.

Otherwise, several island warriors would not be able to find Yaoshen Valley at all.

"This kid named Kai has really good talent. He was able to kill five island warriors at such a young age. I don't know who he taught, but his methods are a bit cruel..."

Master Dingchan had some points for Kai . Appreciate it, after all, it is not easy for a martial artist as young as Kai to have the current strength.

At this time, Long Jingguo didn't say a word, staring at a few island warriors who were made into adult sticks and soaked in the jar.

Kai's cruelty made Long Jingguo feel a little horrified, and at the same time gave him a sense of crisis.

He now only wants to let Kai die. The speed of Kai's strength development has exceeded his expectations.

"Master Dingchan, I'll leave Xiao'er's injury to you. This time, after Xiaoer's injury is healed, he will step into the realm of Marquis Wu and let him go down the mountain and go home..."

Long Jingguo asked Master Dingchan to bring Long Xiao back to the mountain for treatment, and let Long Xiao step into Wuhou and go down the mountain!

For some reason, Long Jingguo was always worried, worried that Long Xiao was not strong enough and would be killed by Kai...

Chapter 1120 Protest _

"Don't worry, Patriarch Long, I will definitely find a way to heal Long Xiao and let him reach Marquis Wu after the year..."

Master Dingchan said confidently.

Long Jingguo nodded happily, then said to Long Xingxu who was beside him: "Xingxu, go get some Longquan water and give it to Master Dingchan to take away..."

"Patriarch, I am afraid that there is only one cup of Longquan water now. It's here..."

Long Xingxu whispered.

"What? How come there are so few?"

Long Jingguo said with a cold expression on his face.

"Patriarch, after the eldest young master took away the water from the Longquan last time, there was very little water dripping out of the Longquan, sometimes it took several days to drop a drop..."

Long Xingxu explained.

After Long Jingguo listened, he didn't say anything, but his face was very ugly.

This Longquan is a divine spring in the Long Family Manor. At that time, the ancestors of the Long Family took root here, because there is a spring here, and clear spring water flows from a beautifully carved faucet!

Later, it was named Longquan, and this Longquan water can nourish the body and improve strength, which also made the Long family gain a firm foothold in Kyoto in a very short time, and become one of the best big families.

It's just that with the passage of time, the spring water in Longquan has become less and less, and it can only drop a drop in a few days.

At this time, Long Jingguo remembered the legend that he had been in the Long family all the time. It is said that the day when the Longquan water completely dried up was the day when the Long family was destroyed!

Now there are fewer and fewer Longquan water, which makes Long Jingguo feel a little uncomfortable.

Although it is only a legend, Long Jingguo still believes it to some extent.

"Patriarch Long, without the Long Spring water, I can heal Long Xiao, don't worry..."

Master Dingchan said with relief when he saw Long Jingguo's ugly face.

How did he know that what Long Jingguo was worried about was not Long Xiao's body, but the survival of the entire Long family...

Kyoto, Dharma Protector Pavilion!

Nagamura Masao was sitting on the chair with an angry face.

On the main seat is Mr. Shi.

"Mr. Shi, I protest, I want to protest sternly, our island warriors have been subjected to such inhuman abuse, this Kai is simply a beast..."

Masao Nagamura roared loudly, patting the table.

Mr. Shi smiled and was not angry at Nagamura Masao's loud protest.

"Ambassador Nagamura, since you said that these people are your island warriors, I hope you can show me the entry permits of these people..."

"Although our Daxia is hospitable, we are by no means not. Anyone can come in without saying hello..."

"If Ambassador Nagamura can't provide the entry permits for these people, then I will consider these island warriors as spies who secretly infiltrated our country..."

"That way If so, I need Ambassador Nagamura to explain to me..."

Mr. Shi's remarks made Nagamura Masao suddenly dumbfounded.

After seeing the photos on the forum, he rushed to protest angrily, forgetting that these island warriors had entered the country illegally.

"Mr. Shi, these people have changed beyond recognition. Whether they are warriors from our island country, I can't make up my mind for a while. When I go back to investigate and explain to Mr. Shi..."

Masao Nagamura smiled apologetically. Just arrogance.

If it is really designated as a spy, this matter can be a big problem.

"Then I'll wait for Ambassador Nagamura's explanation..."

Mr. Shi still had a smile on his face.

Nagamura Masao wiped the cold sweat from his forehead, and then walked away in despair.

"This guy really shot himself in the foot."

Seeing Nagamura Masao walk away in despair, Zao Wou-Ki laughed.

However, there was no smile on Mr. Shi's face at this time.

"Zao Wou-Ki, this Kai's method is a bit cruel, and it was even announced. Such an impact is too bad, Mu Xiu will be destroyed by Lin Feng, please advise him..."

Chapter 1123 You underestimate me

Today, there are only him and Kai, and Guo Wei has no scruples.

"Your evil power is useless to me. If this is your trump card, then you will definitely die..."

Kai said coldly.

"Then try it!"

Guo Wei was furious, and then his hands quickly slid in the air, and the surrounding black mist seemed to be galloping, and began to gather together, constantly changing.

Soon, the black mist turned into a wild beast, roaring with claws and claws!

The mark on Guo Wei's chest suddenly wafted out a drop of blood essence, and then slowly the drop of blood essence dripped onto the beast's eyebrows, and the blood essence was instantly absorbed into it.

"Kai, you underestimate the technique of evil cultivation. If the technique of evil cultivation is so unbearable, how can I spell out my future cultivation..."

Guo Wei said, pinching his fingers, and the four disliked beasts roared and rushed directly towards Kai.

Roar...

The beast came to Kai at an unparalleled speed, and Kai seemed very insignificant in front of this beast.

When Kai saw this, he didn't panic, the power of the dragon broke out, and he swung out with a punch.

However, Kai's punch hit the beast as if it was empty, and Kai personally seemed to be sucked by a huge suction force, and he entered the body of the beast at once.

Kai's body disappeared into the darkness, the beast roared, and the body began to emit light. Kai, who fell into the darkness, felt his eyes light up, followed by incomparably hot!

Seeing this scene, Guo Wei showed a smile on his face.

"It's still too tender..."

Although Kai's strength is very strong, but after all, he is young and lacks combat experience.

He didn't see the true power of Guo Wei's black fog at all!

Guo Wei took out his mobile phone and called Zhu Zhishan.

"How? Did you kill that Kai?" On the

opposite side, Zhu Zhishan asked.

"Three minutes, three minutes later, then Kai will turn into a pool of thick water..."

Guo Wei said to himself with a full face.

"You used evil power?" Zhu Zhishan frowned slightly: "No one else saw it?"

"Don't worry, lord, there is no one else, even if there are other people, they will all be dead..."

Guo Wei's eyes flashed Get murderous!

At this time, if someone nearby sees it, he will shoot without hesitation, regardless of who the other party is.

Fortunately, Kai let the taxi driver leave, otherwise the taxi driver would be in trouble.

"That's good, once Kai dies, I can rest assured that this guy is always a scourge..."

Zhu Zhishan breathed a sigh of relief and hung up the phone.

Just after hanging up the phone, the beast that was transformed by the black mist suddenly struggled from a distance, and then the body began to shrink rapidly!

A golden light burst out from the beast's body!

"This... what's going on?"

Guo Wei's expression changed suddenly upon seeing this.

The beast is still struggling at a distance, and its body is getting smaller and smaller.

Guo Wei hurriedly threw out a drop of blood essence, but it fell on the beast, but nothing changed!

In just ten seconds, the beast transformed by the black mist disappeared completely, all the black mist disappeared, and the sun shone on this land again!

Kai stood in front of Guo Wei with a contented face, and said jokingly: "Thank you so much for sending me such a good training resource..."

Guo Wei suddenly felt cold all over, and cold sweat broke out from his forehead!

"You...you..."

Guo Wei pointed at Kai, not knowing what to say.

At this moment, Kai is full of power, and his dantian is full of spiritual power!

This Guo Wei originally wanted to kill Kai with evil power, but he didn't want these black mists to become Kai's cultivation resources.

Chapter 1124 Invisibility? _

"Go to hell..."

Kai's body disappeared instantly, and then he came to Guo Wei.

"Magical body protection..."

Guo Wei shouted angrily, and then the mark on his chest began to flash light continuously, and Guo Wei's body became very hard in an instant.

Bang!

Kai punched Guo Wei hard in the chest.

Guo Wei's body flew out in an instant, his hard body cracked, and the mark on his chest began to dim!

Guo Wei's body fell heavily to the ground, blood spilling from the corner of his mouth.

He couldn't believe that Kai could beat himself with such contempt now.

You must know that a few months ago, in Guo Wei's eyes, Kai was not even an ant, and he didn't even bother to look at Kai.

"What else do you have?"

Kai looked at Guo Wei coldly, his body exuding fierce killing intent.

Guo Wei felt the killing intent of Kai, and he knew that he could only follow Kai's desperate path.

"Boy, you and I have to die today, but you are the first young man who can force me to this level..."

Guo Wei said, slowly raising his hands and muttering words.

Then Guo Wei's face became hideous, and his facial features were twisted together.

The mark on the chest emitted a ray of light, and the ray of light instantly spread to Guo Wei's whole body.

Guo Wei's blood vessels were bulging, and the blue veins on his forehead were bulging.

Slowly, Guo Wei's whole body seemed to become transparent, the blood vessels were clearly visible, and even the flow of blood could be seen!

Soon, the blood vessels on Guo Wei's body could not be seen, only the faint outline remained!

"Invisibility?"

Kai frowned slightly as he looked at Guo Wei who was slowly disappearing.

Kai hurriedly swiped his palms towards the air, and a breath visible to the naked eye directly enveloped the surroundings.

Kai was afraid that Guo Wei would use stealth to escape.

This stealth technique is different from the ninjutsu of those island warriors. The ninjutsu of island warriors is, to put it bluntly, a blindfold.

The real invisibility technique is to integrate the body with the heaven and the earth, and even hide the breath without revealing any flaws.

"Do you think I'll run away?"

At this moment, Guo Wei's voice sounded in Kai's ear: "You underestimate me, I won't leave if I don't kill you..."

"I said, you This little skill can't kill me..."

Although Kai could no longer see where Guo Wei was, he didn't panic.

Although Guo Wei's body disappeared, Guo Wei's breath was still there.

As long as Guo Wei makes a move, he will definitely reveal his breath, unless he never makes a move against Kai, but if he doesn't make a move, how could he kill Kai?

"Arrogant, then I'll show you my real trump card, even if I can't kill you, but I can kill you..."

Guo Wei said, and suddenly slammed a punch at Kai.

Kai felt that Guo Wei's breath was coming from the side, so he punched him!

Boom...

Guo Wei began to attack Kai continuously!

"Are you trying to use this method to exhaust the energy in my body?" Kai sneered: "If so, then you are very wrong, my energy is very full, but you are already The end of the crossbow..."

With every punch, Kai could feel Guo Wei's strength weakening!

"Hahaha, my energy is as vast as the sea, and everything in the world is for my use..."

Guo Wei laughed, and then he saw the surrounding trees begin to shake.

Immediately afterwards, countless crystal clear rays of light flew out from the trees and converged on Guo Wei's body.

"These evil arts are really not good things..."

Kai said with a slight squinting as he watched the surrounding animals and plants lose their vitality.

"It's not for you, but for me, it's a supreme skill..."

After Guo Wei finished speaking, he suddenly slapped Kai with his palm!

A terrifying force came from the sky and covered the sky and directly enveloped Kai.

The energy in Guo Wei's body is like a vast ocean, and it is endless... One after another, the energy is like

a knife, constantly hitting Kai's body.

The golden light of Kai's body is dim, and the golden body is almost collapsed. If the golden body is not broken, Kai can only rely on his physical body to carry it.

Seeing Kai's embarrassed appearance, Guo Wei laughed excitedly.

The rippled space in front of Guo Wei began to shroud Kai.

"You can't be hard, then let's be soft. Do you think I, the director of the alliance, have a vain reputation? Let me tell you, in the realm of the peak of Wuzong, few people's techniques are my opponents..."

Guo Wei sneered. with Kai.

If there is no real ability, how can you sit on the position of the alliance director.

Kai struggled desperately, but he couldn't escape the pair of tentacles, and a strange force was constantly eroding Kai's body.

This force is very soft, and it is not a head-to-head encounter with Kai, so Kai's indestructible golden body is difficult to resist this force!

"You are very confident..."

Kai looked at Guo Wei, suddenly folded his hands, and then chanted words, and a dharma formula came out of Kai's mouth!

"Withered trees still reappear in spring..."

After Kai finished speaking, a force of peace fell from the sky in an instant, and the withered trees around them were instantly rejuvenated!

Countless branches are growing rapidly, and then they reach Guo Wei!

Seeing this, Guo Wei hurriedly shot out a few palms, breaking a few branches, but more branches wrapped around Guo Wei's body.

Guo Wei was bound, the tentacles that controlled Kai disappeared instantly, and the rippled space slowly disappeared.

Guo Wei blushed and struggled desperately, trying to break free of these branches.

With his strength, how could these rotten wood trap him!

But no matter how hard Guo Wei tried, he was firmly controlled by those branches and couldn't break free!

Kai waved his hand, and those branches instantly sent Guo Wei to Kai.

"I forgot to tell you, I also know some techniques..."

Kai said coldly, looking at Guo Wei who was being controlled.

Guo Wei was really panicked at the moment, and his eyes became very flustered.

"Kai, you... what do you want? If you really kill me, you will follow the Martial Arts Alliance forever."

Guo Wei was scared and began to beg for mercy: "But as long as you don't kill me, I can persuade Alliance Leader Zhu. , let your girlfriend go, and the Martial Arts Alliance will never trouble you from now on..."

"What did you guys do earlier? Now that you know you're going to die, are you begging me again?"

Kai said, slowly raising his voice. He raised his hand, and the golden light radiated from the palm of his hand.

"What do you want to do? I can teach you all of my magic, as long as you are willing to let me go..."

Feeling the killing intent on Kai, Guo Wei was frightened!

Thinking of how Kai treated the five island warriors, Guo Wei was even more afraid!

Maybe death is not terrible, but there are many things more terrible than death...

Chapter 1126

Kai slowly looked at Guo Wei's chest, and suddenly smiled coldly: "I want the dantian in your body..."

After Kai finished speaking, Guo Wei's eyes suddenly showed panic!

This dantian is the source of the martial artist's strength. Without the dantian, he would be completely useless. The cultivator's dantian is broken and can be restored by training, but the martial artist cannot.

Now that Kai wants Guo Wei's dantian, doesn't this mean that Guo Wei will be made a waste?

In this case, it would make him more uncomfortable than killing Guo Wei!

The director of the dignified martial arts alliance has become a waste person. How will Guo Wei face those sect families in the future?

"Please, please, except for Dantian, I..."

Guo Wei begged Kai, but before he finished speaking, Kai threw a punch.

Guo Wei's face was ashen.

At this time, Kai took his hand out of Guo Wei's stomach, his hands were stained with blood, and with a gentle wave of his hand, all the branches that bound Guo Wei disappeared.

Guo Wei's body fell to the ground with a thud, the breath on his body was rapidly draining, and blood continued to ooze from the wound on his chest.

Guo Wei wanted to get up, but after several attempts, he didn't even have the strength to get up.

"Kill me, kill me..."

Guo Wei didn't want to live anymore.

His dantian has been shattered, and he has become a crippled person, and his life is meaningless.

The reason why Guo Wei practiced evil arts is that he has a desire for strength. For many warriors, they only have strength in their minds.

Now that Guo Wei has become a waste all of a sudden, it is difficult for him to accept it for a while!

"Kill you?"

Kai looked at Guo Wei coldly: "Isn't it cheap to kill you like this?"

"What about your high-spirited attitude? When you arrested my girlfriend, did you ever think about it? What will happen to you?"

"You kneel in front of me now, and I may be able to make your death a little more happy..."

Guo Wei's teeth all fell out, and it was impossible for him to bite his tongue and commit suicide.

"Kill me, kill me..."

Guo Wei shouted desperately when he saw that he couldn't commit suicide.

"I said, I won't let you die so easily..."

Kai grabbed Guo Wei's hair with one hand: "Kneel down..."

"If you are dreaming, I will never kneel down for you..."

Guo Wei said fiercely.

A man like none other and the man decree (chinese) Chapter 1127-1128

Chapter 1127

Kai picked up Guo Wei's mobile phone and found that it was Zhu Zhishan calling.

Kai gently pressed the answer button, and Zhu Zhishan's impatient question immediately came from the opposite side: "Guo Wei, how is it? If you don't say three minutes, then Kai will turn into a pool of blood?"

" , I'm really sorry, I'm afraid I'm going to disappoint you..."

Kai responded in a playful tone.

The opposite side was obviously stunned, and after a while, Zhu Zhishan's gloomy voice came: "Kai, what about Guo Wei? What happened to him?"

"Don't worry, he's fine, you'll see him soon. He's gone..."

After Kai finished speaking, he pressed his hand slightly, and the phone turned into powder.

Immediately afterwards, Kai took out his mobile phone and recorded Guo Wei kneeling on the ground and being humiliated by his hair.

"Kill me, kill me..."

Guo Wei roared, he knew what Kai was going to do.

"Don't worry, I will definitely kill you, but before I kill you, I want everyone to see how embarrassed you are, the director of the alliance."

Kai grabbed Guo Wei's hair with one hand and started recording with the other. !

Guo Wei struggled desperately and didn't want to face the camera, but he couldn't break free at all!

Kai said, and twisted his hand directly!

Kacha.....

Guo Wei's head was twisted off by Kai.

Guo Wei's eyes were wide open, and he couldn't keep his eyes closed

..... In

the Martial Arts Alliance!

Zhu Zhishan slammed the phone on the ground, and the phone was shattered!

He never imagined that Guo Wei was no longer Kai's opponent.

Guo Wei's ability, he is very clear, especially the evil skills that Guo Wei cultivates, even if he is at the peak of Wuzong, Guo Wei can be regarded as a leader.

Now that he has been defeated by Kai, how is this possible!

"Leader, Kai is coming outside..."

Just when Zhu Zhishan was angry, someone suddenly ran in and reported.

Zhu Zhishan was stunned for a moment, and then frowned: "What is he here for?"

"Leader, then Kai said it was a gift for the leader!"

said the person who ran in.

"Gifts?" Zhu Zhishan was a little stunned, and didn't understand what medicine was sold in Kai's gourd.

After a moment of contemplation, Zhu Zhishan walked towards the hall.

When I came to the lobby, Zhu Zhishan saw Kai carrying a wooden box and sitting on a chair with a calm expression on his face!

Zhu Zhishan looked at Kai and said slowly, "Kai, where is Guo Wei?"

Kai threw the wooden box in his hand towards Zhu Zhishan!

Zhu Zhishan took the wooden box and opened it, a bloody smell came out!

When Zhu Zhishan saw that the wooden box contained Guo Wei's head, he was furious!

He never imagined that Kai would dare to kill Guo Wei.

In any case, Guo Wei is also the director of the Martial Arts Alliance. Kai killed Guo Wei, but he completely tore his face with the Martial Arts Alliance.

"You... you dare to kill Guo Wei?"

Zhu Zhishan pointed at Kai and roared.

"He's just the beginning, more people in your Martial Arts Alliance will die in the future..."

Kai looked at the furious Zhu Zhishan coldly.

"You are so courageous, you killed Guo Wei, and you still dare to come to my martial arts alliance to be wild. Today I will let you know that my martial arts alliance is not a place where you can be wild..."

After that, the breath of Zhu Zhishan began to start. Soaring rapidly.

One after another terrifying coercion shrouded Kai.

Clap la la.....

The chair under Kai instantly turned into powder, and Kai's body seemed to be pressed by a mountain.

Kai's forehead burst with blue veins, and he gritted his teeth, resisting this coercion!

Zhu Zhishan's strength is far higher than Kai's, and Kai can't bear it just because of this coercive trend.

But there was no trace of fear on Kai's face.

Chapter 1128

Soon, Zhu Zhishan retracted that coercive force, and Kai breathed a sigh of relief.

It's not that Zhu Zhishan didn't want to kill Kai, but that there was Mr. Shi behind Kai, and Zhu Zhishan didn't dare to do it.

He can let others do it, but he will never risk his own future.

Kai smiled coldly at Zhu Zhishan, his eyes full of provocation.

He guessed right, Zhu Zhishan would not kill himself!

"Boy, if I don't kill you, it doesn't mean no one will kill you, you have already driven yourself into a dead end..."

Zhu Zhishan narrowed his eyes and gritted his teeth.

"Since you don't dare to do it, don't talk nonsense..."

After Kai finished speaking, he turned and walked out.

Looking at the back of Kai leaving, Zhu Zhishan almost died of anger, grabbing Guo Wei's head and pinching it instantly.

This time, Kai actually made the mighty director of the Kyoto Martial Arts Alliance kneel on the ground, which also made many people secretly breathe a sigh of relief.

"Kai is really awesome. Not only did Guo Wei kneel on the ground, he even killed Guo Wei..."

"This Kai is too good. I don't know if he accepts apprentices?"

"I think this Kai can now rank on the Free and Easy List.

" Three words on the list."

"If you kill the director of the Martial Arts Alliance, this Kai will definitely not live long, and I feel useless if you don't get on the list..."

A man like none other and the man decree (chinese) Chapter 1129-1130

Chapter 1129

"Master, the younger generation in Kyoto, there is a strong man who even killed Guo Wei, the director of the Kyoto Martial Arts Alliance..."

At this moment, a servant came over with a mobile phone.

"That Guo Wei is just a false name, I can kill him..."

Luo Xiang said very casually.

In his eyes, the people of the Martial Arts Alliance are just trying to make a name for themselves, and they have no real ability.

"Master, this person not only killed Guo Wei, but even twisted Guo Wei's head off and sent it directly to the Kyoto Martial Arts Alliance..." The

servant's words immediately aroused Luo Xiang's interest.

"Damn, there's such a thing? It seems that this kid is interesting!" Luo Xiang sat up straight: "What is this kid called? Where is he from?"

"Master Hui, this man is called Kai, and I heard that he is Jiangbei Hongcheng. people."
The man

replied.

"Jiangbei Hongcheng..."

Luo Xiang frowned slightly: "I haven't heard of any masters in that place, let alone the masters of the younger generation."

"Master, this Kai has only recently emerged. Some time ago, he just defeated Long Xiao of the Jinglong family, and now many people in the martial arts forum are discussing that this Kai's current strength may be ranked in the top five of the Happy Ranking!"

"Hahaha, the top five on the Happy Ranking? What do you mean? Is it more powerful than me? It's a fucking fart, it seems that I have time to meet this Kai."

Luo Xiang laughed, but there was a chill in his eyes! Luo Xiang has always been dissatisfied with the fifth position on the Free and Easy List, and now a Kai suddenly appears, and his position is higher than himself

. How could Luo Xiang agree!

, then how could Kai's strength surpass you, young master!" The

servant has followed Luo Xiang for many years, knowing that Luo Xiang was already angry at this moment.

Hearing the subordinate's flattery, Luo Xiang put away the cold light in his eyes, and then asked, "Did I order the people sent to Xichuan to come back? That Gu Kaiyuan is still stubborn and refuses to submit to my Luo family?"

"Master, I was just about to report this to you. The Gu family manor has been in ruins, and Gu Kaiyuan's life and death are unknown, but on the ruins of the Gu family, a group of people of unknown origin have already occupied that place..."

The servants reported in a low voice.

"What, there is such a thing?"

Luo Xiang frowned.

Mobei and Xichuan are adjacent to each other. The Luo family has always planned to annex the Gu family, so they have been sending people to lobby Gu Kaiyuan and submit to the Luo family!

Now that the Gu family was suddenly taken first by others, Luo Xiang felt a little surprised!

After all, in the northwest, there are not many people who can destroy the Gu family, not to mention that the Gu family's guardian formation is very powerful, otherwise the Luo family would have already annexed the Gu family by force.

"Let's gather people immediately, and follow me to Xichuan to see..."

Luo Xiang is going to see, who is the person who can destroy the Gu family and occupy the Gu family's territory.

.....

The Nishikawaya family!

Under the magic tower in Gujia Town, several Wu Zongs were guarding it.

In a short period of ten days, the ruins of the Gu's house had already been cleaned up and construction began again.

In the Demon Suppression Tower, Ning Zhi sat in it, and a tyrannical atmosphere surrounded Ning Zhi.

Ning Zhi's face was crazy, his face was full of pride, he really did not expect that he would break through to the peak of Wuzong in such a short period of time.

He feels that he has only been in for more than ten hours, but he has made such rapid progress.

"Hahaha, this is really a good thing. If I practice for a while, I will be able to step into the realm of half-step Marquis, or even Marquis. At that time, the entire Kyoto martial arts world will be younger, who is my opponent?"

"Even if it is on the Free and Easy List, I will have a place for Ning Zhi..."

Chapter 1130

Outside the Gu family manor, Luo Xiang brought someone over.

Looking at the manor that was in ruins and then rebuilt, Luo Xiang's face became very ugly!

Just as Luo Xiang was about to bring someone in, he was stopped by two guards.

"Stop, who are you guys? It's under construction right now, you can't enter casually..."

A guard stopped Luo Xiang and said.

Luo Xiang glanced coldly at the two guards, then turned his hands into claws and grabbed the heads of the two guards directly.

The two guards didn't even have time to let out a scream, and they died on the spot, their heads burst.

Luo Xiang didn't even look at the two guards who were killed, and broke in directly.

At this time, Uncle Zhong brought people over.

Gu Kaiyuan died, and Uncle Zhong had been loyal to Ning Zhi and became a lackey of the Ning family.

But when Uncle Zhong saw Luo Xiang, he was stunned, and then his face became very ugly.

When Luo Xiang saw Uncle Zhong, he was slightly taken aback and said, "Uncle Zhong, where is your master Gu Kaiyuan?"

"Luo... Young Master Luo, why do you have time to come to Xichuan?"

Uncle Zhong asked in a panic.

"Stop interrupting me, let me ask you about Gu Kaiyuan?"

Luo Xiang said coldly.

Uncle Zhong shuddered, looking at the two guards who died tragically on the ground, and hurriedly replied: "Master Luo, our owner has been killed, and this manor has changed hands."

"Killed?" Luo Xiang frowned. Wrinkle: "Who killed it?"

"Kai!"

Uncle Zhong didn't dare to hide it, so he said truthfully.

Hearing the words Kai, Luo Xiang was stunned.

The name he just heard today, but he doesn't want to hear it again now.

"So, Gu Kaiyuan is dead, and you have become someone else's dog?"

Luo Xiang's eyes narrowed slightly: "I'm going to meet this guy today, dare to run here and grab the territory..."

Uncle Zhong wanted to say something, but Luo Xiang pushed him away and led someone to rush in directly.

"Who is it, but dare to break in?"

At this time, several Wu Zongs of the Ning family were guarding under the Demon Suppression Tower. When they saw someone breaking in, they immediately showed their weapons.

Seeing this, Luo Xiang couldn't help but sigh: "I didn't expect this guy to have some strength, and the lackeys under him are all in the realm of Wuzong."

"Bold, dare to be rude to me..."

Several Wuzong heard Luo Xiang comparing them. As a lackey, he was instantly furious, waving his weapon and rushing up.

Luo Xiang waved his palms, and an incomparably domineering force formed an air wave, which directly knocked several martial arts masters to the ground.

Just when Luo Xiang was about to do something, a figure suddenly rushed out of the Demon Suppression Tower.

Immediately afterwards, several sounds of breaking through the air sounded, and the energy visible to the naked eye shrouded directly towards Luo Xiang.

"Hmph, even at the peak of Wuzong, you dare to be arrogant in front of me..."

Luo Xiang snorted coldly, and then shot a few bursts of energy, instantly defusing the attack.

"Master..."

Seeing Ning Zhi coming out of the Demon Tower, several experts from the Ning family hurriedly shouted.

Luo Xiang looked at Ning Zhi, and then asked coldly, "Are you Kai?"

Luo Xiang had never seen Kai, nor had he watched Kai's videos on the martial arts forum, so he didn't know Kai. Treat Ning Zhi as Kai.

Ning Zhi was stunned for a moment. Before opening his mouth to explain, Uncle Zhong hurried forward: "Young Master Luo, you misunderstood, this is the eldest young master of the Ning family in Jingjing, and the rebuilding of the Gu family manor is also the order of the young master Ning!"

"The Ning family in Kyoto?" Luo Xiang's expression changed instantly when he heard this!

He didn't know Ning Zhi, but the Ning family in Kyoto had heard of it. They were in Kyoto, but they did not join the martial arts alliance in Kyoto, which shows that the Ning family's influence in Kyoto was not small.

"Who is he?"

Ning Zhi looked at Uncle Zhong and asked.

"Master Ning, this is Luo Xiang from the Luo family in Mobei, Mr. Luo..." Uncle

Zhong introduced.

"Luo Xiang? That existence that ranks fifth on the Free and Easy List?"

Ning Zhi looked at Luo Xiang: "No wonder his strength is good, and his anger is also very strong!"
